ORDER DENYING MOTION

Appellant has filed a pro se motion for a stay pending appeal.<sup>1</sup> Appellant does not assert, and it does not appear, that appellant moved the district court for a stay in the first instance. See NRAP 8(a)(1) (providing that a party must ordinarily move for a stay in the district court in the first instance). And appellant does not assert that moving in the district court in the first instance would be impracticable. See NRAP 8(a)(2). Accordingly, the motion is denied without prejudice.

It is so ORDERED.
