Minute Order (3:00 AM) (Judicial Officer: Escobar, Adriana)

Minute Order - No Hearing Held; Defendant Motion to Enlarge Discovery (First Request) on an Order Shortening Time

Journal Entry Details:

Defendant's Motion to Enlarge Discovery (First Request) on an Order Shortening Time (Motion), which Plaintiff opposed, was set for hearing before Department 14 of the Eighth Judicial District Court, the Honorable Adriana Escobar presiding, on October 22, 2020. Based on the pleadings and arguments of counsel, the Court issues the following order: There is an "inherent power of the judiciary to economically and fairly manage litigation." Borger v. Eighth Judicial Dist. Court, 120 Nev. 1021, 1029 (2004). NRCP 16(b)(4) provides that a scheduling order for trial may be modified by the court for good cause. Further, EDCR 2.35 (a) allows requests to extend discovery if in writing and supported by a showing of good cause for the extension and be filed no later than 21 days before the discovery cut-off date or any extension thereof. A request made beyond the period specified above shall not be granted

CASE SUMMARY CASE NO. A-18-785917-C

unless the moving party, attorney or other person demonstrates that the failure to act was the result of excusable neglect. (emphasis added). Defendants bring the instant motion due to their failure to make initial expert disclosures by the October 15, 2020, deadline. Pursuant to the scheduling order entered on June 26, 2020, the discovery cut-off date is October 30, 2020. Defendants filed their Motion on October 15, 2020, more than 21 days before the discovery cut-off date. Here, the Court finds that Defendants failure to seek an extension of the discovery deadline in a timely manner was the result of excusable neglect. Moreover, Defendant demonstrated good cause warranting this Court to extend discovery, namely that due at least in part the current COVID-19 pandemic, the parties have not conducted any depositions. Additionally, Defendants failed to designate a rebuttal expert due to excusable neglect. Based on the foregoing, the Court GRANTS Defendant's Motion. The Court continues discovery as follows: Amend Pleadings: December 14, 2020 Initial Expert Disclosures: November 30, 2020 Rebuttal Expert: December 4, 2020 Discovery Cut-Off: March 2, 2021 Dispositive Motion: January 25, 2021 Calendar Call: April 1, 2021 Trial Stack: April 19, 2021 Counsel for Defendant is directed to prepare a proposed order based on this Minute Order. Counsel for Plaintiff is to approve as to form and content. All parties must submit their orders electronically, in both PDF version and Word version, until further notice. You may do so by emailing DC14Inbox@clarkcountycourts.us. All orders must have either original signatures from all parties or an email appended as the last page of the proposed order confirming that all parties approved use of their electronic signatures. Journal Entry Details:

Appearances continued: Michael Lee, Esq., present on behalf of Defendant and Frank Miao, present on behalf of Plaintiff, Corporation. Mr. Lee advised he will be substituting in on behalf of Defendants. Court directed counsel to file a substitution by the end of today. Ms. Pierce stated she was the current attorney and was present should the Court have any questions. Mr. Lee stated he was seeking a five-month extension. Mr. Childs objected stating his client worked zealously to get his expert witness and they are ready to proceed to trial, noting he contacted Department 30 for dates. Mr. Childs proposed a two-month extension. Court advised the case cannot be settled if there is not enough discovery. Court stated it was its understanding there was an issue for four days in August where the server went down in Ms. Pierce's law firm is why they did not see it. COURT finds good cause and ORDERED, Defendant's Motion GRANTED; Discovery CONTINUED as follows: Discovery Cut-Off: March 2, 2021 Amend Pleadings: December 14, 2020 Initial Expert Disclosures: November 30, 2020 Rebuttal Expert: December 4, 2020 Dispositive Motion: January 25, 2021 Calendar Call: April 1, 2021 Trial Stack: April 19, 2021 Ms. Pierce to prepare Order. Minute Order - No Hearing Held;

Journal Entry Details:

Defendants Motion for Leave to File Amended Answer, Counterclaims, and Third-Party Claims on an Order Shortening Time (Motion), which Plaintiff opposed, was set for Chambers Calendar before Department 14 of the Eighth Judicial District Court, the Honorable Adriana Escobar presiding, on November 18, 2020. After considering the pleadings of counsel, the Court enters the following order: A motion for leave to amend is left to the sound discretion of the trial judge, and the trial judge's decision will not be disturbed absent an abuse of discretion. University & Cmty. Coll. Sys. v. Sutton, 120 Nev. 972, 988 (2004). Under NRCP 15 (a)(2), [t]he court should freely give leave when justice so requires. Motions for leave to amend a pleading ought to be granted unless a strong reason exists not to do so, such as

prejudice to the opponent or lack of good faith by the moving party. Nutton v. Sunset Station, Inc., 131 Nev. 279, 284 (Nev. App. 2015); see also Stephens v. S. Nev. Music Co., 89 Nev. 104, 105 06 (1973) ([I]n the absence of any apparent or declared reason such as undue delay, bad faith or dilatory motive on the part of the movant the leave sought should be freely given.). Here, Defendants Motion is timely filed as the deadline to amend the pleadings and add parties is December 14, 2020. The Court finds that Defendants should be given leave to amend their complaint. The arguments Plaintiff raises in opposition are meritless. Based on the foregoing, the Court GRANTS Defendants Motion. Counsel for Defendants is directed to prepare a proposed order approved by Plaintiff as to form and content. All parties must submit their orders electronically, in both PDF version and Word version, until further notice. You may do so by emailing DC14Inbox@clarkcountycourts.us. First Residential Purchase Agreement and Waiver of Inspections, Contractual Broker Limitations

- 1. 2132 Houston Drive, Las Vegas, NV 89104 ("Property") was originally constructed in 1954. On or about August 11, 2017, Marie Zhu ("Zhu"), the original purchaser, executed a residential purchase agreement ("RPA") for the Property. At all times relevant, Ms. Zhu and Mr. Miao, the managing member of Plaintiff, were sophisticated buyers related to "property management, property acquisition, and property maintenance." The purchase price for the property was \$200,000.
- 2. Through the RPA, Ms. Zhu waived her due diligence, although she had a right to conduct inspections:

During such Period, Buyer shall have the right to conduct, noninvasive/non-destructive inspections of all structural, roofing, plumbing, heating/air conditioning, mechanical, electrical,

water/well/septic, pool/spa, survey, square footage, and any other property or systems, through licensed and bonded contractors or other qualified professionals.

- 3. Ms. Zhu did not cancel the contract related to any issues with the Property.
- 4. Under Paragraph 7(C) of the RPA, Ms. Zhu waived the Due Diligence condition. *Id.* Under Paragraph 7(D) of the RPA, it provided:

It is strongly recommended that Buyer retain licensed Nevada professionals to conduct inspections. If any inspection is not completed and requested repairs are not delivered to Seller within the Due Diligence Period, Buyer is deemed to have waived the right to that inspection and Seller's liability for the cost of all repairs that inspection would have reasonably identified had it been conducted, except as otherwise provided by law.

- 5. Ms. Zhu waived any liability of Defendants for the cost of all repairs that inspection would have reasonably identified had it been conducted. Ms. Zhu also waived the energy audit, pest inspection, roof inspection, septic lid removal inspection, mechanical inspection, soil inspection, and structural inspection.
- 6. Under Paragraph 7(F), it was Ms. Zhu's responsibility to inspect the Property sufficiently as to satisfy her use. Additionally, Wong, Lin, Chen, Zhang, Cheng, and Nickrandt (collectively, "Brokers" or "Broker Defendants") had "no responsibility to assist in the payment of any repair, correction or deferred maintenance on the Property which may have been revealed by the above inspections, agreed upon by the Buyer and Seller or requested by one party."
- 7. On August 2, 2017, TKNR submitted Seller's Real Property Disclosure Form ("SRPDF" or "Seller's Disclosures") timely indicating all known conditions of the Subject Property. In fact, TKNR disclosed that "3 units has (sic) brand new AC installed within 3 months," and further that the "owner never resided in the property and never visited the property." It also disclosed that the minor renovations, such as painting, were conducted by the Seller's "handyman" as disclosed in the Seller's Disclosures. Seller also disclosed that it had done construction, modification, alterations, or repairs without permits. Despite these disclosures, Plaintiff chose not to inspect the Subject Property, request additional information and/or conduct any reasonable inquires.

Second Residential Purchase Agreement and Waiver of Inspections, Contractual Broker Limitations

8. On or before September 5, 2017, Ms. Zhu had issues related to the financing for the Property because of an appraisal, so Ms. Zhu executed a new purchase agreement, and would agree to pay the difference in an appraisal with a lower value than the purchase price, and waive inspections:

> Please note that seller agree the rest of terms and request to add the below term on the contract:

> "Buyer agree to pay the difference in cash if appraisal come in lower than purchase price, not to exceed purchase price of \$200k" I just send you the docs, please review and sign if you are agree. Thank you!

> (Per buyer's request will waive licensed home inspector to do the home inspection)

- 9. On the same day, Ms. Zhu and TKNR agreed to Addendum No. 1 to cancel the RPA dated August 11, 2017 and entered into a new Residential Purchase Agreement dated September 5, 2017 ("2nd RPA"). As before, the overall purchase price for the Property was \$200,000, but Ms. Zhu changed the contingency for the loan to \$150,000 with earnest money deposit of \$500 and a balance of \$49,500 owed at the close of escrow ("COE" or "Closing"). The COE was set for September 22, 2017.
- Notably, although Ms. Zhu had not initialed the "Failure to Cancel or Resolve 10. Objections" provision in the RPA, she initialed the corresponding provision in the 2nd RPA. This was consistent with Ms. Zhu's instructions to Ms. Chen. Ex. D. This is the second time that Ms. Zhu waived inspections for the Property despite the language in the 2nd RPA that strongly advised to get an inspection done.
- As noted, Ms. Zhu waived any inspections related to the purchase of the Property 11. in the 2nd RPA. Although Ms. Zhu had actual knowledge of the Seller's Disclosures, and the Parties agreed to extend the COE to January 5, 2018, Ms. Zhu did not conduct professional inspections. Instead, she put down an additional \$60,000 as a non-refundable deposit to the TNKR. Moreover, she also agreed to pay rent in the amount of \$650 per month for one of the units, and to also pay the property manager \$800 for the tenant placement fee. Through

Addendum 2 to the 2nd RPA, Ms. Zhu later changed the purchaser to Plaintiff.

Deposition of Plaintiff's Person Most Knowledgeable – Mr. Miao

- 12. Since 2008, Mr. Miao, Ms. Zhu, and/or Plaintiff have been involved in the purchase of approximately twenty residential properties. In Clark County alone, Ms. Zhu and Mr. Miao were involved with the purchase of at least eight rental properties starting in 2014.
 - 13. Plaintiff understands the importance of reading contracts.
- 14. Mr. Miao specified that he understands that he needs to check public records when conducting his due diligence.
- 15. Plaintiff was a sophisticated buyer who understood the necessity of getting properties inspected.

Requirement to Inspect was Known

- 16. The terms of the RPA were clear to Plaintiff.
- 17. As to Paragraph 7(A), Mr. Miao specified that he believed that his inspection and conversations with the tenant constituted the actions necessary to deem the Property as satisfactory for Plaintiff's purchase.

21. Finally, as to the RPA, Mr. Miao agreed that all the terms in it were conspicuous and understandable, and it was a standard agreement similar to the other agreements he had used in purchasing the other properties in Clark County, Nevada. *Id.* at 198:19-25-199:1-2, 200:3-15.

Mr. Miao Does Inspections for Plaintiff Although he is not a Licensed, Bonded Professional Inspector

- 22. As to all the properties purchased by Plaintiff, Mr. Miao always does the inspections and does not believe a professional inspection is necessary. Id. at 116:2-9, 119:3-25, 140:5-10. Based on his own belief, he does not believe that a professional inspection is necessary for multi-tenant residential properties. Id. at 120:6-9 (his own understanding), 120:16-25 (second-hand information he received).
- 23. Notably, he does not have any professional license related to being a general contractor, inspector, appraiser, or project manager. *Id.* at 123:5-16 (no professional licenses), 123:23-24 (no property management license), 169:7-14 (no licensed or bonded inspector), 171:23-25 (have not read the 1952 Uninformed Building Code), 172:17-19 (not an electrician),

- 25. The main reason Plaintiff does not use a professional inspector is because of the cost. Id. at 147:2-7.
- 26. On or about August 10, 2017, Mr. Miao did an inspection of the Property. Id. at 158:1-25-159:1-12. During that time, he admitted that he noticed some issues with the Property that were not up to code, finishing issues, GFCI outlets, and electrical issues:

```
16 \cdot \cdot \cdot A \cdot \cdot I looked at a lot of things. For example,
17 like, the -- I point out some drywall is not

24 said, You need to change this GFCI. Right now this
25 outlet is not meet code. You probably have problem.
```

Id.

- 27. Similarly, he also specified that there was an issue with exposed electrical in Unit C. *Id.* at 175:10-24. He also noted that there could have been a potential asbestos issue as well. Id. at 160:7-12.
- 28. Additionally, Mr. Miao noted that there were cracks in the ceramic floor tiles, *Id.* at 249:22-25, and he was aware of visible cracks in the concrete foundation, Id. at 269:13-22 (aware of slab cracks), which were open and obvious. *Id.* at 270:14-24.
- 29. Mr. Miao admitted that he could also have seen the dryer vent during his inspection. *Id.* at 269:23-25.
- 30. As to those issues, Mr. Miao determined that the aforementioned issues were the only issues that TKNR needed to fix after his inspection. Id. at 171:2-9 (was only concerned about the appraisal), *Id.* at 219:13-25-221:1-2.

31. Moreover, Mr. Miao received the SRPDF prior to the purchase of the Property
Id. at 201:22-25. As to SRPDF, Plaintiff was aware that TKNR was an investor who had not
resided in the Property, and there were issues with the heating systems, cooling systems, and that
there was work done without permits. Id. at 201:1-25-202:1-12. Similarly, it was aware that the
Property was 63 years old at that time, Id. at 204:4-7, and all the work was done by a handymar
other than the HVAC installation. Id. at 205:14-25, Id. at 134:14-25 (understands the difference
between a handyman and a licensed contractor), 243:2 ("Yes. They did by the handyman, yes.").

32. Despite these disclosures, Mr. Miao never followed up:

- 43. Additionally, Mr. Miao accompanied Defendants' expert during his inspection. Id. at 320:31-25. As before, Mr. Miao had the same access to the Property in 2017 for the areas inspected by Defendants' expert. *Id.* at 321:1-6.
- 44. Mr. Miao agreed with Defendants' expert that the alleged conditions identified by Plaintiff's expert were "open and obvious":

No Permits Required for Cosmetic Work by TKNR

50. This illustrates the lack of merit of Plaintiff's claims, proven that it has done nothing to correct the allegedly deficient conditions that are clearly not so dangerous as it does not tell prospective tenants about them.

