Notice of Motion and Motion by Defendant O'keefe to Preclude the State from Introducing at Trial Improper Evidence and Argument

Christopher Lalli, Chf Dep DA, present on behalf of the State and Patricia Palm, Esq., present on behalf of Deft. O'Keefe, who is also present. Ms. Palm advised there are five different arguments. 1. State should be precluded from introducing evidence of argument to show that the alleged victim, Victoria Whitmarsh, testified against O'Keefe in the prior felony domestic battery case (C207835): Arguments by counsel. COURT ORDERED, Motion DENIED as to this issue. 2. Based upon the most recent and much expanded testimony of Cheryl Morris and argument relating thereto, this Court should reconsider its previous ruling and preclude or limit the testimony and argument: Arguments by counsel regarding this issue and more specifically, regarding the previous testimony that O'Keefe killed people, that O'Keefe was kicked out of the trailer, and that the victim slept behind a locked door. COURT ORDERED, with regard to the last two issues, they will be excluded. All other issues are areas of impeachment. 3. The State should be precluded from introducing evidence of the costs related to the expert witnesses and improperly disparaging these experts: Arguments by counsel. COURT ORDERED, the Court will allow the testimony; however, counsel are to make sure the Jurors know there were prior hearing, which added to the experts' costs. 4. This Court should preclude the State from arguing or introducing evidence related to domestic violence syndromes, effects, or dynamics or the general cause of fighting against domestic violence: Arguments by counsel. COURT ORDERED, decision DEFERRED until the hearing on the other motions. 5. This Court should preclude the State from inquiring about O'Keefe's 2005 convictions for non-support of his children, as these do not qualify for admission under NRS 50.095: Ms. Palm advised that the State agrees with her on this issue, the convictions are inadmissible. Decision (8:15 AM) (Judicial Officer: Villani, Michael)

Decision: Motion in Limine to Present Evidence of Other Bad Acts

Decision Made:

Journal Entry Details:

CASE SUMMARY **CASE NO. 08C250630**

Motion in Limine to Admit Evidence of Other Bad Acts Pursuant to NRS 48.045 and Evidence of Domestic Violence Pursuant to NRS 48.061 came before this Court on February 17, 2012. The Court deferred the matter, In accordance with NRS 48.045, evidence of other bad acts is only admissible where three requirements are met: (1) the incident is related to the crime charged; (2) the act is proven by clear and convincing evidence; and (3) the evidence is more probative than prejudicial. Cipriano v. State, 111 Nev. 534, 894 P.2d 347 (1995). The COURT FINDS that the State established by clear and convincing evidence the facts and circumstances of the offense occurring on or about April 2, 2004, to which Defendant received a felony conviction in C207835. The COURT FURTHER FINDS that the admission of facts and circumstances of the other cases (03M00410X, 03M25901X, 03M26791X, C581783A, and C202793) State requested would have a prejudicial effect which would outweigh the probative value. Therefore, COURT ORDERED Motion in Limine to Admit Evidence of Other Bad Acts Pursuant to NRS 48.045 and Evidence of Domestic Violence Pursuant to NRS 48.061 is GRANTED IN PART and DENIED IN PART. The State is directed to submit a proposed order consistent with the foregoing within ten (10) days and distribute a filed copy to all parties involved pursuant to EDCR 5.90(e). Such Order should set forth a synopsis of the supporting reasons proffered to the Court in briefing. Christopher Lalli, Chf Dep DA, present on behalf of the State; Deft. O'Keefe, present pro se. Deft. filed a Motion to Seal Records on March 22, 2012; hearing is set for April 10, 2012. Court noted there is a Receipt of Copy but it is unsigned and there is no Certificate of Mailing. Mr. Lalli advised that since the State is now aware of said Motion, he will file the appropriate response; he requested that he be given until April 5, 2012, to file a response. COURT SO ORDERED. Further, Deft. advised he did not receive a filed stamped copy of the State's Opposition to his Motion to Dismiss Based upon Violations within the seven (7)-day time period specified in EDCR 3.20. Court noted the Motion to Dismiss was filed on March 16, 2012, and the Opposition was filed by the State on March 21, 2012. Argument by Deft. Mr. Lalli submitted the matter on his Opposition. COURT FINDS, there is no issue of double jeopardy in this particular matter and the State is not precluded from introducing bad-act evidence under NRS 48.045. The Nevada Supreme Court reversal does not preclude a retrial. Therefore, COURT ORDERED, motion DENIED. State to prepare the Order.;

