NOTICE OF INTENT TO USE AUDIOVISUAL TECHNOLOGY PURSUANT TO  
NRS 171.1975 TO PRESENT LIVE TESTIMONY AT PRELIMINARY EXAMINATION DUE  
TO COVID-19 OUTBREAK  
BY                      *sh* **2021**

Pursuant to NRS 171.1975, if the preliminary hearing in this matter is conducted during the COVID-19 outbreak, the State of Nevada intends to present the testimony of all victims and witnesses, regardless of geographical location, through the use of audiovisual technology. The court must allow the use of such audiovisual technology if good cause exists.<sup>1</sup>

Prior to the preliminary hearing in this matter, the witness will be sworn and will sign the previously provided declaration, which acknowledges that “the witness understands that he or she is subject to the jurisdiction of the courts of this state and may be subject to criminal prosecution for the commission of any crime in connection with his or her testimony, including, without limitation, perjury, and that the witness consents to such jurisdiction.”<sup>2</sup>

There is good cause existing to limit in-person testimony at a preliminary hearing during the COVID-19 outbreak due to the following facts and circumstances:

On March 11, 2020, the World Health Organization, noting their deep concern as to “both [] the alarming levels of spread and severity, and [] the alarming levels of inaction,” to the COVID-19 outbreak, officially declared the outbreak as a **pandemic**. While doing so, the WHO noted they “have never before seen pandemic that can be controlled,” and since they were first notified, they have “called everyday [*sic*] for countries to take urgent and aggressive action,” further noting, “[w]e have rung the alarm bell loud and clear.”<sup>3</sup>

Since this classification of the COVID-19 outbreak as a pandemic, Federal, State, County, and Local governments across the United States of America have taken swift and significant action to prevent the spread of this disease.

On Friday, March 13, President Trump declared a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak.<sup>4</sup> Three days after this initial proclamation, President Trump and the White House Coronavirus Task Force issued stronger guidelines in an effort to slow the spread of this disease. Notably, the guidelines stated “[e]ven if you are young, or otherwise healthy, you are at risk and your activities can increase the risk for others. It is critical that you do your part to slow the spread of the coronavirus.” President Trump called for gatherings to be no larger than ten people and to avoid eating and drinking in bars, restaurants, or food courts.<sup>5</sup> Finally, the Director of the National Institute of Allergy and Infectious Diseases

<sup>1</sup> NRS 171.1975.1 “... if good cause otherwise exists, the magistrate must allow the witness to testify at the preliminary examination through the use of audiovisual technology.”

noted: “[w]hen you’re dealing with an emerging infectious disease outbreak, you are always behind where you think you are....”<sup>6</sup>

Governor Sisolak issued a Declaration of Emergency in the State of Nevada on March 12, 2020. On Sunday, March 15, 2020, Governor Sisolak ordered all K-12 schools in the State of Nevada closed through April 6, 2020. Later that same day, he announced further directives, which included: closing state offices to the public, a call to transition to working as much as possible over the phone or online for essential services, and strongly encouraged gaming properties to close to the public. Governor Sisolak stated these efforts are required “protect the health and safety of the public and our state workforce while ensuring that the important work of our state government does not grind to a halt.” Further, he noted that we all “must do what we can to be part of the solution and share[] responsibility for each other as Nevadans.”<sup>7</sup>

Clark County, as well as many cities therein, issued their own Declarations of Emergency in response to the COVID-19 outbreak.<sup>8</sup> Federal, state, and local courts also responded to the outbreak with varying administrative orders, citing the COVID-19 outbreak as good cause to suspend court proceedings or scale back operations.

The U.S. District Court for the District of Nevada continued all trials through April 20, 2020, among other modifications and visitor restrictions “to do its part in slowing the spread of COVID-19.”<sup>9</sup>

The Nevada Supreme Court and Court of Appeals imposed visitor restrictions to minimize exposure, noting, “... the best way to prevent illness is to avoid being exposed to the virus.”<sup>10</sup>

The Eighth Judicial District Court issued Administrative Order 20-01, which suspended all jury trials for 30 days and encouraged any essential hearings to be heard through alternative means to in-person appearances. Additionally, the order provided restrictions on public and employee entry into the courthouse.<sup>11</sup> Three days later, through Administrative Order 20-02, the court discontinued in-person meetings or gatherings and issued a direction to conduct court business through social distancing.<sup>12</sup>

The Las Vegas Justice Court issued Administrative Order 20-03, which provided for amended procedures due to the COVID-19 outbreak. However, all preliminary hearings, regardless of

custody status, are still expected to proceed in person, although alternative appearances for the attorneys are “encouraged when possible.”<sup>13</sup>

While there are precautionary measures in place to screen for those exhibiting symptoms of the virus before entering the courthouse, the courthouse is open to the public as of March 16, 2020. A person infected with this virus, and who is contagious, may take up to two weeks to exhibit the symptoms that are the current focus of any screening. Further, multiple new studies strongly suggest that those who are infected, but are asymptomatic, are likely a significant force driving the spread of COVID-19.<sup>14</sup> Finally, President Trump declared COVID-19 an “invisible enemy.”<sup>15</sup>

Considering preliminary hearings are still scheduled and expected to be heard in the Las Vegas Justice Court, where attorneys are encouraged to use alternative methods to appear, limiting the in-person testimony of all victims and witnesses is required in the interest of public health and the safety of our community. Therefore, the State of Nevada intends to introduce such testimony at the preliminary hearing through the use of audiovisual technology should this hearing proceed during the COVID-19 outbreak.

