Case No.: A-12-669926-C

Dept.: 2

**PLAINTIFFS' MOTION FOR
ENTRY OF A MODIFIED
JUDGMENT AS PROVIDED
FOR BY REMITTITUR**

HEARING REQUESTED

Plaintiffs, through their attorneys, Leon Greenberg Professional Corporation,
hereby submit this motion for the entry of a modified judgment on behalf of the
plaintiff class members as directed by the Nevada Supreme Court's Opinion in this
case.

003065

MEMORANDUM OF POINTS AND AUTHORITIES

On the scope of the modified judgment to be entered.

The only modification of this Court's judgment entered on August 21, 2018, directed by the Supreme Court is for the time period prior to October 8, 2010; each class member's judgment must be reduced by the amount (if any) that was previously determined to be due from that time period.

Except for disallowing the award of damages for the time period prior to October 8, 2010, the Supreme Court affirmed all of the findings made in this Court's Judgment and order entered on August 21, 2018. (Ex. "A" Judgment). The damages this Court awarded in the Judgment were specified for each of 890 class members and set forth in the Ex. "A" schedule to the same, at Column "F" therein. *See*, Judgment, p. 33, ¶ C, directing the Clerk of the Court to enter judgment for each individual class member in such amounts. The Supreme Court's decision only modifies the amount of those damages to the extent they included amounts for the period pre-dating October 8, 2010. To modify the Judgment of August 21, 2018, in accordance with the Supreme Court's decision, requires this Court to enter a "modified judgment list" revising downward the figures set forth in that Ex. "A" schedule to the Judgment to eliminate the award (if any to a particular class member) that was for damages pre-dating October 8, 2010. No other aspect of that Judgment is to be modified and the Judgment has otherwise been fully affirmed by the Supreme Court.

ARGUMENT

- I. Reducing the damage amounts of certain class member as directed by the Supreme Court involves a simple arithmetical calculation using information already in the record without making any new findings; the modified judgment list is now presented with an appropriate proposed order to modify the Judgment.**
- A. The Judgment incorporated a separate calculation already made for the pre-October 8, 2010 damages period and placed in the record; the modified judgment will deduct those already calculated damages from the amounts entered in the Judgment, no additional findings are necessary or proper.**

In modifying the Judgment the only issue is the amount the Judgment must be reduced because it improperly awarded damages accruing prior to October 8, 2010. Yet it is expected that defendants will argue there are other findings that need to be made, such as their entitlement to a further reduction of the judgment owing to United States Department of Labor settlement payments it made (the “USDOL settlement”); to “disallow” damages of \$211.72 that may have previously been awarded for the period from June 24, 2014, to December 31, 2015 as claimed in their motion filed on February 10, 2022; or based upon a judgment entered in, and settlement payments allegedly made in, other litigation (the *Dubric* case). All of that is untrue; such motion and assertions are made to confuse the Court and delay the entry of a modified judgment for what is now, with post-judgment interest, an over \$800,000 unpaid minimum wage liability of A Cab.

The USDOL settlement payments were fully accounted for in the Judgment (at p. 19-22, ¶¶ 27-29) and that portion of the Judgment was affirmed, they cannot be subject to additional findings. Whatever issue A Cab may have wanted to raise regarding the damages originally awarded for the period after June 24, 2014, had to be raised prior to entry of the Judgment or during its appeal. The Supreme Court has fully affirmed the entirety of the judgment entered for the 2013-2015 period and no

1 portion of that can now be reexamined or recalculated. The *Dubric* case (currently on
2 appeal) is irrelevant to the Judgment and cannot modify it.¹

3 All that needs to be performed to enter the modified judgment is a simple
4 “subtraction” of the erroneously included, and already determined, damages amounts
5 pre-dating October 8, 2010, from the August 21, 2018, Judgment’s Ex. “A” schedule
6 amounts. If that results in a class member’s previously awarded damages being
7 reduced (many class members’ damages are not affected because they were never
8 awarded damages pre-dating October 8, 2010), their award of pre-judgment interest
9 also needs to be recalculated. That award of interest will be smaller because, although
10 calculated in the same percentages and for the same time period as in the Judgment, it
11 must be calculated on a smaller damages award (principal). No other modification of
12 the Judgment is needed or permitted under the Supreme Court’s decision.

13 **1. The amount of the Judgment’s reduction has**
14 **already been determined and is in the record.**

15 On June 20, 2018, plaintiffs filed with the Court their counsel’s declaration and
16 Exhibits setting forth complete calculations on the amount due each class member, as
17 broken down for the time period prior to October 8, 2010, and after that date, along
18 with all properly awarded pre-judgment interest. The calculation of the total amounts
19 due each class member, and the itemization of those calculated amounts for the pre and
20 post-October 8, 2010, periods, and the correctness of those calculations², were

21
22 ¹ The unmodified portions of the Judgement stand just as originally entered.
23 See, Ex. “B” Order of the Supreme Court of February 3, 2022, in this case. If A Cab
24 alleges payments it has made since the Judgement’s entry, either in *Dubric* or for any
25 other reason, should act towards its satisfaction it must address that by a separate
26 motion as A Cab cannot obtain any satisfaction of any Judgment amounts without an
Order from the Court in this case. See, Judgement, Ex. “A”, p. 33-34, ¶ D.

27 ² The calculations made by Charles Bass and contained in his June 14, 2018,
28 declaration and its Exhibits are not subject to review or examination. The Supreme
Court affirmed the Judgment’s finding those calculations were properly relied upon.

1 established by the June 14, 2018, declaration of Charles Bass, Ex. "C" to that
2 submission, and at Exhibits "1" to "5" of his declaration (bates numbers 57 through
3 762). For ease of reference, the Charles Bass declaration of June 14, 2018, with only
4 the first page of Exhibits "1" to "5" thereto showing the resulting class member totals
5 (but not the remaining 690 pages of charts/exhibits with the detailed per class
6 member/per pay period amount) is annexed hereto as Ex. "C."

7 **2. Every element comprising the Judgment was properly**
8 **calculated and placed in the record, it must only be**
9 **reduced by the previously properly calculated, but**
 improperly awarded, portion for the time period pre-
 dating October 8, 2010.

10 As discussed in the June 14, 2018, declaration of Charles Bass, Ex. "C" hereto,
11 ¶ 2, the amount of damages owed to A Cab's taxi drivers for the time period prior to
12 October 8, 2010, were calculated and set forth in Ex. "1" and "2" of that declaration.
13 As he further discussed in that declaration, he included those amounts in the
14 "combined per person" table he prepared (at Ex. "5" of that declaration) that set forth
15 the damages over \$10.00 per taxi driver for the entire time period covered by the
16 Judgment, including pre-judgment interest. Ex. "C" hereto, ¶ 4.

17 At no point did A Cab dispute, by presenting evidence of any arithmetical or
18 other errors, the accuracy of the June 14, 2018, calculations prepared by Charles Bass.
19 The Judgment entered by the Court would have conformed completely to those
20 calculations except for one reason: A Cab subsequently produced evidence that it had
21 made payments as part of the USDOL settlement to 191 of the 900 taxi drivers who
22 had been determined by the June 14, 2018, calculations to be owed at least \$10.00 in
23 unpaid minimum wages. Those USDOL settlement payments required a final
24 modification of the June 14, 2018, calculations, which were placed in the record on
25 August 3, 2018, by plaintiffs' supplemental submission. For ease of reference, that
26 submission, through the first page of Ex. "B" thereto, is at Ex. "D" hereto (the
27
28

1 remaining omitted 85 pages are the proposed Judgment and the Judgment list
2 ultimately adopted).

3 As discussed in plaintiffs' August 3, 2018, supplement, A Cab's USDOL
4 settlement payments completely eliminated the claims of 10 drivers and reduced the
5 claims of 181 other drivers, as previously calculated on June 14, 2018, leaving 890
6 class member awards totaling, with pre-judgment interest, \$1,033,027.81. The Court
7 adopted those calculations, and that list of judgment amounts presented on August 3,
8 2018 (Ex. "B" thereto), by placing them at Ex. "A" of the Judgment entered on August
9 21, 2018.

10 **B. A properly arrived at modified judgment list has been**
11 **prepared and a modified judgment is ready for entry.**

12 Annexed at Ex. "E" is the February 11, 2022, declaration of Charles Bass. As
13 discussed in that declaration, he has created a modified judgment list that complies
14 with the Supreme Court's modification of the judgment by excluding the damages
15 awarded for the pre-October 8, 2010, time period. That modified judgment list is at
16 Ex. "2" of such declaration. He used the exact same information he used to prepare
17 the June 14, 2018, calculations, to arrive at those damages amounts, which are
18 calculated to include the USDOL settlement payment information for 191 taxi drivers,
19 information that was unavailable to him on June 14, 2018. The amount of those
20 USDOL settlement payments are also in a separate list at Ex. "1" of his declaration.
21 Plaintiffs' counsel, in his annexed declaration at Ex. "F," verifies that such list of
22 USDOL settlement payments at Ex. "1" to the Charles Bass declaration sets forth the
23 same information on those payments used to arrive at the class member damage
24 amounts in the Judgment entered on August 21, 2018.
25
26
27
28

1 **C. A proposed Order modifying the judgment is provided.**

2 A proposed Order modifying the judgment is provided at Ex. "G." It includes
3 the above discussed modified judgment list at Ex. "A" thereto that will displace the
4 Ex. "A" schedule annexed to the August 21, 2018, Judgment.

5 **CONCLUSION**

6 For all the foregoing reasons, plaintiffs' motion should be granted.

**ORDER GRANTING SUMMARY
JUDGMENT, SEVERING CLAIMS,
AND DIRECTING ENTRY OF FINAL
JUDGMENT**

**Hearing Date: June 5, 2018
Hearing Time: 3:00 p.m.**

22 On June 5, 2018, with all the parties appearing before the Court by their
23 respective counsel as noted in the record, the Court heard argument on plaintiffs'
24 motion filed on April 17, 2018 on an Order Shortening Time seeking various relief
25 ("Plaintiffs' Motion"), including the holding of defendants in contempt for their
26 violation of the Court's prior Orders appointing a Special Master; granting partial
27 summary judgment to the plaintiffs pursuant to their motion filed on November 2,
28 2017; striking defendants' answer, granting a default judgment, and directing a prove

☐ Motion to Dismiss by Deft(s)	☐ Judgment of Arbitration

1 up hearing. Certain portions of Plaintiffs' Motion, not further discussed in this Order,
2 were resolved pursuant to other Orders issued by the Court and at a hearing held on
3 May 23, 2018. The Court grants plaintiffs' motion, to the extent indicated in this
4 Order; it Orders a severance of the previously bifurcated claims against defendant
5 Creighton J. Nady ("Nady"); and it Orders entry of final judgment against defendants
6 A Cab Taxi Service LLC and A Cab, LLC (collectively "A Cab") and other relief as
7 indicated herein.
8

9 **RELEVANT PRIOR HISTORY - CLASS CERTIFICATION**

10
11 On February 10, 2016 the Court initially granted class action certification under
12 NRCP Rule 23(b)(2) and (b)(3) of claims made in this case pursuant to Article 15,
13 Section 16 of the Nevada Constitution, the Minimum Wage Amendment (the
14 "MWA") and for penalties under NRS 608.040 alleged to have arisen in favor of
15 certain class members as a result of such MWA violations. The class so certified in
16 that Order was, for purposes of damages under NRCP Rule 23(b)(3), composed of
17 current and former taxi driver employees of defendant A-Cab from July 1, 2007
18 through December 31, 2015, and for appropriate equitable or injunctive relief under
19 NRCP Rule 23(b)(2) from July 1, 2007 to the present and continuing into the future.
20 Via subsequent Orders the Court modified and amended that initial class certification
21 order pursuant to NRCP Rule 23(c)(1). Via its Order entered on November 21, 2016,
22 it granted class certification under NRCP Rule 23 of the third and fourth claims for
23 relief, first made in the Second Amended and Supplemental Complaint filed on
24 August 19, 2016 and made solely against defendant Nady based upon "alter ego" and
25 similar allegations. Via its Order entered on June 7, 2017, it limited the membership
26 in the class for the period of July 1, 2007 through October 8, 2010 and dismissed
27 certain class members and claims under the MWA accruing during that time period. It
28 did so consistent with the Nevada Supreme Court's ruling in *Perry v. Terrible Herbst*,

1 *Inc.*, 383 P.3d 257 (Nev. Sup. Ct. 2016) on the MWA's applicable statute of
2 limitations and what the Court found was the proper granting of an equitable toll of
3 the statute of limitations under the MWA for certain class members.
4

5 **FINDINGS SUPPORTING RELIEF GRANTED BY THE COURT**

6

7 The Court makes the following findings of fact and law supporting the relief
8 granted by this Order. The recited findings are not necessarily all of the findings that
9 would appropriately support the relief granted based upon the extensive record
10 presented, but they are the ones of fact and law that the Court believes provide at least
11 minimally sufficient support for its decision to grant the relief set forth in this Order:
12

- 13 1. A Cab was an employer of the class members during the time period at
14 issue and was required to pay the class members the minimum wage
15 specified by the MWA.
16
- 17 2. A Cab used Quickbooks computer software to prepare the paychecks
18 issued to the class members during the class period. A record of the
19 gross wages paid by A Cab to every class member during every pay
20 period exists in the Quickbooks computer files maintained by A Cab.
21 The Court Ordered A Cab to produce those records to the plaintiffs'
22 counsel and A Cab provided certain Excel files to the plaintiffs' counsel
23 in compliance with that Order.
24
- 25 3. A Cab used a computer software system called Cab Manager in which it
26 recorded the activities of its taxi cabs and the class members. The Cab
27 Manager software created a computer data file record indicating that a
28 3.

1 particular class member worked, meaning they drove a taxi cab, on a
2 particular date. The Court Ordered A Cab to produce its Cab Manager
3 computer data file records to the plaintiffs' counsel and A Cab provided
4 those computer data files to the plaintiffs' counsel in compliance with that
5 Order.

- 6
- 7 4. Pursuant to NRS 608.115(1)(d), A Cab was required to maintain a record
8 of the total hours worked by each class member for both each day they
9 worked and for each pay period. NRS 608.115(2) required A Cab to
10 furnish to each employee the information required by that section within
11 10 days after the employee submits a request. A Cab had this obligation
12 throughout the entire period of July 1, 2007 through December 31, 2015
13 during which the class members' damages under the MWA are at issue
14 (the "Class Period").
- 15
- 16 5. Except for the period between January 1, 2013 and December 31, 2015, A
17 Cab has not produced any record of hours worked by the class members
18 that it can properly claim complies with any of the requirements of NRS
19 608.115(1)(d).
- 20
- 21 6. For the period between January 1, 2013 and December 31, 2015, the
22 Excel files produced by A Cab and discussed in ¶ 2 set forth an amount of
23 hours worked by each class member during each pay period. A Cab gave
24 testimony at an NRCP Rule 30(b)(6) deposition, the relevant excerpts
25 being placed in the record, that its Quickbooks records for that time
26 period contained an accurate statement of the total hours worked by each
27 class member during each pay period. Plaintiffs do not agree that such
28

1 Quickbooks hours of work are fully accurate, but insist A Cab should be
2 bound by its testimony that such hours of work are accurately set forth in
3 those Quickbooks records. The Court agrees and finds A Cab cannot
4 dispute that the Quickbooks records it produced for the period between
5 January 1, 2013 and December 31, 2015 contain an accurate statement of
6 the hours worked during each pay period by each class member.
7

8 7. Except for the Quickbooks records discussed in ¶ 6, the only information
9 that A Cab admits possessing on the hours worked by the class members
10 during the Class Period is information in paper "trip sheets" that its taxi
11 drivers are required to complete each work shift. Those trip sheets, when
12 properly completed and legible, will be time stamped with the taxi
13 driver's shift start time and shift end time for a workday and will also
14 indicate periods of time that the taxi driver recorded themselves as being
15 on a break and not working during that workday. A Cab has repeatedly
16 asserted that those trip sheets contain an accurate record of the hours
17 worked by every class member and can, and should, be relied upon to
18 determine their hours of work.
19

20 8. The trip sheets in the possession of A Cab, to the extent they contain
21 accurate information, do not meet the requirements of NRS 608.115(1)(d)
22 or NRS 608.115(2). They are not a record of a total amount of hours or
23 fractions thereof worked in a pay period or in a workday by an individual
24 taxi driver. They are, at most, a record from which such information
25 could be obtained by further examination and calculation, however such
26 examination and calculation could not, and was not, furnished within 10
27 days as required by NRS 608.115(2). Assuming a trip sheet is accurate,
28

1 by examining the start time and end time of each trip sheet and
2 calculating the interval between those two times a workday length could
3 be ascertained. After deducting any non-working break time recorded on
4 the trip sheet from that workday length, the total amount of time worked
5 by the taxi driver for that workday could be determined.
6

- 7 9. The requirements of NRS 608.115(1)(d) are mandatory for employers and
8 compliance with those requirements are of critical importance to the
9 MWA.¹ Whether an employer has paid the minimum wage required by
10 the MWA during a particular pay period requires an examination of both
11 the wages paid to the employee and the hours they worked during the pay
12 period.² A Cab's failure to maintain the records required by NRS
13 608.115(1)(d) prior to 2013, unless remedied, would render a pay period
14 by pay period accounting of its MWA compliance, based upon an exact
15 record of the hours worked by and wages paid to each individual class
16 member, impossible for the period prior to 2013.
17

- 18 10. The MWA, being a provision of the Nevada Constitution, commands and
19 requires vigorous enforcement by this Court. By its express language it
20 confers upon employees a right to "...be entitled to all remedies available
21

22 ¹ A Cab was also advised on April 30, 2009 by an investigator for the United States
23 Department of Labor that it "must keep a record of actual hours worked" of the class
24 members. *See*, Plaintiffs' Motion for Class Certification filed May 19, 2015, Ex. "B."
25 While the absence of such an advisement would not relieve A Cab of its duty to keep
26 the records required by NRS 608.115(1)(d), such history would support a conclusion
that A Cab's failure to maintain those records was intentional and designed to render
any future minimum wage law enforcement less effective.