CASE SUMMARY **CASE NO. 08C250630**

This is the time set for hearing on Deft.'s Motion to Seal Records. Court noted it was just handed a copy of the State's Opposition, which it has not had an opportunity to review. Mr. Lalli advised that Deft. has also filed a Motion to Admit Evidence of Polygraph Examination it is set for hearing on April 12; he wants the examination to be admitted during the upcoming trial. Mr. Lalli advised that he cannot take a position on this issue until he is able to review the examination, which he just received. During the examination Deft. made a couple of statements which need further investigation. Mr. Lalli would like some of the supporting documentation and would also like to speak with Deft.'s former counsel, Randall Pike, Asst. SPD, regarding the examination. However, Deft. would need to WAIVE the attorney-client privilege. Deft. makes statements regarding the Polygraph Examination; he stated there was also a video. Mr. Lalli requested a copy of same. Court advised it needs additional time to review the State's Opposition to the Motion to Seal. Therefore, COURT ORDERED, Motion to Seal Records CONTINUED; the hearing date (April 12, 2012) on the Motion to Admit Evidence of Polygraph is VACATED and the Motion shall be set for a status check. Deft. shall file a supplement to his Motion to Seal by April 17, 2012; Court directed him to specifically address NRS 179.245(4). State may then supplement its Opposition. COURT FURTHER ORDERED, Deft. to provide a release to his Investigator so the video of the polygraph can be provided to Mr. Lalli. Upon Court inquiry as to whether or not Deft. would waive the attorneyclient privilege, Deft. stated he was not prepared to make a decision on that issue at this time. Court urged Deft. to consult with stand-by counsel, Lance Maningo, regarding the abovenamed motions before making a decision. Court noted Deft. is requesting a transcript of the March 29, 2012, hearing. Mr. Lalli advised the State does not oppose said Motion. COURT ORDERED, moton GRANTED; Deft. to prepare an Order. Court noted it was provided an Order from the Nineth Circuit Court of Appeals; the signature page is missing. Deft. stated that on the last page of the Order, which the Court does not have, the Attorney General's office has been contacted, a briefing schedule has been set, and if he so choses, a Federal attorney will be appointed for him. DEFT.'S MOTION TO SEAL RECORDS... DEFT.'S MOTION TO ADMIT EVIDENCE OF POLYGRAPH EXAMINATION Christopher Lalli, Chf Dep DA, present on behalf of the State; Deft. O'Keefe, present pro se. MOTION TO SEAL RECORDS: Deft. advised that he is seeking to seal his dismissed and acquitted cases; argument. Mr. Lalli advised that he wanted to correct some things in Deft.'s motion; Deft. represented that C202793 was dismissed but he was found guilty, in 03M00410X Deft. represented that it was dismissed but he pled guilty to one of the Counts, and in 03M26791X the case was dismissed pursuant to negations. Argument by Mr. Lalli; based on the Cavaricci case, Mr. Lalli believes it would be an abuse of discretion for the District Court to seal the records of an individual who has an active current criminal record. COURT ORDERED, motion DENIED. State to prepare the Order. Court noted that an Order from the Ninth Circuit Court of Appeals, dated April 13, 2012, was provided to it last date. Colloguy regarding said Order and whether or not Deft. believes said Order STAYS the instant case. Mr. Lalli advised the Order is from a Pre-Trial Habeas Petition in Federal Court, which challenges the instant case and may be considered a collateral attack. Therefore, the instant case would not be STAYED. MOTION TO ADMIT EVIDENCE OF POLYGRAPH

