?: Sweet.

?: Yeah

?: Go ahead and take a seat.

Q: Hey, hey. How's it goin' Mr. Lepolo?

A: How you doin'?

Q: Good. You remember me?

A: Yeah.

Q: Yeah?

A: Like two years ago.

Q: Yeah, yeah, yeah.

Q1: Yeah.

Q: It's been a couple years. Remember we went down to San Bernardino, got a DNA sample from you and whatnot? Um, so we got our DNA results back and I remember you - I remember you saying to come back and see you after we got our DNA results back.

A: Yeah.

Q: So we got...

A: Oh.

Q: ...we got those back. And I - I'd like to talk to you about it, if you're - if you're cool with that. Um, but before we do that I got to let you know your rights since you're in custody okay?

A: Yeah they read me my rights when they brought me in.

Q: Okay. Well I'll just read 'em real quick just so I know that - just so I know that we're on the same page with 'em. 'Cause sometimes people read 'em differently or, you know...

A: Okay.

Q: This way we'll know. You have the right to remain silent. Anything you say can be used against you in a court of law. You have the right to consult with an attorney before questioning. You have the right to the presence of an attorney during questioning. If you cannot afford an attorney, one will be appointed before questioning. Do you understand?

A: Yeah.

Q: Okay. Cool. Okay so we - we came down here a couple years ago. We got your DNA. We compared that DNA, your DNA...

A: Mm-hm.

Q: ...to the, uh, blood evidence at our crime scene.

A: Mm-hm.

Q: And it was a match. So we now know that - I know you were there. I mean I - I don't want to play a whole lot of games with you. Um, I mean I know you were there at the time of the murder. So I just wanted to know what you - what you wanted to say about the - the evidence out there now. Like I don't know if you got hurt during the fight. Or if you got shot. I don't know if this other dude shot

- you. Or if he was shooting at someone else and hit you on accident. Like I'm just lookin' to find out what the fuck happened so I can find out who killed Raquel.
- A: Uh, like I said, you know, I don't know. Don't remember too much. I don't - man I don't - I don't even know if I was there. If the DNA puts me there then...
- Q: Yeah. We got a bunch of your blood there. I mean and - and the description of where the pe- the witnesses said the shooter ran...
- A: Mm-hm.
- Q: ...you're bleeding and you r- and you ran down that same path and...
- A: Mm-hm.
- Q: ...you're droppin' blood the whole way. And we - and we got that DNA. We matched it.
- A: Mm-hm.
- Q: The - the gun came out of your white car, that white, uh, Chevy Suburban? That's where the - that's where witnesses said - that's where the witnesses say the suspect went and got the gun out of.
- A: Oh okay. Okay. Then, uh...
- Q: So I - I just want to know - like I know T Loc was shooting and I don't know if you're familiar with the other family or not? T Loc and Dana and them?
- A: Mmm. Um...
- Q: You know J- you know Ja...
- A: Well they're - they're - they're, uh, related to - well...

Q: Jackie has a baby with Ant...

A: Yeah with, uh...

Q: ...Antwon.

A: ...Antwon Darnell.

Q: T Loc's Antwon's brother.

A: Okay.

Q: So do you remember anything going on out there with the fight? Like with Wayne Wayne and...

A: Not too much.

Q: ...and T Loc?

A: Everybody was - I guess - I don't know. You know? Pretty much like I said, I - I might've been drunk. I don't know if I was there or not. If the DNA links me to there, then, you know...

Q: Oh yeah. You were there. I mean...

A: Yeah.

Q: Do you remember - did you get shot?

A: I don't remember. I don't know.

Q: Did - did you ever go to the hospital to - for getting shot...

A: Hell no.

Q: ...since then? Did you get - were you bleedin' from the fight? Like did you get in a f- a fist fight? And that's why you're bleeding?

STATEMENT OF: TULY LEPOLO #2

A: No. No. I wasn't. Uh...

Q: So how - why were you bleeding do you think?

A: I - like I told you, um, everybody was drunk. And I don't know. I don't know what happened. I - I don't even remember being there.

Q: Do you remember anything about the fight? Like what - what the fight was about between the families?

A: Mmm. No.