27 ² An exception exists if the wages paid are large enough to render an MWA violation
28 impossible. A week only contains 168 hours and a weekly wage of \$1,218 would
establish minimum wage compliance at \$7.25 an hour ($168 \times 7.25 = \$1,218$).

1 under the law or in equity appropriate to remedy any violation..."³ of its
2 provisions. As a result, A Cab's failure to maintain the records required
3 by NRS 608.115(1)(d) can be neither minimized nor tolerated and cannot
4 be allowed to frustrate the enforcement of the class members' rights
5 secured by the MWA.
6

- 7 11. The Court, in response to its foregoing findings, and in furtherance of its
8 obligation under the MWA, via Orders entered on February 7, 2018 and
9 February 13, 2018, appointed a Special Master in this case who was
10 tasked with reviewing the trip sheets in the possession of A Cab and
11 creating the record of hours worked per pay period for each class member
12 required by NRS 608.115(1)(d). The Court directed that A Cab pay for
13 such Special Master because of A Cab's failure to maintain proper
14 records under NRS 608.115, and to deposit \$25,000 with the Special
15 Master as a payment towards the cost of their work. At that stage in
16 litigation, it would not have been equitable nor justified to require
17 Plaintiffs to pay for work performed by the Special Master when it was
18 Defendant A Cab's failure to comply with NRS.608.115. A Cab failed to
19 make such payment within the time period specified by the Court. As a
20 result, the Special Master advised the Court that they have incurred
21 \$41,000 in costs towards their completion of their assignment and will
22 not proceed further with that assignment until they are in receipt of
23 sufficient assurances that they will be paid for their work. The Special
24 Master has budgeted \$180,000 as the projected total cost to complete
25 their assignment.
26

27 ³ Nevada Constitution, Article 15, Section 16 (B).

12. In assessing the character of A Cab's conduct, it is instructive to note that A Cab did not make, or offer to make, an *admissible* showing of its financial position in order to evidence that it was unable to make such payment. Rather, it relied solely on its strenuous protests and summary balance sheet buttressed only by the self-serving affidavit of Defendant Nady.
13. The Court, in a minute Order issued on March 6, 2018, noted its awareness of A Cab's failure to pay the then overdue \$25,000 deposit to the Special Master and A Cab's communication with the Court advising it was experiencing financial difficulties and claiming it did not currently possess the funds to make that payment. For unrelated reasons the Court in that Order stayed this case, suspended the Special Master's work, and granted A Cab additional time to raise the funds needed to pay the Special Master during the pendency of that stay. Via a minute Order on May 22, 2018 the Court lifted that stay.
14. On May 23, 2018, June 2, 2018, and June 5, 2018 the Court conducted hearings in connection with Plaintiffs' Motion and also received various written submissions from A Cab and plaintiffs' counsel regarding A Cab's failure to pay the Special Master. The result of those hearings and submissions, in respect to the status of the Special Master and A Cab's payment to him for the completion of his work, was that A Cab either will not or cannot make any payment to the Special Master. Except for urging this Court to stay this case, and await the conclusion of certain other proceedings that A Cab asserts will narrow the class claims in this
- 8.

1 case, A Cab proposed no cure for its violation of the Court's Orders
2 appointing the Special Master. It did not state when, if ever, it intended
3 to comply with those Orders or propose any other method for the Court to
4 properly, promptly and appropriately bring this case to conclusion.
5

- 6 15. The conduct of A Cab in violating the Court's Orders appointing a Special
7 Master is not the first instance of A Cab violating the Court's Orders or
8 engaging in documented litigation misconduct in this case. On March 4,
9 2016 the Court, over A Cab's objections, entered an Order adopting the
10 Report and Recommendation of the Discovery Commissioner sanctioning
11 A Cab \$3,238.95 for obstructing discovery. The Court made specific and
12 detailed findings in that Order in respect to A Cab's failure to produce the
13 Quickbooks and Cab Manager computer data files; A Cab's delay in
14 producing such materials during the eight months plaintiffs' motion to
15 compel their production had been pending; A Cab's compelling of the
16 unnecessary deposition of a non-party witness in respect to the production
17 of the Cab Manager records; and the abusive and inexcusable conduct of
18 defendant Nady as an NRCP Rule 30(b)(6) deposition witness. As
19 reflected at pages 2 and 3 in the transcript of the hearing held on
20 November 18, 2015 by the Discovery Commissioner that resulted in such
21 Order, the Discovery Commissioner's review of that deposition transcript
22 raised extremely serious concerns about the defendants' inexcusable
23 conduct.⁴
24

25 ⁴ The Discovery Commissioner advised defendants of her concern at that time that
26 defendant's conduct, if it continued, might result in some form of default judgment:
27 "It was inexcusable, what your client called Plaintiffs' counsel during the deposition,
28 which I will not repeat in open court. Inexcusable, almost to the point where I'm not
sure he should be allowed to be a Defendant in the 8th Judicial District Court-- that's
how serious this is-- because I have no confidence in what he's-- how he's answering
questions." 9.

1
2
3 16. The Court has made every effort to fashion a method for the fair, just, and
4 most precise disposition of the MWA claims in this case in light of A
5 Cab's failure to maintain a record of the hours worked per pay period of
6 each class members as required by NRS 608.115(1)(d). It is not disputed
7 that an accurate record exists in A Cab's Quickbooks computer files of the
8 amount of wages paid every pay period to every class member. If the
9 records required by NRS 608.115(1)(d) had been maintained, disposition
10 of the "lower tier" (currently \$7.25 an hour) MWA claims in this case
11 would be a matter of simple arithmetic. In response to A Cab's
12 insistence that the hours of work information required by NRS
13 608.115(1)(d) can be accurately ascertained by examining and performing
14 calculations on the trip sheets, albeit not within 10 days as required by
15 NRS 608.115(2), the Court appointed a Special Master. Yet A Cab's
16 failure to pay the Special Master, or propose any other process, such as
17 the application of statistical sample or other reasonable methodology as a
18 substitute would, unless other measures were taken by the Court, render a
19 recovery for the class members on their MWA claims impossible. That
20 would appear to be precisely what A Cab's conduct is designed to
21 achieve.

22
23 17. A Cab's argument that the only way to determine the class members'
24 hours of work is to examine every one of their trip sheets, and that it
25 should be the burden of the plaintiffs' themselves (or more properly their
26 appointed class counsel) to bear the expense of doing so, cannot be
27 adopted by the Court, and is inapposite under the guidance provided by
28 *Anderson v. Mt. Clemens Pottery Co.*, 328 U.S. 680, 687 (1946),

1 superseded by statute on other grounds, 29 U.S.C. § 254(a) ("When the
2 employer has kept proper and accurate records the employee may easily
3 discharge his burden by securing the production of those records. But
4 where the employer's records are inaccurate or inadequate and the
5 employee cannot offer convincing substitutes a more difficult problem
6 arises. The solution, however, is not to penalize the employee by denying
7 him any recovery on the ground that he is unable to prove the precise
8 extent of uncompensated work. Such a result would place a premium on
9 an employer's failure to keep proper records in conformity with his
10 statutory duty; it would allow the employer to keep the benefits of an
11 employee's labors without paying due compensation"). Doing so would
12 serve to reward A Cab for its violation of NRS 608.115(1)(d) by shifting
13 the now considerable burden and cost of ascertaining the class members'
14 hours of work onto the plaintiffs' themselves. It is A Cab that should
15 properly bear that burden and expense and it was directed to do so
16 through the offices of the Special Master that it has failed to pay.

- 17
18
19 18. In resolving MWA claims where no record of the total hours of work of
20 the employees per pay period exists as required by NRS 608.115(1)(d), or
21 such an amount cannot be precisely calculated in every instance (in this
22 case as a result of A Cab's failure to pay the Special Master), the Court
23 must adopt a reasonable approximation of those hours of work and
24 fashion an award of unpaid minimum wages based upon that
25 approximation even though the amount so awarded is not exact. *See,*
26 *Anderson v. Mt. Clemons Pottery Co.*, 328 U.S. 680, 685-88 (1946) ("The
27 employer cannot be heard to complain that the damages lack the
28 exactness of measurement that would be possible had he kept records....")

1 *Bell v. Farmers Ins. Exchange*, 115 Cal. App. 4th 715, 750 (Cal. Ct. App.,
2 1st Dist. 2004) and other cases. Applying any approach other than the
3 one adopted by *Mt. Clemons* would frustrate the purposes of the MWA
4 and make effective enforcement of the Nevada Constitution's right to a
5 minimum wage impossible.
6

7
8 19. In support of their motion for partial summary judgment ("plaintiffs'
9 MPSJ"), filed on November 2, 2017, the plaintiffs rely on portions of an
10 Excel file that contain information for the time period of January 1, 2013
11 through December 31, 2015, such information for that time period being
12 compiled from the Quickbooks records produced by defendants. That
13 Excel file, "ACAB-ALL," was created by Charles Bass whose work
14 doing so was reviewed by Terrence Clauretie Ph.D. and the subject of his
15 report, at Ex. "B" of plaintiffs' MPSJ, which was furnished to A Cab
16 along with the "ACAB-ALL" Excel file. Both Dr. Clauretie and Charles
17 Bass were designated as expert witnesses by the plaintiffs and deposed by
18 the defendants in that capacity.

19
20 20. The "A CAB ALL" Excel file created by plaintiffs contains various types
21 of information taken from the Quickbooks and Cab Manager computer
22 data files produced by A Cab to plaintiffs. As germane to this Order, it
23 summarizes that information for the period October 8, 2010 through
24 December 31, 2015 and makes calculations on that information, in
25 respect to the following:

26
27 (a) In respect to every pay period, it sets forth the amount of
28 wages paid by A Cab to the class member as recorded in A

12.

1 Cab's Quickbooks records and the number of shifts they
2 worked during the pay period as recorded in A Cab's Cab
3 Manager records (the "shifts worked");
4

5 (b) For the period January 1, 2013 through December 31, 2015,
6 it sets forth the amount of hours worked by the class member
7 for each pay period as recorded by A Cab's Quickbooks
8 records (the "payroll hours");
9

10 (c) By dividing the class member's wages paid per pay period by
11 the recorded payroll hours worked per pay, for the period
12 January 1, 2013 through December 31, 2015, it calculates the
13 amount, if any, that the class member's wages were below
14 the \$7.25 an hour requirement for each pay period;
15

16 (d) It allows the user of the Excel file to enter a "shift length"
17 amount that it applies as a uniform length to every shift
18 worked during every pay period from October 8, 2010
19 through December 31, 2012. It then, based upon that
20 selected shift length, calculates the amount, if any, that the
21 class members' wages were below the \$7.25 an hour
22 requirement for each pay period.
23

24 21. A Cab argues that the "A CAB ALL" Excel file is inaccurate and
25 the calculations it makes cannot be relied upon but it cites no error
26 in any calculation it purports to perform. That Excel file was
27 furnished to defendants and examined by their own expert, Scott
28

1 Leslie, who testified at his deposition, the relevant excerpts being
2 presented to the Court, that he concurred with Dr. Clauretje's
3 finding that the calculations it made were arithmetically correct. A
4 Cab also argues it cannot be sure the information contained in the
5 "A CAB ALL" Excel file and upon which its calculations rely (the
6 payroll hours worked recorded in the Quickbooks records from
7 January 1, 2013 through December 31, 2015, the wages paid, and
8 the shifts worked, during each pay period for each class member) is
9 accurately taken from A Cab's Quickbooks and Cab Manager
10 records. Yet it has not provided to the Court a single instance
11 where its records contain information that conflicts with the per
12 pay period information set forth in the "A CAB ALL" Excel file.
13

- 14 22. Plaintiffs assert the "ACAB ALL" Excel file, and the work of
15 Charles Bass in placing information from A Cab's Quickbooks and
16 Cab Manager files in that Excel file and performing calculations on
17 that information, is a "summary or calculation" of A Cab's
18 voluminous records pursuant to NRS 52.275 though Charles Bass
19 is also designated as an expert witness. It asserts the calculations
20 made by the "ACAB ALL" Excel file are properly considered on
21 that basis. A Cab asserts that the "ACAB ALL" Excel file's
22 calculations are not properly considered under NRS 52.275 or on
23 any other basis and that neither Charles Bass nor Dr. Clauretje are
24 properly qualified as expert witnesses. The calculations made by
25 the "ACAB ALL" Excel file are not the product of any expert
26 "opinion." They involve simple arithmetic, dividing an amount
27 paid per pay period by a number of hours worked per pay period
28

1 and calculating the amount, if any, that such resulting number is
2 less than \$7.25 an hour. The plaintiffs, based upon Dr. Clauretie's
3 report of the detailed review he conducted of how Charles Bass
4 assembled the "ACAB ALL" Excel file, and the declaration of
5 Charles Bass, have met their *prima facie* burden of showing that
6 such Excel file contains information properly assembled from the
7 Quickbooks and Cab Manager computer files produced by A Cab
8 pursuant to the Court's Order. A Cab has provided no contrary
9 evidence identifying even a single instance in the many thousands
10 of pay periods set forth in the "ACAB ALL" Excel file where it
11 contains either inaccurate information that does not match A Cab's
12 records or incorrect arithmetic calculations. Accordingly, the
13 Court finds that the calculations made by the "ACAB ALL" Excel
14 file are properly relied upon and constitute facts which are
15 undisputed by any evidence to the contrary and may be properly
16 relied upon by the Court, both to establish liability and to establish
17 the amount of damages..

- 18
19 23. Plaintiffs have also furnished to defendants on September 29, 2017
20 an Excel File "Damages 2007-2010" with the Supplemental Expert
21 Report (Declaration) of Charles Bass of September 27, 2017.⁵
22 That "Damages 2007-2010" Excel file, as discussed in the
23 September 27, 2017 declaration of Charles Bass, performs
24 calculations in a fashion identical to the "A CAB ALL" file by
25 allowing the assignment of a uniform "shift length" to every shift
26

27 ⁵ This document, but not the Excel file, is introduced into the record at Ex. "A" of the
28 declaration of class counsel filed on June 20, 2018.

1 worked by a class member during a pay period. It also contains the
2 same information in respect to wages paid and shifts worked for
3 that time period for each pay period for each class member, as
4 taken from A Cab's Quickbooks and Cab Manager computer files.
5 It was assembled using the same process reviewed by Dr. Clauretie
6 and discussed in his report in respect to the "A CAB ALL" file. A
7 Cab has not disputed the accuracy of any calculations made in, or
8 information contained in, the "Damages 2007-2010" Excel file.
9 For the reasons discussed in ¶ 22, the Court finds that the
10 calculations made by the "Damages 2007-2010" Excel file are
11 properly relied upon and constitute facts undisputed by any
12 counter evidence from A Cab.
13

- 14 24. The "ACAB ALL" Excel file, for the 14,200 pay periods it
15 examines for the time period January 1, 2013 through December
16 31, 2015, calculates that the class members' average shift length
17 (average working time per shift) was 9.21 hours. It arrived at that
18 figure based upon A Cab's payroll hours worked Quickbooks
19 records and the total number of shifts class members were recorded
20 as working by A Cab's Cab Manager records. A Cab does not
21 dispute that is an accurate figure and Dr. Clauretie, in his report,
22 verifies its accuracy. A Cab's expert, Scott Leslie, in connection
23 with his rebuttal expert report,⁶ for which he was paid \$47,203,⁷
24

25 ⁶ This report is introduced into the record at Ex. "B" of the declaration of class
26 counsel filed on June 20, 2018 who, in that declaration, also states the particulars
27 contained in the report regarding the average shift length shown by the trip sheet
28 review conducted by Mr. Leslie.