CASE SUMMARY **CASE NO. 08C250630**

EXAMINATION: Court noted that Polygraph Examinations are typically not admitted into evidence because there is a dispute as to the reliability of said examinations and, therefore, this Court does not think the admission of such an examination would not be appropriate. Further, the Court believes that entering said examination results would adversely affect Deft.'s constitutional rights for a fair trial in this case. COURT ORDERED, motion DENIED. CUSTODY;

Also present: Lance Maningo, Esa., Deft.'s stand-by counsel and Ryan Norwood, Asst Fed PD. Upon Court's inquiry as to whether or not the parties were ready for trial, Mr. Lalli advised the State is ready. However, Deft. stated that he is claiming a Federal violation of his Constitutional Rights and has an open case in the Ninth Circuit Court of Appeals and would like the instant case STAYED until the conclusion of his Federal case. Further, Deft. is not totally prepared for trial at this time because he devoted much of his time to his Federal case; therefore, Deft. orally moved for a continuance of the trial. Colloquy regarding same. Statement by Mr. Maningo; he advised he has nothing to add only that Mr. Norwood is present today to inform the Court about what is going on in Deft.'s Federal case. Mr. Lalli advised that he had this matter placed on calendar last week to inform Deft. and the Court that he had two trials set for the same day and that if Deft. was ready to proceed to trial in the instant case, Mr. Lalli would have his other trial continued. Deft. stated that he was ready and the Court advised that absent a STAY from the Ninth Circuit, this matter would be proceeding to trial. The State has been meeting with witnesses and subpoenas have been served. Therefore, the State is opposed to a continuance at this time for the reasons stated on the record. CASE SUMMARY **CASE NO. 08C250630**

on behalf of Deft. O'Keefe, who is not present. Deft. is incarcerated in the Nevada Department of Corrections (NDC). This is the time set for hearing on Deft.'s Petition for Writ of Habeas Corpus (Post-Conviction). Court noted there is a disagreement as to when the Remittitur issued; the Defense claims it was issued on June 24, 2014, and the State claims it was issued on July 23, 2013. The Court pulled the Remittitur and it is dated July 23, 2013, and was issued on July 26, 2013; Supreme Court No. 61631. Mr. Carling advised that the Deft. moved to STAY the Remittitur in this case. With regard to the appeal, Deft. had Appellate counsel and he was trying to fire him but could not so he tried to do things on his own while he still had counsel of record but his requests were denied by the Supreme Court. Therefore, if the Court finds that Deft.'s Petition was not timely filed, Mr. Carling believes there is good cause. Additionally, Mr. Carling represented that the State's Response was just on the time-bar issue, it did not address any of the merits so Mr. Carling filed a Reply specifically addressing that. This matter has been well briefed, so Mr. Carling will submit the matter. The Court adopts the procedural history set forth by the State. The Notice of Remittitur was issued in July 2013 and Deft.'s Petition was filed in September 2014; therefore, COURT FINDS, the Deft. is time bared, pursuant to NRS 34.726, and good cause has not been shown. COURT ORDERED, Deft.'s Petition for Writ of Habeas Corpus is DENIED. Additionally, Deft.'s request for an Evidentiary Hearing is also DENIED because there is a jurisdictional bar on this particular matter. Mr. Lalli to prepare the appropriate Order approved as to form and content by Mr. Carling. NDC;

Minute Order (4:00 PM) (Judicial Officer: Villani, Michael)

Defendant's Pro Per Petition for Writ of Habeas Corpus Decision Made;

CASE SUMMARY CASE NO. 08C250630

Journal Entry Details:

Defendant's Pro Per Petition for Writ of Habeas Corpus came before this Court on the November 30, 2017 Calendar. The Court deferred its decision and now rules as follows: Defendant filed his Post-Conviction Petition for Writ of Habeas Corpus on 8/15/17 alleging a double jeopardy violation. The Judgment of Conviction was entered in this case on 9/5/12. First, the Court adopts the State's procedural history. Second, the Petition is time-barred under NRS 34.726(1) with no good cause shown for the delay. Under NRS 34.726(1), the Petition must be filed within one (1) year of the filing of the Judgment of Conviction, unless good cause is shown for the delay. Here, all of the information was available to Defendant regarding his allegation of a double jeopardy violation at the time the Judgement of Conviction was filed. Finally, the Petition is successive pursuant to NRS 34.810 because Defendant failed to raise this issue in previously filed Petitions, and the alleged issue existed at the time the previous Petitions were filed. Good cause has not been established to overcome the time bar or the fact that this Petition is successive. Therefore, COURT ORDERED Defendant's Pro Per Petition for Writ of Habeas Corpus DENIED. Counsel for the State to submit a proposed order consistent with the foregoing within ten (10) days after counsel is notified of the ruling and distribute a filed-copy of the Order to all parties involved pursuant to EDCR 7.21. Such Order should set forth a synopsis of the supporting reasons proffered to the Court in briefing and be signed as to form and content by opposing counsel. A status check has been set for January 9, 2018 at 8:30 a.m. for the filing of the Findings of Fact and Conclusions of Law. If the same is received prior to that date, the status check will be vacated. The Court deferred its decision and now rules as follows: The Court adopts the State's procedural history. Regardless of whether or not the Ohio conviction in question only provided for nine (9) months, it was still considered a felony. Accordingly, Defendant was properly sentenced. Therefore, COURT ORDERED Defendant's Pro Per Motion for Order to Have P&P File Amended PSI to Reflect Criminal Non-Support of Defendants Correctly as Misdemeanors in PSI Based on Sentence Adjudication of (9) Months Pursuant (JOC) Entry of Sentence Attached and Incorporated Here As Exhibit 1 DENIED. Minute Order Re: Motion for Leave of Court to File New Action as to Motion to Vacate Sentence as Means For Relief from Judgment

Minute Order - No Hearing Held; Minute Order Re: Motion for Leave of Court to File New Action as to Motion to Vacate Sentence as Means For Relief from Judgment Journal Entry Details:

On March 12, 2019, this Court found Defendant O'Keefe to be a vexatious litigant in the Court's Pre-Filing Injunction Order. In said Order, this Court enjoined Defendant and/or Defendant's agents from filing any action before the Court arising out of or materially involving his criminal conviction and/or custody status in this case without first obtaining leave of this Court. Findings of Facts, Conclusions of Law, and Order, filed April 4, 2019, at p. 13. The purpose of this Court's Order was to prevent "Defendant's continued filing of duplicative and baseless pleadings." Id. Pursuant to the April 4, 2019 Order, Defendant moved this Court for leave to file "New Action as Motion to Vacate Sentence as Means for Relief from Judgment C250630, Rule 60(b)...Under Remedial Law on Substantive Issues of Fraud and Void Judgment." Having reviewed the pleadings and papers on file herein, the COURT FINDS that Defendant's motion attempts to litigate matters previously ruled on by this Court and otherwise are without merit. Therefore, COURT ORDERED Defendant's Motions for Leave to File Motion DENIED. This Court ADMONISHES Defendant that the Court will NOT grant leave to permit him to file any pleadings addressing issues that it has previously decided. - Motion in Limine to Admit Evidence of Other Bad Acts Pursuant to NRS 48.045 and Evidence of Domestic Violence Pursuant to NRS 48.061 came before this Court on February 17, 2012. The Court deferred the matter, In accordance with NRS 48.045, evidence of other bad acts is only admissible where three requirements are met: (1) the incident is related to the crime charged; (2) the act is proven by clear and convincing evidence; and (3) the evidence is more probative than prejudicial. Cipriano v. State, 111 Nev. 534, 894 P.2d 347 (1995).

The COURT FINDS that the State established by clear and convincing evidence the facts and circumstances of the offense occurring on or about April 2, 2004, to which Defendant received a felony conviction in C207835.

The COURT FURTHER FINDS that the admission of facts and circumstances of the other cases (03M00410X, 03M25901X, 03M26791X, C581783A, and C202793) State requested would have a prejudicial effect which would outweigh the probative value.

Therefore, COURT ORDERED Motion in Limine to Admit Evidence of Other Bad Acts Pursuant to NRS 48.045 and Evidence of Domestic Violence Pursuant to NRS 48.061 is GRANTED IN PART and DENIED IN PART.

