**DOCKETING STATEMENT**  
Elizabeth A. Brown  
CIVIL APPEALS  
Clerk of Supreme Court

**GENERAL INFORMATION**

Appellants must complete this docketing statement in compliance with NRAP 14(a). The purpose of the docketing statement is to assist the Supreme Court in screening jurisdiction, identifying issues on appeal, assessing presumptive assignment to the Court of Appeals under NRAP 17, scheduling cases for oral argument and settlement conferences, classifying cases for expedited treatment and assignment to the Court of Appeals, and compiling statistical information.

**WARNING**

This statement must be completed fully, accurately and on time. NRAP 14(c). The Supreme Court may impose sanctions on counsel or appellant if it appears that the information provided is incomplete or inaccurate. Id. Failure to fill out the statement completely or to file it in a timely manner constitutes grounds for the imposition of sanctions, including a fine and/or dismissal of the appeal.

A complete list of the documents that must be attached appears as Question 27 on this docketing statement. Failure to attach all required documents will result in the delay of your appeal and may result in the imposition of sanctions.

This court has noted that when attorneys do not take seriously their obligations under NRAP 14 to complete the docketing statement properly and conscientiously, they waste the valuable judicial resources of this court, making the imposition of sanctions appropriate. See *KDI Sylvan Pools v. Workman*, 107 Nev. 340, 344, 810 P.2d 1217, 1220 (1991). Please use tab dividers to separate any attached documents.

The Trial Protocol set forth that the above actions were to be tried in three (3) Phases. The District Court issued its “Findings of Fact and Conclusions of Law” for PHASE 1 on September 9, 2020. Notice of Entry of Order was served electronically on September 22, 2020. The District Court issued its “Findings of Fact and Conclusions of Law” for PHASE 2 on September 3, 2020. Notice of Entry of Order was served electronically on September 22, 2020. Appellants were not parties to PHASE 3 of the trial.

On August 4, 2022, the District Court entered an order certifying as final the Orders on PHASE 1 and PHASE 2 pursuant to NRCP 54(b). With said certification, the parties’ time frames for filing Memorandums of Costs relative to PHASE 1 and PHASE 2 was triggered. Multiple parties filed Memorandums of Costs seeking an award of costs as “prevailing parties.”

The Special Orders awarding costs that are the subject of this appeal are as follows:

- (a) Order Granting in Part and Denying TGIG Plaintiffs' Motion to Retax and Settle Costs and Awarding Costs to Wellness Connection LLC, entered on February 4, 2023, notice of entry of which was served electronically on February 7, 2023.
- (b) Order Granting in Part and Denying TGIG Plaintiffs' Motion to Retax and Settle Costs and Awarding Costs to Deep Roots Harvest, Inc., entered on February 15, 2023, notice of entry of which was served electronically on February 16, 2023.
- (c) Order Denying in Part Motions to Retax and Settle the Essence Entities' Costs and the Joinders and Supplements Thereto, entered on February 24, 2023, notice of entry of which was served electronically on February 24, 2023.

Additional special orders awarding costs to other parties will be entered and will be the subject of a separate Notice of Appeal.

8. **Nature of the action.** Briefly describe the nature of the action and the result below:

RESPONSE: See Attachment 2.

9. **Issues on appeal.** State concisely the principal issue(s) in this appeal (attach separate sheets as necessary):

RESPONSE: Whether the district court erred by finding successful applicants who were joined in the proceedings pursuant to procedural requirements imposed by the district court to be "prevailing parties" entitled to an award of costs.

10. **Pending proceedings in this court raising the same or similar issues.** If you are aware of any proceedings presently pending before this court which raises the same or similar issues raised in this appeal, list the case name and docket numbers and identify the same or similar issue raised:

RESPONSE: In addition to this matter, other plaintiffs in the consolidated actions have filed Notices of Appeal of the orders awarding costs as follows:

THC Nevada, LLC – Case No. 86070

Red Earth LLC, NevCann LLC, Green Therapeutics LLC

Green Leaf Farms Holding LLC – Case No. 86070 & 86071

11. **Constitutional issues.** If this appeal challenges the constitutionality of a statute, and the state, any state agency, or any officer or employee thereof is not a party to this appeal, have you notified the clerk of this court and the attorney general in accordance with NRAP 44 and NRS 30.130?

☒ N/A

☐ Yes

☐ No

If not, explain:

12. **Other issues.** Does this appeal involve any of the following issues?

☐ Reversal of well-settled Nevada precedent (identify the case(s))

☒ An issue arising under the United States and/or Nevada Constitutions

☒ A substantial issue of first impression

☒ An issue of public policy

☐ An issue where en banc consideration is necessary to maintain uniformity of this court's decisions

☒ A ballot question

**If so, explain:** RESPONSE: The consolidated cases raise questions regarding a government agency's ability to change the requirements of a statute passed as the result of a ballot initiative under Article 19, Section 2(3) of the Nevada State Constitution. Further, Appellants raised constitutional issues regarding the overall licensing process used by the Department of Taxation in the award of recreational marijuana licenses. The analysis of who is and who is not a "prevailing party" is integrally interwoven with the constitutional claims raised by the Appellants and how the district court remedied such violations.

13. **Assignment to the Court of Appeals or retention in the Supreme Court.** Briefly set forth whether the matter is presumptively retained by the Supreme Court or assigned to the Court of Appeals under NRAP 17 and cite the subparagraph(s) of the Rule under which the matter falls. If appellant believes that the Supreme Court should retain the case despite its presumptive assignment to the Court of Appeals, identify the specific issue(s) or circumstance(s) that warrant retaining the case, and include an explanation of their importance or significance: RESPONSE:

The matter is presumptively retained by the Supreme Court under several subsections of NRAP 17(a). It is a matter involving a ballot question and the discretion in interpreting statutes created by ballot question under subsection (2), it is an administrative agency case involving Department of Taxation determinations under subsection (8), it is a matter decided by a business court under subsection (9), and it is a matter raising as a principal issue a question of statewide public

importance under subsection (12) as the resolution of the appeal will have a statewide impact regarding recreational marijuana in Nevada.

Notwithstanding the above and foregoing, NRAP 17(b)(7) contains a seemingly contradictory presumptive assignment to the Court of Appeals as “Appeals from post judgment orders in civil cases.”

14. **Trial.** If this action proceeded to trial, how many days did the trial last?

July 17, 2020 to August 18, 2020 Was it a bench or jury trial? Bench

15. **Judicial Disqualification.** Do you intend to file a motion to disqualify or have a justice recuse him/herself from participation in this appeal? If so, which Justice?

RESPONSE: N/A.

**Attachment 2** – (re: question 8. Nature of the action. Briefly describe the nature of the action and the result below):

As the government agency charged with the implementation of the Nevada recreational marijuana program pursuant to NRS 453D.200, DOT accepted and graded applications for licenses to operate recreational retail marijuana dispensaries across the state of Nevada from approximately 463 applicants between September and December 2018 (the “September 2018 Application Period”). Because the DOT received more applications than there were licenses available in the various jurisdictions, the award of licenses was subject to “an impartial and numerically scored competitive bidding process to determine which application or applications among those competing will be approved.” See NRS 453D.210(6). Pursuant to the process developed and implemented by the DOT, on December 5, 2018, the DOT announced the results and awarded approximately 64 conditional licenses to successful applicants.

After the DOT announced the license winners, several of the non-winning applicants, including Appellants herein, brought multiple suits against the DOT asserting that the process the DOT used to award licenses violated various provisions of NRS Chapter 453D, violated the losing applicants constitutional rights under both the Federal and Nevada Constitutions, or was otherwise arbitrary and capricious for a multitude of reasons. The various plaintiffs sought to either set aside the application process in total or to obtain licenses under a number of different legal theories.

Appellants herein filed their initial Complaint on or about January 4, 2019 naming the DOT as the sole party defendant. Several winning applicants, believing that their interests were subject to the outcome of the litigation, sought to and were granted the right to intervene on the defendant DOT side. Following evidentiary hearings on Appellants’ Motion for Preliminary Injunction and various pre-trial motion proceedings, Appellants ultimately filed their operative Second Amended

Complaint on or about November 26, 2019 naming the DOT and the intervening successful applicants as party defendants.

On May 13, 2019, the District Court coordinated a number of the cases brought by non-winning applicants in Department 11 of the Eighth Judicial District Court in order to determine whether a preliminary injunction should issue against the DOT. After conducting a nearly four month evidentiary hearing on the matter, the District Court granted the preliminary injunction based on the failure of the DOT to conduct background checks of the applicants as required under the ballot initiative. As part of its impartial and numerically scored competitive bidding process, the DOT believed it was not required, pursuant to NAC 453D.255(1), to conduct background checks on owners with less than a five percent beneficial ownership interest in an applicant, the so-called “5% Rule.” The District Court found that the 5% rule set forth in NAC 453D.255(1) was an unreasonable limitation of NRS 453D.200(6) and the initiating Ballot Initiative, and, therefore, preliminarily enjoined the DOT from conducting final inspections of the license winners that the DOT determined had not listed owners with a less than 5% interest in their applications.

Because of the complexity of the cases and the diversity of the type of claims advanced by the various plaintiffs, the District Court adopted a Trial Protocol separating the trial into three (3) phases. PHASE 1 encompassed all of plaintiffs’ claims for judicial review. Appellants herein made such a claim in its Second Amended Complaint and participated fully in PHASE 1.<sup>1</sup> The District Court issued its “Findings of Fact and Conclusions of Law” for PHASE 1 on September 9, 2020. Notice of Entry of Order was served electronically on September 22, 2020.

PHASE 2 encompassed claims regarding the “(l)egality of the 2018 recreational marijuana application process (claims for Equal Protection, Due Process, Declaratory Relief, Intentional

Interference with Prospective Economic Advantage, Intentional Interference with Contractual Relations and Permanent Injunction.” Again, Appellants made such claims and fully participated in PHASE 2 of the trial. The District Court issued its “Findings of Fact and Conclusions of Law” for PHASE 2 on September 3, 2020. Notice of Entry of Order was served electronically on September 22, 2020.

PHASE 3 encompassed a more narrowly limited claim for “Writ of Mandamus (Improper scoring of applications related to calculation errors on the 2018 recreational marijuana application.” Appellants were not parties to PHASE 3 of the trial.

Following the completion of PHASE 2 of the trial, the District Court issued a permanent injunction against the DOT enjoining it from conducting a final inspection of any of the conditional licenses issued in the September 2018 Application Period for any applicant who did not provide the identification of each prospective owner, officer or board member as required by NRS 453D.200(6). As to PHASE 1 of the trial, the District Court denied any relief to Appellants.

Appellants herein filed their Notice of Appeal respecting PHASE 1 and PHASE 2 on October 23, 2020 to preserve their right to appeal in the event their 30 days to file appeal started running on or about September 22, 2020 with service of a Notices of Entry of Order of the Findings of Fact and Conclusions of Law for PHASE 1 and PHASE 2.

On August 4, 2022, the District Court entered an order certifying as final the Orders on PHASE 1 and PHASE 2 pursuant to NRCP 54(b). With said certification, the parties’ time frames for filing Memorndums of Costs relative to PHASE 1 and PHASE 2 was triggered. Multiple parties filed Memorandums of Costs seeking an award of costs as “prevailing parties.” All such Memorandums were timely challenged by the filing of one or more Motions to Retax. Some of the District Court orders respecting an award of costs are now final and are the subject of this appeal.

## 7 II.

### 8 GENERAL ALLEGATIONS

9 33. The Nevada State Legislature passed a number of bills during the 2017  
10 legislative session that affected the licensing, regulation, and operation of recreational marijuana  
11 establishments in the state of Nevada. One of those bills, Assembly Bill 422, transferred  
12 responsibility for the registration, licensing, and regulation of marijuana establishments from the  
13 State of Nevada's Division of Public and Behavioral Health to the Department of Taxation.

14 34. This legislation was added to the voters' approval at the 2016 General Election of  
15 2016 initiative petition, Ballot Question No. 2; is known as the "Regulation and Taxation of  
16 Marijuana Act"; and is codified at NRS 453D.010, *et seq.* Nevada Revised Statutes ("NRS")  
17 pursuant to

18 35. NRS 453D.020 (Findings and declarations) provides:

19 "1. In the interest of public health and public safety, and in  
20 order to better focus state and local law enforcement resources on  
21 crimes involving violence and personal property, the People of the  
22 State of Nevada find and declare that the use of marijuana should  
be legal for persons 21 years of age or older, and its cultivation and  
sale should be regulated similar to other legal businesses.

23 2. The People of the State of Nevada find and declare that the  
24 cultivation and sale of marijuana should be taken from the domain  
25 of criminals and be regulated under a controlled system, where  
businesses will be taxed and the revenue will be dedicated to  
public education and the enforcement of the regulations of this  
chapter.

26 3. The People of the State of Nevada proclaim that marijuana  
27 should be regulated in a manner similar to alcohol so that:

28 (a) Marijuana may only be purchased from a business that is  
licensed by the State of Nevada;

1 (b) Business owners are subject to a review by the State of  
2 Nevada to confirm that the business owners and the business  
location are suitable to produce or sell marijuana;

3 (c) Cultivating, manufacturing, testing, transporting and  
4 selling marijuana will be strictly controlled through state licensing  
and regulation;

5 (d) Selling or giving marijuana to persons under 21 years of  
age shall remain illegal;

6 (e) Individuals will have to be 21 years of age or older to  
purchase marijuana;

7 (f) Driving under the influence of marijuana will remain  
illegal; and

8 (g) Marijuana sold in the State will be tested and labeled.”

9 36. NRS 453D.200 (Duties of Department relating to regulation and licensing of  
10 marijuana establishments; information about consumers) provides:

11 “1. Not later than January 1, 2018, the Department shall adopt all  
12 regulations necessary or convenient to carry out the provisions of  
13 this chapter. The regulations must not prohibit the operation of  
14 marijuana establishments, either expressly or through regulations  
that make their operation unreasonably impracticable. The  
regulations shall include:

15 (a) Procedures for the issuance, renewal, suspension, and  
revocation of a license to operate a marijuana establishment;

16 (b) *Qualifications for licensure that are directly and*  
17 *demonstrably related to the operation of a marijuana*  
*establishment*;

18 ....

19 2. The Department shall approve or deny applications for  
licenses *pursuant to NRS 453D.210*” (emphasis added).

20 37. NRS 453D.210 (Acceptance of applications for licensing; priority in licensing;  
21 conditions for approval of application; limitations on issuance of licenses to retail marijuana  
22 stores; competing applications), in turn, provides, in pertinent part:

23 “4. Upon receipt of a complete marijuana establishment license  
application, the Department shall, *within 90 days*:

24 (a) *Issue the appropriate license if the license application is*  
*approved*.

25 5. The Department shall *approve a license application if*:

26 (a) The prospective marijuana establishment has submitted an  
27 application in compliance with regulations adopted by the  
Department and the application fee required pursuant to NRS  
453D.2;

28 6. When competing applications are submitted for a proposed

1 retail marijuana store within a single county, the Department shall  
2 use an *impartial and numerically scored competitive bidding*  
3 *process* to determine which application or applications among  
those competing will be approved” (emphasis added).

4 38. According to an August 16, 2018 letter from the Department, pursuant to  
5 Section 80(3) of Adopted Regulation of the Department of Taxation, LCB File No. R092-17  
6 ("R092-17"), the Department was responsible for allocating the licenses of recreational  
7 marijuana retail stores "to jurisdictions within each county and to the unincorporated area of  
8 the county proportionally based on the population of each jurisdiction and of the  
9 unincorporated area of the county.”

10 39. The Department issued a notice for an application period wherein the Department  
11 sought applications from qualified applicants to award sixty-four (64) recreational marijuana  
12 retail store licenses throughout various jurisdictions in Nevada.

13 40. The application period for those licenses, including thirty-one (31) licenses in  
14 Clark County, seven (7) licenses in Washoe County and one (1) license in Nye County, opened  
15 on September 7, 2018 and closed on September 20, 2018.

16 41. Pursuant to Section 6.2 of the Recreational Marijuana Establishment License  
17 Application (“the Application”) issued by the Department, as enabled under the above-quoted  
18 provisions of NRS 453D.210, if the Department received more than one application for a license  
19 for a recreational marijuana retail store and the Department determined that more than one of the  
20 applications was complete and in compliance with R092-17, Sec. 78 and NRS 453D, the Department  
21 was required to rank the applications within each applicable locality for any applicants in a  
22 jurisdiction that limits the number of retail marijuana stores in order from first to last, with ranking  
23 being based on compliance with the provisions of R092-17 Sec. 80, NRS 453D and on the content of  
24 the applications relating to the following specifically-enumerated and objective published criteria:  
25  
26  
27

28 a. Operating experience of another kind of business by the owners, officers or board

members that has given them experience which is applicable to the operation of a marijuana establishment.

- b. Diversity of the owners, officers or board members.
- c. Evidence of the amount of taxes paid and other beneficial financial contributions.
- d. Educational achievements of the owners, officers or board members.
- e. The applicant's plan for care, quality and safekeeping of marijuana from seed to sale.
- f. The financial plan and resources of the applicant, both liquid and illiquid.
- g. The experience of key personnel that the applicant intends to employ.
- h. Direct experience of the owners, officers, or board members of a medical marijuana establishment or marijuana establishment in this State.

42. However, no numerical scoring values are assigned to any of the foregoing criteria enumerated in the Application.

43. Moreover, Section 6.3 of the Application further provides that “[a]pplications that have not demonstrated a sufficient response related to the criteria set forth above will not have ***additional [unspecified, unpublished] criteria*** considered in determining whether to issue a license ***and will not move forward in the application process***” (emphasis added).

44. Thus, by necessary implication, conversely, Section 6.3 of the Application textually subjects an Application which *has* in fact demonstrated a “sufficient” response related to the specific, published criteria set forth above to “***additional [unspecified, unpublished] criteria***,” consideration of which by the Department will determine whether or not a license is issued and whether or not a license Application will “***move forward in the application process***, notwithstanding the textual requirement of NRS 453 D. 200.1(b) that the Department shall adopt only regulations that prescribe “[q]ualifications for licensure that are directly and ***demonstrably*** related to the operation of a marijuana establishment” (emphasis added).

45. No later than December 5, 2018, the Department was responsible for issuing conditional licenses to those applicants who score and rank high enough in each jurisdiction to be awarded one of the allocated licenses in accordance with the impartial numerically scored

1 competitive bidding process mandated by NRS 453D.210.

2 46. The Department allocated ten (10) licenses for unincorporated Clark County,  
3 Nevada; ten (10) licenses for Las Vegas, Nevada; six (6) licenses for Henderson, Nevada; five (5)  
4 licenses for North Las Vegas, Nevada; six (6) licenses for Reno, Nevada; one (1) license for Sparks,  
5 Nevada; and one (1) license for Nye County, Nevada.

6 47. Plaintiffs, each of whom were already operating licensed recreational retail  
7 marijuana stores and possessed a share of the retail recreational marijuana market in their  
8 jurisdictions at the time, submitted Applications for licenses to own and operate additional  
9 recreational marijuana retail stores and thereby to retain their market share in a highly  
10 competitive industry, in compliance with the specified, published requirements of Department  
11 regulations together with the required application fee in accordance with NRS 453D.210.

12 48. Plaintiffs have been informed by the Department that all of their Applications to  
13 operate recreational marijuana retail stores were denied.

14 49. In each instance, Plaintiffs were informed by letter from the Department stating  
15 that a license was not granted to the applicant “because it did not achieve a score high enough to  
16 receive an available license.”

17 50. On information and belief, Plaintiffs allege that the Department’s denial of their  
18 license applications was not properly based upon actual implementation of the impartial and  
19 numerically scored competitive bidding process mandated by NRS 453D.210, but rather, was in  
20 fact based upon the arbitrary and capricious exercise of administrative partiality and favoritism.

21 51. On information and belief, Plaintiffs allege conversely that that the Department  
22 improperly granted licenses to other competing applicants, likewise without actual  
23 implementation of the impartial and numerically scored competitive bidding process mandated  
24 by NRS 453D.210, but rather, based upon the arbitrary and capricious exercise of administrative  
25 partiality and favoritism.

26 52. On information and belief, Plaintiffs allege that the Department of Taxation has  
27 unlawfully, and in a manner resulting in a deprivation of the legal protections to which the  
28 Plaintiffs are entitled:

1           A. granted more than one conditional recreational marijuana store license per  
2 jurisdiction to certain favored applicants, owners, or ownership groups in violation of the  
3 administration of an impartial and numerically scored competitive bidding process;

4           B. granted conditional licenses to applicants who benefitted from information not made  
5 available to all applicants, but rather conveyed to these favored applicants or their attorneys or  
6 agents, by Department of Taxation personnel themselves in a manner designed to give these  
7 favored applicants an advantage in the scoring process over other applicants in obtaining a  
8 license or licenses to purportedly be awarded pursuant thereto, and thereby destroying the  
9 mandated impartiality of the competitive bidding process;

10           C. granted conditional licenses to applicants who were known by the Department of  
11 Taxation to have violated the criminal laws of the State of Nevada by having sold marijuana to  
12 minors and nonetheless, at the behest of these applicants, their attorneys and/or agents made the  
13 supervisory Department of Taxation personnel in charge of the licensing process, and at said  
14 supervisory personnel's direction, had that information deliberately suppressed from law  
15 enforcement, removed from the administrative files and eliminated from the collection of  
16 information made available to and forming the base of knowledge of those scoring the  
17 Applications, an express component of which was to evaluate the prior compliance record of  
18 applicants who were already operating licensed retail recreational marijuana establishments;

19           D. granted conditional licenses to applicants who, after receiving information not  
20 available to all applicants, failed to disclose the true addresses of the locations at which they  
21 proposed to open a retail recreational marijuana store, the Department of Taxation thereby totally  
22 abdicating the requirement that the Application be impartially numerically scored with regard to  
23 the impact that it was likely to have on the community in which it would operate;

24           E. granted conditional licenses to applicants who failed to disclose each of their owners,  
25 the Department of Taxation thereby totally abdicating the requirement of a background check  
26 into their historical behavior and associations and ignoring the mandate that retail sales of  
27 marijuana be removed from the criminal element in society;

28           F. granted conditional licenses to applicants who impermissibly amended Applications

1 after they were purportedly “complete and in compliance” when submitted;

2 G. granted conditional licenses to applicants without investigating discrepancies between  
3 the owners, officers and directors listed on the application where they were different from those  
4 officially listed with the Nevada Secretary of State;

5 H. granting conditional licenses to applicants who benefitted from the Department of  
6 Taxation implementing in a manner that was partial and subject to manipulation, the awarding of  
7 points for diversity, resulting in the abdicating its mission to conduct an impartial numerically  
8 scored competitive bidding process;

9 I. failed to train the temporary employees hired to performing the impartial numerically  
10 scored competitive bid process and/or put in place, adequately supervise and/or maintain quality  
11 assurance and/or quality control over the process which, in turn, rendered the grading process  
12 inconsistent and unfair to Plaintiffs;

13 J. granted conditional licenses to applicants in direct contravention of the legislative and  
14 regulatory mandate to operate the impartial numerically scored competitive bidding process in a  
15 manner that will prevent monopolistic practices in a county with a population of 100,000 or  
16 more;

17 K. granted conditional licenses to applicants in other unlawful manners to be further  
18 developed at trial.

#### 20 **CLAIMS FOR RELIEF**

#### 21 **FIRST CLAIM FOR RELIEF**

#### 22 **(Violation of Civil Rights)**

#### 23 **(Due Process: Deprivation of Property)**

24 **(U.S. Const., Amendment XIV; Nev. Const., Art. 1, Sec. 1, 8; Title 42 U.S.C. § 1983)**

25 53. Plaintiffs repeat and re-allege all prior paragraphs as though fully set forth herein.

26 54. Pursuant to the enactment of NRS 598A.030 it has become the stated policy of the  
27 laws of Nevada to  
28

1 (a) Prohibit acts in restraint of trade or commerce, except where properly regulated as  
2 provided by law, and

3 (b) Preserve and protect the free, open and competitive nature of our market system, and

4 (c) Penalize all persons engaged in such anticompetitive practices to the full extent  
5 allowed by law

6 55. Such prohibited acts in restraint of trade or commerce include, among others,

7 A. monopolization of trade or commerce in this State, including, without  
8 limitation, attempting to monopolize or otherwise combining or conspiring to monopolize trade  
9 or commerce in this State, and,

10 B. consolidation, conversion, merger, acquisition of shares of stock or other  
11 equity interest, directly or indirectly, of another person engaged in commerce in this State or the  
12 acquisition of any assets of another person engaged in commerce in this State that may:

13 (1) Result in the monopolization of trade or commerce in this State or would  
14 further any attempt to monopolize trade or commerce in this State; or

15 (2) Substantially lessen competition or be in restraint of trade.

16 56. Pursuant to NRS 598A.040, the above protection of a free, open and competitive  
17 market system do not apply where contravened by conduct which is expressly authorized,  
18 regulated or approved by

19 (a) statute of this State or of the United States;

20 (b) An ordinance of any city or county of this State, except for ordinances relating to  
21 video service providers; or

22 (c) An administrative agency of this State or of the United States or of a city or county of  
23 this State, having jurisdiction of the subject matter.

24 57. NRS 598A.210, in providing a cause of action for injunctive relief and/or  
25 damages, represents a recognition under Nevada law and policy that a business's sales and the  
26 resulting value of its market share are a property interest entitled to protection by the courts.

27 58. Such a statutorily recognized "property interest" is within the meaning and  
28 subject to the due process protections of the Fourteenth Amendment to the Constitution of the

1 United States and Article 1, Sections 1 and 8 of the Constitution of the State of Nevada; and  
2 therefore, by definition, may not be denied arbitrarily, capriciously, corruptly or based upon  
3 administrative partiality or favoritism, as when present as in the instances complained of herein,  
4 none of those trigger the exemption set out in NRS 598A.040.

5 59. Here, while acting under color of state law, the Department has effectively  
6 nullified and rendered illusory the legislative statutory entitlement which all applicants have to  
7 an impartial numerically scored competitive bidding system for licensure of applicants who  
8 comply with and prevail competitively in accordance with the objective and impartial standards  
9 and procedures prescribed by the provisions of NRS 453D.200.2 and NRS 453D.210.4-6.

10 60. Plaintiffs further allege that pursuant to the implementation of the foregoing  
11 constitutionally-repugnant licensing process, the denial of their Applications for licensure, when  
12 coupled with the issuing of conditional licenses to their competitors pursuant to a constitutionally  
13 invalid and corrupt process infected by actual arbitrary, capricious or corrupt decision-making  
14 based upon administrative partiality or favoritism, has and will continue cause a diminution of  
15 Plaintiffs sales and market share values as a direct result of the conduct of the Department of  
16 Taxation issuing the conditional licenses and the business operations conducted pursuant thereto  
17 by the beneficiaries of that unconstitutional licensing process.

18 61. Plaintiffs have therefore been and will continue to be deprived of property without  
19 due process under color of state law in violation of the Fourteenth Amendment to the  
20 Constitution of the United States and Article 1, Sections 1 and 8 of the Constitution of the State  
21 of Nevada.

22 62. Plaintiffs are entitled to declaratory relief with respect to the forgoing federal  
23 constitutional infirmities of the administrative licensing scheme pursuant to the provisions of  
24 Title 42, United States Code ("U.S.C."), Section 1983 and otherwise.

25 63. Plaintiffs are entitled to declaratory relief because a justiciable controversy exists  
26 that warrants a declaratory judgment pursuant to Nevada's Uniform Declaratory Judgments Act,  
27 codified at NRS 30.010 to 30.160, inclusive.

