*STATUS CHECK: TRIAL...DEFT'S PRO SE PETITION FOR WRIT OF HABEAS CORPUS*  
*Mr. Brown advised a trial can be set, but the Deft. has issues he would like to raise in regards to further representation by himself, and Mr. Abood. Mr. Brown stated the Deft. would not speak with him and a letter was sent to the Deft. listing his options, inclusive of self representation; the remaining charges it appears should be handled by the sexual assault unit of the Public Defender's office and the Deft. has been informed he should speak with Mr. Maningo who is in a separate unit, and has no affiliation with either himself or Mr. Abood. Upon the inquiry of the Court, Deft. questioned if someone in that office that will not do the proper job should be sent over; they rely on the state, have not done the proper investigations and he does not want to deal with them anymore. Ms. Luzaich argued the Deft. is attempting to manipulate the system and counsel should remain the same. As to the trial setting, Court noted Mr. Maningo needs to meet with the Deft. and the trial needs to be reset. Mr. Brown advised the Deft. does not want to stay at the Clark County Detention Center (CCDC) and Mr. Maningo will have issues attempting to visit the Deft. at the prison; proceedings should be continued 4-5 weeks, or the trial could be scheduled now; although it is uncertain of what Mr. Maningo's schedule is. Ms. Luzaich argued the Deft. is creating his own conflicts, no further offers will be made and matters can proceed to trial. COURT ORDERED, proceedings CONTINUED for status check; Mr. Maningo to meet with the Deft. Upon the inquiry of the Court, Deft. stated he will give Mr. Maningo a chance. Court noted Kara Krause could help in the facilitation of the meeting if need be, and an order can be obtained. Mr. Brown noted an order may be needed. Court stated findings and ORDERED, Deft's Pro Se Petition For Writ Of Habeas Corpus DENIED; state to prepare the order. Deft. requested the order as soon as possible. **JOURNAL ENTRIES****- STATUS CHECK: TRIAL...DEFT'S PRO SE PETITION FOR WRIT OF HABEAS CORPUS**

Mr. Brown advised a trial can be set, but the Deft. has issues he would like to raise in regards to further representation by himself, and Mr. Abood. Mr. Brown stated the Deft. would not speak with him and a letter was sent to the Deft. listing his options, inclusive of self representation; the remaining charges it appears should be handled by the sexual assault unit of the Public Defender's office and the Deft. has been informed he should speak with Mr. Maningo who is in a separate unit, and has no affiliation with either himself or Mr. Abood. Upon the inquiry of the Court, Deft. questioned if someone in that office that will not do the proper job should be sent over; they rely on the state, have not done the proper investigations and he does not want to deal with them anymore. Ms. Luzaich argued the Deft. is attempting to manipulate the system and counsel should remain the same. As to the trial setting, Court noted Mr. Maningo needs to meet with the Deft. and the trial needs to be reset. Mr. Brown advised the Deft. does not want to stay at the Clark County Detention Center (CCDC) and Mr. Maningo will have issues attempting to visit the Deft. at the prison;

proceedings should be continued 4-5 weeks, or the trial could be scheduled now; although it is uncertain of what Mr. Maningo's schedule is. Ms. Luzaich argued the Deft. is creating his own conflicts, no further offers will be made and matters can proceed to trial. COURT ORDERED, proceedings CONTINUED for status check; Mr. Maningo to meet with the Deft. Upon the inquiry of the Court, Deft. stated he will give Mr. Maningo a chance. Court noted Kara Krause could help in the facilitation of the meeting if need be, and an order can be obtained. Mr. Brown noted an order may be needed. Court stated findings and ORDERED, Deft's Pro Se Petition For Writ Of Habeas Corpus DENIED; state to prepare the order. Deft. requested the order as soon as possible. Court advised after the order is submitted, a copy will be sent to the Deft.

- This order serves as notice that the above entitled matter is on this Court's list of cases aged 36 months or older. Therefore, pursuant to EDCR 1.90(a), absent extreme circumstances it is expected that the parties be prepared to announce ready or have the matter resolved at the next trial date.

Rule 1.90 Caseflow Management

(a) Delay reduction standards.

(1) Time to disposition. For criminal cases, the aspiration standard of the court is for 50% of all cases to be resolved within 6 months, 90% of all cases to be resolved within 1 year (with the last 10% being only life sentence or death penalty cases) and for 100% of the cases to be resolved within 2 years. It is the goal of the court to achieve a final resolution in 80% of its civil cases within 24 months of filing and a final resolution in 95% of its cases within 36 months of the date of filing. The court recognizes that there will be exceptional cases which will not be resolved within 36 months. The court also recognizes that 100% of all cases must be resolved within 60 months from the date of filing, unless there is a written stipulation by the parties to extend deadlines under NRCP41(e)(2)(B).

If the parties believe that they cannot be ready to proceed with the FIRM July 18, 2022 trial date, please contact chambers immediately. This matter is on calendar for a Status Check: Trial readiness