PRINT DATE: 10/07/2022 Page 71 of 166 Minutes Date: January 06, 2009

The State is directed to submit a proposed order consistent with the foregoing within ten (10) days and distribute a filed copy to all parties involved pursuant to EDCR 5.90(e). Such Order should set forth a synopsis of the supporting reasons proffered to the Court in briefing.

Mr. Lalli advised that since the State is now aware of said Motion, he will file the appropriate response; he requested that he be given until April 5, 2012, to file a response. COURT SO ORDERED.

Further, Deft. advised he did not receive a filed stamped copy of the State's Opposition to his Motion to Dismiss Based upon Violations within the seven (7)-day time period specified in EDCR 3.20. Court noted the Motion to Dismiss was filed on March 16, 2012, and the Opposition was filed by the State on March 21, 2012. Argument by Deft. Mr. Lalli submitted the matter on his Opposition. This is the time set for hearing on Deft.'s Motion to Seal Records. Court noted it was just handed a copy of the State's Opposition, which it has not had an opportunity to review.

Mr. Lalli advised that Deft. has also filed a Motion to Admit Evidence of Polygraph Examination it is set for hearing on April 12; he wants the examination to be admitted during the upcoming trial. Mr. Lalli advised that he cannot take a position on this issue until he is able to review the examination, which he just received. During the examination Deft. made a couple of statements which need further investigation. Mr. Lalli would like some of the supporting documentation and would also like to speak with Deft.'s former counsel, Randall Pike, Asst. SPD, regarding the examination. However, Deft. would need to WAIVE the attorney-client privilege.

Deft. makes statements regarding the Polygraph Examination; he stated there was also a video. Mr. Lalli requested a copy of same.

Court advised it needs additional time to review the State's Opposition to the Motion to Seal.

PRINT DATE: 10/07/2022 Page 76 of 166 Minutes Date: January 06, 2009

Therefore, COURT ORDERED, Motion to Seal Records CONTINUED; the hearing date (April 12, 2012) on the Motion to Admit Evidence of Polygraph is VACATED and the Motion shall be set for a status check. Deft. shall file a supplement to his Motion to Seal by April 17, 2012; Court directed him to specifically address NRS 179.245(4). State may then supplement its Opposition. COURT FURTHER ORDERED, Deft. to provide a release to his Investigator so the video of the polygraph can be provided to Mr. Lalli.

Upon Court inquiry as to whether or not Deft. would waive the attorney-client privilege, Deft. stated he was not prepared to make a decision on that issue at this time. Court urged Deft. to consult with stand-by counsel, Lance Maningo, regarding the above-named motions before making a decision.

Christopher Lalli, Chf Dep DA, present on behalf of the State; Deft. O'Keefe, present pro se.

MOTION TO SEAL RECORDS: Deft. advised that he is seeking to seal his dismissed and acquitted cases; argument. Mr. Lalli advised that he wanted to correct some things in Deft.'s motion; Deft. represented that C202793 was dismissed but he was found guilty, in 03M00410X Deft. represented that it was dismissed but he pled guilty to one of the Counts, and in 03M26791X the case was dismissed pursuant to negations. Argument by Mr. Lalli; based on the Cavaricci case, Mr. Lalli believes it would be an abuse of discretion for the District Court to seal the records of an individual who has an active current criminal record. COURT ORDERED, motion DENIED. State to prepare the Order.

Court noted that an Order from the Ninth Circuit Court of Appeals, dated April 13, 2012, was provided to it last date. Colloquy regarding said Order and whether or not Deft. believes said Order STAYS the instant case. Mr. Lalli advised the Order is from a Pre-Trial Habeas Petition in Federal Court, which challenges the instant case and may be considered a collateral attack. Therefore, the

instant case would not be STAYED.

MOTION TO ADMIT EVIDENCE OF POLYGRAPH EXAMINATION: Court noted that Polygraph Examinations are typically not admitted into evidence because there is a dispute as to the reliability of said examinations and, therefore, this Court does not think the admission of such an examination would not be appropriate. Further, the Court believes that entering said examination results would adversely affect Deft.'s constitutional rights for a fair trial in this case. COURT ORDERED, motion DENIED.

