ORDER DENYING MOTION

Appellant has filed a motion for a second extension of time (75 days) to file and serve the opening brief and appendix. When this court granted appellant's first request for a 90-day extension of time to file the opening brief and appendix, it stated that no further extensions of time would be permitted absent extraordinary circumstances and extreme need. Counsel has failed to demonstrate such circumstances or need, citing the same cause that was cited in support of his initial extension request. Accordingly, the motion is denied. Appellant shall have 7 days from the date of this order to file and serve the opening brief and appendix. Failure to comply with this order may result in the imposition of sanctions. NRAP 31(d).

It is so ORDERED.
