MOTION TO STAY PROCEEDINGS AND ORDER FOR COMPETENCY
EVALUATION

In Aug 2023 I had a call with Stevens in where he asked me to write down, court terms to check on a case for him, in 15 mins, I could not write down "Defendants motion for Summary Judgment" five words, the motion Stevens filed gives the exact date of the call, would this court request that you provide that call to this court so this court can understand, that there is no way while in prison I understood, the LPOT I was forced to sign by respondents, see 9.11.18 J.L.O letter on file, "I Don't worry about signing the LPOT in front of a notary", & I was in prison, and incapacitated per NRS 162A.070

Thank you court stay the appeal, and order