14           About 20 minutes later I heard a knock on the door.  
15 When I went to my front door to unlock it, the person kicked  
16 the door in and proceeded to beat me with a crowbar. I went  
17 into the kitchen, I was brutally beaten, cut and just left in  
18 a puddle of blood.

19      **Q**   Okay. So let me take you back.

20           You say you went to the door to answer it when you  
21 heard the knock. Were you able to get the door open?

22      **A**   Yes.

23      **Q**   Okay.

24      **A**   The lock -- the lock popped, to turn -- yes, it was  
25 open.

1           Q     And the person on the other side, did you invite  
2 them into the house?

3           A     No, ma'am.

4           Q     Okay. Can you describe generally what that  
5 individual looked like?

6           A     Can I do what?

7           Q     Can you describe generally what that individual  
8 looked like, male, female?

9           A     Vaguely. At first I knew it was a light black male  
10 with braids in his hair, that's all I could see after the  
11 punch, you know.

12          Q     Did you recognize the person when the door swung  
13 open? Had you met them before?

14          A     No.

15          Q     Okay.

16          A     I never even knew them.

17          Q     Okay. So you said that they forced their way into  
18 your home; is that correct?

19          A     Yes. Kicked the door when they heard the door lock  
20 pop.

21          Q     And when they came into your home, did they say  
22 anything to you?

23          A     With -- as they were hitting me all in my face with  
24 the crowbar, he kept saying, where's the money, where's the  
25 money. I said, man, I don't have any money.

1           Q     Okay.  The crowbar that you described, was that  
2 something that they brought with them or was it something --  
3           A     Yes, it was.  
4           Q     And do you recall anything about that crowbar?  
5           A     No, I don't.  I know it was metallic brown or copper  
6 or something like that, dark.  All I could see, it just  
7 hitting me in my face and all through my body.  
8           Q     Approximately how many times were you hit?  
9           A     Oh, I would say 25, maybe.  
10          Q     Were those all with the crowbar or were there other  
11 things --  
12          A     All with the crowbar, correct.  
13          Q     At any time did that individual use their hands to  
14 hit you?  
15          A     I -- not that I know of, no.  
16          Q     And you said that it started at the door, you went  
17 into the kitchen; is that correct?  
18          A     Say that again, please?  
19          Q     You said that it started at your front door --  
20          A     Yes.  
21          Q     -- but then you went --  
22          A     Yes.  That's where the first blow came in at the  
23 front door.  
24          Q     Okay.  And what happened, did he follow you through  
25 the house?

1           **A**     I didn't go through the house, I went into the  
2 kitchen.

3           **Q**     Okay. Did he follow you into the kitchen?

4           **A**     Yes, he did, and continued to strike me with the  
5 crowbar, asking me where was the money.

6           **Q**     Okay. And how did this all sort of end?

7           **A**     I came to, with no one in the house, I was lying in  
8 a pool -- a puddle of blood in my kitchen on the floor. I  
9 crawled out of my apartment, went upstairs to the neighbors,  
10 knocked on their door, they didn't answer, came back down and  
11 dialed 9-1-1.

12          **Q**     Okay. So is it fair to say that you lost  
13 consciousness as a result of being hit --

14          **A**     Yes.

15          **Q**     -- in the head?

16          **A**     Correct.

17          **Q**     I need you to wait until I'm done with my questions,  
18 because she's trying to type --

19          **A**     Say that again?

20          **Q**     I need you to wait until I'm done with my  
21 questions --

22          **A**     Oh.

23          **Q**     -- because she's trying to type everything and it's  
24 really hard --

25          **A**     Okay. Okay.

1           Q     -- when we talk at the same time.

2                     All right.  So you said you called 9-1-1.  Did an

3 ambulance come?

4           A     Yes.

5           Q     Okay.  And were you taken to the hospital?

6           A     Yes.

7           Q     What injuries did you sustain as a result of this?

8           A     You don't have that on file -- well, okay.  I had a

9 broken nose, fractured skull, I had 18 stitches in my head, my

10 nose was broken, and I looked like somebody poured acid on my

11 face, I was all cut up in the face.

12          Q     Is it fair to say that you had pain for some time

13 after this incident?

14          A     Yes.  I couldn't return to work.  I went to the

15 hospital, I stayed in there almost 11 days, and I'm still

16 suffering to this date.  I'm still going to doctors.  My eyes

17 are bad.  My nose is possibly still broke.  I did have some

18 reconstruction.  It was tragic.  Ridiculous.

19          Q     You said you were in the hospital for about 11 days.

20 At some point, obviously, you were released from the hospital?

21          A     Yes.

22          Q     Did you go back to your apartment?

23          A     Yes, I did.

24          Q     When you got back to your apartment, did you notice

25 anything in the apartment that did not belong to you?

1           **A**     Yes.  When I came into the apartment I said, I have  
2 to clean up all this blood that was on the floor.  When I  
3 turnt around, I had a dinette table in the kitchen area, this  
4 crowbar was underneath the table.  I immediately called the  
5 detective, they came and then the crime people came.

6           **Q**     And they took the crowbar?

7           **A**     Yes.  They dusted it at the house for prints, they  
8 couldn't find none, and they took it with them.

9           **Q**     Um-hum.

10                   Did you then have an opportunity to go through your  
11 home?

12           **A**     Did I have who?

13           **Q**     An opportunity to go through your home to see if  
14 anything was missing.

15           **A**     Yes, I did but -- there was cash.  I mean if you're  
16 hitting me and asking me for cash, you didn't even -- he  
17 didn't even search the house.  There was cash and jewelry all  
18 in the bedroom.