Squatters or Tenants Could Have Damaged the Property

51. Mr. Miao admitted that multiple third parties could have potentially damaged the Property. The Property has a historic problem with squatters during the time that Plaintiff owned it:

No Evidence That Defendants Knew of Alleged Conditions

- 52. Plaintiff's case is based on assertions that Defendants knew about the alleged conditions in the Property; however, Mr. Miao admitted that there is no evidence that shows Defendants knew about them. *Id.* at 245:1-13 (speculating that InvestPro made changes).
- 53. The entire case is based on Mr. Miao's personal belief and speculation. Id. at 253:17-19.
- 54. Mr. Miao admitted that he has no evidence Defendants knew about the alleged moisture conditions. Id. at 293:24-25-294:1-3. Additionally, he also admitted that there is no evidence that Defendants knew about the alleged issues with the plumbing system. Id. at 301:21-24. He also admitted that he did not know if Defendants knew about the alleged issues with the duct work when they owned the Property. Id. at 314:5-19. He also recognized the deficiency in Plaintiff's expert's report that failed to differentiate between conditions prior to when TKNR owned the Property, while it owned it, and those afterwards. Id. at 321:17-21 – 322:3-6.
- 55. Mr. Miao recognized that a 63-year-old property could have issues that were not caused by Defendants. Id. at 324:6-15. This would have also included any issues with the dryer

vent and ducts, Id. at 325:3-20, and when the duct became disconnected. Id. at 329:1-16.

- 56. Plaintiff did not identify any discovery illustrating a genuine issue of material fact that Defendants knew of the alleged issues with the Property that they had not already disclosed on Seller's Disclosures.
- 57. Notably, during Mr. Miao's due diligence period, he spoke with the tenants of the Property. Id. at 163:12-25-164:1-6. This included a conversation with the long-term tenant of Unit A, who still resides in the Property to this day. Id. At that time, the tenant reported being very happy with the Property and had no complaints. Id. In fact, the tenant reported still being very happy with the Property. Id. at 170:7-9. This illustrates that there is no basis that Defendants should have been aware of any of the issues when Mr. Miao, a self-professed expert, did not even know about them following his inspection.

No Basis for Claims for RICO and/or Related to Flipping Fund

58. The Flipping Fund had nothing to do with Plaintiff's decision to purchase the Property. Id. at 223:15-25.

Cost of Repairs

59. Mr. Miao contacted contractors to bid the potential cost of repair for the Property and determined that it would have been \$102,873.00. Id. at 307:6-22. However, Plaintiff's expert opined that the cost of repair would have been \$600,000, although he did not provide an itemized cost of repair. Id. at 334:17-21.

Based on the admissions of Mr. Miao and the waivers related to the RPA and the 2nd RPA. these allegations illustrate the overall frivolous nature of this action and why Rule 11 sanctions are appropriate:

- 25. TKNR failed to disclose one or more known condition(s) that materially affect(s) the value or use of the Subject Property in an adverse manner, as required by NRS Chapter 113, in a particular NRS 113.130.
- Factual statements from the August 7, 2017 Seller Real Property Disclosure Form (SRPDF) are set forth in Paragraph 31 and the subsections thereof state whe (sic) the disclosures were either inadequate or false. The SRPDF states that it was prepared, presented and initialed by Kenny Lin.
- 29. Since the Subject Property is a residential rental apartment, to protect tenants and consumers, the applicable local building code requires all renovation, demolition, and construction work must be done by licensed contractors with permits and inspections to ensure compliance with the Uniform Building Code [UBC].
- 31. Defendants Lin, Investpro, as TKNR's agent, TKNR, Wong and INVESTPRO MANAGER LLC, as the true owner of the Subject Property, did not disclose any and all known conditions and aspects of the property which materially affect the value or use of residential property in an adverse manner, as itemized below.
 - a. SRPDF stated that Electrical System had no problems or defects. The fact is that many new electric lines were added and many old electric lines were removed by Investpro Manager LLC . The swamp coolers that were removed were supplied by 110 volt power supply lines. Investpro Manager LLC first added one 220v power supply line for one new 5 ton heat pump package unit on one roof top area for the whole building for Unit A. Unit B and Unit C. Investro (sic) Manager, LLC then removed the one year old 5 ton heat pump packaged unit from the roof top with power supply lines and added two new 220v power supply lines for two new 2 ton heart pump package units, one each for Unit B and Unit C.

Inestpro (sic) Manager, LLC then added one new 110 volt power supply line for two window cooling units for Unit A. The electrical system load for Unit A was increased due to the installation of two new cooling units and required 100 amp service, but the electrical service was not upgraded to 100 amp service from the existing 50 amp service. Failure to upgrade the electrical service caused the fuses to be blown out multiple times during the cooling seasons of 2018. The tenants in Unit A could not use air conditioning units in cooling seasons of 2018, causing Unit A to be uninhabitable until the Unit A electrical supply panel was upgraded to 100 amp service.

All the electrical supply line addition and removal work

LAS VEGAS, NEVADA 89104 Tel. – (702) 477.7030; FAX – (702) 477.0096 were performed without code required electrical load calculation, permits and inspections. To save money, minimize flipping cost, minimize flipping time, maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to do the electrical work and used low quality materials used inadequate electrical supply lines.

Further, to save money, minimize flipping cost, minimize flipping time, maximize flipping fund profits, Investpro Manager LLC used unskilled workers who did not know the UBC requirements to do the electrical work This substandard work may lead electrical lines to overheat and cause fires in the attic when tenant electrical load is high. Further, to save money, minimize flipping cost, minimize flipping time, maximize flipping fund profits, Investpro Manager LLC used unskilled workers who did not know the UBC requirements to do the electrical work. The outlets near the water faucets in kitchens, bathrooms and laundry areas were not GFCI outlets as required by the UBC.

b. SRPDF stated that Plumbing System had no problems or defects

The fact is that that within two years prior to the sale to Plaintiff, Investpro Manager LLC removed and plugged swamp cooler water supply lines without UBC required permits and inspections. To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers who just plugged high pressure water supply lines at rooftop instead of at ground level and who did not remove the water supply lines on top of the roof, inside the attic and behind the drywall. In cold winter, the high pressure water line which was left inside the building may freeze and break the copper line and lead flooding in the whole building.

Further, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to remove and plug natural gas lines for the natural gas wall furnaces without UBC required permits and inspections.

Further, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers with little knowledge of natural gas pipe connection requirements. The unlicensed and unskilled workers used the wrong sealing materials and these sealing materials may degrade and lead to natural gas leaks and accumulation inside the drywall and the attic which may cause an explosion or fire.

Further, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to completely renovate all three bathrooms in the Subject Property without UBC required permits and inspections. Some faucets and connections behind tile walls and drywall

leak and are causing moisture conditions behind tile walls and drywalls.

c. SRPDF stated that Sewer System and line had no problems or defects.

The subject property was built in 1954. Clay pipes were used at that time for sewer lines. Before the sale, within few days after tenants moved into apartment Unit B, they experienced clogged sewer line which caused the bathrooms to be flooded. The tenants called Investpro to ask them to fix the clogged pipes and address the flooding issues. After this report, Investpro asked tenants to pay to hire plumber to snake the sewer line. After tenants threatened to call the Las Vegas code enforcement office, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro used unlicensed and unskilled workers to snake the clay sewer pipes. Licensed contractors must be hired to snake sewer pipes as code required. This approach to clearing the clog may break the clay sewer pipes and cause future tree root grown into sewer lines and clogs in sewer lines.

d. SRPDF stated that Heating System had problems or defects.

No full explanation was provided, as required. Investro (sic) Manager, LLC disabled natural gas heating system without UBC required permits and inspections. To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers with little knowledge about natural gas pipe connection requirements. They used the wrong sealing materials and these sealing materials may degrade and lead to a natural gas leak inside the drywall and the attic and may cause an explosion or fire.

Further, Investpro Manager LLC installed two electrical heat pump heating systems without UBC required permits and inspections for Unit B and Unit C. The Unit A does not have an electrical heat pump heating system nor a natural gas wall furnace heating system now. Unit A has to use portable electrical heaters.

e. SRPDF stated that the Cooling System had problems or defects

No full explanation was provided, as required. Investro (sic) Manager, LLC removed old swamp cooler systems without UBC required permits and inspections. To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro used unlicensed and unskilled workers to disconnect water supply lines, cover swamp cooler ducting holes, and disconnect 110V electrical supply lines.

Further, as early as March of 2016, Investro Manager, LLC hired Air Supply Cooling to install one five ton new heat pump package unit with new rooftop ducting systems on

one roof area to supply cooling and heating air to the whole building consisting of Unit A, Unit B and Unit C without UBC required weight load and wind load calculations, permits and inspections. The five ton heat pumps package unit was too big, too heavy and had control problems. To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC also used unlicensed and unskilled workers to remove the one year old five ton heat pump package unit with ducting system without UBC required permits and inspections. All of this work was done without UBC required structural calculation, permits and inspections. Further, in early June, 2017, Investro Manager, LLC hired The AIRTEAM to install two new two ton heat pump package units, one each for Unit B and Unit C. Invespro (sic) Manager, LLC also used unlicensed

and unskilled workers to install two window cooling units in Unit A's exterior walls. All of the above work was done without UBC required permits and inspections.

Further, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investro Manager, LLC did not replace the old, uninsulated swamp cooler ducts with new insulated HVAC ducts as the UBC required. This resulted in the heat pump package units being overloaded and damaged during cooling season because cool air was heated by uninsulated attic hot air before delivering the cooled air to the rooms. The old, uninsulated swamp cooler ducts were also rusted and leaked due to high moisture air from the bathroom vent fans and the clothes washer/dryer combination unit exhaust vents. The heat pumps would run all the time but still could not cool the rooms.

f. SRPDF stated that Smoker detector had no problems or defects

During Plaintiff's inspection at August 10, 2017 afternoon, some smoke detectors were missing.

g. SRPDF stated that no Previous or current moisture conditions and or water damage.

To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investro Manager, LLC used unlicensed and unskilled workers to vent high moisture bathroom fan exhaust and washer/dryer combination unit exhaust into the ceiling attic area instead of venting outside the building roof without UBC required permits and inspections. The improper ventings caused high moisture conditions in ceiling attic and water damages in ceiling and attic. The high moisture conditions in the ceiling attic destroyed ceiling attic insulations, damaged the roof decking, damaged roof trusses and damaged roof structure supports.

To saving money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to

complete renovation to all three bathrooms without UBC required permits and inspections. Some faucets and connections behind tile walls and drywall leaks and caused moisture conditions behind tile walls and drywalls.

h. SRPDF stated that there was no structure defect.

Investpro Manager LLC added one new five ton heat pump package unit with ducting systems on the one roof top area for the whole building in early March, 2016 without UBC required weight load and wind load calculation, permits and inspections. Due to the five ton heat pump package unit being too big, too heavy and having control problems to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investro (sic) Manager, LLC used unlicensed and unskilled workers to remove the one year old five ton heat pump package unit with part of the ducting system again without UBC required permits and inspections. Investpro Manager LLC added two new two ton heat pump package units on the two roof top areas for Unit B and Unit C with new ducting systems without UBC required weight load and wind loan calculation, permits and inspections.

Further, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to open two new window holes on

exterior walls for two window cooling units in Unit A without UBC required structure calculation, permits and inspections. This work damaged the building structure.

Further, the moisture condition behind tile walls and drywall due to faucets leaking damaged the building structure.

Further, Investpro Manager LLC's unlicensed and unskilled workers used the space between two building support columns as a duct to vent high moisture exhaust from the washer/dryer combination unit exhaust vent from Unit A without UBC required permits and inspections and this damaged the building structure.

The recent inspection of the exterior wall found multiple cracks which indicates structural problems caused by the heavy load on the roof.

i. SRPDF marked Yes and NO for construction, modification, alterations or repairs made without required state. city or county building permits.

Defendants Lin, Investpro, as TKNR's agent, TKNR, and Wong did not provide detailed explanations. All renovation, demolition, and construction work was done by Investpro Manager LLC using unlicensed, and unskilled workers without UBC required weight load and wind load calculations, permits and inspections.

Investpro Manager LLC removed the existing swamp coolers from roof top and covered the swamp coolers ducting holes. Investpro Manager LLC added a five ton heat pump package unit with a new ducting system on one roof top area in March, 2016. Investpro the removed the one year old five ton heat pump package unit with part of the ducting system from the one roof top area in June,2017. Then Investpro Manager LLC added two two ton heat pump package units on the two roof top areas in June, 2017. The work damaged the roof of the Subject Property to such an extent that when it rains the roof leaks. All of this renovation, demolition, and construction work was done without UBC required weight load and wind load calculations, permits and inspections and this damaged the building roof structure.

k. SRPDF stated that no there were not any fungus or mold problems.

To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC vented the bathroom high moisture fans and the washer/dryer combination unit exhaust vents into the ceiling and attic without venting outside of the roof. All of this renovation, demolition, and construction work was done without UBC required permits and inspections and this damaged the building structure. After the purchase of the Subject Property, Plaintiff discovered black color fungus mold was found inside ceiling and attic.

1. SRPDF stated that there were not any other conditions or aspects of the property which materially affect its value or use in an adverse manner.

i. Problems with flooring.

To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to lay low quality cheap ceramic tiles on the loose sandy ground rather than on a strong, smooth, concrete floor base. Within few months after tenants moving into the Subject Property, mass quantities of floor ceramic tiles cracked and the floor buckled. These cracked ceramic tiles may cut tenants' toes and create a trip and fall hazard. These are code violations had to be repaired before the units could be rented to tenants. The plaintiff has to spend lot money to replace all ceramic tile floor in Unit C with vinyl tile floor.

ii. Problems with the land/foundation.

Within few months after tenants moved into the Subject Property in 2017, large quantities of floor tiles cracked and the floor buckled. This indicated that there may have foundation problems likely due to heavy loads by the new HVAC systems and the venting of moisture into the ceiling and attic. Too much weight loads on the walls caused exterior wall

iii. Problems with closet doors.

- 61. As to 31(a), Mr. Miao admitted that the Seller's Disclosures disclosed issues with the heating and cooling systems, the use of a handyman, and the lack of permits. Additionally, he specified that he noted issues with the electrical system and items not up to code at the time that he did his inspection and/or that any issues with the electrical system were "open and obvious" that a reasonable, professional inspection could have discovered in 2017. Despite these issues, Plaintiff chose not to have a professional inspection. Incredibly, Mr. Miao admitted that he was the person who asked for TKNR to install the GFCI outlets, so he was clearly aware of this issue as well. Moreover, Mr. Miao specified that this was a condition that Plaintiff could have inspected at or before the time it had originally purchased the Property. Notably, Mr. Miao admitted that no evidence showed that Defendants were aware of any of these issues.

