Journal Entry Details:

DEFT'S PETITION FOR WRIT OF HABEAS CORPUS...ARGUMENT AND DECISION Mr. Oram stated he will be asking for an evidentiary hearing and argued in support thereof. Mr. Oram stated David Roger prosecuted the case, and there was a 911 tape played for the jury. There was a second caller on the tape which was a male voice. He spoke to Mr. Schieck and he had not listened to the tape prior to it being introduced to the jury. This is a violation of the Confrontation clause. The State needs to bring that person forward. This is a very narrow issue, and the question is why counsel for the deft, David Schieck and Stan Walton did not hear the tape prior to the jury hearing the tape. Neither counsel listened to the tape as to the second caller. They heard the first caller, Ms. Sandalin (phonetic). This is a violation of the confrontation clause to establish ineffective assistance of counsel. Ms. Weckerly stated there is no doubt defense did not hear the second part of the tape, but argued the Strickland case. Further arguments by counsel. COURT ORDERED, the Court does not believe an Evidentiary Hearing is necessary, request DENIED. The factS are clear from a legal standpoint the Crawford case does apply. The Supreme Court determined in the case of City of North Las Vegas Vs. Walsh, the tape is not testimonial and does not trigger the confrontation clause. Whether counsel for deft listened to the tape, new about it or not, the fact will remain the person that made the second call will remain unidentified. Supreme Court ruled the 911 caller is not testimonial, is admissible and resgestae, therefore, IT IS HEREBY ORDERED, the Writ is DENIED. Ms. Weckerly to prepare the order and findings. NDC ;

Petition for Writ of Prohibition

For State to file a response

Matter Continued;

Denied;

Journal Entry Details:

The Court noted no parties present; ORDERED, Defendant's Writ of Prohibition DENIED as prohibition is the incorrect remedy for Defendant's request of the Court to order Nevada Department of Corrections to cease and desists from removing funds from his inmate account to pay restitution; a writ of prohibition may only issue where there is not a plain, speedy and adequate remedy in the ordinary course of law. NRS 34.330. See also Sonia F. v. Eighth Jud. Dist. Ct., 125 Nev. 495, 498, 215 P.3d 705, 707 (2009). Therefore, Defendant has other administrative remedies available to him to obtain the remedy in which he is seeking. This Court further finds that Defendant is not entitled to the appointment of post-conviction

*On October 13, 2021, Mr. Campbell filed a Motion for Modification and Jail Time Credits. The State filed an opposition on October 26, 2021. The Motion was heard on November 3, 2021. It was granted in part and denied in part. Minute Order - No Hearing Held;

Journal Entry Details:

*On October 13, 2021, Defendant Damon Campbell ( Mr. Campbell ) filed a Motion for Modification of Sentence and Jail Time Credits, in which he alleged that at sentencing he did not receive all of the presentence credit for time served to which he believed he was entitled. He also complained that the names of the victims were not identified in his Judgment of Conviction. On November 3, 2021, this Court denied Mr. Campbell s claim that he did not receive sufficient presentence credit, and determined that 541 days was the correct amount of presentence credit. The Court did determine that the Judgment of Conviction would be amended to reflect that restitution in this case will be paid to Victims of Crime. The Order denying the Motion was filed on November 8, 2021. On November 30, 2021, Mr. Campbell filed the instant Motion for Request for Resentencing Hearing. Therein, he expresses a belief that he is to be resentenced in this case and requests that he be transported to the Court for a resentencing hearing. Mr. Campbell is mistaken, as his sentence is in no way being modified, nor has this Court scheduled a resentencing hearing. This Court merely ordered a correction*

Thus, no hearing is warranted, and there is no need to schedule one or transport Mr. Campbell. - Alzora Jackson, DSPD, present for Deft. Sheldon Hollimon from companion case C170186. David Roger, DDA, not present. Mr. Schieck announced ready for trial and stated he believes Mr. Roger is ready also. Court advised the jury questionnaires were delivered upstairs and the jury will be brought in sometime this week and counsel will be called when the questionnaires are ready. Ms. Jackson advised she is ready for trial. Mr. Schieck stated he believes this is a 2-3 week trial and there are several civilian witnesses who will need a Spanish interpreter. Court directed the State to advise the Interpreter's Office they will need people here for extended periods of time and the Court requests they use the headphone system so there is not a court interpreter speaking out loud. Ms. Jackson advised they have a Petrocelli Hearing tomorrow and requested Deft. Hollimon remain here from the High Desert facility as she would like to have him here for the Petrocelli Hearing and for

trial preparation; she would like to have him here all next week. Court Services advised Deft. Hollimon can be booked into jail today and he will stay there for the duration of the trial. COURT SO ORDERED. Mr. Schieck advised the only witness problem he is aware of is several witnesses that were deported. Mr. Roger appeared at this time and indicated he has no witness problems for trial; he may have for the hearing tomorrow, but he will take care of that. COURT ORDERED, this matter will proceed to trial on Monday, November 5 at 1:30 p.m.