28 64. Plaintiffs and Defendant have adverse and/or competing interests in that the  
14 of 23

1 Department, through its Marijuana Enforcement Division, has denied Plaintiffs' Applications in  
2 in violation of Plaintiff's constitutional rights, Nevada law, and state policy.

3 65. The Department's refusal to issue licenses to Plaintiffs affects Plaintiffs' rights  
4 under NRS 453D, NAC 453D, R092-17, and other Nevada laws and regulations.

5 66. Further, the Department's improper ranking of other applicants for licensure and  
6 subsequent, improper issuance of licenses to such other applicants adversely affects the rights of  
7 Plaintiff under NRS 453D, NAC 453D, R09217, and other Nevada laws and regulations.

8 67. The Department's actions and/or inactions also have created an actual justiciable  
9 controversy ripe for judicial determination between Plaintiffs and the Department with respect to  
10 the construction, interpretation, and implementation of NRS 453D, NAC 453D, and R092-17,  
11 and Plaintiffs have been harmed, and will continue to be harmed, by the Defendants' actions  
12 and/or inactions.

13 68. The Department's actions and/or inactions have further failed to appropriately  
14 address the necessary considerations and legislative intent of NRS 453D.210, designed to restrict  
15 monopolies.

16 69. Accordingly, Plaintiff seeks a declaration from this Court that, *inter alia*:

- 17 a. The procedures employed in evaluating license Applications and granting  
18 conditional licenses violated Plaintiffs' procedural and substantive due  
19 process rights and entitlement to equal protection of the law (as set forth *infra*)  
20 under the Nevada and United States Constitutions and, therefore, those  
21 conditional licenses awarded are void and unenforceable;
- 22 b. Defendant acted arbitrarily and capriciously or in contravention of a legal duty  
23 and Plaintiffs are therefore entitled to a writ of mandamus;
- 24 c. Plaintiffs are entitled to judicial review; and

25 70. Plaintiffs also seek a declaration from this Court that the Department must issue  
26 licenses to Plaintiffs for the operation of a recreational marijuana establishment as applied for in  
27 that Plaintiffs' would have been entitled to receive said licenses had the Department properly  
28 applied the provisions of NRS 453D, NAC Chapter 453D, and R092-17.

1           71.     Plaintiffs contend that a declaratory judgment is both necessary and proper at  
2 this time for the Court to determine the respective rights, duties, responsibilities and liabilities  
3 of Plaintiffs under NRS 453D, NAC Chapter 453D, R092-17, and other Nevada laws and  
4 regulations.

5           72.     Plaintiffs are also entitled to injunctive relief from the foregoing federal  
6 constitutional violations pursuant to the provisions of 42 U.S.C. Section 1983 and otherwise.

7           73.     The Department's flawed interpretation of the provisions of NRS 453D, NAC  
8 Chapter 453D, and R092-17, and refusal to issue "conditional" licenses in accordance with the  
9 law constitute and cause continuing and irreparable harm to Plaintiffs, who have no adequate  
10 remedy at law.

11           74.     The purpose of this administrative refusal was and is to unreasonably interfere  
12 with Plaintiffs' business and cause Plaintiffs to suffer irreparable harm.

13           75.     The Department will suffer no harm by following the law with respect to issuing  
14 the licenses in question.

15           76.     The Department's interpretation of NRS 453D, NAC Chapter 453D, and R092-17  
16 is flawed and Plaintiffs are likely to succeed on the merits in this litigation.

17           77.     Therefore, Plaintiffs are entitled to preliminary injunctive relief, and after a trial  
18 on the merits, permanent injunctive relief, ordering the Department to issue the subject licenses  
19 to Plaintiffs in accordance with NRS 453D, NAC 453D, and R092-17.

20           78.     Plaintiffs are also entitled to damages attributable to the above-identified due  
21 process violations pursuant to the provisions of 42 U.S.C. Section 1983 and otherwise.

22           79.     As the actions of the Department have necessitated that Plaintiffs retain the legal  
23 services of Clark Hill PLLC, and incur fees and costs to bring this action, Plaintiffs are also  
24 entitled to an award of attorneys' fees and costs of suit.

**SECOND CLAIM FOR RELIEF**  
**(Violation of Civil Rights)**

**(Due Process: Deprivation of Liberty)**

**(U.S. Const., Amendment XIV; Nev. Const., Art. 1, Sec. 1, 8; Title 42 U.S.C. § 1983)**

80. Plaintiffs repeat and re-allege all prior paragraphs as though fully set forth herein.

81. The fundamental constitutional right to pursue a lawful occupation constitutes a “liberty interest” within the meaning and subject to the due process protections of the Fourteenth Amendment to the Constitution of the United States and Article 1, Sections 1 and 8 of the Constitution of the State of Nevada; and therefore, by definition, may not be denied arbitrarily, capriciously, corruptly or based upon administrative partiality or favoritism.

82. However, acting under color of state law, the Department has effectively nullified and rendered illusory the legislative statutory entitlement to licensure of applicants who comply with and prevail competitively in accordance with the objective and impartial standards and procedures prescribed by the provisions of NRS 453D.200.2 and NRS 453D.210.4-6, by textually subjecting an Application which in fact provides “sufficient” responses related to the published, enumerated and specific criteria set forth in the Application to approval pursuant to further, unpublished, unspecified and unascertainable “additional criteria” which are not set forth therein, as a silent supplemental condition of licensure, in violation of NRS 200.D.1(b) thereby rendering the administrative regulation governing the Application and licensing process susceptible to *ad hoc*, non-transparent, arbitrary, capricious or corrupt decision-making based upon administrative partiality or favoritism which cannot be discounted; thereby rendering that regulatory scheme unconstitutional on its face.

83. On information and belief, Plaintiffs further allege that the pursuant to the implementation of the foregoing constitutionally-repugnant licensing process, the denial of their Applications for licensure, were in fact affected by actual arbitrary, capricious or corrupt decision-making based upon administrative partiality or favoritism; and therefore, that that licensing process has thereby been rendered unconstitutional in its application as well.

84. Plaintiffs have therefore likewise been deprived of liberty without due process

1 under color of state law in violation of the Fourteenth Amendment to the Constitution of the  
2 United States and Article 1, Sections 1 and 8 of the Constitution of the State of Nevada.

3 85. The Constitutional infirmity of the entire licensing process renders the denial of  
4 Plaintiffs' Applications for licensure void and unenforceable, and Plaintiffs are entitled to a  
5 declaration as to the ineffectiveness thereof and an order enjoining the enforcement of those  
6 license denials as well as those conditionally granted.

7 86. Plaintiffs are also entitled to damages for these due process violations pursuant  
8 to the provisions of 42 U.S.C. Section 1983 and otherwise.

9 87. As the actions of the Department have necessitated that Plaintiffs retain the legal  
10 services of Clark Hill PLLC, and incur fees and costs to bring this action, Plaintiffs are also  
11 entitled to an award of attorneys' fees and costs of suit.

### 12 **THIRD CLAIM FOR RELIEF**

#### 13 **(Violation of Civil Rights)**

#### 14 **(Equal Protection)**

#### 15 **(U.S. Const., Amendment XIV; Nev. Const., Art. 1, Sec. 1; Title 42 U.S.C. § 1983)**

16 88. Plaintiffs repeat and re-allege all prior paragraphs as though fully set forth herein.

17 89. By improperly denying Plaintiffs' Applications for licensure under the provisions  
18 of NRS 453D.200.2 and NRS 453D.210.4-6 while improperly granting the Applications of other  
19 applicants under color of state law as set forth *supra*, the Department has, without justification,  
20 disparately treated Plaintiffs' Applications absent rational basis, and has thereby violated  
21 Plaintiffs' rights to equal protection of the law as guaranteed by the Fourteenth Amendment to  
22 the Constitution of the United States and Article 1, Section 1 of the Constitution of the State of  
23 Nevada.

24 90. The constitutional infirmity of the entire licensing process and the resulting denial  
25 of equal protection renders the denial of Plaintiffs' Applications for licensure void and  
26 unenforceable, and, for the reasons set forth, *supra*, Plaintiffs are entitled to a declaration as to  
27 the ineffectiveness thereof and an order enjoining the enforcement of those license denials as  
28 well as those conditionally granted.

91. Plaintiffs are also entitled to damages for these equal protection violations pursuant to the provisions of 42 U.S.C. Section 1983 and otherwise.

92. As the actions of the Department have necessitated that Plaintiffs retain the legal services of Clark Hill PLLC, and incur fees and costs to bring this action, Plaintiffs are also entitled to an award of attorneys' fees and costs of suit.

#### **FOURTH CLAIM FOR RELIEF**

**(Petition for Judicial Review)**

93. Plaintiffs repeat and re-allege all prior paragraphs as though fully set forth herein.

94. The Department, in misinterpreting and incorrectly applying the provisions of NRS 453D, NAC 453D and the related Nevada laws and regulations, has exceeded its jurisdiction by improperly issuing licenses to applicants that do not merit licenses under the provisions of NRS 453D, NAC 453D, and R092-17.

95. Plaintiffs are aggrieved by the decision of the Department to deny Plaintiffs' Applications without proper notice, substantial evidence, or compliance with NRS 453D, NAC 453D, R092-17, and other Nevada state laws or regulations.

96. There is no provision in NRS 453D, NAC 453D, or R092-17 allowing for an administrative appeal of the Department's decision, and apart from injunctive relief, no plain, speedy, and adequate remedy for the Department's improper actions.

97. Accordingly, Plaintiffs petition this Court for judicial review of the record on which the Department's denials were based, and an order providing *inter alia*:

- a. A determination that the decision lacked substantial evidence;
- b. A determination that the denials are void *ab initio* for non-compliance with NRS 453D, NAC 453D, R092-17, and other Nevada laws or regulations; and
- c. Such other relief as is consistent with those determinations.

98. As the actions of the Department have necessitated that Plaintiffs retain the legal services of Clark Hill PLLC, and incur fees and costs to bring this action, Plaintiffs are also

1 entitled to an award of attorneys' fees and costs of suit.

2 **FIFTH CLAIM FOR RELIEF**

3 **(Petition for Writ of Mandamus)**

4 99. Plaintiffs repeat and re-allege all prior paragraphs as though fully set forth herein.

5 100. When a governmental body fails to perform an act "that the law requires" or acts  
6 in an arbitrary or capricious manner, a writ of mandamus shall issue to correct the action. Nev.  
7 Rev. Stat. § 34.160.

8 101. The Department has failed to perform various acts that the law requires including  
9 but not limited to:

10 a. Providing proper pre-hearing notice of the denial; and

11 b. Arbitrarily and capriciously denying the applications for no legitimate reason.

12 102. The Department acted arbitrarily and capriciously in the denial by performing  
13 and/or failing to perform the acts set forth *supra*, and because, *inter alia*:

14 a. The Board lacked substantial evidence to deny Plaintiffs' Applications; and

15 b. The Board denied Plaintiffs' Applications in order to approve the Applications  
16 of other competing applicants without regard to the merit of Plaintiffs'  
17 Applications and the lack of merit of the Applications of other competing  
18 applicants.

19 103. These violations of the Department's legal duties were arbitrary and capricious  
20 actions that compel this Court to issue a Writ of Mandamus directing the Department to review  
21 Plaintiffs' Applications on their merits and/or approve them.

22 104. As a result of the Department's unlawful and arbitrary and capricious actions,  
23 Plaintiffs have been forced to retain legal counsel to prosecute this action and is therefore also  
24 entitled to their damages, costs in this suit, and an award of attorneys' fees pursuant to NRS  
25 34.270.

26 **FIFTH CLAIM FOR RELIEF**

27 **(Declaratory Relief)**

28 105. Plaintiffs repeat and re-allege all prior paragraphs as though fully set forth herein.

106. A justiciable controversy exists sufficient to warrant a declaratory judgment pursuant to Nevada's Uniform Declaratory Judgments Act, NRS 30.010, *et seq.*

107. Defendant Applicants received conditional recreational retail marijuana establishment licenses issued by the Department.

108. Plaintiffs contend that they are entitled to the same conditional licenses, which contention would/could deprive Defendant Applicants of their conditional licenses.

109. Plaintiffs request a declaratory judgment to determine their rights, status, or other legal relations under the applicable statutes and regulations with respect to this dispute brought by Plaintiffs. A declaratory judgment will eliminate any dispute over the conditional recreational marijuana establishment licenses issued by the Department.

110. Plaintiffs have been forced to retain legal counsel to prosecute this action and is therefore also entitled to their damages, costs in this suit, and an award of attorneys' fees.

## **PRAYER FOR RELIEF**

WHEREFORE, PLAINTIFFS pray for relief as follows:

1. For declaratory relief as set forth above;
2. For a preliminary and permanent injunction enjoining the enforcement of the denial of their Applications for licensure;
3. For judicial review of the record and history on which the denial of those Applications was based;
4. For the issuance of a writ of mandamus;
5. For compensatory and special damages as set forth herein;
6. For attorneys' fees and costs of suit; and
7. For all other and further relief as the Court deems just and proper.

## AFFIRMATIVE DEFENSES

The Department denies any and all liability in this matter and asserts the following affirmative defenses:

1. Plaintiffs have failed to state a claim for which relief can be granted.
2. Plaintiffs do not have a property right in a privilege license that they do not have.

- 1           3.     Plaintiffs do not have a fundamental right to a privilege license.
- 2           4.     Chapter 453D does not provide for a hearing when a retail marijuana license
- 3 is not issued.
- 4           5.     The Nevada Administrative Procedures Act, NAC Chapter 233B, does not
- 5 provide for a hearing when a retail marijuana license is not issued.
- 6           6.     The Department's actions were neither arbitrary, capricious, nor an abuse of
- 7 discretion.
- 8           7.     The Department's interpretation of the statutes and regulations it is
- 9 authorized to execute is given great deference.
- 10          8.     The Department used an impartial and numerically scored competitive
- 11 bidding process.
- 12          9.     Plaintiffs did not have a statutory entitlement to a license.
- 13          10.    The U.S. Constitution does not protect the right to engage in a business that
- 14 is illegal under federal law.
- 15          11.    Plaintiffs do not have standing.
- 16          12.    Plaintiffs have failed to exhaust their administrative remedies.
- 17          13.    The Complaint fails to present a justiciable controversy.
- 18          14.    This Court lacks jurisdiction to hear Plaintiffs' claims.
- 19          15.    The Department is immune from liability pursuant to NRS 41.031, *et. seq.*
- 20 generally and NRS 41.032, in particular.
- 21          16.    Plaintiff failed to name the Department properly as required by NRS
- 22 41.031(2).
- 23          17.    Plaintiffs' claims, including the declaratory and/or equitable claims are barred
- 24 by the doctrines of waiver, ratification, estoppel, unclean hands and other equitable
- 25 defenses.
- 26          18.    Plaintiffs' claims are barred by the applicable statute of limitations and/or the
- 27 doctrine of laches.
- 28          19.    Plaintiffs' claims are barred based on impossibility.

1           20.   Plaintiffs' claims have been waived because of the wrongful acts, omissions  
2 and conduct of Plaintiffs.

3           21.   Plaintiffs would be unjustly enriched if awarded damages.

4           22.   The Department has no contractual relationship with Plaintiffs to give rise to  
5 any declaratory relief.

6           23.   The damages sustained by the Plaintiff, if any, were caused by the acts of  
7 unknown third persons who were not agents, servants, or employees of the Department,  
8 and who were not acting on behalf of the Department in any manner or form, and, as such,  
9 the Department is not liable in any manner to Plaintiff.

10          24.   The Department is not legally responsible for the actions and/or omissions of  
11 other third parties.

12          25.   Plaintiffs fail to name a party necessary for full and adequate relief essential  
13 in this action.

14          26.   Plaintiffs failed to comply with a condition precedent.

15          27.   Plaintiffs have not suffered any damages attributable to the actions of the  
16 Department.

17          28.   Plaintiffs have failed to timely protect and/or enforce their alleged rights.

18          29.   Plaintiffs' claims are barred as Plaintiffs have failed, refused, or neglected to  
19 take reasonable steps to mitigate damages, therefore barring or diminishing the ability to  
20 recover.

21          30.   The Department has an objective good faith belief that it acted reasonably and  
22 in good faith and the Department's actions were legally justified.

23          31.   The Department substantially complied with NRS and NAC Chapter 453D.

24          32.   The Department, at all relevant times, acted with due care and  
25 circumspection in the performance of its duties; exercised the degree of skill and learning  
26 ordinarily possessed and exercised by members of its profession in good standing,  
27 practicing in similar localities and that at all times, used reasonable care and diligence in

28 . . .

1 the exercise of its skills and the application of its learning, and at all times acted according  
2 to its best judgment and met the applicable standard of care.

3 33. Plaintiffs' claims for relief are barred as Plaintiff's alleged damages are  
4 speculative and cannot be calculated with any certainty or reliability.

5 34. Each purported claim for relief is barred by the doctrines of *res judicata* and/or  
6 collateral estoppel.

7 35. Each purported claim for relief is barred as Plaintiffs are estopped from  
8 pursuing any claim against the Department in accordance with equitable principles of  
9 jurisprudence.

10 36. The Department alleges that the damages, if any, alleged by the Plaintiffs  
11 were the result of independent intervening acts, over which the Department had no control,  
12 which resulted in the superseding cause of Plaintiffs alleged damages.

13 37. The Department avails itself of all affirmative defenses set forth in and or  
14 arising out of NRS Chapter 453D and NRS Chapter 360 and all applicable regulations and  
15 subparts.

16 38. Plaintiffs claims are barred by the doctrine of qualified immunity.

17 39. All possible affirmative defenses may not have been alleged inasmuch as  
18 insufficient facts and other relevant information may not be available after reasonable  
19 inquiry and, pursuant to NEV. R. CIV. P. 11, the Department hereby reserves the right to  
20 amend these affirmative defenses as additional information becomes available.  
21 Additionally, one or more of these Affirmative Defenses may have been pled for the  
22 purposes of non-waiver.

**SECOND AFFIRMATIVE DEFENSE**

Plaintiff is precluded from recovery by the doctrine of Estoppel.

**THIRD AFFIRMATIVE DEFENSE**

Plaintiff is precluded from recovery by the doctrine of Waiver.

**FOURTH AFFIRMATIVE DEFENSE**

Each Plaintiff, with full knowledge of all the complained facts surrounding the application process, nonetheless participated in and thereby ratified and confirmed in all respects the Defendants' various acts and omissions.

**FIFTH AFFIRMATIVE DEFENSE**

As a result of each Plaintiff's acts, actions, omissions, failures to act and knowledge, Plaintiffs are estopped from bringing this action, from proving the allegations of the Complaint and from recovering any judgment against Defendant.

**SIXTH AFFIRMATIVE DEFENSE**

Defendants acted within the scope of their authority and have no duty or liability to any of the Plaintiffs.

**SEVENTH AFFIRMATIVE DEFENSE**

A petition for judicial review is inappropriate and unavailable under the facts of this case and the statutory scheme at issue.

**EIGHTH AFFIRMATIVE DEFENSE**

Defendants' conduct was privileged, proper, lawful, necessary and/or justified.

1 NINTH AFFIRMATIVE DEFENSE

2 Plaintiff's Complaint and the claims for relief contained therein are barred by the doctrine  
3 of *volenti non fit injuria*.

4 TENTH AFFIRMATIVE DEFENSE

5 Defendant has, at all times, acted in good faith and has complied with each and every one  
6 of its obligations under all statutes and regulations; as a consequence, Plaintiffs are barred from  
7 bringing this Complaint, from proving the allegations contained therein and from recovering a  
8 judgment against Defendant or otherwise interfering with Defendant's rights.

9 ELEVENTH AFFIRMATIVE DEFENSE

10 Plaintiff's claims are barred based on Plaintiff's failure to satisfy conditions precedent.

11 TWELFTH AFFIRMATIVE DEFENSE

12 Plaintiff's damages, if any, are the result of its own illegal, fraudulent, improper,  
13 insufficient and/or inequitable conduct.

14 THIRTEENTH AFFIRMATIVE DEFENSE

15 The various Plaintiffs lack standing to assert the claims set forth in the Complaint.

16 FOURTEENTH AFFIRMATIVE DEFENSE

17 Plaintiff's Complaint and each and every claim for relief alleged therein is barred by the  
18 doctrines of Res Judicata, Claim Preclusion, Issue Preclusion, and Stare Decisis.

19 FIFTEENTH AFFIRMATIVE DEFENSE

20 Plaintiffs have not exhausted their legal and administrative remedies.

21 SIXTEENTH AFFIRMATIVE DEFENSE

22 Plaintiffs do not have a property right in, or any fundamental right or entitlement to, a  
23 privilege license that they were never awarded.

24 SEVENTEENTH AFFIRMATIVE DEFENSE

25 The U.S. Constitution does not protect the Plaintiffs' claimed right to engage in a  
26 business that is illegal under federal law.

27 EIGHTEENTH AFFIRMATIVE DEFENSE

28 Plaintiffs have failed to establish jurisdiction and venue in this court.

1 NINETEENTH AFFIRMATIVE DEFENSE

2 Defendant incorporates by this reference the affirmative defenses enumerated in NRCP  
3 Rule 8(c) to avoid waiver thereof.

4 TWENTIETH AFFIRMATIVE DEFENSE

5 Mandamus is not available to compel a non-ministerial, discretionary task.

6 TWENTY-FIRST AFFIRMATIVE DEFENSE

7 This answering Defendant has not harmed any of the Plaintiffs and is not responsible in  
8 any way for the alleged acts. Therefore, each and every Plaintiff is precluded from recovering  
9 any relief against this Defendant or from interfering with this Defendant's licenses.

10 TWENTY-SECOND AFFIRMATIVE DEFENSE

11 This answering Defendant hereby adopts and incorporates the other Defendants'  
12 affirmative defenses.

13 TWENTY-THIRD AFFIRMATIVE DEFENSE

14 Pursuant to NRCP 11, all possible affirmative defenses may not have been alleged herein  
15 insofar as sufficient facts were not available after reasonable inquiry upon the filing of this  
16 Answer and, therefore, Defendant reserves the right to amend this Answer to allege additional  
17 affirmative defenses if subsequent information so warrants.

18 **PRAYER FOR RELIEF**

19 WHEREFORE, Defendant prays for judgment against each Plaintiff as follows:

- 20 1. That the Plaintiffs take nothing by reason of their complaints and that the same be  
21 dismissed with prejudice;

23 herein; and
- 24 3. For such other and further relief as the Court deems just and proper in this case.

1 the preceding Paragraphs of the Second Amended Complaint as if fully set forth herein.

2 **FIRST AFFIRMATIVE DEFENSE**

3 The Second Amended Complaint and all the claims for relief alleged therein, fails to state  
4 a claim upon which relief can be granted.

5 **SECOND AFFIRMATIVE DEFENSE**

6 Plaintiffs have not been damaged directly, indirectly, proximately, or in any manner  
7 whatsoever by any conduct of Clear River.

8 **THIRD AFFIRMATIVE DEFENSE**

9 The State of Nevada, Department of Taxation is immune from suit when performing the  
10 functions at issue in this case.

11 **FOURTH AFFIRMATIVE DEFENSE**

12 The actions of the State of Nevada, Department of Taxation were all official acts that  
13 were done in compliance with applicable laws and regulations.

14 **FIFTH AFFIRMATIVE DEFENSE**

15 Plaintiffs' claims are barred because Plaintiffs have failed to exhaust administrative  
16 remedies, if any.

17 **SIXTH AFFIRMATIVE DEFENSE**

18 The actions of the State of Nevada, Department of Taxation, were not arbitrary or  
19 capricious, and the State of Nevada, Department of Taxation had a rational basis for all the  
20 actions taken in the licensing process at issue.

21 **SEVENTH AFFIRMATIVE DEFENSE**

22 Plaintiffs have failed to join necessary and indispensable parties to this litigation under  
23 Nev. R. Civ. P. 19, as the Court cannot grant any of Plaintiffs' claims without affecting the rights  
24 and privileges of those parties who received the licenses at issue as well as other third parties.

**EIGHTH AFFIRMATIVE DEFENSE**

The claims, and each of them, are barred by the failure of Plaintiffs to plead those claims with sufficient particularity.

**NINTH AFFIRMATIVE DEFENSE**

Plaintiffs have failed to allege sufficient facts and cannot carry the burden of proof imposed on them by law to recover attorney's fees incurred to bring this action.

**TENTH AFFIRMATIVE DEFENSE**

Injunctive relief is not available to Plaintiffs, because the State of Nevada, Department of Taxation has already completed the task of issuing conditional licenses.

**ELEVENTH AFFIRMATIVE DEFENSE**

Plaintiffs have no constitutional right to obtain a privilege license.

**TWELFTH AFFIRMATIVE DEFENSE**

Plaintiffs are not entitled to judicial review on the denial of a privilege license.

**THIRTEENTH AFFIRMATIVE DEFENSE**

Mandamus is not available to compel the members of the executive branch to perform non-ministerial, discretionary tasks.

**FOURTEENTH AFFIRMATIVE DEFENSE**

Plaintiffs are not entitled to declaratory relief because declaratory relief will not give the Plaintiffs the relief it is seeking.

**FIFTEENTH AFFIRMATIVE DEFENSE**

Plaintiffs' claims are barred by the doctrine of unclean hands.

**SIXTEENTH AFFIRMATIVE DEFENSE**

Plaintiffs' claims are barred by the doctrine of laches.

**SEVENTEENTH AFFIRMATIVE DEFENSE**

1 Plaintiffs' claims are barred by waiver, estoppel, release and/or discharge.

2 **EIGHTEENTH AFFIRMATIVE DEFENSE**

3 The occurrences referred to in the Second Amended Complaint and all alleged damages,  
4 if any, resulting therefrom, were caused by a third party of which Clear River had no control.

5 **NINETEENTH AFFIRMATIVE DEFENSE**

6 Plaintiffs lack standing to seek the relief they request.

7 **TWENTIETH AFFIRMATIVE DEFENSE**

8 Plaintiffs do not have a protectable property interest.

9 **TWENTY-FIRST AFFIRMATIVE DEFENSE**

10 Clear River adopts and incorporates herein all affirmative defenses by Defendants and  
11 other Intervenors in this matter.

12 **TWENTY-SECOND AFFIRMATIVE DEFENSE**

13 The Plaintiffs have failed to timely file and comply with the requirements of NRS  
14 233B.130 for a Petition For Judicial Review.

15 **TWENTY-THIRD AFFIRMATIVE DEFENSE**

16 Pursuant to the Nevada Rules of Civil Procedure, all possible affirmative defenses may  
17 not have been alleged herein insofar as sufficient facts were not available after reasonable  
18 inquiry upon the filing of this answer and, therefore, Clear River hereby reserves the right to  
19 amend this answer to allege additional affirmative defenses if subsequent investigation warrants.

20 **TWENTY-FOURTH AFFIRMATIVE DEFENSE**

21 Clear River expressly reserves the right to amend this Answer to bring counterclaims  
22 against Plaintiffs.

**PRAYER FOR RELIEF**

WHEREFORE, Clear River prays for judgment as follows:

1. Plaintiffs take nothing by way of their Second Complaint;
2. The Second Amended Complaint, and all causes of action alleged against Clear River and Defendants therein be dismissed with prejudice;
3. For reasonable attorney's fees and costs, be awarded to Clear River; and
4. For any such other and further relief, the Court deems just and proper under the circumstances.

**TGIG PLAINTIFFS' MOTION TO AMEND FINDINGS OF FACT, CONCLUSIONS OF  
LAW AND PERMANENT INJUNCTION**

The TGIG Plaintiffs move to amend this court's Findings of Fact, Conclusions of Law and Permanent Injunction (FFCL), filed September 3, 2020. See NRCP 59(e). The purpose of this motion is to seek clarification of the status of intervenors who were certified as Tier 3 defendants by the Nevada Department of Taxation following entry of the preliminary injunction.