- 67. As to 31(g), (k), Mr. Miao admitted Plaintiff executed the mold and moisture waiver, and understood its affirmative duty to have an inspection done prior to the purchase of the Property. He also admitted that that the Seller's Disclosures disclosed the use of a handyman, installation of the cabinetry, bathrooms, and the lack of permits. Plaintiffs Did Not Reply on Broker Agents

72. As to the Broker Defendants, Ms. Zhu agreed that she was not relying upon any representations made by Brokers or Broker's agent. Ms. Zhu agreed to purchase the Property AS-IS, WHERE-IS, without any representations or warranties. Ms. Zhu waived all claims against Brokers or their agents for (a) defects in the Property . . . (h) factors related to Ms. Zhu's failure to conduct walk-throughs or inspections. Ms. Zhu assumed full responsibility and agreed to conduct such tests, walk-throughs, inspections and research, as she deemed necessary. In any event, Broker's liability was limited, under any and all circumstances, to the amount of that Broker's commission/fee received in the transaction.

Mr. Miao Agreed with Defendants' Expert

- 73. On November 17, 2020, Defendants' expert, Neil D. Opfer, an Associate Professor of Construction Management at UNLV and overqualified expert, conducted an inspection of the Property. At that time, as noted earlier, Mr. Miao walked the Property with Professor Opfer. Supplement at 320:31-25.
- 74. Mr. Miao agreed with Professor Opfer that the alleged conditions identified by Plaintiff's alleged expert were open and obvious:

[n]ote that the Plaintiff could have hired an inspector or contractor to evaluate this real-estate purchase beforehand but did not. Items complained about in the Sani Report were open and obvious at the roof area, attic area, and on the exterior and interior areas of the Property.

Id. at 318:22-25-319:3-4.

- 75. Mr. Miao agreed with Professor Opfer that Plaintiff's expert did not conduct destructive testing, so the same alleged conditions that the expert noted would have been made by an inspector at the time of the purchase. *Id.* at 291:1-5.
- 76. Mr. Miao agreed with Professor Opfer that Plaintiff's expert did "not recognize prior conditions in existence before any work took place by the Defendants." Id. at 321:17-21 – 322:3-6.

interrogatories, admissions, and affidavits, if any, that are properly before the Court demonstrate that no genuine issue of material fact exist, and the moving party is entitled to judgment as a matter of law. Pegasus v. Reno Newspapers, Inc., 118 Nev. 706, 713, 57 P.3d 82, 87 (2002). Substantive law controls whether factual disputes are material and will preclude summary judgment; other factual disputes are irrelevant. Anderson v. Liberty Lobby, Inc., 477 U.S. 242, 106 S. Ct. 2505, 91 L.Ed.2d 202 (1986). A genuine issue of material fact is one where the evidence is such that a reasonable jury could return a verdict for the non-moving party. Valley Bank v. Marble, 105 Nev. 366, 367, 775 P.2d 1278, 1282 (1989).

- 2. The Nevada Supreme Court has held that the non-moving party may not defeat a motion for summary judgment by relying "on gossamer threads of whimsy, speculation and conjecture." Wood v. Safeway, 121 Nev. 724, 732, 121 P.3d 1026, 1031 (2005). The Nevada Supreme Court has also made it abundantly clear when a motion for summary judgment is made and supported as required by Nevada Rule of Civil Procedure 56, the non-moving party must not rest upon general allegations and conclusions, but must by affidavit or otherwise set forth specific facts demonstrating the existence of a genuine factual issue. *Id.*
- 3. Under Nevada Rule of Civil Procedure 56(a), a party may move for summary judgment, or partial summary judgment. "The court shall grant summary judgment if the movant shows that there is no genuine dispute as to any material fact and the movant is entitled to judgment as a matter of law." The court may rely upon the admissible evidence cited in the moving papers and may also consider other materials in the record as well. *Id.* at 56(c). "If the court does not grant all the relief requested by the motion, it may enter an order stating any material fact — including an item of damages or other relief — that is not genuinely in dispute and treating the fact as established in the case." *Id.* at 56(g).
- 4. The pleadings and proof offered in a Motion for Summary Judgment are construed in the light most favorable to the non-moving party. Hoopes v. Hammargren, 102 Nev. 425, 429, 725 P.2d 238, 241 (1986). However, the non-moving party still "bears the burden to 'do more than simply show that there is some metaphysical doubt' as to the operative facts in order to avoid summary judgment being entered." Wood, 121 Nev. at 732, 121 P.3d at

1031. "To successfully defend against a summary judgment motion, 'the nonmoving party must transcend the pleadings and, by affidavit or other admissible evidence, introduce specific facts that show a genuine issue of material fact." Torrealba v. Kesmetis, 178 P.3d 716, 720 (Nev. 2008) (quoting Cuzze v. Univ. & Cmty. Coll. Sys. of Nev., 172 P.3d 131, 134 (Nev. 2007).

- 5. The non-moving party bears the burden to set forth specific facts demonstrating the existence of a "genuine" issue for trial or have summary judgment entered against him. Collins v. Union Federal Savings & Loan, 99 Nev. 284, 294, 662 P.2d 610, 618-619 (1983). When there is no genuine issue of material fact and the non-moving party provides no admissible evidence to the contrary, summary judgment is "mandated." Celotex Corp. v. Catrett, 477 US 317, 322 (1986). When a motion for summary judgment is made and supported, an adversary party who does not set forth specific facts showing a genuine issue to be resolved at trial may have a summary judgment entered against him. Collins v. Union Federal Sav. & Loan Ass'n, 99 Nev. 284, 294, 662 P.2d 610, 616 (1983) (citing Van Cleave v. Kietz-Mill Minit Mart, 97 Nev. 414, 633 P.2d 1220 (1981); Bird v. Casa Royale West, 97 Nev. 67, 624 P.2d 17 (1981)).
- 6. "Under NRS Chapter 113, residential property sellers are required to disclose any defects to buyers within a specified time before the property is conveyed." Nelson v. Heer, 163 P.3d 420, 425 (Nev. 2007) (citing NRS 113.140(1)). "NRS 113.140(1), however, provides that a seller is not required to 'disclose a defect in residential property of which [she] is not aware.' A 'defect' is defined as "a condition that materially affects the value or use of residential property in an adverse manner." *Id.* (citing NRS 113.100(1)). The Nevada Supreme Court clarified that:

[a]scribing to the term "aware" its plain meaning, we determine that the seller of residential real property does not have a duty to disclose a defect or condition that "materially affects the value or use of residential property in an adverse manner," if the seller does not realize, perceive, or have knowledge of that defect or condition. Any other interpretation of the statute would be unworkable, as it is impossible for a seller to disclose conditions in the property of which he or she has no realization, perception, or knowledge. The determination of whether a seller is aware of a defect, however, is a question of fact to be decided by the trier of fact.

Id. at 425 (citations omitted). Thus, in the context where the plaintiff cannot demonstrate an omitted disclosure that caused damage, the seller is entitled to summary judgment as a matter of law. Id. at 426.

- 7. Generally, "[n]ondisclosure by the seller of adverse information concerning real property . . . will not provide the basis for an action by the buyer to rescind or for damages when property is sold 'as is.' " Mackintosh v. Jack Matthews & Co., 109 Nev. 628, 633, 855 P.2d 549, 552 (1993). Moreover, "[l]iability for nondisclosure is generally not imposed where the buyer either knew of or could have discovered the defects prior to the purchase." Land Baron Invs., Inc. v. Bonnie Springs Family LP, 131 Nev. 686, 696, 356 P.3d 511, 518 (2015). The general rule foreclosing liability for nondisclosure when property is purchased as-is does not apply when the seller knows of facts materially affecting the value or desirability of the property which are known or accessible only to [the seller] and also knows that such facts are not known to, or within the reach of the diligent attention and observation of the buyer. *Mackintosh*, 109 Nev. at 633, 855 P.2d at 552 (alteration in original) (internal quotation marks omitted).
- A buyer waives its common law claims of negligent misrepresentation, fraudulent 8. or intentional misrepresentation, and/or unjust enrichment when it expressly agreed that it would carry the duty to inspect the property and ensure that all aspects of it were suitable prior to close of escrow, and the information was reasonably accessible to the buyer. Frederic and Barbara Rosenberg Living Tr. v. MacDonald Highlands Realty, LLC, 427 P.3d 104, 111 (Nev. 2018). Accordingly, the Nevada Supreme Court concluded that an agreement to purchase property as-is foreclosed the buyer's common law claims, justifying the granting of summary judgment on common law claims. *Id.* (citation omitted).

The terms and conditions of the purchase agreement do not create a duty to disclose. Rather, these disclosures are required by NRS Chapter 113, which sets forth specific statutory duties imposed by law independent of the purchase agreement's terms and conditions. Additionally, the terms of the purchase agreement do not require [the seller] to do anything other than provide the listed disclosures.

Anderson v. Ford Ranch, LLC, 78684-COA, 2020 WL 6955438, at *5 (Nev. App. Nov. 25, 2020).

exercise reasonable care to protect himself. Nevada Revised Statute § 113.140 also provides that the Seller does not have to disclose any defect that he is unaware of. Similarly, Nevada Revised Statute § 113.130 does not require a seller to disclose a defect in residential property of which the seller is not aware. A completed disclosure form does not constitute an express or implied warranty regarding any condition of residential property. Nevada Revised Statute § 113.140(2). Chapters 113 and "645 of Nevada Revised Statutes do not relieve a buyer or prospective buyer of the duty to exercise reasonable care to protect himself or herself." *Id.* at § 113.140(2).

- 10. Summary Judgment is appropriate as a matter of law on all of Plaintiff's claims. It is undisputed that the alleged deficiencies were either disclosed by Defendants, could have been discovered by an inspection, were open and obvious whereby Plaintiff / Ms. Zhu / Mr. Miao had notice of them at the time Plaintiff purchased the Property, or were unknown to Defendants at the time of the sale.
- 11. On August 2, 2017, TKNR submitted its Seller Disclosures timely indicating all known conditions of the Subject Property. TKNR disclosed that "3 units has (sic) brand new AC installed within 3 months," and further that the "owner never resided in the property and never visited the property." Plaintiff was also aware that the minor renovations, such as painting, was conducted by the Seller's "handyman" as disclosed in the Seller's Disclosures. TNKR also disclosed that it was aware of issues with the heating and cooling systems, there was construction, modification, alterations, or repairs done without permits, and lead-based paints.
- 12. On August 11, 2020, through the original RPA, Ms. Zhu waived her due diligence, although she had a right to conduct inspections:

During such Period, Buyer shall have the right to conduct, noninvasive/non-destructive inspections of all structural, roofing, mechanical, electrical, plumbing, heating/air conditioning, water/well/septic, pool/spa, survey, square footage, and any other property or systems, through licensed and bonded contractors or other qualified professionals.

13. Section II(B)(1) lists the disclosures by TKNR. Despite these disclosures, Plaintiff did not inspect the Subject Property, request additional information and/or conduct any reasonable inquires. Ms. Zhu cancelled the original RPA, Ex. E, because of an issue related to TEL - (702) 477.7030; FAX - (702) 477.0096

her financing, unrelated to the Seller's Disclosures. Notably, she included the explicit waiver of the inspections, which included her initialing the provision that she had not done in the original RPA. Ms. Zhu informed her agent to waive all inspections. Although Ms. Zhu had actual knowledge of the Seller's Disclosures from August 11, 2017, and the Parties agreed to extend the COE to January 5, 2018, Ms. Zhu still never did any professional inspections. Instead, she put down an additional \$60,000 as a non-refundable deposit to the TNKR. Moreover, she also agreed to pay rent in the amount of \$650 per month for one of the units, and to also pay the property manager \$800 for the tenant placement fee. Through Addendum 2 to the 2nd RPA, Ms. Zhu later changed the purchaser to Plaintiff.

- 14. Ms. Zhu agreed that she was not relying upon any representations made by Broker's agent. Ms. Zhu agreed to purchase the Property AS-IS, WHERE-IS, without any representations or warranties. Thus, Ms. Zhu waived all claims against Brokers or their agents for (a) defects in the Property . . . (h) factors related to Ms. Zhu's failure to conduct walk-throughs or inspections. Ms. Zhu assumed full responsibility and agreed to conduct such tests, walk-throughs, inspections and research, as she deemed necessary. In any event, Broker's liability was limited, under any and all circumstances, to the amount of that Broker's commission/fee received in the transaction.
- As to the waivers, Paragraph 7(D) of the both the RPA and 2nd RPA expressly 15. provided:

It is strongly recommended that Buyer retain licensed Nevada professionals to conduct inspections. If any inspection is not completed and requested repairs are not delivered to Seller within the Due Diligence Period, Buyer is deemed to have waived the right to that inspection and Seller's liability for the cost of all repairs that inspection would have reasonably identified had it been conducted, except as otherwise provided by law.

Nevertheless, Ms. Zhu waived her inspection related to the original RPA and the 2nd RPA, reinforced further by actually initialing next to the waiver in the 2nd RPA. Ms. Zhu also waived the energy audit, pest inspection, roof inspection, septic lid removal inspection, mechanical inspection, soil inspection, and structural inspection. Thereby, Ms. Zhu waived any liability of

Defendants for the cost of all repairs that inspection would have reasonably identified had it been conducted. The RPA and the 2nd RPA clearly indicated that Ms. Zhu was purchasing the Property "AS-IS, WHERE-IS without any representations or warranties."