Q: I heard that Elaine - Elaine's - is that your mother?

A: That's my sister.

Q: Your sister? I heard she got in - in the fight. Like she was physically in the fight with Dana, which would be Henry's sister, T Loc's sister. Do you remember them fighting in the parking lot?

A: No.

Q: No? Do you remember T Loc shooting in the parking lot?

A: No. I don't - no, I don't remember anything.

Q: Mm-hm. So that's why we're - that's why we're at where we're at. I mean that's why we're all here.

A: And why am I under somebody else's name?

Q: Well here, oh you know what? I brought some paperwork to show you 'cause I know you were hung up on that last time. So, like - like you - I - I'm guessing you'd used the named Tuly Lepolo in the past.

A: No.

Q: Because here's your - that's like your driver's license. So if you look at your - well you have two of 'em thought right?

A: Yeah.

Q: And then underneath it, it says, "AKA Tuly Lepolo." And then when you look at your...

A: I never went under these names. Like...

Q: Yeah well...

A: The - the Lepolo. I never went under - under aliases, I never used Lepolo under aliases.

Q: Well some...

A: Now this is what...

Q: You should be two...

A: ...somebody - somebody, I don't know, but...

Q: See this is like your NCIC...

A: Now I...

Q: ...return...

A: ...went under these names.

Q: Yeah see...

A: Tuata Tut Tut. Travis Lepolo. Those are the only - no Travis Leuta, but never - I never went under my last name right. See like...

Q: Oh.

A: ...this one, I never went under my same last name. And that was like probably '97.

Q: Yeah for some...

A: When I...

Q: Yeah. For some reason...

A: I never - ever since I went back legit I never went under any aliases.

Q: Well for some reason the Cal Da- the Cal Bank's DNA database...

A: Mm-hm.

Q: ...has you under Tuly Lepolo. So that's...

A: Not under Tuly.

Q: That's what - no, no that's what they have it right there. Tuly Lepolo.

A: U- under Tuly?

Q: So that - that's why when we came back - that's why when we wanted to get your DNA...

A: Mm-hm.

Q: ...I wanted to make sure it was yours, not like someone who made up your name. So we came back - we came down here met you I physically got your DNA. Remember? And compared that?

A: Yeah but you have my name under the search warrant.

Q: What's...

Q1: Yeah.

A: My real name.

Q: Tutamua?

A: Yeah.

Q: Oh. Or Tuly?

A: No you hand it - you - when you came...

Q: It was...

A: ...seen me two years ago that was under my real - you came...

Q: That was...

A: ...under my real name.

Q: ...Tutamua? All right. Well, they're just basically...

A: That's why - that's why I was confused why are you guys looking...

Q: I had to do it under this one because that's the way - that's the way California  
DNA returned the - the - returned it to me was under Tuly Lepolo.

A: That's like - just I never, never, not once ever went under a fingerprint under that  
name there.

Q: Under Tuly Lepolo?

A: No.

Q: I don't know. But they also...

Q1: For some reason they have it like that.

Q: Yeah they also have it on your DMV too.

A: But that's - DMV?

Q: Yeah. I mean it's in the same as your D- in your DMV too. So, I don't know if it's someone using - like someone used it and they...

A: That's why I was confused.

Q: ...you know, all the records...

A: When...

Q: Like all the records...

A: That's why I was confused...

Q: ...got merged.

A: ...when they took my license the day they came and got me.

Q: Yeah.

A: And they wouldn't tell me what they was arresting me for, but they were taking my information out.

Q: On the license? Like they were t- they were writing it down you mean?

A: They were ta- they - they wouldn't tell me. They were taking my information out to put under that name. That's a good one. I was like wait a minute. What - and I didn't even know I was getting booked under that name 'till I got here.

Q: Under Tuly?

A: Under Tuly.

Q: Hey ju- I mean it's really not that big a deal. It's - they're linked to - Tuly Lepolo is linked to Tutamua Lepolo.

Q: Well, I...

A: Not since, uh...

Q1: This...

A: ...not since what do you mean, I never...

Q: This would...

A: ...I never used the same last name under an alias back in, uh, my younger days.

Q: Did you have...

A: Probably I just used it...

