| | 3 | |
| | 4 | DANETTE L. ANTONACCI, |
| 12:00 | 5 | having been first duly sworn to faithfully |
| | 6 | and accurately transcribe the following |
| | 7 | proceedings to the best of her ability. |
| | 8 | |
| | 9 | MR. STANTON: Good afternoon ladies and |
| 01:04 | 10 | gentlemen. My name is David Stanton. Along with |
| | 11 | Brandon Albright we will be presenting the next matter |
| | 12 | to you. Ladies and gentlemen, this is a proposed |
| | 13 | Indictment that seeks to establish probable cause for |
| | 14 | various different criminal offenses of four individuals |
| 01:04 | 15 | that are listed on page 1, lines 12 through 14: Dustin |
| | 16 | Lewis, Margaux Ornelas, Tyree Faulkner and Thomas Herod. |
| | 17 | Ladies and gentlemen, I'm about to go through the |
| | 18 | elements of the offense and they're listed in the |
| | 19 | document itself. There are times where the same offense |
| 01:04 | 20 | is going to be listed and it's just different counts and |
| | 21 | that could be no further evidenced on page 2, Counts 2, |
| | 22 | 3 and 4 are all the offense of burglary. So as you can |
| | 23 | imagine the elements of burglary are the same. The |
| | 24 | difference between Counts 2, 3 and 4 are the victims |
| 01:05 | 25 | listed in the document. So what I'm going to do is just |
| | | |
| | | |

| 01:05 | 1 | list you the prima facie elements of burglary and then |
|-------|----|--|
| | 2 | tell you the difference between each count. I will not |
| | 3 | repeat the elements unless any member of the Grand Jury |
| | 4 | has any questions about them. So it might be expediting |
| 01:05 | 5 | and then avoiding any duplicitous conduct. |
| | 6 | Part of the exhibits that are being marked |
| | 7 | as we're beginning this presentation is Grand Jury |
| | 8 | Exhibit Number 7. I have an additional copy of this up |
| | 9 | here and for the record I'm now going to ask that this |
| 01:06 | 10 | be passed around the Grand Jury, members of the Grand |
| | 11 | Jury, so you see that this is a exhibit to assist you in |
| | 12 | understanding the testimony you're about to hear about |
| | 13 | the property involved in this case. So once again this |
| | 14 | is Grand Jury Exhibit Number 7. It is a copy, the |
| 01:06 | 15 | original is with all the exhibits and of course can be |
| | 16 | reviewed by any of you any time during your |
| | 17 | deliberations or during this presentation. It's a tool |
| | 18 | to assist you and I think you'll understand why it might |
| | 19 | assist you as you hear this case kind of open up in |
| 01:06 | 20 | front of you. |
| | 21 | So going back to the elements of the |
| | 22 | offense. Count 1 on page 1. This count involves |
| | 23 | Mr. Lewis and Ms. Ornelas and that is conspiracy to |
| | 24 | commit burglary. That those two defendants, on |
| 01:06 | 25 | December 8, 2018, willfully and unlawfully conspired |
| | | |
| | | |

| 01:07 | 1 | with each other to commit a burglary, by the defendants |
|-------|----|--|
| | 2 | committing the acts in Counts 2, 3 and 4, as being |
| | 3 | incorporated in this count as if fully stated as it is |
| | 4 | in Counts 2, 3 and 4. So a conspiracy is a separate |
| 01:07 | 5 | count, it is a conspiracy to commit burglary. And here |
| | 6 | three counts of burglary. So Count 2, page 2, line 3, |
| | 7 | that Mr. Lewis and Miss Ornelas, on December 8th, |
| | 8 | willfully and unlawfully and feloniously entered a |
| | 9 | storage unit number B151, owned and occupied by Marc |
| 01:07 | 10 | Falcone, located at 9960 West Flamingo Road here in |
| | 11 | Clark County, they did that with the intent to commit |
| | 12 | larceny. |
| | 13 | Now the next thing, since this is the first |
| | 14 | time I'm presenting a case to you, I'm going to explain |
| 01:07 | 15 | that the next series of elements and instructions of law |
| | 16 | is that those are the elements of the crime of burglary |
| | 17 | but there's three different ways of which one is liable |
| | 18 | for committing burglary. And so the first one is that |
| | 19 | they're liable under one or more of the following |
| 01:08 | 20 | principles of criminal liability. Remember there's |
| | 21 | three. The first one is by directly committing the |
| | 22 | crime, and/or, number 2, they committed it in aiding and |
| | 23 | abetting in the commission of the crime with the intent |
| | 24 | that the crime be committed, by counseling, encouraging, |
| 01:08 | 25 | hiring, commanding, inducing, and/or otherwise procuring |
| | | |

9

| 01:08 | 1 | the other to commit the crime. So directly committing |
|-------|----|--|
| | 2 | the act, committing it during, by aiding and abetting |
| | 3 | one or others in committing a crime. And finally 3, |
| | 4 | conspiracy. Pursuant to a conspiracy to commit this |
| 01:08 | 5 | crime with the intent that the crime be committed, |
| | 6 | defendant and/or unknown individuals aiding or abetting |
| | 7 | and/or conspiring, by the defendant and/or unknown |
| | 8 | individuals acting in concert throughout. |
| | 9 | So once again, one crime of burglary but |
| 01:09 | 10 | three different ways that the law recognizes you're |
| | 11 | liable for committing that offense beyond just directly |
| | 12 | committing the act. |
| | 13 | Any questions about theories of liability? |
| | 14 | Okay. Same elements as I just read |
| 01:09 | 15 | applying in Count 3. Once again it's charged as to |
| | 16 | Mr. Lewis and Miss Ornelas, same date, December 8th of |
| | 17 | 2018, but here it's a storage unit B145 that's listed on |
| | 18 | page 2, line 16, and that is owned and occupied by Kenny |
| | 19 | Bluntman. Once again we're dealing with the same |
| 01:09 | 20 | storage unit at 9960 West Flamingo Road and that there |
| | 21 | are three theories of liability of the two defendants, |
| | 22 | Mr. Lewis and Miss Ornelas, directly committing the act, |
| | 23 | number 1, aiding and abetting, number 2, and 3, |
| | 24 | conspiring to commit the act. |
| 01:10 | 25 | Once again any questions about the elements |
| | | |
| | | |

I

| 01:10 | 1 | and the structure of Count 3? |
|-------|----|--|
| | 2 | Count 4, once again burglary, same two |
| | 3 | defendants. Mr. Lewis and Miss Ornelas, December 8th, |
| | 4 | willfully, unlawfully enter a storage unit, now we're |
| 01:10 | 5 | talking about B147, and that it's owned by Michael |
| | 6 | Rodriguez and/or Rita Yvonne Rodriguez. Once again it |
| | 7 | is the same physical location of the storage facility at |
| | 8 | 9960 West Flamingo Road and the same theories of |
| | 9 | liability, threefold, they directly committed the act, |
| 01:10 | 10 | they aided and abetted one another, and 3, they acted |
| | 11 | with themselves and others in a conspiracy. |
| | 12 | Count 5 is grand larceny. The elements of |
| | 13 | that offense are as follows: That Mr. Lewis and |
| | 14 | Miss Ornelas, on December 8th, willfully, unlawfully, |
| 01:11 | 15 | feloniously, intentionally, with the intent to deprive |
| | 16 | the owner permanently thereof, steal, take and carry |
| | 17 | away, lead away or drive away, property owned by Mark |
| | 18 | Falcone, having a value of \$3500 or greater, to-wit: |
| | 19 | watches and/or bags and/or watch boxes, and that they're |
| 01:11 | 20 | criminally liable under the following theories of |
| | 21 | criminal liability. Once again, this should sound |
| | 22 | familiar to you because it's the same expression of |
| | 23 | liability as you saw in the previous counts of burglary, |
| | 24 | 1, directly committing the act; 2, aiding and abetting |
| 01:11 | 25 | one another or others; and 3, conspiring with one |
| | | |

I

| 01:11 | 1 | another and others to commit the crime of grand larceny. |
|-------|----|--|
| | 2 | And finally conspiracy to commit burglary. |
| | 3 | This charges all four defendants. Mr. Lewis, |
| | 4 | Miss Ornelas, Mr. Faulkner and Mr. Herod. On |
| 01:12 | 5 | December 11th, that they conspired with one another to |
| | 6 | commit a burglary and that they committed that act as |
| | 7 | set forth in the next count, Count 7, as if it were |
| | 8 | restated there. |
| | 9 | So now let's go to Count 7. Count 7 is the |
| 01:12 | 10 | straight burglary offense. All four of the defendants |
| | 11 | charged in this offense. On December 11th, that they |
| | 12 | willfully, unlawfully and feloniously entered a building |
| | 13 | owned and occupied by Storage One, and/or a storage unit |
| | 14 | number B151 owned or occupied by Mark Falcone, located |
| 01:12 | 15 | at 9960 West Flamingo Road, Las Vegas, and then the |
| | 16 | theories of liability are threefold as in all the other |
| | 17 | counts. One, directly committing the act; 2, aiding and |
| | 18 | abetting; 3, via the theory of conspiracy. |
| | 19 | Those are the elements of the seven counts |
| 01:13 | 20 | before you. Does any member of the Grand Jury have any |
| | 21 | questions as to those elements? |
| | 22 | For the record, no member of the Grand Jury |
| | 23 | has any questions. I believe, Mr. Foreperson, we are |
| | 24 | ready with our number of witnesses. I think we're ready |
| 01:13 | 25 | for our first witness and with the acknowledgment from |
| | | |
| | | |

| 01:13 | 1 | you, we're prepared to call our first witness. |
|-------|----|--|
| | 2 | THE FOREPERSON: Are we ready to go? |
| | 3 | A JUROR: Yes. |
| | 4 | THE FOREPERSON: We're ready. |
| 01:13 | 5 | MR. ALBRIGHT: State calls Michael |
| | 6 | Rodriguez. |
| | 7 | THE FOREPERSON: Please raise your right |
| | 8 | hand. |
| | 9 | You do solemnly swear the testimony you are |
| 01:14 | 10 | about to give upon the investigation now pending before |
| | 11 | this Grand Jury shall be the truth, the whole truth, and |
| | 12 | nothing but the truth, so help you God? |
| | 13 | THE WITNESS: I do. |
| | 14 | THE FOREPERSON: Please be seated. |
| 01:14 | 15 | You are advised that you are here today to |
| | 16 | give testimony in the investigation pertaining to the |
| | 17 | offenses of conspiracy to commit burglary, burglary, and |
| | 18 | grand larceny, involving Dustin Lewis, Margaux Ornelas, |
| | 19 | Tyree Faulkner and Thomas Herod. |
| 01:14 | 20 | Do you understand this advisement? |
| | 21 | THE WITNESS: Yes. |
| | 22 | THE FOREPERSON: Please state your first |
| | 23 | and last name and spell both for the record. |
| | 24 | THE WITNESS: Michael Rodrigue. |
| 01:14 | 25 | M-I-C-H-A-E-L, R-O-D-R-I-G-U-E. |
| | | |
| | | |

| 01:15 | 1 | THE FOREPERSON: Thank you. |
|-------|----|--|
| | 2 | MICHAEL RODRIGUE, |
| | 3 | having been first duly sworn by the Foreperson of the |
| | 4 | Grand Jury to testify to the truth, the whole truth, |
| 01:15 | 5 | and nothing but the truth, testified as follows: |
| | 6 | |
| | 7 | EXAMINATION |

| | 9 | BY MR. ALBRIGHT: |
| 01:15 | 10 | Q. How do you pronounce your last name once |

| | 13 | Q. Rodrigue. Okay. |
| | 14 | Mr. Rodrigue, do you own or did you own at |
| 01:15 | 15 | some point a storage unit facility at 9960 West Flamingo |

| | 9 | EXAMINATION |
| 01:33 | 10 | |
| | 11 | BY MR. ALBRIGHT: |
| | 12 | Q. Miss Macedo, how are you employed? |
| | 13 | A. Through Storage One at the Flamingo |
| | 14 | location. |
| 01:33 | 15 | Q. Do you know the address of the Flamingo |
| | 16 | location? |
| | 17 | A. Yes, I do. |
| | 18 | Q. What is that? |
| | 19 | A. 9960 West Flamingo Road. |
| 01:33 | 20 | Q. Is that located in Clark County, Nevada, |
| | 21 | Las Vegas? |
| | 22 | A. Correct. |
| | 23 | Q. And what is your position with Storage One? |
| | 24 | A. I am the on-site manager. |
| 01:33 | 25 | Q. As the on-site manager, are you familiar if |
| | | |
| | | |

| 01:33 | 1 | there is video surveillance around the property? |
|-------|----|--|
| | 2 | A. There is. |
| | 3 | Q. Are you also in your position trained on |
| | 4 | how to use that equipment? |
| 01:33 | 5 | A. Correct. |
| | 6 | Q. Showing you Exhibit 14. What is this |
| | 7 | showing? Does that appear to be an aerial view of the |
| | 8 | Storage One facility? |
| | 9 | A. That is the property, yes. |
| 01:33 | 10 | Q. Where, if you can explain in that picture, |
| | 11 | you can even get up and point to it, where is the office |
| | 12 | located? |
| | 13 | A. Office is right through here. |
| | 14 | Q. Okay. And directly to the south on this |
| 01:34 | 15 | photo at least in the bottom area, is that a desert lot? |
| | 16 | A. Correct, right here. |
| | 17 | Q. And showing you another exhibit that should |
| | 18 | show the insides of those units. |
| | 19 | MR. STANTON: Exhibit 13. |
| 01:34 | 20 | BY MR. ALBRIGHT: |
| | 21 | Q. Does Exhibit 13 appear to be a description |
| | 22 | of where each unit is in those buildings? |
| | 23 | A. Yes. |
| | 24 | Q. Can you point out where unit B151 is? |
| 01:34 | 25 | MR. STANTON: On the diagram or |
| | | |
| | | |

| 01:34 | 1 | MR. ALBRIGHT: On the diagram, correct. |
|-------|----|--|
| | 2 | THE WITNESS: Okay. So if you don't mind |
| | 3 | if I look at this one here for a second. |
| | 4 | MR. STANTON: Sure. Just point it on here |
| 01:34 | 5 | so it will project on the television. |
| | 6 | THE WITNESS: Right here. |
| | 7 | BY MR. ALBRIGHT: |
| | 8 | Q. So that's B151. Where is B147? |
| | 9 | A. Corner. |
| 01:34 | 10 | Q. And B145? |
| | 11 | A. Forty-five would be right around, right |
| | 12 | here. |
| | 13 | Q. Okay. And the blank area, is that a |
| | 14 | hallway that's inside the units? |
| 01:35 | 15 | A. Correct. |
| | 16 | Q. And so the doors to those units would face |
| | 17 | into an inside hallway? |
| | 18 | A. Correct. |
| | 19 | Q. Let me ask you this. To get into the |
| 01:35 | 20 | property, is it a gated facility? |
| | 21 | A. It is a gated facility. |
| | 22 | Q. How do you get into the property? |
| | 23 | A. You have your own personalized code to get |
| | 24 | in to access your property. |
| 01:35 | 25 | Q. Do you have to use another code to get into |
| | | |
| | | |

| 01:35 | 1 | each of the buildings? |
|-------|----|---|
| | 2 | A. You do not. |
| | 3 | Q. Do you have an alarm system? |
| | 4 | A. We do have an alarm system. |
| 01:35 | 5 | Q. What sets off the alarm system? |
| | 6 | A. When you enter you punch in your |
| | 7 | personalized code and if you tailgate someone into the |
| | 8 | property and you go into your unit, open the door, that |
| | 9 | triggers an alarm, it comes directly to me into the |
| 01:35 | 10 | office and it's a really loud siren. So that would |
| | 11 | trigger the alarm. |
| | 12 | Q. Were you made aware on or about December 8, |
| | 13 | 2018 of some possible burglaries in your facility? |
| | 14 | A. Correct. |
| 01:36 | 15 | Q. And how did that come about? |
| | 16 | A. My lock check in the morning at around |
| | 17 | 8:45, I was walking the property, I was in building B |
| | 18 | and I noticed a few units that were open with no lock. |
| | 19 | MR. STANTON: Can I just interject? |
| 01:36 | 20 | Q. Going back to Grand Jury Exhibit Number 14. |
| | 21 | With my pen could you write with the letter B which |
| | 22 | building on there is B? |
| | 23 | A. Sure. |
| | 24 | Q. And also can you tell me or show on there |
| 01:36 | 25 | with an X where the security cameras are in that |
| | | |
| | | |