- Additionally, Ms. Zhu also agreed that the Brokers Defendants had "no 16. responsibility to assist in the payment of any repair, correction or deferred maintenance on the Property which may have been revealed by the above inspections, agreed upon by the Buyer and Seller or requested by one party." Paragraph 7(D) of the RPA.
- 17. Since 2008, Mr. Miao, Ms. Zhu, and/or Plaintiff have been involved in the purchase of approximately twenty residential properties. In Clark County alone, Ms. Zhu and Mr. Miao were involved with the purchase of at least eight rental properties starting in 2014.
- 18. Mr. Miao understood the importance to check public records when conducting due diligence.
 - 19. Plaintiff was a sophisticated buyer aware of the necessity of property inspection.
- 20. At all times relevant prior to the purchase of the Property, Plaintiff had access to inspect the entire property and conduct non-invasive, non-destructive inspections.
- 21. Prior to the purchase, Mr. Miao was aware that the Seller "strongly recommended that buyer retain licensed Nevada professionals to conduct inspections".
- 22. Plaintiff was also aware of the language in the RPA under Paragraph 7(D) that limited potential damages that could have been discovered by an inspection.
- 23. As to the RPA, Mr. Miao agreed that all the terms in it were conspicuous and understandable, and it was a standard agreement similar to the other agreements he had used in purchasing the other properties in Clark County, Nevada.
- 24. On or about August 10, 2017, Mr. Miao inspected Property. During that time, Mr. Miao noted issues with the Property that were not up to code, finishing issues, GFCI outlets¹, and electrical issues.
 - 25. Mr. Miao acknowledged there was an issue with exposed electrical in Unit C as

- 29. Similarly, Mr. Miao should have contacted the local building department as part of his due diligence.
- 30. Plaintiff was also on notice of the potential for mold and the requirement to get a mold inspection.
- 31. Despite actual knowledge of these issues, Plaintiff did not elect to have a professional inspection done.
- 32. Finally, Plaintiff was also acutely aware of the requirement of Nevada law to protect itself by getting an inspection.
 - 33. Plaintiff assumed the risk of failing to exercise reasonable care to protect itself.
- 34. The alleged defects identified by both parties' experts could have been discovered at the time of the original purchase as they were "open and obvious".
- 35. Plaintiff failed to differentiate between conditions prior to when TKNR owned the Property, while it owned it, and those afterwards.
- 36. No dispute exists that TKNR did not need permits for the interior work it had done to the Property.
- 37. Plaintiff has always been trying to lease the Property despite not doing any of the repairs listed by Plaintiff's expert. This illustrates the lack of merit of Plaintiff that there are underlying conditions with the Property.
- 38. Moreover, Plaintiff does not provide any notice to the tenants about its expert's report or this litigation. This illustrates the lack of merit of Plaintiff's claims and proves that it has done nothing to correct the allegedly deficient conditions that are clearly not so dangerous as

it does not tell prospective tenants about them.

- 39. Mr. Miao admitted that multiple third parties could have potentially damaged the Property.
- 40. Plaintiff did not present any evidence related to Defendants' alleged knowledge other than his personal belief and speculation.
- 41. Mr. Miao admitted that he has no evidence Defendants knew about the alleged moisture conditions. Additionally, he also admitted that there is no evidence that Defendants knew about the alleged issues with the plumbing system. He also admitted that he did not know if Defendants knew about the alleged issues with the duct work when they owned the Property. He also recognized the deficiency in Plaintiff's expert's report that failed to differentiate between conditions prior to when TKNR owned the Property, while it owned it, and those afterwards.
- 42. Mr. Miao also recognized that a 63-year-old property could have issues that were not caused by Defendants.
- 43. The Flipping Fund had nothing to do with Plaintiff's decision to purchase the Property.
- Plaintiff admittedly amplified its alleged damages by more than 6x, and then trebled the damages, and have run up egregious attorneys' fees for this frivolous action. These are undisputed facts that prove abuse of process as a matter of law given the known issues with the Property and Plaintiff's waivers related to the inspections. Plaintiff waived the inspections and purchased the property "as is". This shows that Plaintiff had no interest in having a professional inspection done. It shows the behavior of the Plaintiff related to the entire case.
- 45. Plaintiff was encouraged to inspect the property, and they did not do it. It was a 63-year-old property. There were specific disclosures that were made by the Seller, and Plaintiff was strongly encouraged to conduct the inspection, and they did not want to.
 - 46. This is a 2018 case. Plaintiff has not been diligent in conducting discovery.

Rule 56(f) is not a shield that can be raised to block a motion for summary judgment without even the slightest showing by the opposing party that his opposition is meritorious. A party invoking its protections must do so in good faith by affirmatively demonstrating why he cannot respond to a movant's affidavits as

otherwise required by Rule 56(e) and how postponement of a ruling on the motion will enable him, by discovery or other means, to rebut the movant's showing of the absence of a genuine issue of fact. Where, as here, a party fails to carry his burden under Rule 56(f), postponement of a ruling on a motion for summary judgment is unjustified.

See Bakerink v. Orthopaedic Associates, Ltd., 581 P.2d 9, 11 (Nev. 1978) (quoting Willmar Poultry Co. v. Morton-Norwich Products, 520 F.2d 289, 297 (8th Cir. 1975), Cert. denied, 424 U.S. 915, 96 S.Ct. 1116, 47 L.Ed.2d 320 (1975).

- 47. Plaintiff failed to articulate the alleged discovery that it would likely have. Additionally, Plaintiff already opposed enlarging discovery by specifying that any extension of discovery would prejudice it, indicating that it had no need for additional discovery and that Plaintiff would largely rest upon the findings of its expert. See Plaintiff's Opposition to Motion to Enlarge Discovery. Also, Plaintiff's counsel's declaration in the Opposition illustrated that he had additional discussions with Plaintiff's expert related to the MSJ, but Plaintiff's expert did not proffer any additional opinions to counter the Motion. See *Opp.* at p. 18:7-9.
- 48. As a matter of law, Plaintiff is precluded from seeking damages from Defendants because of her failure to inspect. "Nondisclosure by the seller of adverse information concerning real property . . . will not provide the basis for an action by the buyer to rescind or for damages when property is sold 'as is.' " Mackintosh v. Jack Matthews & Co., 109 Nev. 628, 633, 855 P.2d 549, 552 (1993). Moreover, "[l]iability for nondisclosure is generally not imposed where the buyer either knew of or could have discovered the defects prior to the purchase." Land Baron Invs., Inc. v. Bonnie Springs Family LP, 131 Nev. 686, 696, 356 P.3d 511, 518 (2015).
- 49. Defendants also do not have liability as Ms. Zhu / Plaintiff purchased the Property "as-is" within the reach of the diligent attention and observation of the buyer. Mackintosh, 109 Nev. at 633, 855 P.2d at 552. NRS § 113.140 clearly provides that the disclosures do not constitute a warranty of the Property and that the purchaser still has a duty to exercise reasonable care to protect himself. A completed disclosure form does not constitute an express or implied warranty regarding any condition of residential property. NRS § 113.140(2). Chapters 113 and "645 of Nevada Revised Statutes do not relieve a buyer or prospective buyer of the duty to exercise reasonable care to protect himself or herself." *Id.* at § 113.140(2).

50. Plaintiff waived its common law claims of negligent misrepresentation, fraudulent or intentional misrepresentation, and/or unjust enrichment when it expressly agreed that it would carry the duty to inspect the property and ensure that all aspects of it were suitable prior to close of escrow, and the information regarding Property was reasonably accessible to the buyer. Frederic and Barbara Rosenberg Living Tr. v. MacDonald Highlands Realty, LLC, 427 P.3d 104, 111 (Nev. 2018).

- Summary judgment is appropriate under NRS § 113.140(1) (seller is not required 51. to disclose a defect in residential property of which she is not aware). Under this statute, "[a]scribing to the term 'aware' its plain meaning, . . . the seller of residential real property does not have a duty to disclose a defect or condition that 'materially affects the value or use of residential property in an adverse manner,' if the seller does not realize, perceive, or have knowledge of that defect or condition." Nelson v. Heer, 163 P.3d 420, 425 (Nev. 2007). Thus, as Plaintiff cannot demonstrate an omitted disclosure that caused damage, Defendants are entitled to summary judgment as a matter of law. Id. at 426.
- 52. Under NRS § 113.140(1) (seller is not required to disclose a defect in residential property of which she is not aware), Nelson v. Heer, 163 P.3d 420, 425 (Nev. 2007), and NRS § 645.259(2), Defendants are entitled to Summary Judgment on Plaintiff's claims for (1) Recovery Under NRS Chapter 113, (2) Constructive Fraud, (3) Common Law Fraud, (4) Fraudulent Inducement, (5) Fraudulent Concealment, (6) Breach Of Fiduciary Duty, (8) Damages Under NRS 645.257(1), (9) Failure To Supervise, Inadequate training and Education, (12) Civil Conspiracy, (13) Breach Of Contract, and (14) Breach Of Implied Covenant of Good Faith and Fair Dealing]. It also eliminates the causes of action for (7) RICO, (10) Fraudulent Conveyance, (11) Fraudulent Conveyance, and (15) Abuse of Process since they have no basis in fact or law.
- 53. Eighth Judicial District Court Rule 2.20(e) provides that, "[f]ailure of the opposing party to serve and file written opposition may be construed as an admission that the motion and/or joinder is meritorious and a consent to granting the same." Simply filing an opposition does not relieve a party of its duty to actually oppose the issues raised in the motion. See Benjamin v. Frias Transportation Mgt. Sys., Inc., 433 P.3d 1257 (Nev. 2019) (unpublished

disposition).

- 54. The Opposition failed to address the Motion's arguments related to summary judgment in favor of Defendants on Plaintiff's claims for: (7) RICO; (10) Fraudulent Conveyance; (11) Fraudulent Conveyance; (12) Civil Conspiracy; and (15) Abuse of Process. Additionally, Plaintiff fails to provide any meaningful or competent opposition to the Motion's argument for summary judgment as to Plaintiff's claims against the Broker Defendants. As there is no Opposition provided to those arguments made in the Motion, this court should find that those arguments are meritorious and grant the request as to those unopposed issues.
- 55. Pursuant to Nevada Rule of Civil Procedure 11(b), by presenting to the court a pleading or other paper, an attorney or unrepresented party certifies: (1) it is not being presented for any improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation, (2) the claims and other legal contentions are warranted by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law or for establishing new law, (3) the factual contentions have evidentiary support, and (4) the denials of factual contentions are warranted on the evidence or.
- 56. "If, after notice and a reasonable opportunity to respond, the court determines that Rule 11(b) has been violated, the court may impose an appropriate sanction on any attorney, law firm, or party that violated the rule or is responsible for the violation. Absent exceptional circumstances, a law firm must be held jointly responsible for a violation committed by its partner, associate, or employee." NEV. R. CIV. PRO. 11(c).
- 57. "On its own, the court may order an attorney, law firm, or party to show cause why conduct specifically described in the order has not violated Rule 11(b)." Id. at 11(c)(3). "A sanction imposed under this rule must be limited to what suffices to deter repetition of the conduct or comparable conduct by others similarly situated. The sanction may include nonmonetary directives; an order to pay a penalty into court; or, if imposed on motion and warranted for effective deterrence, an order directing payment to the movant of part or all of the reasonable attorney fees and other expenses directly resulting from the violation." 11(c)(4).

58. Rule 11 prevents a party from bringing a lawsuit for an improper purpose, which includes: (1) harassment, causing unnecessary delay, or needless increasing the cost of litigation; or (2) making frivolous claims. NEV. R. CIV. PRO. 11(b)(1)-(2). Rule 11 sanctions should be imposed for frivolous actions. Marshall v. District Court, 108 Nev. 459, 465, 836 P.2d 47, 52.

A frivolous claim is one that is "both baseless and made without a reasonable and competent inquiry." Bergmann v. Boyce, 109 Nev. 670, 676, 856 P.2d 560, 564 (1993) (quoting Townsend v. Holman Consulting Corp., 929 F.2d 1358, 1362 (9th Cir.1990); Golden Eagle Distrib. Corp. v. Burroughs Corp., 801 F.2d 1531, 1537 (9th Cir.1986)). A determination of whether a claim is frivolous involves a two-pronged analysis: (1) the court must determine whether the pleading is "well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification or reversal of existing law"; and (2) whether the attorney made a reasonable and competent inquiry. Bergmann, 109 Nev. at 676, 856 P.2d at 564. A sanction imposed for violation of Rule 11 shall be limited to what is sufficient to deter repetition of such conduct or comparable conduct by others similarly situated. *Id.* at 11(c)(2).

60. Furthermore, a court may award attorneys' fees to a prevailing party when it finds that the claim was brought or maintained without reasonable ground or to harass the prevailing party. NEV. REV. STAT. § 18.010(2)(b). In other cases, a court may award attorneys' fees "when it finds that the opposing party brought or maintained a claim without reasonable grounds." Rodriguez v. Primadonna Co., LLC, 216 P.3d 793, 800 (Nev. 2009). "The court shall liberally construe the provisions of this paragraph in favor of awarding attorney's fees in all appropriate situations." *Id.* The Nevada Legislature explained that:

> [i]t is the intent of the Legislature that the court award attorney's fees pursuant to this paragraph and impose sanctions pursuant to Rule 11 of the Nevada Rules of Civil Procedure in all appropriate situations to punish for and deter frivolous or vexatious claims and defenses because such claims and defenses overburden limited judicial resources, hinder the timely resolution of meritorious claims and increase the costs of engaging in business and providing professional services to the public.

Id. "A claim is groundless if 'the allegations in the complaint . . . are not supported by any credible evidence at trial." Barozzi v. Benna, 112 Nev. 635, 639, 918 P.2d 301, 303 (1996)

(quoting Western United Realty, Inc. v. Isaacs, 679 P.2d 1063, 1069 (Colo.1984)).

- 77. The overwhelming facts and law illustrate that Plaintiff's claim is frivolous. The findings of fact are incorporated by reference.
- Plaintiff's claim is clearly frivolous: (1) where the pleading was not "well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification or reversal of existing law", and (2) Plaintiff's attorney continued to make frivolous claims. Bergmann, 109 Nev. at 676, 856 P.2d at 564. Sanctions are warranted against Plaintiff and its counsel, which includes an award attorneys' fees to Defendants.
- 79. Alternatively, the elements of an abuse of process claim are: "(1) an ulterior purpose by the defendants other than resolving a legal dispute, and (2) a willful act in the use of the legal process not proper in the regular conduct of the proceeding." Posadas v. City of Reno, 109 Nev. 448, 452, 851 P.2d 438, 441-42 (1993). Abuse of process can arise from both civil and criminal proceedings. LaMantia v. Redisi, 118 Nev. 27, 30, 38 P.3d 877, 879 (2002). Malice, want of probable cause, and termination in favor of the person initiating or instituting proceedings are not necessary elements for a prima facie abuse of process claim. Nevada Credit Rating Bur. v. Williams, 88 Nev. 601, 606, 503 P.2d 9, 12 (1972); Restatement (Second) of Torts § 682 cmt. a (1977). The mere filing of a complaint is insufficient to establish the tort of abuse of process. Laxalt v. McClatchy, 622 F. Supp. 737, 751 (1985).
- 80. Under either Rule 11, Plaintiff brought and maintained this action without reasonable ground. NEV. REV. STAT. § 18.010(2)(b). The overwhelming facts and law illustrate that Plaintiff brought or maintained this claim without reasonable grounds, which justifies an award of attorneys' fees. Rodriguez v. Primadonna Co., LLC, 216 P.3d 793, 800 (Nev. 2009).
- 81. The court intends to award to the Defendants the reasonable expenses, including attorneys' fees and costs, incurred for defending this lawsuit under Rule 11. This sanction is limited to what suffices to deter repetition of the conduct or comparable conduct by others similarly situated.