1 This Motion is based upon the Memorandum of Points and Authorities below, the  
2 evidentiary support attached hereto, the pleadings and papers on file, and any argument that the  
3 Court may entertain on this matter.  
4

5 **MEMORANDUM OF POINTS AND AUTHORITIES**

6 **I.**  
7 **INTRODUCTION**<sup>1</sup>

8 The final FFCL provides, in pertinent part, as follows:

9  
10 **IT IS HEREBY ORDERED, ADJUDGED AND DECREED** that:

11 The Claim for declaratory relief is granted. The Court declares:

12  
13 The DoT acted beyond its scope of authority when it arbitrarily and capriciously replaced  
14 the mandatory requirement of BQ2, for the background check of each prospective owner,  
15 officer and board member with the 5 per cent or greater standard in NAC 453.255(1).  
16 This decision by the DoT was not one they were permitted to make as it resulted in a  
modification of BQ2 in violation of Article 19 of the Nevada Constitution. 9.

17 The claim for equal protection is granted in part:

18 With respect to the decision by the DoT to arbitrarily and capriciously replace the  
19 mandatory requirement of BQ2, for the background check of each prospective owner,  
20 officer and board member with the 5 percent or greater standard in NAC 453.255(1), the  
DoT created an unfair process. . . .

21 Injunctive relief under these claims is appropriate. The State is permanently enjoined  
22 from conducting a final inspection of any of the conditional licenses issued on or about  
23 December 2018 for an applicant who did not provide the identification of each  
24 prospective owner, officer and board member as required by NRS 453D.200(6).  
25

26  
27 <sup>1</sup> Pending trial, this Court issued a Preliminary Injunction in favor of the plaintiffs restraining the DOT from conducting final  
28 inspections of conditional licensees who failed under NRS 453D.200(6) to identify each prospective owner, officer or board  
member in connection with such licenses issued in December of 2018. The recent FFCL made that preliminary injunction  
permanent.

1 By email certification dated August 21, 2019, Steven Shevorski, counsel for the DoT,  
2 certified that “the Department of Taxation could not eliminate a question as to the completeness”  
3 of the applications of applicants Helping Hands Wellness Center Inc., Lone Mountain Partners  
4 LLC, Nevada Organic Remedies LLC, and Greenmart of Nevada NLV LLC with reference to  
5 NRS 453D.200(6). See Court Exhibit 3 to the Amended Findings of Fact, Conclusions of Law  
6 and Order of Preliminary Injunction dated February 7, 2020, **Exhibit 1**. More specifically:  
7

- 8 1. **Helping Hands Wellness Center, Inc.** – The Department of Taxation could not  
9 eliminate a question a question regarding the completeness of the applicant’s  
10 identification of all of its officers on Attachment A in light of Mr. Terteryan’s  
11 testimony that he is the Chief Operating Officer and was not listed on Attachment  
12 A. The Department of Taxation does note, however, that Mr. Terteryan has been  
13 the subject of a completed background check.
- 14 2. **Lone Mountain Partners, LLC** – The Department of Taxation could not  
15 eliminate a question regarding the completeness of the applicant’s identification  
16 of all of its owners because the Department could not determine whether Lone  
17 Mountain Partners, LLC was a subsidiary of an entity styled “Verona” or was  
18 owned by the individual members listed on Attachment A.
- 19 3. **Nevada Organic Remedies, LLC** - The Department of Taxation could not  
20 eliminate a question regarding the completeness of the applicant’s identification  
21 of all of its owners because the Department could not determine whether there  
22 were shareholders who owned a membership interest in the applicant at the time  
23 the application was submitted, but who were not listed on Attachment A, as the  
24 applicant was acquired by a publicly traded company on or around September 4,  
25 2018.
- 26 4. **Greenmart of Nevada NLV, LLC** - The Department of Taxation could not  
27 eliminate a question regarding the completeness of the applicant’s identification  
28 of all of its owners. The Department could not determine whether the applicant  
listed all its owners on Attachment A because a subsidiary of a publicly traded  
company owned a membership interest in the applicant at the time the applicant  
submitted its application.

29 *See Id.*

30 Near to the end of trial proceedings, a group of plaintiffs negotiated a proposed  
31 settlement with the DoT and selected intervenor defendants, including the intervenor defendants

1 listed above by the DoT. Terms included transfers of licenses and a unilateral re-tiering of  
2 certain defendants. The settlement in part required as follows:

3  
4 10. As a condition and term of this settlement, within two business days after  
5 the conditions precedent in Paragraphs 5-8 are met, Settling Plaintiffs shall  
6 move to dismiss any and all claims in the cases listed below (the “Dismissed  
Claims”):

7 MM Development/LivFree action (Case No. A-18-785818-W);

8 In Re: DOT Litigation (A-19-787004-B);

9 Nevada Wellness Center action (A-19-787540-W);

10 Qualcan action (A-19-801416-B).

11 Settling Plaintiffs will dismiss the Dismissed Claims with prejudice against  
12 each Settling Party hereto, as applicable, and without costs or fees to or from  
13 any such Settling Party; Settling Defendants reserve their rights to seek fees  
and costs from any Non-Settling Plaintiff . . . in the Lawsuit.

14 The settlement agreement is attached to this motion as **Exhibit 2**.

15 The settling parties thereafter sought and received approval to settle the matter under the  
16 terms of the Settlement Agreement from the DoT and the Cannabis Compliance Board. The  
17 settling defendants then sought, based upon the settlement, an Order by this Court for return of  
18 bond deposits. This Court granted release of the bonds to all plaintiffs in the recent FFCL --  
19 pending objections by defendant parties.  
20

21 Importantly, none of the “settled” claims have been dismissed and the recent FFCL  
22 makes no mention of the settlement. The claims against the settling defendants were thus  
23 litigated to conclusion because the claims were not dismissed, and the bond releases are still  
24 pending. The TGIG plaintiffs seek amendment to the recent FFCL to clarify that the decision  
25 applies to settling and non-settling parties alike.

## **II.** **ARGUMENT**

NAC 453.315(9) and NCCR 5.110(9) provide identical restrictions toward the requested transfer of conditional licenses: “[a] request to transfer an ownership interest in a cannabis establishment which holds a conditional license must be accompanied by a notarized attestation, signed by a person authorized to submit such an attestation by the governing documents of the cannabis establishment, declaring that the prospective owner will build and operate the cannabis establishment at standards that meet or exceed the criteria contained in the original application for the cannabis establishment.

The proposed Settlement Agreement’s provisions concerning transfer of conditional license violate clearly articulated prohibitions in both NAC453D and NCCR. Paragraph 8 of the proposed Settlement Agreement provides: “[a]s a condition and term of this settlement, after the conditions precedent in Paragraphs 5-7 are met, the CCB agrees to make a good faith effort to expedite any and all CHOW requests for the transfer of licenses from existing licensee to another existing licensee as set forth in Paragraph 1 above. The CCB agrees that it will make a good faith effort to expedite and process all CHOWs after submission thereof.

For purposes of approving the transfers, LivFree, MM, ETW Plaintiffs, NWC, Qualcan, and Thrive were previously and are currently approved by the DOT as owners and operators of medical and retail marijuana dispensary licenses in the state of Nevada. In compliance with NRS/NAC 453D, these parties have operated retail marijuana dispensaries without any suspensions or revocations of those licenses.

Absent a finding invalidating the ranking of applications by DoT, neither the proposed “Settling Defendants” nor the proposed “Settling Plaintiffs” can assert that the marijuana establishments going forward will meet or exceed the very same criteria that DOT purports it

1 appropriately considered and ranked from first to last among competing applicants. The Settling  
2 Parties simply cannot assert that the proposed transfers will be built and operated at the same  
3 standards ranked and scored by the DoT. To demonstrate, the purported Settlement Agreement  
4 provide for unlawful transfers of conditional licenses as follows:  
5

- 6 1. Lone Mountain hereby assigns 1 City of Las Vegas conditional license to Qualcan; this  
7 provision seeks unlawful transfer of a license from an applicant ranked number Six (6) to  
8 an applicant ranked number Eleven (11).  
9
- 10 2. Lone Mountain hereby assigns 1 Washoe County – City of Reno conditional license.  
11 This provision seeks unlawful transfer of a license from an applicant ranked number Five  
12 (5) to an applicant whose ranking cannot specifically be determined but would not have  
13 qualified for initial licensure.  
14
- 15 3. Eureka County conditional license to ETW Plaintiffs. This provision seeks unlawful  
16 transfer of a license from an applicant ranked number One (1) to an applicant that did not  
17 apply in that jurisdiction but based on scores in other jurisdictions would not have  
18 qualified for licensure.  
19
- 20 4. Helping Hands hereby assigns 1 Unincorporated Clark County conditional license to  
21 LivFree. This provision seeks unlawful transfer of a license from an applicant ranked  
22 number Five (5) to an applicant ranked Thirty-Five (35).  
23
- 24 5. NOR hereby assigns 1 Unincorporated Clark County conditional license to MM. This  
25 provision seeks unlawful transfer of a license from an applicant ranked number Three (3)  
26 to an applicant ranked Fourteen (14).  
27
- 28 6. NOR hereby assigns 1 Carson City conditional license to Qualcan. This provision seeks  
unlawful transfer of a license from an applicant ranked number Two (2) to an applicant

1 that did not apply in that jurisdiction. These settling parties justify this transfer based  
2 upon scores in other jurisdictions that would not have qualified for licensure in Carson  
3 City.  
4

- 5 7. GreenMart hereby assigns 1 Unincorporated Clark County conditional license to NWC.

6 This provision seeks unlawful transfer of a license from an applicant ranked number  
7 Seven (7) to an applicant ranked sixty-nine (69).  
8

- 9 8. Thrive hereby assigns 1 Clark County – City of Henderson conditional license (RD266)  
10 to ETW Management or a related-entity designee. This provision seeks unlawful  
11 transfer of a license from an applicant ranked number Fourth (4) to an applicant ranked  
12 Thirty (30).  
13

- 14 9. Lone Mountain hereby assigns 1 Douglas County conditional license to Thrive. This  
15 provision seeks unlawful transfer of a license from an applicant ranked number One (1)  
16 to an unspecified applicant. Per the terms of the Agreement, the Parties agree to a  
17 transfer to Thrive yet that applicant applied under two separate entity names. Both  
18 Thrive entities, Cheyenne Medical and Commerce Park, submitted identical  
19 applications but were scored differently.  
20

21 Applicable provisions of NAC 453D clearly establish that the intent of NAC 453.315(9)  
22 is that the terms “build and operate the marijuana establishment at standards that meet or exceed  
23 the criteria contained in the original marijuana establishment” are intended to prohibit the exact  
24 conditions the settling parties now seek to apply. NAC 453D.260 provides that the  
25 “[d]epartment will provide notice of a request for applications to operate a marijuana  
26 establishment...” NAC 453D.268 provides in relevant part, “The application must include,  
27 without limitation: Documentation concerning the size of the proposed marijuana establishment,  
28 including, without limitation, building and general floor plans with supporting details.” These

1 associated regulations evidence a clear intent prohibiting the precise conduct that DoT now  
2 attempts to condone in permitting transfer of conditional licenses under this settlement.

3 **III.**  
4 **CONCLUSION**

5 The DoT simply has no authority to disregard the law in furtherance of any proposed  
6 partial settlement. Accordingly, the permanent injunction should apply by its terms and the court  
7 should not dismiss the actions listed in the Settlement Agreement. In this, the TGIG parties  
8 move for an amendment to the FFCL refusing dismissal of the settling defendants per the  
9 settlement.<sup>2</sup>

27 <sup>2</sup> In response to the FFCL, the Attorney General himself has publicly announced that the permanent  
28 injunction is moot because he has removed the listed parties from the category of deficient applicants  
awarded licenses in December 2018. That means that the chief counsel for the NDot and CCB has  
countenanced a violation of the constitutional provision at issue in the instant permanent injunction.

Case : A-19-786962-B

Dept. 11

Danielle,

The Department of Taxation answers the Court's question as follows:

**Court's Question:** Which successful applicants completed the application in compliance with NRS 453D.200(6) at the time the application was filed in September 2018?

**Answer:** The Department of Taxation answers the Court's question in three parts.

**First**, there were seven successful applicants who are not parties to the coordinated preliminary injunction proceeding. These entities are Green Therapeutics LLC, Eureka NewGen Farms LLC, Circle S Farms LLC, Deep Roots Medical LLC, Pure Tonic Concentrates LLC, Wellness Connection of Nevada LLC, Polaris Wellness Center LLC, and TRNVP098 LLC. Accepting as truthful these applicants' attestations regarding who their owners, officers, and board members were at the time of the application, these applications were complete at the time they were filed with reference to NRS 453D.200(6).

**Second**, there were five successful applicants who are parties to this coordinated preliminary injunction proceeding whose applications were complete with reference to NRS 453D.200(6) if the Department of Taxation accepts as truthful their attestations regarding who their owners, officers, and board members were. These applicants were Clear River LLC, Cheyenne Medical LLC, Essence Tropicana LLC, Essence Henderson LLC, and Commerce Park Medical LLC.

**Third**, there were four successful applicants who are parties to this proceeding regarding whom the Department of Taxation could not eliminate a question as to the completeness of their applications with reference to NRS 453D.200(6). These applicants were Helping Hands Wellness Center Inc., Lone Mountain Partners LLC, Nevada Organic Remedies LLC, and Greenmart of Nevada NLV LLC.

With respect to the third group, the Department of Taxation could not eliminate a question as to the completeness of the applications due to the following:

1. **Helping Hands Wellness Center, Inc.** – The Department of Taxation could not eliminate a question a question regarding the completeness of the applicant's identification of all of its officers on Attachment A in light of Mr. Terteryan's testimony that he is the Chief Operating Officer and was not listed on Attachment A. The Department of Taxation does note, however, that Mr. Terteryan has been the subject of a completed background check.
2. **Lone Mountain Partners, LLC** – The Department of Taxation could not eliminate a question regarding the completeness of the applicant's identification of all of its owners because the Department could not determine whether Lone Mountain Partners, LLC was a subsidiary of an entity styled "Verona" or was owned by the individual members listed on Attachment A.
3. **Nevada Organic Remedies, LLC** - The Department of Taxation could not eliminate a question regarding the completeness of the applicant's identification of all of its owners because the Department could not determine whether there were shareholders who owned a membership interest in the applicant at the time the application was submitted, but who were not listed on Attachment A, as the applicant was acquired by a publicly traded company on or around September 4, 2018.
4. **Greenmart of Nevada NLV, LLC** - The Department of Taxation could not eliminate a question regarding the completeness of the applicant's identification of all of its owners. The Department could not determine whether the applicant listed all its owners on Attachment A because a subsidiary of a publicly traded company owned a membership interest in the applicant at the time the applicant submitted its application.

In creating this answer, the Department of Taxation sought to answer the Court's question in a neutral fashion based on the information available to it from the applications themselves, testimony given at the hearing (without reference to issues of admissibility, which an affected party may raise), and information publicly available from a government website (the Canadian Securities Exchange website), which was submitted by the applicant or information submitted about the applicant by an entity claiming an affiliation to the applicant. The Department of Taxation expects that Helping Hands Wellness Center Inc., Lone Mountain Partners LLC, Nevada Organic Remedies LLC, and Greenmart of Nevada NLV LLC may explain why they believe they submitted complete applications in compliance with the provisions of NRS 453D.200(6).

Best regards,

Steve Shevorski

To the Honorable Judge Gonzales,

The Department of Taxation needs until tomorrow to submit the email responding to your query. My office needs a little more time to confer with the DOT on the answer to your question. I also have to

leave work early due to a medical circumstance involving my wife's family, which requires my wife to attend to her mother in the hospital and I have the charge of my two children.

I apologize for the delay. The DOT requests an additional day to provide its response, if possible.

EXHIBIT 2

## SETTLEMENT AGREEMENT

This Settlement Agreement is entered into as of July \_\_, 2020 (the “Effective Date”) (this “Agreement”), among LivFree Wellness, LLC, a Nevada limited liability company (“LivFree”), MM Development Company, Inc., a Nevada corporation, (“MM”); ETW Management Group LLC, Global Harmony LLC, Just Quality, LLC, Libra Wellness Center, LLC, Rombough Real Estate, Inc., and Zion Gardens LLC, (collectively the “ETW Plaintiffs”); Nevada Wellness Center, LLC, a Nevada limited liability company (“NWC”); Qualcan, LLC, a Nevada limited liability company (“Qualcan”) (collectively, “Settling Plaintiffs” or individually, a “Settling Plaintiff”); Lone Mountain Partners, LLC, a Nevada limited liability company (“Lone Mountain”); Nevada Organic Remedies, LLC, a Nevada limited liability company (“NOR”); Greenmart of Nevada NLV, LLC, a Nevada limited liability company (“GreenMart”); Helping Hands Wellness Center, Inc., a Nevada corporation (“Helping Hands”); CPCM Holdings, LLC, a Nevada limited liability company, Cheyenne Medical, LLC, a Nevada limited liability company, and Commerce Park Medical, LLC, a Nevada limited liability company (collectively “Thrive”); and the State of Nevada, Department of Taxation (“DOT”) (collectively “Settling Defendants” or individually, a “Settling Defendant”).

### RECITALS

- A. LivFree, MM, ETW Plaintiffs, NWC, Qualcan, Lone Mountain, NOR, GreenMart, Helping Hands, Thrive, and the DOT (collectively the “Settling Parties” and individually, a “Settling Party”) are all parties to a consolidated lawsuit pending in the District Court, Clark County, Nevada, as Case No. A-19-787004-B (the “Lawsuit”).
- B. Within the Lawsuit there are claims and counterclaims relating to the disputes at issue in the Lawsuit (the “Disputes”).
- C. The parties want to compromise and settle the Disputes in the Lawsuit by dismissing the claims in the Lawsuit by and between the Settling Parties, each Settling Party to bear its own costs and attorneys’ fees, and to exchange mutual releases as provided in this Agreement.

NOW THEREFORE the Settling Parties agree:

### DESCRIPTION OF TRANSFERS AND ISSUANCES OF LICENSES

1. The Settling Defendants hereby assign (subject to DOT and/or Cannabis Compliance Board (“CCB”) approval) all rights, interest and title in the various Nevada retail marijuana dispensary conditional licenses (the “Conditionally Approved Licenses”) to other entities as set forth below provided that each of the conditions set forth in this Agreement, including those set forth in Paragraphs 5-8 hereof, shall first be fulfilled:

- Lone Mountain hereby assigns 1 City of Las Vegas conditional license to Qualcan;
- Lone Mountain hereby assigns 1 Washoe County – City of Reno conditional license, 1 Lincoln County conditional license, 1 Esmerelda conditional license, and 1 Eureka County conditional license to ETW Plaintiffs;

- Helping Hands hereby assigns 1 Unincorporated Clark County conditional license to LivFree;
- NOR hereby assigns 1 Unincorporated Clark County conditional license to MM;
- NOR hereby assigns 1 Carson City conditional license to Qualcan;
- GreenMart hereby assigns 1 Unincorporated Clark County conditional license to NWC;
- Thrive hereby assigns 1 Clark County – City of Henderson conditional license (RD266) to ETW Management or a related-entity designee; and
- Lone Mountain hereby assigns 1 Douglas County conditional license to Thrive<sup>1</sup>.

2. LivFree Henderson. To fully resolve the potential MM and LivFree appeals, the DOT and/or CCB agrees to issue a conditional Henderson license to LivFree and LivFree agrees that it will hold such license in abeyance (the “Limited Henderson License”) until such time as both of the following two conditions are satisfied and provided that no Settling Party has exercised the “put option” described below: (1) the Henderson moratorium and/or restriction on the opening of additional adult-use cannabis establishments (the “Henderson Moratorium”) is lifted; AND (2) the issuance of a final inspection certificate for this Henderson license does not require the DOT and/or CCB to exceed the current cap for Clark County licenses (presently 80 licenses) or any adjusted cap for Clark County licenses. Nothing herein shall be construed to excuse or eliminate any and all requirements or duties that LivFree is or maybe required to fulfill under state or local law pertaining to the Henderson conditional license in the event that conditions precedent 1 and 2 are fulfilled. Nothing in this Paragraph 2 shall prevent any Settling Parties issued conditional licenses in the City of Henderson from perfecting those conditional licenses if the Henderson Moratorium is lifted.

LivFree expressly does not commit to undertake any efforts to eliminate the existing Henderson Moratorium and, in fact, expressly reserves the right to undertake lobbying efforts to preserve any Henderson Moratorium, provided, however, that LivFree shall not seek any legal action to prevent the Henderson Moratorium from being lifted or seeking its continuance. Further, LivFree shall not engage in any tortious interference with any Settling Parties’ ability to perfect any Henderson license and/or to receive the issuance of a final inspection certificate from both the City of Henderson and the State of Nevada (CCB). LivFree agrees that the existing Henderson Moratorium applies to the Henderson conditional license issued to LivFree hereunder (but does not apply to LivFree’s existing operational Henderson dispensary license). To assist the DOT and/or CCB in reducing any potential issues with the current cap for Clark County licenses, LivFree agrees that, for a period of 5 years (the “Option Period”) following execution of this Agreement, it will pay \$250,000, or any other price on which the parties are able to agree, to purchase one Henderson conditional licenses. No such Settling Defendant shall have any obligation whatsoever to sell LivFree any such Henderson conditional licenses and nothing in this Agreement should be construed as any indication that the DOT and/or CCB is suggesting that any Settling Defendant should exercise this “put option.” However, LivFree agrees that any Settling Defendant, at their respective option (not obligation) and in their sole and unfettered discretion,

---

<sup>1</sup> Lone Mountain agrees that, subject to agreement to final terms by all parties to the Lawsuit, it will contribute its remaining Lander County, Mineral County, and White Pine County conditional licenses to a Global Settlement.

shall have a “put option” to sell to LivFree, and LivFree shall have the obligation to purchase, one such license from any Settling Defendant, whichever decides to exercise the option first (if at all), for \$250,000, or any other price on which the parties are able to agree, during the Option Period.

Nothing in this Paragraph 2 shall be construed to (a) prevent or limit any Settling Defendant’s ability to operate the conditional Henderson licenses during the Option Period, (b) prevent or limit any Settling Defendant’s ability to sell, assign, or otherwise transfer any Henderson conditional licenses during the Option Period to any other party at any time and upon any such terms as such Settling Defendant may agree, and (c) apply to any other licenses held by any affiliate of any Settling Defendant. Further, LivFree and DOT and/or CCB agree that the grant of any “put option” pursuant to this Paragraph 2 shall not constitute the creation of an “interest” (ownership or otherwise) in the Henderson conditional licenses for LivFree.

If LivFree acquires one of the conditional licenses through the exercise of the “put option”, LivFree agrees that it will surrender either the Limited Henderson License or the license acquired through the “put option” (at LivFree’s discretion to determine which of those options it will choose) to allow the DOT and/or CCB to reduce the existing or any future cap on total Clark County licenses. In no event shall LivFree have two additional Henderson conditional licenses by getting one directly or indirectly through this settlement (or any further settlement of the Lawsuit) and another through an exercise of the “put option”, in addition to the already existing LivFree Henderson license.

In the event that the pre-condition of lifting the Henderson moratorium occurs and LivFree is not able to exercise in good faith the “put option”, LivFree agrees to remain solely responsible for any and all local government and county approvals necessary for the CCB to reallocate a license which was not applied for during the September 2018 retail marijuana store competition.

3. All licensees described in this Agreement must be in good standing.
4. No license transfer pursuant to this Agreement can create a monopoly, as prohibited in NRS 678B.230 and NRS 678B.270.

#### DISSOLUTION OF BOND AND INJUNCTION

5. As a condition and term of this settlement, within 2 business days of the execution of this Agreement by all Parties, Settling Plaintiffs shall file a motion for a return of the cash bond that they have posted and seek an order shortening time. Contemporaneously, Settling Plaintiffs will withdraw the pending Motion for Case Terminating Sanctions filed against the DOT seeking to strike its Answer to the Lawsuit.
6. As a condition and term of this settlement, the CCB agrees to make a good faith effort to expedite and process GreenMart’s previously submitted Change of Ownership request for transfer of interests and/or ownership (“CHOW”) .
7. As a condition and term of this settlement, DOT will notify the Court and will file an appropriate Motion on OST in the Lawsuit informing the Court that it has determined that Lone Mountain, NOR, GreenMart, and Helping Hands (each, a “Tier 3 Party”) have satisfied the DOT that each such Settling Defendant provided the information necessary in their respective applications to allow the DOT and/or CCB to conduct all necessary background checks and related actions and that Lone Mountain, NOR, GreenMart, and Helping Hands are being reassigned to Tier 2 status in the Lawsuit for purposes of the Preliminary Injunction or any other injunction that may be issued in the Lawsuit or any related proceedings. The Motion to be filed by DOT will

indicate the DOT's approval of the applications of the previously designated Tier 3 Defendant Intervenor and that final inspections may be completed for any establishments owned by Lone Mountain, NOR, GreenMart, and Helping Hands. All Parties will join in the DOT's Motion. The reassignment of the settling Tier 3 parties into Tier 2, is a material condition of this Agreement and a material condition and requirement for the assignments contained in Paragraph 1. In such instance, the DOT and/or CCB (or successor entity, as appropriate) and the proposed assignee shall perform all actions and execute all documents to ensure that such licenses remain with the affected transferring party.

#### TIMING OF TRANSFERS

8. As a condition and term of this settlement, after the conditions precedent in Paragraphs 5-7 are met, the CCB agrees to make a good faith effort to expedite any and all CHOW requests for the transfer of licenses from existing licensee to another existing licensee as set forth in Paragraph 1 above. The CCB agrees that it will make a good faith effort to expedite and process all CHOWs after submission thereof. For purposes of approving the transfers, LivFree, MM, ETW Plaintiffs, NWC, Qualcan, and Thrive were previously and are currently approved by the DOT as owners and operators of medical and retail marijuana dispensary licenses in the state of Nevada. In compliance with NRS/NAC 453D, these parties have operated retail marijuana dispensaries without any suspensions or revocations of those licenses. Any delays in approvals of the CHOWs due to no fault of transferor shall not be deemed a breach of this Agreement.

12. MM Development, Nevada Wellness Center, and Liv Free agree to relinquish any and all administrative appeals to DOT and CCB which they may have or have arising out of the September 2018 retail marijuana store competition.

13. Further, upon the execution of this Agreement, the Settling Plaintiffs will file a Motion to Intervene as Defendants/Intervenors in the Lawsuit and participate in the Lawsuit in good faith and shall use best efforts to defend against the Lawsuit.

14. If any Settling Party settles any other matter related to the Lawsuit (each, a “Future Settlement”), every other Settling Party shall be included as released parties in such Future Settlement on the same release terms and conditions as set forth herein; provided, however, that any Settling Party receiving such release shall bear its own costs and attorneys’ fees with respect thereto as provided in this Agreement.

16. DOT and/or CCB further agrees to perform final inspections on an expedited time period – within 5 business days of the request for inspection – for the new locations for the conditional licenses for the NOR proposed dispensary in Reno, NV and the MM proposed dispensary in Unincorporated Clark County, and any and all of Thrive’s conditional licenses to be designated by Thrive.

17. DOT and/or CCB agrees to, in good faith, expedite the processing of Thrive’s pending Change of Location Request for its Unincorporated Clark County license (RD263).

18. DOT and/or CCB agrees that all parties to this Agreement shall receive a fourteen (14)-month extension of the current deadline of December 5, 2020 to February 5, 2022, for conditional licensees to obtain final inspections and approval from DOT and/or CCB on any and all conditional licenses received and that comparable extensions shall be extended to other parties that settle claims in this Lawsuit with the DOT and/or CCB. Notwithstanding the foregoing, for any jurisdiction that currently has a moratorium on new adult-use cannabis establishments (including

but not limited to the City of Henderson, Douglas County, and the City of Reno), DOT and/or CCB agrees to extend the deadline for any Settling Party to obtain final inspections and approval from DOT and/or CCB on any and all conditional licenses in such jurisdiction for a period of fourteen (14) months after the date any moratorium is lifted in such jurisdiction.