| 01:36 | 1 | facility? |
|-------|----|--|
| | 2 | A. All of them or |
| | 3 | Q. Just the ones that were critical to this |
| | 4 | case and what the detectives asked you to review. |
| 01:37 | 5 | For the record the witness has marked on |
| | 6 | Grand Jury Exhibit Number 14 and I'm publishing to the |
| | 7 | members of the Grand Jury. |
| | 8 | BY MR. ALBRIGHT: |
| | 9 | Q. So when you said you saw in building B |
| 01:37 | 10 | something that led you to believe that some burglaries |
| | 11 | had happened that night, I'm showing you Exhibit 16, |
| | 12 | does this appear to be the door of B145? |
| | 13 | A. Yes. |
| | 14 | Q. Was this among the damage that you saw that |
| 01:37 | 15 | morning? |
| | 16 | A. The top where the number plate is. |
| | 17 | Q. So you say the top number plate. I'm |
| | 18 | showing now 17. Is that kind of a zeroed in photo of |
| | 19 | that same thing? |
| 01:37 | 20 | A. Correct. |
| | 21 | Q. So this gap here in the middle of that |
| | 22 | photo, is that not normal? |
| | 23 | A. That's not normal. |
| | 24 | Q. Okay. And that was not there during your |
| 01:37 | 25 | sweep? You mentioned you do a sweep every morning? |
| | | |
| | | |

| 01:37 | 1 | A. Morning and evening time. So prior to my |
|-------|----|---|
| | 2 | evening time the day before that was not there. |
| | 3 | Q. And this gave you notice that something was |
| | 4 | wrong and was one of the reasons you called police? |
| 01:38 | 5 | A. The one that gave me, that I noticed was |
| | 6 | wrong was B151 and B147. |
| | 7 | Q. And it was because those doors were |
| | 8 | actually open? |
| | 9 | A. Correct. |
| 01:38 | 10 | Q. Do you know if the owner of B145 at that |
| | 11 | time was a Kenny Buteman? |
| | 12 | A. Correct, yes. |
| | 13 | Q. Or Bluntman. I apologize. |
| | 14 | A. Yes. I know the first name was Kenny. |
| 01:38 | 15 | Ken. He went by Ken. |
| | 16 | Q. Did you call the police first or did you |
| | 17 | notify the owner of these units? |
| | 18 | A. I called my manager first, Lee Pebble, and |
| | 19 | then I immediately called the customers for B151, B147. |
| 01:38 | 20 | When I walked back there with the customer that came |
| | 21 | first, which was B151, I looked up and I noticed that |
| | 22 | unit, then I contacted the tenant Ken. |
| | 23 | Q. Based on what you found and what you would |
| | 24 | find out in the next couple hours, was it requested at |
| 01:39 | 25 | any time by police to give video surveillance of that |
| | | |
| | | |

| 01:39 | 1 | night? |
|-------|----|---|
| | 2 | A. Not immediately. Down the line they did |
| | 3 | request them. |
| | 4 | Q. And did you eventually download that video |
| 01:39 | 5 | and give it to detectives? |
| | 6 | A. Absolutely. |
| | 7 | Q. Showing you an exhibit here, Exhibit 1 |
| | 8 | 11, showing you Exhibit 11. Does that appear to be a |
| | 9 | still taken from the video that you gave to detectives? |
| 01:39 | 10 | A. Correct, that is the corner exit I marked |
| | 11 | on the paper. |
| | 12 | Q. And does it appear to be time stamped in |
| | 13 | the top right corner? |
| | 14 | A. It is. |
| 01:39 | 15 | Q. And what is the date and time of that? |
| | 16 | A. That is $12/8$ and that is 4 o'clock in the |
| | 17 | morning, 4:43 in the morning. |
| | 18 | Q. Does that fairly and accurately depict the |
| | 19 | video as you remember downloading it on that day for |
| 01:40 | 20 | detectives? |
| | 21 | A. Yes. |
| | 22 | Q. And if you can describe, what are we seeing |
| | 23 | on Exhibit 11? |
| | 24 | A. You're seeing two people walking out of the |
| 01:40 | 25 | property. It looks like one is heading east and one is |
| | | |
| | | |

| 01:40 | 1 | going towards the gate, the entrance gate. |
|-------|----|--|
| | 2 | Q. What if anything is one of them pushing or |
| | 3 | carrying? |
| | 4 | A. That is a chest on a wheelchair and the |
| 01:40 | 5 | gentleman is carrying a couple duffle bags. |
| | 6 | Q. Showing you this next exhibit. |
| | 7 | MR. STANTON: Exhibit 12. |
| | 8 | BY MR. ALBRIGHT: |
| | 9 | Q. Exhibit 12. Does that appear to be another |
| 01:40 | 10 | still frame taken from a video that you downloaded for |
| | 11 | police officers? |
| | 12 | A. Yes. |
| | 13 | Q. And what is the time and date stamp on that |
| | 14 | one? |
| 01:40 | 15 | A. That is 12/11. |
| | 16 | Q. So that was three days after the initial |
| | 17 | event? |
| | 18 | A. Correct. |
| | 19 | Q. Okay. And were police called on that day |
| 01:41 | 20 | as well? |
| | 21 | A. They were. Actually on the 11th they were |
| | 22 | on the side of the property and they heard the alarm and |
| | 23 | they were already aware that we had a couple of |
| | 24 | break-ins so they made their way to the property. |
| 01:41 | 25 | Q. Let me stop you there. You mentioned an |
| | | |
| | | |

| 01:41 | 1 | alarm went off on December 11th? |
|-------|----|---|
| | 2 | A. Again because nobody punched in for the |
| | 3 | units, the alarm triggers if you don't enter your code. |
| | 4 | Q. And based on that eventually police |
| 01:41 | 5 | arrived? |
| | 6 | A. Correct. |
| | 7 | BY MR. STANTON: |
| | 8 | Q. Ma'am, when you looked at those |
| | 9 | surveillance stills, the two that I just showed you, |
| 01:41 | 10 | Exhibits 11 and 12 before this Grand Jury, do they |
| | 11 | accurately depict the location that that camera is |
| | 12 | designed to surveil, the buildings, the doors, |
| | 13 | everything within that location where your cameras were |
| | 14 | located? |
| 01:42 | 15 | A. Yes. |
| | 16 | Q. And the time stamp that we see on there, |
| | 17 | both the date and the actual time, was that accurately |
| | 18 | reflected on the surveillance camera? As opposed to |
| | 19 | some people don't reset it for Daylight Savings Time. |
| 01:42 | 20 | In other words, was the hour, the minute and the day |
| | 21 | correct? |
| | 22 | A. They were correct. |
| | 23 | MR. ALBRIGHT: I have no further questions |
| | 24 | for this witness. |
| | 25 | |
| | | |
| | | |

| 01:42 | 1 | BY A JUROR: |
|-------|----|--|
| | 2 | Q. I need a little clarification please. |
| | 3 | A. Sure. |
| | 4 | Q. You said that the alarm went off and police |
| 01:42 | 5 | arrived? |
| | 6 | A. Uh-huh. |
| | 7 | Q. Was that before or after you found out? |
| | 8 | MR. STANTON: If I can just a moment. |
| | 9 | We're talking about two different events. |
| 01:42 | 10 | A JUROR: Oh. |
| | 11 | MR. STANTON: One is on the 8th of December |
| | 12 | and the other is on the 11th. I believe this witness |
| | 13 | testified that the alarm went off on the 11th. |
| | 14 | Q. Is that correct. |
| 01:42 | 15 | A. That is correct, yes. |
| | 16 | Q. Was there any alarm that was audibly |
| | 17 | sounded on the 8th? |
| | 18 | A. There wasn't, no. |
| | 19 | MR. STANTON: So let me just go back so the |
| 01:43 | 20 | record is clear about your question. You're asking |
| | 21 | about the alarm on the 11th? |
| | 22 | A JUROR: I yes. |
| | 23 | MR. STANTON: Could you restate your |
| | 24 | question for the witness. |
| | 25 | |
| | | |
| | | |

| 01:43 | 1 | BY A JUROR: |
|-------|----|--|
| | 2 | Q. Actually I was curious because that is why |
| | 3 | I was confused. On the 8th you're saying no alarm went |
| | 4 | off? |
| 01:43 | 5 | A. On the 8th the alarm did go off but it was |
| | 6 | in the morning. I wasn't in the office to hear the |
| | 7 | alarm go off. I was, the property opens at 9:00. I |
| | 8 | didn't get to hear the alarm because this happened in |
| | 9 | the morning time when the property was closed. |
| 01:43 | 10 | Q. Okay. But the 11th you were open? |
| | 11 | A. The 11th there was deputies, officers on |
| | 12 | the field that's next to the property searching there |
| | 13 | and they heard the alarm go off and they felt a little |
| | 14 | suspicious so they went into the property to see where |
| 01:44 | 15 | this alarm was coming from. |
| | 16 | Q. Thank you. That clarifies. |
| | 17 | MR. STANTON: Does that clarify it for the |
| | 18 | member of the Grand Jury? |
| | 19 | A JUROR: Yes. |
| 01:44 | 20 | MR. STANTON: Yes, sir. |
| | 21 | BY A JUROR: |
| | 22 | Q. Is each storage unit connected to an alarm |
| | 23 | and is that alarm connected to a place where that if the |
| | 24 | alarm goes off a number comes up of the unit that's, |
| 01:44 | 25 | where the alarm was, and is there a central security |
| | | |
| | | |

| 01:44 | 1 | company that your alarms are connected to? |
|-------|----|--|
| | 2 | A. I'm unsure about the central security, but |
| | 3 | if an alarm is triggered I will get notification of what |
| | 4 | unit that was. |
| 01:44 | 5 | Q. How do you do that? |
| | 6 | A. I have a system in front of my computer |
| | 7 | that lets me see everyone, everybody that's exiting, |
| | 8 | coming in, leaving. So if someone was to open it that |
| | 9 | didn't punch in their code it would alert me and let me |
| 01:44 | 10 | know that an alarm is going off. |
| | 11 | Q. Thank you. |
| | 12 | MR. STANTON: Does that answer your |
| | 13 | question, sir? |
| | 14 | A JUROR: It does. |
| 01:45 | 15 | MR. STANTON: Any other questions from the |
| | 16 | Grand Jury? Yes. |
| | 17 | BY A JUROR: |
| | 18 | Q. The storage units. |
| | 19 | A. Uh-huh. |
| 01:45 | 20 | Q. Are they, to get to them do you have to go |
| | 21 | down a hallway? |
| | 22 | A. You do. The inside units you have to drive |
| | 23 | up to the outside door that gives you access to the |
| | 24 | units inside. |
| 01:45 | 25 | Q. So all these units are on the inside? |
| | | |
| | | A A 00018 |

| 01:45 | 1 | A. Correct. |
|-------|----|---|
| | 2 | BY MR. STANTON: |
| | 3 | Q. Now let me ask another question. Hopefully |
| | 4 | I might address it, but I apologize, I'll get back to |
| 01:45 | 5 | you. |
| | 6 | Let's talk before the alarms. |
| | 7 | A. Uh-huh. |
| | 8 | Q. What percentage would you say of people |
| | 9 | that arrive, tenants of storage units, arrive there by |
| 01:45 | 10 | vehicle to do whatever they're doing with their storage |
| | 11 | unit? |
| | 12 | A. About a hundred percent of them. |
| | 13 | Q. So the pedestrian, kind of the foot traffic |
| | 14 | to walk in is highly unusual? |
| 01:45 | 15 | A. Very unusual. |
| | 16 | Q. And the alarms that you talked about deal |
| | 17 | with a vehicle that comes in and if there's not a code |
| | 18 | punched in soon after, that is when the alarm goes off; |
| | 19 | correct? |
| 01:46 | 20 | A. Correct. |
| | 21 | Q. Now let's say I'm in that deserted lot area |
| | 22 | and I hop the fence surrounding your property. By me |
| | 23 | hopping the fence and then going to one of the |
| | 24 | buildings, would that trigger the alarm? |
| 01:46 | 25 | A. If you open a unit, yes, it will. |
| | | |
| | | |

| 01:46 | 1 | Q. The door to the building? |
|-------|----|---|
| | 2 | A. No. |
| | 3 | Q. The door to the unit? |
| | 4 | A. Correct. |
| 01:46 | 5 | MR. STANTON: Okay. Yes, sir. |
| | 6 | BY A JUROR: |
| | 7 | Q. You kind of answered my question. But is |
| | 8 | the access limited to certain times of the day or can |
| | 9 | you come in with your car any time day or night? |
| 01:46 | 10 | A. 7:00 a.m. to 9:00 p.m. is when you have |
| | 11 | access. |
| | 12 | BY MR. ALBRIGHT: |
| | 13 | Q. Is that when you do your last sweep, at |
| | 14 | 9:00? |
| 01:46 | 15 | A. I close at 5:00 p.m. Office is open from |
| | 16 | 9:00 to 5:00. My last sweep is around 4:45. |
| | 17 | BY MR. STANTON: |
| | 18 | Q. And that would have been the last sweep the |
| | 19 | day before on the 7th that you were talking about not |
| 01:47 | 20 | noticing any problems with building B? |
| | 21 | A. Correct. |
| | 22 | Q. Or any other building? |
| | 23 | A. Correct. |
| | 24 | BY A JUROR: |
| 01:47 | 25 | Q. If the storage unit facility closes at |
| | | |
| | | |

| 01:47 | 1 | 9 o'clock and I'm a owner or renter and I come up to the |
|-------|----|--|
| | 2 | gate and I punch in my number, what would happen? |
| | 3 | You're now closed. |
| | 4 | A. It would let you know area is closed. |
| 01:47 | 5 | Q. And it wouldn't allow me, the gate wouldn't |
| | 6 | go up and it would not allow me to go in? |
| | 7 | A. It would not. |
| | 8 | Q. I see. Thank you. |
| | 9 | BY MR. STANTON: |
| 01:47 | 10 | Q. And that's kind of a, I guess obvious |
| | 11 | reasons, security reasons that's done, but your tenants |
| | 12 | know that when they rent, that's kind of obviously and |
| | 13 | frequently reiterated to them about the hours of |
| | 14 | operation? |
| 01:47 | 15 | A. Yes. |
| | 16 | MR. STANTON: Any other questions? |
| | 17 | THE FOREPERSON: Seeing no further |
| | 18 | questions. |
| | 19 | By law, these proceedings are secret and |
| 01:47 | 20 | you are prohibited from disclosing to anyone anything |
| | 21 | that has transpired before us, including evidence and |
| | 22 | statements presented to the Grand Jury, any event |
| | 23 | occurring or statement made in the presence of the Grand |
| | 24 | Jury, and information obtained by the Grand Jury. |
| 01:47 | 25 | Failure to comply with this admonition is a |
| | | |
| | | |

| 01:47 | 1 | gross misdemeanor punishable by up to 364 days in the |
|-------|----|---|
| | 2 | Clark County Detention Center and a \$2,000 fine. In |
| | 3 | addition, you may be held in contempt of court |
| | 4 | punishable by an additional \$500 fine and 25 days in the |
| 01:47 | 5 | Clark County Detention Center. |
| | 6 | Do you understand this admonition? |
| | 7 | THE WITNESS: Yes, sir. |
| | 8 | THE FOREPERSON: Thank you. You're |
| | 9 | excused. |
| 01:48 | 10 | THE WITNESS: Thank you guys. Have a good |
| | 11 | day. |
| | 12 | A JUROR: You too. |
| | 13 | MR. STANTON: If you could step right to |
| | 14 | that table, raise your right hand and be sworn. |
| 01:48 | 15 | THE FOREPERSON: You do solemnly swear the |
| | 16 | testimony you are about to give upon the investigation |
| | 17 | now pending before this Grand Jury shall be the truth, |
| | 18 | the whole truth, and nothing but the truth, so help you |
| | 19 | God? |
| 01:49 | 20 | THE WITNESS: I do. |
| | 21 | THE FOREPERSON: Please be seated. |
| | 22 | You are advised that you are here today to |
| | 23 | give testimony in the investigation pertaining to the |
| | 24 | offenses of conspiracy to commit burglary, burglary, and |
| 01:49 | 25 | grand larceny, involving Dustin Lewis, Margaux Ornelas, |
| | | |
| | | |

