1 Memorandum of Points and Authorities In Support of request
2 for transcripts at State's expense:

3 The Petitioner respectfully requests that this Court
4 order the production of the transcripts, papers, pleadings and
5 any other documents with regard to the above entitled cases.
6 That these documents are to be furnished to the Petitioner at the
7 State's Expense, due to his poverty.

8 That only with proper review of those documents of the
9 above-entitled cases will the Petitioner be able to adequately
10 prepare a post-conviction petition, or direct appeal, that would
11 allege all issues and grounds for relief that he is seeking.

12 Peterson vs. Warden, 87 Nev. 134, 483 P. 2d 204 (1971),
13 holds that:

14 " ... does not contemplate that a record will be
15 furnished at State Expense upon mere unsupported
16 request of a petitioner who is unable to pay for
17 them... so must he satisfy the points and raise
18 merit and such merit will be supported by review
19 of the record ... "

20 Moreover, the Petitioner would be prejudiced absent the Court's
21 granting of the within motion. Petitioner would not have means
22 necessary to file a proper person petition for writ of habeas corpus
23 post-conviction or direct appeal to the Nevada Supreme Court,
24 that would allow the petitioner to allege all available issues.

25 WHEREFORE, Petitioner Matthew Travis Houston prays that
26 the Court enter an order directing the reporter to prepare the
27 foregoing requested transcripts. Affirmation pursuant to NRS 229B.030
28 this document does NOT contain the social security number of any person.