⁷ Ex. "B" of the declaration of class counsel filed on June 20, 2018.

1 undertook to examine the actual trip sheets of class members for 56
2 pay periods between January 1, 2013 and December 31, 2015 and
3 concluded that, on average, each shift worked by each class
4 member during those 56 pay periods consisted of 9.5 hours of
5 working time. He also undertook an examination of the actual trip
6 sheets of class members for 38 pay periods between October 8,
7 2010 and December 31, 2012 and concluded that, on average, each
8 shift worked by each class member during those 38 pay periods
9 consisted of 9.8 hours of working time. He concluded that the
10 average shift length was 9.7 hours of working time for all of the
11 trip sheets he examined for 123 pay periods. Plaintiffs submitted
12 declarations from three class members indicating that class
13 members were, in most instances, assigned to work 12 hour shifts;
14 they typically worked shifts of 11 hours or longer in length after
15 deducting their break time; that class members took few breaks
16 during their shifts or averaged breaks of less than one hour in
17 length during a shift; and unless a taxi broke down a shift was at
18 least 10 hours long. *See*, Ex "F" and "O" plaintiffs' motion for
19 class certification filed May 19, 2015, Ex. "B" of opposition to
20 defendants' motion for summary judgment filed December 14,
21 2017. A Cab, through Nady, pursuant to an NRCP Rule 30(b)(6)
22 deposition notice directed to the topic, testified it could only
23 provide a "guess" as to the average amount of time worked by the
24 class members each shift. *See*, plaintiffs' motion in limine filed
25 December 22, 2017 at Ex. "J" and "K."

26
27 25. Plaintiffs' MPSJ includes the calculations made by the "ACAB
28

1 ALL" Excel file using A Cab's Quickbooks payroll hours for the
2 2013-2015 time period in respect to unpaid minimum wages owed
3 at the \$7.25 an hour "lower tier" minimum wage rate (Column "K"
4 to Ex. "D" to that motion, showing its examination of each of
5 14,200 pay period and consisting of 375 pages). It also includes a
6 consolidated statement of the amount, if any, of unpaid minimum
7 wages owed to each class member at \$7.25 an hour (Column "D" to
8 Ex. "E" listing 548 class members stretching over 19 pages).

9
10 26. Plaintiffs have introduced into the record the following:

- 11
12 (a) The amounts owed at \$7.25 an hour, if any, using the
13 "ACAB ALL" Excel file for the period October 8, 2010
14 through December 31, 2012 for each of 9,759 pay periods
15 and to each of 527 class members when a constant shift
16 length of 9.21 hours per shift is used to make those
17 calculations;⁸
18
19 (b) The amounts owed at \$7.25 an hour, and prior to July 1,
20 2010 at the applicable "lower tier" minimum wage which
21 was less than \$7.25 an hour, if any, using the "Damages
22 2007-2010" Excel file for the period July 1, 2007 through
23 October 7, 2010 for each of 13,948 pay periods and to each
24 of 378 class members when a constant shift length of 9.21
25

26
27 ⁸ These are introduced into the record at Ex. "3" and Ex. "4" to Ex. "C" of the
28 declaration of class counsel filed on June 20, 2018.

hours per shift is used to make those calculations;⁹

- (c) A consolidated chart listing the amounts owed to each class member when the amounts detailed in ¶ 25 and ¶ 26(a) and ¶ 26(b) are combined.¹⁰

27. On November 5, 2014, A Cab and Nady entered into a consent judgment in the United States District Court for the District of Nevada with the United States Department of Labor that provided for the payment by A Cab of \$139,988.80 to resolve certain claims for unpaid minimum wages owed under the Fair Labor Standards Act for the time period October 1, 2010 through October 1, 2012. *See*, Plaintiffs' Motion for Class Certification filed May 19, 2015, Ex. "A." That consent judgment included a list of persons, A Cab employees who are also class members in this case, who were subject to that consent judgment and were to receive portions of such \$139,988.80 payment in amounts determined by the United States Secretary of Labor. *Id.* Such consent judgment does not, by its terms, or by operation of law, either preempt or resolve the MWA claims made in this case. A Cab, in its Answers filed with the Court, has raised a Twenty-Third Affirmative defense of accord and satisfaction. Plaintiffs served an interrogatory request seeking details of that defense, including the amounts paid to the class

⁹ These are introduced into the record at Ex. "1" and Ex. "2" to Ex. "C" of the declaration of class counsel filed on June 20, 2018.

¹⁰ These are introduced into the record at Ex. "5" to Ex. "C" of the declaration of class counsel filed on June 20, 2018.

1 members alleged by A Cab to support such defense.¹¹ A Cab
2 referenced the consent judgment case in its interrogatory answer,
3 but provided no information on the amounts so paid under the same
4 to any particular class members. It also referred to its production
5 of documents that it implied may contain such information.
6 Plaintiffs' counsel asserts it has not been provided with
7 documentation from A Cab of the amounts so paid, in respect to
8 the exact amount paid to each individual involved class member
9 and not the entire \$139,988.80, though it does believe some such
10 amounts were paid.¹²
11

- 12 28. In response to plaintiffs' counsel's assertions regarding the United
13 States Department of Labor ("USDOL") settlement, A Cab, in its
14 "Supplemental Authority In Response to Declaration of June 20,
15 2018," filed on July 10, 2018, asserts it provided relevant
16 documentation regarding that settlement at Response 7 to
17 plaintiffs' Fifth Set of Interrogatories. That response to plaintiffs'
18 request that A Cab specify the amounts paid to each involved class
19 member under the USDOL settlement consists of three words:
20 "Please see attached." A Cab provides "attached" to that
21 interrogatory response seven pages of documents with the names of
22 various persons, and associated amounts that, facially, would seem
23 to indicate a record of payments made to those persons. It offers no
24 explanation, in its interrogatory response, of what those documents
25

26 ¹¹ That interrogatory and defendants' response, No. 26, is introduced into the record at
27 Ex. "D" of the declaration of class counsel filed on June 20, 2018.

28 ¹² This is set forth at ¶ 5 of the declaration of class counsel filed on June 20, 2018.
20.

1 are. Nor in its July 10, 2018 filing did A Cab include any
2 declaration corroborating and authenticating those seven pages of
3 documents that, facially, seem to indicate payments of itemized
4 amounts to certain class members from the USDOL settlement. In
5 a further supplement filed by plaintiffs' counsel on July 13, 2018
6 plaintiffs' counsel noted that A Cab's supplement filed on July 10,
7 2018 lacked any proper corroboration or authentication of the
8 facially relevant documents. Plaintiffs' counsel also noted that
9 those documents only itemized payments totaling \$77,178.87 of the
10 total \$139,988.80 paid under the USDOL settlement, meaning A
11 Cab could not, from those documents, corroborate which class
12 members may have received an additional \$62,800.43 from that
13 settlement. In a further supplement filed on July 18, 2018 A Cab's
14 counsel furnished their declaration (Ex. "F" thereto) purporting to
15 authenticate the previously provided documents from the USDOL
16 and certain additional, and not previously furnished, USDOL
17 documents provided with that supplement.
18

- 19 29. Plaintiffs, upon review of the July 18, 2018 supplement filed by A
20 Cab, filed a further supplement with the Court on August 3, 2018.
21 In that August 3, 2018 Supplement and the Ex. "A" declaration of
22 plaintiffs' counsel thereto, plaintiffs have established to the Court's
23 satisfaction that A Cab has demonstrated the disposition of
24 \$81,852.19 from the USDOL settlement. The Court is further
25 satisfied that Ex. "B" of such supplement, based upon that
26 \$81,852.19 from the USDOL settlement, properly applies a set off
27 in A Cab's favor of the judgment amounts owed to the class
28

1 members previously submitted to the Court and discussed at ¶ 26.
2 As further detailed by that supplement, \$58,136.61 of the
3 \$139,988.80 USDOL settlement paid by A Cab remains
4 unaccounted for. That \$58,136.61 is potentially, in whole or in
5 part, an additional amount that A Cab can set off against the
6 judgments to be awarded by the Court to the class members if A
7 Cab can itemize the amounts of that \$58,136.61 paid to the
8 involved class members.
9

10 DISCUSSION OF RELIEF GRANTED

11 Plaintiffs' Motion for Summary Judgment

12
13
14 The Court notes we are dealing with important rights, important because the
15 people of Nevada have said so by virtue of inserting what would have otherwise been
16 a statutory provision into the Constitution of the State of Nevada. The Court has great
17 respect for the constitutions and constitutional law. The Court believes that they form
18 the basic backbone of the laws and government enumerated therein, both for the
19 United States of America and for the State of Nevada. If the people of this state have
20 said that there is a minimum wage act which entitles employees to be paid a certain
21 amount, in conformity therewith, it is incumbent upon the Court to assure that at the
22 end of the day justice is done, even though the justice that is done turns out to be of a
23 somewhat imprecise nature.

24 Plaintiffs filed three (3) versions of their motion for partial summary judgment
25 (filed on January 11, 2017, November 2, 2017, and April 17, 2018) each of which was
26 opposed by defendants, fully briefed and argued through several hours of oral
27 argument. Although fashioned as a motion for partial summary judgment, by the time
28 22.

1 Plaintiffs reached oral argument on the present motion it became clear that application
2 of their arguments regarding the Quickbooks records and the *Mt. Clemens* rationale
3 effectively resolved not only the period January 1, 2013 to December 31, 2015, but
4 also July 1, 2007 to January 1, 2013, effectively resolving all issues in the case and
5 that therefore final summary judgment is warranted.¹³ The Court finds that because
6 the Defendants could not or would not pay for the special master then pursuant to *Mt.*
7 *Clemens* the burden of proof shifted to the defense. The Court is satisfied that the
8 rationale of the *Mt. Clemens* case not only provides ample authority and justification
9 for this result, but also provides an avenue for this Court to do essential justice to the
10 parties.

11 Even under *Wood v. Safeway, Inc.*, 121 P.3d 1026, 1031 (Nev. 2005), the
12 Defendants, as the nonmoving party, had the burden to “do more than simply show
13 that there is some metaphysical doubt’ as to the operative facts in order to avoid
14 summary judgment being entered in the moving party’s favor.” *Id* quoting *Matsushita*
15 *Elec. Indus. Co., Ltd. v. Zenith Radio Corp.*, 475 U.S. 574, 586 (1986). The Court
16 finds there is an absence of evidence to support the Defendants’ arguments and to
17 demonstrate a triable issue of fact. Defendants failed to transcend the pleadings by
18 putting forth admissible evidence to show a genuine issue of material fact exists given
19 the aforementioned posture of the case. *See Cuzze v. U. and Community College*
20 *System of Nevada*, 172 P.3d 131, 134 (Nev. 2007).

21 Furthermore, under *Mt. Clemens Pottery Co.*, 328 U.S. 680, 687–88 (1946) “the
22 burden then shifts to the employer to come forward with evidence of the precise
23 amount of work performed or with evidence to negative the reasonableness of the
24 _____

25 ¹³ On June 5, 2018, during the hours-long oral argument regarding A Cab’s failure to
26 comply with the Court’s Orders and Plaintiffs’ basis for their calculations, Plaintiffs’
27 counsel moved the Court for summary judgment on the entire case applying an
28 approximation to the time period July 1, 2007, to January 1, 2013, based on A Cab’s
Quickbooks records. 23.

1 inference to be drawn from the employee's evidence. If the employer fails to produce
2 such evidence, the court may then award damages to the employee, even though the
3 result be only approximate.”

4 Upon the filing of plaintiffs’ first motion for partial summary judgment, and its
5 attendant evidence showing the class members performed work for which they were
6 improperly compensated, filed on January 11, 2017, defendants had the burden to
7 either put forth evidence of the precise amount of work performed, or negate the
8 reasonableness of the inference to be drawn by plaintiffs’ evidence in order to create a
9 genuine issue of material fact. *See Anderson v. Mt. Clemens Pottery Co.*, 328 U.S.
10 680, 688 (1946); *see also Wood v. Safeway, Inc.*, 121 P.3d 1026, 1031 (Nev. 2005).
11 However, the defendants have failed to do so. Thus, to ensure a both equitable and just
12 determination of the calculation of damages, the Court appointed a Special Master to
13 review the tripsheets in order to determine the precise amount of damages. However,
14 the defendants failed to comply with the Court’s orders and failed to pay for the
15 special master. Therefore, the Court finds that summary judgment is appropriate as “it
16 would be a perversion of fundamental principles of justice to deny all relief to the
17 injured person[s], and thereby relieve the wrongdoer from making any amend for his
18 acts.” *Anderson v. Mt. Clemens Pottery Co.*, 328 U.S. 680, 688 (1946) quoting *Story*
19 *Parchment Co. v. Paterson Parchment Co.*, 282 U.S. 555, 563, 51 S.Ct. 248, 250, 75
20 L.Ed. 544. Plaintiffs have put forth enough evidence to prove that the class members
21 have performed work and have not been paid in accordance with the MWA; the
22 uncertainty lies only in the amount of damages arising from the Defendants’
23 violations. *See Id.* It is enough for this Court to follow *Mt. Clemens* in that it is enough
24 under these circumstances for this Court to find a reasonable inference as to the extent
25 of the damages and grants summary judgment accordingly as set forth in this order.
26 *See Id.*

27 The Court made effort to provide fair, equitable, and precise justice to the
28

1 drivers and to the defendant business. However, it was the Defendants, through a
2 claimed but unproven inability to pay for the special master, whom continued to
3 frustrate the Court's intent to provide precise justice, thereby requiring the Court to
4 deviate from an exact calculation and instead rely upon an approximation as set forth
5 by *Mt. Clemens*.

6 No disputed triable issues of material fact are presented by A Cab warranting a
7 denial of the plaintiffs' Motion for Summary Judgment. The motions involve a
8 review of every pay period, 14,200 in total, contained in A Cab's Quickbooks records
9 for the time period from January 1, 2013 through December 31, 2015. The question
10 presented by the motions, is whether A Cab during those 14,200 pay periods
11 complied with the MWA during the period in question. The Court is satisfied that
12 information, furnished by A Cab, was accurately placed in the "ACAB ALL" Excel
13 file upon which plaintiffs' rely. The Court is also satisfied that the "ACAB ALL"
14 Excel file performs the correct arithmetical calculation to determine the underpaid
15 minimum wage amount, if any, at \$7.25 an hour, for each of the 14,200 pay periods.
16 The Court is also satisfied it provides an accurate resulting statement of the total
17 amount, if any, owed for that reason to each class member.

18 A Cab's assertions that the amounts calculated and presented by plaintiffs' are
19 unreliable is speculative. A Cab does not set forth even a single instance where the
20 calculations presented in those Exhibits is performed upon information that is not set
21 forth in A Cab's Quickbooks records or that involves erroneous arithmetic. Its
22 opposition to the plaintiffs' MPSJ is based upon pure speculation (or an assertion it
23 should be relieved of its admissions that the Quickbooks records contained accurate
24 information) and the MPSJ is granted.

25 The primary principle upon which the Court relies in entering the judgment
26 specified, *infra*, is derived from *Mt. Clemens*. A Cab cannot successfully oppose the
27 entry of such a judgment in the summary judgment context under the principles set
28

1 forth in *Mt. Clemons*. There is no other practical means by which the Court can
2 resolve the MWA claims in this case, except by applying a reasonable approximation
3 of hours worked to render substantial, though inexact, justice as in *Mt. Clemons*. As
4 discussed in ¶ 24, the Court's application of an average shift length of 9.21 hours to
5 fashion a judgment for the class members under the MWA for the time period prior to
6 January 1, 2013 is a proper, albeit perhaps too favorable to A Cab, application of the
7 *Mt. Clemons* principles. That 9.21 hours long average shift length is taken from the
8 very records (the 2013-2015 Quickbooks records) that defendant Nady swore under
9 oath were *more* accurate than the trip sheets. The class members assert their hours of
10 work per shift were, on average, considerably longer. Defendants' own expert came
11 up with *longer* average shift lengths (9.5 and 9.8 hours) based upon his review of 56
12 and 38 trips sheets for two periods and a 9.7 hours long average shift length for 123
13 pay periods that he studied. A Cab is bound by its NRCP Rule 30(b)(6) testimony
14 that it can only "guess" at the proper average shift length of the class members.

15 Accordingly, it has no competent evidence it can present as to the proper average shift
16 length prior to January 1, 2013 that should be adopted by the Court and applied under
17 *Mt. Clemons*. As a result, plaintiffs' request that the Court, as discussed at the June 5,
18 2018 hearing, enter a final judgment in this matter applying the *Mt. Clemons*
19 principals, and using an average shift length of 9.21 hours for the class members'
20 claims accruing prior to January 1, 2013, is properly adopted by the Court and it is
21 granting a judgment accordingly. Such judgment shall also include interest on each
22 amount as calculated from January 1, 2016 given the difficulty of applying NRS
23 17.130 to all of the class members' MWA claims, some of which did not arise until
24 after the service of the summons and complaint.¹⁴ there is no material issue of fact
25

26
27 ¹⁴ The judgment amounts, with interest, so calculated for each class member are at
28 Column "G" of Ex. "5" to Ex. "C" of class counsel's declaration of June 20, 2018, that
chart being annexed hereto as Ex. "A." 26.

