ORDER GRANTING MOTION TO CONSOLIDATE

Docket No. 85525 is an appeal from a final judgment and from certain postjudgment orders. Docket No. 85656 is a petition for a writ of mandamus challenging the district court's order regarding the sealing and unsealing of documents. Appellants and petitioners have filed an unopposed motion to consolidate these matters for purposes of disposition. Appellants/petitioners also ask to "have the petition in [Docket No.] 85656 serve as the portion of the opening brief on issues regarding unsealing exhibits and testimony." The motion is granted as follows.

These matters shall be consolidated. NRAP 3(b). Appellants/petitioners shall have until April 18, 2023, to file and serve an opening brief and appendix that addresses all issues in these matters. Appellants/petitioners may incorporate specific pages of the petition by reference into the opening brief and shall file a motion for excess pages or type/volume if necessary. See NRAP 32(a)(7). Respondents/real parties in interest shall file a single combined answering brief on appeal and answer to the petition within 30 days of service of the opening brief, and

appellants/petitioners may then file a single combined reply within 30 days of service of the combined answer, if deemed necessary.

It is so ORDERED.