Q: Did you have to give DNA...

A: ...'till I went to...

Q: ...when you went to prison? Like in prison?

A: Yeah.

Q: That's...

A: No, no that...

Q: ...did you use...

A: ...my last time.

Q: Did you use Tuly then or no?

A: No, no. I used...

Q: No?

A: ...Tutamua then.

Q: Okay.

A: And that's the only time they used, uh...

Q: All right.

A: And that's my real name 'cause I didn't - I didn't go under no different name. Uh, the only time I went under Tou Tye is when I went on the run.

Q: Mm-hm.

A: Like when I was running from probation. Ever since I got myself clean I never went under it. No aliases.

Q: Well...

A: That's how I know when Tuly - when I was booked under Tuly, who the hell's Tuly?

Q: Yeah. For some reason they're linked together. That's why we had to come get the DNA right from you. That way - 'cause the name - so the name's aren't - if - if the names are messed up, they're messed up. The - that's why we came, took the DNA right from you and compared it right to the blood at the scene.

A: Yeah so...

Q: So that - but you don't remember anything at - being out there. You don't remember any shooting?

A: Oh man, people was drinkin'. I don't know. I don't remember bein' there to be real with you.

Q: Mm-hm.

Q: Any...

A: You know? So...

Q: And you don't remember what the problem was out there that would start it?  
Like...

A: I don't know.

Q: ...why - no? It seems like you - I mean it seems like there's a lot of conflict and fights anyway between everybody. Like just talking to, you know, talking to the other side. I haven't spent a lot of time talking to your family but, you know, talking to the other side of it, it seems like there's just a lot of drama everywhere. You know? With all kinds of stuff. Um, so you wouldn't...

A: You guys saw my parents, you know, my parents were there but...

Q: That's your parents - wasn't it your mom's apartment? Or that's your sister.  
Elaine is your sister?

A: Uh, yeah.

Q: That's...

A: But I don't remember - I don't - I don't know - I don't remember who's apartment that was, be honest with you. I don't.

Q: It was Elaine - it was Elaine's spot. I just didn't know if that's your mom or your sister. Like I can't - I don't, you know...

A: No my parents were out there on, uh, think they went out there for a birthday

party.

Q: Yeah. Every - that's why everyone was there right?

A: Yeah.

Q: Yeah.

A: So.

Q: Do you know T Loc or no?

A: Uh, not...

Q: Antwon's brother?

A: ...really.

Q: No?

A: No. Not really. I've heard - probably - probably met him once or twice. But I don't know him like that.

Q: You don't know him like that?

A: Yeah.

Q: Do you remember him being there that night?

A: No.

Q: You don't remember?

A: I don't - I don't - I don't remember like I said. I don't remember nothin' at all.

Q: Mmm.

A: 'Cause I hear that, uh, he's also arrested.

Q: Mm-hm. He...

**VOLUNTARY STATEMENT**

A: That's...

Q: Yeah he was shooting too.

A: What makes you think he - he's the guy? What makes you think he was shooting?

Q: Well everyone told me that. There's like three or four people who told me.

A: Oh.

Q: Yeah. So he was the other half. That's why I thought maybe you got shot. Like 'cause there wasn't any blood out there. There - it wasn't a lot of the blood at the scene like where the fight took place. So I didn't think anyone - but when he went out there and shot, I don't know if - no one really said like if he was shooting at someone or if he was just shooting in the air or - so I didn't know if you got hit or something. That's why - 'cause the gun come out of - I mean the gun come out of Dana's apartment and all that. I mean I know all that stuff. So I just didn't know why you - I didn't know if you got hit by - if he shot you. That's all.

A: So that links me to a possible shooter as well?

Q: Yeah. Yeah...

A: Okay.

Q: ...I mean right now - right now all the evidence - all the evidence suggests that you were the other person shooting.

A: Oh. Yeah.

Q: I mean that's kind of where we're at. If that's not the case, I mean I'd rather work

it out. If that's not the case let me know. Like if - I mean so I can start working on - I - that would mean I still have work to do. Um, if you could remember and - who was shooting and say that it wasn't you and remember who it was, then I could start working on getting you out of here if you're not supposed to be in here. You know what I mean?