**JOURNAL ENTRIES****- DEFT'S PETITION FOR WRIT OF HABEAS CORPUS...ARGUMENT AND DECISION**

Mr. Oram stated he will be asking for an evidentiary hearing and argued in support thereof. Mr. Oram stated David Roger prosecuted the case, and there was a 911 tape played for the jury. There was a second caller on the tape which was a male voice. He spoke to Mr. Schieck and he had not listened to the tape prior to it being introduced to the jury. This is a violation of the Confrontation clause. The State needs to bring that person forward. This is a very narrow issue, and the question is why counsel for the deft, David Schieck and Stan Walton did not hear the tape prior to the jury hearing the tape. Neither counsel listened to the tape as to the second caller. They heard the first caller, Ms. Sandalin (phonetic). This is a violation of the confrontation clause to establish ineffective assistance of counsel. Ms. Weckerly stated there is no doubt defense did not hear the second part of the tape, but argued the Strickland case. Further arguments by counsel. COURT ORDERED, the

Court does not believe an Evidentiary Hearing is necessary, request DENIED. The factS are clear from a legal standpoint the Crawford case does apply. The Supreme Court determined in the case of City of North Las Vegas Vs. Walsh, the tape is not testimonial and does not trigger the confrontation clause. Whether counsel for deft listened to the tape, new about it or not, the fact will remain the person that made the second call will remain unidentified. Supreme Court ruled the 911 caller is not testimonial, is admissible and resgestae, therefore, IT IS HEREBY ORDERED, the Writ is DENIED. Ms. Weckerly to prepare the order and findings.

- The Court noted no parties present; ORDERED, Defendant's Writ of Prohibition DENIED as prohibition is the incorrect remedy for Defendant's request of the Court to order Nevada Department of Corrections to cease and desists from removing funds from his inmate account to pay restitution; a writ of prohibition may only issue where there is not a plain, speedy and adequate remedy in the ordinary course of law. NRS 34.330. See also Sonia F. v. Eighth Jud. Dist. Ct., 125 Nev. 495, 498, 215 P.3d 705, 707 (2009). Therefore, Defendant has other administrative remedies available to him to obtain the remedy in which he is seeking. This Court further finds that Defendant is not entitled to the appointment of post-conviction counsel. Coleman v. Thompson, 501 U.S. 722, 752, 111 S. Ct. 2546, 2566 (1991). Lastly, this Court finds that Defendant's challenges to the conditions of confinement should be responded by the Attorney General's office. As such, this COURT FURTHER ORDERED, the Attorney General's office to file its response to Defendant's challenges to the condition of his confinement no later than July 29, 2021.

- On October 13, 2021, Mr. Campbell filed a Motion for Modification and Jail Time Credits. The State filed an opposition on October 26, 2021. The Motion was heard on November 3, 2021. It was granted in part and denied in part. Prior to the hearing on the motion, on November 2, 2021, Mr. Campbell filed a Motion for Grant of Defendant's Motion for Modification of Sentence based on what he believed to be the State's failure to respond to his motion within the proscribed time period. As the State has responded and the motion was actually decided on the merits, the instant motion is MOOT. Therefore, the hearing scheduled for the instant motion on November 24, 2021, is hereby VACATED.

**RECORDER:****REPORTER:****PARTIES****PRESENT:**

**JOURNAL ENTRIES**

- On October 13, 2021, Defendant Damon Campbell ( Mr. Campbell ) filed a Motion for Modification of Sentence and Jail Time Credits, in which he alleged that at sentencing he did not receive all of the presentence credit for time served to which he believed he was entitled. He also complained that the names of the victims were not identified in his Judgment of Conviction. On November 3, 2021, this Court denied Mr. Campbell s claim that he did not receive sufficient presentence credit, and determined that 541 days was the correct amount of presentence credit. The Court did determine that the Judgment of Conviction would be amended to reflect that restitution in this case will be paid to Victims of Crime. The Order denying the Motion was filed on November 8, 2021.

On November 30, 2021, Mr. Campbell filed the instant Motion for Request for Resentencing Hearing. Therein, he expresses a belief that he is to be resentenced in this case and requests that he be transported to the Court for a resentencing hearing. Mr. Campbell is mistaken, as his sentence is in no way being modified, nor has this Court scheduled a resentencing hearing. This Court merely ordered a correction to a clerical mistake in the Judgment of Conviction, as permitted under NRS 176.565 which reads in full:

Clerical mistakes in judgments, orders or other parts of the record and errors in the record arising from oversight or omission may be corrected by the court at any time and after such notice, if any, as the court orders.

This Court may file an Amended Judgment of Conviction to correct such a mistake without holding an additional hearing. Thus, no hearing is warranted, and there is no need to schedule one or

transport Mr. Campbell.

The hearing scheduled for December 22, 2021, on Mr. Campbell s Motion for Request for Resentencing Hearing is hereby VACATED. The State is to prepare the order.