1 that A Cab can dispute in respect to the Court's entry of judgment using the *Mt.*
2 *Clemons* principles given A Cab's inability to proffer any competent evidence on the
3 class members' average shift length prior to January 1, 2013.

4 A Cab's assertion, made in its affirmative defense and interrogatory response,
5 that it is entitled to some measure of satisfaction of the class members' MWA claims
6 based upon the payments it made under the U.S. Department of Labor's consent
7 judgment (§ 27) would be properly ignored as a sanction. Such action by the Court
8 would be justified and appropriate in light of A Cab's documented litigation abuses in
9 this case and its failure to properly respond to plaintiffs' interrogatory seeking such
10 information. Such action by the Court would also be justified in light of its need to
11 enter a judgment under the *Mt. Clemons* principles in response to A Cab's conduct, a
12 judgment that does not afford the class members the full, and precise, measure of
13 justice they would be entitled to, and receive, if A Cab had complied with NRS
14 608.115(1)(d). In the exercise of discretion, the Court will, nonetheless, afford A Cab
15 an opportunity to proffer proof of such payments post judgment and receive
16 appropriate satisfactions of the judgment amounts entered by this Order for the
17 involved class members. The Court will not delay entry of final judgment over this
18 issue, involving a potential offset to A Cab of less than 20% of the amount it is
19 awarding to the class, and only involving claims accruing to certain identified class
20 members during the period October 1, 2010 to October 1, 2012. But it has fashioned,
21 *infra*, provisions that afford A Cab a very fair opportunity to receive the offset it
22 claims from the consent judgment.

23 In connection with the MPSJ the plaintiffs have asked that the Court forego
24 entering judgment in favor of any class member when the amount so indicated by Ex.
25 "E" to the MPSJ is less than \$10.00, on the basis that amounts of under \$10.00 are *de*
26 *minimis*. Accordingly, the final judgment to be entered in this case for the amount of
27 unpaid minimum wages owed to the class members for the period January 1, 2013

1 through December 31, 2015 shall be the amounts calculated to be owed to every class
2 member in Column "D" of Ex. "E" of the MPSJ if such amount is at least \$10.00. As
3 discussed at ¶ 25 and ¶ 26 plaintiffs have introduced into the record calculations
4 showing the total amount (if any) owed to each A Cab taxi driver in unpaid minimum
5 wages for the January 1, 2013 through December 31, 2015 time period, based upon
6 the Quickbooks time worked records as sought in the MPSJ, and for the period of time
7 from July 1, 2007 through January 1, 2013 based upon the application of *Mt. Clemons*
8 principles as discussed further *infra*. The Court has found those calculations to be
9 accurate as discussed at ¶¶ 19-24. Accordingly, attached to this Order as Ex. "A," as
10 discussed further, *infra*, are the total amounts the Clerk of the Court shall enter as
11 Judgment amounts for each class member.¹⁵ Those total owed amounts are based
12 upon the reasoning of the MPSJ which is adopted by the Court to grant judgment to
13 the class members for the period January 1, 2013 through December 31, 2015 and the
14 application of the *Mt. Clemons* principles for the time period prior to January 1, 2013.

15
16 **Plaintiffs' Motion to Hold Defendants in Contempt for Their Violation**
17 **of the Court's Prior Orders Appointing a Special Master and Striking**
18 **Defendants' Answer and Directing a Prove Up Hearing.**

19 Alternatively, given the deference this Court must give in enforcing the
20 Constitution of the State of Nevada, the Court finds that Defendants' persistent failure
21 to comply with Court orders, and for reasons stated herein, warrants holding
22 defendants in contempt and striking their answer. Plaintiffs have argued strenuously
23 for the Court to strike Defendants' answer and award judgment accordingly. While
24 this Court has been at pains to resolve important issues without resort to sanctions, the
25 Court cannot avoid the conclusion that if other, less drastic bases were not available, it

26
27
28 ¹⁵ These amounts are the same amounts as Ex. "5" to Ex. "C" of the declaration of class
counsel filed on June 20, 2018 28.

1 would proceed by way of sanction, strike the answer, and award judgment to
2 Plaintiffs.¹⁶

3
4 Accordingly, the following alternative basis is offered.

5
6 While Plaintiffs' Motion uses the term contempt it does not seek an arrest for
7 civil contempt but an appropriate remedy, sanction, against A Cab for its failure to
8 comply with the Court's Orders appointing a Special Master. If those Orders had been
9 complied with, the Special Master's work would now be complete. The Court would
10 be proceeding to fashion an appropriate final judgment for the class members based
11 upon that report and the precise findings, in respect to the hours of work, wages paid,
12 and minimum wage amounts owed to the class members, it would have contained. A
13 Cab's failure to comply with those Orders has prevented that result. Plaintiffs do not
14 propose an order of civil contempt and imprisonment against defendant Nady, A Cab's
15 principal, as a remedy for that failure. Nor does the Court believe such an Order,
16 while within the Court's power, is sensible or will serve the interests of justice. As the
17 Plaintiffs' Motion requests, the Court should fashion some sort of alternative relief,
18 and judgment, that will resolve this litigation and render substantial justice, albeit not
19 in the precise form that would have been arrived at if A Cab had complied with the
20 Court's Orders appointing the Special Master.

21 The Court has inherent power to appropriately sanction, and tailor remedies for,
22 _____

23
24 ¹⁶ The Court finds no prove up hearing is necessary under NRCp Rule 55(b)(2) as A
25 Cab admits it has no evidence to present on the proper average shift length to be used
26 by the Court in fashioning a judgment. The Court also finds A Cab is properly
27 prohibited from presenting further evidence on the proper amount of a default
28 judgment even if it possessed any germane evidence on that issue as a sanction under
Young for the reasons already stated. See, *Blanco v. Blanco*, 311 P.3d 1170, 1176
(Nev. Sup. Ct. 2013) citing *Foster v. Dingwall*, 227 P.3d 1042, 1050 (Nev. Sup. Ct.
2010) (Recognizing such a sanction is proper under *Young*).

1 violations of its Orders and in response to a party's improper conduct. *See, Young v.*
2 *Johnny Ribeiro* 787 P.2d 777, 779 (Nev. Sup. Ct. 1990) ("Litigants and attorneys alike
3 should be aware that these [inherent] powers may permit sanctions for discovery and
4 other litigation abuses not specifically proscribed by statute.") As discussed in *Young*
5 and the subsequent cases from the Nevada Supreme Court that follow *Young*, this
6 Court should make appropriately detailed and thoughtful written findings when
7 imposing such sanctions, which can include the striking of an answer and the granting
8 of a default judgment. Some of the factors the Supreme Court has said may be
9 considered in determining whether to impose such sanctions are the degree of
10 willfulness of the offending party, the feasibility and fairness of lesser sanctions, and
11 the prejudice sustained by the non-offending party. *Id.*, 787 P.2d at 780. It is also
12 apparent from *Bahena v. Goodyear Tire & Rubber Co.*, 235 P.3d 592, 599 (Nev. Sup.
13 Ct. 2010) citing and quoting *Foster v. Dingwall*, 227 P.3d 1042, 1047, 1048 (Nev.
14 Sup. Ct. 2010) that a demonstrated course of "repetitive, abusive and recalcitrant"
15 conduct by a party can justify the imposition of such sanctions. *Bahena*, further
16 discussing *Foster* and approving of its holding, also stated: "[w]e further concluded
17 [in *Forster*] that entries of complete default are proper where "litigants are
18 unresponsive and engaged in abusive litigation practices that cause interminable
19 delays." *Id.*

20 The Court concludes that the record in this case is sufficient under *Young* and
21 the other controlling precedents to warrant an award of relief in the form requested by
22 plaintiffs, a striking of defendant A Cab's answer and the entry of a default judgment.
23 A Cab's improper conduct in violating the Court's Orders appointing a Special Master
24 is not an isolated incident but "repetitive." Its prior history of improper conduct is
25 discussed in ¶ 15. That improper conduct has also caused "interminable delays" in the
26 production of A Cab's critically important Cab Manager and Quickbooks records,
27 delays A Cab may well have intended to foster in pursuit of an NRCP Rule 41(e)

1 dismissal. The willfulness of A Cab in disregarding the Court's Orders appointing a
2 Special Master is apparent and A Cab's assertion its failure to comply with those
3 Orders is a result of a financial inability to pay the Special Master cannot be properly
4 considered and its evidence to establish same is deficient. If A Cab truly lacks the
5 financial resources to comply with those Orders it has a remedy under the United
6 States Bankruptcy Code to seek the protection of the Bankruptcy Court which is
7 empowered to relieve it from those Orders and oversee the proper disposition of
8 whatever financial resources it does possess. It has declined to do so and continues to
9 do business and defend this case in this Court. Having elected to do so, it must
10 comply with this Court's Orders or face the consequences of its failure to do so.

11 If the Court did not grant summary judgment pursuant to the burden shifting
12 under Mt. Clemens, the Court would find there are no feasible or fair lesser sanctions
13 that it can properly impose in lieu of the judgment it is granting *infra*, and the
14 prejudice sustained by the non-offending party in this case, the class members, would
15 be too great if it failed to grant that judgment. A Cab has violated its obligations
16 under NRS 608.115(1)(d), obligations which, if met, would allow the Court to render
17 full, complete, and precise justice in this matter on the class members' MWA claims.
18 In response to that violation, the Court directed A Cab to pay a Special Master to
19 correct such deficiencies in its NRS 608.115(1)(d) compliance. It has failed to do so
20 and proposed no alternative approach to bring this case to a proper conclusion. The
21 Court cannot envision any sanction or any other feasible means to justly and properly
22 redress constitutional grievances, and resolve this case under the circumstances
23 presented, except through directing entry of the judgment specified, *infra*.

24 The prejudice that would inure to the class members if the Court failed to enter
25 the judgment specified, *infra*, is manifest and extreme. A Cab's proposal that the
26 Court await the outcome of other proceedings that may or may not impact some
27 amount of the class members' claims seeks to have the Court abdicate its

1 responsibility to hear and resolve the claims before it, something it cannot do.
2 Alternatively, A Cab postures it is entitled to rely on its failure to create the records
3 required by NRS 608.115(1)(d) and place upon the plaintiffs the burden, which they
4 should not have to meet and clearly cannot meet, to specify from their trip sheets their
5 precise hours of work for each pay period. Indeed, A Cab paid its expert in excess of
6 \$47,000 to produce a report asserting that position in its defense.

7 Despite plaintiffs' warranted request to hold defendants in contempt and strike
8 their answer, the Court has not viewed this as warranted to remedy this point, and
9 therefore has declined to do so. As an alternative ruling, the Court is prepared to do so
10 now.

11 12 **THE COURT'S JUDGMENT AND THE RELIEF ORDERED**

13
14 For the foregoing reasons, the Court hereby Orders the following relief and
15 enters a Final Judgment in this case in the following form:

- 16
17 A. The Court, pursuant to NRCP Rule 23(c)(1) amends the class claims
18 certified for disposition pursuant to NRCP Rule 23(b)(3). Those claims,
19 in respect to defendant A Cab, are now limited to the claims of the
20 previously identified class members arising under the MWA against A
21 Cab prior to January 1, 2016 but only to the extent A Cab failed to pay
22 such class members the "lower tier" (health benefits provided) minimum
23 wage required by the MWA; only in the amounts specified and arrived at
24 in this Order based upon the hours of work used by the Court to
25 determine such amounts; and only for interest owed on those claims on
26 and after January 1, 2016. Individual class members who seek to collect
27 "higher tier" minimum wage payments under the MWA; or amounts
28

1 owed under the MWA based upon them having actually worked more
2 hours in a pay period than the Court used in making the award to them in
3 this Order; or to collect the penalties proscribed by NRS 608.040; or for
4 additional amounts in interest that may be owed to them on their MWA
5 claims from A Cab may pursue those claims individually. Such claims
6 are dismissed from this case for all class members without prejudice;
7

8 B. All claims made against the defendant Nady are severed from the claims
9 against A Cab pursuant to NRCP Rule 21;
10

11 C. The Clerk of the Court shall enter judgment for each individual class
12 member in the amount specified in Column "F" in Ex. "A" as annexed
13 hereto against defendants A CAB TAXI SERVICE LLC and A CAB,
14 LLC. Such judgment shall conclude the class claims for damages
15 certified for disposition pursuant to NRCP Rule 23(b)(3) and constitute a
16 final judgment on such claims;
17

18 D. The Court retains continuing jurisdiction over the class claims it has
19 certified for disposition pursuant to NRCP Rule 23(b)(2), and for
20 enforcement of the monetary judgments it has rendered in favor of the
21 class members, and appoints class counsel, Leon Greenberg, Dana
22 Sniegocki, Christian Gabroy and Kaine Messer, as counsel for the class
23 member judgment creditors listed on Exhibit "A" and for whom the Court
24 is directing entry of judgment. Defendants, their agents, and their
25 attorneys, are prohibited from communicating with the class member
26 judgment creditors about their judgments granted by this Order or
27 securing any release or satisfaction of those judgments without first
28

1 securing a further Order of this Court in this case. Class counsel is
2 authorized to proceed with whatever remedies it deems advisable to
3 enforce the money judgments rendered for the class members but shall
4 hold in their IOLTA account any amounts collected on such judgments
5 and only release such monies as specified by a further Order of this Court
6 in this case. Class counsel is also authorized to use all of the judgment
7 enforcement remedies provided for by NRS Chapter 21 in the name of
8 "Michael Murray as Judgment Creditor" for the total amount of the
9 unsatisfied judgments rendered in favor of all class members, they need
10 not seek or issue writs of judgment execution or levy individually for
11 each judgment creditor class member. Class counsel is also prohibited, in
12 light of the potential for A Cab to receive satisfaction of certain judgment
13 amounts as provided for under G, *infra*, until further Order is issued by
14 the Court, from taking action to collect more than \$960,000 of the
15 combined judgment value of \$1,033,027.81 that is entered under this
16 Order;

- 17
- 18 E. The time for class counsel to apply for an award of fees and costs
19 pursuant to NRCP Rule 54 is extended to 60 days after the service of this
20 Order with Notice of Entry;
- 21
- 22 F. The court stays the severed case against defendant Nady for 60 days from
23 the date of entry of this Order. That case shall remain stayed after that
24 date until the Court issues an Order lifting such stay, the Court not
25 anticipating doing so, or receiving any request from the parties to do so,
26 until expiration of that 60 day period.
- 27

1 G. A Cab may present to the Court, at anytime after entry of this Order, a
2 motion to have the Court enter satisfactions towards each class member
3 judgment creditor's judgment amount for the amounts A Cab paid them
4 under the consent judgment that are a portion of the \$58,136.61 paid
5 under the consent judgment but not previously accounted for (§ 29). . It
6 shall also have the right, within 60 days from the date of service of this
7 Judgment and Order with Notice of Entry, to present to class counsel
8 evidence of how the \$58,136.61 paid under the consent judgment but not
9 previously accounted for (§ 29) should be set off against each class
10 member judgment creditor. Class counsel shall be obligated to advise A
11 Cab within 30 days thereafter if it agrees that A Cab it is entitled to a
12 judgment satisfaction based upon such evidence. If it so agrees, class
13 counsel must submit a motion to the Court within 10 days thereafter
14 seeking an Order entering such agreed upon satisfactions. If after that
15 date A Cab, after completing that process of conferral with class counsel,
16 must still file a motion with the Court to secure any such judgment
17 satisfactions, the Court will, if it grants that motion and also finds class
18 counsel did not act reasonably in cooperating with A Cab on determining
19 the amount of the satisfactions, award A Cab attorney's fees in connection
20 with the bringing of such a motion.
21

22 **IT IS SO ORDERED.**

23
24 
25 Honorable Kenneth Cory
26 District Court Judge
27
28

Date 8-21-18

EXHIBIT “B”

IN THE SUPREME COURT OF THE STATE OF NEVADA

A CAB, LLC; AND A CAB SERIES, LLC,
Appellants,

vs.

MICHAEL MURRAY; AND MICHAEL
RENO, INDIVIDUALLY AND ON
BEHALF OF ALL OTHERS SIMILARLY
SITUATED,

Respondents.