19           **Q**     Okay.  So nothing was missing?

20           **A**     Nothing was missing, no.

21           **Q**     Okay.  At some point, after you found the crowbar,  
22 did the detective again meet with you to show you some  
23 pictures?

24           **A**     Yes, he did.

25           **Q**     Okay.  And when he met with you, did he read to you

1 or have you read a typewritten statement about those photos  
2 before showing them to you?

3       **A**     Yes.

4       **MS. THOMSON:** May I approach?

5       **THE COURT:** Yes.

6 **BY MS. THOMSON:**

7       **Q**     Showing you what's been marked as State's Proposed  
8 Exhibit 1, this top paragraph, is that the paragraph that he  
9 either read to you or had you read?

10      **A**     Yes.

11      **Q**     And then right below the typed paragraph there's --

12      **A**     My signature.

13      **Q**     And you signed that when you read it?

14      **A**     Yes.

15      **Q**     After you read it, did you in fact look at photos?

16      **A**     Yes.

17      **Q**     I'm going to show you page 3 of State's Proposed  
18 Exhibit 1, are these the photos you looked at?

19      **A**     Yes.

20      **Q**     There's some handwritten markings on this page, were  
21 those made by you?

22      **A**     Yes, my signature.

23      **Q**     And did you pick this individual?

24      **A**     Yes, I did.

25      **Q**     And then showing you back on page 1, the bottom half

1 of the page, is that your writing?

2       **A**     Where's that?  Yes.  Yes.

3       **Q**     Okay.  And did you write that after you looked at

4 the photographs?

5       **A**     Yes.

6       **Q**     Why did you pick the person in Position No. 4 on

7 page 3 of State's Proposed Exhibit 1?

8       **A**     Because I was asked could I recognize the person,

9 and from what I could see after -- before the first blow,

10 that's just what they looked like.

11       **Q**     Okay.  So you picked him because that's who you

12 recognized --

13       **A**     Yes.

14       **Q**     -- from being at your door?

15       **THE COURT:**  State, are you intending on introducing

16 State's 1?

17       **MS. THOMSON:**  I will, but the detective --

18       **THE COURT:**  Later.  Got it.  Okay.

19       **MS. THOMSON:**  Can I run out in the hall?  I gave the

20 detective my file, and he's been holding the file, and I just

21 want to look --

22       **THE COURT:**  Yeah, of course.  Or you can grab mine if you

23 want to.

24       **MS. THOMSON:**  That's probably closer.

25       Thank you.  I apologize.

1           **THE COURT:** No problem.

2   **BY MS. THOMSON:**

3           **Q**     And, sir, as I said, I don't have my file, so I  
4 don't mean this as an offensive question, I just want to make  
5 sure that I cover all my bases.

6           **A**     Um-hum.

7           **Q**     When were you born?

8           **A**     1957.

9           **MS. THOMSON:** And I will pass the witness.

10          **THE COURT:** All right. Cross-examination.

11                                   **CROSS-EXAMINATION**

12   **BY MR. JENKINS:**

13          **Q**     Mr -- it's Agard, correct?

14          **A**     Agard, yes.

15          **Q**     Mr. Agard, when this attack occurred, you said that  
16 you heard a knocking at the door and you went to answer the  
17 door; is that correct?

18          **A**     Yes.

19          **Q**     And then as you were unlocking the door you said the  
20 door got kicked in?

21          **A**     Yes.

22          **Q**     Did you ever turn the doorknob --

23          **A**     No, sir.

24          **Q**     -- to open the door?

25          **A**     No. I turned the lock.

1           Q     So you turned the deadbolt?

2           A     Yes.

3           Q     Okay. And after you clicked the deadbolt, then the  
4 door got kicked in?

5           A     Yes.

6           Q     Okay. And when the -- the person came in, did you  
7 see a crowbar in their hand or were you already getting hit?

8           A     Not really, I -- no, no, I didn't see the crowbar.  
9 I know they had something in their hand --

10          Q     Okay.

11          A     -- yes.

12          Q     So they had something, you described it as dark or  
13 possibly copper?

14          A     Yes. Yes.

15          Q     Okay. And -- so then with this initial attack,  
16 was -- what was the person wearing, did you see what they were  
17 wearing?

18          A     Could have been a sweatshirt or greenish colored  
19 dark shirt.

20          Q     Okay.

21          A     That's basically all I saw.

22          Q     Were -- given the current situation of the world,  
23 were they wearing any kind of a mask or face covering?

24          A     No. There wasn't no mask at that time, no.

25          **MR. JENKINS:** And -- let's see. Between -- I apologize,

1 Court's brief indulgence.

2 **THE COURT:** Sure.

3 **BY MR. JENKINS:**

4 **Q** Do you recall when you did the photo lineup? When  
5 you looked at the photo lineup with the officer?

6 **A** Okay.

7 **Q** Do you recall -- do you recall the date?

8 **A** No, I don't.

9 **MR. JENKINS:** Court's brief indulgence.

10 (Discussion between Mr. Jenkins and Ms. Thomson.)

11 **BY MR. JENKINS:**

12 **Q** Was it -- do you feel like it was approximately two  
13 months after?

14 **A** It could have been.

15 **Q** Okay. Would you have any reason to dispute if  
16 the -- if the lineup said it was done on -- on November 22nd,  
17 does that sound like a reasonable date?

18 **A** So that would have been two months later, may --  
19 like I said, it could have been.

20 **Q** Okay. And so during that two months, from the time  
21 this occurred until you completed the photo lineup, had you  
22 ever seen the person who attacked you since then?