19. LivFree agrees to reimburse Helping Hands for its expenses, through January 31, 2020 totaling \$890,000, related to building out the designated location at 8605 S. Eastern Ave., Las Vegas, NV 89123 for the Unincorporated Clark County license. Payment of the \$890,000 by LivFree is contingent upon approval of a special use permit ("SUP") for this location by the Clark County Commission and will be made no later than 10 business days after final approval of the SUP. LivFree will submit the application for the SUP in good faith no later than forty-five (45) days following the Effective Date or 45 days after the conclusion of trial, whichever is later. Helping Hands makes no representations or warranties regarding the SUP for the Eastern location. If Clark County does not approve the SUP for such location on or before March 31, 2021, LivFree may request a SUP at a different location and would not be required to pay Helping Hands \$890,000.

20. LivFree agrees to assume the lease, attached hereto as Exhibit A, for the premises located at 8605 S. Eastern Ave., Las Vegas, NV 89123 upon receipt of an estoppel certificate executed by the landlord. Assumption of the lease by LivFree is contingent upon approval of a SUP for this location by the Clark County Commission and will be made no later than 10 business days after final approval of the SUP. Helping Hands will remain liable for lease payments until LivFree assumes the lease and LivFree will have no liability on the lease if the SUP is not approved.

21. LivFree agrees to pay to Thrive the amount of \$400,000 and Helping Hands agrees to pay to Thrive the amount of \$100,000 upon approval of the transfer of the Thrive conditional license as set forth in paragraph 1 of this Agreement. LivFree and Helping Hands agree to cooperate with Thrive to report the payment set out in this Paragraph in the most tax-advantaged way to Thrive and its affiliates.

#### OTHER TERMS

30. The CCB agrees to recommend an industry funded study to the Cannabis Advisory Commission, a duly authorized public body pursuant to NRS 678A.300 and NRS 678A.310, to gather information and make recommendations to the CCB on the following matters: (1) what are reasonable additional actions, if any, can be taken to deter black-market sales; (2) analysis of adequacy of number and commercial need for additional marijuana licenses, if any, to serve the citizens of Nevada, including consideration of minority access to licensure, (3) recommendations of changes, if any, relating to state and local fees and taxation of the marijuana industry, and (4) analysis of adequacy of safeguards to protect minors.

32. Non-Participating Party Procedure: The Settling Parties agree to cooperate to obtain final resolution of Lawsuit (“Global Settlement”) consistent with this Agreement.

33. Non-Transferability. For a period of 2 years from July 1, 2020, no license transferred to a Settling Plaintiff herein may be transferred to any entity without prior written approval of the party giving up the designated license in this Agreement. This prohibition on transfers shall not apply to good faith corporate mergers, buyouts and/or acquisitions, which shall not be utilized for purposes of circumventing this paragraph. For this same period of time, LivFree and MM or related entities will not obtain ownership of any GreenMart licenses transferred herein. This non-transferability provision shall not be circumvented by, including but not limited to, any consulting, management or licensing/IP agreement, or by other means. Specifically excepted from this prohibition is a transfer from a Settling Party to an additional plaintiff in the Lawsuit (“a Non-settling Plaintiff”) provided that any such transfer is only utilized towards a global or more inclusive resolution of the Lawsuit (e.g., a transfer of a rural license from an ETW Plaintiff to a Non-settling plaintiffs such as Rural Remedies if Rural Remedies and NWC give complete releases approved by the State), subject to the consent of the Settling Defendant who transferred the license pursuant to this Agreement , which shall not be unreasonably withheld.

Despite the assignment of rural county licenses to certain Settling Parties, all parties hereto expressly reserve their right to vigorously oppose any legislative action regarding the relocation of such licenses to different jurisdictions. MM, LivFree, Qualcan, Thrive, and others have

expressly informed the Settling Parties that they are vehemently opposed to any such transfer. In the event of such transfer, MM, LivFree, Qualcan, Thrive and others expressly reserve their rights to file a declaratory relief action to prevent such relocation and/or seek other appropriate legal remedies.

35. Location of Adult-Use Establishments. The Parties agree that the physical address of any adult-use cannabis establishment utilizing any of the conditional licenses transferred pursuant to Paragraph 1 of this Agreement may not be within 1,500 feet of any adult-use cannabis establishment that existed as of the Effective Date of this Agreement. 17 Having read and considered the pleadings filed by the parties, having reviewed the evidence  
18 admitted during this phase of the trial<sup>6</sup>, and having heard and carefully considered the testimony of the  
19 witnesses called to testify, having considered the oral and written arguments of counsel, and with the  
20 intent of deciding the remaining issues<sup>7</sup> related to Legality of the 2018 recreational marijuana  
21 application process only<sup>8</sup>, the Court makes the following findings of fact and conclusions of law:  
22  
23  
24

---

25 <sup>6</sup> Due to the limited amount of discovery conducted prior to the Preliminary Injunction hearing and the large volume  
26 of evidence admitted during that 20-day evidentiary hearing, the Court required parties to reoffer evidence previously  
utilized during that hearing.

27 <sup>7</sup> The Court granted partial summary judgment on the sole issue previously enjoined. The order entered 8/17/2020  
28 states:

## PROCEDURAL POSTURE

Plaintiffs are a group of unrelated commercial entities who applied for, but did not receive, licenses to operate retail recreational marijuana establishments in various local jurisdictions throughout the state. Defendant is the DoT, which was the administrative agency responsible for issuing the licenses at the times subject to these complaints. Some successful applicants for licensure intervened as Defendants.

The Attorney General's Office was forced to deal with a significant impediment at the early stages of the litigation. This inability to disclose certain information was outside of its control because of confidentiality requirements that have now been slightly modified by SB 32. Although the parties stipulated to a protective order on May 24, 2019, many documents produced in preparation for the trial and for discovery purposes were heavily redacted or produced as attorney's eyes only because of the highly competitive nature of the industry and sensitive financial and commercial information involved. Many admitted exhibits are heavily redacted and were not provided to the Court in unredacted form.

After Judge Bailus issued the preservation order in A785818 on December 13, 2018, the Attorney General's Office sent a preservation letter to the DoT. Pupo, Deputy Director of the DoT, testified he was not told to preserve his personal cellular phone heavily utilized for work purposes. He not only deleted text messages from the phone after the date of the preservation order but also was unable to produce his phone for a forensic examination and extraction of discoverable materials. The Court finds evidence has been irretrievably lost as a result of his actions.

While case terminating sanctions and/or an irrebuttable presumption were requested, after evaluation of the Ribiero factors, given the production of certain text messages with Pupo by some

---

[T]he DoT acted beyond the scope of its authority by replacing the requirement for a background check of each prospective owner with the 5 percent or greater standard in NAC 453D.255(1).

The entry of these findings will convert the preliminary injunction on this issue to a permanent injunction.

<sup>8</sup> While several plaintiffs have reached a resolution of their claims with the State and certain Industry Defendants, the claims of the remaining plaintiffs remain virtually the same. At the time of the issuance of this decision, the following plaintiffs have advised the Court they have reached a resolution with the State and certain Industry Defendants:

ETW Management Group, LLC; Libra Wellness Center, LLC; Rombough Real Estate, Inc. dba Mother Herb; Just Quality, LLC; Zion Gardens, LLC; Global Harmony, LLC; MM Development, LLC; LivFree Wellness, LLC; Nevada Wellness Center, LLC; Qualcan, LLC; High Sierra Holistics, LLC; Natural Medicine, LLC.

1 Industry Defendants and their attorney Amanda Connor, the impact of the loss of evidence was limited.  
2 As a result, the Court imposes an evidentiary sanction in connection with the Sanctions ruling that the  
3 evidence on Pupo's phone, if produced, would have been adverse to the DoT.<sup>9</sup>

#### 4 PRELIMINARY STATEMENT

5 All parties agree that the language of an initiative takes precedence over any regulation that is in  
6 conflict and that an administrative agency has some discretion in determining how to implement the  
7 initiative. The Court gives deference to the agency in establishing those regulations and creating the  
8 framework required to implement those provisions in conformity with the initiative.

9 The initiative to legalize recreational marijuana, Ballot Question 2 ("BQ2"), went to the voters  
10 in 2016. The language of BQ2 is independent of any regulations that were adopted by the DoT. The  
11 Court must balance the mandatory provisions of BQ2 (which the DoT did not have discretion to  
12 modify<sup>10</sup>), those provisions with which the DoT was granted some discretion in implementation<sup>11</sup>, and

---

13 <sup>9</sup> Given the text messages produced by certain Industry Defendants and Amanda Connor, any presumption is  
14 superfluous given the substance of the messages produced.

15 <sup>10</sup> Article 19, Section 2(3) provides the touchstone for the mandatory provisions:

16 . . . . An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or  
suspended by the Legislature within 3 years from the date it takes effect.

17 <sup>11</sup> NRS 453D.200(1) required the adoption of regulations for the licensure and oversight of recreational marijuana  
18 cultivation, manufacturing/production, sales and distribution, but provides the DoT discretion in exactly what those  
regulations would include:

19 . . . the Department shall adopt all regulations necessary or convenient to carry out the provisions of this chapter.  
20 The regulations must not prohibit the operation of marijuana establishments, either expressly or through regulations  
that make their operation unreasonably impracticable. The regulations shall include:

21 (a) Procedures for the issuance, renewal, suspension, and revocation of a license to operate a marijuana  
establishment;

22 (b) Qualifications for licensure that are directly and demonstrably related to the operation of a marijuana  
establishment;

23 (c) Requirements for the security of marijuana establishments;

24 (d) Requirements to prevent the sale or diversion of marijuana and marijuana products to persons under 21  
years of age;

25 (e) Requirements for the packaging of marijuana and marijuana products, including requirements for child-  
resistant packaging;

26 (f) Requirements for the testing and labeling of marijuana and marijuana products sold by marijuana  
establishments including a numerical indication of potency based on the ratio of THC to the weight of a product  
intended for oral consumption;

27 (g) Requirements for record keeping by marijuana establishments;

28 (h) Reasonable restrictions on signage, marketing, display, and advertising;

(i) Procedures for the collection of taxes, fees, and penalties imposed by this chapter;

(j) Procedures and requirements to enable the transfer of a license for a marijuana establishment to another  
qualified person and to enable a licensee to move the location of its establishment to another suitable location;

the inherent discretion of an administrative agency to implement regulations to carry out its statutory duties. The Court must give great deference to those activities that fall within the discretionary functions of the agency. Deference is not given where the actions of the DoT were in violation of BQ2 or were arbitrary and capricious.

### FINDINGS OF FACT

1. Nevada allows voters to amend its Constitution or enact legislation through the initiative process. Nevada Constitution, Article 19, Section 2.

2. In 2000, the voters amended Nevada's Constitution to allow for the possession and use of marijuana to treat various medical conditions. Nevada Constitution, Article 4, Section 38(1)(a). The initiative left it to the Legislature to create laws "[a]uthoriz[ing] appropriate methods for supply of the plant to patients authorized to use it." Nevada Constitution, Article 4, Section 38(1)(e).

3. For several years prior to the enactment of BQ2, the regulation of medical marijuana dispensaries had not been taken up by the Legislature. Some have argued in these proceedings that the delay led to the framework of BQ2.

4. In 2013, Nevada's legislature enacted NRS 453A, which allows for the cultivation and sale of medical marijuana. The Legislature described the requirements for the application to open a medical marijuana establishment. NRS 453A.322. The Nevada Legislature then charged the Division of Public and Behavioral Health with evaluating the applications. NRS 453A.328.

5. The materials circulated to voters in 2016 for BQ2 described its purpose as the amendment of the Nevada Revised Statutes as follows:

Shall the *Nevada Revised Statutes* be amended to allow a person, 21 years old or older, to purchase, cultivate, possess, or consume a certain amount of marijuana or concentrated marijuana, as well as manufacture, possess, use, transport, purchase, distribute, or sell marijuana paraphernalia; impose a 15 percent excise tax on wholesale sales of marijuana; require the

(k) Procedures and requirements to enable a dual licensee to operate medical marijuana establishments and marijuana establishments at the same location;

(l) Procedures to establish the fair market value at wholesale of marijuana; and

(m) Civil penalties for the failure to comply with any regulation adopted pursuant to this section or for any violation of the provisions of [NRS 453D.300](#).

1 regulation and licensing of marijuana cultivators, testing facilities, distributors, suppliers, and  
2 retailers; and provide for certain criminal penalties?

3 6. BQ2 was enacted by the Nevada Legislature and is codified at NRS 453D.<sup>12</sup>

4 7. BQ2 specifically identified regulatory and public safety concerns:

5 The People of the State of Nevada proclaim that marijuana should be regulated in a manner  
6 similar to alcohol so that:

7 (a) Marijuana may only be purchased from a business that is licensed by the State of  
8 Nevada;

9 (b) Business owners are subject to a review by the State of Nevada to confirm that the  
10 business owners and the business location are suitable to produce or sell marijuana;

11 (c) Cultivating, manufacturing, testing, transporting and selling marijuana will be strictly  
12 controlled through State licensing and regulation;

13 (d) Selling or giving marijuana to persons under 21 years of age shall remain illegal;

14 (e) Individuals will have to be 21 years of age or older to purchase marijuana;

15 (f) Driving under the influence of marijuana will remain illegal; and

16 (g) Marijuana sold in the State will be tested and labeled.

17 NRS 453D.020(3).

18 8. BQ2 mandated the DoT to “conduct a background check of each prospective owner,  
19 officer, and board member of a marijuana establishment license applicant.” NRS 453D.200(6).

20 9. On November 8, 2016, by Executive Order 2017-02, Governor Brian Sandoval  
21 established a Task Force composed of 19 members to offer suggestions and proposals for legislative,  
22 regulatory, and executive actions to be taken in implementing BQ2.

23 10. The Nevada Tax Commission adopted temporary regulations allowing the state to issue  
24 recreational marijuana licenses by July 1, 2017 (the “Early Start Program”). Only medical marijuana  
25 establishments that were already in operation could apply to function as recreational retailers during the  
26 early start period. The establishments were required to be in good standing and were required to pay a  
27 one-time, nonrefundable application fee as well as a specific licensing fee. The establishment also was  
28 required to provide written confirmation of compliance with their municipality’s zoning and location  
requirements.

---

<sup>12</sup> As the provisions of BQ2 and the sections of NRS 453D in effect at the time of the application process (with the exception of NRS 453D.205) are identical, for ease of reference the Court cites to BQ2 as enacted by the Nevada Legislature during the 2017 session in NRS 453D.

1           11.     The Task Force’s findings, issued on May 30, 2017, referenced the 2014 licensing  
2 process for issuing Medical Marijuana Establishment Registration Certificates under NRS 453A. The  
3 Task Force recommended that “the qualifications for licensure of a marijuana establishment and the  
4 impartial numerically scored bidding process for retail marijuana stores be maintained as in the medical  
5 marijuana program except for a change in how local jurisdictions participate in selection of locations.”

6           12.     During the 2017 legislative session, Assembly Bill 422 transferred responsibility for the  
7 registration, licensing, and regulation of marijuana establishments from the State of Nevada Division of  
8 Public and Behavioral Health to the DoT.<sup>13</sup>

9  
10          13.     On February 27, 2018, the DoT adopted regulations governing the issuance, suspension,  
11 or revocation of retail recreational marijuana licenses in LCB File No. R092-17, which were codified in  
12 NAC 453D (the “Regulations”).

13          14.     The Regulations for licensing were to be “directly and demonstrably related to the  
14 operation of a marijuana establishment.” NRS 453D.200(1)(b). The phrase “directly and demonstrably  
15 related to the operation of a marijuana establishment” is subject to more than one interpretation.  
16

17          15.     Each of the Plaintiffs were issued marijuana establishment licenses involving the  
18 cultivation, production and/or sale of medicinal marijuana in or about 2014.  
19  
20  
21

---

22 <sup>13</sup> Those provisions (a portion of which became NRS 453D.205) are consistent with BQ2:  
23

24           1.     When conducting a background check pursuant to subsection 6 of [NRS 453D.200](#), the Department may  
25 require each prospective owner, officer and board member of a marijuana establishment license applicant to submit  
a complete set of fingerprints and written permission authorizing the Department to forward the fingerprints to the  
Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation  
for its report.

26           2.     When determining the criminal history of a person pursuant to paragraph (c) of subsection 1 of [NRS](#)  
27 [453D.300](#), a marijuana establishment may require the person to submit to the Department a complete set of  
fingerprints and written permission authorizing the Department to forward the fingerprints to the Central  
Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its  
28 report.

1           16.     A person holding a medical marijuana establishment registration certificate could apply  
2 for one or more recreational marijuana establishment licenses within the time set forth by the DoT in  
3 the manner described in the application. NAC 453D.268.<sup>14</sup>

4  
5 <sup>14</sup>     Relevant portions of that provision require that application be made

6     ... by submitting an application in response to a request for applications issued pursuant to [NAC 453D.260](#) which  
7 must include:

8 \*\*\*

9     2.   An application on a form prescribed by the Department. The application must include, without limitation:

13     (b) The name of the proposed marijuana establishment, as reflected in both the medical marijuana establishment  
14     registration certificate held by the applicant, if applicable, and the articles of incorporation or other documents filed  
15     with the Secretary of State;  
16     (c) The type of business organization of the applicant, such as individual, corporation, partnership, limited-liability

49         (5) Whether the person has served or is currently serving as an owner, officer or board member for another  
50     medical marijuana establishment or marijuana establishment;

51         (6) Whether the person has served as an owner, officer or board member for a medical marijuana establishment  
52     or marijuana establishment that has had its medical marijuana establishment registration certificate or license, as  
53     applicable, revoked;

1 NRS 453D.210(6) mandated the DoT to use “an impartial and numerically scored competitive bidding  
2 process” to determine successful applicants where competing applications were submitted.

3 17. NAC 453D.272(1) provides the procedure for when the DoT receives more than one  
4 “complete” application for a single county. Under this provision the DoT will determine if the

5 (7) Whether the person has previously had a medical marijuana establishment agent registration card or  
6 marijuana establishment agent registration card revoked;

7 (8) Whether the person is an attending provider of health care currently providing written documentation for the  
8 issuance of registry identification cards or letters of approval;

9 (9) Whether the person is a law enforcement officer;

10 (10) Whether the person is currently an employee or contractor of the Department; and

11 (11) Whether the person has an ownership or financial investment interest in any other medical marijuana  
12 establishment or marijuana establishment.

13 5. For each owner, officer and board member of the proposed marijuana establishment:

14 (a) An attestation signed and dated by the owner, officer or board member that he or she has not been convicted of  
15 an excluded felony offense, and that the information provided to support the application for a license for a  
16 marijuana establishment is true and correct;

17 (b) A narrative description, not to exceed 750 words, demonstrating:

18 (1) Past experience working with governmental agencies and highlighting past experience in giving back to the  
19 community through civic or philanthropic involvement;

20 (2) Any previous experience at operating other businesses or nonprofit organizations; and

21 (3) Any demonstrated knowledge, business experience or expertise with respect to marijuana; and

22 (c) A resume.

23 6. Documentation concerning the size of the proposed marijuana establishment, including, without limitation,  
24 building and general floor plans with supporting details.

25 7. The integrated plan of the proposed marijuana establishment for the care, quality and safekeeping of marijuana  
26 from seed to sale, including, without limitation, a plan for testing and verifying marijuana, a transportation or  
27 delivery plan and procedures to ensure adequate security measures, including, without limitation, building security  
28 and product security.

8. A plan for the business which includes, without limitation, a description of the inventory control system of the  
proposed marijuana establishment to satisfy the requirements of [NRS 453D.300](#) and [NAC 453D.426](#).

9. A financial plan which includes, without limitation:

(a) Financial statements showing the resources of the applicant;

(b) If the applicant is relying on money from an owner, officer or board member, evidence that the person has  
unconditionally committed such money to the use of the applicant in the event the Department awards a license to  
the applicant and the applicant obtains the necessary approvals from the locality to operate the proposed marijuana  
establishment; and

(c) Proof that the applicant has adequate money to cover all expenses and costs of the first year of operation.

10. Evidence that the applicant has a plan to staff, educate and manage the proposed marijuana establishment on a  
daily basis, which must include, without limitation:

(a) A detailed budget for the proposed marijuana establishment, including pre-opening, construction and first-year  
operating expenses;

(b) An operations manual that demonstrates compliance with this chapter;

(c) An education plan which must include, without limitation, providing educational materials to the staff of the  
proposed marijuana establishment; and

(d) A plan to minimize the environmental impact of the proposed marijuana establishment.

11. If the application is submitted on or before November 15, 2018, for a license for a marijuana distributor,  
proof that the applicant holds a wholesale dealer license issued pursuant to [Chapter 369](#) of NRS, unless the  
Department determines that an insufficient number of marijuana distributors will result from this limitation.

12. A response to and information which supports any other criteria the Department determines to be relevant,  
which will be specified and requested by the Department at the time the Department issues a request for  
applications which includes the point values that will be allocated to the applicable portions of the application  
pursuant to subsection 2 of [NAC 453D.260](#).

1 “application is complete and in compliance with this chapter and Chapter 453D of NRS, the  
2 Department will rank the applications . . . in order from first to last based on the compliance with the  
3 provisions of this chapter and Chapter 453D of NRS and on the content of the applications relating  
4 to . . .” several enumerated factors. NAC 453D.272(1).

5 18. The factors set forth in NAC 453D.272(1) that are used to rank competing applications  
6 received for a single county (collectively, the “Factors”) are:

- 7
- 8 (a) Whether the owners, officers or board members have experience operating another kind  
9 of business that has given them experience which is applicable to the operation of a marijuana  
10 establishment;
  - 11 (b) The diversity of the owners, officers or board members of the proposed marijuana  
12 establishment;
  - 13 (c) The educational achievements of the owners, officers or board members of the proposed  
14 marijuana establishment;
  - 15 (d) The financial plan and resources of the applicant, both liquid and illiquid;
  - 16 (e) Whether the applicant has an adequate integrated plan for the care, quality and  
17 safekeeping of marijuana from seed to sale;
  - 18 (f) The amount of taxes paid and other beneficial financial contributions, including, without  
19 limitation, civic or philanthropic involvement with this State or its political subdivisions, by the  
20 applicant or the owners, officers or board members of the proposed marijuana establishment;
  - 21 (g) Whether the owners, officers or board members of the proposed marijuana establishment  
22 have direct experience with the operation of a medical marijuana establishment or marijuana  
23 establishment in this State and have demonstrated a record of operating such an establishment in  
24 compliance with the laws and regulations of this State for an adequate period of time to  
25 demonstrate success;
  - 26 (h) The (unspecified) experience of key personnel that the applicant intends to employ in  
27 operating the type of marijuana establishment for which the applicant seeks a license; and
  - 28 (i) Any other criteria that the Department determines to be relevant.

19. Each of the Factors is within the DoT’s discretion in implementing the application  
process provided for in BQ2. The DoT had a good-faith basis for determining that each of the Factors  
is “directly and demonstrably related to the operation of a marijuana establishment.”

20. Pupo met with several of the applicants’ agent, Amanda Conner, Esq., numerous times  
for meals in the Las Vegas Valley. Pupo also met with representatives of several of the applicants in  
person. These meetings appeared to relate to regulatory, disciplinary and application issues.

1           21.     The DoT posted the application on its website and released the application for  
2 recreational marijuana establishment licenses on July 6, 2018.<sup>15</sup>

3           22.     The DoT used a Listserv<sup>16</sup> to communicate with prospective applicants.

4           23.     While every medical marijuana certificate holder was required to have a contact person  
5 with information provided to the DoT for purposes of communication, not every marijuana  
6 establishment maintained a current email or checked their listed email address regularly, and some of  
7 the applicants contend that they were not aware of the revised application.  
8

9           24.     Applications were accepted from September 7, 2018 through September 20, 2018.

10          25.     The DoT elected to utilize a bright line standard for evaluating the factor “operating  
11 such an establishment in compliance” of whether the applicant was suspended or revoked.<sup>17</sup> If an  
12 applicant was suspended or revoked they were not qualified to apply. This information was  
13 communicated in the cover letter with the application.<sup>18</sup> This decision was within the discretion of the  
14 DoT.

---

19 <sup>15</sup>     The DoT made a change to the application after circulating the first version of the application to delete the  
20 requirement of a physical location. The modification resulted in a different version of the application bearing the same  
“footer” with the original version remaining available on the DoT’s website.

21 <sup>16</sup>     According to Dictionary.com, the term “Listserv” is used to refer to online mailing list. When capitalized it refers  
22 to a proprietary software.

23 <sup>17</sup>     The method by which certain disciplinary matters (self-reported or not) were resolved by the DoT would not affect  
the grading process.

24 <sup>18</sup>     The cover letter reads in part:

25         All applicants are required to be in compliance with the following:

26         All licenses, certificates, and fees are current and paid;

27         Applicant is not delinquent in the payment of any tax administered by the Department or is not in default on  
payment required pursuant to a written agreement with the Department; or is not otherwise liable to the Department  
for the payment of money;

28         No citations for illegal activity or criminal conduct; and

Plans of correction are complete and on time, or are in progress within the required 10 business days.

1           26.     The DoT utilized a question and answer process through a generic email account at  
2 marijuana@tax.state.nv.us to allow applicants to ask questions and receive answers directly from the  
3 DoT, and that information was not further disseminated by the DoT to other applicants.<sup>19</sup>

4           27.     The cover letter with the application advised potential applicants of the process for  
5 questions:

6                 Do not call the division seeking application clarification or guidance.  
7                 Email questions to [marijuana@tax.state.nv.us](mailto:marijuana@tax.state.nv.us)

8           28.     No statutory or regulatory requirement for a single point of contact process required the  
9 DoT to adopt this procedure.

10           29.     As the individual responsible for answering the emailed questions stated:

11                 Jorge Pupo is the MED deputy Director. Steve Gilbert is program manager and reports to Jorge.  
12 I report to Steve. Steve prefers to not have the world know our structure. He likes industry folks  
13 knowing though and addressing them. He has all questions come to me. One's I can't answer,  
14 he fields and has me respond, then if he can't then Jorge gets them and Jorge has me respond.  
That's the goal anyway. ☺

15                 Ky Plaskon text to Rebecca Gaska 9/18/2018, Exhibit 1051.

16           30.     Some applicants abided by this procedure.

17           31.     The DoT did not post the questions and answers so that all potential applicants would be  
18 aware of the process

19           32.     The DoT made no effort to ensure that the applicants received the same answers  
20 regardless of which employee of the DoT the applicant asked.

21           33.     On July 9, 2018, at 4:06 pm, Amanda Connor sent a text to Pupo:

22                 List of things for us to talk about when you can call me:

23                 Attachment E

24                 Attachment I

25                 Requirement for a location or physical address

26                 Attachment F

Requirement for initial licensing fee

27 <sup>19</sup>           This single point of contact process had been used in the 2014 medical marijuana establishment application period.  
28 The questions and answers were posted to the department's website for all potential applicants to review and remain there to  
this day. Exhibit 2038.

1 Transfers of ownership

2  
3 Exhibit 1588-052.

4 34. Although Pupo tried to direct Amanda Connor to Steve Gilbert, she texted him that she  
5 would wait rather than speak to someone else.

6 35. On the morning of July 11, 2018, Pupo and Amanda Connor spoke for twenty-nine  
7 minutes and forty-five seconds.<sup>20</sup>

8  
9 36. Despite the single point of contact process being established, the DoT departed from this  
10 procedure. By allowing certain applicants and their representatives to personally contact the DoT  
11 employee about the application process, the DoT violated its own established procedures for the  
12 application process.