No. 77050

FILE

FEB 03 2022

ELIZABETH A. SPORN
CLERK OF SUPREME COURT
BY *[Signature]*
DEPUTY CLERK

ORDER DENYING MOTION

Respondents filed a motion requesting that this court award attorney fees or direct the district court to award attorney fees pursuant to Article 15, Section 16 of Nevada's Constitution, and to include in its mandate upon remand instructions about the allowance of interest, pursuant to NRAP 37(b). Appellants have filed an opposition to the order and respondents have filed a reply.

As an initial matter, this court's opinion already concludes that the district court must reconsider the award of attorney fees in light of this court's decision. Article 15, Section 16, Subsection B of Nevada's Constitution, the Minimum Wage Amendment, states that "[a]n employee who prevails in any action to enforce this section shall be awarded his or her reasonable attorney's fees and costs." However, the determination of a "reasonable" attorney fee involves questions of fact and "should be addressed, in the first instance, by the district court with its greater fact-finding capabilities." *Musso v. Binick*, 104 Nev. 613, 615, 764 P.2d 477, 478 (1988). Accordingly, respondents' motion for an award of attorney's fees on

appeal is denied without prejudice to respondents' right to raise this motion in the district court.

NRAP 37(a) provides that "if a money judgment in a civil case is affirmed, whatever interest is allowed by law is payable from the date when the district court's judgment was entered." NRAP 37(b) provides that if this court "modifies or reverses a judgment with a direction that a money judgment be entered in the district court, the mandate must contain instructions about the allowance of interest."

This court has previously held that an affirmation in part and reversal in part of a money judgment is treated as an affirmation of that judgment for the purposes of NRAP 37 and the calculation of interest. *Schiff v. Winchell*, 126 Nev. 327, 330-31, 237 P.3d 99, 101 (2010). As noted by respondents, this court's opinion issued December 30, 2021, affirmed in part and reversed in part the district court's money judgment but did not include instructions as to any allowance of interest. *Schiff* applies here, and the modification on appeal was, in effect, an affirmation of the original judgment. Therefore, NRAP 37(a) governs the interest on judgments and whatever interest is allowed by law is payable from the date when the district court's judgment was entered. Accordingly, respondent's request for a modification of the mandate to include instructions based on NRAP 37(b) is denied.

The clerk shall issue the remittitur.

It is so ORDERED.

Case No.: A-12-669926-C

Dept.: I

DECLARATION OF CHARLES
BASS

17 Charles Bass hereby affirms, under penalty of perjury, that:

- 18 1. I have been retained as an expert witness and computer data consultant in
- 19 this case by Leon Greenberg, plaintiffs' counsel.
- 20
- 21
- 22 2. I was asked to provide a printout from the "Damages 2007-2010" Excel
- 23 file that I previously created as part of my work for Leon Greenberg in
- 24 this case. This is the same file that I furnished to Leon Greenberg and
- 25 discussed in my declaration of September 27, 2017. The information in
- 26 that file covers the period July 1, 2007 through October 7, 2010. I was
- 27 instructed to print out from that Excel file two things. One was the
- 28 amount that Excel file shows is owed, if anything, at the "lower tier"
- minimum wage rate (that rate varies in that file from \$5.30 in 2007 to

1 \$7.25 in 2010) for each of the 13,948 pay periods of information
2 contained in that file if it is assumed 9.21 hours was worked during each
3 work shift of the pay period as recorded in that file (a “per pay period”
4 printout). The other was the total amount owed on that basis, if anything,
5 to each person whose information is in that Excel file (a “per person”
6 printout). That “per pay period” printout, consisting of 350 pages, which
7 states the amount so owed, if any, each pay period in Column “K” of each
8 line, is annexed hereto as Ex. “1.” That “per person” printout, consisting
9 of 9 pages, which states the amount so owed, if any, to each person in
10 Column “D” of each line, is annexed hereto as Ex. “2.”
11

- 12 3. I was asked to provide a printout from the “ACAB-ALL” Excel file that I
13 previously created as part of my work for Leon Greenberg in this case.
14 This is the same file that I furnished to plaintiffs’ expert Dr. Terrence
15 Clauretie and conferred with him about and that is discussed in his expert
16 report of July 18, 2017. I was asked to create two printouts from that file
17 using the spreadsheets (tables) in that file that contain information for the
18 period October 8, 2010 through December 31, 2012. I was instructed to
19 print out from those spreadsheets two things. One was the amount that is
20 owed, if anything, at the “lower tier” minimum wage rate (that rate was
21 always \$7.25 and hour for that time period) for each of the 9,759 pay
22 periods of information contained in those spreadsheets if it is assumed
23 9.21 hours was worked during each work shift of the pay period as
24 recorded in that file (a “per pay period” printout). The other was the total
25 amount owed on that basis, if anything, to each person whose information
26 is in those spreadsheets (a “per person” printout). That “per pay period”
27 printout, consisting of 297 pages, which states the amount so owed, if any,
28 each pay period in Column “K” of each line, is annexed hereto as Ex. “3.”

1 That "per person" printout, consisting of 12 pages, which states the
2 amount so owed, if any, to each person in Column "D" of each line, is
3 annexed hereto as Ex. "4."

- 4
- 5 4. I was asked to provide a "combined per person" printout that would add
6 together the information from three separate "per person" printouts, that
7 information being in Column "D" of Ex. "2" and Ex. "4" annexed hereto
8 and Column "D" of Ex. "E" of plaintiffs' motion for partial summary
9 judgment filed on November 12, 2017, the latter also being printed from
10 the A CAB ALL Excel file by Leon Greenberg. I was further asked that
11 upon creating that "combined per employee" printout to eliminate from
12 that printout any person who was indicated as being owed minimum
13 wages of \$10.00 or less. That "combined per person" printout is at Ex.
14 "5" annexed hereto and consists of 28 pages and lists in Column "D" those
15 amounts over \$10.00 so owed to 900 persons. I was also asked, after
16 eliminating those persons owed less than \$10.00, to calculate and place in
17 that printout interest on each of the amounts of minimum wages owed to
18 each person remaining in that combined per employee printout (interest on
19 the amount in Column "D" of Ex. "5" annexed hereto) for the period from
20 January 1, 2016 through June 30, 2018. I was instructed to do so using an
21 interest rate of 5.5% per annum for all of 2016; a rate of 5.75% per annum
22 for the period January 1, 2017 through June 30, 2017; a rate of 6.25% per
23 annum for the period July 1, 2017 through December 31, 2017; and a rate
24 of 6.5% per annum for the period January 1, 2018 through June 30, 2018.
25 I have calculated that interest amount accordingly and it appears in
26 Column "E" of Ex. "5" attached hereto. I was also asked to provide a
27 "total" of both the amount of minimum wages owed to each person
28 (Column "D" of Ex. "5") and interest so calculated (Column "E" of Ex.

1 "5"). I have done so and that total amount appears for each such person in
2 Column "F" of Ex. "5" hereto.

3
4 I have read the foregoing and affirm, under penalty of perjury, that the same is
5 true and correct.

6
7 Affirmed this 14 day of June, 2018

**DISTRICT COURT
CLARK COUNTY, NEVADA**

12 MICHAEL MURRAY, and MICHAEL
13 RENO, Individually and on behalf of
14 others similarly situated,

15 Plaintiffs,

16 vs.

17 A CAB TAXI SERVICE LLC, A CAB,
18 LLC and CREIGHTON J. NADY,

19 Defendants.

Case No.: A-12-669926-C

Dept.: I

**PLAINTIFFS' SUPPLEMENT
IN REPLY TO DEFENDANTS'
SUPPLEMENT DATED
JULY 18, 2018**

20 Plaintiffs hereby submit the following supplement in reply to defendants'
21 supplement dated July 18, 2018 (entitled "Defendants' Supplemental Authority in
22 Response to Plaintiffs' Additional Supplement Filed July 13, 2018").

ARGUMENT

23 **I. THE COURT CAN NOW, IN SUBSTANTIAL MEASURE,
24 RESOLVE THE OFFSET DUE TO A CAB UNDER THE UNITED
25 STATES DEPARTMENT OF LABOR SETTLEMENT PRIOR
26 TO JUDGMENT**

27 **A. Plaintiffs have no objection to the Court now finding the
28 record to have sufficiently corroborated some of the United
States Department of Labor settlement payments.**

At Ex. "F" of its July 18, 2018 Supplement defendants' counsel now avers under oath that various documents were provided to A Cab by the United States Department of Labor (the "USDOL"). Plaintiffs' counsel has not disputed A Cab's entitlement to a setoff from the USDOL settlement but could not, as counsel for the class, support a

1 calculation of whom (the particular class members) that set off should be against
2 without sufficiently corroborated information. Plaintiffs' counsel has no objection to
3 the Court deeming A Cab's July 18, 2018 supplement sufficiently corroborated to
4 entitle it to a set off from the USDOL settlement as discussed, *infra*.

5 **B. Based upon the documentation furnished, A Cab is**
6 **entitled to a reduction of \$79,335.64 of the amount**
7 **that would otherwise be entered in a judgment.**

8 As discussed in Ex. "A" plaintiffs' counsel has thoroughly reviewed the
9 materials provided by A Cab. Those materials itemize payments totaling \$81,852.19
10 from the USDOL settlement of \$139,988.80 paid by A Cab. Because some of those
11 itemized payments (Ex. "A" ¶ 2) were made to persons who are not class members, or
12 for whom no judgment was proposed to be entered, or were in amounts in excess of the
13 amounts found in this case to be owed to such class member, the net reduction in the
14 amount to be awarded to the class is \$79,355.64. *Id.*, ¶ 2(d). How that reduction
15 should be applied is explained in Ex. "A" ¶ 3 and a revised table, adjusting the
16 previously submitted correct (and not contested) judgment amounts for the class
17 members, as so reduced by that \$79,355.64, is at Ex. "B." As explained in Ex. "A"
18 there remains an additional \$58,136.61 that is not itemized and accounted for from the
19 \$139,988.80 USDOL settlement paid by A Cab. That \$58,136.61 is potentially, in
20 whole or in part, an additional amount that A Cab can set off against the judgments to
21 be awarded by the Court to the class members if A Cab can itemize the amounts of that
22 \$58,136.61 paid to the involved class members.

23 **II. THE COURT IS IMPORED TO ENTER JUDGMENT MOST**
24 **PROMPTLY, A REVISED JUDGMENT IS PROVIDED THAT**
25 **GRANTS A-CAB THE FULL RELEVANT AND CURRENTLY**
26 **KNOWN SET OFF FROM THE USDOL SETTLEMENT**

27 At Ex. "C" and submitted separately for the Court's entry is a proposed
28 judgment that fully credits A Cab for the \$81,852.19 it has accounted for from the
USDOL settlement of \$139,988.80 that it paid. It also provides for A Cab to seek
post-judgment satisfactions for the \$58,136.61 paid by it under the USDOL settlement

1 if it can itemize the amounts so paid to the involved class members. As a result, this
2 form of judgment varies slightly from the one originally proposed and filed with the
3 Court on June 22, 2018. It now adds ¶¶ 28 and 29 to discuss the additional materials
4 furnished by A Cab after June 22, 2018 that now allow for a reduction of the judgment
5 in A Cab's favor for the \$81,852.19 it has accounted for from the USDOL settlement.
6 It otherwise is identical to the previously proposed judgment and in a similar fashion
7 provides a mechanism for A Cab to seek post-judgment satisfactions for the not yet
8 accounted for \$58,136.61 paid by it under the USDOL settlement.

9 **II. THE COURT SHOULD NOT ACT ON ANY OF** 10 **A CAB'S OBJECTIONS TO THE JUDGMENT**

11 A Cab has not submitted any proposed alternative judgment to the Court.
12 Instead, in their Supplement filed on July 18, 2018, A Cab makes various broad
13 objections and raises various issues in respect to the proposed judgment submitted by
14 plaintiffs. To the extent A Cab complained about the proposed judgment's failure to
15 credit A Cab with its payments under the USDOL settlement that issue is fully resolved
16 in A Cab's favor, to the extent possible and as discussed *supra*. None of A Cab's other
17 objections have merit and the Court should take no action on any of them. To aid the
18 Court, plaintiffs' counsel, briefly, discusses the same:

19 **A. Class Counsel cannot establish A Cab's full USDOL Set Off** - There is
20 no basis to delay judgment, or require class counsel to contact over 800
21 class members, to ascertain the full amount of A Cab's set off from the
22 USDOL settlement. The set off claim belongs to A Cab to prove. To the
23 extent A Cab can document that set off the proposed judgment credits
24 them for the same. When A Cab entered into the consent judgment with
25 the USDOL this litigation was pending. It should have required the
26 USDOL as part of that consent judgment to document to A Cab the
27 disposition of all settlement monies, as it knew such monies might
28 constitute a set off in this case. Class counsel cannot now be charged with

protecting A Cab's interest as to that issue when A Cab, and its counsel, have failed to do so.

B. There is no \$224,529 settlement in *Dubric* - A Cab's assertion defendants "have already settled" the claims for which judgment is to be entered for \$224,529 is untrue. The competing proposed class settlement in *Dubric*, No. A-15-721063-C, has not received any final approval or final judgment. No such settlement exists.

C. A Cab's attack on the judgment amount is frivolous - A Cab's assertions that the judgment calculations are improper, or fail to reflect the "two theories" of plaintiffs' case, are frivolous. If A Cab claims the calculated judgment amounts fail to comply with the Court's oral rulings at the June 5, 2018 hearing it needs to explain their deficiencies. It does not. Instead it makes an incomprehensible assertion, supported by a letter from defendant Nady, about how class damages, based upon a misapplication of tip income to minimum wages, are far less than calculated by plaintiffs. Plaintiffs' damages calculations are fully explained and based upon sound, and undisputed, arithmetic principles. A Cab presents no basis for the Court to reject or modify them.

III. THE COURT SHOULD ENTER THE PROPOSED ORDER AND FINAL JUDGMENT WITHOUT FURTHER DELAY

This case must proceed to trial or final judgment by October 19, 2018 under Rule 41(e). It is unclear if that time frame (a period of less than 100 days) would also apply to the disposition of the severed claims against defendant Nady (once, or if, the stay of those claims granted by the proposed order is lifted). Given this circumstance, the Court is implored to enter the proposed Order with all due speed, if not within a matter of days in, at most, not more than two or three weeks. If it would assist the

1 Court in doing so, it is urged to hold a further hearing on the proposed Order. Lead
2 class counsel, Leon Greenberg, has substantial availability to appear for any such
3 hearing during the month of August 2018.

 15

Case No.: A-12-669926-C

Dept.: I

**DECLARATION OF CLASS
 COUNSEL, LEON
 GREENBERG, ESQ.**

16 Leon Greenberg, an attorney duly licensed to practice law in the State of
 17 Nevada, hereby affirms, under the penalty of perjury, that:

18 1. I am one of the attorneys representing the class of plaintiffs in this matter.
 19 I submit this declaration in connection with the submission to the Court on August 3,
 20 2018 of a supplement by plaintiffs' counsel on the entry of a proposed order and final
 21 judgment.

22 2. My office has reviewed the documents furnished at Exhibits "C" and "D"
 23 of defendants' supplement filed with the Court on July 18, 2018. Those documents
 24 purport to itemize the payment of \$81,852.19 by the United States Department of
 25 Labor (the "USDOL") to various persons as a result of the consent judgment and
 26 settlement entered into by A Cab with the USDOL. At the June 5, 2018 hearing the
 27 Court directed that judgment should be appropriately entered for the class members
 28 who are shown to be owed at least \$10.00 in unpaid minimum pursuant to the

parameters, and formula, discussed at that hearing. Accepting the documents proffered by the defendants in their July 18, 2018 supplement as accurately detailing the payment of \$81,852.19 by the USDOL to various A Cab taxi drivers, results in the following conclusions relevant to the entry of judgment in this case:

- (a) The USDOL paid \$374.67 to persons who are not class members. It made a payment of \$37.96 to John Newell and \$336.71 to Mark Stonebreaker-Kaplan. Plaintiffs' counsel cannot identify either such person as class members and has not proposed any judgment be awarded by the Court to such persons.
- (b) The USDOL paid \$5,622.39 to 10 persons whom plaintiffs' counsel identified as class members and who were calculated by plaintiffs' counsel to be owed, collectively, \$3,986.82. These persons are Miguel Arellano; Mario Blanco; Antonio Borges; Ernest Diamoz; Kanchalee Netrayana; Marvin Reid; Kirk Schoeb; Lidija Slijak; Gene Villegas and James Wallace. The amount paid to each of these persons under the USDOL settlement was in excess of the amount plaintiffs' counsel calculated they were owed that exceeded \$10.00 in unpaid minimum wages. As a result, none of these 10 class members should receive an award as part of the judgment entered in this case.
- (c) The USDOL paid \$506.31 to four persons whom plaintiffs' counsel identified as class members and who were calculated by plaintiffs' counsel to each be owed less than \$10.00 in unpaid minimum wages and as a result were never proposed to have any judgment entered in this case. These persons are Jason Harris; Sam Pak; Pamela Evans; and Inessa Guil.