A: Oh I know I wasn't supposed to be in here.

Q: Why? Well who was shooting then?

A: See I don't know. I don't know. You guys are pointing at the wrong direction. I mean I talked to you guys two years ago and the same results. It's like, you know, if I did get hit then if I di- if I - if I was bleeding then - then I'm just a victim. Right?

Q: Possibly. Yeah.

A: But I don't know who shot me or whoever - I don't know. I - be honest with you.

Q: Yeah I mean possibly. If you ran off...

A: There was a lot of people out there then, you know, well basically that's your witness saying that okay I might be the other guy or the one that got shot right?

Q: Mm-hm.

A: There go your witness right there. So and this is what - the time that, uh, it's time to get a lawyer.

Q: If that - yeah. Well...

A: I mean I - I - I - I - I, you know, I can't really say who's the other - I mean...

Q: Do you remember how you left there or how you left the party or anything?

A: No I don't.

Q: No?

A: No. Usually like I said, you know, I wake up in people's cars like the next morning or...

Q: Okay. And you don't remember what happened?

A: No. I used to be an alcoholic for serious. Ever since my brother passed away. You know?

Q: Which brother?

A: My brother Jack.

Q: Jack?

A: Yeah he got shot in the front of me years ago so.

Q: Mmm. Yeah I think...

A: Yeah, yeah. I remember that 'cause...

Q: Been working on it for a long time.

A: ...you guys came talk to me...

Q: Yeah. I mean if everyone out there would've been honest and forthcoming we probably could have wrapped it up years ago. You know?

A: Mm-hm.

Q: But I, you know, have to go the long way around and, you know, take all this time and pry shit out of people and, you know, so it just takes a long, long time so.

Hopefully when you get back to Vegas we can - we can resolve it. You know?

We can work - we can work something out. You know?

A: Yeah but I'm fighting the - the indictment.

Q: Yeah that's what I heard.

A: 'Cause, uh, the prints, unless - the fingerprint doesn't match. I mean they booked me - it's too late 'cause they booked me under this name 'cause I was tellin' the lady, "Why you booking me under Tuly," 'cause I didn't know.

Q: Yeah. Well...

A: Trick me for what? I mean trick you for what?

Q: I don't know. I wouldn't have read 'em to you and then we'd be talking here...

A: I mean I've been down since oh, goin' on two weeks now.

Q: Yeah.

A: Without them reading my rights or comin' to see me about what was goin' on.

Q: Yeah? They haven't told...

A: But, uh...

Q: I'm sure you know now. You - they told you finally right? Like...

A: They told me like the bounty hunter didn't really know anything. 'Cause they're - they're busy playin' with my ID.

Q: Mmm.

A: Like keeping my ID away from me. Handcuffing me and put like why you ra-arresting me for?

Q: Yeah.

A: 'Cause noth- nothing like that was on there.

Q: Did they have - they didn't have someone else booked in here before under Tuly right? I mean I - I - like I said, that - that - that's a non-issue. For some reason that's what California DNA has you under. And that's why...

A: California - I - I - I never had Tuly under D- uh...

Q: That's what they - that's what it comes back to. The FB- your FBI number, which is like your - your criminal history for the whole United States, like the FBI, they keep track of everyone's criminal history, fingerprints and all that shit.

A: Yeah.

Q: And you get an FBI number. Under your FBI number, Tuly Lepolo is one of your aliases. But for some reason California, when they - probably when you gave a DNA sample for prison or whatever your, you know, they put it under Tuly. So when - when I got the hit back from the blood at my crime scene, it came back to Tuly Lepolo but with your FBI number.

A: That - that...

Q: ...it brings all your - it brings up all of 'em.

A: ...why bring up Tuly if - why bring up...

Q: There's your - this is your FBI number right here. That number right there is for you. All the arrests you've ever been. Every time you went to prison. Every arrest in the whole United States is all under this number. Under Tuly Lepolo or all these aliases.

A: Yeah. Never under...

Q: And then different birthdays. I guess you used the birthday - different birthday or soc. You maybe...

A: Uh...