13 37. After the posting of the application on July 6, 2018, Pupo decided to eliminate the  
14 physical location requirement outlined in NRS 453D.210(5) and NAC 453D.265(b)(3).<sup>21</sup>

15  
16 38. The DoT published a revised application on July 30, 2018. This revised application was  
17 sent to all participants via the DoT's Listserv. The revised application modified physical address  
18 requirements. For example, a sentence on Attachment A of the application, prior to this revision, the  
19 sentence had read, "Marijuana Establishment's proposed physical address (this must be a Nevada  
20 address and cannot be a P.O. Box)." The revised application on July 30, 2018, read: "Marijuana  
21 Establishment's proposed physical address if the applicant owns property or has secured a lease or  
22 other property agreement (this must be a Nevada address and not a P.O. Box). Otherwise, the  
23 applications are virtually identical.  
24

25  
26  
27 <sup>20</sup> Exhibit 1809-054.

28 <sup>21</sup> It is unclear whether Pupo had communications similar to those with Amanda Connor with other potential applicants or their agents as Pupo did not preserve the data from his cell phone.

39. The DoT sent a copy of the revised application through the Listserv used by the DoT. Not all Plaintiffs' correct emails were included on this list.

40. The July 30, 2018, application, like its predecessor, described how applications were to be scored. The scoring criteria was divided into identified criteria and non-identified criteria. The maximum points that could be awarded to any applicant based on these criteria was 250 points.

41. The identified criteria consisted of organizational structure of the applicant (60 points); evidence of taxes paid to the State of Nevada by owners, officers, and board members of the applicant in the last 5 years (25 points); a financial plan (30 points); and documents from a financial institution showing unencumbered liquid assets of \$250,000 per location for which an application is submitted.

42. The non-identified criteria<sup>22</sup> all consisted of documentation concerning the integrated plan of the proposed marijuana establishment for the care, quality and safekeeping of marijuana from seed to sale (40 points); evidence that the applicant has a plan to staff, educate and manage the proposed recreational marijuana establishment on a daily basis (30 points); a plan describing operating procedures for the electronic verification system of the proposed marijuana establishment and describing the proposed establishment's inventory control system (20 points); building plans showing the proposed establishment's adequacy to serve the needs of its customers (20 points); and a proposal explaining likely impact of the proposed marijuana establishment in the community and how it will meet customer needs (15 points).

43. An applicant was permitted to submit a single application for all jurisdictions in which it was applying, and the application would be scored at the same time.

---

<sup>22</sup> About two weeks into the grading process the Independent Contractors were advised by certain DoT employees that if an identifier was included in the nonidentified section points should be deducted. It is unclear from the testimony whether adjustments were made to the scores of those applications graded prior to this change in procedure being established.

1           44.     Although the amended application changed the language related to a physical address,  
2 there was still confusion.<sup>23</sup>

3           45.     Amanda Connor corresponded with Pupo by email requesting clarification on August  
4 22, 2018.<sup>24</sup>

5           46.     Although the DoT had used certain DoT personnel to grade applications for medical  
6 marijuana establishment applications in White Pine County shortly before the recreational applications  
7 were graded, the DoT made a decision for resource and staff reasons that non DoT employees hired on  
8 a temporary basis would be used to grade the recreational medical marijuana applications.  
9

10          47.     Prior to the close of the application evaluation process, Pupo discussed with a  
11 representative of the Essence Entities the timing of closing a deal involving the purchase of the entities  
12 by a publicly traded company.

13          48.     By September 20, 2018, the DoT received a total of 462 applications.  
14

15 \_\_\_\_\_  
16 <sup>23</sup>     One plaintiff was advised by counsel (not Amanda Conner) that, despite the information related to the change for  
17 physical address, the revised application appeared to conflict with the statute's physical address requirement and that  
18 therefore a physical address was required.

19 <sup>24</sup>     The email thread reads:

24 location is not required and documentation about a location will not be considered or no points will be granted for having a  
25 location?

26 On Aug 22 at 8:15 pm Pupo wrote:

Exhibit 2064.

1           49.     In order to grade and rank the applications, the DoT posted notices that it was seeking to  
2 hire individuals with specified qualifications necessary to evaluate applications. Certain DoT  
3 employees also reached out to recent State retirees who might have relevant experience as part of their  
4 recruitment efforts. The DoT interviewed applicants and made decisions on individuals to hire for each  
5 position.

6           50.     When decisions were made on who to hire, the individuals were notified that they would  
7 need to register with “Manpower” under a preexisting contract between the DoT and that company.  
8 Individuals would be paid through Manpower, as their application-grading work would be of a  
9 temporary nature.  
10

11           51.     The DoT identified, hired, and provided some training to eight individuals hired to  
12 grade the applications, including three to grade the identified portions of the applications, three to grade  
13 the non-identified portions of the applications, and one administrative assistant for each group of  
14 graders (collectively the “Independent Contractors”).  
15

16           52.     Based upon the testimony at trial, it remains unclear how the DoT trained the Temporary  
17 Employees. While portions of the training materials from PowerPoint decks were introduced into  
18 evidence, it is unclear which slides from the PowerPoint decks were used. Testimony regarding the  
19 oral training based upon example applications and practice grading of prior medical marijuana  
20 establishment applications was insufficient for the Court to determine the nature and extent of the  
21 training of the Independent Contractors.  
22

23           53.     Based on the evidence adduced, the Court finds that the lack of training for the graders  
24 affected the graders’ ability to evaluate the applications objectively and impartially.

25           54.     NAC 453D.272(1) required the DoT to determine that an Application is “complete and  
26 in compliance” with the provisions of NAC 453D in order to properly apply the licensing criteria set  
27 forth therein and the provisions of the Ballot Initiative and the enabling statute.  
28

1           55.     In evaluating whether an application was “complete and in compliance,” the DoT made  
2 no effort to verify owners, officers or board members (except for checking whether a transfer request  
3 was made and remained pending before the DoT).

4           56.     For purposes of grading the applicant’s organizational structure<sup>25</sup> and diversity, if an  
5 applicant’s disclosure in its application of its owners, officers, and board members did not match the  
6 DoT’s own records, the DoT did not penalize the applicant. Rather, the DoT permitted the grading, and  
7 in some cases, awarded a conditional license to an applicant under such circumstances and dealt with  
8 the issue by simply informing the winning applicant that its application would have to be brought into  
9 conformity with DoT records.  
10

11           57.     The DoT announced the award of conditional licenses in December 2018.

12           58.     The DoT did not comply with BQ2 by requiring applicants to provide information for  
13 each prospective owner, officer and board member or verify the ownership of applicants applying for  
14 retail recreational marijuana licenses. Instead the DoT issued conditional licenses to applicants who  
15 did not identify each prospective owner, officer and board member.  
16

17           59.     Some of the Industry Defendants and their agent Ms. Connor, produced text messages  
18 forensically extracted from their cell phones revealing the extent of contact and substance of  
19 communications between them and Pupo. Additionally, phone records of Pupo identifying telephone  
20 numbers communicated with and length of communication (but not content) were obtained from  
21 Pupo’s cellular service provider. This evidence reinforces the presumption related to Pupo’s failure to  
22 preserve evidence and reflects the preferential access and treatment provided.<sup>26</sup>  
23

---

24  
25 <sup>25</sup>     The use of Advisory Boards by many applicants who were LLCs has been criticized. The DoT provided no  
26 guidance to the potential applicants or the Temporary Employees of the manner by which these “Boards” should be  
evaluated. As this applied equally to all applicants, it is not a basis for relief.

27 <sup>26</sup>     TGIG also was represented by Amanda Conner and had communications with Pupo. TGIG did not provide its  
28 communications with Pupo.

1           60.     The DoT's late decision to delete the physical address requirement on some application  
2 forms while not modifying those portions of the application that were dependent on a physical location  
3 (i.e. floor plan, community impact, security plan, and the sink locations) after the repeated  
4 communications by an applicant's agent, not effectively communicating the revision, and leaving the  
5 original version of the application on the website is evidence of a lack of a fair process.

6           61.     The DoT's departure from its stated single point of contact and the degree of direct  
7 personal contact outside the single point of contact process provided unequal, advantageous and  
8 supplemental information to some applicants and is evidence of a lack of a fair process.

9           62.     Pursuant to NAC 453D.295, the winning applicants received a conditional license that  
10 would not be finalized unless within twelve months of December 5, 2018, the licensees receive a final  
11 inspection of their marijuana establishment.<sup>27</sup>

12           63.     The DoT's lack of compliance with the established single point of contact and the  
13 pervasive communications, meetings with Pupo, and preferential information provided to certain  
14 applicants creates an uneven playing field because of the unequal information available to potential  
15 applicants. This conduct created an unfair process for which injunctive relief may be appropriate.

16           64.     The only direct action attributed to Pupo during the evaluation and grading process  
17 related to the determination related to the monopolistic practices. Based upon the testimony adduced at  
18 trial, Pupo's reliance upon advice of counsel from Deputy Attorney General Werbicky in making this  
19 decision removes it from an arbitrary and capricious exercise of discretion.

20           65.     Nothing in NRS 453D or NAC 453D provides for any right to an appeal or review of a  
21 decision denying an application for a retail recreational marijuana license.

22           66.     In 2019, more than three years from the passage of Ballot Question 2, Nevada's  
23 legislature repealed NRS 453D.200. 2019 Statutes of Nevada, Page 3896.

24  
25  
26  
27  
28 <sup>27</sup>     The DoT has agreed to extend this deadline due to these proceedings and the public health emergency. Some of  
the conditional licenses not enjoined under the preliminary injunction have now received final approval.

1           67.     With its repeal, NRS 453D.200 was no longer effective as of July 1, 2020.

2           68.     Nevada’s legislature also enacted statutes setting forth general qualifications for  
3 licensure and registration of persons who have applied to receive marijuana establishment licenses.  
4 NRS 678B.200.

5           69.     The CCB was formed by the legislature and is now the government entity that oversees  
6 and regulates the cannabis industry in the State of Nevada. By statute, the CCB now determines if the  
7 “person is qualified to receive a license...” NRS 678B.200(1).

8           70.     There are an extremely limited number of licenses available for the sale of recreational  
9 marijuana.  
10

11           71.     The number of licenses available was set by BQ2 and is contained in NRS  
12 453D.210(5)(d).

13           72.     The secondary market for the transfer of licenses is limited.<sup>28</sup>

14           73.     Although there has been little tourism demand for legal marijuana sales due to the public  
15 health emergency and as a result growth in legal marijuana sales has declined, the market is not  
16 currently saturated. With the anticipated return of tourism after the abatement of the current public  
17 health emergency, significant growth in legal marijuana sales is anticipated. Given the number of  
18 variables related to new licenses, the claim for loss of market share is too speculative for relief.  
19

20           74.     Since the Court does not have authority to order additional licenses in particular  
21 jurisdictions and because there are a limited number of licenses that are available in certain  
22 jurisdictions, injunctive relief may be necessary to permit the Plaintiffs, if successful in the NRS  
23 453D.210(6) process, to actually obtain a license with respect to the issues on which partial summary  
24 judgment was granted.  
25  
26

---

27 <sup>28</sup> Multiple changes in ownership have occurred since the applications were filed. Given this testimony, simply  
28 updating the applications previously filed would not comply with BQ2.

75. The remaining Plaintiffs<sup>29</sup> (excluding TGIG) (the “Untainted Plaintiffs”) have not identified by a preponderance of the evidence, that if a single point of contact was followed by the DoT and equal information provided to all applicants, as was done for the medical marijuana application process, that there is a substantial likelihood they would have been successful in the ranking process.

76. After balancing the equities among the parties, the Court determines that the balance of equities does not weigh in favor of the Untainted Plaintiffs on the relief beyond that previously granted in conjunction with the partial summary judgment order entered on August 17, 2020.

77. If any findings of fact are properly conclusions of law, they shall be treated as if appropriately identified and designated.

## CONCLUSIONS OF LAW

1 a rational relation to some legitimate end.” *Romer v. Evans*, 517 U.S. 620, 631 (1996). When the state  
2 or federal government arbitrarily and irrationally treats groups of citizens differently, such unequal  
3 treatment runs afoul the Equal Protection Clause. *Engquist v. Oregon Dep’t of Agr.*, 553 U.S. 591, 601  
4 (2008). Where an individual or group were treated differently but are not associated with any distinct  
5 class, Plaintiffs must show that they were “intentionally treated differently from others similarly  
6 situated and that there is no rational basis for the difference in treatment.” *Vill. of Willowbrook v.*  
7 *Olech*, 528 U.S. 562, 564 (2000).

8  
9 82. The Nevada Constitution also demands equal protection of the laws under Article 4,  
10 Section 21 of the Nevada Constitution. *See Doe v. State*, 133 Nev. 763, 767, 406 P.3d 482, 486 (2017).

11 83. NRS 33.010 governs cases in which an injunction may be granted. The applicant must  
12 show (1) a likelihood of success on the merits; and (2) a reasonable probability that the non-moving  
13 party’s conduct, if allowed to continue, will cause irreparable harm for which compensatory damage is  
14 an inadequate remedy.

15  
16 84. Plaintiffs have the burden to demonstrate that the DoT’s conduct, if allowed to continue,  
17 will result in irreparable harm for which compensatory damages is an inadequate remedy.

18 85. The Nevada Supreme Court has recognized that “[i]nitiative petitions must be kept  
19 substantively intact; otherwise, the people’s voice would be obstructed. . . [I]nitiative legislation is not  
20 subject to judicial tampering. The substance of an initiative petition should reflect the unadulterated  
21 will of the people and should proceed, if at all, as originally proposed and signed. For this reason, our  
22 constitution prevents the Legislature from changing or amending a proposed initiative petition that is  
23 under consideration.” *Rogers v. Heller*, 117 Nev. 169, 178, 18 P.3d 1034,1039–40 (2001).

24  
25 86. BQ2 provides, “the Department shall adopt all regulations necessary or convenient to  
26 carry out the provisions of this chapter.” NRS 453D.200(1). This language does not confer upon the  
27 DoT unfettered or unbridled authority to do whatever it wishes without constraint. The DoT was not  
28

1 delegated the power to legislate amendments because this is initiative legislation. The Legislature itself  
2 has no such authority with regard to NRS 453D until three years after its enactment under the  
3 prohibition of Article 19, Section 2 of the Constitution of the State of Nevada.

4 87. Where, as here, amendment of a voter-initiated law is temporally precluded from  
5 amendment for three years, the administrative agency may not modify the law.<sup>30</sup>

6 88. An agency's action in interpreting and executing a statute it is tasked with interpreting is  
7 entitled to deference "unless it conflicts with the constitution or other statutes, exceeds the agency's  
8 powers, or is otherwise arbitrary and capricious." *Nuleaf CLV Dispensary, LLC v. State Dept. of Health*  
9 *and Human Services, Div. of Pub. and Behavioral Health*, 414 P.3d 305, 308 (Nev. 2018) (quoting  
10 *Cable v. State ex rel. Emp'rs Ins. Co. of Nev.*, 122 Nev. 120, 126, 127 P.3d 528, 532 (2006)).

11 89. NRS 453D.200(1) provides that "the Department shall adopt all regulations necessary or  
12 convenient to carry out the provisions of this chapter." The Court finds that the words "necessary or  
13 convenient" are susceptible to at least two reasonable interpretations. This limitation applies only to  
14 Regulations adopted by the DoT.  
15

16 90. While the category of diversity is not specifically included in the language of BQ2, the  
17 evidence presented in the hearing demonstrates that a rational basis existed for the inclusion of this  
18 category in the Factors and the application.  
19

20 91. The DoT's inclusion of the diversity category was implemented in a way that created a  
21 process which was partial and subject to manipulation by applicants.  
22

23 92. NAC 453D.272 contains what is commonly referred to as the Regulations' "anti-  
24 monopoly" provision. It forbids the DoT from issuing to any person, group of persons, or entity, in a  
25 county whose population is 100,000 or more, the greater of one license to operate a retail marijuana  
26 store or more than 10 percent of the retail marijuana licenses allocable for the county.  
27

---

28 <sup>30</sup> The Court notes that the Legislature has now modified certain provisions of BQ2. The Court relies on those statutes and regulations in effect at the time of the application process.

1           93.     Although not required to use a single point of contact process for questions related to the  
2 application, once DoT adopted that process and published the appropriate process to all potential  
3 applicants, the DoT was bound to follow that process.

4           94.     The DoT employees provided various applicants with different information as to  
5 diversity and what would be utilized from this category and whether it would be used merely as a  
6 tiebreaker or as a substantive category.

7           95.     The DoT selectively discussed with applicants or their agents the modification of the  
8 application related to physical address as well as other information contained in the application.  
9

10          96.     The process was impacted by personal relationships in decisions related to the  
11 requirements of the application and the ownership structures of competing applicants.

12          97.     The intentional and repeated violations of the single point of contact process in favor of  
13 only a select group of applicants was an arbitrary and capricious act and served to contaminate the  
14 process. These repeated violations adversely affected applicants who were not members of that select  
15 group. These violations are in and of themselves insufficient to void the process as urged by some of  
16 the Plaintiffs.  
17

18          98.     The DoT disseminated various versions of the 2018 Retail Marijuana Application, one  
19 of which was published on the DoT's website and required the applicant to provide an actual physical  
20 Nevada address for the proposed marijuana establishment, and not a P.O. Box, and an alternative  
21 version of the DoT's application form, which was distributed to some, but not all, of the potential  
22 applicants via a DoT Listserv, which deleted the requirement that applicants disclose an actual physical  
23 address for their proposed marijuana establishment.  
24

25          99.     The applicants were applying for conditional licensure, which would last for 1 year.  
26 NAC 453D.282. The license was conditional based on the applicant's gaining approval from local  
27  
28

1 authorities on zoning and land use, the issuance of a business license, and the Department of Taxation  
2 inspections of the marijuana establishment.

3 100. By selectively eliminating the requirement to disclose an actual physical address for  
4 each and every proposed retail recreational marijuana establishment, the DoT limited the ability of the  
5 Independent Contractors to adequately assess graded criteria such as (i) prohibited proximity to schools  
6 and certain other public facilities, (ii) impact on the community, (iii) security, (iv) building plans, and  
7 (v) other material considerations prescribed by the Regulations.

8  
9 101. The hiring of Independent Contractors was well within the DoT's discretionary power.

10 102. The evidence establishes that the DoT failed to properly train the Independent  
11 Contractors. The DoT failed to establish any quality assurance or quality control of the grading done  
12 by Independent Contractors.<sup>31</sup> This is not an appropriate basis for the requested relief as the DoT  
13 treated all applicants the same in the grading process. The DoT's failures in training the Independent  
14 Contractors applied equally to all applicants.

15  
16 103. The DoT made licensure conditional for one year based on the grant of power to create  
17 regulations that develop "[p]rocedures for the issuance, renewal, suspension, and revocation of a  
18 license to operate a marijuana establishment." NRS 453D.200(1)(a). This was within the DoT's  
19 discretion.

20 104. Certain of DoT's actions related to the licensing process were nondiscretionary  
21 modifications of BQ2's mandatory requirements.<sup>32</sup> The evidence establishes DoT's deviations  
22 constituted arbitrary and capricious conduct without any rational basis for the deviation.

23  
24 105. The DoT's decision to not require disclosure on the application and to not conduct  
25 background checks of persons owning less than 5 percent prior to award of a conditional license is an

26  
27 <sup>31</sup> The only QA/QC process was done by the Temporary Employees apparently with no oversight by the DoT.

28 <sup>32</sup> These are contained in the order entered August 17, 2020.

1 impermissible deviation from the mandatory language of BQ2, which mandated “a background check  
2 of each prospective owner, officer, and board member of a marijuana establishment license applicant.”  
3 NRS 453D.200(6).

4 106. Under the circumstances presented here, the Court concludes that certain of the  
5 Regulations created by the DoT are unreasonable, inconsistent with BQ2, and outside of any discretion  
6 permitted to the DoT.

7 107. The DoT acted beyond its scope of authority when it arbitrarily and capriciously  
8 replaced the mandatory requirement of BQ2, for the background check of each prospective owner,  
9 officer and board member with the 5 percent or greater standard in NAC 453.255(1). This decision by  
10 the DoT was not one they were permitted to make as it resulted in a modification of BQ2 in violation of  
11 Article 19, Section 2(3) of the Nevada Constitution.  
12

13 108. The balance of equities weighs in favor of Plaintiffs on the issue for which partial  
14 summary judgment has been granted.<sup>33</sup>  
15

16 109. The DoT stands to suffer no appreciable losses and will suffer only minimal harm as a  
17 result of an injunction related to the August 17, 2020, partial summary judgment.

18 110. The bond previously posted for the preliminary injunction is released to those parties  
19 who posted the bond.<sup>34</sup>

20 111. If any conclusions of law are properly findings of fact, they shall be treated as if  
21 appropriately identified and designated.  
22  
23  
24

---

25 <sup>33</sup> The order concludes:

26 [A]s a matter of law, the DoT acted beyond the scope of its authority by replacing the requirement for  
27 a background check of each prospective owner with the 5 percent or greater standard in NAC 453D.255(1).

28 <sup>34</sup> Any objections to the release of the bond must be made within five judicial days of entry of this order. If no  
objections are made, the Court will sign an order submitted by Plaintiffs. If an objection is made, the Court will set a  
hearing for further argument on this issue.

**ORDER**

**IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:**

The claim for declaratory relief is granted. The Court declares:

The DoT acted beyond its scope of authority when it arbitrarily and capriciously replaced the mandatory requirement of BQ2, for the background check of each prospective owner, officer and board member with the 5 percent or greater standard in NAC 453.255(1). This decision by the DoT was not one they were permitted to make as it resulted in a modification of BQ2 in violation of Article 19, Section 2(3) of the Nevada Constitution.

The claim for equal protection is granted in part:

With respect to the decision by the DoT to arbitrarily and capriciously replace the mandatory requirement of BQ2, for the background check of each prospective owner, officer and board member with the 5 percent or greater standard in NAC 453.255(1), the DoT created an unfair process. No monetary damages are awarded given the speculative nature of the potential loss of market share.

Injunctive relief under these claims is appropriate. The State is permanently enjoined from conducting a final inspection of any of the conditional licenses issued in or about December 2018 for an applicant who did not provide the identification of each prospective owner, officer and board member as required by NRS 453D.200(6).

The Court declines to issue an extraordinary writ unless violation of the permanent injunction occurs.

All remaining claims for relief raised by the parties in this Phase are denied.

DATED this 3<sup>rd</sup> day of September 2020.

  
Elizabeth Gonzalez, District Court Judge

The Court previously limited the petition for judicial review process in this phase to the scoring and ranking of plaintiffs' applications. See Order entered November 7, 2019.

<sup>3</sup> Given the public health emergency Phase 1 of the Trial was conducted entirely by remote means.

27 <sup>4</sup> The CCB was added based upon motion practice as a result of the transfer of responsibility for the Marijuana  
28 Enforcement Division effective on July 1, 2020. While certain statutes and regulations in effect at the time of the  
application process have been modified, for purposes of these proceedings the Court evaluates those that were in existence  
at the time of the application process.

9  
10 Having read and considered the pleadings filed by the parties, having reviewed the  
11 administrative record filed in this proceeding,<sup>5</sup> and having considered the oral and written arguments of  
12 counsel, and with the intent of deciding the remaining issues<sup>6</sup> related to the various Petitions for  
13 Judicial Review only,<sup>7</sup> the Court makes the following findings of fact and conclusions of law:

#### 14 15 **PROCEDURAL POSTURE**

16 Plaintiffs are a group of unrelated commercial entities who applied for, but did not receive,  
17 licenses to operate retail recreational marijuana establishments in various local jurisdictions throughout  
18 the state. Defendant is the DoT, which was the administrative agency responsible for issuing the  
19 licenses at the times subject to these complaints. Some successful applicants for licensure intervened as  
20 Defendants.

---

21  
22  
23 <sup>5</sup> The State produced the applications as redacted by various Plaintiffs on June 12, 2020 and supplemented with  
24 additional information on June 26, 2020. The Court previously denied TGIG’s motion to supplement the record by order  
25 entered August 28, 2020. The portions of the applications which were redacted varied based upon the decisions made by  
26 each individual Plaintiff. These redacted applications do not provide the Court with information needed to make a decision  
27 related to the “completeness” issue as argued during Phase 1. During Phase 2 of the Trial an unredacted application by THC  
28 was admitted.

<sup>6</sup> The Court granted partial summary judgment and remanded to the DoT, MM and LivFree’s appeals which had  
been summarily rejected by Pupo. See written order filed on July 11, 2020.

<sup>7</sup> While several plaintiffs have reached a resolution of their claims with the State and certain Industry Defendants,  
the Petitions of the remaining plaintiffs remain virtually the same.

1 The Attorney General's Office was forced to deal with a significant impediment at the early  
2 stages of the litigation. This inability to disclose certain information was outside of its control because  
3 of confidentiality requirements that have now been slightly modified by SB 32. Although the parties  
4 stipulated to a protective order on May 24, 2019,<sup>8</sup> many documents produced in preparation for the  
5 trial and for discovery purposes were heavily redacted or produced as attorney's eyes only because of  
6 the highly competitive nature of the industry and sensitive financial and commercial information  
7 involved. Much of the administrative record is heavily redacted and was not provided to the Court in  
8 unredacted form.  
9

### 10 **PRELIMINARY STATEMENT**

11 On June 12, 2020, the DOT submitted its Record on Review in Accordance with the Nevada  
12 Administrative Procedure Act, including documents showing certain applicants' applications, the  
13 scoring sheets, and related tally sheets. On June 26, 2020, the DOT filed a Supplement to Record on  
14 Review in Accordance with the Nevada Administrative Procedure Act to add certain information  
15 related to the dissemination of the applications. The documents contained within these two filings  
16 (collectively, the "Record") provides all relevant evidence that resulted in the DoT's final decision. All  
17 Plaintiffs redacted their own applications that are the subject of their Petition for Judicial Review.<sup>9</sup>  
18

### 19 **FINDINGS OF FACT**

20 1. Ballot Question 2 ("BQ2") was enacted by the Nevada Legislature and is codified at  
21 NRS 453D.<sup>10</sup>  
22

---

23 <sup>8</sup> The Court recognizes the importance of utilizing a stipulated protective order for discovery purpose in complex  
24 litigation involving confidential commercial information. NRS 600A.070. The use of a protective order does not relieve a  
party of proffering evidence sufficient for the Court to make a determination on the merits related to the claims at issue.

25 <sup>9</sup> The Record filed by the State utilized the versions of the submitted applications which had been redacted by the  
26 applicants as part of the stipulated protective order in this matter. Applications for which an attorney's eyes only  
designation had been made by a Plaintiff were not included in the Record. The redacted applications submitted by Plaintiffs  
limits the Court's ability to discern information related to this Phase.

27 <sup>10</sup> As the provisions of BQ2 and the sections of NRS 453D in effect at the time of the application process (with the  
28 exception of NRS 453D.205) are identical, for ease of reference the Court cites to BQ2 as enacted by the Nevada  
Legislature during the 2017 session in NRS 453D.

2. BQ2 specifically identified regulatory and public safety concerns:

The People of the State of Nevada proclaim that marijuana should be regulated in a manner similar to alcohol so that:

- (a) Marijuana may only be purchased from a business that is licensed by the State of Nevada;
- (b) Business owners are subject to a review by the State of Nevada to confirm that the business owners and the business location are suitable to produce or sell marijuana;
- (c) Cultivating, manufacturing, testing, transporting and selling marijuana will be strictly controlled through State licensing and regulation;
- (d) Selling or giving marijuana to persons under 21 years of age shall remain illegal;
- (e) Individuals will have to be 21 years of age or older to purchase marijuana;
- (f) Driving under the influence of marijuana will remain illegal; and
- (g) Marijuana sold in the State will be tested and labeled.