Based on the foregoing, the Court GRANTS Defendants Motion, DENIES the Counterclaim, and GRANTS attorneys' fees and costs to Defendants pursuant to Nevada Rule of

(collectively, the "Defendants"), Motion for Summary Judgment, or in the Alternative, Partial Summary Judgment ("Motion"), by and through their attorney of record, MICHAEL B. LEE, P.C. Plaintiff W L A B INVESTMENT, LLC appeared on and through its counsel of record, DAY & NANCE. Defendants filed the Motion on December 15, 2020. Plaintiff filed an Opposition to the Motion ("Opposition"), Countermotion for Continuance Based on NRCP 56(f) ("56(f) Countermotion"), and Countermotion for Imposition of Monetary Sanctions (collectively, "Countermotion") on December 29, 2020. On January 20, 2021, Defendants filed a Reply brief. On January 29, 2021, Defendants filed a Supplement ("Supplement") to Defendants' Motion for Summary Judgment. The Supplement included the deposition of Frank Miao ("Miao"), the designated person most knowledgeable for Plaintiff, from January 12, 2021. Plaintiff did not file a response to the Supplement. Mr. Miao attended the hearing.

After considering the pleadings of counsel, the Court enters the following order GRANTING the Motion, DENYING the 56(f) Countermotion, and Countermotion, and GRANTING attorneys' fees and costs to Defendants pursuant to Nevada Rule of Civil Procedure 11:

Findings of Facts

First Residential Purchase Agreement and Waiver of Inspections, Contractual Broker Limitations

- 1. 2132 Houston Drive, Las Vegas, NV 89104 ("Property") was originally constructed in 1954. On or about August 11, 2017, Marie Zhu ("Zhu"), the original purchaser, executed a residential purchase agreement ("RPA") for the Property. At all times relevant, Ms. Zhu and Mr. Miao, the managing member of Plaintiff, were sophisticated buyers related to "property management, property acquisition, and property maintenance." The purchase price for the property was \$200,000.
- 2. Through the RPA, Ms. Zhu waived her due diligence, although she had a right to conduct inspections:

During such Period, Buyer shall have the right to conduct, noninvasive/non-destructive inspections of all structural, roofing, plumbing, heating/air conditioning, mechanical, electrical,

water/well/septic, pool/spa, survey, square footage, and any other property or systems, through licensed and bonded contractors or other qualified professionals.

- 3. Ms. Zhu did not cancel the contract related to any issues with the Property.
- 4. Under Paragraph 7(C) of the RPA, Ms. Zhu waived the Due Diligence condition. *Id.* Under Paragraph 7(D) of the RPA, it provided:

It is strongly recommended that Buyer retain licensed Nevada professionals to conduct inspections. If any inspection is not completed and requested repairs are not delivered to Seller within the Due Diligence Period, Buyer is deemed to have waived the right to that inspection and Seller's liability for the cost of all repairs that inspection would have reasonably identified had it been conducted, except as otherwise provided by law.

- 5. Ms. Zhu waived any liability of Defendants for the cost of all repairs that inspection would have reasonably identified had it been conducted. Ms. Zhu also waived the energy audit, pest inspection, roof inspection, septic lid removal inspection, mechanical inspection, soil inspection, and structural inspection.
- 6. Under Paragraph 7(F), it was Ms. Zhu's responsibility to inspect the Property sufficiently as to satisfy her use. Additionally, Wong, Lin, Chen, Zhang, Cheng, and Nickrandt (collectively, "Brokers" or "Broker Defendants") had "no responsibility to assist in the payment of any repair, correction or deferred maintenance on the Property which may have been revealed by the above inspections, agreed upon by the Buyer and Seller or requested by one party."
- 7. On August 2, 2017, TKNR submitted Seller's Real Property Disclosure Form ("SRPDF" or "Seller's Disclosures") timely indicating all known conditions of the Subject Property. In fact, TKNR disclosed that "3 units has (sic) brand new AC installed within 3 months," and further that the "owner never resided in the property and never visited the property." It also disclosed that the minor renovations, such as painting, were conducted by the Seller's "handyman" as disclosed in the Seller's Disclosures. Seller also disclosed that it had done construction, modification, alterations, or repairs without permits. Despite these disclosures, Plaintiff chose not to inspect the Subject Property, request additional information and/or conduct any reasonable inquires.

Second Residential Purchase Agreement and Waiver of Inspections, Contractual Broker Limitations

8. On or before September 5, 2017, Ms. Zhu had issues related to the financing for the Property because of an appraisal, so Ms. Zhu executed a new purchase agreement, and would agree to pay the difference in an appraisal with a lower value than the purchase price, and waive inspections:

> Please note that seller agree the rest of terms and request to add the below term on the contract:

> "Buyer agree to pay the difference in cash if appraisal come in lower than purchase price, not to exceed purchase price of \$200k" I just send you the docs, please review and sign if you are agree. Thank you!

> (Per buyer's request will waive licensed home inspector to do the home inspection)

- 9. On the same day, Ms. Zhu and TKNR agreed to Addendum No. 1 to cancel the RPA dated August 11, 2017 and entered into a new Residential Purchase Agreement dated September 5, 2017 ("2nd RPA"). As before, the overall purchase price for the Property was \$200,000, but Ms. Zhu changed the contingency for the loan to \$150,000 with earnest money deposit of \$500 and a balance of \$49,500 owed at the close of escrow ("COE" or "Closing"). The COE was set for September 22, 2017.
- Notably, although Ms. Zhu had not initialed the "Failure to Cancel or Resolve 10. Objections" provision in the RPA, she initialed the corresponding provision in the 2nd RPA. This was consistent with Ms. Zhu's instructions to Ms. Chen. Ex. D. This is the second time that Ms. Zhu waived inspections for the Property despite the language in the 2nd RPA that strongly advised to get an inspection done.
- As noted, Ms. Zhu waived any inspections related to the purchase of the Property 11. in the 2nd RPA. Although Ms. Zhu had actual knowledge of the Seller's Disclosures, and the Parties agreed to extend the COE to January 5, 2018, Ms. Zhu did not conduct professional inspections. Instead, she put down an additional \$60,000 as a non-refundable deposit to the TNKR. Moreover, she also agreed to pay rent in the amount of \$650 per month for one of the units, and to also pay the property manager \$800 for the tenant placement fee. Through

Addendum 2 to the 2nd RPA, Ms. Zhu later changed the purchaser to Plaintiff.

Deposition of Plaintiff's Person Most Knowledgeable – Mr. Miao

- 12. Since 2008, Mr. Miao, Ms. Zhu, and/or Plaintiff have been involved in the purchase of approximately twenty residential properties. In Clark County alone, Ms. Zhu and Mr. Miao were involved with the purchase of at least eight rental properties starting in 2014.
 - 13. Plaintiff understands the importance of reading contracts.
- 14. Mr. Miao specified that he understands that he needs to check public records when conducting his due diligence.
- 15. Plaintiff was a sophisticated buyer who understood the necessity of getting properties inspected.

Requirement to Inspect was Known

- 16. The terms of the RPA were clear to Plaintiff.
- 17. As to Paragraph 7(A), Mr. Miao specified that he believed that his inspection and conversations with the tenant constituted the actions necessary to deem the Property as satisfactory for Plaintiff's purchase.

21. Finally, as to the RPA, Mr. Miao agreed that all the terms in it were conspicuous and understandable, and it was a standard agreement similar to the other agreements he had used in purchasing the other properties in Clark County, Nevada. *Id.* at 198:19-25-199:1-2, 200:3-15.

Mr. Miao Does Inspections for Plaintiff Although he is not a Licensed, Bonded Professional Inspector

- 22. As to all the properties purchased by Plaintiff, Mr. Miao always does the inspections and does not believe a professional inspection is necessary. Id. at 116:2-9, 119:3-25, 140:5-10. Based on his own belief, he does not believe that a professional inspection is necessary for multi-tenant residential properties. Id. at 120:6-9 (his own understanding), 120:16-25 (second-hand information he received).
- 23. Notably, he does not have any professional license related to being a general contractor, inspector, appraiser, or project manager. *Id.* at 123:5-16 (no professional licenses), 123:23-24 (no property management license), 169:7-14 (no licensed or bonded inspector), 171:23-25 (have not read the 1952 Uninformed Building Code), 172:17-19 (not an electrician),

- 25. The main reason Plaintiff does not use a professional inspector is because of the cost. Id. at 147:2-7.
- 26. On or about August 10, 2017, Mr. Miao did an inspection of the Property. Id. at 158:1-25-159:1-12. During that time, he admitted that he noticed some issues with the Property that were not up to code, finishing issues, GFCI outlets, and electrical issues:

```

- 27. Similarly, he also specified that there was an issue with exposed electrical in Unit C. *Id.* at 175:10-24. He also noted that there could have been a potential asbestos issue as well. Id. at 160:7-12.
- 28. Additionally, Mr. Miao noted that there were cracks in the ceramic floor tiles, *Id.* at 249:22-25, and he was aware of visible cracks in the concrete foundation, Id. at 269:13-22 (aware of slab cracks), which were open and obvious. *Id.* at 270:14-24.
- 29. Mr. Miao admitted that he could also have seen the dryer vent during his inspection. *Id.* at 269:23-25.
- 30. As to those issues, Mr. Miao determined that the aforementioned issues were the only issues that TKNR needed to fix after his inspection. Id. at 171:2-9 (was only concerned about the appraisal), *Id.* at 219:13-25-221:1-2.

31. Moreover, Mr. Miao received the SRPDF prior to the purchase of the Property.
Id. at 201:22-25. As to SRPDF, Plaintiff was aware that TKNR was an investor who had not
resided in the Property, and there were issues with the heating systems, cooling systems, and that
there was work done without permits. Id. at 201:1-25-202:1-12. Similarly, it was aware that the
Property was 63 years old at that time, Id. at 204:4-7, and all the work was done by a handyman
other than the HVAC installation. Id. at 205:14-25, Id. at 134:14-25 (understands the difference
between a handyman and a licensed contractor), 243:2 ("Yes. They did by the handyman, yes.").

The alleged defects identified by both parties' experts could have been discovered

at the time of the original purchase. As to the ability to inspect, Mr. Miao admitted that he had access to the entire building. Id. at 250:22-25. He had access to the attic and looked at it. Id. at 251:4-14. Mr. Miao admitted that Plaintiff's expert examined the same areas that he did:

- 40. Notably, Plaintiff's expert did not do any destructive testing, so the expert's access was exactly the same as Mr. Miao's original inspection. *Id.* at 291:1-5.

that failed to differentiate between conditions prior to when TKNR owned the Property, while it owned it, and those afterwards:

```

No Permits Required for Cosmetic Work by TKNR

47. No dispute exists that TKNR did not need permits for the interior work it had done to the Property. Mr. Miao admitted the following:

Plaintiff Does not Disclose the Alleged Issues to Potential Tenants

48. Since the date it purchased the Property, Plaintiff has always been trying to lease it. Id. at 330:19-25-331:1-2. According to Mr. Miao, the landlord must provide safe housing for the tenant:

```

20 they said it very clearly, because this is
21 residential income property, right, rental income 22 property, multi-family, we need -- landlord need

49. Moreover, Plaintiff does not provide any notice to the tenants about its expert's report or this litigation:

Id. at 337:6-13, 337:22-25-338:1-5.

50. This illustrates the lack of merit of Plaintiff's claims, proven that it has done nothing to correct the allegedly deficient conditions that are clearly not so dangerous as it does not tell prospective tenants about them.

Squatters or Tenants Could Have Damaged the Property

51. Mr. Miao admitted that multiple third parties could have potentially damaged the Property. The Property has a historic problem with squatters during the time that Plaintiff owned it:

```

No Evidence That Defendants Knew of Alleged Conditions

- 52. Plaintiff's case is based on assertions that Defendants knew about the alleged conditions in the Property; however, Mr. Miao admitted that there is no evidence that shows Defendants knew about them. *Id.* at 245:1-13 (speculating that InvestPro made changes).
- 53. The entire case is based on Mr. Miao's personal belief and speculation. Id. at 253:17-19.
- 54. Mr. Miao admitted that he has no evidence Defendants knew about the alleged moisture conditions. Id. at 293:24-25-294:1-3. Additionally, he also admitted that there is no evidence that Defendants knew about the alleged issues with the plumbing system. Id. at 301:21-24. He also admitted that he did not know if Defendants knew about the alleged issues with the duct work when they owned the Property. Id. at 314:5-19. He also recognized the deficiency in Plaintiff's expert's report that failed to differentiate between conditions prior to when TKNR owned the Property, while it owned it, and those afterwards. Id. at 321:17-21 – 322:3-6.
- 55. Mr. Miao recognized that a 63-year-old property could have issues that were not caused by Defendants. Id. at 324:6-15. This would have also included any issues with the dryer

vent and ducts, Id. at 325:3-20, and when the duct became disconnected. Id. at 329:1-16.

- 56. Plaintiff did not identify any discovery illustrating a genuine issue of material fact that Defendants knew of the alleged issues with the Property that they had not already disclosed on Seller's Disclosures.
- 57. Notably, during Mr. Miao's due diligence period, he spoke with the tenants of the Property. Id. at 163:12-25-164:1-6. This included a conversation with the long-term tenant of Unit A, who still resides in the Property to this day. Id. At that time, the tenant reported being very happy with the Property and had no complaints. Id. In fact, the tenant reported still being very happy with the Property. Id. at 170:7-9. This illustrates that there is no basis that Defendants should have been aware of any of the issues when Mr. Miao, a self-professed expert, did not even know about them following his inspection.

No Basis for Claims for RICO and/or Related to Flipping Fund

58. The Flipping Fund had nothing to do with Plaintiff's decision to purchase the Property. Id. at 223:15-25.

> 20· · · Q. · · Yeah. · So there's no way that you relied 21 upon any flipping fund since it would have been 22 closed at this time; right? $23 \cdot \cdot \cdot A \cdot \cdot \text{Yeah}.$

Id. at 274:20-23. He also admitted that he never received any pro forma, private placement information, calculations of profit and loss, capital contribution requirements, member share or units, or any such information about the Flipping Fund. *Id.* at 277:7-16.

Cost of Repairs

59. Mr. Miao contacted contractors to bid the potential cost of repair for the Property and determined that it would have been \$102,873.00. Id. at 307:6-22. However, Plaintiff's expert opined that the cost of repair would have been \$600,000, although he did not provide an itemized cost of repair. Id. at 334:17-21.

