The Facts Are I Asked my Attorney To Ask The witnesses Numerous Questions which he did not Ask he told me I can Ask These Questions In my Appeal I wanted to Fire my Attorney while Trial was going on because he wasn't Asking Questions That would have Shown my Innocence. I Asked him to Ask why did woods and witnesses not get Tested for Atchop Alcohol when There was open and closed

Containers of beer at The Scene I also Asked him to  
Ask how could words The witness say I Looked Like The  
Detective who looks nothing Like me I also Asked many  
Questions which I seen In my discovery That did not  
Add up which My Attorney never asked. I did not have  
a Fair Trial at all I was also my Judge did not  
Like me and was on The States Side The whole  
Time shutting any motion I had or denying my Request  
for a retrial after a witness Lied under OATH I also  
have a Diagnosed Learning Disability which I was  
lost The whole Time please help me Im Innocent  
and no Real proof That I shot anyone They also never  
checked The Shirt That was found for GSR please  
help me. All witnesses had none Sufficient Testimony  
please help me This is my life I would Like a  
Fair Trial.

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

I believe The district court was wrong because Ramos lied under oath And The Judge did not GRANT me a Retrial. Deandee Woods ALSO mixed his Testimony up numerous times and The Judge let it Slide ALSO RAMOS SAID he Can not SAY I WAS The Shooter because he did not see me face to face The DA fallowed out and Recalled him and Then SAID I did it- I Should least get a Retrial ALSO I asked for a Counsel and was Denied I have a learning Disability and was lost The whole Time My Attorney Should have gotten The Ret Sheriff

Tested for GSE. The District Judge was unfair and was on the States Side the whole time. The judge let numerous errors slide at court and on my motions all witnesses were no good. please help me I don't know what I'm doing and have no legal help here. please look over my Discovery and you will see how there is no real evidence against me. There was a finger print on a license plate in the car but nowhere on the car I flipped it and used it on me. And the shirt with my DNA and unknown person DNA on it, flipped it and used it against me.

Please help me I don't know what I'm doing

All I would like the Supreme Court to do is help me get a retrial and a fair one please. This is my life I got 14 to 36 years for Attempt Murder which I can not commit all I'm asking is to look into my case and see for urselfs that I did not have a fair trial.

Thank you.

PS. I also think my judge in trial was my DA in a past case that was dismissed.