23 **A** No, sir.

24 **Q** Had you seen that former coworker --

25 **A** No, sir.

1           Q     -- since that time?

2           A     No, sir.

3           Q     Now when you called 9-1-1, and after -- you said you

4 went up to your neighbor's apartment, you came back to your

5 apartment and called 9-1-1 --

6           A     Yes.

7           Q     -- is that correct?

8           A     Yes.

9           Q     So when you called 9-1-1, do you recall emergency

10 responders coming to your house?

11          A     Yes, I do.

12          Q     Or your apartment.

13          A     Yes.

14          Q     When they came to your apartment, who responded?

15          A     A Detective Albright.

16          Q     Would --

17          A     And the police off -- off -- officer in uniform.

18          Q     So the first one on the scene, who was the first one

19 on the scene?

20          A     I believe it was the officer in uniform.

21          Q     Okay. And what did you tell the officer in uniform

22 happened?

23          A     I was assaulted in my home by an unknown person.

24 And they could see all the evidence all over the place.

25          Q     Okay. And you said -- so you told the officer you

1 were assaulted, and then at that point medical responders  
2 came?

3       **A**     Medical responded, I was taken to UMC Hospital.

4       **Q**     Okay. And then after, when you returned to your  
5 apartment, after you got out of the hospital --

6       **A**     Um-hum.

7       **Q**     You said you were in the hospital 11 days?

8       **A**     Yes.

9       **Q**     So after you were in the hospital 11 days, you  
10 returned to your apartment, correct?

11      **A**     Yes.

12      **Q**     And when you returned to your apartment had anything  
13 been changed in your apartment?

14      **A**     No, not that I know of.

15      **Q**     Okay. And at that point you said you found a  
16 crowbar in your apartment?

17      **A**     Yes, underneath the dining room table.

18      **Q**     Did you -- did you touch the handle or move the  
19 crowbar?

20      **A**     No. No, I did not.

21      **Q**     Okay. You just left it there?

22      **A**     I left it right there.

23      **Q**     And then the crime scene analysts came out --

24      **A**     That's correct.

25      **Q**     -- and took that into evidence?

1           **A**     Yes.

2           **MR. JENKINS:**   And Court's brief indulgence.

3           **THE COURT:**   Sure.

4           (Discussion between Mr. Jenkins and The Defendant.)

5 **BY MR. JENKINS:**

6           **Q**     Mr -- Mr. Agard, when you were being attacked, was  
7 there anything you did to fight off the attack or defend  
8 yourself?

9           **A**     I went into the kitchen, and I believe I may have  
10 opened a drawer, that's where I had utensils at, knives and  
11 whatever else.

12          **Q**     Okay.

13          **A**     And I do remember the individual said to me, oh, you  
14 gonna stab me? I don't know if he took the knife that was in  
15 the drawer or not, but when I came back the big 12 inch chef's  
16 knife was broken in half, so -- and I had several cuts on my  
17 body.

18          **Q**     Okay. You said that you went to a drawer to  
19 possibly try to get a knife or something to defend yourself;  
20 is that correct?

21          **A**     It could be, yes.

22          **Q**     And you said that you found a knife that had been --  
23 a large knife that had been broken in half?

24          **A**     Yes. When I returned back home, yes.

25          **Q**     Did you alert the crime scene analyst, the fact --

1           **A**     Yes.

2           **Q**     -- of the knife?

3                   Do you know whether they took that knife?

4           **A**     No, that knife was still -- I still have that knife

5 to this day, yes.

6           **Q**     Okay. So they didn't do anything --

7           **A**     To the knife, no.

8           **MR. JENKINS:** Okay. Nothing further at this time, Your

9 Honor.

10          **THE COURT:** Redirect.

11          **MS. THOMSON:** Just one question.

12                                **REDIRECT EXAMINATION**

13 **BY MS. THOMSON:**

14          **Q**     You mentioned this former coworker, what was her

15 name?

16          **A**     D-Lynn Dorsey.

17          **MS. THOMSON:** Thank you.

18          **THE COURT:** Anything based on that?

19          **MR. JENKINS:** Just -- just to clarify.

20                                **REXCROSS-EXAMINATION**

21 **BY MR. JENKINS:**

22          **Q**     The first name is Delynd (phonetic)?

23          **A**     Yes. Yes.

24          **Q**     With a D at the beginning and the end?

25          **A**     Yeah. D, hyphen, L-y-n-n, I believe that's it.

1           **Q**     D-Lynn?

2           **A**     Yes.

3           **Q**     Okay.

4           **THE COURT:** All right, sir, thank you very much for your  
5 testimony, you are free to step down and free to go. Sir,  
6 please do not discuss your testimony with anybody, okay?

7           **THE WITNESS:** Okay.

8           **THE COURT:** Thank you, sir.  
9 State, who's your next witness?

10          **MS. THOMSON:** Detective Albright.

11          **THE COURT:** All right. We'll get Detective Albright in  
12 here.

13          **MR. JENKINS:** Your Honor, I believe we could recall Mario  
14 Hunt, it's going to be a waiver.

15          (Whereupon a discussion was held on another case.)

16          **THE COURT:** All right. We're back on the record with  
17 Joseph Warren, III, 21CR015138.

18          Sir, if I could have you just raise your right hand.  
19 Thank you.

20                                    **THOMAS ALBRIGHT,**  
21 called as a witness by the State, and having been first duly  
22 sworn to testify to the truth, the whole truth, and nothing  
23 but the truth, testified as follows:

24          **THE WITNESS:** I do.