Allegations in the Second Amended Complaint

Based on the admissions of Mr. Miao and the waivers related to the RPA and the 2nd RPA. these allegations illustrate the overall frivolous nature of this action and why Rule 11 sanctions are appropriate:

- 25. TKNR failed to disclose one or more known condition(s) that materially affect(s) the value or use of the Subject Property in an adverse manner, as required by NRS Chapter 113, in a particular NRS 113.130.
- Factual statements from the August 7, 2017 Seller Real Property Disclosure Form (SRPDF) are set forth in Paragraph 31 and the subsections thereof state whe (sic) the disclosures were either inadequate or false. The SRPDF states that it was prepared, presented and initialed by Kenny Lin.
- 29. Since the Subject Property is a residential rental apartment, to protect tenants and consumers, the applicable local building code requires all renovation, demolition, and construction work must be done by licensed contractors with permits and inspections to ensure compliance with the Uniform Building Code [UBC].
- 31. Defendants Lin, Investpro, as TKNR's agent, TKNR, Wong and INVESTPRO MANAGER LLC, as the true owner of the Subject Property, did not disclose any and all known conditions and aspects of the property which materially affect the value or use of residential property in an adverse manner, as itemized below.
 - a. SRPDF stated that Electrical System had no problems or defects. The fact is that many new electric lines were added and many old electric lines were removed by Investpro Manager LLC . The swamp coolers that were removed were supplied by 110 volt power supply lines. Investpro Manager LLC first added one 220v power supply line for one new 5 ton heat pump package unit on one roof top area for the whole building for Unit A. Unit B and Unit C. Investro (sic) Manager, LLC then removed the one year old 5 ton heat pump packaged unit from the roof top with power supply lines and added two new 220v power supply lines for two new 2 ton heart pump package units, one each for Unit B and Unit C.

Inestpro (sic) Manager, LLC then added one new 110 volt power supply line for two window cooling units for Unit A. The electrical system load for Unit A was increased due to the installation of two new cooling units and required 100 amp service, but the electrical service was not upgraded to 100 amp service from the existing 50 amp service. Failure to upgrade the electrical service caused the fuses to be blown out multiple times during the cooling seasons of 2018. The tenants in Unit A could not use air conditioning units in cooling seasons of 2018, causing Unit A to be uninhabitable until the Unit A electrical supply panel was upgraded to 100 amp service.

All the electrical supply line addition and removal work

LAS VEGAS, NEVADA 89104 TEL – (702) 477.7030; FAX – (702) 477.0096 were performed without code required electrical load calculation, permits and inspections. To save money, minimize flipping cost, minimize flipping time, maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to do the electrical work and used low quality materials used inadequate electrical supply lines.

Further, to save money, minimize flipping cost, minimize flipping time, maximize flipping fund profits, Investpro Manager LLC used unskilled workers who did not know the UBC requirements to do the electrical work This substandard work may lead electrical lines to overheat and cause fires in the attic when tenant electrical load is high. Further, to save money, minimize flipping cost, minimize flipping time, maximize flipping fund profits, Investpro Manager LLC used unskilled workers who did not know the UBC requirements to do the electrical work. The outlets near the water faucets in kitchens, bathrooms and laundry areas were not GFCI outlets as required by the UBC.

b. SRPDF stated that Plumbing System had no problems or defects

The fact is that that within two years prior to the sale to Plaintiff, Investpro Manager LLC removed and plugged swamp cooler water supply lines without UBC required permits and inspections. To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers who just plugged high pressure water supply lines at rooftop instead of at ground level and who did not remove the water supply lines on top of the roof, inside the attic and behind the drywall. In cold winter, the high pressure water line which was left inside the building may freeze and break the copper line and lead flooding in the whole building.

Further, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to remove and plug natural gas lines for the natural gas wall furnaces without UBC required permits and inspections.

Further, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers with little knowledge of natural gas pipe connection requirements. The unlicensed and unskilled workers used the wrong sealing materials and these sealing materials may degrade and lead to natural gas leaks and accumulation inside the drywall and the attic which may cause an explosion or fire.

Further, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to completely renovate all three bathrooms in the Subject Property without UBC required permits and inspections. Some faucets and connections behind tile walls and drywall

leak and are causing moisture conditions behind tile walls and drywalls.

c. SRPDF stated that Sewer System and line had no problems or defects.

The subject property was built in 1954. Clay pipes were used at that time for sewer lines. Before the sale, within few days after tenants moved into apartment Unit B, they experienced clogged sewer line which caused the bathrooms to be flooded. The tenants called Investpro to ask them to fix the clogged pipes and address the flooding issues. After this report, Investpro asked tenants to pay to hire plumber to snake the sewer line. After tenants threatened to call the Las Vegas code enforcement office, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro used unlicensed and unskilled workers to snake the clay sewer pipes. Licensed contractors must be hired to snake sewer pipes as code required. This approach to clearing the clog may break the clay sewer pipes and cause future tree root grown into sewer lines and clogs in sewer lines.

d. SRPDF stated that Heating System had problems or defects.

No full explanation was provided, as required. Investro (sic) Manager, LLC disabled natural gas heating system without UBC required permits and inspections. To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers with little knowledge about natural gas pipe connection requirements. They used the wrong sealing materials and these sealing materials may degrade and lead to a natural gas leak inside the drywall and the attic and may cause an explosion or fire.

Further, Investpro Manager LLC installed two electrical heat pump heating systems without UBC required permits and inspections for Unit B and Unit C. The Unit A does not have an electrical heat pump heating system nor a natural gas wall furnace heating system now. Unit A has to use portable electrical heaters.

e. SRPDF stated that the Cooling System had problems or defects

No full explanation was provided, as required. Investro (sic) Manager, LLC removed old swamp cooler systems without UBC required permits and inspections. To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro used unlicensed and unskilled workers to disconnect water supply lines, cover swamp cooler ducting holes, and disconnect 110V electrical supply lines.

Further, as early as March of 2016, Investro Manager, LLC hired Air Supply Cooling to install one five ton new heat pump package unit with new rooftop ducting systems on

LAS VEGAS, NEVADA 89104

TEL –(702) 477.7030; FAX – (702) 477.0096

one roof area to supply cooling and heating air to the whole building consisting of Unit A, Unit B and Unit C without UBC required weight load and wind load calculations, permits and inspections. The five ton heat pumps package unit was too big, too heavy and had control problems. To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC also used unlicensed and unskilled workers to remove the one year old five ton heat pump package unit with ducting system without UBC required permits and inspections. All of this work was done without UBC required structural calculation, permits and inspections.

Further, in early June, 2017, Investro Manager, LLC hired The AIRTEAM to install two new two ton heat pump package units, one each for Unit B and Unit C. Invespro (sic) Manager, LLC also used unlicensed

and unskilled workers to install two window cooling units in Unit A's exterior walls. All of the above work was done without UBC required permits and inspections.

Further, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investro Manager, LLC did not replace the old, uninsulated swamp cooler ducts with new insulated HVAC ducts as the UBC required. This resulted in the heat pump package units being overloaded and damaged during cooling season because cool air was heated by uninsulated attic hot air before delivering the cooled air to the rooms. The old, uninsulated swamp cooler ducts were also rusted and leaked due to high moisture air from the bathroom vent fans and the clothes washer/dryer combination unit exhaust vents. The heat pumps would run all the time but still could not cool the rooms.

f. SRPDF stated that Smoker detector had no problems or defects

During Plaintiff's inspection at August 10, 2017 afternoon, some smoke detectors were missing.

g. SRPDF stated that no Previous or current moisture conditions and or water damage.

To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investro Manager, LLC used unlicensed and unskilled workers to vent high moisture bathroom fan exhaust and washer/dryer combination unit exhaust into the ceiling attic area instead of venting outside the building roof without UBC required permits and inspections. The improper ventings caused high moisture conditions in ceiling attic and water damages in ceiling and attic. The high moisture conditions in the ceiling attic destroyed ceiling attic insulations, damaged the roof decking, damaged roof trusses and damaged roof structure supports.

To saving money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to

Investpro Manager LLC added one new five ton heat pump package unit with ducting systems on the one roof top area for the whole building in early March, 2016 without UBC required weight load and wind load calculation, permits and inspections. Due to the five ton heat pump package unit being too big, too heavy and having control problems to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investro (sic) Manager, LLC used unlicensed and unskilled workers to remove the one year old five ton heat pump package unit with part of the ducting system again without UBC required permits and inspections. Investpro Manager LLC added two new two ton heat pump package units on the two roof top areas for Unit B and Unit C with new ducting systems without UBC required weight load and wind loan calculation, permits and inspections.

Further, to save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to open two new window holes on

exterior walls for two window cooling units in Unit A without UBC required structure calculation, permits and inspections. This work damaged the building structure.

Further, the moisture condition behind tile walls and drywall due to faucets leaking damaged the building structure.

Further, Investpro Manager LLC's unlicensed and unskilled workers used the space between two building support columns as a duct to vent high moisture exhaust from the washer/dryer combination unit exhaust vent from Unit A without UBC required permits and inspections and this damaged the building structure.

The recent inspection of the exterior wall found multiple cracks which indicates structural problems caused by the heavy load on the roof.

i. SRPDF marked Yes and NO for construction, modification, alterations or repairs made without required state. city or county building permits.

Defendants Lin, Investpro, as TKNR's agent, TKNR, and Wong did not provide detailed explanations. All renovation, demolition, and construction work was done by Investpro Manager LLC using unlicensed, and unskilled workers without UBC required weight load and wind load calculations, permits and inspections.

roof top HVAC units and ducting systems multiple times from October, 2015to June, 2017. Investpro Manager LLC removed the existing swamp coolers from roof top and covered the swamp coolers ducting holes. Investpro Manager LLC added a five ton heat pump package unit with a new ducting system on one roof top area in March, 2016. Investpro the removed the one year old five ton heat pump package unit with part of the ducting system from the one roof top area in June,2017. Then Investpro Manager LLC added two two ton heat pump package units on the two roof top areas in June, 2017. The work damaged the roof of the Subject Property to such an extent that when it rains the roof leaks. All of this renovation, demolition, and construction work was done without UBC required weight load and wind load calculations, permits and inspections and this damaged the building roof structure.

k. SRPDF stated that no there were not any fungus or mold problems.

To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC vented the bathroom high moisture fans and the washer/dryer combination unit exhaust vents into the ceiling and attic without venting outside of the roof. All of this renovation, demolition, and construction work was done without UBC required permits and inspections and this damaged the building structure. After the purchase of the Subject Property, Plaintiff discovered black color fungus mold was found inside ceiling and attic.

1. SRPDF stated that there were not any other conditions or aspects of the property which materially affect its value or use in an adverse manner.

i. Problems with flooring.

To save money, minimize flipping cost, minimize flipping time, and maximize flipping fund profits, Investpro Manager LLC used unlicensed and unskilled workers to lay low quality cheap ceramic tiles on the loose sandy ground rather than on a strong, smooth, concrete floor base. Within few months after tenants moving into the Subject Property, mass quantities of floor ceramic tiles cracked and the floor buckled. These cracked ceramic tiles may cut tenants' toes and create a trip and fall hazard. These are code violations had to be repaired before the units could be rented to tenants. The plaintiff has to spend lot money to replace all ceramic tile floor in Unit C with vinyl tile floor.

ii. Problems with the land/foundation.

Within few months after tenants moved into the Subject Property in 2017, large quantities of floor tiles cracked and the floor buckled. This indicated that there may have foundation problems likely due to heavy loads by the new HVAC systems and the venting of moisture into the ceiling and attic. Too much weight loads on the walls caused exterior wall

- 61. As to 31(a), Mr. Miao admitted that the Seller's Disclosures disclosed issues with the heating and cooling systems, the use of a handyman, and the lack of permits. Additionally, he specified that he noted issues with the electrical system and items not up to code at the time that he did his inspection and/or that any issues with the electrical system were "open and obvious" that a reasonable, professional inspection could have discovered in 2017. Despite these issues, Plaintiff chose not to have a professional inspection. Incredibly, Mr. Miao admitted that he was the person who asked for TKNR to install the GFCI outlets, so he was clearly aware of this issue as well. Moreover, Mr. Miao specified that this was a condition that Plaintiff could have inspected at or before the time it had originally purchased the Property. Notably, Mr. Miao admitted that no evidence showed that Defendants were aware of any of these issues.

Plaintiffs Did Not Reply on Broker Agents

72. As to the Broker Defendants, Ms. Zhu agreed that she was not relying upon any representations made by Brokers or Broker's agent. Ms. Zhu agreed to purchase the Property AS-IS, WHERE-IS, without any representations or warranties. Ms. Zhu waived all claims against Brokers or their agents for (a) defects in the Property . . . (h) factors related to Ms. Zhu's failure to conduct walk-throughs or inspections. Ms. Zhu assumed full responsibility and agreed to conduct such tests, walk-throughs, inspections and research, as she deemed necessary. In any event, Broker's liability was limited, under any and all circumstances, to the amount of that Broker's commission/fee received in the transaction.

Mr. Miao Agreed with Defendants' Expert

- 73. On November 17, 2020, Defendants' expert, Neil D. Opfer, an Associate Professor of Construction Management at UNLV and overqualified expert, conducted an inspection of the Property. At that time, as noted earlier, Mr. Miao walked the Property with Professor Opfer. Supplement at 320:31-25.
- 74. Mr. Miao agreed with Professor Opfer that the alleged conditions identified by Plaintiff's alleged expert were open and obvious:

[n]ote that the Plaintiff could have hired an inspector or contractor to evaluate this real-estate purchase beforehand but did not. Items complained about in the Sani Report were open and obvious at the roof area, attic area, and on the exterior and interior areas of the Property.

- 75. Mr. Miao agreed with Professor Opfer that Plaintiff's expert did not conduct destructive testing, so the same alleged conditions that the expert noted would have been made by an inspector at the time of the purchase. *Id.* at 291:1-5.
- 76. Mr. Miao agreed with Professor Opfer that Plaintiff's expert did "not recognize prior conditions in existence before any work took place by the Defendants." Id. at 321:17-21 – 322:3-6.

interrogatories, admissions, and affidavits, if any, that are properly before the Court demonstrate that no genuine issue of material fact exist, and the moving party is entitled to judgment as a matter of law. Pegasus v. Reno Newspapers, Inc., 118 Nev. 706, 713, 57 P.3d 82, 87 (2002). Substantive law controls whether factual disputes are material and will preclude summary judgment; other factual disputes are irrelevant. Anderson v. Liberty Lobby, Inc., 477 U.S. 242, 106 S. Ct. 2505, 91 L.Ed.2d 202 (1986). A genuine issue of material fact is one where the evidence is such that a reasonable jury could return a verdict for the non-moving party. Valley Bank v. Marble, 105 Nev. 366, 367, 775 P.2d 1278, 1282 (1989).