| 01:49 | 1 | Tyree Faulkner and Thomas Herod. |
|-------|----|--|
| | 2 | Do you understand this advisement? |
| | 3 | THE WITNESS: Yes, I do. |
| | 4 | THE FOREPERSON: Please state your first |
| 01:49 | 5 | and last name and spell both slowly for the record. |
| | 6 | THE WITNESS: Lori Haines. L-O-R-I, |
| | 7 | Haines, H-A-I-N-E-S. |
| | 8 | MR. STANTON: May I proceed? |
| | 9 | THE FOREPERSON: Please. |
| 01:49 | 10 | LORI HAINES, |
| | 11 | having been first duly sworn by the Foreperson of the |
| | 12 | Grand Jury to testify to the truth, the whole truth, |
| | 13 | and nothing but the truth, testified as follows: |
| | 14 | |
| 01:49 | 15 | EXAMINATION |
| | 16 | |
| | 17 | BY MR. STANTON: |
| | 18 | Q. Ma'am, how are you employed? |
| | 19 | A. I'm a forensic scientist at the Las Vegas |
| 01:49 | 20 | Metropolitan Police Department's forensics laboratory. |
| | 21 | I'm assigned to the latent print detail. |
| | 22 | Q. Now a lot of people watch a lot of crime |
| | 23 | scene shows. Can you tell everybody what in real world |
| | 24 | terms a latent print examiner does? |
| 01:49 | 25 | A. A latent print examiner really has three |
| | | |
| | | |

| 01:49 | 1 | jobs. The primary job is to compare latent prints from |
|-------|----|--|
| | 2 | crime scenes to known prints and determine if they were |
| | 3 | made by the same individual. I may also enter those |
| | 4 | latent prints into an AFIS data base, AFIS stands for |
| 01:50 | 5 | Automated Fingerprint Identification System, to see if I |
| | 6 | can develop an investigative lead. And then finally I |
| | 7 | may process items of evidence to recover latent prints. |
| | 8 | Q. And what is a latent print? |
| | 9 | A. If you take a look at your hands, any part |
| 01:50 | 10 | of your palm or even if you were to take your shoes off |
| | 11 | and look at the bottom of your feet, you'll find that |
| | 12 | the skin there is a little different than the skin on |
| | 13 | other parts of your body. We call that friction ridge |
| | 14 | skin. And it's three dimensional, it has ridges and |
| 01:50 | 15 | furrows. If you were to touch something, that three |
| | 16 | dimensional skin will actually act like an ink stamp. |
| | 17 | So if you have some oil or some kind of contaminate, you |
| | 18 | might leave a reproduction of that friction ridge on a |
| | 19 | surface and we call that latent print. Latent is |
| 01:50 | 20 | hidden. Often a latent print needs some sort of |
| | 21 | technique to develop it to make it easier to see. So we |
| | 22 | use, usually you see people dust and lift prints, but |
| | 23 | you could also use chemical enhancement or light. |
| | 24 | Q. And that was kind of, and I appreciate you |
| 01:51 | 25 | doing that, kind of going into the methods of taking a |
| | | |
| | | |

| 01:51 | 1 | latent print and making it visible for you for |
|-------|----|---|
| | 2 | examination. So we have movies and television to thank |
| | 3 | for the dusting of the prints. You also mentioned |
| | 4 | chemicals, the use of, for lack of the better |
| 01:51 | 5 | composition, chemically, Superglue and some other items |
| | 6 | involving digital photography that assist you as a |
| | 7 | latent print examiner to take a latent print, get it |
| | 8 | visible for comparison purposes and then examine and |
| | 9 | compare it to a known print. |
| 01:51 | 10 | A. That's correct. |
| | 11 | Q. Now I'm going to put in front of you marked |
| | 12 | Grand Jury Exhibits 8, 9 and 10. Are those reports that |
| | 13 | you prepared in the course of your official capacity as |
| | 14 | the latent print examiner at the request of detectives |
| 01:52 | 15 | of the Metropolitan Police Department in this case? |
| | 16 | A. Yes, they are. |
| | 17 | Q. And this is, the reports that are in front |
| | 18 | of you are kind of the normal report that you generate |
| | 19 | when you're requested to do a latent print examination |
| 01:52 | 20 | regardless of what the results are? |
| | 21 | A. That's correct. |
| | 22 | Q. So now let me go through some of the terms |
| | 23 | that you used before. But just before I get into that, |
| | 24 | let me just ask one more thing about your resume. |
| 01:52 | 25 | Have you testified as an expert in latent |
| | | |
| | | |

| 01:52 | 1 | print examination in the three areas that you've |
|----------------|----|--|
| | 2 | previously testified in other courts? |
| | 3 | A. Yes, I have. |
| | 4 | Q. And how many times have you performed, I'm |
| 01:52 | 5 | going to break it down into two areas, number one, |
| | 6 | actual requests for latent print examinations in the |
| | 7 | three areas that you described? |
| | 8 | A. I'd say approximately 12 times. |
| | 9 | Q. And then testifying in court? Is that the |
| 01:53 | 10 | 12? |
| | 11 | A. Yes. |
| | 12 | Q. Okay. Apologize. |
| | 13 | How many actual tests or comparisons have |
| | 14 | you done in your career? It's an approximation. |
| 01:53 | 15 | A. Thousands. |
| | 16 | Q. Okay. Now let's just briefly talk about |
| | 17 | there's a certification process for you to be a latent |
| | 18 | print examiner in the Metropolitan Police laboratory; |
| | 19 | correct? |
| 01:53 | 20 | A. Correct, there is a formal training |
| | 21 | program. |
| | 22 | Q. Could you describe you successfully |
| | 23 | completed the training program and also the |
| | 24 | certification process? |
| 01 : 53 | 25 | A. So it's all kind of wrapped into the same |
| | | |
| | | |

Г

| 01:53 | 1 | thing. When I started in 2007 initially, it's a formal |
|-------|----|--|
| | 2 | training program that consisted of academic components |
| | 3 | and practical application where I learn first just to |
| | 4 | identify where a latent print might be from on the body |
| 01:53 | 5 | and also then how to compare, how to document, how to do |
| | 6 | all of that chemical processing we talked about. Also |
| | 7 | all the academic research that supports that we can do |
| | 8 | what we do with latent prints, that we can use them to |
| | 9 | identify individuals. Once all of that training is |
| 01:54 | 10 | completed, then I'm put into what's called supervised |
| | 11 | casework where a senior examiner reviews all of the work |
| | 12 | I do on cases, all my technical decisions, and then |
| | 13 | finally I'm released to independent case work. I have |
| | 14 | been employed at Metro in two different occasions, from |
| 01:54 | 15 | 2007 until 2012 when I left for five years to teach high |
| | 16 | school science, and then I came back in 2017 and I've |
| | 17 | been employed there ever since. When I returned I had a |
| | 18 | brief retraining. |
| | 19 | Q. So now I would like to, over your left |
| 01:54 | 20 | shoulder, this is going to be Exhibit 8, and I want to |
| | 21 | talk about some aspects of the form first before we get |
| | 22 | into the substance of your report. Can you see that |
| | 23 | okay? |
| | 24 | A. Yes. |
| 01:54 | 25 | Q. Ladies and gentlemen, especially for those |
| | | |
| | | |

| 01:55 | 1 | of you in the back, that might be a little small for you |
|-------|----|--|
| | 2 | to see. Once again, like all the other exhibits, these |
| | 3 | will be published to you. So if there's any questions |
| | 4 | or you don't see anything please raise your hand and |
| 01:55 | 5 | notify me of that, but I think we'll be able to address |
| | 6 | everything here shortly. |
| | 7 | So up here there is an event number that |
| | 8 | Metro generates that's assigned to this case and you |
| | 9 | note that in your report? |
| 01:55 | 10 | A. That's correct. |
| | 11 | Q. And it was requested by here Detective |
| | 12 | Wilds. And then here there's an area where, under the |
| | 13 | area of suspects, and this is an area of where latent |
| | 14 | prints or known prints of individuals, you're comparing |
| 01:55 | 15 | them to latent prints that are recovered by a crime |
| | 16 | scene analyst out in the field from crime scenes? |
| | 17 | A. That's correct. |
| | 18 | Q. Now up here there's terms next to Mr. Lewis |
| | 19 | and Miss Ornelas of the, an acronym AFIS and I believe |
| 01:55 | 20 | you testified about that earlier. What does that mean |
| | 21 | including that term in this report? |
| | 22 | A. So in this case initially I was asked to |
| | 23 | compare the individuals that have suspect listed. If I |
| | 24 | can't identify those individuals, if it's an |
| 01:56 | 25 | unidentified latent print, then I encode and put that |
| | | |
| | | |

| 01:56 | 1 | print into the AFIS data base system. In this case |
|----------------|----|---|
| | 2 | those individuals were hit in the AFIS data base system |
| | 3 | so I designate AFIS after their names to indicate that. |
| | 4 | Q. And so here as it relates to Bishop, Gregg |
| 01:56 | 5 | and Faulkner, those are people who you know, based upon |
| | 6 | the nature of the print that's provided to you, is a |
| | 7 | known print from those three individuals? |
| | 8 | A. Correct. |
| | 9 | Q. And then the AFIS or what you call hits out |
| 01:56 | 10 | of the AFIS system. |
| | 11 | A. Yes. They indicate, when I search in the |
| | 12 | AFIS data base it provides me a candidate list of |
| | 13 | possible matches. I perform an on-screen comparison and |
| | 14 | then a side-by-side comparison in which I print out |
| 01:56 | 15 | those known prints from the system and compare and then |
| | 16 | these were identifications. |
| | 17 | Q. So when you talked about the AFIS system is |
| | 18 | a digital storage that's national data base for law |
| | 19 | enforcement where you can get potentially a hit or a |
| 01:57 | 20 | possible print that is comparable and then you pull up |
| | 21 | that print, look at it, examine it closely from several |
| | 22 | different angles, and then possibly get a known print |
| | 23 | from that individual? |
| | 24 | A. Yes. Potentially, yes. |
| 01 : 57 | 25 | Q. Right. I'm talking hypothetically. |
| | | |
| | | |

| 01:57 | 1 | A. Right. |
|-------|----|--|
| | 2 | Q. And here based on the requirements of your |
| | 3 | lab you need to denote how you got that initial hit on |
| | 4 | those two individuals? |
| 01:57 | 5 | A. Yes. Because they weren't originally asked |
| | 6 | to be compared by the person that requested this test. |
| | 7 | Q. But you were requested by the detectives to |
| | 8 | run any prints from this case through the AFIS process? |
| | 9 | A. That is also something that happens and I |
| 01:57 | 10 | cannot remember if it was in this case, but it's part of |
| | 11 | our protocol, if we have something that we can put into |
| | 12 | AFIS and we don't have a match, then we do that. |
| | 13 | Q. So in this particular case detectives had |
| | 14 | some known people that they wanted you to compare the |
| 01:58 | 15 | prints to and then AFIS came up with two other |
| | 16 | individuals? |
| | 17 | A. That's correct. |
| | 18 | Q. Okay. So let's go down to the first line |
| | 19 | and I'm going to zoom in hopefully closely. |
| 01:58 | 20 | I first want to back up, I apologize, to |
| | 21 | some identifiers. So latent prints are lifted by a |
| | 22 | crime scene analyst or possibly detectives from a crime |
| | 23 | scene and then they present them to you for examination. |
| | 24 | You get them and there's some identifiers to certain |
| 01:58 | 25 | things that you see when you first open up the package |
| | | |
| | | |

| 01:58 | 1 | to do your examination. |
|-------|----|--|
| | 2 | A. Yes. |
| | 3 | Q. And those identifiers are kind of critical |
| | 4 | to make sure that what you're looking at is the same |
| 01:58 | 5 | thing that's noted out in the field? |
| | 6 | A. Definitely, yes. |
| | 7 | Q. So if you have ten items, if you have a |
| | 8 | hundred items or in some cases you have a thousand |
| | 9 | items, both the crime scene analyst and you kind of work |
| 01:59 | 10 | together with this coding to make sure that number 1 out |
| | 11 | in the field is number 1 in the lab? |
| | 12 | A. That's correct. |
| | 13 | Q. Okay. So with that, I want to go through |
| | 14 | the impound package number, the item number, and then |
| 01:59 | 15 | the card. So first with the impound package number, |
| | 16 | that number is unique in the system that we just |
| | 17 | described. Can you tell me what that number represents? |
| | 18 | A. The individual who impounded the package is |
| | 19 | the individual that collected that information. So |
| 01:59 | 20 | that's their P number, that's our personnel number. And |
| | 21 | then if there were several packages, that secondary |
| | 22 | number after the dash is the number, this is the first |
| | 23 | packet. If you collected more then it would dash 2, |
| | 24 | dash 3. |
| 01:59 | 25 | Q. So in this particular case the P number is |
| | | |
| | | |

| 01:59 | 1 | 4934. How many employees of the Metropolitan Police |
|-------|----|--|
| | 2 | Department have that P number? |
| | 3 | A. Only one. |
| | 4 | Q. And that's kind of the identifier, so item |
| 02:00 | 5 | number 1 by this crime scene analyst, and then it's |
| | 6 | package number 1, it could be package 1, it could be |
| | 7 | package 400. |
| | 8 | A. Yes. |
| | 9 | Q. Now could you explain the card numbers and |
| 02:00 | 10 | why that reference number is used by you? |
| | 11 | A. I assign the Q numbers. Those are the |
| | 12 | increments that I assign. So Q1 I would write on the |
| | 13 | card, that's how I reference it in the laboratory. |
| | 14 | Ideally the crime scene analyst who collected the card |
| 02:00 | 15 | will put a number after their descriptor. That's |
| | 16 | included in the description column. So what they wrote |
| | 17 | or at least a summary of what they wrote on that card, I |
| | 18 | typed in there, and then afterwards in parenthesis |
| | 19 | there's a number. That was, in the first case there's a |
| 02:00 | 20 | parenthesis 1 and that was the first lift that that |
| | 21 | individual collected. I don't want to speak for them |
| | 22 | but it is latent lift number 1. I try to make my Q1 |
| | 23 | their 1 from the lift. |
| | 24 | Q. And then we'll see down here, just to |
| 02:01 | 25 | follow up, under Q2, parenthetically, after it says a |
| | | |
| | | |

| 02:01 | 1 | Sears box in front, 4A, that's latent print numbered 4A |
|-------|----|--|
| | 2 | by the analyst in the field? |
| | 3 | A. Yes. |
| | 4 | Q. And the Q numbers are numbers that you |
| 02:01 | 5 | assign to the card as you examine it at the lab? |
| | 6 | A. That's correct. |
| | 7 | Q. Let me go through just a couple other |
| | 8 | things. The description. That tells you from the |
| | 9 | analyst what the analyst's description of where this |
| 02:01 | 10 | latent print came from from the scene? |
| | 11 | A. That's correct. |
| | 12 | Q. And then down here, the final column is |
| | 13 | where the rubber hits the road. These are your results |
| | 14 | or you can't make conclusions, whatever your opinion is, |
| 02:01 | 15 | is then described on each one of these in the final |
| | 16 | column? |
| | 17 | A. That's correct. |
| | 18 | Q. So let me go back and now zoom in tight to |
| | 19 | Q1. I'm going to go to the description. It's one lift |
| 02:02 | 20 | from a wheelchair near handle. It's lift number 1. And |
| | 21 | what was your conclusion when you compared that print to |
| | 22 | all five of the individuals listed at the top of this |
| | 23 | report? |
| | 24 | A. That latent print was identified to the |
| 02:02 | 25 | right thumb of Dustin Lewis. |
| | | |
| | | |