1 (d) The remaining amount of the foregoing \$81,852.19 paid by the USDOL to
2 various A Cab taxi drivers is \$75,348.82. That \$75,348.82 is properly
3 applied to the proposed judgments of certain class members. Because the
4 USDOL paid \$2,516.55 from the A Cab settlement both to persons not
5 originally to receive judgments as class members, or in excess of the
6 judgments proposed for such class members, A Cab's total reduction in
7 the judgment amount from the foregoing \$81,852.19 paid by the USDOL
8 is \$79,335.64.

9 3. My office has reduced the proposed judgment amounts calculated as
10 explained in plaintiffs' supplement filed on June 22, 2018 for each class member who
11 received a portion of the foregoing identified \$75,348.82 of payments from the
12 USDOL. That reduced judgment amount, the original proposed judgment amount, and
13 the amount of the USDOL's \$75,348.82 payment applied to each involved class
14 member's judgment, is set forth at the Exhibit "B" table to the supplement of plaintiffs
15 counsel being filed on August 3, 2018. Those amounts appear on each line of the
16 Exhibit "B" table at column "D" (reduced judgment amount, if so reduced, not all class
17 members' proposed judgments are subject to such a reduction); column "G" (original
18 proposed judgment amount) and column "H" (amount of the USDOL's \$75,348.82
19 payment applied to reduce the involved class member's judgment). My office has also
20 in the Exhibit "B" table calculated the interest due each class member on their
21 proposed judgment, as reduced, if at all, by the \$75,348.82 of payments from the
22 USDOL. That interest calculation is from January 1, 2016 through June 30, 2018 and
23 appears at column "E" on each line of the Exhibit "B" table. The interest so calculated
24 is at 5.5% per annum for all of 2016; at 5.75% per annum for the period January 1,
25 2017 through June 30, 2017; at of 6.25% per annum for the period July 1, 2017
26 through December 31, 2017; and at 6.5% per annum for the period January 1, 2018
27 through June 30, 2018. That interest amount (column "E") is then added to the
28 proposed judgment amount as reduced, if at all, by the \$75,348.82 of payments from

1 the USDOL (column "D") to create the amount of the judgment to be entered, with
2 interest, that appears at column "F" on each line of Exhibit "B."

3 4. The foregoing discussed chart set forth at Exhibit "B" to the supplement
4 of plaintiffs' counsel being filed on August 3, 2018 is attached as Exhibit "A" to the
5 proposed order granting final judgment being submitted to the Court with such
6 supplement.

7 5. Because A Cab paid a total USDOL settlement of \$139,988.80 but only
8 \$81,852.19 of that amount is accounted for there is an additional \$58,136.61 paid by A
9 Cab under the USDOL settlement that is unaccounted for. Some or all of that
10 \$58,136.61 may properly constitute an additional amount that should be applied to the
11 judgments calculated to be owed to the class members, as discussed *supra*. Plaintiffs'
12 counsel is prepared to perform those calculations, and request judgment satisfactions
13 from the Court accordingly, if A Cab provides suitable information indicating the class
14 members who received payments from that \$58,136.61 and the amount of such
15 payments.

16 I have read the foregoing and affirm the same is true and correct.
17 Affirmed this 3rd of August, 2018

1 the USDOL (column "D") to create the amount of the judgment to be entered, with
2 interest, that appears at column "F" on each line of Exhibit "B."

3 4. The foregoing discussed chart set forth at Exhibit "B" to the supplement
4 of plaintiffs' counsel being filed on August 3, 2018 is attached as Exhibit "A" to the
5 proposed order granting final judgment being submitted to the Court with such
6 supplement.

7 5. Because A Cab paid a total USDOL settlement of \$139,988.80 but only
8 \$81,852.19 of that amount is accounted for there is an additional \$58,136.61 paid by A
9 Cab under the USDOL settlement that is unaccounted for. Some or all of that
10 \$58,136.61 may properly constitute an additional amount that should be applied to the
11 judgments calculated to be owed to the class members, as discussed *supra*. Plaintiffs'
12 counsel is prepared to perform those calculations, and request judgment satisfactions
13 from the Court accordingly, if A Cab provides suitable information indicating the class
14 members who received payments from that \$58,136.61 and the amount of such
15 payments.

16 I have read the foregoing and affirm the same is true and correct.

23 NADY,
24 Defendants.
25

26 **Case No.: A-12-669926-C**

27 **DEPT.: II**

28 **DECLARATION OF CHARLES BASS**

1 **Charles Bass hereby affirms, under penalty of perjury,**
2 **that:**

3 1. I am self-employed as a computer systems and software consultant. I have
4 over 30 years of experience in working with computer spreadsheets and databases
5 including Microsoft Excel software. I have previously assisted plaintiffs' counsel, Leon
6 Greenberg, in this case by performing arithmetical calculations, using Excel software,
7 on certain information. I understand those calculations, discussed in my declaration of
8 June 14, 2018, and the Exhibits to the same (attached as Ex. "C" to the Declaration of

1 Class Counsel, Leon Greenberg filed with the Court on June 20, 2018) have been used
2 to enter a judgment in this case in 2018 for unpaid minimum wages and pre-judgment
3 interest owed to 890 taxi driver employees of the defendant A Cab. Within the one
4 week prior to signing and verifying the accuracy of this declaration, I reviewed my
5 declaration of June 14, 2018, and its Exhibits, and the other information discussed in
6 that declaration
7
8

9 2. I have been asked by the plaintiffs' counsel to modify the results discussed
10 in my declaration of June 14, 2018, and set forth in Exhibit "5" to that declaration, for
11 use in entering a modified, and smaller, judgment in this case. I was instructed that in
12 doing so I should rely on the same information that I initially used to create that Exhibit
13 "5," except as otherwise instructed. That Exhibit "5" was a list setting forth calculated
14 amounts of minimum wages owed to 900 taxi drivers employed by A Cab from July 1,
15 2007, through December 31, 2015, and interest on those amounts for the period January
16 1, 2016, through June 30, 2018, as discussed in that declaration. I was asked to provide
17 a new list (a "modified judgment list") of the amounts of minimum wages and interest
18 that may still be owed to those same 900 taxi drivers employed by A Cab after making
19 the following changes to the calculations discussed in my June 14, 2018, declaration
20 and otherwise relying on the same information and calculations discussed in that
21 declaration. I was instructed that in creating such modified judgment list I should
22 reduce the amounts originally calculated for those 900 taxi drivers (the Exhibit "E" list
23 to my June 14, 2018, declaration) in the following fashion:
24
25
26
27
28

2.

1 (A) I should exclude from that modified judgment list all amounts of
2 minimum wages that had previously been calculated to be owed to
3 those 900 A Cab taxi drivers for the period prior to October 8, 2010.
4 Those amounts had been set forth in Ex. "1" and Ex. "2" of my
5 declaration of June 14, 2018;
6

7
8 (B) After reducing the amounts of minimum wages owed by excluding
9 all minimum wages owed from prior to October 8, 2010, I should
10 further reduce those minimum wages owed amounts to 191 of those
11 900 taxi drivers pursuant to a list provided to me by plaintiffs'
12 counsel. That list was contained in an Excel file called "DOL
13 Credits" (at Ex. "1" to this declaration) and sets forth in column "D"
14 of that list a "Set Off from USDOL Settlement" amount for 191 of
15 the 900 taxi drivers who were identified at Ex. "E" to my declaration
16 of June 14, 2018. I was instructed to use those column "D" amounts,
17 which total \$80,378.16, to reduce the amount of unpaid minimum
18 wages that would otherwise be calculated to be owed to those 191
19 taxi drivers for the period on and after October 8, 2010;
20

21 (C) After completing the foregoing two steps (A) and (B) I was to
22 calculate the interest due on the remaining amount of unpaid
23 minimum wages owed to those 900 taxi drivers for the period from
24 January 1, 2016, through June 30, 2018, using an interest rate of
25
26
27
28

1 5.5% per annum for 2016; a rate of 5.75% per annum for the period
2 from January 1, 2017 through June 30, 2017; a rate of 6.25% per
3 annum for the period July 1, 2017 through December 31, 2017; and
4 a rate of 6.5% per annum for the period January 1, 2018 through
5 June 30, 2018. I was then to provide a total of the amount of unpaid
6 minimum wages owed and interest that remained owed (if any) for
7 each of those 900 taxi drivers that had appeared at Ex. "5" to my
8 declaration of June 14, 2018.
9
10
11
12

13 3. I have created the requested modified judgment list of unpaid minimum
14 wages and interest owed to the taxi drivers employed by A Cab pursuant to the
15 instructions given to me and that I discuss in paragraph 2, following those instructions
16 and otherwise using the materials and procedures discussed in my declaration of June
17 14, 2018. I attach that reduced list as Ex. "2" to this declaration. That list indicates in
18 Column "F" that \$686,770.48 in unpaid minimum wages and interest is owed to 662
19 taxi drivers who are each owed at least \$10.00. That list also indicates in Column "D"
20 the amount of minimum wages owed to those 662 taxi drivers (total \$598,542.81): the
21 amount of interest they are owed on their Column "D" amount of unpaid minimum
22 wages in Column "E" (a total of \$88,227.67 in interest); and in Column "H" the amount
23 of the "Set Off from USDOL Settlement" (if any for a taxi driver), a total of \$71,558.24,
24 that reduced the minimum wage shortage (amount otherwise owed) to each taxi driver
25
26
27
28

4.

1 and set forth in Column "G" (a total of \$670,111.05). The total number of persons in
2 that modified judgment list is reduced from the 900 persons listed in Ex. "5" of my
3 declaration of June 14, 2018 for two reasons. The first is some of those 900 persons
4 were only owed minimum wages for the period prior to October 8, 2010. The second
5 is that some of those 900 persons, although owed minimum wages for the period on and
6 after October 8, 2010, were among the 191 persons subject to a "Setoff from the DOL
7 Settlement" amount, listed in Ex. "1" hereto. After reducing their calculated minimum
8 wages owed by that amount in Ex. "1" they had no remaining amount of minimum
9 wages owed to them that was at least \$10.00.

10 I have read the foregoing and affirm under penalty of perjury that the same is true and
11 correct.

12 Affirmed this 11th day of February, 2022

Attorneys for Plaintiffs

**DISTRICT COURT
 CLARK COUNTY, NEVADA**

MICHAEL MURRAY, and MICHAEL
 RENO, Individually and on behalf of
 others similarly situated,

Plaintiffs,

vs.

A CAB TAXI SERVICE LLC, A CAB
 SERIES LLC formerly known as A
 CAB LLC, and CREIGHTON J. NADY,

Defendants.

Case No.: A-12-669926-C

Dept.: II

**DECLARATION OF CLASS
 COUNSEL, LEON
 GREENBERG, ESQ.**

Leon Greenberg, an attorney duly licensed to practice law in the State of Nevada, hereby affirms, under the penalty of perjury, that:

1. I have been appointed by the Court as class counsel in this matter. I offer this declaration in connection with plaintiffs' motion to modify the judgment in this case as directed by the Nevada Supreme Court upon remittitur (the "Motion").

2. I have provided to Charles Bass a list of 191 A Cab taxi drivers, with their name, employee ID number, and a "Set Off from USDOL Settlement" amount. That list appears at Ex. "1" to the February 11, 2022, declaration of Charles Bass submitted with the Motion. That list contains the exact same information that was used to

1 determine how the amount of damages awarded to the class members should be set off
2 in A Cab's favor by those USDOL settlement payments and by doing so arrive at the
3 amounts that were entered by this Court as damages in its Judgment entered on
4 August 21, 2018, and those set off amounts being the same ones discussed in
5 "Plaintiffs' Supplement in Reply to Defendants' Supplement dated July 18, 2018"
6 filed with the Court on August 3, 2018.

7 I have read the foregoing and affirm the same is true and correct.
8

9 Affirmed this 14th Day of February, 2022

Plaintiffs,

vs.

A CAB TAXI SERVICE LLC, A CAB
 SERIES LLC formerly known as A CAB,
 LLC, and CREIGHTON J. NADY,

Defendants.

Case No.: A-12-669926-C

Dept.: II

**ORDER MODIFYING
 FINAL JUDGMENT ENTERED
 ON AUGUST 21, 2018**

The Court entered a final judgment in this case on August 21, 2018, as subsequently amended by its Order entered October 22, 2018, against defendant A Cab Series LLC, formerly known as A CAB, LLC. An appeal of that final judgment and certain post-judgment Orders was taken by such defendant and duly heard by the

1 Nevada Supreme Court, which issued an Opinion and remittitur received by this Court
2 on February 4, 2022, wherein it directed a modification of such final judgment to
3 reduce it by the amount of damages previously awarded to plaintiffs for the time period
4 prior to the two year statute of limitations applicable to the plaintiffs' claims, meaning
5 prior to October 8, 2010, this case being commenced on October 8, 2012, and
6 otherwise affirming such final judgment. Plaintiffs filed their Motion for Entry of a
7 Modified Judgment pursuant to such remittitur on February 14, 2022, defendant filed
8 their Response in Opposition on , and plaintiffs filed their Reply in
9 Support of their Motion on . After due and proper deliberation, review
10 of the arguments set forth in each of the parties' briefs and by their counsel, the Court
11 hereby finds and orders:

12 Plaintiffs, in their motion, have submitted to the Court the modified amount of
13 damages to be awarded to the class members, properly reduced from the amounts
14 specified for 890 class members at Ex. "A" to the judgment entered by the Court on
15 August 21, 2018; and it is hereby

16 ORDERED that Ex. "A" annexed hereto, the list of the modified amount of
17 damages to be awarded to the class members presented in plaintiffs' motion, shall be
18 substituted for the Ex. "A" list annexed to the judgment entered by the Court on August
19 21, 2018, with that original Ex. "A" list being stricken, and with the Judgment
20 modified accordingly; and it is further

21 ORDERED that Clerk of the Court shall enter judgment for each individual class
22 member in the amount specified in Column "F" in Ex. "A" as annexed hereto against
23 defendants A CAB TAXI SERVICE LLC and A CAB SERIES LLC, formerly known
24 as A CAB, LLC; in doing so it shall substitute such amounts for the prior amounts it
25 was directed to enter for each class member pursuant to the judgment entered by the
26 Court on August 21, 2018, it being further provided that the Clerk of the Court shall
27 strike from its judgment docket the amount it had previously entered as a judgment in
28 favor of any class member who does not appear on Ex. "A" of this Order; and it is

further

ORDERED the Court's Order and Judgment entered on August 21, 2018, shall remain in effect in all other respects except as modified herein and shall accrue post-judgment on the amounts specified in Column "F" in Ex. "A" annexed hereto as of August 21, 2018.

IT IS SO ORDERED.

Attorneys for Plaintiffs

**DISTRICT COURT
CLARK COUNTY, NEVADA**

MICHAEL MURRAY, and MICHAEL
RENO, Individually and on behalf of
others similarly situated,

Plaintiffs,

vs.

A CAB TAXI SERVICE LLC, A CAB
SERIES LLC formerly known as A
CAB, LLC, and CREIGHTON J.
NADY,

Defendants.

Case No.: A-12-669926-C

Dept.: 2

**PLAINTIFFS' MOTION FOR
ENTRY OF MODIFIED
AWARD OF PRE-JUDGMENT
ATTORNEY'S FEES AS
PROVIDED FOR BY
REMITTITUR**

HEARING REQUESTED

Plaintiffs, through their attorneys, Leon Greenberg Professional Corporation,
hereby submit this motion for the entry of a modified award of pre-judgment attorney's
fees, as originally awarded by the Court's Order of February 6, 2019, and modified as
as directed by the Nevada Supreme Court's Opinion in this case issued on December
30, 2021, 501 P.3d 961, 137 Nev. Adv. Op. 84.

003222

MEMORANDUM OF POINTS AND AUTHORITIES

A small (5% or less) modification of the \$568,071 award of attorney's fees originally made is proper under the Nevada Supreme Court's Opinion as only a very minor component of that original award was changed by the appeal.

Defendants prevailed on appeal on only one issue for which attorney's fees were originally awarded by the Court: whether a statute of limitations toll was appropriate in this case.¹ The Supreme Court found this Court's \$568,071 fee award was reasonable based on the judgment and the record, rejecting A Cab's contrary claims, but because it modified the judgment by reversing solely on the statute of limitations toll issue it directed the fee award be reconsidered for reasonableness on that reversed issue. 501 P.3d at 975.

Unlike other activities in this case, such as successfully securing class action certification, compelling discovery, conducting extensive depositions and expert witness depositions and discovery, and securing summary judgment, the statute of limitations toll dispute was a very limited issue of law that consumed a negligible amount of attorney time and effort — less than 50 hours (less than 2.9%) of a total of 1,738.5 attorney hours expended that this Court considered when arriving at its \$568,071 fee award. All of the other efforts by plaintiffs' counsel were necessary to the success of this case as affirmed on appeal and were properly awarded fees by the this Court. In compliance with the Supreme Court's Opinion, only a small reduction in the fees awarded previously, by no more than 3% (reduced by \$17,042 to \$551,029) and certainly less than 5% (\$28,404 would be a 5% reduction of the attorney's fee award to \$539,667) is proper.