Q: And these could be like mix-up in the paperwork. Sometimes the cops write like

one number off. You know? But so they're all linked together though. So they're all compiled in one criminal history report. And that's it. I mean I wouldn't get too hung up on the name thing dude. It's not...

A: Yeah I'm just saying 'cause...

Q: I mean...

A: ...you know, that - that should've never been in there. I - 'cause I already know what names I've used in the past.

Q: Well I wish...

A: And that's - that's when I was a juvenile.

Q: Yeah we can't change it. Like I can't change it because I got my hit back under Tuly Lepolo. So I can't change my...

A: That's something I got to fight and let 'em know that I never used that name. Somebody probably chose that name. A witness told you it was Tuly.

Q: No, no nobody...

A: And you chose to be it...

Q: No, no, no. No, no. You're mixing it up dude.

Q1: It's - it's not going to change anything.

A: Oh I know. I - I...

Q1: It happened the other...

A: ...I'm not saying dude. I'm not saying.

Q1: ...it happened the other way. Like...

A: I'm just saying that why - why - I'm - to why I got to go to court on the extradition.

Q: Mm-hm.

A: Uh, hearing. And, uh...

Q: But that's why - that's why we came out...

A: ...and that's why I told them I'm not signing under that's not - or, that's t- forgery.

Q: Yeah. Well signing...

A: So I can't sign the paper.

Q: ...your regular name. Sign Tutamua. I mean it's the same...

A: I can't. It - it - it's not the same person. I can't sign Tutamua one, then that. It's not - unless they got my real name on top of that, then I'll sign it. In years I ain't never signed nothin' under Tuly.

Q: Yeah. Well they're connected so I mean it doesn't really matter. Like to - it's the same - you're the same person. Like so, it - and I've had it - I - I've had people hap- it happened before they're...

A: And that warrant that you gave me for my blood test?

Q: Yeah.

A: For my DNA? That wasn't a good warrant. That had a dot on there.

Q: A dot? What do you mean?

A: It wasn't a good warrant. I - remember I told you need a search warrant for my DNA.

Q: We did get a search warrant.

A: But that wasn't - that wasn't a s- uh, good search. That was, uh...

Q: San Bernardino got that search warrant.

A: That was a dot.

Q: What's a dot?

A: With no magistrate signature on it.

Q: Oh. I don't know.

A: 'Cause I done looked at it. I - I looked that up like what the - so I didn't mind it but...

Q: Well San Bernardino got that warrant for us based on our case so we - we provide them with the information on the case, they go to the judge in California.

A: Mm-hm.

Q: Get the warrant. That's why we came and saw you. But like I said, we came saw you, we took the DNA right from your mouth.

A: Yeah...

Q: Compared it right - right to the blood. And it's you. So, but you - I mean you can't offer me anything on what happened out there?

A: Um, I mean you talked to the other witnesses. Like...

Q: Mm-hm.

A: ...uh, pretty much they're - they - I mean if they've given you descriptions of...

Q: We talked to some folks but I'm talking to you right now. I mean you're the one sitting in jail.

- A: I mean talk to some people about the descriptions of the possible shooters, I'm pretty sure you got...
- Q: You're sittin' in here.
- A: ...case now.
- Q: Well you're sitting in jail. Is there anyone that I can talk to from your family that would help - I mean help - help you out? Or I mean I'm sure everyone will help you out in your family, right?
- A: Yeah they'll help me out but, you know, everybody's confused right now. Like what are you doing in there?
- Q: Yeah. Why are they confused?
- A: Yeah I don't know. 'Cause they're - they're looking at it like to, you know, why - why the hell - why the hell you - are - are you doing in there if - if you didn't do it? So I'm like, you know, it doesn't matter 'cause, you know, that's what they're gonna do.
- Q: Yeah.
- A: They already tried to link whatever was found in the van or whatever you guys found in the truck, I mean that's your witness right there right? Well I - I mean...
- Q: The truck? The truck's one of 'em, yeah.
- A: Mmm.
- Q: Well I mean like I said, I - it could be a whole - or may...
- A: You guys came all the way down from Vegas again? Just to see me?