- 2. The Nevada Supreme Court has held that the non-moving party may not defeat a motion for summary judgment by relying "on gossamer threads of whimsy, speculation and conjecture." Wood v. Safeway, 121 Nev. 724, 732, 121 P.3d 1026, 1031 (2005). The Nevada Supreme Court has also made it abundantly clear when a motion for summary judgment is made and supported as required by Nevada Rule of Civil Procedure 56, the non-moving party must not rest upon general allegations and conclusions, but must by affidavit or otherwise set forth specific facts demonstrating the existence of a genuine factual issue. *Id.*
- 3. Under Nevada Rule of Civil Procedure 56(a), a party may move for summary judgment, or partial summary judgment. "The court shall grant summary judgment if the movant shows that there is no genuine dispute as to any material fact and the movant is entitled to judgment as a matter of law." The court may rely upon the admissible evidence cited in the moving papers and may also consider other materials in the record as well. *Id.* at 56(c). "If the court does not grant all the relief requested by the motion, it may enter an order stating any material fact — including an item of damages or other relief — that is not genuinely in dispute and treating the fact as established in the case." *Id.* at 56(g).
- 4. The pleadings and proof offered in a Motion for Summary Judgment are construed in the light most favorable to the non-moving party. Hoopes v. Hammargren, 102 Nev. 425, 429, 725 P.2d 238, 241 (1986). However, the non-moving party still "bears the burden to 'do more than simply show that there is some metaphysical doubt' as to the operative facts in order to avoid summary judgment being entered." Wood, 121 Nev. at 732, 121 P.3d at

1031. "To successfully defend against a summary judgment motion, 'the nonmoving party must transcend the pleadings and, by affidavit or other admissible evidence, introduce specific facts that show a genuine issue of material fact." Torrealba v. Kesmetis, 178 P.3d 716, 720 (Nev. 2008) (quoting Cuzze v. Univ. & Cmty. Coll. Sys. of Nev., 172 P.3d 131, 134 (Nev. 2007).

- 5. The non-moving party bears the burden to set forth specific facts demonstrating the existence of a "genuine" issue for trial or have summary judgment entered against him. Collins v. Union Federal Savings & Loan, 99 Nev. 284, 294, 662 P.2d 610, 618-619 (1983). When there is no genuine issue of material fact and the non-moving party provides no admissible evidence to the contrary, summary judgment is "mandated." Celotex Corp. v. Catrett, 477 US 317, 322 (1986). When a motion for summary judgment is made and supported, an adversary party who does not set forth specific facts showing a genuine issue to be resolved at trial may have a summary judgment entered against him. Collins v. Union Federal Sav. & Loan Ass'n, 99 Nev. 284, 294, 662 P.2d 610, 616 (1983) (citing Van Cleave v. Kietz-Mill Minit Mart, 97 Nev. 414, 633 P.2d 1220 (1981); Bird v. Casa Royale West, 97 Nev. 67, 624 P.2d 17 (1981)).
- 6. "Under NRS Chapter 113, residential property sellers are required to disclose any defects to buyers within a specified time before the property is conveyed." Nelson v. Heer, 163 P.3d 420, 425 (Nev. 2007) (citing NRS 113.140(1)). "NRS 113.140(1), however, provides that a seller is not required to 'disclose a defect in residential property of which [she] is not aware.' A 'defect' is defined as "a condition that materially affects the value or use of residential property in an adverse manner." *Id.* (citing NRS 113.100(1)). The Nevada Supreme Court clarified that:

[a]scribing to the term "aware" its plain meaning, we determine that the seller of residential real property does not have a duty to disclose a defect or condition that "materially affects the value or use of residential property in an adverse manner," if the seller does not realize, perceive, or have knowledge of that defect or condition. Any other interpretation of the statute would be unworkable, as it is impossible for a seller to disclose conditions in the property of which he or she has no realization, perception, or knowledge. The determination of whether a seller is aware of a defect, however, is a question of fact to be decided by the trier of fact.

Id. at 425 (citations omitted). Thus, in the context where the plaintiff cannot demonstrate an omitted disclosure that caused damage, the seller is entitled to summary judgment as a matter of law. Id. at 426.

Generally, "[n]ondisclosure by the seller of adverse information concerning real property . . . will not provide the basis for an action by the buyer to rescind or for damages when property is sold 'as is.' " Mackintosh v. Jack Matthews & Co., 109 Nev. 628, 633, 855 P.2d 549, 552 (1993). Moreover, "[l]iability for nondisclosure is generally not imposed where the buyer either knew of or could have discovered the defects prior to the purchase." Land Baron Invs., Inc. v. Bonnie Springs Family LP, 131 Nev. 686, 696, 356 P.3d 511, 518 (2015). The general rule foreclosing liability for nondisclosure when property is purchased as-is does not apply when the seller knows of facts materially affecting the value or desirability of the property which are known or accessible only to [the seller] and also knows that such facts are not known to, or within the reach of the diligent attention and observation of the buyer. *Mackintosh*, 109 Nev. at 633, 855 P.2d at 552 (alteration in original) (internal quotation marks omitted).
- A buyer waives its common law claims of negligent misrepresentation, fraudulent 8. or intentional misrepresentation, and/or unjust enrichment when it expressly agreed that it would carry the duty to inspect the property and ensure that all aspects of it were suitable prior to close of escrow, and the information was reasonably accessible to the buyer. Frederic and Barbara Rosenberg Living Tr. v. MacDonald Highlands Realty, LLC, 427 P.3d 104, 111 (Nev. 2018). Accordingly, the Nevada Supreme Court concluded that an agreement to purchase property as-is foreclosed the buyer's common law claims, justifying the granting of summary judgment on common law claims. *Id.* (citation omitted).

The terms and conditions of the purchase agreement do not create a duty to disclose. Rather, these disclosures are required by NRS Chapter 113, which sets forth specific statutory duties imposed by law independent of the purchase agreement's terms and conditions. Additionally, the terms of the purchase agreement do not require [the seller] to do anything other than provide the listed disclosures.

Similarly, Nevada Revised Statute § 113.130 does not require a seller to disclose a defect in residential property of which the seller is not aware. A completed disclosure form does not constitute an express or implied warranty regarding any condition of residential property. Nevada Revised Statute § 113.140(2). Chapters 113 and "645 of Nevada Revised Statutes do not relieve a buyer or prospective buyer of the duty to exercise reasonable care to protect himself or herself." *Id.* at § 113.140(2).

- 10. Summary Judgment is appropriate as a matter of law on all of Plaintiff's claims. It is undisputed that the alleged deficiencies were either disclosed by Defendants, could have been discovered by an inspection, were open and obvious whereby Plaintiff / Ms. Zhu / Mr. Miao had notice of them at the time Plaintiff purchased the Property, or were unknown to Defendants at the time of the sale.
- 11. On August 2, 2017, TKNR submitted its Seller Disclosures timely indicating all known conditions of the Subject Property. TKNR disclosed that "3 units has (sic) brand new AC installed within 3 months," and further that the "owner never resided in the property and never visited the property." Plaintiff was also aware that the minor renovations, such as painting, was conducted by the Seller's "handyman" as disclosed in the Seller's Disclosures. TNKR also disclosed that it was aware of issues with the heating and cooling systems, there was construction, modification, alterations, or repairs done without permits, and lead-based paints.
- 12. On August 11, 2020, through the original RPA, Ms. Zhu waived her due diligence, although she had a right to conduct inspections:

During such Period, Buyer shall have the right to conduct, noninvasive/non-destructive inspections of all structural, roofing, mechanical, electrical, plumbing, heating/air conditioning, water/well/septic, pool/spa, survey, square footage, and any other property or systems, through licensed and bonded contractors or other qualified professionals.

her financing, unrelated to the Seller's Disclosures. Notably, she included the explicit waiver of the inspections, which included her initialing the provision that she had not done in the original RPA. Ms. Zhu informed her agent to waive all inspections. Although Ms. Zhu had actual knowledge of the Seller's Disclosures from August 11, 2017, and the Parties agreed to extend the COE to January 5, 2018, Ms. Zhu still never did any professional inspections. Instead, she put down an additional \$60,000 as a non-refundable deposit to the TNKR. Moreover, she also agreed to pay rent in the amount of \$650 per month for one of the units, and to also pay the property manager \$800 for the tenant placement fee. Through Addendum 2 to the 2nd RPA, Ms.

Ms. Zhu agreed that she was not relying upon any representations made by Brokers or Broker's agent. Ms. Zhu agreed to purchase the Property AS-IS, WHERE-IS, without any representations or warranties. Thus, Ms. Zhu waived all claims against Brokers or their agents for (a) defects in the Property . . . (h) factors related to Ms. Zhu's failure to conduct walk-throughs or inspections. Ms. Zhu assumed full responsibility and agreed to conduct such tests, walk-throughs, inspections and research, as she deemed necessary. In any event, Broker's liability was limited, under any and all circumstances, to the amount of that Broker's commission/fee received in the transaction.

As to the waivers, Paragraph 7(D) of the both the RPA and 2nd RPA expressly 15. provided:

> It is strongly recommended that Buyer retain licensed Nevada professionals to conduct inspections. If any inspection is not completed and requested repairs are not delivered to Seller within the Due Diligence Period, Buyer is deemed to have waived the right to that inspection and Seller's liability for the cost of all repairs that inspection would have reasonably identified had it been conducted, except as otherwise provided by law.

Nevertheless, Ms. Zhu waived her inspection related to the original RPA and the 2nd RPA, reinforced further by actually initialing next to the waiver in the 2nd RPA. Ms. Zhu also waived the energy audit, pest inspection, roof inspection, septic lid removal inspection, mechanical inspection, soil inspection, and structural inspection. Thereby, Ms. Zhu waived any liability of

- Additionally, Ms. Zhu also agreed that the Brokers Defendants had "no 16. responsibility to assist in the payment of any repair, correction or deferred maintenance on the Property which may have been revealed by the above inspections, agreed upon by the Buyer and Seller or requested by one party." Paragraph 7(D) of the RPA.
- 17. Since 2008, Mr. Miao, Ms. Zhu, and/or Plaintiff have been involved in the purchase of approximately twenty residential properties. In Clark County alone, Ms. Zhu and Mr. Miao were involved with the purchase of at least eight rental properties starting in 2014.
- 18. Mr. Miao understood the importance to check public records when conducting due diligence.
 - 19. Plaintiff was a sophisticated buyer aware of the necessity of property inspection.
- 20. At all times relevant prior to the purchase of the Property, Plaintiff had access to inspect the entire property and conduct non-invasive, non-destructive inspections.
- 21. Prior to the purchase, Mr. Miao was aware that the Seller "strongly recommended that buyer retain licensed Nevada professionals to conduct inspections".
- 22. Plaintiff was also aware of the language in the RPA under Paragraph 7(D) that limited potential damages that could have been discovered by an inspection.
- 23. As to the RPA, Mr. Miao agreed that all the terms in it were conspicuous and understandable, and it was a standard agreement similar to the other agreements he had used in purchasing the other properties in Clark County, Nevada.
- 24. On or about August 10, 2017, Mr. Miao inspected Property. During that time, Mr. Miao noted issues with the Property that were not up to code, finishing issues, GFCI outlets¹, and electrical issues.
 - 25. Mr. Miao acknowledged there was an issue with exposed electrical in Unit C as

The Second Amended Complaint references GFCI at Paragraph 31(a). This illustrates the frivolous nature of the pleading since Mr. Miao requested TKNR to install these for Plaintiff.

- Mr. Miao noted that there were cracks in the ceramic floor tiles and visible cracks 26. in the concrete foundation, which were open and obvious.
- 27. Mr. Miao admitted that he could also have seen the dryer vent during his inspection.
- 28. Mr. Miao admitted that he could have followed up on the issues identified in the SRPDF that included the HVAC and the permits.
- 29. Similarly, Mr. Miao should have contacted the local building department as part of his due diligence.
- 30. Plaintiff was also on notice of the potential for mold and the requirement to get a mold inspection.
- 31. Despite actual knowledge of these issues, Plaintiff did not elect to have a professional inspection done.
- 32. Finally, Plaintiff was also acutely aware of the requirement of Nevada law to protect itself by getting an inspection.
 - 33. Plaintiff assumed the risk of failing to exercise reasonable care to protect itself.
- 34. The alleged defects identified by both parties' experts could have been discovered at the time of the original purchase as they were "open and obvious".
- 35. Plaintiff failed to differentiate between conditions prior to when TKNR owned the Property, while it owned it, and those afterwards.
- 36. No dispute exists that TKNR did not need permits for the interior work it had done to the Property.
- 37. Plaintiff has always been trying to lease the Property despite not doing any of the repairs listed by Plaintiff's expert. This illustrates the lack of merit of Plaintiff that there are underlying conditions with the Property.
- 38. Moreover, Plaintiff does not provide any notice to the tenants about its expert's report or this litigation. This illustrates the lack of merit of Plaintiff's claims and proves that it has done nothing to correct the allegedly deficient conditions that are clearly not so dangerous as

it does not tell prospective tenants about them.

- 39. Mr. Miao admitted that multiple third parties could have potentially damaged the Property.
- 40. Plaintiff did not present any evidence related to Defendants' alleged knowledge other than his personal belief and speculation.
- 41. Mr. Miao admitted that he has no evidence Defendants knew about the alleged moisture conditions. Additionally, he also admitted that there is no evidence that Defendants knew about the alleged issues with the plumbing system. He also admitted that he did not know if Defendants knew about the alleged issues with the duct work when they owned the Property. He also recognized the deficiency in Plaintiff's expert's report that failed to differentiate between conditions prior to when TKNR owned the Property, while it owned it, and those afterwards.
- 42. Mr. Miao also recognized that a 63-year-old property could have issues that were not caused by Defendants.
- 43. The Flipping Fund had nothing to do with Plaintiff's decision to purchase the Property.
- Plaintiff admittedly amplified its alleged damages by more than 6x, and then trebled the damages, and have run up egregious attorneys' fees for this frivolous action. These are undisputed facts that prove abuse of process as a matter of law given the known issues with the Property and Plaintiff's waivers related to the inspections. Plaintiff waived the inspections and purchased the property "as is". This shows that Plaintiff had no interest in having a professional inspection done. It shows the behavior of the Plaintiff related to the entire case.
- 45. Plaintiff was encouraged to inspect the property, and they did not do it. It was a 63-year-old property. There were specific disclosures that were made by the Seller, and Plaintiff was strongly encouraged to conduct the inspection, and they did not want to.
 - 46. This is a 2018 case. Plaintiff has not been diligent in conducting discovery.