¹ The Supreme Court also reviewed and remanded with instructions it reconsider a post-judgment Order; the proceedings related to that post-judgment Order were not considered in the Court's award of attorney's fees for pre-judgment work.

ARGUMENT

I. This Court properly considered the pre-judgment attorney's fee award and is only to further consider its reasonableness as impacted by the appeal's reversal of its statute of limitations toll ruling.

If the district court had not erred in granting a statute of limitations toll, and awarding damages for that tolled period, the Supreme Court would have fully affirmed the attorney's fee award and no further examination on that issue would be conducted upon remand. 501 P.3d at 975. The examination to be conducted post-remand of that award concerns solely how the erroneous statute of limitations tolling decision impacted that award and the resulting appropriate modification. The entire fee award, and all of its components, and all of the issues bearing on that award, are not subject to re-examination.

A. The Court's original award of attorney's fees was properly calculated and included as a very small component of the attorney work on the reversed statute of limitations tolling issue.

The Court granted plaintiffs' request for attorney's fees in a detailed Order making, as the Supreme Court agreed, all of the appropriate findings required by *Brunzell v. Golden Gate National Bank*, 85 Nev. 345 (1969) and subsequent cases. See, Order, at Ex. "A" hereto, p. 3, l. 8 - p. 6, l. 8. That Order did not award the maximum amount of attorney's fees proposed, but adopted the middle tier of the three different tiers, the "partial exclusion of hours" formulation proposed for an appropriate fee award. *Id.* at p. 2., l. 9 - p. 3., l. 8, p. 8, l. 20-24. That award was based on an hourly lodestar rate of \$400 an hour for senior counsel, \$240 for associate counsel, excluded certain billed hours entirely for fee award purposes, credited travel time at 50% of those hourly rates, and then applied a further across the board 10% discount on the resulting fee. *Id.* See, also, Ex. "B" Motion for Attorney's fees filed October 12, 2018, detailing the fee request adopted by the Court. As the Court found in its Order, defendants failed to provide any meaningful information contesting the plaintiffs' calculated fee award, the hourly rates used to calculate that award, or the

1 time expenditures that were claimed to justify that award. *See*, Order, Ex. “A,” p. 5, l.
2 27 - p. 6, l. 8.

3 Plaintiffs original fee award included detailed declarations setting forth the
4 hours of attorney work expended in this case prior to judgment along with the
5 exclusion of certain recorded hours from that fee award. *See*, Declaration of Leon
6 Greenberg and Christian Gabroy, Ex. “A” and “B” to Motion (copy at Ex. “B” hereto)
7 for An Award of Attorney’s Fees filed October 12, 2018.

8 To allow this Court to comply with the Supreme Court’s instructions, plaintiffs’
9 counsel has reviewed their time records for the 1,738.5 attorney hours that were
10 considered by the Court in making its original \$568,071 award under its “partial
11 exclusion of hours” analysis. The use of 1,738.5 hours for that fee award is confirmed
12 in Ex. “B” hereto (the original fee motion, declaration of Leon Greenberg at Ex. “A”
13 thereto, p. 6, l. 25-27, declaration of Christian Gabroy at Ex. “B” thereto p. 4, l. 23 - p.
14 5, l. 3.). A review of those time records indicates that perhaps 3%, and certainly less
15 than 5%, of the prior attorney fee award was based upon attorney work on the now
16 reversed statute of limitation tolling issue. This is discussed in the annexed Ex. “C”
17 declaration of Leon Greenberg, confirming that:

- 18 ● All work on the statute of limitations tolling issue was performed
19 by Leon Greenberg, and such work consumed less than 50 hours of
20 his 1,190 attorney hours that were used to support the prior fee
21 award of \$568,071; and
- 22 ● The statute of limitation tolling issue was not worked on (briefed
23 via a cross- motion made by plaintiffs) until December 7, 2016,
24 after such counsel had already expended 456 hours on this
25 litigation.

26 An examination of the record of this case also confirms the amount of time and
27 effort devoted by plaintiffs’ counsel to the statute of limitations tolling issue was a
28

1 quite small proportion of this case. The issue was presented by plaintiffs' counsel on a
2 cross-motion filed on December 8, 2016, as part of their opposition to a motion for
3 judgment on the pleadings. That cross-motion was five pages long with 35 pages of
4 exhibits, consisting of a one and half page long declaration from an A Cab taxi driver;
5 two pages of deposition testimony; a two page official notice posted from the Nevada
6 Labor Commissioner, and a notice of deposition. No further briefs were prepared by
7 plaintiffs on that issue. That cross-motion was heard on May 18, 2017, at a hearing
8 that was mostly consumed with a pending summary judgment motion and other issues,
9 such hearing lasting four hours and generating a 130 page transcript (that is in the
10 record) with 28 pages (from pages 5 to 33) consumed arguing that issue — less than
11 one hour of oral argument time. The resulting Order entered on June 17, 2017, and
12 drafted by plaintiffs' counsel, was four pages long, with an exhibit consisting of an 11
13 page computer generated list of names of plaintiffs with statute of limitations toll
14 dates.

15 **B. An appropriate reduction of the attorney's fee award**
16 **would be 3%, or less, and no basis exists to reduce that**
award by even as much as 5%.

17 As the Supreme Court held, and as the plaintiffs' counsel recognizes, to the
18 extent the Court's prior attorney's fee award compensated plaintiffs' counsel for time
19 expended on the erroneously ruled upon statute of limitations toll issue, such
20 compensation was not appropriate. As discussed, that compensation was not even 3%
21 of that award, and a reduction in that fee award, that in every other respect was fully
22 proper and is not appropriately re-examined, should equal that 3% amount, reducing
23 the prior award of \$568,071 by \$17,042 to \$551,029. If the Court were to take a more
24 "round number" approach to that issue (and it should not) a 5% reduction of that fee
25 award — an amount far in excess to the portion of that award properly attributed to the
26 statute of limitations toll issue — would be \$28,404, resulting in a reduced pre-
27 judgment attorney's fee award of \$539,667.
28

The revised award of pre-judgment attorney's fees must accrue post-judgment interest as of February 6, 2019, the date of the original reward, as held by the Nevada Supreme Court.

For all the foregoing reasons, plaintiffs' motion should be granted.

21 **MOTION FOR AN AWARD OF**
22 **ATTORNEYS' FEES AND COSTS**
23 **PURSUANT TO NRCP 54 AND THE**
24 **NEVADA CONSTITUTION**

25 This motion came before the Court for a chambers decision on November 15,
26 2018. Via a Minute Order entered on November 29, 2018, the Court set the motion
27 for a decision announcement on December 4, 2018, when the parties were set to
28 appear for hearing on an unrelated motion. After reviewing the arguments submitted
by the parties in respect to plaintiffs' motion, the Court grants plaintiffs' motion, to the
extent indicated in this Order, and finds as follows:

A. Attorney's Fees

Plaintiffs' motion sought an award of attorneys' fees and costs pursuant to
Article 15, Section 16(B) of the Nevada Constitution which states "[a]n employee

1 who prevails in any action to enforce this section shall be awarded his or her
2 reasonable attorney's fees and costs." Plaintiffs previously secured a judgment in
3 excess of one million dollars for over 900 members of the certified class of plaintiffs
4 via the Court's order of August 21, 2018. The Order further granted class counsel 60
5 days after notice of entry of that Order to apply for an award of fees and costs.
6 Plaintiffs' Motion for an Award of Attorneys Fees and Costs was filed on October 12,
7 2018, and the Court finds such motion was timely filed in compliance with the Court's
8 August 21, 2018 Order.

9 The motion laid out three separate formulations under which the Court was
10 asked to evaluate the request for fees and costs. The first formulation offered by the
11 plaintiffs was the "aggregate hours" formulation, under which plaintiffs sought
12 attorneys' fees based upon their counsel's recorded attorney hours expended upon
13 litigating this matter (minus time for which plaintiffs' counsel has already received
14 fees from the defendants pursuant to a prior sanctions order, and minus time expended
15 upon two claims that did not proceed to judgment) and for which plaintiffs' counsel
16 built in an across-the-board 10% discount. Under that scenario, plaintiffs were
17 seeking a total attorneys' fee award of \$626,481.00.

18 Under the second alternative formulation, the "partial exclusion of hours"
19 formulation, plaintiffs sought an award of fees that excluded for fee purposes recorded
20 attorney hours that defendants could colorably argue were not spent exclusively on
21 activities germane to the litigation or that defendants would argue were unnecessary,
22 or not of great utility or efficiency, or that concerned issues never fully resolved in the
23 litigation. They also eliminated any associate attorney time for appearances at
24 depositions and court hearings for which lead counsel was also present. They further
25 built in an across-the-board 10% discount. Under that scenario, plaintiffs were
26 seeking a total attorneys' fee award of \$568,071.00.

1 Under the third alternative formulation, the “presumptive exclusion of hours”
2 formulation, plaintiffs sought an award of fees based upon an exclusion of time
3 expenditures that, in any significant measure, defendants would presumptively argue
4 should not be included in the fee award, such as time devoted to settlement and
5 mediation efforts (as no settlement or mediated resolution was achieved). They
6 further built in an across-the-board 10% discount. Under that scenario, plaintiffs were
7 seeking a total attorneys’ fee award of \$527,571.00.

8 The Court is satisfied that plaintiffs’ counsel, through their sworn declarations,
9 have set forth a reasonable basis for an award of fees under the factors set forth in
10 *Brunzell v. Golden Gate National Bank*, 85 Nev. 345 (1969) as re-affirmed by *Shuette*
11 *v. Beazer Homes Holdings Corp.*—124 P.3d 530, 549 (Nev. Sup. Ct. 2005). The Court
12 makes the following findings addressing the four relevant considerations established
13 by *Brunzell* that it must examine in arriving at an appropriate attorney fee award,
14 along with exercising its discretion in calculating that award in a fair and reasonable
15 manner. *See, Shuette, id*, citing *Brunzell* and *University of Nevada v. Tarkanian*, 879
16 P.2d 1180, 1188, 1186 (Nev. Sup. Ct. 1994).

17 The first *Brunzell* consideration is the professional qualities demonstrated by
18 plaintiffs’ counsel. The majority of attorney hours detailed in plaintiffs’ motion for an
19 attorney fee award and for which compensation is sought, and ultimately awarded by
20 the Court, was performed by Leon Greenberg. Such counsel has demonstrated that he
21 has over 25 years of litigation experience. Such experience includes handling other
22 class action claims seeking unpaid wages owed to employees, including class action
23 claims involving unpaid minimum wages, the issue in this case. The professional
24 experience and qualities of such counsel is also confirmed by their appellate
25 advocacy, most importantly their success in the appeal in *Thomas v. Nevada Yellow*
26 *Cab* 327 P.3d 518 (Nev. Sup. Ct. 2014), such appeal establishing the basis for the
27 minimum wage claim made in this case. The Court has also extensively personally
28

1 observed the quality of the advocacy by Leon Greenberg and the other counsel for
2 plaintiffs in this case and finds such advocacy was of a high quality. Such counsel's
3 performance has been more than adequate. They have presented the Court with
4 appropriate written briefings and demonstrated, both in those submissions and during
5 their oral advocacy, a level of competence, understanding of the relevant legal issues,
6 and professional performance, that is at least equal to the norm of counsel appearing
7 before the Court.

8 The second *Brunzell* consideration is the character of the work performed by
9 plaintiffs' counsel, considering such factors as its intricacy, importance, and the time
10 and skill it has required. The work performed by plaintiffs' counsel required a high
11 level of intricacy and attention to detail. While class action litigation is not
12 particularly common, and is not handled by most litigation attorneys, this case also
13 posed substantial additional and difficult litigation issues besides its class action
14 nature. Plaintiffs' counsel had to formulate a means to present damages claims in
15 different amounts for hundreds of class members. Unlike some class action cases, this
16 case did not involve a single set amount of damages, if liability was established, for
17 every single class member. Plaintiffs' counsel had to work closely with a skilled
18 computer data analyst (Charles Bass) and expert economist (Dr. Terrence Clauretie) to
19 present an appropriate formulation of the class members' damages for the rendering of
20 a judgment in this case. Plaintiffs' counsel also was confronted with addressing legal
21 issues raised by the relative newness, and not substantially litigated, minimum wage
22 amendment to the Nevada Constitution that was only enacted in 2006. Defendants
23 exerted considerable vigor, at times to an improper extent as demonstrated by the
24 Court's sanction order of March 4, 2016 imposing sanctions of \$3,238.95, in opposing
25 the plaintiffs' discovery efforts in this litigation. Defendants also opposed class
26 certification and otherwise strongly defended this litigation. The work performed by
27 plaintiffs' counsel was of great importance to the plaintiffs' success in this case. It was
28

1 also of presumptively great public importance, as the rights sought to be vindicated by
2 the plaintiffs are secured directly by Nevada's Constitution. In sum, the Court finds
3 that the character, intricacy, difficulty and importance of the work performed by
4 plaintiffs' counsel was far above that of a typical litigation matter.

5 The third *Brunzell* consideration is the work actually performed by plaintiffs'
6 counsel, and the skill, time and attention actually given to that work (this overlaps to
7 some extent with the second consideration). The Court has observed a very high level
8 of competence and skill exercised by plaintiffs' counsel in the performance of the
9 work necessary to the successful prosecution of this case. As discussed in their sworn
10 declarations submitted to the Court, such counsel has also demonstrated the number of
11 hours that they have devoted to this litigation, a very significant amount of time.
12 Such time expenditures, in excess of 1,000 hours from the commencement of this
13 litigation through judgment, combined with the skillful performance of that very
14 detailed work, supports the fee awarded.

15 The fourth *Brunzell* consideration is the result secured and the benefits derived
16 from the efforts of plaintiffs' counsel. That result was substantial, the entry of a
17 judgment in excess of \$1,000,000 on behalf of 890 persons owed unpaid minimum
18 wages. Such a benefit is also best evaluated not just in respect to its sheer monetary
19 size, but its advancement of an important public policy goal, the payment of minimum
20 wages under Nevada's Constitution, to a large group of persons. Absent the
21 considerable efforts of the plaintiffs' counsel, that benefit would not have been secured
22 to such persons.

23 In rendering the fee award made by this Order the Court also finds that the
24 hourly rates used by plaintiffs' counsel in proposing the fee to be awarded, a rate of
25 \$400 for their senior counsel Leon Greenberg and lesser amounts for their other
26 counsel, were justified, reasonable and appropriate. The Court also believes the
27 attorney's fee proposed by plaintiffs' counsel is, at least to some implicit extent,
28

1 rendered reasonable by defendants' failure to provide any form of meaningful,
2 quantified, information contesting plaintiffs' counsel's calculations and fee award
3 claims. Defendants have provided the Court with no information concerning the
4 hourly rates charged by their counsel or the attorney's fees they have incurred in
5 litigating this matter. Nor have defendants contested the appropriateness of the
6 hourly fee rates upon which plaintiffs' counsel rely or contested with any specificity
7 their overall stated time expenditures.
8

9
10
11
12 -The Court is further satisfied that plaintiffs' counsel, as confirmed by their counsel,
13 Leon Greenberg, in open court on December 4, 2018, will not and cannot, by virtue of
14 this Court's final judgment, counsel's retainer agreements with the named plaintiffs,
15 and Rule 23, seek to obtain additional attorneys' fees from any money that has been or
16 will be collected for the class members in satisfaction of the judgment, absent a
17 further order of this Court being issued authorizing the same. Finally, the Court is
18 satisfied that plaintiffs' fee request is based upon plaintiffs' counsel's
19 contemporaneously recorded hours and the Court will not require plaintiffs' counsel to
20 disclose in the record their time notes. Accordingly, the Court finds an appropriate fee
21 award should be based under plaintiffs' second formulation, the "partial exclusion of
22 hours" formulation. Thus, the Court awards plaintiffs' counsel, pursuant to the
23 mandatory fee-shifting provision of Article 15, Section 16 of the Nevada Constitution,
24 \$568,071.00 in attorneys' fees.

25 **B. Costs**

26 With respect to plaintiffs' request for a costs award totaling \$46,528.07, the
27 Court also finds such an award is proper.
28

1 Defendants' argue that costs must be denied because Plaintiffs are seeking in
2 excess of \$29,000 for experts who were never utilized, but more so were subject to
3 being stricken as having not met the required standards for admissibility, citing to
4 Defendants Motion in Limine to Exclude Plaintiffs' Experts.