25          **THE CLERK:** Thank you. Please be seated.

1 Can you please state and spell your name for the record?

2 **THE WITNESS:** It's Thomas Albright, T-h-o-m-a-s.

3 Albright, A-l-b-r-i-g-h-t.

4 **THE COURT:** Thank you.

5 State.

6 **MS. THOMSON:** Thank you.

7 **DIRECT EXAMINATION**

8 **BY MS. THOMSON:**

9 **Q** Good morning, Detective. I'm going to direct your  
10 attention back to September 28th of last year. On that date  
11 were -- or at some point were you assigned to a crime that  
12 occurred on that date, that had occurred at 1801 J Street,  
13 Apartment 128?

14 **A** I was.

15 **Q** And is that here in Clark County, Nevada?

16 **A** It is.

17 **Q** As part of your investigation in that case, did you  
18 meet with the victim in that case?

19 **A** Yes, I did.

20 **Q** Okay. And did you show him a photo lineup?

21 **A** Yeah, it was about two months later on November  
22 22nd.

23 **Q** Okay. Do you recall if you're the one who  
24 constructed that photo lineup or if someone else did?

25 **A** I did.

1       **Q**     And generally, a photo lineup is six photographs of  
2 people who look somewhat similar, you go through reading them  
3 the paragraph or have them read it, and then look at the  
4 photos?

5       **A**     Yes. So I have them read it as I read it to them.

6       **Q**     Okay.

7       **A**     Yes.

8       **Q**     And did you follow that process in this case?

9       **A**     Yes.

10       **Q**    So we have a set of photos that don't have any  
11 identifiers and a set of photos that do. Do you ever show the  
12 witness the set of photos that have identifiers?

13       **A**     No.

14       **MS. THOMSON:** Okay. May I approach the Witness?

15       **THE COURT:** Of course.

16 **BY MS. THOMSON:**

17       **Q**     I'm showing you what's been marked as State's  
18 Proposed Exhibit 1, is this the photo lineup that you showed  
19 to Bruce in this case?

20       **A**     Yes.

21       **Q**     And so page 2 of State's Proposed Exhibit 1, he  
22 never saw, correct?

23       **A**     No, he never did.

24       **Q**     Okay. Is this a true and accurate copy of both the  
25 key -- the photographs that he looked at, signed, and the

1 initial page with the instructions of his statement?

2       **A**     Yes.

3       **MS. THOMSON:** I move for admission of State's Proposed  
4 Exhibit 1.

5       **THE COURT:** Any objection?

6       **MR. JENKINS:** No objection.

7       **THE COURT:** All right. State's Proposed Exhibit 1 will  
8 be admitted.

9       (Whereupon State's Exhibit No. 1 was admitted into  
10 evidence.)

11 **BY MS. THOMSON:**

12       **Q**     And for the record, can you tell us who it is that  
13 he picked out on what is page 3 of State's Exhibit 1?

14       **A**     He picked out Picture No. 4, which, according to the  
15 key, is Joseph Warren.

16       **Q**     Okay. And do you have an I.D. number on Joseph  
17 Warren?

18       **A**     Yes. His I.D. number -- it's listed on here of,  
19 0982861.

20       **Q**     Did you, after completing the photo lineup,  
21 subsequently have an opportunity to speak with Mr. Warren?

22       **A**     Yes. He was arrested for a parole violation, I was  
23 able to meet him at the Clark County Detention Center on March  
24 28th of this year.

25       **Q**     And is Mr. Warren present in the courtroom today?

1           **A**     Yes.

2           **Q**     Will you please point to him and describe something  
3 he's wearing today.

4           **A**     He's sitting right here at the defendant's desk,  
5 he's wearing the orange jumpsuit, he has the braided hair and  
6 he's wearing a white mask.

7           **MS. THOMSON:** Let the record reflect identity of the  
8 Defendant?

9           **THE COURT:** The record will so reflect.

10          **MS. THOMSON:** Thank you.

11          **Q**     When you spoke with him, did you make it clear --  
12 well, actually let me ask you, did you read him Miranda?

13          **A**     Yes.

14          **Q**     And did he agree to speak with you?

15          **A**     Yes.

16          **Q**     Did you make -- make it clear that you were talking  
17 to him about this incident which had occurred at 1801 J  
18 Street?

19          **A**     Yes.

20          **Q**     And during the course of the conversation did he  
21 tell you who had committed these crimes?

22          **A**     Yes, he did.

23          **Q**     And who did he say had done it?

24          **A**     Well, Mr. Warren pretty much stated that he went  
25 over to Bruce Agard's house with a crowbar that he found in

1 his apartment complex, knocked on the door, barged in, started  
2 fighting with Mr. Agard, which carried over into the kitchen.  
3 And then Mr. Warren claimed that Bruce grabbed a knife, so  
4 he -- Mr. Warren hit him several times with the crowbar. And  
5 eventually that -- he ditched that, and then just started  
6 hitting him with his -- his fists, until Mr. Agard fell to the  
7 floor.

8       **Q**     And did he tell you if this whole thing was over a  
9 particular individual?

10       **A**     Yes, his girlfriend, Miss Dorsey. He claimed that  
11 she was over there earlier, may have been fondled by  
12 Mr. Agard, and then she returned home on the -- later, the  
13 27th, and told him about it.

14       **Q**     Okay. And so this occurred in the very early  
15 morning hours of the 28th, is that a fair statement?

16       **A**     That's correct. I think it was 1:07 when 9-1-1 was  
17 called.

18       **MS. THOMSON:** Okay. Brief indulgence?

