IN THE MATTER OF THE ESTATE OF

THE ESTATE OF THOMAS JOSEPH

CLERK OF SUPREME COURT

DEPUTY CLERK

ORDER

Respondents have filed a motion for reconsideration of this court's June 30, 2023, order denying their motion to dismiss this appeal. Appellant opposes the motion and respondents have replied.

Respondents' motion correctly points out that this court's order contains a typographical error. Accordingly, the clerk shall strike the word "respondent" from the 10th line on the first page of the June 30, 2023, order and replace it with the word "appellant." However, reconsideration of the order based on the correction of this typographical error is not warranted. And respondents do not demonstrate that reconsideration is warranted on any other basis. Thus, the motion for reconsideration is denied.

Respondents' motion for a second extension of time to file the answering brief is granted. NRAP 31(b)(3). Respondents shall have 30 days from the date of this order to file and serve any answering brief.

It is so ORDERED.
