Respondent's Oppose Appellant's Motion to Stay Appeal (as Counsel is Being Retained).

1. This case has a tortured history as reflected by the docket reports in this Case Number and without limitation, Case Numbers 88193 and 88116.

2. This Court and the District Court have been more than patient with Appellant and given him due process.

3. Appellant's serial filings are without merit.

4. Appellant should be deemed a vexatious litigant.

5. Appellant and the District Court have taken every reasonable step in light of this Court's prior reversal and remand order to show why this case should be dismissed.

6. There is no just cause for this Court to stay the proceedings.

7. This case should be dismissed.

DATED this 15th day of April, 2024.