Γ

| 02:02 | 1 | Q. And when you say right thumb as opposed to |
|-------|----|--|
| | 2 | the left thumb, the full prints that you had of |
| | 3 | Mr. Lewis' to compare, you can actually determine, if |
| | 4 | it's a quality enough print, that it's the right thumb |
| 02:02 | 5 | as opposed to the left thumb? |
| | 6 | A. Yes. |
| | 7 | Q. Okay. Now I'm going to just pause for a |
| | 8 | moment to kind of lay the foundation here for the next |
| | 9 | item. It's Q2 on this exhibit, it's print 4A, |
| 02:02 | 10 | description one lift card from a green Sears box. And |
| | 11 | you say no suitable latent prints. Can you describe |
| | 12 | what you mean by that? |
| | 13 | A. Yes. When I look at a latent lift card |
| | 14 | really the first question I'm asking myself is are there |
| 02:03 | 15 | any latent prints here that have enough information that |
| | 16 | I can render a meaningful conclusion. We touch things |
| | 17 | all the time and we leave pieces and parts of those |
| | 18 | friction ridge impressions I talked about. Sometimes |
| | 19 | there's not enough information in those for me to |
| 02:03 | 20 | actually use it in a comparison setting. We call that |
| | 21 | suitability. So really the first decision I make is is |
| | 22 | it suitable and in this case it was not so I did not |
| | 23 | compare it. |
| | 24 | Q. But obviously when you make that assessment |
| 02:03 | 25 | you have to, it's not just whether there's a hit or if |
| | | |
| | | |

I

| 02:03 | 1 | it didn't fit any of the five people, you have to, |
|-------|----|--|
| | 2 | whatever the results are, you have to include them in |
| | 3 | here? |
| | 4 | A. Exactly. In fact the very first thing I do |
| 02:03 | 5 | before I look at anything that has to do with a known |
| | 6 | print is to go through all the latent lift cards and |
| | 7 | determine if I have anything suitable. I make two |
| | 8 | stacks. And then once I've decided they're suitable for |
| | 9 | comparison, I analyze the print, it's still just the |
| 02:04 | 10 | latent print by itself, to see if there's anything about |
| | 11 | that latent print that might, some distortion, maybe |
| | 12 | some movement when it was left, that might make it look |
| | 13 | a little different than I'm going to see it later in the |
| | 14 | known. Because you can imagine, fingerprints are |
| 02:04 | 15 | pliable so sometimes they don't necessarily record the |
| | 16 | same way. And then finally, once all of that is done, |
| | 17 | I'm going to introduce the known print and do a |
| | 18 | side-by-side comparison and inventory what's in each and |
| | 19 | see if there's anything in common. |
| 02:04 | 20 | Q. So I'm going to now kind of talk to you |
| | 21 | about a cell phone. And let's say I were to take that |
| | 22 | Kleenex and wipe this completely clean. Generally |
| | 23 | speaking, the surface, the glass surface of this phone |
| | 24 | is a pretty good surface for latent prints. |
| 02:04 | 25 | A. Smooth and shiny are usually good surfaces |
| | | |
| | | |

59

AA 000203

| 02:04 | 1 | for latent prints. There are a lot of factors. |
|-------|----|--|
| | 2 | Q. Right. As opposed to items that are rough |
| | 3 | or items that would absorb moisture and things like |
| | 4 | that, glass tends to be a very good surface compared to |
| 02:05 | 5 | all others. Fair to say? |
| | 6 | A. It's a good surface, yes. |
| | 7 | Q. So let's say I walk up and I'm a secretor, |
| | 8 | I secrete oils and moisture from my fingers as to the |
| | 9 | rare population group that doesn't secrete, and without |
| 02:05 | 10 | any movement I press my finger as I'm doing now, my |
| | 11 | index finger to my right hand and I lift it straight up, |
| | 12 | once again, generally speaking, that has a pretty high |
| | 13 | probability of leaving a latent print that has |
| | 14 | sufficient detail for you to examine and make |
| 02:05 | 15 | comparison; is that fair? |
| | 16 | A. It's a good surface. There are lots of |
| | 17 | factors. |
| | 18 | Q. We're going to get into those factors in |
| | 19 | just a second. |
| 02:05 | 20 | A. Okay. I would love to. |
| | 21 | Q. So now let's say the same thing, my index |
| | 22 | finger, I put it on the front and then I run my finger |
| | 23 | across it. That ridge detail, at least for a comparison |
| | 24 | person, is going to be significantly degraded? |
| 02:05 | 25 | A. Sometimes motion will destroy the print, |
| | | |
| | | |

| 02:05 | 1 | sometimes it just changes the appearance. |
|-------|----|---|
| | 2 | Q. And there's times where I could touch this |
| | 3 | but not have the full part of my finger where there |
| | 4 | would be enough detail on there that you would have |
| 02:06 | 5 | enough identifiers to make a comparison? |
| | 6 | A. Yes, sometimes the way you handle an item |
| | 7 | can change how much is left. |
| | 8 | Q. And then let's say I pass my phone around |
| | 9 | to the members of the Grand Jury, everybody looks at |
| 02:06 | 10 | what's on it, now we have cross contamination |
| | 11 | potentially from other people putting prints on top of |
| | 12 | mine, smudging what's on there and so forth? |
| | 13 | A. It's possible to have multiple prints |
| | 14 | overlaid, yes. |
| 02:06 | 15 | Q. So contrary to what may be in movies and |
| | 16 | television, just because you touch something doesn't |
| | 17 | necessarily mean an examinability for the detail |
| | 18 | sufficient enough to make a comparison are left on that |
| | 19 | object? |
| 02:06 | 20 | A. That's correct. |
| | 21 | Q. So now let's go back to Grand Jury Exhibit |
| | 22 | Number 8. And I'm going to talk about a couple more |
| | 23 | items here. I'm not going to go through all of these |
| | 24 | because this is going to be in front of the Grand Jury. |
| 02:07 | 25 | But now on Q3 we have a lift from a wood box that is |
| | | |
| | | |

| 02:07 | 1 | Panerai, and it's one suitable print marked A and it's |
|-------|----|--|
| | 2 | the right middle index finger of Margaux Ornelas; |
| | 3 | correct? |
| | 4 | A. That's correct. |
| 02:07 | 5 | Q. And then we have lift card from a green |
| | 6 | Sears box, right middle finger, once again Miss Ornelas? |
| | 7 | A. That's correct. |
| | 8 | Q. And then finally a white Luxor box in bag |
| | 9 | in tent, and it's identified to the left thumb of |
| 02:07 | 10 | Miss Ornelas? |
| | 11 | A. That's correct. |
| | 12 | Q. Okay. Then down here there's Q7. And Q7 |
| | 13 | is a lift card from a plastic coin holder/case in a blue |
| | 14 | bag in tent, and it's parenthetically number 7, and it |
| 02:08 | 15 | says one suitable print marked A. And could you |
| | 16 | describe what the conclusion for you as listed in your |
| | 17 | report are? |
| | 18 | A. So this one was entered into AFIS. There |
| | 19 | are two data bases I regularly search. One is a local |
| 02:08 | 20 | data base and one is the FBI data base. In this case |
| | 21 | there was a positive hit in the FBI data base and |
| | 22 | eventually I compared and rendered a conclusion of |
| | 23 | identification to the left thumb of Dustin Lewis. |
| | 24 | Q. Let me go next to Grand Jury Exhibit |
| 02:08 | 25 | Number 9. Once again you saw this as well as Number 10. |
| | | |
| | | |

| 02:08 | 1 | These are all your reports? |
|-------|----|---|
| | 2 | A. Yes. |
| | 3 | Q. Okay. Once again I won't go through all of |
| | 4 | these, but let's go Q1 on Grand Jury Exhibit Number 9. |
| 02:09 | 5 | This is from a lift card with the parenthetical company |
| | 6 | of a watch case located on the front passenger floor, |
| | 7 | it's a 1998 Lincoln Navigator with both the license |
| | 8 | plate and VIN number. And then can you describe the |
| | 9 | results of that item as we see it a little bit |
| 02:09 | 10 | differently than the other ones in this report? |
| | 11 | A. So on this report there was many suitable |
| | 12 | latent prints, A through H, and then below are all the |
| | 13 | conclusions rendered for each individual latent print. |
| | 14 | Would you like me to read them? |
| 02:09 | 15 | Q. Just do A through C. |
| | 16 | A. A was identified to the right ring finger |
| | 17 | of Tyree Faulkner. B was identified to the right little |
| | 18 | finger of Tyree Faulkner. And C was identified to the |
| | 19 | right ring finger of Tyree Faulkner. |
| 02:10 | 20 | Q. So once again when you're doing latents |
| | 21 | versus known, the knowns have both right hand and left |
| | 22 | hand and obviously all five of our digits, you're able |
| | 23 | to identify distinctly right versus left and which of |
| | 24 | the five digits it is? |
| 02:10 | 25 | A. Yes. And let me include also that we also |
| | | |
| | | |

| 02:10 | 1 | sometimes compare palm, palm standards as well. |
|-------|----|---|
| | 2 | Q. And that's when you get a full, what they |
| | 3 | call a full print? |
| | 4 | A. We have both a full recording and sometimes |
| 02:10 | 5 | we have just the upper and lower and the writer's palm. |
| | 6 | It depends on what known I'm looking at. Writer's palm, |
| | 7 | it's the edge that kind of drags across the table when |
| | 8 | you write. |
| | 9 | Q. And now I'm going to your report generated |
| 02:10 | 10 | in this case Grand Jury Exhibit Number 10. Now going to |
| | 11 | Q6 in the middle here. One lift card from the exterior |
| | 12 | wall unit of B145 north of the east facing bay door, |
| | 13 | parenthetically LP7. And what are the results of your |
| | 14 | examination to that lift? |
| 02:11 | 15 | A. There was one latent print labeled A. It |
| | 16 | was identified to the right palm of Dustin Lewis. |
| | 17 | Q. Now just once again, right below that, let |
| | 18 | me zoom out just so I can either beat a dead horse or |
| | 19 | explain it. The Q5 above and Q7 below have no suitable |
| 02:11 | 20 | latent prints for you to make a conclusion? |
| | 21 | A. That's correct. |
| | 22 | Q. And that could be for any number of reasons |
| | 23 | to include the reasons we talked about here today? |
| | 24 | A. Yes. |
| 02:11 | 25 | MR. STANTON: Brandon, is there anything |
| | | |
| | | |

| 02:11 | 1 | else you wanted to |
|-------|----|---|
| | 2 | MR. ALBRIGHT: No. |
| | 3 | MR. STANTON: Ladies and gentlemen, I have |
| | 4 | no further questions. Once again, these three reports |
| 02:11 | 5 | are going to be as exhibits for you to consider. |
| | 6 | Yes, sir. |
| | 7 | BY A JUROR: |
| | 8 | Q. Did you find fingerprints for all the |
| | 9 | defendants or only the three that were mentioned? |
| 02:12 | 10 | A. If you mean defendants by everyone listed |
| | 11 | in the top portion of my report? |
| | 12 | Q. Yes. |
| | 13 | A. I did not find fingerprints for all of |
| | 14 | those individuals. |
| 02:12 | 15 | Q. Okay. Thank you. |
| | 16 | BY MR. ALBRIGHT: |
| | 17 | Q. If I can just ask a follow-up question, |
| | 18 | Miss Haines. Showing you again Exhibit 9. This |
| | 19 | appears you've already looked over this; correct? |
| 02:12 | 20 | A. Correct. |
| | 21 | Q. Looking on the second page, here at Q3, one |
| | 22 | lift card from the Groubel Forsey watch case that was |
| | 23 | found in the black Navigator SUV and according to the |
| | 24 | four suitable prints, who did those belong to? |
| 02:12 | 25 | A. Those prints belonged to Thomas Herod. |
| | | |
| | | |

| 02:12 | 1 | Q. And the, identified to the right thumb of |
|-------|----|---|
| | 2 | whom in D there? |
| | 3 | A. D was Tyree Faulkner. |
| | 4 | MR. STANTON: Any other member of the Grand |
| 02:13 | 5 | Jury has any questions of this witness? |
| | 6 | There being no further questions, ma'am, if |
| | 7 | you would redirect your attention to the foreperson. |
| | 8 | THE FOREPERSON: By law, these proceedings |
| | 9 | are secret and you are prohibited from disclosing to |

| | 12 | event occurring or statement made in the presence of the |
| | 13 | Grand Jury, and information obtained by the Grand Jury. |
| | 14 | Failure to comply with this admonition is a |
| 02:13 | 15 | gross misdemeanor punishable by up to 364 days in the |
| | 16 | Clark County Detention Center and a \$2,000 fine. In |
| | 17 | addition, you may be held in contempt of court |
| | 18 | punishable by an additional \$500 fine and 25 days in the |
| | 19 | Clark County Detention Center. |
| 02:13 | 20 | Do you understand this admonition? |
| | 21 | THE WITNESS: I do. |
| | 22 | THE FOREPERSON: Thank you. You're |
| | 23 | excused. |
| | 24 | THE WITNESS: Thanks. |
| 02:13 | 25 | MR. ALBRIGHT: Our next witness will be |
| | | |
| | | |

I

| 02:13 | 1 | crime scene analyst Olson, O-L-S-O-N. |
|-------|----|--|
| | 2 | THE FOREPERSON: Please raise your right |
| | 3 | hand. |
| | 4 | You do solemnly swear the testimony you are |
| 02:14 | 5 | about to give upon the investigation now pending before |
| | 6 | this Grand Jury shall be the truth, the whole truth, and |
| | 7 | nothing but the truth, so help you God? |
| | 8 | THE WITNESS: I do. |
| | 9 | THE FOREPERSON: Please be seated. |
| 02:14 | 10 | You are advised that you are here today to |
| | 11 | give testimony in the investigation pertaining to the |
| | 12 | offenses of conspiracy to commit burglary, burglary, and |
| | 13 | grand larceny, involving Dustin Lewis, Margaux Ornelas, |
| | 14 | Tyree Faulkner and Thomas Herod. |
| 02:14 | 15 | Do you understand this advisement? |
| | 16 | THE WITNESS: Yes. |
| | 17 | THE FOREPERSON: Please state your first |
| | 18 | and last name and spell both slowly for the record. |
| | 19 | THE WITNESS: It's Tasha Olson. T-A-S-H-A, |
| 02:14 | 20 | O-L-S-O-N. |
| | 21 | THE FOREPERSON: Thank you. |
| | 22 | TASHA OLSON, |
| | 23 | having been first duly sworn by the Foreperson of the |
| | 24 | Grand Jury to testify to the truth, the whole truth, |
| 02:14 | 25 | and nothing but the truth, testified as follows: |
| | | |
| | | |

| 02:14 | 1 | EXAMINATION |
|-------|----|---|
| | 2 | |
| | 3 | BY MR. ALBRIGHT: |
| | 4 | Q. Miss Olson, how are you employed? |
| 02:14 | 5 | A. I'm employed as a crime scene analyst at |
| | 6 | Las Vegas Metropolitan Police Department. |
| | 7 | Q. How long have you been employed in that |
| | 8 | capacity? |
| | 9 | A. Almost two years. |
| 02:14 | 10 | Q. And can you explain for us a little bit |
| | 11 | what a crime scene analyst's duties are? |
| | 12 | A. We respond and investigate crime scenes, |
| | 13 | take notes, photography, collect evidence, preserve it, |
| | 14 | process for fingerprints. |
| 02:15 | 15 | Q. When you say preserve it, how do you |
| | 16 | preserve evidence? |
| | 17 | A. We will seal it in packages and submit it |
| | 18 | to the evidence vault. |
| | 19 | Q. You also said dust for prints. Is that |
| 02:15 | 20 | what you said? |
| | 21 | A. Yes. |
| | 22 | Q. How do you go about doing that? |
| | 23 | A. We take a brush and powder and process |
| | 24 | specific surfaces and try to get fingerprints to show |
| 02:15 | 25 | up. |
| | | |
| | | |