NRS 453D.020(3).

3. On February 27, 2018, the DoT adopted regulations governing the issuance, suspension, or revocation of retail recreational marijuana licenses in LCB File No. R092-17, which were codified in NAC 453D (the “Regulations”).

4. NRS 453D.210(6) mandated the DoT use “an impartial and numerically scored competitive bidding process” to determine successful applicants where competing applications were submitted.

5. NAC 453D.272(1) provides the procedure for when the DoT receives more than one “complete” application for a single county. Under this provision the DoT will determine if the “application is complete and in compliance with this chapter and Chapter 453D of NRS, the Department will rank the applications . . . in order from first to last based on the compliance with the provisions of this chapter and Chapter 453D of NRS and on the content of the applications relating to . . .” several enumerated factors. NAC 453D.272(1).

6. The DoT posted the application on its website and released the application for recreational marijuana establishment licenses on July 6, 2018.<sup>11</sup>

---

<sup>11</sup> The DoT made a change to the application after circulating the first version of the application to delete the requirement of a physical location. The modification resulted in a different version of the application bearing the same “footer” with the original version remaining available on the DoT’s website.

1           7.     The DoT used a Listserv<sup>12</sup> to communicate with prospective applicants.

2           8.     Applications were accepted from September 7, 2018 through September 20, 2018.

3           9.     After the posting of the application on July 6, 2018, Pupo decided to eliminate the  
4 physical location requirement outlined in NRS 453D.210(5) and NAC 453D.265(b)(3).

5           10.    The DoT published a revised application on July 30, 2018. This revised application was  
6 sent to all participants via the DoT's Listserv. The revised application modified physical address  
7 requirements. For example, a sentence on Attachment A of the application, prior to this revision, the  
8 sentence had read, "Marijuana Establishment's proposed physical address (this must be a Nevada  
9 address and cannot be a P.O. Box)." The revised application on July 30, 2018, read: "Marijuana  
10 Establishment's proposed physical address if the applicant owns property or has secured a lease or  
11 other property agreement (this must be a Nevada address and not a P.O. Box)." Otherwise, the  
12 applications are virtually identical.

13           11.    The DoT sent a copy of the revised application through the Listserv used by the DoT.  
14 Not all Plaintiffs' correct emails were included on this list.

15           12.    The July 30, 2018, application, like its predecessor, described how applications were to  
16 be scored. The scoring criteria was divided into identified criteria and non-identified criteria. The  
17 maximum points that could be awarded to any applicant based on these criteria was 250 points.

18           13.    The identified criteria consisted of organizational structure of the applicant (60 points);  
19 evidence of taxes paid to the State of Nevada by owners, officers, and board members of the applicant  
20 in the last 5 years (25 points); a financial plan (30 points); and documents from a financial institution  
21 showing unencumbered liquid assets of \$250,000 per location for which an application is submitted.  
22

25

---

27 <sup>12</sup>     According to Dictionary.com, the term "Listserv" is used to refer to online mailing list. When capitalized it refers  
28 to a proprietary software.

1           14.     The non-identified criteria all consisted of documentation concerning the integrated plan  
2 of the proposed marijuana establishment for the care, quality and safekeeping of marijuana from seed to  
3 sale (40 points); evidence that the applicant has a plan to staff, educate and manage the proposed  
4 recreational marijuana establishment on a daily basis (30 points); a plan describing operating  
5 procedures for the electronic verification system of the proposed marijuana establishment and  
6 describing the proposed establishment's inventory control system (20 points); building plans showing  
7 the proposed establishment's adequacy to serve the needs of its customers (20 points); and a proposal  
8 explaining likely impact of the proposed marijuana establishment in the community and how it will  
9 meet customer needs (15 points).  
10

11           15.     An applicant was permitted to submit a single application for all jurisdictions in which it  
12 was applying, and the application would be scored at the same time.

13           16.     By September 20, 2018, the DoT received a total of 462 applications.

14           17.     NAC 453D.272(1) required the DoT to determine that an Application is "complete and  
15 in compliance" with the provisions of NAC 453D in order to properly apply the licensing criteria.<sup>13</sup>  
16

17           18.     In evaluating whether an application was "complete and in compliance," the DoT made  
18 no effort to verify owners, officers or board members (except for checking whether a transfer request  
19 was made and remained pending before the DoT).<sup>14</sup>  
20

21           19.     The DoT announced the award of conditional licenses in December 2018.  
22  
23

---

24 <sup>13</sup>     The Plaintiffs argue that the failure to provide an actual proposed physical address should render many of the  
25 applications incomplete and requests that Court remand the matter to the State for a determination of the completeness of  
26 each application and supplementation of the record. As the physical address issue has been resolved by the Court in the  
Phase 2 decision, the Court declines to take any action on the petition for judicial review with respect to this issue.

27 <sup>14</sup>     As the Plaintiffs (with the exception of THC) have not provided their unredacted applications, the Court cannot  
28 make a determination with respect to completeness of this area. As the Court has already granted a permanent injunction on  
the ownership issue, the Court declines to take any further action on the petition for judicial review with respect to this  
issue.

1           20. Pursuant to NAC 453D.295, the winning applicants received a conditional license that  
2 would not be finalized unless within twelve months of December 5, 2018, the licensees receive a final  
3 inspection of their marijuana establishment.<sup>15</sup>

4           21. Nothing in NRS 453D or NAC 453D provides for any right to an appeal or review of a  
5 decision denying an application for a retail recreational marijuana license.

6           22. In 2019, more than three years from the passage of BQ2, Nevada’s legislature repealed  
7 NRS 453D.200. 2019 Statutes of Nevada, Page 3896.

8           23. With its repeal, NRS 453D.200 was no longer effective as of July 1, 2020.

9           24. Nevada’s legislature also enacted statutes setting forth general qualifications for  
10 licensure and registration of persons who have applied to receive marijuana establishment licenses.  
11 NRS 678B.200.

12           25. The CCB was formed by the legislature and is now the government entity that oversees  
13 and regulates the cannabis industry in the State of Nevada. By statute, the CCB now determines if the  
14 “person is qualified to receive a license...” NRS 678B.200(1).

15           26. The Plaintiffs have not identified by a preponderance of the evidence any specific  
16 instance with respect to their respective applications that the procedure used by the DoT for analyzing,  
17 evaluating, and ranking the applications was done in violation of the applicable regulations or in an  
18 arbitrary or capricious manner.

19           27. To the extent that judicial review would be available in this matter, no additional relief is  
20 appropriate beyond that contained in the decision entered on September 3, 2020.<sup>16</sup>

---

21           <sup>15</sup> The DoT has agreed to extend this deadline due to these proceedings and the public health emergency. Some of  
22 the conditional licenses not enjoined under the preliminary injunction have now received final approval.

23           <sup>16</sup> The Court recognizes the decision in *State Dep’t of Health & Human Services, Div. of Pub. & Behavioral Health*  
24 *Med. Marijuana Establishment Program v. Samantha Inc.* (“Samantha”), 133 Nev. 809, 815-16, 407 P.3d 327, 332 (2017),  
25 limits the availability of judicial review. Here as the alternative claims not present in that matter have already been decided  
26 by written order entered September 3, 2020, regardless of whether the vehicle of judicial relief is appropriate, no further  
27 relief will be granted in this matter.  
28

28. If any findings of fact are properly conclusions of law, they shall be treated as if appropriately identified and designated.

### CONCLUSIONS OF LAW

29. This Court has previously held that the 5 percent rule found in NAC 453D.255(1) was an impermissible deviation from the background check requirement of NRS 453D.200(6) as applied to that statute.

30. This Court has previously held that the deletion of the physical address requirement given the decision in *Nuleaf CLV Dispensary, LLC v. State Dept. of Health and Human Services, Div. of Pub. and Behavioral Health*, 414 P.3d 305, 308 (Nev. 2018) does not form a basis for relief.<sup>17</sup>

31. “Courts have no inherent appellate jurisdiction over official acts of administrative agencies.” *Fitzpatrick v. State ex rel., Dept. of Commerce, Ins. Div.*, 107 Nev. 486, 488, 813 P.2d 1004 (1991) (citing *Crane*, 105 Nev. 399, 775 P.2d 705).

32. Under NRS 233B.130(1), judicial review is only available for a party who is “(a) [i]dentified as a party of record by an agency in an administrative proceeding; and (b) [a]ggrieved by a final decision in a contested case.”

33. A contested case is “a proceeding . . . in which the legal rights, duties or privileges of a party are required by law to be determined by an agency after an opportunity for hearing, or in which an administrative penalty may be imposed.” NRS 233B.032.

34. A valid petition for judicial review requires a record of the proceedings below to be transmitted to the reviewing court within a certain timeframe. NRS 233B.131. The record in such a case must include:

- (a) All pleadings, motions and intermediate rulings.
- (b) Evidence received or considered.
- (c) A statement of matters officially noticed.

---

<sup>17</sup> The Court remains critical of the method by which the decision to delete the address requirement was made and the manner by which it was communicated. These issues are fully addressed in the decision entered September 3, 2020.

- (d) Questions and offers of proof and objections, and rulings thereon.  
(e) Proposed findings and exceptions.  
(f) Any decision, opinion or report by the hearing officer presiding at the hearing.

NRS 233B.121(7).

35. Judicial review under NRS 233B is to be restricted to the administrative record. *See* NRS 233B.135(1)(b).

36. The Record provides all relevant evidence that resulted in the DoT's analysis of Plaintiffs' applications.

37. The Record is limited and Plaintiffs themselves redacted their own applications at issue.

38. The Record in this case does not support Plaintiffs' Petition.

39. Plaintiffs do not cite to any evidence in the Record that supports their substantive arguments.

40. The Plaintiffs have not met their burden of establishing that the DoT's decisions granting and denying the applications for conditional licenses: (1) violated constitutional and/or statutory provisions; (2) exceeded the DOT's statutory authority; (3) were based upon unlawful procedure; (4) were clearly erroneous based upon the Record; (5) were arbitrary and capricious; or (6) generally constituted an abuse of discretion.

41. The applicants were applying for conditional licensure, which would last for 1 year. NAC 453D.282. The license was conditional based on the applicant gaining approval from local authorities on zoning and land use, the issuance of a business license, and the Department of Taxation inspections of the marijuana establishment.

42. The DoT made licensure conditional for one year based on the grant of power to create regulations that develop "[p]rocedures for the issuance, renewal, suspension, and revocation of a license to operate a marijuana establishment." NRS 453D.200(1)(a). This was within the DoT's discretion.

1           43.     If any conclusions of law are properly findings of fact, they shall be treated as if  
2 appropriately identified and designated.

**ORDER DENYING MOTION TO AMEND AND COUNTERMOTION TO CLARIFY  
FINDINGS OF FACT AND CONCLUSIONS OF LAW**

Two matters came before the Court in chambers on October 15, 2020: (1) TGIG Plaintiffs' Motion to Amend Findings of Fact and Conclusions of Law and Permanent Injunction in which Clark Natural Medicinal Solutions LLC, Nye Natural Medicinal Solutions LLC, Clark NMSD LLC, Inyo Fine Cannabis Dispensary LLC, Green Leaf Farms Holdings LLC, Green Therapeutics LLC, NevCann LLC, Red Earth LLC, Rural Remedies LLC, THC Nevada LLC, and Herbal Choice, Inc. joined ("Motion to Amend"); and (2) Wellness Connection of Nevada, LLC's Countermotion to Clarify and/or for Additional Findings ("Countermotion to Clarify").

...

1           **A.       Synopsis of arguments made in support of and in opposition to the**  
2           **Motion to Amend**

3           The TGIG plaintiffs asked the Court to amend the September 3, 2020 Findings of  
4 Fact and Conclusions of Law and Permanent Injunction (“FFCL”) to clarify that the Court’s  
5 permanent injunction—*i.e.*, the Court’s decision “enjoying the State from conducting a final  
6 inspection of any of the conditional licenses issued on or about December 2018 for an  
7 applicant who did not provide the identification of each prospective owner, officer and board  
8 member as required by NRS 453D.200(6)” —applies to the settling and non-settling parties  
9 alike. The TGIG plaintiffs further argued that the contemplated license transfers under  
10 the Settlement Agreement are unlawful under NAC 453D.315(9) because, *inter alia*, the  
11 establishments of the settling plaintiffs receiving conditional licenses may not “meet or  
12 exceed” the criteria of the establishments of the settling intervenors whose applications  
13 scored (much) higher. The TGIG plaintiffs argued that the Department of Taxation  
14 (“Department”) had no “authority to disregard the law in furtherance of any proposed  
15 partial settlement” and that the Court should neither dismiss the actions nor the settling  
16 defendants.

17           The Department opposed the TGIG Plaintiffs’ motion. Rule 59(e) motions fail unless  
18 the moving party demonstrates manifest errors of law or fact, newly discovered evidence  
19 or previously unavailable evidence, manifest injustice or the controlling law has changed.  
20 *AA Primo Builders, LLC v. Washington*, 126 Nev. 578, 582, 245 P.3d 1190, 1193 (2010).  
21 The TGIG Plaintiffs seek to amend the permanent injunction order to bar Nevada Organic  
22 Remedies, LLC (“NOR”), Greenmart of Nevada NLV, LLC (“Greenmart”), Lone Mountain  
23 Partners, LLC (“Lone Mountain”), and Helping Hands Wellness Center, Inc. (“Helping  
24 Hands”) from achieving final inspection on their conditional licenses. But Rule 59(e) cannot  
25 be misused to regurgitate arguments rejected in the Court’s preliminary injunction and  
26 permanent injunction orders. Similarly, the TGIG Plaintiffs assert the license transfers  
27 pursuant to the partial settlement are invalid, but ignore that this Court already rejected  
28 those arguments when denying THC Nevada, LLC’s motion for temporary restraining

1 order to block administrative approval of that partial settlement agreement. In sum, the  
2 Court cannot grant relief against settling parties the TGIG Plaintiffs did not sue and as to  
3 whom they provided no evidence. The Settling Plaintiffs, Circle S Farms, LLC (“Circle S”),  
4 NOR, and Lone Mountain joined in the Department’s Opposition. Clear River joined in  
5 Lone Mountain’s joinder.

6 Lone Mountain and Helping Hands filed separate oppositions but both argued that  
7 there is no legal basis to enjoin them, because: (1) the Department already made a  
8 determination that Lone Mountain and Helping Hands should be removed from Tier 3  
9 status, to which the Court should and did defer; (2) the TGIG Plaintiffs offered no evidence  
10 at trial concerning Lone Mountain’s ownership or that Helping Hands failed to disclose  
11 owners, officers or board members to support an injunction; and (3) the TGIG Plaintiffs did  
12 not meet any of the four grounds for granting a Rule 59(e) motion to amend. Circle S, NOR,  
13 and Greenmart joined in their Oppositions.

14 Finally, the Essence Parties (“Essence”) filed a Limited Opposition, opposing any  
15 request to amend or alter a finding invalidating the Department’s ranking of applications.  
16 Essence agreed with the TGIG Plaintiffs, however, that the Court’s FFCL apply to and bind  
17 all Plaintiffs, including the settling plaintiffs, because the FFCL were entered before any  
18 party was dismissed and all Plaintiffs proceeded to trial on their claims. Circle S and  
19 Greenmart joined in Essence’s Limited Opposition.

20 **B. Synopsis of arguments made in support of and in opposition to the**  
21 **Countermotion to Clarify and for Additional Findings**

22 Wellness Connection of Nevada, LLC (“Wellness Connection”) in its Countermotion  
23 to Clarify asked the Court to make clear which of the entities were affected by its injunction  
24 because the Court held that, “[t]he DoT did not comply with BQ2 by requiring applicants  
25 to provide information for each prospective owner, officer and board member or verify the  
26 ownership of applicants applying for retail recreational marijuana licenses. Instead the  
27 DoT issued conditional licenses to applicants who did not identify each prospective owner,  
28 officer and board member.” Specifically, Wellness Connection asked the Court to identify

1 the applicants who did not identify each prospective owner, officer and board member  
2 during the 2018 recreational marijuana application process. Wellness Connection argued  
3 clarification or additional findings were necessary to uphold the impartial and numerically  
4 scored bidding process, and because Wellness Connection is “numerically ranked as the  
5 next most qualified applicant in certain jurisdictions” and would take the place of any  
6 enjoined applicant.

7 Lone Mountain filed an opposition (which the Department joined), which argued: (1)  
8 there is no basis to subject Lone Mountain to the permanent injunction and the Court  
9 should defer to the Department (and now CCB) to determine how licensees are categorized  
10 in connection with the Court’s preliminary and permanent injunction; (2) no evidence was  
11 adduced at trial concerning Lone Mountain’s ownership, or any alleged failure to properly  
12 disclose its owners, officers, and board members; (3) Wellness Connection did not provide  
13 evidence at trial to support the specific findings it now seeks in its post-trial motion; and  
14 (4) Wellness Connection lacks standing as an intervenor defendant to request specific  
15 findings on claims it did not make. The Department, Greenmart, Essence, and NOR joined  
16 in Lone Mountain’s Opposition. In their respective joinders, NOR and Greenmart added  
17 that the Court had specifically “left it to the State to make an administrative  
18 determination” as to whether applicants identified each owner, officer, and board member  
19 as required by NRS 453D.200(6). NOR also argued that neither the Plaintiffs nor Wellness  
20 Connection had provided the Court with evidence to make an independent determination  
21 as to whether they had complied with NRS 463D.200(6).

22 In reply, Wellness Connection argued that it did provide evidence of its own  
23 compliance with NRS 453D.200(6), that the Court had evidence to make a determination,  
24 that none of the Opposing Parties challenged the Court’s Injunction, and that it had  
25 standing as a party to seek clarification. Wellness Connection also argued that based on  
26 the district court’s finding that the Department violated BQ2 and the permanent injunction  
27 enjoining the Department from granting final approval to any applicant that improperly  
28 . . .

received a conditional license, clarification or additional findings were necessary to make the permanent injunction meaningful.

**C. The Court's findings and order**

The Court, having considered the papers filed in support of and in opposition to the Motion to Amend and Countermotion to Clarify, denies both Motions. However, the Court clarifies its FFCL as follows: The order (and its analysis) applies to all Plaintiffs, whether they settled or not. The Court finds that there is no need to specifically identify the entities because the State is the enjoined party—not any of the applicants, whether they settled or not.

Wherefore, IT IS HEREBY ORDERED that the Motion to Amend and the Countermotion to Clarify are DENIED.

Please see attached a revised draft order incorporating Wellness Connection's substantive changes and fixing a few typos (thanks Max). My only counter-suggestions are to omit repeating the full title of Wellness Connection's counter-motion, because we already identify and define it on page 1

13 with the Green Leaf Joinder, THC Nevada/Herbal Choice Joinder, Rural Joinder, and HSH  
14 Joinder, the “Joinders”) filed August 12, 2022 by Plaintiffs Clark Natural Medicinal Solutions  
15 LLC, Nye Natural Medicinal Solutions LLC, Clark NMSD LLC, and Inyo Fine Cannabis  
16 Dispensary L.L.C. (collectively, “CNMS Plaintiffs”)

17 (8) *Opposition to the TGIG Plaintiffs’ Motion to Retax and Settle Costs* (“Lone  
18 Mountain’s Opposition”) filed August 25, 2022 by Lone Mountain; and

19 (9) *Omnibus Reply to Oppositions to Motions to Retax* (“Omnibus Reply”) filed  
20 September 9, 2022 by the TGIG Plaintiffs;

21 Having heard argument from counsel at hearings on September 16, 2022, October 21,  
22 2022, November 16, 2022, and December 19, 2022, with all other appearances noted in the  
23 record; good cause appearing, and for the reasons set forth on the record, the Court finds,  
24 concludes, and orders as follows:

25 ///

26  
27 <sup>1</sup> Lone Mountain was among the parties to a settlement agreement approved by the Nevada Tax Commission on July  
28 31, 2020. Pursuant to the express terms of that agreement, Lone Mountain has waived any right to seek or recover  
costs from the other parties thereto. The Non-settling Plaintiffs were not parties to this settlement agreement.

1           1.       Lone Mountain’s Memorandum of Costs was timely filed by Lone Mountain  
2 pursuant to Nevada Revised Statutes (“Nev. Rev. Stat.”) § 18.110 on August 9, 2022.

3           2.       Pursuant to Nev. Rev. Stat. § 18.110(4), the TGIG Motion to Retax was timely  
4 filed by the TGIG Plaintiffs on August 11, 2022.

5           3.       Pursuant to Eighth Judicial District Court Rule (“EDCR”) 2.20(d), the Joinders  
6 were timely filed on August 11, 2022 and August 12, 2022.

7           4.       Neither the TGIG Motion to Retax nor the Joinders raise an objection to any  
8 specific item of costs within Lone Mountain’s Memorandum of Costs. Any such objections were  
9 thereby waived.

10          5.       Lone Mountain is seeking costs solely as to the Non-settling Plaintiffs. Lone  
11 Mountain is not seeking costs against Rural, HSH, or the CNMS Plaintiffs. Thus, while the Court  
12 has considered the joinders filed by Rural, HSH, or the CNMS Plaintiffs, they are not material to  
13 the Court’s determination of the issues raised in the TGIG Motion to Retax.

14          6.       The TGIG Plaintiffs have argued in their Motion to Retax that Lone Mountain was  
15 not a prevailing party as to the Non-settling Plaintiffs. The Court disagrees. The Non-settling  
16 Plaintiffs filed complaints and thereafter prosecuted claims against Lone Mountain claiming a  
17 competing interest in and/or seeking to rescind conditional recreational cannabis licenses awarded  
18 to Lone Mountain. The Findings of Fact and Conclusions of Law entered by the Court on  
19 September 3, 2022 following the Phase II trial in this matter does not grant the Non-settling  
20 Plaintiffs the relief they sought with respect to Lone Mountain. Lone Mountain thus succeeded in  
21 its defense of the Non-Settling Plaintiffs’ claims, which was its purpose for intervening and  
22 defending itself in this action. Lone Mountain is therefore a prevailing party with respect to the  
23 Non-settling Plaintiffs.

24          7.       The Court concludes that Lone Mountain became a “party” for the purposes of  
25 prevailing party costs as to each of the Non-settling Plaintiffs when Lone Mountain answered  
26 each of the respective Non-settling Plaintiffs’ complaints.

27          8.       In this consolidated action, Lone Mountain filed a Motion to Intervene and  
28 Application for Order Shortening Time (the “Motion to Intervene”) on March 25, 2019. Lone

Mountain's Motion to Intervene was set for hearing on shortened time on April 1, 2019, and the Motion to Intervene was granted in an order entered in Case No. A-19-786962-B on April 3, 2019 and in an order entered in Case No. A-19-787004-B on April 17, 2019.

9. On June 5, 2019, Lone Mountain filed an Answer to the TGIG Plaintiffs' Complaint in Case No. A-19-786962-B.

10. On June 7, 2019, Lone Mountain filed an Answer to the Second Amended Complaint filed by the Green Leaf Plaintiffs, THC Nevada, and Herbal Choice in Case No. A-19-787004-B.

11. Lone Mountain's Memorandum of Costs sets forth total costs in the amount of \$71,431.72. Of that total, \$65,787.83 was incurred from the filing of Lone Mountain's Answer against the TGIG Plaintiffs on June 5, 2019, and \$65,321.45 was incurred from the filing of Lone Mountain's Answer against the Green Leaf Plaintiffs, THC Nevada, and Herbal Choice on June 7, 2019.

12. Based on the foregoing, the TGIG Plaintiffs' Motion to Retax is DENIED.

13. Further, Lone Mountain is hereby awarded costs in the amount of **\$65,321.45** against the Non-settling Plaintiffs, jointly and severally.

14. Further, Lone Mountain is hereby awarded additional costs in the amount of **\$466.38** against the TGIG Plaintiffs, jointly and severally.

15. Post-judgment interest will accrue at the statutory rate on the principal amounts set forth herein from the date of entry of this Order until satisfaction thereof.

**[PROPOSED] ORDER REGARDING TGIG  
PLAINTIFFS' MOTION TO RETAX  
THRIVE'S COSTS**

Intervening Defendants CPCM HOLDINGS, LLC d/b/a THRIVE CANNABIS  
MARKETPLACE, CHEYENNE MEDICAL, LLC and COMMERCE PARK MEDICAL, LLC  
(collectively "Thrive"), by and through its attorneys of record, the law firms MAIER GUTIERREZ &  
ASSOCIATES and PRINCE LAW GROUP, and TGIG, LLC, NEVADA HOLISTIC MEDICINE, LLC,  
GBS NEVADA PARTNERS, FIDELIS HOLDINGS, LLC, GRAVITAS NEVADA, NEVADA  
PURE, LLC, MEDIFARM IV, LLC (collectively "TGIG Plaintiffs") by and through their attorneys  
of record, the law firm of CLARK HILL, PLLC, hereby submit this proposed order regarding the TGIG

1 Plaintiffs' Motion to Retax and Settle Thrive's Costs:

- 2 1. Thrive filed its Verified Memorandum of Costs and Disbursements in this case on August  
3 8, 2022, at 6:46 p.m.
- 4 2. The TGIG Plaintiffs filed their Motion to Retax and Settle Thrive's Costs on August 11,  
5 2022, at 3:11 p.m.
- 6 3. Thrive has conceded that based on the July 28, 2020 Settlement Agreement ("Settlement  
7 Agreement") entered into between Thrive (as well as other intervening defendants) and  
8 the settling Plaintiffs and future settling Plaintiffs (including High Sierra Holistics and  
9 Natural Medicine), Thrive agreed not to seek costs against the signatories to the  
10 Settlement Agreement and any future settling parties, who have all agreed to bear their  
11 own costs and fees.
- 12 4. Thrive has claimed it is entitled to costs against the TGIG Plaintiffs because Thrive was  
13 the prevailing party in this matter.
- 14 5. The TGIG Plaintiffs contend that Thrive is not entitled to its costs because the TGIG  
15 Parties were the prevailing party in this matter and further contends that the Court lacks  
16 subject matter jurisdiction because the issue of whether an intervening defendant can be  
17 considered a "prevailing party" in this litigation is subject to a pending appeal of the  
18 Court's Order of August 27, 2021 denying Wellness Connection of Nevada, LLC's  
19 Motion for Attorneys' Fees.
- 20 6. The Court finds that it has subject matter jurisdiction to consider Thrive's Memorandum  
21 of Costs and TGIG's Motion to Retax as the August 27, 2021 Order regarding "prevailing  
22 parties" related to an award of attorney fees rather than an award of costs.
- 23 7. To be a "prevailing party," a party must "succeed on *any significant issue* in litigation  
24 which achieves some of the benefit it sought in bringing suit." *Las Vegas Metro. Police*  
25 *Dept. v. Blackjack Bonding, Inc.*, 131 Nev. 80, 343 P.3d 608 (2015) (emphasis in  
26 original).