19       **THE COURT:** Sure.

20       **BY MS. THOMSON:**

21       **Q**     So it's fair to say that he acknowledged that he was  
22 the individual who had engaged in this conduct, but he was  
23 alleging a level of self-defense?

24       **A**     Yes.

25       **MS. THOMSON:** I'll pass the witness.

1           **THE COURT:** All right. Cross-examination.

2                                   **CROSS-EXAMINATION**

3   **BY MR. JENKINS:**

4           **Q**     When you went and interviewed Mr. Warren, you said  
5 you read him Miranda?

6           **A**     That is correct.

7           **Q**     And you indicated that you were discussing the 1801  
8 J Street incident?

9           **A**     Correct.

10          **Q**     The lo -- the location where this occurred, that was  
11 in the Clark County Detention Center?

12          **A**     The location where the interview occurred?

13          **Q**     The interview occurred.

14          **A**     Yes.

15          **Q**     Were there video cameras present?

16          **A**     Not that I'm aware of.

17          **Q**     Do you recall where within CCDC the interview took  
18 place?

19          **A**     Yeah, it was the second floor of the Classification  
20 Section.

21          **Q**     And you don't -- you don't recall a spec -- excuse  
22 me -- a specific room?

23          **A**     There's two rooms, and we have to log into each  
24 room. I can't recall which -- because they got two interview  
25 rooms, I don't know which -- remember which room I utilized.

1           Q     Okay.  So it was one of the interview rooms in the  
2 second floor Classification Section?

3           A     Yes.

4           Q     And you said there's a log that you have to log in?

5           A     Yes.

6           Q     Is that a paper log or is that a computerized log?

7           A     That's a paper log.

8           Q     Now with regard to the interview, he's -- he -- he  
9 claimed his girlfriend was assaulted, correct?

10          A     That is correct.

11          Q     And the assault was sexual in nature?

12          A     That was correct.

13          Q     Did you ever interview Miss Dorsey to see whether  
14 she had been sexually assaulted?

15          A     Yeah.  I reached out to her after our interview,  
16 called her, left her a message and never got a return phone  
17 call from her.

18          Q     And so during this interview when Mr. Warren said he  
19 went up to confront Mr. Agard, he said he was going to  
20 confront him over this sexual assault that had occurred?

21          A     That was correct.

22          Q     Okay.  And he had admitted to -- to taking a  
23 crowbar, that he had found in the area, with him?

24          A     Yeah.  In his apartment complex, I guess there was a  
25 crowbar just laying in the courtyard parking lot and he just

1 grabbed that as he -- before he got on the bus.

2       **Q**     And so then when -- when Mr. Warren explained what  
3 happened, he said that when he went up there he got into an  
4 argument over this sexual assault of his girlfriend?

5       **A**     Yes, he got in an argument with Mr. Agard.

6       **Q**     Okay. And that's when he said Mr. Agard went and  
7 armed himself with a knife and that's when the matter turned  
8 physical?

9       **A**     Not exactly at that point. So there was a fight  
10 that occurred in the living room, like right as you enter into  
11 the apartment, and that fight continued into the kitchen, and  
12 at that point Mr. Agard was being already attacked by  
13 Mr. Warren, and once they got to the kitchen, Mr. Agard did  
14 grab a knife from the -- from the kitchen to try to defend  
15 himself.

16       **Q**     Now, after -- well did you conduct the investigation  
17 of this incident?

18       **A**     Yes, I did.

19       **Q**     Were you on scene the night this was reported?

20       **A**     Yes.

21       **Q**     Did you investigate the premises?

22       **A**     Yes, we did.

23       **Q**     Did you have a crime scene analyst there to  
24 investigate as well?

25       **A**     Yes.

1           Q     But you guys didn't find the crowbar?

2           A     No.

3           Q     And you didn't find the knife?

4           A     There was a -- at the time we didn't know whether or  
5 not the knife was in play, but there was a -- I believe a  
6 knife in the sink.

7           Q     Okay. Was -- was the knife broken or was the knife  
8 intact?

9           A     I can't recall.

10          Q     But you did not find a crowbar the night that you  
11 came out to the premises?

12          A     No.

13          Q     And were -- after the -- were you ever recalled to  
14 the property?

15          A     Yes. After Mr. Agard was released from the  
16 hospital, he re-called and stated that he found a crowbar  
17 underneath his kitchen table.

18          Q     Okay. And is the kitchen table located in the  
19 kitchen?

20          A     Well, yes and no. The way the apartment is set up,  
21 you got the entryway, the living room and then it's almost  
22 kind of like you got the dining area and then it's kind of  
23 like a galley kitchen.

24          Q     Okay. So when you say a dining area and a galley  
25 kitchen, the dining area is connected to the galley kitchen?

1           **A**     Yeah, it's kind of -- flows as -- it's all kind of  
2 like one.

3           **Q**     And when Mr. Agard reported this, you reported that  
4 the fight occurred at the kitchen?

5           **A**     Yes, because that's where all the blood and --  
6 that's where the blood evidence was.

7           **Q**     Okay. So there was a substantial amount of blood  
8 evidence in the kitchen?

9           **A**     Correct.

10          **Q**     But you didn't find the crowbar when you were there?

11          **A**     No.

12          **Q**     But you did find a crowbar when you came back, when  
13 you were recalled by Mr. Agard?

14          **A**     Yes. On the 30th, that's when we went back there,  
15 we did find it. And before going over there, I did review the  
16 photographs that were taken the night of the incident, and one  
17 of the photographs does show a crowbar underneath the kitchen  
18 table.