| 02:15 | 1 | Q. And when you arrive to a scene, when you're |
|-------|----|--|
| | 2 | done do you conduct some sort of crime scene |
| | 3 | investigation report? |
| | 4 | A. Yes, we complete a report once we're all |
| 02:15 | 5 | done. |
| | 6 | Q. Is that to make a record of what you have |
| | 7 | done? |
| | 8 | A. Yes. |
| | 9 | Q. Did you have occasion on December 12, 2018 |
| 02:15 | 10 | to respond to a tow yard to investigate a 1998 Lincoln |
| | 11 | Navigator? |
| | 12 | A. Yes. |
| | 13 | Q. I'm showing you Exhibit 66. Is that your |
| | 14 | report in relation to that car that I just mentioned? |
| 02:16 | 15 | A. Yes, it is. |
| | 16 | Q. And what did you do in investigating that |
| | 17 | car? |
| | 18 | A. I took pictures of it, I processed some |
| | 19 | items for fingerprints, collected a DNA swab from the |
| 02:16 | 20 | mouth of a bottle that was in the front passenger floor. |
| | 21 | Q. Showing you Exhibit 40. Does this appear |
| | 22 | to be that black Navigator? |
| | 23 | A. Yes. |
| | 24 | Q. There appears to be stickers over the trunk |
| 02:16 | 25 | and the top of the doors. What are those? |
| | | |
| | | |

| 02:16 | 1 | Α. | Those are evidence seals to show that no |
|----------------|----|--------------|--|
| | 2 | one has tamp | ered with the vehicle. |
| | 3 | Q. | And are you the one that cuts those open? |
| | 4 | Α. | Yes. |
| 02:16 | 5 | Q. | Showing you Exhibit 41. Is that another |
| | 6 | view of the | side of that vehicle? |
| | 7 | Α. | Yes. |
| | 8 | Q. | You mentioned finding a bottle. This is |
| | 9 | Exhibit 45. | Is that the inside of that vehicle? |
| 02:17 | 10 | Α. | Yes, it is. |
| | 11 | Q. | Did you take these photos? |
| | 12 | Α. | Yes. |
| | 13 | Q. | So you swabbed for you said DNA on this |
| | 14 | bottle? | |
| 02:17 | 15 | Α. | I believe it was that bottle, yes. |
| | 16 | Q. | Did you also dust for fingerprints on that |
| | 17 | bottle? | |
| | 18 | Α. | Yes. |
| | 19 | Q. | And then after you do those things let |
| 02:17 | 20 | me first shc | w you Exhibit 42. The way you said that |
| | 21 | bottle makes | me believe there was a second bottle. |
| | 22 | Α. | Yeah, it was actually that bottle right |
| | 23 | there. | |
| | 24 | Q. | Is this the floorboard of the passenger |
| 02 : 17 | 25 | side of the | vehicle? |
| | | | |
| | | | |

| 02:17 | 1 | Α. | Yeah, the front passenger side. |
|-------|----|--------------|---|
| | 2 | Q. | So there's a guava bottle, there's also a |
| | 3 | watch case. | Did you dust that case for prints? |
| | 4 | Α. | Yes. |
| 02:17 | 5 | Q. | And then with your findings and put into |
| | 6 | your report, | what do you do with that information? |
| | 7 | Α. | What do you mean? |
| | 8 | Q. | Who did you give that information to? |
| | 9 | Α. | Well, the fingerprints we submit to the |
| 02:17 | 10 | latent print | people, DNA goes to the DNA people, and |
| | 11 | then we comp | lete our report and turn it in and then it |
| | 12 | goes into On | Base. |
| | 13 | Q. | Showing you Exhibit 44. Is that a photo |
| | 14 | you took of | a closer, a closeup version of the watch |
| 02:18 | 15 | that was jus | t on the floorboard? |
| | 16 | Α. | Yes. |
| | 17 | Q. | Did you also find a wallet in that vehicle? |
| | 18 | Α. | Yes. |
| | 19 | Q. | Showing you Exhibit 50. Does that appear |
| 02:18 | 20 | to be the wa | llet that you found? |
| | 21 | Α. | Yes. |
| | 22 | Q. | Do you know whose license it was? |
| | 23 | Α. | Somebody named Tyree Faulkner. |
| | 24 | Q. | Showing you Exhibit 49. Is that a closer |
| 02:18 | 25 | picture of t | he ID that was found in that wallet? |
| | | | |
| | | | |

| 02:18 | 1 | A. Yes. |
|-------|----|--|
| | 2 | Q. Exhibit 46, is that the glove compartment |
| | 3 | of that vehicle? |
| | 4 | A. Yes, it is. |
| 02:18 | 5 | Q. And there appears to be a Panerai watch box |
| | 6 | inside; is that correct? |
| | 7 | A. Yes. |
| | 8 | Q. Showing you Exhibit 48. Did you open that |
| | 9 | box and take photos? |
| 02:18 | 10 | A. Yes. |
| | 11 | Q. And 47, is that another picture of the |
| | 12 | watch found in that box? |
| | 13 | A. Yes. |
| | 14 | MR. ALBRIGHT: I have nothing further for |
| 02:19 | 15 | this witness. Any questions? |
| | 16 | THE FOREPERSON: Seeing no further |
| | 17 | questions. |
| | 18 | By law, these proceedings are secret and |
| | 19 | you are prohibited from disclosing to anyone anything |
| 02:19 | 20 | that has transpired before us, including evidence and |
| | 21 | statements presented to the Grand Jury, any event |
| | 22 | occurring or statement made in the presence of the Grand |
| | 23 | Jury, and information obtained by the Grand Jury. |
| | 24 | Failure to comply with this admonition is a |
| 02:19 | 25 | gross misdemeanor punishable by up to 364 days in the |
| | | |
| | | |

| 02:19 | 1 | Clark County Detention Center and a \$2,000 fine. In |
|-------|----|---|
| | 2 | addition, you may be held in contempt of court |
| | 3 | punishable by an additional \$500 fine and 25 days in the |
| | 4 | Clark County Detention Center. |
| 02:19 | 5 | Do you understand this admonition? |
| | 6 | THE WITNESS: Yes. |
| | 7 | THE FOREPERSON: Thank you. You're |
| | 8 | excused. |
| | 9 | THE WITNESS: Thank you. |
| 02:19 | 10 | MR. STANTON: Ladies and gentlemen, we have |
| | 11 | one quick witness and then we'll take a break for about |
| | 12 | 10, 15 minutes. Is that okay with the Grand Jury? |
| | 13 | A JUROR: Yes. |
| | 14 | A JUROR: Yes. |
| 02:20 | 15 | MR. ALBRIGHT: This will be CSA Scharpf, |
| | 16 | S-C-H-A-R-P-F. |
| | 17 | A JUROR: What was the first part again? |
| | 18 | MR. ALBRIGHT: CSA, for crime scene |
| | 19 | analyst. |
| 02:20 | 20 | MR. STANTON: If you would stand, raise |
| | 21 | your right hand and be sworn. |
| | 22 | THE FOREPERSON: You do solemnly swear the |
| | 23 | testimony you are about to give upon the investigation |
| | 24 | now pending before this Grand Jury shall be the truth, |
| 02:20 | 25 | the whole truth, and nothing but the truth, so help you |
| | | |
| | | |

| 02:20 | 1 | God? |
|--|----|--|
| | 2 | THE WITNESS: Yes, I do. |
| | 3 | THE FOREPERSON: Please be seated. |
| | 4 | You are advised that you are here today to |
| 02:20 | 5 | give testimony in the investigation pertaining to the |
| | 6 | offenses of conspiracy to commit burglary, burglary, and |
| | 7 | grand larceny, involving Dustin Lewis, Margaux Ornelas, |
| | 8 | Tyree Faulkner and Thomas Herod. |
| | 9 | Do you understand this advisement? |
| 02:20 | 10 | THE WITNESS: Yes, I do. |
| 02020 | 11 | THE FOREPERSON: Please state your first |
| | 12 | and last name and spell both slowly for the record. |
| | 13 | THE WITNESS: My name is Whitney Scharpf. |
| | 14 | W-H-I-T-N-E-Y, S-C-H-A-R-P-F. |
| 02:20 | 15 | THE FOREPERSON: Thank you. |
| | 16 | WHITNEY SCHARPF, |
| | 17 | having been first duly sworn by the Foreperson of the |
| | 18 | Grand Jury to testify to the truth, the whole truth, |
| | 19 | and nothing but the truth, testified as follows: |
| 02:20 | 20 | |
| | 21 | EXAMINATION |
| | 22 | |
| | 23 | BY MR. ALBRIGHT: |
| | 24 | Q. Miss Scharpf, how are you employed? |
| 02:20 | 25 | A. I'm a crime scene analyst with Las Vegas |
| ~~ • ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ | | In I wa office boone analyse with has vegas |
| | | |

AA 000218

| 02:21 | 1 | Metropolitan Police Department. |
|-------|----|---|
| | 2 | Q. And how long have you been so employed? |
| | 3 | A. I have been employed since July of 2017, so |
| | 4 | just about two years. |
| 02:21 | 5 | Q. And did you have occasion to respond to the |
| | 6 | scene of a storage unit facility, a Storage One, on |
| | 7 | December 8, 2018? |
| | 8 | A. Yes, I did. |
| | 9 | Q. And did you process that scene in your |
| 02:21 | 10 | capacity as a crime scene analyst? |
| | 11 | A. Yes. |
| | 12 | Q. Did you author a report in regards to that |
| | 13 | investigation? |
| | 14 | A. Yes. |
| 02:21 | 15 | Q. Showing you Exhibit 67. Does that appear |
| | 16 | to be your report? |
| | 17 | A. Yes, it does. |
| | 18 | Q. And that's your signature and your P number |
| | 19 | on the bottom there? |
| 02:21 | 20 | A. Yes. |
| | 21 | Q. And according to your report, where was |
| | 22 | your, the focus of your investigation? |
| | 23 | A. According to my report I was originally |
| | 24 | just going out to storage unit B151 at Storage One. |
| 02:21 | 25 | Q. And showing you Exhibit 21. Does that |
| | | |
| | | |

| 02:22 | 1 | appear to be a photo of unit B151? |
|-------|----|--|
| | 2 | A. Yes, it does. |
| | 3 | Q. So on the right side of the photo we see |
| | 4 | some black smears on the wall here. Can you explain |
| 02:22 | 5 | what that is? |
| | 6 | A. So that's the remnants of my fingerprint |
| | 7 | powder. |
| | 8 | Q. Can you explain what you mean by |
| | 9 | fingerprint powder and what you do with that? |
| 02:22 | 10 | A. So the powder is what we use to dust for |
| | 11 | prints on surfaces that are suitable for prints. |
| | 12 | Q. When you arrive there, for instance why was |
| | 13 | your focus there on the side of the unit? |
| | 14 | A. My focus was on the sides of the unit |
| 02:22 | 15 | because the bay door was open when I got there so I |
| | 16 | figured if the subjects who had broken in had opened the |
| | 17 | door that maybe their prints would be on the sides when |
| | 18 | they were trying to open it. |
| | 19 | Q. Showing you Exhibit 24. Does this depict |
| 02:22 | 20 | the safe that was inside of that same unit? |
| | 21 | A. Yes. |
| | 22 | Q. Was that included among the items that you |
| | 23 | dusted for prints? |
| | 24 | A. Yes. |
| 02:23 | 25 | Q. When you go to a scene and you're |
| | | |
| | | |

| 02:23 | 1 | investigating, specifically in this capacity looking for |
|-------|----|--|
| | 2 | possible prints, do you take the initiative of what to |
| | 3 | search or is there a detective on scene kind of |
| | 4 | directing your action? |
| 02:23 | 5 | A. So when I'm looking at a scene I'll |
| | 6 | usually, I'll take directive from the detectives who are |
| | 7 | there and I'll also look around myself and see if I |
| | 8 | notice anything that looks like it could be out of |
| | 9 | place. If the victims are there I also ask them if they |
| 02:23 | 10 | see anything that looks to be out of place and then I'll |
| | 11 | focus my search there. |
| | 12 | Q. I'm looking at the second page of |
| | 13 | Exhibit 67 which is your report that we mentioned |
| | 14 | earlier. There's a section that says latent print |
| 02:23 | 15 | processing and it mentions specifics of what you did |
| | 16 | with numbers that say LP1, LP2 through LP14. What is |
| | 17 | that referring to? |
| | 18 | A. So in my latent print processing section I |
| | 19 | just note the areas where I process and where I got |
| 02:23 | 20 | positive results and I also note where I process and I |
| | 21 | got negative results. |
| | 22 | Q. And was there positive results according to |
| | 23 | your report? |
| | 24 | A. Yes, there were. |
| 02:24 | 25 | Q. And what do you do with those positive |
| | | |
| | | |

| 02:24 | 1 | results or in fact what do you do with your findings in |
|-------|----|--|
| | 2 | your report? |
| | 3 | A. So the positive results that I get are, |
| | 4 | they're just the prints that I find are good enough to |
| 02:24 | 5 | lift and I'll lift them, put them on a card and then I'm |
| | 6 | impound them as an item of evidence and they go over to |
| | 7 | the latent print section. |
| | 8 | Q. So those prints and your findings |
| | 9 | eventually find their way to a forensic scientist? |
| 02:24 | 10 | A. Yes. |
| | 11 | MR. STANTON: Did you cover with the |
| | 12 | previous analyst about their P number? |
| | 13 | MR. ALBRIGHT: We did. We went over what |
| | 14 | they do as a crime scene analyst and their P number. |
| 02:24 | 15 | MR. STANTON: Any further questions from |
| | 16 | the members of the Grand Jury? |
| | 17 | BY A JUROR: |
| | 18 | Q. On Exhibits 23 and 25, did you take those |
| | 19 | photos? |
| 02:24 | 20 | MR. STANTON: Can I have those exhibits? |
| | 21 | MR. ALBRIGHT: Do you have them here? |
| | 22 | A JUROR: I do not. |
| | 23 | BY MR. ALBRIGHT: |
| | 24 | Q. Let me ask you this. When you respond, |
| 02:24 | 25 | apart from investigating and dusting for prints, are you |
| | | |
| | | |

| 02:25 | 1 | usually the person that takes photos at the scene? |
|-------|----|---|
| | 2 | A. Yes. |
| | 3 | Q. And do you include the fact that you did |
| | 4 | that in your report? |
| 02:25 | 5 | A. Yes, I do. |
| | 6 | MR. ALBRIGHT: Do you recall what those |
| | 7 | photos were of, sir? |
| | 8 | A JUROR: Yeah, the interior of B151. |
| | 9 | MR. ALBRIGHT: Do they look like that? |
| 02:25 | 10 | A JUROR: Something like that, yes. 23 and |
| | 11 | 25 were the two that I made comparisons with. |
| | 12 | MR. STANTON: For the record I'm now |
| | 13 | showing the witness Grand Jury Exhibits, two photos, 25 |
| | 14 | on my left, 23 on my right. |
| 02:25 | 15 | Q. So the grand juror's question is did you |
| | 16 | take these photographs? |
| | 17 | A. Yes, I did. |
| | 18 | A JUROR: I'm confused by the way that 23 |
| | 19 | or 25 looks versus the other. |
| 02:25 | 20 | MR. STANTON: Okay. I'm going to first put |
| | 21 | up 23 and then put up 25. |
| | 22 | Q. Are those two different walls within the |
| | 23 | storage unit? |
| | 24 | A. Yes, I believe those are. |
| 02:26 | 25 | A JUROR: Okay. Great. Thank you. |
| | | |
| | | |