27 ///

- 1 8. The Court finds that the TGIG Plaintiffs have not achieved any significant goal in  
2 bringing this action. Rather, the TGIG Plaintiffs are in substantially the same position as  
3 they were before commencing this action.
- 4 9. The Court finds that Thrive is a prevailing party under NRS 18.020 and entitled to its  
5 reasonable costs against the TGIG Parties.
- 6 10. Having decided that Thrive is the prevailing party and entitled to reasonable costs under  
7 NRS 18.020, the Court considers the issue of when its costs begin to accrue. The Court  
8 requested supplemental briefing on this issue from the parties and Thrive submitted its  
9 supplemental brief on this issue on November 3, 2022. The Court heard oral argument  
10 on this issue on November 16, 2022.
- 11 11. The Court finds that an award of costs under NRS 18.020 begins to accrue for a prevailing  
12 defendant when it has made an appearance through the filing of an answer to the  
13 complaint by whom it is seeking costs against.
- 14 12. Thrive filed its answer to the TGIG Plaintiffs' complaint on June 14, 2019 at 4:19 p.m.  
15 and is therefore entitled to its reasonable costs incurred following that date against the  
16 TGIG Plaintiffs.
- 17 13. Thrive and TGIG Plaintiffs have conferred and agree that Thrive's costs and interest on  
18 its costs incurred following the date of the filing of Thrive's Answer is as follows:
- 19 a. Thrive total costs incurred after June 14, 2019 = \$167,462.84
- 20 b. Interest on Thrive's costs after June 14, 2019 = \$24,499.70
- 21 c. Total amount of costs and interests for Thrive's costs = **\$191,962.54.**
- 22 14. The TGIG Plaintiffs Motion to Retax and Settle Thrive's costs does not identify any  
23 specific items or categories of costs that it believes are not reasonable or necessary,  
24 however, TGIG Plaintiffs maintain their objections on whether Thrive is entitled to costs  
25 as the "prevailing party," whether the Court has subject matter jurisdiction to award costs  
26 to Thrive or other intervening defendants and/or any other objection set forth in the  
27 pleadings and other papers filed herein related to Thrive's entitlement to an award of  
28 costs.

1 15. TGIG having filed no objection on the reasonableness of Thrive's claimed costs incurred  
2 after June 14, 2019, the Court orders Thrive be awarded \$191,962.54 in costs and interest  
3 against the TGIG Plaintiffs.

16 (17) Replies in support of the Motions to Retax filed September 9, 2022 by Deep  
17 Roots, Essence, Clear River, Thrive, the DOT, and Lone Mountain;

18 Having heard argument from counsel for the movants and the TGIG Plaintiffs at a hearing  
19 on November 16, 2022, with all other appearances noted in the record; good cause appearing, and  
20 for the reasons set forth on the record, the Court finds, concludes, and orders as follows:

21 1. On August 9, 2022, the TGIG Plaintiffs timely filed a Memorandum of Costs and  
22 Disbursements (the "TGIG Costs Memorandum") pursuant to Nevada Revised Statutes  
23 ("N.R.S.") §18.110.

24 2. Pursuant to N.R.S. § 18.110(4), the Motions to Retax were timely filed by Deep  
25 Roots, Essence, Clear River, Thrive, the DOT, and Lone Mountain on August 12, 2022.

26 3. Pursuant to Eighth Judicial District Court Rule ("EDCR") 2.20(d), the NOR  
27 Joinder, Clear River Joinder, Helping Hands Joinder, Lone Mountain Joinder, Deep Roots

28 ///

1 Joinder, and Wellness Connection Joinder were timely filed within 7 days after service of the  
2 Motions to Retax.

3 4. Pursuant to EDCR 2.20(d), the Pupo Joinder, Greenmart Joinder, and Circle S  
4 Joinder were not timely filed. These untimely joinders were not material to the Court's  
5 determination of the Motions to Retax.

6 5. The TGIG Costs Memorandum contains several items which are not taxable  
7 pursuant to N.R.S. § 18.005.

8 6. The TGIG Costs Memorandum further contains items which are unreasonable in  
9 amount.

10 7. The Court need not conduct an item-by-item analysis of the TGIG Costs  
11 Memorandum, however, because the Court concludes that the TGIG Plaintiffs are not prevailing  
12 parties.

13 8. To be a "prevailing party," a party must "succeed on *any significant issue* in  
14 litigation which achieves some of the benefit it sought in bringing suit." *Las Vegas Metro. Police*  
15 *Dept. v. Blackjack Bonding, Inc.*, 131 Nev. 80, 343 P.3d 608 (2015) (emphasis in original).

16 9. The TGIG Plaintiffs have not achieved any significant goal in bringing this action.  
17 Rather, the TGIG Plaintiffs are in substantially the same position as they were before  
18 commencing this action.

19 10. As they are not prevailing parties, the TGIG Plaintiffs are not entitled to an award  
20 of costs against any defendant that timely filed a motion to retax or a joinder thereto. *See*  
21 *Golightly & Vannah, PLLC v. TJ Allen, LLC*, 123 Nev. 416, 422, 373 P.3d 103, 107 (2016).

**Subject:** RE: In re DOT: Order on TGIG Costs Memo/Motions to Retax

My objection to the original proposed order is that the language appears to make findings related to parties who did not file a Motion to Retax or properly join in any Motions to Retax.

The Judge seemed pretty consistent to me in not even allowing any party to argue any of the Motions if they were not the party filing the motion or failed to properly join a motion. I see no basis for expanding the language of the Order beyond the Motions she considered and the relief she granted or denied.

I am prepared to approve the revised Order.

**CAUTION:** This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Counsel,

Attached for your review and comment is a draft order regarding the motions to retax as to the TGIG Plaintiffs. We intend to have covered all motions and joinders thereto (both timely and untimely joinders), but if we have missed a motion or joinder to a motion, please let me know and we will add it in.

Please advise: (1) whether you/your client will be signing off on the form of order; and (2) if so, whether you have any suggested revisions before I send this to counsel for TGIG, or if

you approve as is. If we do not hear from you by **noon tomorrow**, we will assume you will not be participating and will note in the form of order that it was presented to you for review and approval but there was not a response. Since the hearing was 11/16, we would like to get this submitted to the Court by the end of this week.

Thank you for your attention to this matter.

WARNING - This email originated from outside the State of Nevada. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Good evening all,

Mark and I spoke regarding the draft order this afternoon and attached is a redline which I believe incorporates edits which Mark has requested. Specifically, Mark pointed out that as previously drafted, the order applied to all defendants regardless of whether a motion or timely joinder had been filed. The redline revisions now limit the order to the motions and timely joinders.

Please review and advise whether you approve the redline revisions.

Subject: In re DOT: Order on TGIG Costs Memo/Motions to Retax

Mark,

Rather than dealing with multiple separate orders addressing the motions to retax with respect to the TGIG Plaintiffs costs memorandum, we have prepared a single form of order for all motions and joinders. See the attached draft, which has been approved by all defendants' counsel with the exception of counsel for the Essence Entities, who we understand has been tied up the last couple days, and counsel for Mr. Pupo. Please review and let us know if you approve the form or if you have any suggested revisions at your earliest convenience.

Thank you for your attention to this matter.

Thank you for that further explanation Mark.

At this juncture, we need to move forward with a form of the order.

-Mark has approved the current form, as has Rich Williamson on behalf of Deep Roots Harvest and we approve on behalf of Lone Mountain Partners.

-We ask that counsel for the remaining movants and joining parties advise whether they approve or not. If there is not unanimous approval from counsel for the movants in particular, then we will just need to prepare separate orders for each movant, which is what we were trying to avoid here.

-If the only objecting parties are the late-filed joinders, then we can note that those parties do not approve the form of the order.

My objection to the original proposed order is that the language appears to make findings related to parties who did not file a Motion to Retax or properly join in any Motions to Retax.

The Judge seemed pretty consistent to me in not even allowing any party to argue any of the Motions if they were not the party filing the motion or failed to properly join a motion. I see no basis for expanding the language of the Order beyond the Motions she considered and the relief she granted or denied.

I am prepared to approve the revised Order.

Good evening all,

Mark and I spoke regarding the draft order this afternoon and attached is a redline which I believe incorporates edits which Mark has requested. Specifically, Mark pointed out that as previously drafted, the order applied to all defendants regardless of whether a motion or timely joinder had been filed. The redline revisions now limit the order to the motions and timely joinders.

Please review and advise whether you approve the redline revisions.

**Subject:** In re DOT: Order on TGIG Costs Memo/Motions to Retax

Mark,

Rather than dealing with multiple separate orders addressing the motions to retax with respect to the TGIG Plaintiffs costs memorandum, we have prepared a single form of order for all motions and joinders. See the attached draft, which has been approved by all defendants' counsel with the exception of counsel for the Essence Entities, who we understand has been tied up the last couple days, and counsel for Mr. Pupo. Please review and let us know if you approve the form or if you have any suggested revisions at your earliest convenience.

Thank you for your attention to this matter.

Thank you for that further explanation Mark.

At this juncture, we need to move forward with a form of the order.

-Mark has approved the current form, as has Rich Williamson on behalf of Deep Roots Harvest and we approve on behalf of Lone Mountain Partners.

-We ask that counsel for the remaining movants and joining parties advise whether they approve or not. If there is not unanimous approval from counsel for the movants in particular, then we will just need to prepare separate orders for each movant, which is what we were trying to avoid here.

-If the only objecting parties are the late-filed joinders, then we can note that those parties do not approve the form of the order.

**Subject:** RE: In re DOT: Order on TGIG Costs Memo/Motions to Retax

My objection to the original proposed order is that the language appears to make findings related to parties who did not file a Motion to Retax or properly join in any Motions to Retax.

The Judge seemed pretty consistent to me in not even allowing any party to argue any of the Motions if they were not the party filing the motion or failed to properly join a motion. I see no basis for expanding the language of the Order beyond the Motions she considered and the relief she granted or denied.

I am prepared to approve the revised Order.

Good evening all,

Mark and I spoke regarding the draft order this afternoon and attached is a redline which I believe incorporates edits which Mark has requested. Specifically, Mark pointed out that as previously drafted, the order applied to all defendants regardless of whether a motion or timely joinder had been filed. The redline revisions now limit the order to the motions and timely joinders.

Please review and advise whether you approve the redline revisions.

**Subject:** RE: In re DOT: Order on TGIG Costs Memo/Motions to Retax

Thank you for that further explanation Mark.

At this juncture, we need to move forward with a form of the order.

-Mark has approved the current form, as has Rich Williamson on behalf of Deep Roots Harvest and we approve on behalf of Lone Mountain Partners.

-We ask that counsel for the remaining movants and joining parties advise whether they approve or not. If there is not unanimous approval from counsel for the movants in particular, then we will just need to prepare separate orders for each movant, which is what we were trying to avoid here.

-If the only objecting parties are the late-filed joinders, then we can note that those parties do not approve the form of the order.

My objection to the original proposed order is that the language appears to make findings related to parties who did not file a Motion to Retax or properly join in any Motions to Retax.

The Judge seemed pretty consistent to me in not even allowing any party to argue any of the Motions if they were not the party filing the motion or failed to properly join a motion. I see no basis for expanding the language of the Order beyond the Motions she considered and the relief she granted or denied.

I am prepared to approve the revised Order.

Best Regards,

Good evening all,

Mark and I spoke regarding the draft order this afternoon and attached is a redline which I believe incorporates edits which Mark has requested. Specifically, Mark pointed out that as previously drafted, the order applied to all defendants regardless of whether a motion or timely joinder had been filed. The redline revisions now limit the order to the motions and timely joinders.

Please review and advise whether you approve the redline revisions.

**ORDER DENYING IN PART AND GRANTING IN PART THE TGIG PLAINTIFFS'  
MOTION TO RETAX AND SETTLE COSTS, AND AWARDING COSTS TO DEEP  
ROOTS HARVEST, INC.**

1. On August 8, 2022, Deep Roots Harvest, Inc. ("Deep Roots") filed its Verified Memorandum of Costs with supporting documentation (Doc ID# 2868).

2. The Motion to Retax and Settle Costs (re: Memorandum of Costs of Deep Roots filed on August 8, 2022) of Plaintiffs TGIG, LLC, Nevada Holistic Medicine, LLC, GBS Nevada Partners, Fidelis Holdings, LLC, Gravitas Nevada, Nevada Pure, LLC, Medifarm, LLC, and Medifarm IV, LLC (the "TGIG Plaintiffs"), was filed August 11, 2022 (Doc ID# 2918) (the "Motion").

1           3.       Several Plaintiffs filed joinders to the TGIG Plaintiffs’ Motion (collectively the  
2 “Joinders”), as follows:

3           Plaintiff’s Green Leaf Farms Holdings LLC, Green Therapeutics LLC, NevCann LLC  
4 and Red Earth LLC’s Joinder to Motions to Retax and Settle Costs, filed August 11, 2022 (Doc  
5 ID# 2927);

6           Plaintiff Rural Remedies LLC’s Joinder to Motions to Retax and Settle Costs, filed  
7 August 12, 2022 (Doc ID# 2929);

8           Plaintiffs THC Nevada, LLC and Herbal Choice, Inc.’s Joinder to Motion to Relax and  
9 Settle Costs, filed August 12, 2022 (Doc ID# 2932);

10           Plaintiffs Clark Natural Medicinal Solutions LLC, Nye Natural Medicinal Solutions  
11 LLC, Clark NMSD LLC And Inyo Fine Cannabis Dispensary L.L.C.’s Omnibus Joinder and  
12 Supplement to Motions to Retax, filed August 12, 2022 (Doc ID# 2934). Each of the joining  
13 Plaintiffs are collectively the “Joinder Plaintiffs.”

14           4.       Costs must be allowed of course to the prevailing party against any adverse party  
15 against whom judgment is rendered. NRS 18.020. The term “prevailing party” is broadly  
16 construed, and encompasses any party to the ligation who achieves its intended benefit. Valley  
17 Elec. Ass’n v. Overfield, 121 Nev. 7, 10, 106 P.3d 1198, 1200 (2005); see also Las Vegas  
18 Metro. Police Dept. v. Blackjack Bonding, Inc., 131 Nev. 80, 343 P.3d 608 (2015).

19           5.       Under NRS 18.110(1), “[t]he party in whose favor judgment is rendered, and  
20 who claims costs, must file with the clerk, and serve a copy upon the adverse party, within 5  
21 days after the entry of judgment...a memorandum of the items of the costs in the action or  
22 proceeding, which memorandum must be verified by the oath of the party, or the party’s  
23 attorney or agent, or by the clerk of the party’s attorney, stating that to the best of his or her  
24  
25  
26  
27  
28

1 knowledge and belief the items are correct, and that the costs have been necessarily incurred in  
2 the action or proceeding.”

3           6.       The allowable costs are set forth in NRS 18.005 to include:

4                   1. Clerks’ fees.

5                   2. Reporters’ fees for depositions, including a reporter’s fee for one copy of each  
6 deposition.  
7

8                   3. Jurors’ fees and expenses, together with reasonable compensation of an  
9 officer appointed to act in accordance with NRS 16.120.  
10

11                   4. Fees for witnesses at trial, pretrial hearings and deposing witnesses, unless the  
12 court finds that the witness was called at the instance of the prevailing party without reason or  
13 necessity.

14                   5. Reasonable fees of not more than five expert witnesses in an amount of not  
15 more than \$1,500 for each witness, unless the court allows a larger fee after determining that the  
16 circumstances surrounding the expert’s testimony were of such necessity as to require the larger  
17 fee.  
18

19                   6. Reasonable fees of necessary interpreters.

20                   7. The fee of any sheriff or licensed process server for the delivery or service of  
21 any summons or subpoena used in the action, unless the court determines that the service was  
22 not necessary.  
23

24                   8. Compensation for the official reporter or reporter pro tempore.

25                   9. Reasonable costs for any bond or undertaking required as part of the action.

26                   10. Fees of a court bailiff or deputy marshal who was required to work overtime.

27                   11. Reasonable costs for telecopies.  
28

1 12. Reasonable costs for photocopies.

2 13. Reasonable costs for long distance telephone calls.

3 14. Reasonable costs for postage.

4 15. Reasonable costs for travel and lodging incurred taking depositions and  
5 conducting discovery.

6 16. Fees charged pursuant to NRS 19.0335.

7 17. Any other reasonable and necessary expense incurred in connection with the  
8 action, including reasonable and necessary expenses for computerized services for legal  
9 research.  
10

11  
12 7. “Within 3 days after service of a copy of the memorandum, the adverse party  
13 may move the court, upon 2 days’ notice, to retax and settle the costs, notice of which motion  
14 shall be filed and served on the prevailing party claiming costs. Upon the hearing of the motion  
15 the court or judge shall settle the costs.” NRS 18.110(4).  
16

17 8. Deep Roots timely filed its verified Memorandum of Costs with supporting  
18 documentation. As set forth in the Memorandum of Costs, Deep Roots claimed that it incurred  
19 and sought recovery of taxable costs in the amount of \$44,250.67.  
20

21 9. Deep Roots is a prevailing party as against the TGIG Plaintiffs and the Joinder  
22 Plaintiffs. Deep Roots prevailed on all claims and defenses to retain its licenses, which the  
23 Plaintiffs variously sought to revoke or impair through their requested forms of relief and  
24 arguments. Deep Roots’ license was not lost or impaired by the litigation. Deep Roots prevailed  
25 on all issues against all Plaintiffs and this makes Deep Roots a prevailing party. See Golightly  
26 & Vannah, PLLC v. TJ Allen, LLC, 132 Nev. 416, 422, 373 P.3d 103, 107 (2016).  
27  
28

1           10.     The Court finds that the way in which Deep Roots was named as a defendant in  
2 this action, and the manner in which the various Plaintiffs' cases were consolidated and tried, do  
3 not preclude Deep Roots from being considered a prevailing party against any Plaintiff.  
4

5           11.     This was a special proceeding in which declaratory relief was sought in addition  
6 to other claims, and the value of the property, i.e., the licenses at stake and Plaintiffs' alleged  
7 damages and purported loss of market share exceeded \$2,500. See NRS 18.020.  
8

9           12.     Deep Roots' costs fall within NRS 18.005's allowable categories and are  
10 properly awardable under NRS 18.020.  
11

12           13.     The TGIG Plaintiffs challenged Deep Roots' Memorandum of Costs only on the  
13 basis that Deep Roots was not a prevailing party and that costs should not be awarded for  
14 petitions for judicial review. See Motion, and Joinders. As set forth above, Deep Roots is a  
15 prevailing party. Further, its Memorandum of Costs does not seek costs solely relating to  
16 judicial review proceedings.  
17

18           14.     The TGIG Plaintiffs did not challenge Deep Roots' Memorandum of Costs on  
19 the basis that any costs were unreasonable, unnecessary, incorrect, not actually incurred, or  
20 otherwise unsupported. The Motion and Joinders did not set forth arguments or points and  
21 authorities challenging Deep Roots' Memorandum of Costs and did not claim or set forth any  
22 itemization that any cost categories, either specifically or generally, were unreasonable,  
23 unnecessary, or should not be awarded. As such, as to the nature, amount, and reasonableness  
24 of the costs Deep Roots seeks, the TGIG Plaintiffs did not oppose such costs and waived any  
25 right to challenge or contest the individual amount of costs set forth in Deep Roots'  
26 Memorandum of Costs. In addition, the Court finds that the costs set forth in Deep Roots'  
27  
28

Memorandum of Costs were and are reasonable, necessary, justifiable, actually incurred, and are supported by a declaration of counsel and documentation.

15. Notwithstanding the above and foregoing, as to the issue of the date from which a prevailing party may recover costs, the Court finds and determines that costs should be awarded only from the date of the filing of the answer by the party seeking costs.

16. Deep Roots Answered Plaintiffs' Second Amended Complaint and became a party for the purposes of recovering costs on February 12, 2020.

17. Deep Roots' Memorandum of Costs evidences that a total of \$11,125.38 in costs sought to be recovered by Deep Roots were incurred prior to February 12, 2020 and should be disallowed.

18. Thus, Deep Roots request for costs in the amount of \$44,250.67 must be reduced by the amount of \$11,125.38 which are costs incurred prior to February 12, 2020.

Based on the above findings,

IT IS HEREBY ORDERED that the TGIG Plaintiffs' Motion be, and hereby is, denied, in part, and granted, in part, and that Deep Roots be awarded costs of \$33,125.29 against the TGIG Plaintiffs, and each of them;

IT IS FURTHER ORDERED that the Joinder Plaintiffs' Joinders be, and hereby are, denied and that Deep Roots is awarded costs against each Joinder Plaintiff from the date of Deep Roots' filing of any answer to such Joinder Plaintiff's complaint;

//

//

//

//

1 IT IS FURTHER ORDERED that Deep Roots is entitled to an award of any allowable  
2 interest on the amount of costs, which interest shall accrue until costs are paid in full.  
3

4 IT IS SO ORDERED.

**ORDER DENYING IN PART AND  
GRANTING IN PART TGIG  
PLAINTIFFS' MOTION TO RETAX  
AND SETTLE COSTS REGARDING  
NEVADA ORGANIC REMEDIES, LLC**

1 The Court, having reviewed and considered:

2 1. *Nevada Organic Remedies, LLC's Memorandum of Costs* ("NOR's  
3 Memorandum of Costs") filed August 9, 2022 by Nevada Organic Remedies,  
4 LLC ("NOR") [Dkt # 2906];

5 2. *Motion to Retax and Settle Costs (re: Nevada Organic Remedies, LLC's*  
6 *Memorandum of Costs filed on August 9, 2022)* ("TGIG Motion to Retax") filed  
7 August 11, 2022 by TGIG, LLC, Nevada Holistic Medicine, LLC, GBS Nevada  
8 Partners, Fidelis Holdings, LLC, Gravitas Nevada, Nevada Pure, LLC, Medifarm,  
9 LLC and Medifarm IV, LLC (the "TGIG Plaintiffs") [Dkt # 2920];

10 3. All Joinders to the TGIG Motion to Retax that were timely filed by  
11 Green Leaf Farms Holdings LLC, Green Therapeutics LLC, NevCann LLC, and  
12 Red Earth LL (collectively, "Green Leaf Plaintiffs") [Dkt #2927]; Rural Remedies,  
13 LLC [Dkt # 2929]; THC Nevada, LLC and Herbal Choice, Inc. [Dkt # 2932]; and  
14 Clark Natural Medicinal Solutions LLC, Nye Natural Medicinal Solutions LLC,  
15 Clark NMSD LLC, and Inyo Fine Cannabis Dispensary L.L.C. [Dkt # 2934];

16 4. *Nevada Organic Remedies, LLC's Omnibus Opposition to Motions to*  
17 *Retax and Settle Costs and Limited Joinder to Essence and Thrive's Oppositions*  
18 *("NOR's Opposition")* filed August 25, 2022 by NOR [Dkt # 3034]; and

19 5. *Omnibus Reply to Oppositions to Motions to Retax* ("Omnibus Reply")  
20 filed September 9, 2022 by the TGIG Plaintiffs [Dkt # 3076].

21 Having heard argument from counsel at hearings on September 16, 2022,  
22 October 21, 2022, November 16, 2022, and December 19, 2022, with all other  
23 appearance notes in the record; good cause appearing, and for the reasons set  
24 forth on the record, the Court finds, concludes, and orders as follows:

25 1. NOR's Memorandum of Costs was timely filed by NOR pursuant to  
26 Nevada Revised Statutes ("NRS") § 18.110 on August 9, 2022.

27 2. Pursuant to NRS § 18.110(4), the TGIG Motion to Retax was timely  
28 filed by the TGIG Plaintiffs on August 11, 2022.

1           3.     Pursuant to Eighth Judicial District Court Rule (“EDCR”) 2.20(d), the  
2 Joinders were timely filed on August 11, 2022 and August 12, 2022.

3           4.     Neither the TGIG Motion to Retax nor the Joinders raise an objection  
4 to any specific item of costs within NOR’s Memorandum of Costs. Any such  
5 objections were thereby waived.

6           5.     NOR is seeking costs solely as to the TGIG Plaintiffs. NOR is not  
7 seeking costs against Rural, HSH, or the CNMS Plaintiffs. Thus, while the Court  
8 has considered the joinders filed by Rural, HSH, or the CNMS Plaintiffs, they are  
9 not material to the Court’s determination of the issues raised in the TGIG Motion  
10 to Retax.

11          6.     The TGIG Plaintiffs have argued in their Motion to Retax that NOR  
12 was not a prevailing party as to the Non-settling Plaintiffs. The Court disagrees.  
13 The Non-settling Plaintiffs filed complaints and thereafter prosecuted claims  
14 against NOR claiming a competing interest in and/or seeking to rescind  
15 conditional recreational cannabis licenses awarded to NOR. The Findings or Fact  
16 and Conclusions of Law entered by the Court on September 3, 2022, following  
17 the Phase II trial in this matter does not grant the Non-settling Plaintiffs the relief  
18 they sought with respect to NOR or other intervening parties. NOR thus  
19 succeeded in its defense of the Non-settling Plaintiffs’ claims, which was its  
20 purpose for intervening and defending itself in this action. NOR is therefore a  
21 prevailing party with respect to the Non-settling Plaintiffs.

22          7.     NOR filed the first Motion to Intervene in Case A-18-785818-W on  
23 January 15, 2019 [Dkt # 20], which was granted [Dkt # 39], and NOR’s Answer  
24 was filed on March 15, 2019 [Dkt # 41]. NOR filed a Motion to Intervene in Case  
25 No. A-19-786962-B on January 25, 2019 [Dkt # 4], which was granted on March  
26 22, 2019 [Dkt # 11], and NOR filed an opposition to the TGIG Plaintiff’s Motion  
27 for Preliminary Injunction on May 9, 2019 [Dkt # 56]. NOR’s subsequent  
28 Motions to Intervene were also granted (See Case A-19-787004-B [Dkt # 30]).

1           8.       NOR's Memorandum of Costs sets forth total costs of the categories  
2 permitted by rule in the amount of \$22,068.92.

3           9.       Notwithstanding the above and foregoing, as to the issue of the date  
4 from which a prevailing party may recover costs, the Court finds and determines  
5 that costs should be awarded only from the date of the filing of the answer by the  
6 party seeking costs.

7           10.      NOR filed its first Answer and became a party for the purposes of  
8 recovering costs on March 15, 2019.

9           11.      NOR's Memorandum of Costs evidences that a total of \$325.22 in  
10 costs sought to be recovered by NOR were incurred prior to March 15, 2019 and  
11 should be disallowed.

12          12.      Thus, NOR's request for costs in the amount of \$22,068.92 must be  
13 reduced by the amount of \$325.22 which are costs incurred prior to March 15, 2019.

14          13.      A total of \$21,743.70 was incurred from the date NOR intervened as  
15 a defendant.

16          14.      Based on the foregoing, the TGIG Plaintiffs' Motion to Retax is  
17 DENIED in part and GRANTED in part.

18          15.      Based on its Memorandum of Costs, NOR is hereby awarded costs  
19 in the amount of \$21,743.70 against the TGIG Plaintiffs, jointly and severally.

20          16.      Post-judgment interest will accrue at the statutory rate on the  
21 principal amounts set forth herein from the date of entry of this Order until  
22 satisfaction thereof.

23           IT IS SO ORDERED.

Dated this 24th day of January, 2023

**ORDER RE: TGIG PLAINTIFFS' MOTION TO RETAX AND SETTLE COSTS  
AND JOINDERS**

The Motion to Retax and Settle Costs (re: *Memorandum of Costs and Disbursements of Wellness Connection of Nevada, LLC* filed on August 9, 2022) of Plaintiffs TGIG, LLC, Nevada Holistic Medicine, LLC, GBS Nevada Partners, Fidelis Holdings, LLC, Gravitas Nevada, Nevada Pure, LLC, Medifarm, LLC, and Medifarm IV, LLC, and various joinders thereto, came on for hearing before the Honorable Joanna S. Kishner. The Court, having reviewed the motion, joinders, opposition, replies, and supplemental briefing, having considered the other pleadings

1 and papers on file herein, and having heard oral argument of the parties, hereby finds and orders  
2 as follows:

3 1. On August 9, 2022, Wellness Connection filed its verified Memorandum of Costs  
4 and Disbursements with supporting documentation.