OUTSIDE THE PRESENCE OF THE JURY: The State is requesting that a Stipulation pertaining to the excerpts from the medical records of the victim, that was read to the Jury at the previous trial and remarked for identification as Court's Exhibit No. 9, be read to this Jury. Deft. has his own version of the Stipulation that he would like read to the Jury and also requested that it be marked as a Defense Exhibit so the Jury can take it back to the Jury room with them; it is marked for identification as Court's Exhibit No. 6. The parties cannot agree on which one should be read; Mr. Lalli objects to it being admitted as a Defense Exhibit. Arguments by Mr. Lalli and Deft. COURT ORDERED decision DEFERRED.

Deft. would like to play a 911 call, he presented the disc to the Court and it was marked for identification as Court's Exhibit No 7. Mr. Lalli advised he has a 911 call from a witness they could not locate, State's Exhibit No. 129. will not be played because he cannot lay the proper foundation. It was played at the first trial so he will play it if there is a Stipulation; however, with regard to Court's Exhibit No. 7, the person who made the call was not called as a witness so it is hearsay and, therefore, cannot be played. PARTIES PRESENT:

JOURNAL ENTRIES

- Christopher Lalli, Asst DA, present on behalf of the State and Matthew Carling, Esq., present on behalf of Deft. O'Keefe, who is not present. Deft. is incarcerated in the Nevada Department of Corrections (NDC).

This is the time set for hearing on Deft.'s Petition for Writ of Habeas Corpus (Post-Conviction). Court noted there is a disagreement as to when the Remittitur issued; the Defense claims it was issued on June 24, 2014, and the State claims it was issued on July 23, 2013. The Court pulled the Remittitur and it is dated July 23, 2013, and was issued on July 26, 2013; Supreme Court No. 61631.

Mr. Carling advised that the Deft. moved to STAY the Remittitur in this case. With regard to the appeal, Deft. had Appellate counsel and he was trying to fire him but could not so he tried to do things on his own while he still had counsel of record but his requests were denied by the Supreme Court. Therefore, if the Court finds that Deft.'s Petition was not timely filed, Mr. Carling believes there is good cause. Additionally, Mr. Carling represented that the State's Response was just on the time-bar issue, it did not address any of the merits so Mr. Carling filed a Reply specifically

PRINT DATE: 10/07/2022 Page 125 of 166 Minutes Date: January 06, 2009

addressing that. This matter has been well briefed, so Mr. Carling will submit the matter.

The Court adopts the procedural history set forth by the State. The Notice of Remittitur was issued in July 2013 and Deft.'s Petition was filed in September 2014; therefore, COURT FINDS, the Deft. is time bared, pursuant to NRS 34.726, and good cause has not been shown. COURT ORDERED, Deft.'s Petition for Writ of Habeas Corpus is DENIED. Additionally, Deft.'s request for an Evidentiary Hearing is also DENIED because there is a jurisdictional bar on this particular matter.

Mr. Lalli to prepare the appropriate Order approved as to form and content by Mr. Carling.

RECORDER:

REPORTER:

PARTIES PRESENT:

JOURNAL ENTRIES

- Defendant's Pro Per Petition for Writ of Habeas Corpus came before this Court on the November 30, 2017 Calendar. The Court deferred its decision and now rules as follows:

Defendant filed his Post-Conviction Petition for Writ of Habeas Corpus on 8/15/17 alleging a double jeopardy violation. The Judgment of Conviction was entered in this case on 9/5/12.

First, the Court adopts the State's procedural history. Second, the Petition is time-barred under NRS 34.726(1) with no good cause shown for the delay. Under NRS 34.726(1), the Petition must be filed within one (1) year of the filing of the Judgment of Conviction, unless good cause is shown for the delay. Here, all of the information was available to Defendant regarding his allegation of a double jeopardy violation at the time the Judgement of Conviction was filed. Finally, the Petition is successive pursuant to NRS 34.810 because Defendant failed to raise this issue in previously filed Petitions, and the alleged issue existed at the time the previous Petitions were filed. Good cause has not been established to overcome the time bar or the fact that this Petition is successive.