19          **Q**     But the crowbar was not impounded or taken into  
20 evidence the night of the incident?

21          **A**     No.

22          **Q**     After the interview with Mr. Warren -- subsequent to  
23 that interview, did you arrest Mr. Warren on these charges?

24          **A**     Yes.

25          **Q**     On that same day?

1           **A**     After the interview?

2           **Q**     Yes.

3           **A**     Yes.

4           **Q**     At the conclusion of the interview --

5           **A**     At the conclusion --

6           **Q**     -- he was arrested on the charges?

7           **A**     Yes.

8           **Q**     Was he rebooked in that time -- at that time on

9 those charges?

10          **A**     Yes.

11          **Q**     So he was taken back down to booking and booked back

12 in?

13          **A**     So the way that that process works, since he's

14 already in CCDC, we released him back to the C.O.'s, we submit

15 the paperwork, it goes down to records and the process --

16 where they go from there, they may take him out of the cell

17 and take him down, but I'm not really familiar on that

18 process. So I released him back to the C.O.'s, I completed my

19 paperwork and submitted that, and then they do their process.

20          **Q**     Okay. So you submitted paperwork to the jail on the

21 new charges?

22          **A**     Yes.

23          **Q**     You also submit paperwork to the District Attorney's

24 Office on the new charges?

25          **A**     That is correct.

1           **Q**     But you don't know when he would have actually  
2 been -- did you inform him that he was being arrested on the  
3 additional charges?

4           **A**     Yes.

5           **Q**     At the conclusion of the interview?

6           **A**     Yes.

7           **Q**     So that would be included in the transcript as well?

8           **A**     Yes.

9           **MR. JENKINS:**   Nothing further.

10          **THE COURT:**   Anything from the State?

11          **MS. THOMSON:**   No, Your Honor.

12          **THE COURT:**   All right, sir, thank you very much for your  
13 testimony, you are free to step down and free to go.   Sir,  
14 please do not discuss your testimony with anybody.

15          **THE WITNESS:**   Okay.

16          **THE COURT:**   Thank you.

17          State.

18          **MS. THOMSON:**   Your Honor, I don't have any further  
19 witnesses, but prior to resting I have several amendments to  
20 make to the complaint.

21          **THE COURT:**   Okay.

22          **MS. THOMSON:**   Obviously we didn't present any evidence as  
23 to Count 1, so I'm just going to put that flag out there  
24 before we argue, and perhaps save us some time.

25          **THE COURT:**   Okay.

1       **MS. THOMSON:** With regard to the remainder of the counts,  
2 everywhere where it reads metal pipe, I would ask that it read  
3 a metal object.

4       **THE COURT:** Okay.

5       **MS. THOMSON:** That would be line -- on page 2, 7, 13, 17,  
6 18 and twice on 27. If there are others I would ask that they  
7 be changed, too, I just didn't find them.

8       **THE COURT:** Okay.

9       **MS. THOMSON:** And then with regard to page 1, on line 19,  
10 this happened September of 2020, obviously we haven't gotten  
11 to the September of 2021 yet.

12       **THE COURT:** Got it.

13       **MS. THOMSON:** With regard to Counts 3, 4 and 5, I would  
14 ask to add, to victim 60 years of age or older.

15       And with those amendments I would rest.

16       **THE COURT:** Okay. Any witnesses from the Defense?

17       **MR. JENKINS:** Your Honor, I have explained to my client  
18 his right to testify. I have advised him not to testify at  
19 this time, that he would have the right to testify at trial,  
20 and we'll reserve the right until then, and I believe he's  
21 going to follow my advice and do that.

22       **THE DEFENDANT:** (No audible response.)

23       **THE COURT:** All right. Mr. Warren, sir, I too will  
24 advise you, you have the right to testify at this preliminary  
25 hearing. It's my understanding you will be waiving that

1 right; is that correct, sir?

2       **THE DEFENDANT:** Yes.

3       **THE COURT:** Argument by the State.

4       I'm sorry, Defense rests?

5       **MR. JENKINS:** Yes, Your Honor.

6       **THE COURT:** All right. Argument by the State.

7       **MS. THOMSON:** I'll waive and reserve.

8       **THE COURT:** All right. Mr. Jenkins.

9       **MR. JENKINS:** Your Honor -- Your Honor, I would submit on  
10 Counts 2, 3 and 5.

11       With regard to -- with regard to Count 4, there was no --  
12 I understand that the -- the injuries were substantial, but he  
13 indicated that he lost consciousness. At that point, if  
14 Mr. Warren had been evidencing an intent to -- to kill Mr.  
15 Agard, he'd had a full opportunity to do that. In the  
16 statements he said -- he said that -- that the -- his  
17 assailant was saying, where's the money, where's the money,  
18 where's the money, which evinces an attempt robbery, but  
19 doesn't give any specific intent that he was attempting to  
20 kill Mr. Agard.

21       And with that we would submit. So we would move to  
22 strike Count 4.

23       **THE COURT:** All right. State.

24       **MS. THOMSON:** And, Your Honor, it's the State's position  
25 at this point that with the burden that we have, when someone

1 comes into another human's house and begins beating them  
2 immediately in the head with a crowbar, hitting them multiple  
3 times and leaving them unconscious in a pool of their own  
4 blood, that is certainly sufficient for this Court to find  
5 attempt murder.