| 02:26 | 1 | MR. STANTON: Any other questions? |
|-------|----|---|
| | 2 | THE FOREPERSON: Seeing no further |
| | 3 | questions. |
| | 4 | By law, these proceedings are secret and |
| 02:26 | 5 | you are prohibited from disclosing to anyone anything |
| | 6 | that has transpired before us, including evidence and |
| | 7 | statements presented to the Grand Jury, any event |
| | 8 | occurring or statement made in the presence of the Grand |
| | 9 | Jury, and information obtained by the Grand Jury. |
| 02:26 | 10 | Failure to comply with this admonition is a |
| | 11 | gross misdemeanor punishable by up to 364 days in the |
| | 12 | Clark County Detention Center and a \$2,000 fine. In |
| | 13 | addition, you may be held in contempt of court |
| | 14 | punishable by an additional \$500 fine and 25 days in the |
| 02:26 | 15 | Clark County Detention Center. |
| | 16 | Do you understand this admonition? |
| | 17 | THE WITNESS: Yes, I do. |
| | 18 | THE FOREPERSON: Thank you. You're |
| | 19 | excused. |
| 02:26 | 20 | MR. STANTON: Ladies and gentlemen, we're |
| | 21 | moving along at a quick pace. We only have one witness |
| | 22 | left. He's the assigned detective. We have to finish |
| | 23 | at 3:00 so if we could make sure anywhere between five |
| | 24 | and ten minutes we're back here ready to go in ten I |
| 02:27 | 25 | think we'll be good. |
| | | |
| | | |

| 02:27 | 1 | MR. ALBRIGHT: Two detectives. The second |
|-------|----|---|
| | 2 | will be very brief, but two detectives. |
| | 3 | MR. STANTON: So we'll be back in five but |
| | 4 | not more than ten minutes. |
| 02:27 | 5 | (Recess.) |
| | 6 | MR. STANTON: We're prepared to call our |
| | 7 | next witness. Is the Grand Jury ready to accept his |
| | 8 | testimony? |
| | 9 | THE FOREPERSON: We are ready. |
| 02:36 | 10 | MR. ALBRIGHT: Our next witness will be |
| | 11 | Ethan Grimes. |
| | 12 | MR. STANTON: Remain standing, raise your |
| | 13 | right hand and be sworn. |
| | 14 | THE FOREPERSON: You do solemnly swear the |
| 02:37 | 15 | testimony you are about to give upon the investigation |
| | 16 | now pending before this Grand Jury shall be the truth, |
| | 17 | the whole truth, and nothing but the truth, so help you |
| | 18 | God? |
| | 19 | THE WITNESS: I do. |
| 02:37 | 20 | THE FOREPERSON: Please be seated. |
| | 21 | THE WITNESS: Thank you. |
| | 22 | THE FOREPERSON: You are advised that you |
| | 23 | are here today to give testimony in the investigation |
| | 24 | pertaining to the offenses of conspiracy to commit |
| 02:37 | 25 | burglary, burglary, and grand larceny, involving Dustin |
| | | |
| | | |

| 02:37 | 1 | Lewis, Margaux Ornelas, Tyree Faulkner and Thomas Herod. |
|-------|----|--|
| | 2 | Do you understand this advisement? |
| | 3 | THE WITNESS: Yes, I do. |
| | 4 | THE FOREPERSON: Please state your first |
| 02:37 | 5 | and last name and spell both slowly for the record. |
| | 6 | THE WITNESS: Ethan, E-T-H-A-N, Grimes, |
| | 7 | G-R-I-M-E-S. |
| | 8 | THE FOREPERSON: Thank you. |
| | 9 | THE WITNESS: You're welcome. |
| 02:37 | 10 | ETHAN GRIMES, |
| | 11 | having been first duly sworn by the Foreperson of the |
| | 12 | Grand Jury to testify to the truth, the whole truth, |
| | 13 | and nothing but the truth, testified as follows: |
| | 14 | |
| 02:37 | 15 | EXAMINATION |
| | 16 | |
| | 17 | BY MR. ALBRIGHT: |
| | 18 | Q. Detective Grimes, how are you employed? |
| | 19 | A. I'm a detective with the Las Vegas |
| 02:37 | 20 | Metropolitan Police Department. |
| | 21 | Q. How long have you been employed in that |
| | 22 | capacity? |
| | 23 | A. Nineteen years. As a detective? |
| | 24 | Q. Sure. Give us a little bit of your |
| 02:37 | 25 | background. |
| | | |
| | | |

| 02:37 | 1 | A. I've been an officer for 19 years but a |
|-------|----|--|
| | 2 | detective since December of '07. |
| | 3 | Q. What area command are you assigned to? |
| | 4 | A. Currently Spring Valley Area Command. |
| 02:38 | 5 | Q. And does that cover the area of 9960 West |
| | 6 | Flamingo, Clark County, Nevada? |
| | 7 | A. Yes. |
| | 8 | Q. And did you have occasion on December 10, |
| | 9 | 2018 to be called to the address I just mentioned, a |
| 02:38 | 10 | Storage One facility? |
| | 11 | A. Yes. |
| | 12 | Q. On December 10th what was the nature of |
| | 13 | that call? |
| | 14 | A. Well, no, I was assigned the case on the |
| 02:38 | 15 | 10th. The incident happened on the 8th. |
| | 16 | Q. What causes a detective to be assigned to a |
| | 17 | case? |
| | 18 | A. It's broken up geographically so that |
| | 19 | storage facility falls in the area I'm responsible for |
| 02:38 | 20 | property crimes and it was assigned to me. |
| | 21 | Q. When you were assigned on the 10th, what |
| | 22 | was your understanding of the case at that point? |
| | 23 | A. That several storage units were |
| | 24 | burglarized, three of them, one of them held 21 rare |
| 02:38 | 25 | expensive watches valued at more than \$2 million. |
| | | |
| | | |

| 02:38 | 1 | Q. Did you have occasion to speak to the |
|-------|----|--|
| | 2 | victims in this case? |
| | 3 | A. I did. |
| | 4 | Q. Were they the owners of various storage |
| 02:39 | 5 | units at this facility? |
| | 6 | A. Renters, yes. |
| | 7 | Q. What did you do upon or after talking to |
| | 8 | those victims? |
| | 9 | A. Reviewed the case, looked, I saw that other |
| 02:39 | 10 | detectives had responded on the day of the incident so I |
| | 11 | saw that one of them, Detective Jones, had uploaded some |
| | 12 | photos from the video surveillance to some still shots. |
| | 13 | Q. Showing you an exhibit here. |
| | 14 | Just to verify, which exhibit is that? |
| 02:39 | 15 | MR. STANTON: Eleven. |
| | 16 | BY MR. ALBRIGHT: |
| | 17 | Q. Exhibit 11. Does that depict a still from |
| | 18 | the video surveillance that you just mentioned? |
| | 19 | A. Yes. |
| 02:39 | 20 | Q. And is this from December 8th from that |
| | 21 | storage facility? |
| | 22 | A. Correct, early morning December 8th. |
| | 23 | Q. And what if any importance did you learn in |
| | 24 | viewing this video? |
| 02:39 | 25 | A. That we have two suspects, a male and a |
| | | |
| | | |

| 02:39 | 1 | female, who both appear to be white, just vague, general |
|-------|----|--|
| | 2 | description. The female appears to have light colored |
| | 3 | hair, possibly blond with dark roots. The male had |
| | 4 | short brown hair. There's a particular item, she's |
| 02:40 | 5 | pushing a wheelchair, there's obviously a chess board. |
| | 6 | The male is carrying lots of bags. And there's another |
| | 7 | video from a different angle that has better closeups of |
| | 8 | a, you can see he's wearing an Army jacket. |
| | 9 | Q. So if this is from the 8th and you get |
| 02:40 | 10 | assigned on the 10th, at some point did you have |
| | 11 | occasion to be called back to the scene? |
| | 12 | A. Yes. |
| | 13 | Q. When was that? |
| | 14 | A. That was on the night of I want to say |
| 02:40 | 15 | December 11th. |
| | 16 | Q. And why if you remember did you go back to |
| | 17 | the storage unit? |
| | 18 | A. Another squad, our Flex squad manned by |
| | 19 | Sergeant Josh Glover and his squad were trying to locate |
| 02:40 | 20 | potential homeless people, these people appeared to be, |
| | 21 | might be homeless, so his squad started back at the |
| | 22 | original scene. This facility is located on Flamingo |
| | 23 | just west of where the 215 crosses Flamingo. |
| | 24 | Q. Let me show you an overview aerial to get |
| 02:41 | 25 | our bearings here. |
| | | |
| | | |

| 02:41 | 1 | The aerial view, Dave, of the area. |
|-------|----|--|
| | 2 | MR. STANTON: I don't think I have the |
| | 3 | aerial. I just have the schematic. |
| | 4 | MR. ALBRIGHT: Oh, right here. |
| 02:41 | 5 | Q. Showing you Exhibit 14. So this is the |
| | 6 | storage unit we've been discussing? |
| | 7 | A. Yep. Do you mind if I stand up? |
| | 8 | Q. Of course. |
| | 9 | A. So this is Flamingo and that's heading |
| 02:41 | 10 | west. This is east. To the north. This is actually |
| | 11 | going to be a pedestrian pathway and here is the 215. |
| | 12 | So if you're heading south on the 215 and you exit out |
| | 13 | Flamingo, you get off down here and you head west and |
| | 14 | you'll see there's a St. Rose Quick Care place, there's |
| 02:42 | 15 | a Popeye's Chicken, a Chevron, and then the storage |
| | 16 | facility. Further west is an Albertsons shopping |
| | 17 | center. |
| | 18 | Q. So you had just mentioned there was some |
| | 19 | investigation done by another squad? |
| 02:42 | 20 | A. Yes. |
| | 21 | Q. Based on the investigation did you have |
| | 22 | reason to investigate this desert area that was south of |
| | 23 | the facility? |
| | 24 | A. Yes. |
| 02:42 | 25 | Q. And is this a photo, showing you |
| | | |
| | | |

| 02:42 | 1 | Exhibit 15, is that a photo from the desert looking over |
|-------|----|--|
| | 2 | the wall and above there we can see the storage units? |
| | 3 | A. Yes. So it's looking to the west. This is |
| | 4 | not from that day, this is a later date |
| 02:42 | 5 | Q. Correct. |
| | 6 | A after the fact. |
| | 7 | Q. And what if anything did you find in this |
| | 8 | desert area or what was found? |
| | 9 | A. What that squad saw at that day a tent |
| 02:42 | 10 | behind this bush. |
| | 11 | Q. Showing you Exhibit 28. Does that appear |
| | 12 | to be the tent that was set up right next to the wall? |
| | 13 | A. Yes. |
| | 14 | Q. Was there visible, before entering the |
| 02:43 | 15 | tent, any property that was of importance? |
| | 16 | A. They, from what I was told, I wasn't there |
| | 17 | when they found it, but the tent was closed and about |
| | 18 | 25 yards to the east there was a wheelchair in the |
| | 19 | desert. |
| 02:43 | 20 | Q. Did you eventually make your way to this |
| | 21 | scene? |
| | 22 | A. Yes. |
| | 23 | Q. Did you see that wheelchair? |
| | 24 | A. Yes. |
| 02:43 | 25 | Q. Showing you Exhibit 29. Is that the |
| | | |
| | | |

| 02:43 | 1 | wheelchair that you saw? |
|-------|----|---|
| | 2 | A. Yes, it is. |
| | 3 | Q. You mentioned earlier that there was a |
| | 4 | wheelchair being pushed in the video surveillance; is |
| 02:43 | 5 | that correct? |
| | 6 | A. That's correct. |
| | 7 | Q. There was also a chess board in the video |
| | 8 | that you saw being pushed by that female? |
| | 9 | A. Correct. |
| 02:43 | 10 | Q. Showing you 33, Exhibit 33. Was this chess |
| | 11 | board found in the desert near that tent? |
| | 12 | A. It was actually found inside the tent. The |
| | 13 | officers had challenged the tent to see if there was |
| | 14 | anybody inside. There was no answer so they unzipped it |
| 02:43 | 15 | they told me and they saw a large chess board, they saw |
| | 16 | watch boxes, one of them with a particular brand that |
| | 17 | matched one of the watches we were looking for named |
| | 18 | Panerai. |
| | 19 | Q. Were you contacted before they entered the |
| 02:44 | 20 | tent? |
| | 21 | A. They didn't enter, they just unzipped and |
| | 22 | looked in. They saw there was nobody inside but that's |
| | 23 | what they saw. |
| | 24 | Q. Based on seeing that, was a search warrant |
| 02:44 | 25 | obtained to actually enter the tent? |
| | | |
| | | |

| 02:44 | 1 | A. Yes. |
|-------|----|--|
| | 2 | Q. Did you do that? |
| | 3 | A. I assisted Officer Andrew Shark. He was |
| | 4 | the affiant on that warrant. |
| 02:44 | 5 | Q. Was a valid warrant obtained? |
| | 6 | A. Yes, it was. |
| | 7 | Q. Upon entering the tent did you see various |
| | 8 | things of import? |
| | 9 | A. Yes. |
| 02:44 | 10 | MR. STANTON: Exhibit 30. |
| | 11 | BY MR. ALBRIGHT: |
| | 12 | Q. Exhibit 30. Does this show a Panerai bag? |
| | 13 | A. Yes. |
| | 14 | Q. Was that found among the things in the |
| 02:44 | 15 | tent? |
| | 16 | A. Yes, it was. And it matched the |
| | 17 | description that Marc Falcone told me one of his bags |
| | 18 | was a white and blue Panerai bag. |
| | 19 | Q. So at this point were you finding things |
| 02:44 | 20 | that you had been told by the victims that matched the |
| | 21 | property that they said was missing? |
| | 22 | A. Yes. |
| | 23 | Q. Did a CSA report to the scene? |
| | 24 | A. Yes. |
| 02:45 | 25 | Q. Were the photos taken by the CSA? |
| | | |
| | | |

| 02:45 | 1 | A. Yes, they were. |
|-------|----|---|
| | 2 | Q. At your direction or at least you watching, |
| | 3 | did the CSA take prints of varyings things on site? |
| | 4 | A. Yes. |
| 02:45 | 5 | Q. Including the chess set? |
| | 6 | A. Yes. |
| | 7 | Q. Do you know if specifically prints were |
| | 8 | taken, this is Exhibit 36, of this cleaning solution, |
| | 9 | this jewelry cleaning solution? |
| 02:45 | 10 | A. Yes. |
| | 11 | Q. Showing you Exhibit 34. Was this also |
| | 12 | found among the items in the desert? |
| | 13 | A. Yes, it was. |
| | 14 | Q. Does that appear to be business cards with |
| 02:45 | 15 | Marc Falcone's name on it? |
| | 16 | A. It does. |
| | 17 | Q. Exhibit 32. Is that a Panerai watch box |
| | 18 | that was found among them? |
| | 19 | A. Yes, it is. |
| 02:45 | 20 | Q. It appears this was already dusted for |
| | 21 | prints; is that correct? |
| | 22 | A. Correct. |
| | 23 | MR. STANTON: Thirty-one. |
| | 24 | BY MR. ALBRIGHT: |
| 02:45 | 25 | Q. Exhibit 31. Does that appear to be the |
| | | |
| | | |

| 02:45 | 1 | actual box that the wooden box goes into the Panerai? |
|-------|----|--|
| | 2 | A. It does. |
| | 3 | Q. Was Mr. Falcone notified of this box and |
| | 4 | the serial number associated with it? |
| 02:45 | 5 | A. Yes. It matched one of the things, one of |
| | 6 | the watch serial numbers we had on the report. |
| | 7 | MR. STANTON: Exhibit 35. |
| | 8 | BY MR. ALBRIGHT: |
| | 9 | Q. What do we see in Exhibit 35? |
| 02:46 | 10 | A. Bolt cutters. |
| | 11 | Q. And what's the importance of that in |
| | 12 | regards to your investigation in this case? |
| | 13 | A. We left those there in fact. We didn't |
| | 14 | impound them because on my video surveillance I didn't |
| 02:46 | 15 | have any video with anybody using bolt cutters. |
| | 16 | Q. Was this late in the evening? |
| | 17 | A. Yes. |
| | 18 | Q. Okay. Did you take all this property and |
| | 19 | bring it back to area command? |
| 02:46 | 20 | A. Not everything that was photographed. We |
| | 21 | took everything that we deemed would be of value because |
| | 22 | some of it was not under the terms of our search |
| | 23 | warrant. We took some for safekeeping because it had to |
| | 24 | belong to somebody, maybe whoever was living in the |
| 02:46 | 25 | tent, so we couldn't leave it there because there was no |
| | | |
| | | |