5 First, the Court will note that the Court was prepared to DENY Defendants
6 motion holding that the court is satisfied that (1) Charles Bass and Terrence Claurite
7 have the requisite knowledge, skill, experience, training, or education to express
8 expert opinions on the Plaintiff's model; (2) their testimony as to the reliability of the
9 model, and the propriety of using such a model in the instant case, would assist the
10 trier of fact in determining whether and to what extent wages are owed to the class
11 members; (3) is appropriately limited in scope to each of their areas of expertise; (4) is
12 based upon sufficiently reliable methodology; and (5) is largely based on
13 particularized facts.

14 In post summary judgment proceedings Defendants continue to allege they
15 were blindsided by the Court's appointing a Special Master and subsequent granting
16 of Plaintiff's Motion for Summary Judgment, as evident once again by their citation to
17 their Motion in Limine. The Court will take this opportunity to explain to the
18 Defendants the course and reasoning of the December and January proceedings.

19 The Court heard Plaintiff's Motion for Partial Summary Judgment on
20 December 14, 2017. The Court GRANTED that motion to the extent Plaintiff has
21 established liability. Thereafter, Plaintiff filed "Plaintiffs' Supplement in Support of
22 Motion for Partial Summary Judgment" arguing that damages and liability are
23 inextricably related. Defendants' also filed their Motion for Summary Judgment on
24 November 27, 2017, and heard on January 2, 2018. Other motions before the Court in
25 the end of December 2017 and early January 2018 included Plaintiffs' Motion to
26 Place Evidentiary burden on Defendant, Plaintiffs' motion to bifurcate or limit issues
27 at trial, Defendants' objection to the Discovery Commissioners Report and
28

1 Recommendation, both Defendants' and Plaintiffs' motions in limine, Defendants'
2 Supplement regarding the January 2, 2018 hearing, both sides Objections pursuant to
3 16.1(3), and Plaintiffs' motions to strike affirmative defenses. It was upon review of
4 all of these motions that the Court found that liability and damages were indeed
5 inextricably related. That is precisely why the Court gave Defendants' one more
6 opportunity to present evidence which would rebut that liability, and yet they could
7 not.

8 It was in preparation of those pretrial motions that the Court inquired into what
9 evidence would be submitted and presented at trial. In Defendants' Motion in Limine,
10 Defendants argued that Plaintiffs' experts methodology was unreliable because it
11 calculated damages derived from inaccurate information, despite Plaintiffs' experts
12 using information consisting of computer data files provided by A Cab. Defendants'
13 argued at that time that the Tripsheets were the only accurate information. That is
14 precisely why this Court appointed a special master, who expended more than \$85,000
15 to review Tripsheets which did not comply with NRS 608.115, to make a
16 determination on a precise calculation of hours. Defendants continued to use their
17 noncompliance with the record keeping statute as both a sword and a shield. That is
18 when this Court decided to apply the reasoning of the United States Supreme Court in
19 *Anderson v. Mt. Clemens Pottery Co.*, 328 U.S. 680 (1946), which stated that "the
20 employer cannot be heard to complain that the damages lack the exactness of
21 measurement that would be possible had he kept records..." *Id.* at 687.

22 Contrary to the Defendants' assertions that the experts were never utilized,
23 Plaintiffs' experts were necessary to this Court granting summary judgment. It was
24 defendants' lack of evidence of the precise amount of work performed to negate the
25 reasonableness of the inference to be drawn from the employees' evidence which
26 warranted the granting of summary judgment. *See Anderson v. Mt. Clemens Pottery*
27 *Co.*, 328 U.S. 680, 687 (1946) ("The burden then shifts to the employer to come
28

1 forward with evidence of the precise amount of work performed or with evidence to
2 negative the reasonableness of the inference to be drawn from the employee's
3 evidence. If the employer fails to produce such evidence, the court may then award
4 damages to the employee, even though the result be only approximate."'). This Court
5 gave defendants every opportunity to come forward with precise evidence, and they
6 did not. They also failed to provide the initial \$25,000 deposit as ordered by this
7 Court, so that the Special Master could provide more precision to the damages
8 calculation by recourse to the trip sheets. Defendants might have a colorable
9 argument against Plaintiff's expert costs had the Special Master completed his work
10 regarding the Tripsheets, and had the trial proceeded on that basis. However, that is
11 not the case here. Plaintiffs' experts were necessary and their expenses reasonable
12 given the extent of the work performed in calculating damages based upon computer
13 data information provided by ACAB. Therefore, the Court grants plaintiffs' request in
14 its entirety and awards a total of \$46,528.07 in costs. Accordingly,

15
16 IT IS HEREBY ORDERED that Plaintiffs' Motion for an Award of Attorneys'
17 Fees and Costs pursuant to NRCP 54 and the Nevada Constitution is GRANTED to
18 the extent specified in this Order in the total amount of \$614,599.07.

19
20 **IT IS SO ORDERED.**

21
22 
23 Honorable Kenneth Cory
24 District Court Judge

 Las Vegas, Nevada 89146
 (702) 383-6085
 Attorney for Plaintiffs

1 declarations (Ex. "A" Leon Greenberg, Ex. "B" Christian Gabroy). Those declarations
 2 discuss the various *Brunzell* factors and present a fee request addressing all of those
 3 factors. They explain the nature of the attorney work performed, the time expended,
 4 and present three alternative means for the Court to calculate a proper fee award. **It**
 5 **should be observed that every one of those fee award proposals already includes a**
 6 **discount on "attorney hours" of at least 10% in the fee calculated.** None rely upon
 7 a "gross" presentation of all time records of the attorneys multiplied by an hourly rate.
 8 Those three scenarios propose a total fee award, for the efforts of by Leon Greenberg's
 9 and Christian Gabroy's law offices, of:

11 \$626,481 (The "aggregate hours" fee of Ex. "A" minus 10%); or

13 \$568,071 (The "partial exclusion of hours" fee of Ex. "A" minus 10%,
 14 also incorporating a reduction of associate hours discussed
 15 at Ex. "B" ¶ 9); or

16 \$527,571 (The "presumptive exclusion of hours" fee of Ex. "A" minus
 17 10%, also incorporating a reduction of associate hours
 18 discussed at Ex. "B" ¶ 9).

19 It should also be noted that the total recovery in this case, with pre judgment
 20 interest, was \$1,033,027. If the Court was to award an attorney's fee based not upon
 21 a lodestar evaluation (attorney hours expended and rate per hour), but upon a fairly
 22 typical contingency fee rate of 40% of the amount recovered, an attorney's fee award
 23 would be \$413,201. While class counsel believes a greater fee should be awarded
 24 than that amount, in light of the extraordinary amount of time the prosecution of this
 25 case has consumed, and the risks of non-collection that they assumed, the Court may,
 26 under Nevada Supreme Court precedents, consider contingency fee percentages in
 27 awarding fees. *See, O'Connell v. Wynn Las Vegas*, 134 Nev. Adv. Rep. 67, 2018 Nev.
 28 App. LEXIS 6, holding that *Shuette v. Beazer Homes Holding Corp.*, 124 P.3d 530,

1 549 (Nev. Sup. Ct. 2005) authorizes an award of attorney's fees in appropriate cases
2 by reference to a contingency percentage fee, not attorney hours.

3 Plaintiffs also ask for an award of costs of \$45,046.21

4 ARGUMENT

5 **I. THE COURT SHOULD AWARD ATTORNEYS FEES IN** 6 **A FASHION THAT IS REASONABLE AND ALSO PROVIDES** 7 **PROPER COMPENSATION FOR ATTORNEYS PURSUING** 8 **MWA CLAIMS**

9 The MWA states: "An employee who prevails in any action to enforce this
10 section shall be awarded his or her reasonable attorney's fees and costs." This
11 provision should be reasonably, vigorously, and liberally, construed in light of the
12 compelling public purpose of the MWA. In this case, as extensively detailed in the
13 declaration of Leon Greenberg, Esq., at Ex. "A," plaintiffs counsel have strived to
14 present a reasonable fee award request that also adequately, and appropriately,
15 compensates them for their very considerable work in this case.

16 Plaintiffs' counsel present appropriate, and likely "lower end," market hour rates
17 for senior counsel time (\$400 an hour) and associate attorney time (\$240 an hour).
18 Each of the three proposed alternative fee calculations impose an "across the board"
19 discount of 10% on the fee calculated on the attorney hours referenced to ensure the
20 requested fee is "reasonable." Plaintiffs' counsel oppose any classification of any of
21 their presented hours of attorney time as "non-billable" and not subject to a fee award
22 (though, again, they propose a 10% overall fee reduction that will also ensure any
23 possible "over billed" work is not compensated). But to assist the Court, they have
24 also examined their time hours and presented two scenarios using various "non-
25 billable time" assumptions that would reduce, significantly, their fee award.

26 Plaintiffs' counsel are not sure what more they can present to the Court to assist
27 it in calculating their appropriate fee award. Their views on how a fee should be
28 awarded, and their supporting documentation, is discussed in Exhibits "A" and "B."

1 The Court is well aware of the extremely protracted, and difficult, nature of this
2 litigation, as well as defendants' near relentless, and vigorous, defense of this case at
3 every stage. It is hoped such awareness will cause the Court to agree with plaintiffs'
4 counsel's contention that their fully requested fee award of \$626,481 (and again, that
5 sum **is reduced 10% from the full fee that would be awarded based on their time**
6 **records**) is appropriate and should be granted.

7
8 **II. THE COURT SHOULD AWARD COSTS OF \$45,046.21**

9 Plaintiffs' counsel seeks an award of \$45,046.21 in expenses (Ex. "A" ¶ 18, Ex.
10 "B" ¶ 10).

11 The majority of the costs sought by the plaintiffs, \$29,022, is for fees paid to
12 expert witnesses and consultants. Of that amount \$9,330 was paid to retain the
13 services of Dr. Terrance Claurette, who wrote an expert report for plaintiffs. Of the
14 remainder, \$17,962 was paid to Charles Bass who spent over 300 hours deciphering
15 defendant's relevant computer dispatch and payroll records (Cab Manager and
16 Quickbooks data records) and summarizing the information in those records that was
17 essential to the recovery secured in this case for the class members. The remainder of
18 that amount was expended for three different consultants (as explained in Ex. "A" ¶
19 19) to overcome defendants' repeated (and false) insistence that they could not
20 produce those computer data files or did not know how to do so (conduct subject to the
21 March 4, 2016 sanctions Order issued by this Court).

22 While NRS 18.005(5) normally limits expert costs to no more than \$1,500 per
23 expert, and for a maximum of five such experts, it does not bar this Court from
24 awarding the full requested \$29,022 in such costs. The Court should award the full
25 amount of those costs. It would be contrary to the MWA to deny an award of these
26 costs that were essential to this case. Indeed, there would have been no recovery in
27 this case if these expenses has not been paid by class counsel. Denying an award of
28

1 these costs would be improper, as it would essentially allow employers, such as the
2 defendant in this case, to make MWA claims impossible to prosecute. By not
3 cooperating in litigation, and making proof of claims difficult and reliant upon such
4 expert assistance, MWA defendants would be able to make MWA claims cost more to
5 prove than can be collected in a lawsuit over those claims. The MWA did not intend
6 to allow any such circumstances.

7 It should also be observed, as documented in the record of these proceedings,
8 the defendants paid over \$47,000 to their expert witness in an attempt to defeat the
9 plaintiffs' claims. Having engaged in such a massive cost to defend this case,
10 defendants cannot properly be heard to complain about now being charged with the
11 much smaller expert cost that they forced upon the plaintiffs.

12 CONCLUSION

13 Wherefore, the plaintiffs' motion should be granted in its entirety.

Attorneys for Plaintiffs

DISTRICT COURT

CLARK COUNTY, NEVADA

MICHAEL MURRAY, and MICHAEL
 RENO, Individually and on behalf of
 others similarly situated,

Plaintiffs,

vs.

A CAB TAXI SERVICE LLC, A CAB,
 LLC and CREIGHTON J. NADY,

Defendants.

Case No.: A-12-669926-C

Dept.: I

**DECLARATION OF
 PLAINTIFFS' COUNSEL,
 LEON GREENBERG, ESQ.**

Leon Greenberg, an attorney duly licensed to practice law in the State of Nevada, hereby affirms, under the penalty of perjury, that:

1. I am one of the attorneys representing the plaintiffs in this matter. I am offering this declaration in support of plaintiffs' request for an award of attorney's fees and costs for securing the final judgment for damages rendered in this case to the NRCP Rule 23(b)(3) class and entered by the Court on August 21, 2018. This declaration is intended to comport with the requirements of demonstrating the appropriate award of attorney's fees, under the principles enunciated in *Brunzell v. Golden Gate National Bank*, 85 Nev. 345 (1969), for the work performed by my law office and its employees. Under *Brunzell* the guiding factors for an award of attorneys fees are (summarized): (1) The quality of the advocate performing the work (their skill,

1 training, experience, and so forth); (2) The character of the work, in respect to its
 2 difficulty, intricacy and importance to the litigation; (3) The skill, time and attention
 3 given to the work; and (4) The result, in respect to whether the work was successful
 4 and the benefit derived from such success.

5 **AMOUNT OF FEE REQUESTED**
 6 **AND BASIS FOR THE SAME**

7 **Amount Requested**

8 3. I am requesting an award of \$577,953 or \$521,433 or \$480,933
 9 in attorney's fees for the work of the employees of my office and reimbursement of
 10 \$44,865.57 in necessary litigation costs. As discussed, *infra*, these varying proposed
 11 fee award amounts are based upon different underlying approaches the Court may take
 12 to the necessity and utility of the all of the work performed by my office in this case.

13 **Brunzell Factor One: Quality of Advocates Performing the Work**

14 4. I am a 1992 *magna cum laude* graduate of New York Law School where I
 15 received the Trustee's Prize for having the highest GPA of all graduating evening
 16 division students, graduating first in my division and third out of 358 day and evening
 17 division students. I am a member of the bars of the States of Nevada, California, New
 18 York, New Jersey and Pennsylvania and have continuously practiced law full time
 19 since 1993. I have substantial experience in class actions and wage and hour claims
 20 and have successfully litigated over two dozen class action cases where I have been
 21 appointed class counsel. My litigation experience includes novel matters, such as
 22 *Hallissey v. America Online*, Docket 99-CV-03785 (KTD), United States District
 23 Court, Southern District of New York, on behalf of a class of Internet "volunteers" for
 24 unpaid minimum wages, that case being concluded with a \$15,000,000 class
 25 settlement. I have also handled a significant number of appeals to the Nevada Supreme
 26 Court and the Ninth Circuit Court of Appeals that have resulted in published opinions.
 27 Those appeals have included *Thomas v. Nevada Yellow Cab*, 327 P.3d 518 (Nev. Sup.
 28 Ct. 2014). The Opinion in *Thomas* confirmed that taxi drivers are entitled to minimum
 wages under Nevada's Constitution, the exact claim presented in this very case.

1 5. My associate, Dana Sniegocki, is a 2007 *cum laude* graduate of Thomas
2 Jefferson Law School, has been licensed to practice law for over nine years, is admitted
3 to the State Bars of Nevada and California, has been an associate attorney at my office
4 for more than nine years, and has experience in litigating class action cases, specifically
5 wage and hour class action litigations. She has been appointed co-class counsel in
6 over 10 class action cases handled by my office.

7 **Brunzell Factor Two: The Intricacy, Importance and Difficulty of the Work**

8 6. In respect to the second factor, the legal work performed in this case was,
9 in substantial if not majority measure, intricate and difficult. My office was involved
10 in the successful class action prosecution, and secured an opposed judgment, of this
11 case. Multiple complex and intricate issues, dealing with issues of first impression in
12 respect to the application of the Nevada Constitution's Minimum Wage Amendment
13 (only enacted in 2006) and with class action certification, were presented by this case.
14 This case did not involve commonly litigated tort or contract claims where counsel can,
15 and typically do, rely upon various established forms or repetitive motions and
16 litigation steps. The litigation approach of the defendant, who spared no expense or
17 effort in mounting a vigorous (and, as found by the Court's Order of March 4, 2016
18 imposing sanctions of \$3,238.95 for discovery abuses, at times overzealous) defense,
19 rendered such work much more difficult and time consuming.

20 **Brunzell Factor Three: The Skill, Time and Attention Given to the Work**

21 7. In respect to the third factor, I expended considerable attention, and an
22 inordinate amount of time, on the prosecution of this case. The work I personally
23 performed was quite detailed. I drafted numerous original briefs for the Court and
24 spent considerable amounts of time planning, in detail, the depositions conducted of the
25 defendant and structuring, and drafting, plaintiffs' discovery requests. The vast
26 majority of the work that I performed in this case was originally crafted for this case, I
27 did not, and could not given the nature of this case, rely upon canned forms or prior
28 work from other cases. It is for the Court to pass judgment on the skillfulness of the
work I performed in this case and that I oversaw from my office's employees. I believe