6       **THE COURT:** All right. It appears to me from the Amended  
7 Criminal Complaint on file, the testimony that was adduced at  
8 this preliminary hearing, and the evidence that was presented,  
9 that there is slight or marginal evidence to believe that the  
10 crime of Count 2, residential burglary while in possession of  
11 deadly weapon, Count 3, battery with use resulting in  
12 substantial bodily harm, victim 60 years of age or older,  
13 Count 4, attempt murder with use, victim 60 years of age or  
14 older and Count 5, attempt robbery with use of a deadly  
15 weapon, victim 60 years of age or older. Count 1 is  
16 dismissed. And, sir, you'll appear in the Eighth Judicial  
17 District Court for your initial arraignment on this date.

18       **THE CLERK:** May 26th at 8 a.m.

19       **THE COURT:** Thank you.

20               (At 10:19 a.m. the proceedings were recessed.)

6 CLERK OF THE COURT

Supplement Motion to Dismiss Counsel  
Facts

7 Your Honor, I must bring to light of the Mockery thats being made  
8 of the Judicial system. The two Witnesses against me, who gave  
9 False testimony At my Preliminary hearing, Was All A Ruse put together  
10 by the D.A., Investigator T. Albright AND my public Defender Dan  
11 Jenkins. ON May 24<sup>th</sup> Investigating Officer T. Albright got on the Witness  
12 stand AND testified that he interviewed me At C.C.D.C., Attested me,  
13 Read me the Miranda rights AND booked me electronically. I told Mr.  
14 Jenkins that "I have never seen this man a day in my life." Every-  
15 thing is recorded AND monitored At C.C.D.C. "Video" evidence of March  
16 28<sup>th</sup> Will prove that T. Albright Was Not/Neither of the two officers  
17 that interviewed me. The other person got on the Witness stand  
18 looking like the "Invisible Man." His dress for court consisted of  
19 some sort of hat that covered most of his forehead, teal big  
20 bifocal glasses. (seeing glasses) AND A COVID Mask. Since  
21 my incident with Bruce Ford, I have seen him on "3" three  
22 different occasions. When this person approached the Witness  
23 stand, immediately I noticed that this person has lighter skin AND  
24 the build of the body Wasn't right. I asked Dan Jenkins to  
25 get a photo of the Alleged Victim, so we could compare it with  
26 The person giving testimony.... AND he ignored me.... Twice, I told  
27 him that Wasn't Ford AND that we must talk.... AND I haven't spoken  
28 to him since. When I got back to prison, I conducted my own

1 investigation AND came to the realization that the person  
2 that was on the witness stand committing perjury was  
3 Bruce Agard JR the son of Bruce Agard SR MY Alleged  
4 victim. Unlike MY preliminary hearing, I have photos of  
5 the father AND the son. The son wears bifocals the father  
6 does not. The father is more MY complexion, the son is of  
7 lighter skin tone. I was bound over with no evidence  
8 ...it's always pictures at a preliminary hearing. A photo  
9 would have shown that Bruce Agard SR the Alleged victim  
10 was not present in the court room AND I pray that I have  
11 done that today. [Will bring photos to court]

12 Without my knowledge or consent, Dan Jenkins has been  
13 discussing my case with Debra Mason. He told her that I  
14 couldn't win, I confessed AND that I called myself defending  
15 some other woman's honor. He's created strife between us.  
16 Debra Mason sent him photos of the Agards behind my  
17 back. In retrospect it shows that he had knowledge.  
18 Even though Dan Jenkins could have took what I said in  
19 court along with the photos AND used them for my defense  
20 he decided to cover it up AND keep his conversations  
21 with Debra Mason a secret from me.

22 Your Honor, my intentions were never meant to disrespect  
23 you or the court, I've been trying to speak since May 24th  
24 ...desperate to convey this wrong... felt like being muffled  
25 while being buried alive.

26 Respectfully Submitted

Dept No. 21

4  
5 Motion to Dismiss Case No. 21-CR-015138

6  
7 Facts

8  
9 Your Honor, the day after my incident with Bruce Agar  
10 d<sup>SR</sup>, He sent two photos of himself in the hospital  
11 to D'Lynn Dorsey. Detective T. Albright said in his  
12 report that he conducted an interview with Bruce Agar  
13 d<sup>SR</sup> at the hospital and later made contact with Bruce  
14 Agar d<sup>JR</sup>. Detective T. Albright and myself both saw  
15 Bruce Agar d<sup>SR</sup> the day after the incident, the only  
16 difference is that Detective T. Albright was in person  
17 while I looked at the two photos. Therefore on May 24<sup>th</sup>  
18 2021 at my preliminary hearing, Detective T. Albright knew  
19 that his co-witness was in fact Bruce Agar d<sup>JR</sup> and they  
20 both committed perjury. Both of these witnesses are state  
21 witnesses put in place by the D.A. Forgive me your Honor  
22 for I can't find her name on any document, she also had  
23 to know that it was Bruce Agar d<sup>JR</sup>. And the way how  
24 my public defender Dan Jenkins ignored me twice when I  
25 asked him to produce a photo so that we could compare  
26 it to the person testifying against me, the way how he  
27 reacted when I told him that isn't Agar, we need to talk  
28 and his constant non-action on my behalf shows that he

1 Also knew that Bruce Beard JR Was committing Perjury.  
2 I once read that: "If a defendant can not be convicted  
3 fairly, then he should not be convicted at all." How is it  
4 in the midst of prosecuting me, the opposition breaks the  
5 law... And I go to trial? In light of Prosecutorial Mis-  
6 conduct, Perjury, egregious ineffective assistance of counsel  
7 and multiple Constitutional Violations... Your Honor I humbly  
8 beseech that you will dismiss this case.