| 02:46 | 1 | way for us to secure it so I impounded that stuff |
|-------|----|---|
| | 2 | separately for safekeeping. |
| | 3 | Q. While you were impounding that, did |
| | 4 | anything happen that caused you to return to the scene |
| 02:46 | 5 | of this tent? |
| | 6 | A. Yes. |
| | 7 | Q. What is that? |
| | 8 | A. There was a large quantity of property. We |
| | 9 | took it all back to the Spring Valley Area Command to |
| 02:47 | 10 | lock it in our evidence vault. We had been working all |
| | 11 | day and night and we're getting tired. One of the |
| | 12 | officers didn't realize, the affiant, Officer Shark, |
| | 13 | realized he couldn't find his cell phone. We started |
| | 14 | calling it, checking his car, checking the boxes that |
| 02:47 | 15 | had all the property we had piled up and we could not |
| | 16 | find his phone. He and one of his partners decided to |
| | 17 | go back up to the tent, maybe it fell off my belt, and |
| | 18 | they went up to the tent to go look for it. |
| | 19 | Q. When they got there, was this there any |
| 02:47 | 20 | reason to believe that someone had been at the tent |
| | 21 | while they were gone? |
| | 22 | A. Yes. I think they got there around 10:45 |
| | 23 | at night. They saw that, when we do a search warrant we |
| | 24 | leave a duplicate original and a search warrant return |
| 02:47 | 25 | since it's a telephonic search warrant, they saw that |
| | | |
| | | |

| 02:47 | 1 | the duplicate original was now missing but the search |
|-------|----|--|
| | 2 | warrant return was still there. They noticed things |
| | 3 | like the bolt cutters we left were no longer there, some |
| | 4 | dirty clothing was there, some torn up bags were |
| 02:48 | 5 | missing, just miscellaneous items like that. |
| | 6 | Q. Was there also something that happened |
| | 7 | while you were there that caused alarm so to speak? |
| | 8 | A. Not while I was there. While they were |
| | 9 | there, approximately 11:00 or, was it, I think it was |
| 02:48 | 10 | like two minutes to the hour, like 58 minutes past, they |
| | 11 | heard an alarm go off from the storage facility. They |
| | 12 | called Sergeant Glover, cause we were all back at the |
| | 13 | station, cause they requested some patrol officers but |
| | 14 | there was no clear units, they were all tied up on calls |
| 02:48 | 15 | for service already, so we all left the station to come |
| | 16 | up and set up a perimeter because now we know there's |
| | 17 | someone on property. |
| | 18 | Q. And when you went, where were you |
| | 19 | positioned specifically? |
| 02:48 | 20 | A. I positioned myself on the southeast corner |
| | 21 | of the facility outside. |
| | 22 | Q. Is that in a parking lot of a certain |
| | 23 | place? |
| | 24 | A. Of the storage facility. Yeah, I just |
| 02:48 | 25 | parked in the parking lot right on the east south side. |
| | | |
| | | |

I

| 02:48 | 1 | I could see the Chevron, the Popeye's to my right. |
|-------|----|--|
| | 2 | Q. Let me show you one more exhibit that shows |
| | 3 | a jacket. |
| | 4 | MR. STANTON: Thirty-eight. |
| 02:49 | 5 | BY MR. ALBRIGHT: |
| | 6 | Q. Does 38 depict an Army jacket that was |
| | 7 | found among the property at the tent? |
| | 8 | A. Yes. |
| | 9 | Q. So while you're there after the alarm has |
| 02:49 | 10 | gone off, is a helicopter unit called in as well? |
| | 11 | A. Yeah, the helicopter, K-9 officers, |
| | 12 | Sergeant Glover's other officers on the squad took up |
| | 13 | positions on the other corners of the facility and then |
| | 14 | K-9 searched the facility. |
| 02:49 | 15 | Q. What do you do from that point? |
| | 16 | A. We're just waiting for K-9 to do their job |
| | 17 | and we're here to make sure no one comes jumping out |
| | 18 | while they're looking. |
| | 19 | Q. What if anything do you end up seeing while |
| 02:49 | 20 | you're waiting there in the parking lot? |
| | 21 | A. I do hear on the radio Sergeant Glover |
| | 22 | calls out that there's a suspicious black Escalade, it's |
| | 23 | parked outside the facility west of the west wall. He |
| | 24 | had his guys check it out. They see a U-Haul key on the |
| 02:50 | 25 | ground, a bag on the ground. They look in the car and |
| | | |
| | | |

| 02:50 | 1 | they can see what looks like a watch in a plastic case |
|-------|----|--|
| | 2 | on the passenger seat. I, at my position I see there's |
| | 3 | a U-Haul parked in the Popeye's/Chevron parking lot so I |
| | 4 | let him know that after K-9 is done why don't you guys |
| 02:50 | 5 | come over here with that key, we'll see if that key fits |
| | 6 | that U-Haul. So after K-9 finished their search, they |
| | 7 | come over with the key and while we're talking we see a, |
| | 8 | like a silver gray Nissan Altima type car that has a |
| | 9 | Lyft sign in it pull into the Chevron and I see two |
| 02:50 | 10 | black males come out of the Chevron and get into it. |
| | 11 | One is a very heavyset black male, he's over 300 pounds, |
| | 12 | wearing a white tank top, and the other one is a shorter |
| | 13 | black male wearing a long sleeve shirt, I believe white |
| | 14 | long sleeve shirt with white pants, and they both get |
| 02:51 | 15 | into the Lyft car and it leaves. |
| | 16 | Q. When you say Lyft, is that L-Y-F-T like the |
| | 17 | Uber-like service? |
| | 18 | A. Yes. So we think that's kind of odd, it's |
| | 19 | 40 degrees outside, I've got two coats on and I'm cold, |
| 02:51 | 20 | and it just seems odd that they would go out at night |
| | 21 | with such little clothing. But we just noted it |
| | 22 | mentally that it seemed kind of odd, didn't know if it |
| | 23 | was related to this, but we had no reason to stop or |
| | 24 | detain them. |
| 02:51 | 25 | Q. Did you end up being able to identify who |
| | | |
| | | |

I

| 02:51 | 1 | these two individuals were? |
|-------|----|--|
| | 2 | A. Yes. |
| | 3 | Q. What are their names? |
| | 4 | A. The large black male was Tyree Faulkner and |
| 02:51 | 5 | the smaller male was Thomas Herod. |
| | 6 | Q. Showing you Exhibit 6. Who is that? |
| | 7 | A. This is Tyree Faulkner. |
| | 8 | Q. And Exhibit 5, who is that? |
| | 9 | A. Thomas Herod. |
| 02:51 | 10 | Q. And when is the next time that you see or |
| | 11 | learn about either of these two men? |
| | 12 | A. While we were still on scene, even after |
| | 13 | K-9 left the facility, there was a, we believed our |
| | 14 | suspects were homeless people. We wanted to research it |
| 02:52 | 15 | ourselves. We checked every storage unit, made sure |
| | 16 | every one of them had a lock on it, if they didn't we |
| | 17 | were going to open it and see if they were hiding |
| | 18 | inside. There was also a bunch of RVs parked in the |
| | 19 | back so we checked every one of those. So all the |
| 02:52 | 20 | storage units were locked. We found one RV that was |
| | 21 | unlocked. We searched it, there was nobody inside. |
| | 22 | Then we get noted from dispatch that there was a robbery |
| | 23 | call that's been called in from the Chevron next door to |
| | 24 | us. The details are, the person calling is saying he |
| 02:52 | 25 | was, it was attempted carjacking by two homeless males. |
| | | |

| 02:52 | 1 | The victim was on his way to the McDonald's at Las Vegas |
|-------|----|--|
| | 2 | Boulevard and Nellis on the complete northeast side of |
| | 3 | town from where we're at, but we just think it's kind of |
| | 4 | odd, why would they leave, and then the detail says that |
| 02:52 | 5 | they were driving a black Escalade. So we think oh, |
| | 6 | maybe it's related to this car. A unit gets to that |
| | 7 | McDonald's, can't find them. The person calling calls |
| | 8 | back to says he's now at his apartment at the Eagle |
| | 9 | Trace Apartments. Sergeant Glover told me when he |
| 02:53 | 10 | looked at the Escalade he remembered seeing a parking |
| | 11 | sticker for Eagle Trace Apartments on it. I knew my |
| | 12 | suspects in my burglary were white. So I needed to find |
| | 13 | out what was going on, what happened this night after |
| | 14 | that alarm was triggered. So I called an emergency |
| 02:53 | 15 | contact for the storage facility, I got ahold of Lee |
| | 16 | Prebble who was aware of the prior burglaries, he came |
| | 17 | and was able to review video surveillance for me. |
| | 18 | Q. And were you able to review that video? |
| | 19 | A. Yes, I was. |
| 02:53 | 20 | Q. Showing you Exhibit 12. Does that |
| | 21 | accurately depict a still from that video with the time |
| | 22 | stamp up here of December 11th? |
| | 23 | A. Yes. |
| | 24 | Q. What did you learn from that video? |
| 02:53 | 25 | A. So I see there's three males. There's a |
| | | |
| | | |

AA 000241

| 02:53 | 1 | white male who I recognize as a male from the |
|-------|----|--|
| | 2 | December 8th video and there's two black males. |
| | 3 | Q. By their body size and movement, do you |
| | 4 | recognize them to be the same individuals from that Lyft |
| 02:54 | 5 | car? |
| | 6 | A. Yes, but they're wearing black jackets |
| | 7 | which would make sense. |
| | 8 | Q. Do people eventually go to this Eagle |
| | 9 | Apartments? |
| 02:54 | 10 | A. Yeah. The patrol officers, before we had |
| | 11 | Lee Prebble come to the scene, I just told the sergeant |
| | 12 | we'll just have an officer meet with him, take his time, |
| | 13 | do a thorough report, get his story down and try to drag |
| | 14 | it out as long as possible. |
| 02:54 | 15 | Q. Is the individual who called in that |
| | 16 | robbery call, is he eventually identified? |
| | 17 | A. Yes. |
| | 18 | Q. Who is it? |
| | 19 | A. That's Tyree Faulkner. |
| 02:54 | 20 | Q. Based on that and your information of |
| | 21 | everything else, is he arrested eventually? |
| | 22 | A. Yes. Once I saw the video and I now knew |
| | 23 | that these two black males were at least connected to |
| | 24 | the burglary tonight, because unit B151, the door was |
| 02:54 | 25 | open when K-9 was searching so, that was Marc Falcone's |
| | | |
| | | |

| 02:54 | 1 | unit, we knew it was connected and that they had to be |
|-------|----|---|
| | 2 | connected to the other two suspects that we were still |
| | 3 | trying to identify. We didn't know who this white |
| | 4 | couple was at that time. |
| 02:55 | 5 | Q. After Mr. Faulkner was arrested, did you |
| | 6 | have occasion to interview him? |
| | 7 | A. Yes. Once I saw he's now connected, I |
| | 8 | advised that officer to take him into custody and bring |
| | 9 | him to our office so I could interview him. |
| 02:55 | 10 | Q. Was he read his Miranda rights? |
| | 11 | A. Yes, he was. |
| | 12 | Q. Did you do that? |
| | 13 | A. I think my partner Detective Mike Saunders |
| | 14 | did it. We were together. It was all recorded. |
| 02:55 | 15 | Q. Was it from a card or memory? |
| | 16 | A. From a card. |
| | 17 | Q. Did Mr. Faulkner acknowledge that he |
| | 18 | understood his rights? |
| | 19 | A. Yes. |
| 02:55 | 20 | Q. And was he willing to answer some |
| | 21 | questions? |
| | 22 | A. Yes. |
| | 23 | Q. What if anything did you learn in talking |
| | 24 | to him? |
| 02:55 | 25 | MR. STANTON: And ladies and gentlemen, |
| | | |
| | | |

| 02:55 | 1 | you're about to hear testimony from Mr. Faulkner's |
|-------|----|--|
| | 2 | statement with this detective. As a matter of law, you |
| | 3 | can only consider this statement as it relates to |
| | 4 | Mr. Faulkner and to no other target listed on the |
| 02:55 | 5 | Indictment. Do all members of the jury understand that |
| | 6 | admonition? |
| | 7 | For the record all members are nodding in |
| | 8 | the affirmative. Thank you. Sorry, counsel. |
| | 9 | BY MR. ALBRIGHT: |
| 02:56 | 10 | Q. Detective, what if anything did he tell |
| | 11 | you? |
| | 12 | A. Initially we just asked him about the |
| | 13 | robbery and he tells us this elaborate story of this |
| | 14 | robbery and then I confront him that I think he's lying, |
| 02:56 | 15 | you know, that I remember seeing him, I tell him about |
| | 16 | my original burglary case that's involving a high dollar |
| | 17 | value of property, which he is not connected to, I have |
| | 18 | video, it's only two people, and then he decides to tell |
| | 19 | the truth, he confesses to his involvement that night. |
| 02:56 | 20 | He says the other black male is his cousin, he says he |
| | 21 | will not tell me his name and that he doesn't know who |
| | 22 | these other people are, just that they, the male, the |
| | 23 | white male knows his cousin, they had met in jail, they |
| | 24 | were in jail at the same time, and they're just |
| 02:56 | 25 | acquaintances of his. |
| | | |

| 02:57 | 1 | Q. Does he mention why he called in the fake |
|-------|----|--|
| | 2 | robbery call? |
| | 3 | A. Yes. He knew he left his wallet in the |
| | 4 | car. |
| 02:57 | 5 | Q. Is that the black SUV? |
| | 6 | A. Yes. So he knew we were going to figure |
| | 7 | out who he was anyways, but he thought he would try, |
| | 8 | give it his best shot. |
| | 9 | Q. Did he say how initially he got involved |
| 02:57 | 10 | with the watches and the storage unit? |
| | 11 | A. Yes. He told me a couple days prior was |
| | 12 | the first time he met this couple. His cousin, he was |
| | 13 | with his cousin and they met these people and the white |
| | 14 | male had asked his cousin, hey, can you help us out, we |
| 02:57 | 15 | don't have a car, we need to go some places, and he said |
| | 16 | what's in it for me and he gave them 500 bucks each. |
| | 17 | Q. When you say he, who is he? |
| | 18 | A. The white male gave his cousin and Faulkner |
| | 19 | \$500. |
| 02:57 | 20 | Q. In exchange for what? |
| | 21 | A. To drive them around to various places. |
| | 22 | They went to some jewelry stores, other places he |
| | 23 | couldn't remember. Faulkner had told me he had only |
| | 24 | been in Las Vegas for like a month and a half so he |
| 02:58 | 25 | wasn't familiar with the city. They then parted ways |
| | | |
| | | |

| 02:58 | 1 | and then earlier on the 11th he and his cousin went to a |
|-------|----|--|
| | 2 | 7-Eleven, he could not remember which one other than it |
| | 3 | was somewhere on Las Vegas Boulevard, they went to go |
| | 4 | buy some juice, and they see the white male playing on |
| 02:58 | 5 | the Buffalo machine, which I didn't know what that was, |
| | 6 | I guess it's a Keno machine, and so his cousin and that |
| | 7 | guy started talking again. He said hey, we can use some |
| | 8 | more help, do you guys mind helping us out again, giving |
| | 9 | us a ride to some places, and they again said what's in |
| 02:58 | 10 | it for us, and that's when the male offered him some |
| | 11 | watches. He looked at the watches, he didn't think, he |
| | 12 | thought they were plastic, didn't think they were worth |
| | 13 | much, and said the male offered them a thousand dollars |
| | 14 | each and they agreed. He said all he could remember is |
| 02:59 | 15 | that everything they did was along Flamingo. So he |
| | 16 | remembers driving along the Strip, making a right to go |
| | 17 | up Flamingo, they stopped at a marijuana dispensary, he |
| | 18 | didn't know which one, described it having like a |
| | 19 | lighted display, that it was probably a couple hours |
| 02:59 | 20 | before this all took place approximately, so it was in |
| | 21 | the evening, he said the female went inside and bought |
| | 22 | some marijuana and she told them that she used a fake |
| | 23 | ID. |
| | 24 | Q. Let me ask you this, Detective. Did they, |
| 02:59 | 25 | did he ever acknowledge being at the Storage One |
| | | |
| | | |