((Crosstalk))

Q: Dude we come here all the time man. There's all kinds of people crossin' over from San Bernardino to Vegas. We drive down like - it seems like every couple weeks we're down here doin' some shit. But I was just hopin' maybe you could clear up what happened with the blood. Like that's all. Like if it was the fight, cool. If it - if you were shot, that would be something I would need to know. You know? Like or if you remembered any of that shit. Uh, that's it.

Q1: I would think you would remember getting shot. If it wasn't that night, I think you'd realize it at some point that you were shot.

A: Yeah a lot of people, when they get too drunk - yeah I would've remembered if I would've got shot.

Q: Like real shot.

Q1: To the point where you're bleeding everywhere.

Q: It could be just a graze or...

Q1: Yeah.

A: That's what - yeah, it could've been just a blood, uh, from I don't know. Blood from the nose. You know?

Q: Yeah.

A: I don't know 'cause I pick my nose a lot. Sometimes I bleed a lot from the nose. So, I don't know.

Q: Maybe that - maybe that's it. All right man. You got any other questions about

anything?

A: Um, no I mean guess I got to wait to get up there to talk to a lawyer.

Q: Yeah. You won't get one here. You'll get it down there.

A: Yeah.

Q: In Vegas. And then you and T Loc's cases will get merged together and you guys will be in court together and...

A: Well, we're supposed to be co-defendants?

Q: Yeah, yeah.

A: Wow.

Q: So that'll be fun. To get everyone in the courtroom. I don't know how well everybody gets along.

A: Huh?

Q: I don't know how well everybody gets along.

Q1: Doesn't sound like too good but...

Q: I mean I don't know.

A: Oh yeah?

Q: I don't know.

A: I mean you've spoken to his family. I'm pretty sure that, you know, they have all the information right?

Q: Yeah, yeah, yeah.

A: Yeah.

Q: We talked to 'em.

A: Okay.

Q: All right. You got any other questions about anything?

A: Mmm. No. Just want to go back upstairs.

Q: You good for tomorrow's identity hearing or no? Or you...

A: No 'cause I - I just want to find out, you know, the, you know, I just need to find out, you know, if it's so - 'cause they - I don't like using - that's like me - let's - it's like you. If they - if the bank tells you, "Well you need to fill out your bank statement under this name."

Q: Yeah, yeah under a different name.

A: And you tellin' them, "No I can't fill it out 'cause that's not me."

Q: Right.

A: But if you need your money you're gonna have to sign for it.

Q: Yeah.

A: But you still, "No, no, no. I'm not gonna do it." It's like, you know, why play with the system.

Q: Yeah. Well it's...

A: 'Cause I don't want to - it - I - I don't - the whole time I've been in and out of Riverside County, it's all under my name.

Q: Yeah.

A: And whoever done used my name under Tuly? Then that's - that's crazy.

Q: Yeah. Well hopefully they can - we can...

A: 'Cause the fingerprint could've came back but, uh, if they used - if they used Tuly but never under...

Q: I don't...

A: ...I don't...

Q: ...all the fingerprints are...

A: ...like I said...

Q: ...all the fingerprints are connected under that FBI number. So...

A: Yeah, yeah FBI, you know, that's...

Q: ...you know, that's...

A: ...you know, that could've been a 2004 case, the one I brought it to the court.

Q: What?

A: A drug case.

Q: For Tuly?

A: No.

Q: Oh.

A: No. Just...

Q: Oh.

A: ...uh, when the officers, they - they have put multiple names on it and I'm like watchin' them like...

Q: Maybe someone else in that case reported you as a Tuly. Like thought your

name was Tuly or something.

A: Oh.

Q: And that caused the cops to think your name was Tuly. I don't know dude.

A: Yeah. Yeah I don't know.

Q: I don't know. All right. We, uh, we'll go back out and tell this guy to bring you back and then I'll - I'll see you probably again in Las Vegas all right?

A: Yeah.

Q: All right. Sit tight man. Thank you.

A: You're welcome.

Q: Good luck. What's up? Sorry, what's up?

A: No I just need a little bit of air 'cause...

Q: Oh. He's coming right here. Think he's going to want to shut the door.

A: Okay.

Q: Okay operator. That's the end of the interview. Same location. Same people present. Time is approximately 10:48 hours. Thank you.