Rule 56(f) is not a shield that can be raised to block a motion for summary judgment without even the slightest showing by the opposing party that his opposition is meritorious. A party invoking its protections must do so in good faith by affirmatively demonstrating why he cannot respond to a movant's affidavits as

otherwise required by Rule 56(e) and how postponement of a ruling on the motion will enable him, by discovery or other means, to rebut the movant's showing of the absence of a genuine issue of fact. Where, as here, a party fails to carry his burden under Rule 56(f), postponement of a ruling on a motion for summary judgment is unjustified.

See Bakerink v. Orthopaedic Associates, Ltd., 581 P.2d 9, 11 (Nev. 1978) (quoting Willmar Poultry Co. v. Morton-Norwich Products, 520 F.2d 289, 297 (8th Cir. 1975), Cert. denied, 424 U.S. 915, 96 S.Ct. 1116, 47 L.Ed.2d 320 (1975).

- 47. Plaintiff failed to articulate the alleged discovery that it would likely have. Additionally, Plaintiff already opposed enlarging discovery by specifying that any extension of discovery would prejudice it, indicating that it had no need for additional discovery and that Plaintiff would largely rest upon the findings of its expert. See Plaintiff's Opposition to Motion to Enlarge Discovery. Also, Plaintiff's counsel's declaration in the Opposition illustrated that he had additional discussions with Plaintiff's expert related to the MSJ, but Plaintiff's expert did not proffer any additional opinions to counter the Motion. See *Opp.* at p. 18:7-9.
- 48. As a matter of law, Plaintiff is precluded from seeking damages from Defendants because of her failure to inspect. "Nondisclosure by the seller of adverse information concerning real property . . . will not provide the basis for an action by the buyer to rescind or for damages when property is sold 'as is.' " Mackintosh v. Jack Matthews & Co., 109 Nev. 628, 633, 855 P.2d 549, 552 (1993). Moreover, "[I]iability for nondisclosure is generally not imposed where the buyer either knew of or could have discovered the defects prior to the purchase." Land Baron Invs., Inc. v. Bonnie Springs Family LP, 131 Nev. 686, 696, 356 P.3d 511, 518 (2015).
- 49. Defendants also do not have liability as Ms. Zhu / Plaintiff purchased the Property "as-is" within the reach of the diligent attention and observation of the buyer. Mackintosh, 109 Nev. at 633, 855 P.2d at 552. NRS § 113.140 clearly provides that the disclosures do not constitute a warranty of the Property and that the purchaser still has a duty to exercise reasonable care to protect himself. A completed disclosure form does not constitute an express or implied warranty regarding any condition of residential property. NRS § 113.140(2). Chapters 113 and "645 of Nevada Revised Statutes do not relieve a buyer or prospective buyer of the duty to exercise reasonable care to protect himself or herself." *Id.* at § 113.140(2).

50. Plaintiff waived its common law claims of negligent misrepresentation, fraudulent or intentional misrepresentation, and/or unjust enrichment when it expressly agreed that it would carry the duty to inspect the property and ensure that all aspects of it were suitable prior to close of escrow, and the information regarding Property was reasonably accessible to the buyer. Frederic and Barbara Rosenberg Living Tr. v. MacDonald Highlands Realty, LLC, 427 P.3d 104, 111 (Nev. 2018).

- Summary judgment is appropriate under NRS § 113.140(1) (seller is not required 51. to disclose a defect in residential property of which she is not aware). Under this statute, "[a]scribing to the term 'aware' its plain meaning, . . . the seller of residential real property does not have a duty to disclose a defect or condition that 'materially affects the value or use of residential property in an adverse manner,' if the seller does not realize, perceive, or have knowledge of that defect or condition." Nelson v. Heer, 163 P.3d 420, 425 (Nev. 2007). Thus, as Plaintiff cannot demonstrate an omitted disclosure that caused damage, Defendants are entitled to summary judgment as a matter of law. Id. at 426.
- 52. Under NRS § 113.140(1) (seller is not required to disclose a defect in residential property of which she is not aware), Nelson v. Heer, 163 P.3d 420, 425 (Nev. 2007), and NRS § 645.259(2), Defendants are entitled to Summary Judgment on Plaintiff's claims for (1) Recovery Under NRS Chapter 113, (2) Constructive Fraud, (3) Common Law Fraud, (4) Fraudulent Inducement, (5) Fraudulent Concealment, (6) Breach Of Fiduciary Duty, (8) Damages Under NRS 645.257(1), (9) Failure To Supervise, Inadequate training and Education, (12) Civil Conspiracy, (13) Breach Of Contract, and (14) Breach Of Implied Covenant of Good Faith and Fair Dealing]. It also eliminates the causes of action for (7) RICO, (10) Fraudulent Conveyance, (11) Fraudulent Conveyance, and (15) Abuse of Process since they have no basis in fact or law.
- 53. Eighth Judicial District Court Rule 2.20(e) provides that, "[f]ailure of the opposing party to serve and file written opposition may be construed as an admission that the motion and/or joinder is meritorious and a consent to granting the same." Simply filing an opposition does not relieve a party of its duty to actually oppose the issues raised in the motion. See Benjamin v. Frias Transportation Mgt. Sys., Inc., 433 P.3d 1257 (Nev. 2019) (unpublished

disposition).

- 54. The Opposition failed to address the Motion's arguments related to summary judgment in favor of Defendants on Plaintiff's claims for: (7) RICO; (10) Fraudulent Conveyance; (11) Fraudulent Conveyance; (12) Civil Conspiracy; and (15) Abuse of Process. Additionally, Plaintiff fails to provide any meaningful or competent opposition to the Motion's argument for summary judgment as to Plaintiff's claims against the Broker Defendants. As there is no Opposition provided to those arguments made in the Motion, this court should find that those arguments are meritorious and grant the request as to those unopposed issues.
- 55. Pursuant to Nevada Rule of Civil Procedure 11(b), by presenting to the court a pleading or other paper, an attorney or unrepresented party certifies: (1) it is not being presented for any improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation, (2) the claims and other legal contentions are warranted by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law or for establishing new law, (3) the factual contentions have evidentiary support, and (4) the denials of factual contentions are warranted on the evidence or.
- 56. "If, after notice and a reasonable opportunity to respond, the court determines that Rule 11(b) has been violated, the court may impose an appropriate sanction on any attorney, law firm, or party that violated the rule or is responsible for the violation. Absent exceptional circumstances, a law firm must be held jointly responsible for a violation committed by its partner, associate, or employee." NEV. R. CIV. PRO. 11(c).
- 57. "On its own, the court may order an attorney, law firm, or party to show cause why conduct specifically described in the order has not violated Rule 11(b)." Id. at 11(c)(3). "A sanction imposed under this rule must be limited to what suffices to deter repetition of the conduct or comparable conduct by others similarly situated. The sanction may include nonmonetary directives; an order to pay a penalty into court; or, if imposed on motion and warranted for effective deterrence, an order directing payment to the movant of part or all of the reasonable attorney fees and other expenses directly resulting from the violation." 11(c)(4).

58. Rule 11 prevents a party from bringing a lawsuit for an improper purpose, which includes: (1) harassment, causing unnecessary delay, or needless increasing the cost of litigation; or (2) making frivolous claims. NEV. R. CIV. PRO. 11(b)(1)-(2). Rule 11 sanctions should be imposed for frivolous actions. Marshall v. District Court, 108 Nev. 459, 465, 836 P.2d 47, 52.

A frivolous claim is one that is "both baseless and made without a reasonable and competent inquiry." Bergmann v. Boyce, 109 Nev. 670, 676, 856 P.2d 560, 564 (1993) (quoting Townsend v. Holman Consulting Corp., 929 F.2d 1358, 1362 (9th Cir.1990); Golden Eagle Distrib. Corp. v. Burroughs Corp., 801 F.2d 1531, 1537 (9th Cir.1986)). A determination of whether a claim is frivolous involves a two-pronged analysis: (1) the court must determine whether the pleading is "well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification or reversal of existing law"; and (2) whether the attorney made a reasonable and competent inquiry. Bergmann, 109 Nev. at 676, 856 P.2d at 564. A sanction imposed for violation of Rule 11 shall be limited to what is sufficient to deter repetition of such conduct or comparable conduct by others similarly situated. *Id.* at 11(c)(2).

60. Furthermore, a court may award attorneys' fees to a prevailing party when it finds that the claim was brought or maintained without reasonable ground or to harass the prevailing party. NEV. REV. STAT. § 18.010(2)(b). In other cases, a court may award attorneys' fees "when it finds that the opposing party brought or maintained a claim without reasonable grounds." Rodriguez v. Primadonna Co., LLC, 216 P.3d 793, 800 (Nev. 2009). "The court shall liberally construe the provisions of this paragraph in favor of awarding attorney's fees in all appropriate situations." *Id.* The Nevada Legislature explained that:

> [i]t is the intent of the Legislature that the court award attorney's fees pursuant to this paragraph and impose sanctions pursuant to Rule 11 of the Nevada Rules of Civil Procedure in all appropriate situations to punish for and deter frivolous or vexatious claims and defenses because such claims and defenses overburden limited judicial resources, hinder the timely resolution of meritorious claims and increase the costs of engaging in business and providing professional services to the public.

Id. "A claim is groundless if 'the allegations in the complaint . . . are not supported by any credible evidence at trial." Barozzi v. Benna, 112 Nev. 635, 639, 918 P.2d 301, 303 (1996) 1

(quoting Western United Realty, Inc. v. Isaacs, 679 P.2d 1063, 1069 (Colo.1984)).

- 77. The overwhelming facts and law illustrate that Plaintiff's claim is frivolous. The findings of fact are incorporated by reference.
- Plaintiff's claim is clearly frivolous: (1) where the pleading was not "well grounded in fact and is warranted by existing law or a good faith argument for the extension, modification or reversal of existing law", and (2) Plaintiff's attorney continued to make frivolous claims. Bergmann, 109 Nev. at 676, 856 P.2d at 564. Sanctions are warranted against Plaintiff and its counsel, which includes an award attorneys' fees to Defendants.
- 79. Alternatively, the elements of an abuse of process claim are: "(1) an ulterior purpose by the defendants other than resolving a legal dispute, and (2) a willful act in the use of the legal process not proper in the regular conduct of the proceeding." Posadas v. City of Reno, 109 Nev. 448, 452, 851 P.2d 438, 441-42 (1993). Abuse of process can arise from both civil and criminal proceedings. LaMantia v. Redisi, 118 Nev. 27, 30, 38 P.3d 877, 879 (2002). Malice, want of probable cause, and termination in favor of the person initiating or instituting proceedings are not necessary elements for a prima facie abuse of process claim. Nevada Credit Rating Bur. v. Williams, 88 Nev. 601, 606, 503 P.2d 9, 12 (1972); Restatement (Second) of Torts § 682 cmt. a (1977). The mere filing of a complaint is insufficient to establish the tort of abuse of process. Laxalt v. McClatchy, 622 F. Supp. 737, 751 (1985).
- 80. Under either Rule 11, Plaintiff brought and maintained this action without reasonable ground. NEV. REV. STAT. § 18.010(2)(b). The overwhelming facts and law illustrate that Plaintiff brought or maintained this claim without reasonable grounds, which justifies an award of attorneys' fees. Rodriguez v. Primadonna Co., LLC, 216 P.3d 793, 800 (Nev. 2009).
- 81. The court intends to award to the Defendants the reasonable expenses, including attorneys' fees and costs, incurred for defending this lawsuit under Rule 11. This sanction is limited to what suffices to deter repetition of the conduct or comparable conduct by others similarly situated.

Based on the foregoing, the Court GRANTS Defendants Motion, DENIES the Counterclaim, and GRANTS attorneys' fees and costs to Defendants pursuant to Nevada Rule of Civil Procedure 11.

- Defendant's Motion to Enlarge Discovery (First Request) on an Order Shortening Time (Motion), which Plaintiff opposed, was set for hearing before Department 14 of the Eighth Judicial District Court, the Honorable Adriana Escobar presiding, on October 22, 2020. Based on the pleadings and arguments of counsel, the Court issues the following order:

There is an "inherent power of the judiciary to economically and fairly manage litigation." Borger v. Eighth Judicial Dist. Court, 120 Nev. 1021, 1029 (2004). NRCP 16(b)(4) provides that a scheduling order for trial may be modified by the court for good cause.

Further, EDCR 2.35(a) allows requests to extend discovery if in writing and supported by a showing of good cause for the extension and be filed no later than 21 days before the discovery cut-off date or any extension thereof. A request made beyond the period specified above shall not be granted unless the moving party, attorney or other person demonstrates that the failure to act was the result of excusable neglect. (emphasis added).

PRINT DATE: 04/28/2021 Page 6 of 16 Minutes Date: February 07, 2019

A-18-785917-C

Defendants bring the instant motion due to their failure to make initial expert disclosures by the October 15, 2020, deadline. Pursuant to the scheduling order entered on June 26, 2020, the discovery cut-off date is October 30, 2020. Defendants filed their Motion on October 15, 2020, more than 21 days before the discovery cut-off date. Here, the Court finds that Defendants failure to seek an extension of the discovery deadline in a timely manner was the result of excusable neglect. Moreover, Defendant demonstrated good cause warranting this Court to extend discovery, namely that due at least in part the current COVID-19 pandemic, the parties have not conducted any depositions. Additionally, Defendants failed to designate a rebuttal expert due to excusable neglect.

Based on the foregoing, the Court GRANTS Defendant's Motion.

The Court continues discovery as follows:

Amend Pleadings: December 14, 2020

Initial Expert Disclosures: November 30, 2020

Rebuttal Expert: December 4, 2020 Discovery Cut-Off: March 2, 2021 Dispositive Motion: January 25, 2021

Calendar Call: April 1, 2021 Trial Stack: April 19, 2021

Counsel for Defendant is directed to prepare a proposed order based on this Minute Order. Counsel for Plaintiff is to approve as to form and content.

All parties must submit their orders electronically, in both PDF version and Word version, until further notice. You may do so by emailing DC14Inbox@clarkcountycourts.us. All orders must have either original signatures from all parties or an email appended as the last page of the proposed order confirming that all parties approved use of their electronic signatures. After considering the pleadings of counsel, the Court enters the following order:

A motion for leave to amend is left to the sound discretion of the trial judge, and the trial judge s decision will not be disturbed absent an abuse of discretion. University & Cmty. Coll. Sys. v. Sutton, 120 Nev. 972, 988 (2004).

Under NRCP 15(a)(2), [t]he court should freely give leave when justice so requires.