| 02:59 | 1 | facility or how they became close to that area? |
|-------|----|--|
| | 2 | A. Yes. So he said after that they went up to |
| | 3 | the storage facility, he, his cousin and the white male |
| | 4 | went inside. The male had figured out some way to open |
| 02:59 | 5 | the exit gate. They went inside, the male had some bolt |
| | 6 | cutters, he cut the hasp that holds, so there was two |
| | 7 | locks on this unit, cut the locks, the white male put |
| | 8 | them in his pocket, they heard the alarm go off when he |
| | 9 | opened the door but he said we weren't concerned, they |
| 03:00 | 10 | knew nobody was going to come. Because apparently there |
| | 11 | was no manager living on-site so he wasn't too |
| | 12 | concerned, but at that moment he heard the police |
| | 13 | helicopter going over and he and his cousin told the guy |
| | 14 | we're leaving cause then they figured the police were in |
| 03:00 | 15 | the area. |
| | 16 | Q. Let me ask you this briefly before we let |
| | 17 | you go. I'm showing you Exhibits 23 and 25. Throughout |
| | 18 | what's been going on, we mentioned December 8th and |
| | 19 | December 11th as different events; is that correct? |
| 03:00 | 20 | A. That's correct. |
| | 21 | Q. So would a crime scene analyst have |
| | 22 | responded to the scene on the 8th and on the 11th? |
| | 23 | A. Yes, cause I was there on the 11th and I |
| | 24 | requested a crime scene analyst to reprocess B151 which |
| 03:00 | 25 | is Falcone's unit because it had been opened up again. |
| | | |
| | | |

| 03:00 | 1 | Q. From the 8th to the 11th Mr. Falcone had |
|-------|----|--|
| | 2 | been there and looked at the property? |
| | 3 | A. Yes. That evening I was able to get ahold |
| | 4 | of him, had him come down, cause I didn't know what was |
| 03:01 | 5 | missing, I was never at the original scene, but I knew |
| | 6 | there had to be more watches and Falcone told me no, the |
| | 7 | day after the original burglary he had gone to his unit |
| | 8 | and took all of his watches out, he said he just had to |
| | 9 | leave the boxes, he didn't have space for the boxes at |
| 03:01 | 10 | his home that he was currently staying at. |
| | 11 | Q. From what you just said, the individuals, |
| | 12 | the defendants, at some point come back and possibly |
| | 13 | re-enter that unit, 151? |
| | 14 | A. Yes. |
| 03:01 | 15 | Q. So in showing you Exhibits 23 and 25, they |
| | 16 | appear to be photos of the same wall in the unit; is |
| | 17 | that correct? |
| | 18 | A. Yes. |
| | 19 | Q. Is there a way, I mean do you know which |
| 03:01 | 20 | one was taken on the 8th and which one was taken on the |
| | 21 | 11th? |
| | 22 | A. Personally I don't. I would think this one |
| | 23 | was the 8th. |
| | 24 | Q. When you say this one, you're saying 25? |
| 03:01 | 25 | A. Yes. |
| | | |
| | | |

| 03:01 | 1 | Q. Where it looks like there has been some |
|-------|----|--|
| | 2 | disruption? |
| | 3 | A. Correct. |
| | 4 | Q. So there is a way for us to find out |
| 03:02 | 5 | A. Yes. |
| | 6 | Q which day they were taken and in fact |
| | 7 | who took them; is that correct? |
| | 8 | A. Yes. When we upload digital images into |
| | 9 | our computer system I guess, storage, it's called On |
| 03:02 | 10 | Base, it notates who is uploading the photos and what |
| | 11 | date and time that was done. It's going to be a |
| | 12 | different date for each photo. |
| | 13 | Q. To make it clear though, it's your belief |
| | 14 | that 23 and 25 are pictures of the same area but taken |
| 03:02 | 15 | by different people on different days? |
| | 16 | A. Yeah, cause obviously their stuff is in |
| | 17 | different positions. All of these boxes are not |
| | 18 | well, you don't see that unit but. |
| | 19 | MR. ALBRIGHT: Does that make sense to the |
| 03:02 | 20 | members of the jury? |
| | 21 | THE WITNESS: There's stuff that is opened |
| | 22 | here that is closed here. So to me it's from two |
| | 23 | different days. |
| | 24 | MR. ALBRIGHT: Okay. |
| 03:02 | 25 | MR. STANTON: You heard testimony, ladies |
| | | |
| | | |

| 03:02 | 1 | and gentlemen, through this detective's interview, that |
|-------|----|---|
| | 2 | there was comments about knowing somebody, both the |
| | 3 | person that was being interviewed and other individuals |
| | 4 | having been in jail or met one another in jail. Just to |
| 03:02 | 5 | advise you that that fact cannot be used by you as |
| | 6 | evidence in this case that these people are bad people |
| | 7 | or had committed some act that led to their |
| | 8 | incarceration on a previous day. Does everybody |
| | 9 | understand that? |
| 03:03 | 10 | A JUROR: Uh-huh. |
| | 11 | MR. STANTON: For the record everybody nods |
| | 12 | in the affirmative. |
| | 13 | Any other questions of this witness? |
| | 14 | BY A JUROR: |
| 03:03 | 15 | Q. You said Mr. Faulkner confessed. Did he |
| | 16 | confess to stealing the watches or did he confess to |
| | 17 | purchasing them? |
| | 18 | A. No. He said he was not there for that |
| | 19 | original burglary. And he said the night we were there |
| 03:03 | 20 | on the 11th they didn't get a chance to take anything. |
| | 21 | MR. STANTON: Did that answer your |
| | 22 | question? |
| | 23 | THE WITNESS: But he admits he was there to |
| | 24 | come break into this unit basically. |
| 03:03 | 25 | MR. STANTON: Does that answer your |
| | | |
| | | |

| 03:03 | 1 | question? |
|-------|----|--|
| | 2 | A JUROR: Yes. |
| | 3 | BY A JUROR: |
| | 4 | Q. Did the police officer ever get his phone? |
| 03:03 | 5 | A. Yes. It turned out it was in one of the |
| | 6 | boxes. He had turned it to vibrate when we called the |
| | 7 | judge, that's why we couldn't hear it ring, so we went |
| | 8 | and rechecked everything and that's where we found it. |
| | 9 | We were just in a panic, we were tired. |
| 03:04 | 10 | BY MR. ALBRIGHT: |
| | 11 | Q. Detective, just briefly. I'm showing you |
| | 12 | Exhibit Number 3. Who is that? |
| | 13 | A. This is Dustin Lewis. |
| | 14 | Q. Is there the individual that you keep |
| 03:04 | 15 | referring to as the white male? |
| | 16 | A. Yes. |
| | 17 | Q. And Exhibit 4, who is that? |
| | 18 | A. Margaux Ornelas. |
| | 19 | Q. And did your investigation lead you to |
| 03:04 | 20 | believe that this is the white female in the Storage One |
| | 21 | video who is pushing the cart with the chess board on |
| | 22 | it? |
| | 23 | A. Yes. |
| | 24 | MR. ALBRIGHT: I have no further questions |
| 03:04 | 25 | for this witness. |
| | | |
| | | |

| 03:04 | 1 | BY A JUROR: |
|-------|----|---|
| | 2 | Q. So the way I understand it then, all the |
| | 3 | watches were taken on the 8th? |
| | 4 | A. Correct. |
| 03:04 | 5 | Q. So he was probably carrying them out in his |
| | 6 | knapsack? |
| | 7 | MR. STANTON: This witness couldn't testify |
| | 8 | to that because he's not a percipient witness to the |
| | 9 | events. He can tell you what his investigation leads, |
| 03:05 | 10 | as far as what inference is to be drawn from that |
| | 11 | evidence, that's up to you guys. Does that make sense |
| | 12 | to you, sir? |
| | 13 | A JUROR: Yeah. |
| | 14 | MR. STANTON: Yes, ma'am. |
| 03:05 | 15 | BY A JUROR: |
| | 16 | Q. Did Mr. Falcone have any additional |
| | 17 | property taken on the 11th? |
| | 18 | A. Yes, he described like some, that Panerai |
| | 19 | bag, another canvas bag. |
| 03:05 | 20 | Q. Oh, so that was taken on the 11th, not the |
| | 21 | 8th? |
| | 22 | A. Yeah, nothing on the 8th. I'm sorry. |
| | 23 | Nothing on the 11th. |
| | 24 | Q. Okay. Cause you confused me. |
| | 25 | |
| | | |
| | | |

| 03:05 | 1 | BY MR. ALBRIGHT: |
|-------|----|--|
| | 2 | Q. Just to clarify. They did enter the |
| | 3 | Storage One facility on the 11th? |
| | 4 | A. Yes. |
| 03:05 | 5 | Q. They were able to enter the facility? |
| | 6 | A. Yeah. And Lee Prebble, when he showed up, |
| | 7 | because I asked him how does the alarm system work, and |
| | 8 | he says any, after hours, any unit, because the doors to |
| | 9 | these buildings are unlocked, it's the storage doors, |
| 03:05 | 10 | they're all alarmed, so he said once one is opened it |
| | 11 | triggers an alarm, that alarm will sound off for like 45 |
| | 12 | seconds and that's it, it will never, you can open up |
| | 13 | more units and it won't go off again. All it's there |
| | 14 | for is to wake up the manager who normally lives on |
| 03:06 | 15 | property. |
| | 16 | MR. STANTON: We're running a little short |
| | 17 | on time so, I don't want to cut you off, but go ahead, |
| | 18 | sir. |
| | 19 | BY A JUROR: |
| 03:06 | 20 | Q. Just really quick. On the still of the |
| | 21 | video, the woman that was pushing the wheelchair, you |
| | 22 | had thought that she was a blond with dark roots? |
| | 23 | A. Yes. And I can explain that too. |
| | 24 | MR. STANTON: We have one other question. |
| 03:06 | 25 | Was there another question over here? |
| | | |
| | | |

| 03:06 | 1 | BY A JUROR: |
|-------|----|--|
| | 2 | Q. Yeah. I just wanted to know how they made |
| | 3 | entrance into 151 on the 8th. Because the lock was |
| | 4 | obviously destroyed on the 11th. Is that correct? |
| 03:06 | 5 | A JUROR: No. |
| | 6 | BY A JUROR: |
| | 7 | Q. Or on the 11th it was broken? |
| | 8 | A. No. On the 8th the lock was found inside |
| | 9 | the unit with the key in it so there was no damage to |
| 03:06 | 10 | the door at all. |
| | 11 | BY A JUROR: |
| | 12 | Q. With the key in it? |
| | 13 | A. On the 11th, I don't know if you have ever |
| | 14 | been to a storage facility, but that sliding bolt |
| 03:06 | 15 | reveals two holes where you can put locks on. That hasp |
| | 16 | was damaged and there was no locks there. And Faulkner |
| | 17 | told me that the white male, Dustin Lewis, had used bolt |
| | 18 | cutters to damage the hasp and he took the locks and put |
| | 19 | them in his pocket. |
| 03:07 | 20 | Q. But on the 8th there was a key in the lock |
| | 21 | and it was on the inside? |
| | 22 | A. Correct. |
| | 23 | Q. Somehow they had a key to the lock? |
| | 24 | A. I believe the unit was accidently left |
| 03:07 | 25 | unlocked. That's my opinion. |

| 03:07 | 1 | BY MR. ALBRIGHT: |
|-------|----|--|
| | 2 | Q. Very briefly, Detective. Were you at any |
| | 3 | point able to ascertain why the female defendant had |
| | 4 | darker hair at the time she was arrested versus the |
| 03:07 | 5 | blonder hair in the video? |
| | 6 | A. Yes. Once we identified the two, the white |
| | 7 | couple which we got from do you want me to tell you |
| | 8 | how we got that? |
| | 9 | MR. ALBRIGHT: Do we have time? |
| 03:07 | 10 | MR. STANTON: No. |
| | 11 | THE WITNESS: I was notified that the |
| | 12 | forensic, when the tent was processed fingerprints were |
| | 13 | found on the chess board that came back to Margaux |
| | 14 | Ornelas and fingerprints were found on some of the other |
| 03:08 | 15 | items to Dustin Lewis. That's how we figured out who we |
| | 16 | were looking for. We did not locate Margaux Ornelas for |
| | 17 | several days. Faulkner had since been released. He now |
| | 18 | knew a lot of the story of the case I'm investigating |
| | 19 | and I had shown him surveillance photos. I'm looking |
| 03:08 | 20 | for this blond with dark roots so that would be, if she |
| | 21 | was notified after the fact she might want to try to |
| | 22 | hide her appearance. |
| | 23 | MR. STANTON: Any other questions? |
| | 24 | I want to make sure there are no further |
| 03:08 | 25 | questions, make sure you have time to ask any that you |
| | | |
| | | |

| 03:08 | 1 | have. |
|--|----|---|
| | 2 | For the record no further questions. |
| | 3 | Detective, once again redirect your |
| | 4 | attention to the foreperson. |
| 03:08 | 5 | THE FOREPERSON: By law, these proceedings |
| | 6 | are secret and you are prohibited from disclosing to |
| | 7 | anyone anything that has transpired before us, including |
| | 8 | evidence and statements presented to the Grand Jury, any |
| | 9 | event occurring or statement made in the presence of the |
| 03:08 | 10 | Grand Jury, and information obtained by the Grand Jury. |
| | 11 | Failure to comply with this admonition is a |

| | 13 | Clark County Detention Center and a \$2,000 fine. In |

| 03:08 | 15 | punishable by an additional \$500 fine and 25 days in the |
| | 16 | Clark County Detention Center. |
| | 17 | Do you understand this admonition? |
| | 18 | THE WITNESS: I do. |
| | 19 | THE FOREPERSON: Thank you. You're |
| 03:09 | 20 | excused. |
| | 21 | THE WITNESS: Thank you. You're welcome. |
| | 22 | MR. STANTON: Ladies and gentlemen, that |
| | 23 | will conclude our presentation. If at any time, it's my |
| | 24 | habit and custom, when this matter is being deliberated |
| 03:09 | 25 | by you, if at any point you would like additional |
| | | |
| | | |

Γ

| 03:09 | 1 | evidence presented to you in the form of testimony or |
|-------|----|--|
| | 2 | documentary evidence that you advise Mr. Albright or |
| | 3 | myself of that fact before you formally deliberate on |
| | 4 | the matter. If there are no further questions from any |
| 03:09 | 5 | member of the Grand Jury the matter will be deemed |
| | 6 | formally submitted to you and we'll be pending the call |
| | 7 | of the Clark County Grand Jury. Thank you. |
| | 8 | (At this time, all persons, other than |
| | 9 | members of the Grand Jury, exit the room at 3:09 p.m. |
| 03:09 | 10 | and return at 3:15 p.m.) |
| | 11 | THE FOREPERSON: Mr. District Attorney, by |
| | 12 | a vote of 12 or more grand jurors a true bill has been |
| | 13 | returned against defendants Dustin Lewis, Margaux |
| | 14 | Ornelas, Tyree Faulkner and Thomas Herod, charging the |
| 03:15 | 15 | crimes of conspiracy to commit burglary, burglary, and |
| | 16 | grand larceny, in Grand Jury case number 18CGJ056ABC&D. |
| | 17 | We instruct you to prepare an Indictment in conformance |
| | 18 | with the proposed Indictment previously submitted to us. |
| | 19 | MR. STANTON: Thank you very much |
| 03:15 | 20 | Mr. Albright will sign the Information and thank you for |
| | 21 | your time and attention this afternoon. |