5 2. The Motion to Retax and Settle Costs (re: *Memorandum of Costs and*  
6 *Disbursements of Wellness Connection of Nevada, LLC* filed on August 9, 2022) of Plaintiffs  
7 TGIG, LLC, Nevada Holistic Medicine, LLC, GBS Nevada Partners, Fidelis Holdings, LLC,  
8 Gravitas Nevada, Nevada Pure, LLC, Medifarm, LLC, and Medifarm IV, LLC (the “TGIG  
9 Plaintiffs”), was filed August 11, 2022 (Doc ID# 2921) (the “Motion”).

10 3. Several Plaintiffs filed joinders to the TGIG Plaintiffs’ Motion (collectively the  
11 “Joinders”), as follows:

12 (a) Plaintiff’s Green Leaf Farms Holdings LLC, Green Therapeutics LLC,  
13 NevCann LLC and Red Earth LLC’s Joinder to Motions to Retax and Settle Costs, filed August  
14 11, 2022 (Doc ID# 2927);

15 (b) Plaintiff Rural Remedies LLC’s Joinder to Motions to Retax and Settle  
16 Costs, filed August 12, 2022 (Doc ID# 2929);

17 (c) Plaintiffs THC Nevada, LLC and Herbal Choice, Inc.’s Joinder to Motion  
18 to Relax and Settle Costs, filed August 12, 2022 (Doc ID# 2932);

19 (d) Plaintiffs Clark Natural Medicinal Solutions LLC, Nye Natural Medicinal  
20 Solutions LLC, Clark NMSD LLC And Inyo Fine Cannabis Dispensary L.L.C.’s Omnibus  
21 Joinder and Supplement to Motions to Retax, filed August 12, 2022 (Doc ID# 2934). Each of the  
22 joining Plaintiffs are collectively the “Joinder Plaintiffs.”

23 4. Costs must be allowed of course to the prevailing party against any adverse party  
24 against whom judgment is rendered. NRS 18.020. The term “prevailing party” is broadly  
25 construed, and encompasses any party to the ligation who achieves its intended benefit. Valley  
26 Elec. Ass’n v. Overfield, 121 Nev. 7, 10, 106 P.3d 1198, 1200 (2005); see also Las Vegas Metro.  
27 Police Dept. v. Blackjack Bonding, Inc., 131 Nev. 80, 343 P.3d 608 (2015).  
28

1           5.       Under NRS 18.110(1), “[t]he party in whose favor judgment is rendered, and who  
2           claims costs, must file with the clerk, and serve a copy upon the adverse party, within 5  
3           days after the entry of judgment...a memorandum of the items of the costs in the action or  
4           proceeding, which memorandum must be verified by the oath of the party, or the party’s attorney  
5           or agent, or by the clerk of the party’s attorney, stating that to the best of his or her knowledge  
6           and belief the items are correct, and that the costs have been necessarily incurred in the action or  
7           proceeding.”

8           6.       The allowable costs are set forth in NRS 18.005 to include:  
9                   1. Clerks’ fees.  
10                  2. Reporters’ fees for depositions, including a reporter’s fee for one copy of each  
11                  deposition.  
12                  3. Jurors’ fees and expenses, together with reasonable compensation of an officer  
13                  appointed to act in accordance with NRS 16.120.  
14                  4. Fees for witnesses at trial, pretrial hearings and deposing witnesses, unless the  
15                  court finds that the witness was called at the instance of the prevailing party without reason or  
16                  necessity.  
17                  5. Reasonable fees of not more than five expert witnesses in an amount of not  
18                  more than \$1,500 for each witness, unless the court allows a larger fee after determining that the  
19                  circumstances surrounding the expert’s testimony were of such necessity as to require the larger  
20                  fee.  
21                  6. Reasonable fees of necessary interpreters.  
22                  7. The fee of any sheriff or licensed process server for the delivery or service of  
23                  any summons or subpoena used in the action, unless the court determines that the service was not  
24                  necessary.  
25                  8. Compensation for the official reporter or reporter pro tempore.  
26                  9. Reasonable costs for any bond or undertaking required as part of the action.  
27                  10. Fees of a court bailiff or deputy marshal who was required to work overtime.  
28                  11. Reasonable costs for telecopies.  
                  12. Reasonable costs for photocopies.  
                  13. Reasonable costs for long distance telephone calls.  
                  14. Reasonable costs for postage.  
                  15. Reasonable costs for travel and lodging incurred taking depositions and  
                  conducting discovery.  
                  16. Fees charged pursuant to NRS 19.0335.  
                  17. Any other reasonable and necessary expense incurred in connection with the  
                  action, including reasonable and necessary expenses for computerized services for legal research.

25           7.       “Within 3 days after service of a copy of the memorandum, the adverse party may  
26           move the court, upon 2 days’ notice, to retax and settle the costs, notice of which motion shall be  
27           filed and served on the prevailing party claiming costs. Upon the hearing of the motion the court  
28           or judge shall settle the costs.” NRS 18.110(4).

1           8. Wellness Connection timely filed its verified Memorandum of Costs and  
2 Disbursements with supporting documentation. As set forth in the Memorandum of Costs,  
3 Wellness Connection incurred and sought recovery of costs of \$55,301.48.

4           9. Wellness Connection is a prevailing party as against the TGIG Plaintiffs and the  
5 Joinder Plaintiffs. Wellness Connection prevailed on all claims and defenses to retain its licenses,  
6 which the Plaintiffs variously sought to revoke or impair through their requested forms of relief  
7 and arguments. Wellness Connection did not lose its license and its license was not affected by  
8 the Court's injunction against the so-called Five-Percent Rule or by any other rulings of the Court.  
9 Wellness Connection's license was not lost or impaired by the litigation. Wellness prevailed on  
10 all issues against all Plaintiffs and this makes Wellness Connection a prevailing party. See  
11 Golightly & Vannah, PLLC v. TJ Allen, LLC, 132 Nev. 416, 422, 373 P.3d 103, 107 (2016).

12           10. The Court finds that the way in which Wellness Connection was named as a  
13 defendant in this action, and the manner in which the various Plaintiffs' cases were consolidated  
14 and tried, do not preclude Wellness Connection from being considered a prevailing party against  
15 any Plaintiff.

16           11. This was a special proceeding in which declaratory relief was sought in addition  
17 to other claims, and the value of the property, i.e., the licenses at stake and Plaintiffs' alleged  
18 damages and purported loss of market share exceeded \$2,500. See NRS 18.020.

19           12. Wellness Connection's costs of \$55,301.48 fall within NRS 18.005's allowable  
20 categories and are properly awardable under NRS 18.020.

21           13. The TGIG Plaintiffs challenged Wellness' Memorandum of Costs and  
22 Disbursements only on the basis that Wellness Connection was not a prevailing party and that  
23 costs should not be awarded for petitions for judicial review. See Motion, and Joinders. As set  
24 forth above, Wellness Connection is a prevailing party. Further, its Memorandum of Costs and  
25 Disbursements does not seek costs relating to judicial review proceedings.

26           14. The TGIG Plaintiffs did not challenge Wellness Connection's Memorandum of  
27 Costs and Disbursements on the basis that any costs were unreasonable, unnecessary, incorrect,  
28 not actually incurred, or otherwise unsupported. The Motion and Joinders did not set forth

arguments or points and authorities challenging Wellness' Memorandum of Costs and Disbursements and did not claim or set forth any itemization that any cost categories, either specifically or generally, were unreasonable, unnecessary, or should not be awarded. As such, as to the nature, amount, and reasonableness of the costs Wellness Connection seeks, the TGIG Plaintiffs did not oppose such costs and waived any right to challenge or contest the individual or global amount of costs set forth in Wellness Connection's Memorandum of Costs and Disbursements. In addition, the Court finds that the costs set forth in Wellness Connection's Memorandum of Costs were and are reasonable, necessary, justifiable, actually incurred, and are supported by a declaration of counsel and documentation.

15. The Court allowed parties, if they chose, to file supplemental briefing with an ordered deadline of November 4, 2022 as to the issue of the date from which a prevailing party may recover costs.

16. The Court determines that costs should be awarded from the date of the filing of the answer by the party seeking costs.

17. Wellness Connection answered the TGIG Plaintiffs' Second Amended Complaint on February 14, 2020. Wellness Connection's Memorandum of Costs shows that \$2,013.75 in costs sought to be recovered by Wellness Connection were incurred prior to February 14, 2020 and should be disallowed.

18. Thus, Wellness Connection's request for costs in the amount of \$55,301.48 must be reduced by the amount of \$2,013.75 as to the TGIG Plaintiffs as costs incurred prior to February 14, 2020.

Based on the above findings,

**IT IS HEREBY ORDERED** that the TGIG Plaintiffs' Motion and the Joinder Plaintiffs' Joinders be, and hereby are, denied in part and granted in part as set forth herein;

**IT IS FURTHER ORDERED** that Wellness Connection be awarded costs of \$53,287.73 against the TGIG Plaintiffs, and each of them, representing costs Wellness Connection incurred from the date of the filing of its answer to the TGIG Plaintiffs' complaint on February 14, 2020;

**ORDER RE: TGIG PLAINTIFFS' MOTION TO RETAX AND SETTLE COSTS  
AND JOINDERS**

The Motion to Retax and Settle Costs (re: *Memorandum of Costs and Disbursements of Wellness Connection of Nevada, LLC* filed on August 9, 2022) of Plaintiffs TGIG, LLC, Nevada Holistic Medicine, LLC, GBS Nevada Partners, Fidelis Holdings, LLC, Gravitas Nevada, Nevada Pure, LLC, Medifarm, LLC, and Medifarm IV, LLC, and various joinders thereto, came on for hearing before the Honorable Joanna S. Kishner. The Court, having reviewed the motion, joinders, opposition, replies, and supplemental briefing, having considered the other pleadings

1 and papers on file herein, and having heard oral argument of the parties, hereby finds and orders  
2 as follows:

3 1. On August 9, 2022, Wellness Connection filed its verified Memorandum of Costs  
4 and Disbursements with supporting documentation.

5 2. The Motion to Retax and Settle Costs (re: *Memorandum of Costs and*  
6 *Disbursements of Wellness Connection of Nevada, LLC* filed on August 9, 2022) of Plaintiffs  
7 TGIG, LLC, Nevada Holistic Medicine, LLC, GBS Nevada Partners, Fidelis Holdings, LLC,  
8 Gravitas Nevada, Nevada Pure, LLC, Medifarm, LLC, and Medifarm IV, LLC (the “TGIG  
9 Plaintiffs”), was filed August 11, 2022 (Doc ID# 2921) (the “Motion”).

10 3. Several Plaintiffs filed joinders to the TGIG Plaintiffs’ Motion (collectively the  
11 “Joinders”), as follows:

12 (a) Plaintiff's Green Leaf Farms Holdings LLC, Green Therapeutics LLC,  
13 NevCann LLC and Red Earth LLC's Joinder to Motions to Retax and Settle Costs, filed August  
14 11, 2022 (Doc ID# 2927);

15 (b) Plaintiff Rural Remedies LLC's Joinder to Motions to Retax and Settle  
16 Costs, filed August 12, 2022 (Doc ID# 2929);

17 (c) Plaintiffs THC Nevada, LLC and Herbal Choice, Inc.'s Joinder to Motion  
18 to Relax and Settle Costs, filed August 12, 2022 (Doc ID# 2932);

19 (d) Plaintiffs Clark Natural Medicinal Solutions LLC, Nye Natural Medicinal  
20 Solutions LLC, Clark NMSD LLC And Inyo Fine Cannabis Dispensary L.L.C.’s Omnibus  
21 Joinder and Supplement to Motions to Retax, filed August 12, 2022 (Doc ID# 2934). Each of the  
22 joining Plaintiffs are collectively the “Joinder Plaintiffs.”

23 4. Costs must be allowed of course to the prevailing party against any adverse party  
24 against whom judgment is rendered. NRS 18.020. The term “prevailing party” is broadly  
25 construed, and encompasses any party to the litigation who achieves its intended benefit. Valley  
26 Elec. Ass'n v. Overfield, 121 Nev. 7, 10, 106 P.3d 1198, 1200 (2005); see also Las Vegas Metro.  
27 Police Dept. v. Blackjack Bonding, Inc., 131 Nev. 80, 343 P.3d 608 (2015).  
28

1           5.       Under NRS 18.110(1), “[t]he party in whose favor judgment is rendered, and who  
2           claims costs, must file with the clerk, and serve a copy upon the adverse party, within 5  
3           days after the entry of judgment...a memorandum of the items of the costs in the action or  
4           proceeding, which memorandum must be verified by the oath of the party, or the party’s attorney  
5           or agent, or by the clerk of the party’s attorney, stating that to the best of his or her knowledge  
6           and belief the items are correct, and that the costs have been necessarily incurred in the action or  
7           proceeding.”

8           6.       The allowable costs are set forth in NRS 18.005 to include:

- 9                   1. Clerks’ fees.  
10                  2. Reporters’ fees for depositions, including a reporter’s fee for one copy of each  
11                  deposition.  
12                  3. Jurors’ fees and expenses, together with reasonable compensation of an officer  
13                  appointed to act in accordance with NRS 16.120.  
14                  4. Fees for witnesses at trial, pretrial hearings and deposing witnesses, unless the  
15                  court finds that the witness was called at the instance of the prevailing party without reason or  
16                  necessity.  
17                  5. Reasonable fees of not more than five expert witnesses in an amount of not  
18                  more than \$1,500 for each witness, unless the court allows a larger fee after determining that the  
19                  circumstances surrounding the expert’s testimony were of such necessity as to require the larger  
20                  fee.  
21                  6. Reasonable fees of necessary interpreters.  
22                  7. The fee of any sheriff or licensed process server for the delivery or service of  
23                  any summons or subpoena used in the action, unless the court determines that the service was not  
24                  necessary.  
25                  8. Compensation for the official reporter or reporter pro tempore.  
26                  9. Reasonable costs for any bond or undertaking required as part of the action.  
27                  10. Fees of a court bailiff or deputy marshal who was required to work overtime.  
28                  11. Reasonable costs for telecopies.  
                    12. Reasonable costs for photocopies.  
                    13. Reasonable costs for long distance telephone calls.  
                    14. Reasonable costs for postage.  
                    15. Reasonable costs for travel and lodging incurred taking depositions and  
                    conducting discovery.  
                    16. Fees charged pursuant to NRS 19.0335.  
                    17. Any other reasonable and necessary expense incurred in connection with the  
                    action, including reasonable and necessary expenses for computerized services for legal research.

25           7.       “Within 3 days after service of a copy of the memorandum, the adverse party may  
26           move the court, upon 2 days’ notice, to retax and settle the costs, notice of which motion shall be  
27           filed and served on the prevailing party claiming costs. Upon the hearing of the motion the court  
28           or judge shall settle the costs.” NRS 18.110(4).

1           8. Wellness Connection timely filed its verified Memorandum of Costs and  
2 Disbursements with supporting documentation. As set forth in the Memorandum of Costs,  
3 Wellness Connection incurred and sought recovery of costs of \$55,301.48.

4           9. Wellness Connection is a prevailing party as against the TGIG Plaintiffs and the  
5 Joinder Plaintiffs. Wellness Connection prevailed on all claims and defenses to retain its licenses,  
6 which the Plaintiffs variously sought to revoke or impair through their requested forms of relief  
7 and arguments. Wellness Connection did not lose its license and its license was not affected by  
8 the Court's injunction against the so-called Five-Percent Rule or by any other rulings of the Court.  
9 Wellness Connection's license was not lost or impaired by the litigation. Wellness prevailed on  
10 all issues against all Plaintiffs and this makes Wellness Connection a prevailing party. See  
11 Golightly & Vannah, PLLC v. TJ Allen, LLC, 132 Nev. 416, 422, 373 P.3d 103, 107 (2016).

12           10. The Court finds that the way in which Wellness Connection was named as a  
13 defendant in this action, and the manner in which the various Plaintiffs' cases were consolidated  
14 and tried, do not preclude Wellness Connection from being considered a prevailing party against  
15 any Plaintiff.

16           11. This was a special proceeding in which declaratory relief was sought in addition  
17 to other claims, and the value of the property, i.e., the licenses at stake and Plaintiffs' alleged  
18 damages and purported loss of market share exceeded \$2,500. See NRS 18.020.

19           12. Wellness Connection's costs of \$55,301.48 fall within NRS 18.005's allowable  
20 categories and are properly awardable under NRS 18.020.

21           13. The TGIG Plaintiffs challenged Wellness' Memorandum of Costs and  
22 Disbursements only on the basis that Wellness Connection was not a prevailing party and that  
23 costs should not be awarded for petitions for judicial review. See Motion, and Joinders. As set  
24 forth above, Wellness Connection is a prevailing party. Further, its Memorandum of Costs and  
25 Disbursements does not seek costs relating to judicial review proceedings.

26           14. The TGIG Plaintiffs did not challenge Wellness Connection's Memorandum of  
27 Costs and Disbursements on the basis that any costs were unreasonable, unnecessary, incorrect,  
28 not actually incurred, or otherwise unsupported. The Motion and Joinders did not set forth

arguments or points and authorities challenging Wellness' Memorandum of Costs and Disbursements and did not claim or set forth any itemization that any cost categories, either specifically or generally, were unreasonable, unnecessary, or should not be awarded. As such, as to the nature, amount, and reasonableness of the costs Wellness Connection seeks, the TGIG Plaintiffs did not oppose such costs and waived any right to challenge or contest the individual or global amount of costs set forth in Wellness Connection's Memorandum of Costs and Disbursements. In addition, the Court finds that the costs set forth in Wellness Connection's Memorandum of Costs were and are reasonable, necessary, justifiable, actually incurred, and are supported by a declaration of counsel and documentation.

15. The Court allowed parties, if they chose, to file supplemental briefing with an ordered deadline of November 4, 2022 as to the issue of the date from which a prevailing party may recover costs.

16. The Court determines that costs should be awarded from the date of the filing of the answer by the party seeking costs.

17. Wellness Connection answered the TGIG Plaintiffs' Second Amended Complaint on February 14, 2020. Wellness Connection's Memorandum of Costs shows that \$2,013.75 in costs sought to be recovered by Wellness Connection were incurred prior to February 14, 2020 and should be disallowed.

18. Thus, Wellness Connection's request for costs in the amount of \$55,301.48 must be reduced by the amount of \$2,013.75 as to the TGIG Plaintiffs as costs incurred prior to February 14, 2020.

Based on the above findings,

**IT IS HEREBY ORDERED** that the TGIG Plaintiffs' Motion and the Joinder Plaintiffs' Joinders be, and hereby are, denied in part and granted in part as set forth herein;

**IT IS FURTHER ORDERED** that Wellness Connection be awarded costs of \$53,287.73 against the TGIG Plaintiffs, and each of them, representing costs Wellness Connection incurred from the date of the filing of its answer to the TGIG Plaintiffs' complaint on February 14, 2020;

1           **IT IS FURTHER ORDERED** that Wellness Connection is awarded costs against each  
2 Joinder Plaintiff from the date of Wellness Connection's filing of any answer to such Joinder  
3 Plaintiff's complaint;

4           **IT IS FURTHER ORDERED** that Wellness Connection is entitled to an award of any  
5 allowable interest on the amount of costs, which interest shall accrue until costs are paid in full.

6           **IT IS SO ORDERED.**

**ORDER DENYING IN PART AND GRANTING IN PART THE TGIG PLAINTIFFS'  
MOTION TO RETAX AND SETTLE COSTS, AND AWARDING COSTS TO DEEP  
ROOTS HARVEST, INC.**

1. On August 8, 2022, Deep Roots Harvest, Inc. ("Deep Roots") filed its Verified Memorandum of Costs with supporting documentation (Doc ID# 2868).

2. The Motion to Retax and Settle Costs (re: Memorandum of Costs of Deep Roots filed on August 8, 2022) of Plaintiffs TGIG, LLC, Nevada Holistic Medicine, LLC, GBS Nevada Partners, Fidelis Holdings, LLC, Gravitas Nevada, Nevada Pure, LLC, Medifarm, LLC, and Medifarm IV, LLC (the "TGIG Plaintiffs"), was filed August 11, 2022 (Doc ID# 2918) (the "Motion").

1           3.       Several Plaintiffs filed joinders to the TGIG Plaintiffs’ Motion (collectively the  
2 “Joinders”), as follows:

3           Plaintiff’s Green Leaf Farms Holdings LLC, Green Therapeutics LLC, NevCann LLC  
4 and Red Earth LLC’s Joinder to Motions to Retax and Settle Costs, filed August 11, 2022 (Doc  
5 ID# 2927);

6           Plaintiff Rural Remedies LLC’s Joinder to Motions to Retax and Settle Costs, filed  
7 August 12, 2022 (Doc ID# 2929);

8           Plaintiffs THC Nevada, LLC and Herbal Choice, Inc.’s Joinder to Motion to Relax and  
9 Settle Costs, filed August 12, 2022 (Doc ID# 2932);

10           Plaintiffs Clark Natural Medicinal Solutions LLC, Nye Natural Medicinal Solutions  
11 LLC, Clark NMSD LLC And Inyo Fine Cannabis Dispensary L.L.C.’s Omnibus Joinder and  
12 Supplement to Motions to Retax, filed August 12, 2022 (Doc ID# 2934). Each of the joining  
13 Plaintiffs are collectively the “Joinder Plaintiffs.”

14           4.       Costs must be allowed of course to the prevailing party against any adverse party  
15 against whom judgment is rendered. NRS 18.020. The term “prevailing party” is broadly  
16 construed, and encompasses any party to the ligation who achieves its intended benefit. Valley  
17 Elec. Ass’n v. Overfield, 121 Nev. 7, 10, 106 P.3d 1198, 1200 (2005); see also Las Vegas  
18 Metro. Police Dept. v. Blackjack Bonding, Inc., 131 Nev. 80, 343 P.3d 608 (2015).

19           5.       Under NRS 18.110(1), “[t]he party in whose favor judgment is rendered, and  
20 who   claims costs, must file with the clerk, and serve a copy upon the adverse party, within 5  
21 days after the entry of judgment...a memorandum of the items of the costs in the action or  
22 proceeding, which memorandum must be verified by the oath of the party, or the party’s  
23 attorney or agent, or by the clerk of the party’s attorney, stating that to the best of his or her  
24  
25  
26  
27  
28

1 knowledge and belief the items are correct, and that the costs have been necessarily incurred in  
2 the action or proceeding.”

3           6.       The allowable costs are set forth in NRS 18.005 to include:

4                   1. Clerks’ fees.

5                   2. Reporters’ fees for depositions, including a reporter’s fee for one copy of each  
6 deposition.  
7

8                   3. Jurors’ fees and expenses, together with reasonable compensation of an  
9 officer appointed to act in accordance with NRS 16.120.  
10

11                   4. Fees for witnesses at trial, pretrial hearings and deposing witnesses, unless the  
12 court finds that the witness was called at the instance of the prevailing party without reason or  
13 necessity.

14                   5. Reasonable fees of not more than five expert witnesses in an amount of not  
15 more than \$1,500 for each witness, unless the court allows a larger fee after determining that the  
16 circumstances surrounding the expert’s testimony were of such necessity as to require the larger  
17 fee.  
18

19                   6. Reasonable fees of necessary interpreters.

20                   7. The fee of any sheriff or licensed process server for the delivery or service of  
21 any summons or subpoena used in the action, unless the court determines that the service was  
22 not necessary.  
23

24                   8. Compensation for the official reporter or reporter pro tempore.

25                   9. Reasonable costs for any bond or undertaking required as part of the action.

26                   10. Fees of a court bailiff or deputy marshal who was required to work overtime.

27                   11. Reasonable costs for telecopies.  
28

1 12. Reasonable costs for photocopies.

2 13. Reasonable costs for long distance telephone calls.

3 14. Reasonable costs for postage.

4 15. Reasonable costs for travel and lodging incurred taking depositions and  
5 conducting discovery.

6 16. Fees charged pursuant to NRS 19.0335.

7 17. Any other reasonable and necessary expense incurred in connection with the  
8 action, including reasonable and necessary expenses for computerized services for legal  
9 research.  
10

11  
12 7. “Within 3 days after service of a copy of the memorandum, the adverse party  
13 may move the court, upon 2 days’ notice, to retax and settle the costs, notice of which motion  
14 shall be filed and served on the prevailing party claiming costs. Upon the hearing of the motion  
15 the court or judge shall settle the costs.” NRS 18.110(4).  
16

17 8. Deep Roots timely filed its verified Memorandum of Costs with supporting  
18 documentation. As set forth in the Memorandum of Costs, Deep Roots claimed that it incurred  
19 and sought recovery of taxable costs in the amount of \$44,250.67.  
20

21 9. Deep Roots is a prevailing party as against the TGIG Plaintiffs and the Joinder  
22 Plaintiffs. Deep Roots prevailed on all claims and defenses to retain its licenses, which the  
23 Plaintiffs variously sought to revoke or impair through their requested forms of relief and  
24 arguments. Deep Roots’ license was not lost or impaired by the litigation. Deep Roots prevailed  
25 on all issues against all Plaintiffs and this makes Deep Roots a prevailing party. See Golightly  
26 & Vannah, PLLC v. TJ Allen, LLC, 132 Nev. 416, 422, 373 P.3d 103, 107 (2016).  
27  
28

1           10.     The Court finds that the way in which Deep Roots was named as a defendant in  
2 this action, and the manner in which the various Plaintiffs' cases were consolidated and tried, do  
3 not preclude Deep Roots from being considered a prevailing party against any Plaintiff.  
4

5           11.     This was a special proceeding in which declaratory relief was sought in addition  
6 to other claims, and the value of the property, i.e., the licenses at stake and Plaintiffs' alleged  
7 damages and purported loss of market share exceeded \$2,500. See NRS 18.020.  
8

9           12.     Deep Roots' costs fall within NRS 18.005's allowable categories and are  
10 properly awardable under NRS 18.020.  
11

12           13.     The TGIG Plaintiffs challenged Deep Roots' Memorandum of Costs only on the  
13 basis that Deep Roots was not a prevailing party and that costs should not be awarded for  
14 petitions for judicial review. See Motion, and Joinders. As set forth above, Deep Roots is a  
15 prevailing party. Further, its Memorandum of Costs does not seek costs solely relating to  
16 judicial review proceedings.  
17

18           14.     The TGIG Plaintiffs did not challenge Deep Roots' Memorandum of Costs on  
19 the basis that any costs were unreasonable, unnecessary, incorrect, not actually incurred, or  
20 otherwise unsupported. The Motion and Joinders did not set forth arguments or points and  
21 authorities challenging Deep Roots' Memorandum of Costs and did not claim or set forth any  
22 itemization that any cost categories, either specifically or generally, were unreasonable,  
23 unnecessary, or should not be awarded. As such, as to the nature, amount, and reasonableness  
24 of the costs Deep Roots seeks, the TGIG Plaintiffs did not oppose such costs and waived any  
25 right to challenge or contest the individual amount of costs set forth in Deep Roots'  
26 Memorandum of Costs. In addition, the Court finds that the costs set forth in Deep Roots'  
27  
28

Memorandum of Costs were and are reasonable, necessary, justifiable, actually incurred, and are supported by a declaration of counsel and documentation.

15. Notwithstanding the above and foregoing, as to the issue of the date from which a prevailing party may recover costs, the Court finds and determines that costs should be awarded only from the date of the filing of the answer by the party seeking costs.

16. Deep Roots Answered Plaintiffs' Second Amended Complaint and became a party for the purposes of recovering costs on February 12, 2020.

17. Deep Roots' Memorandum of Costs evidences that a total of \$11,125.38 in costs sought to be recovered by Deep Roots were incurred prior to February 12, 2020 and should be disallowed.

18. Thus, Deep Roots request for costs in the amount of \$44,250.67 must be reduced by the amount of \$11,125.38 which are costs incurred prior to February 12, 2020.

Based on the above findings,

IT IS HEREBY ORDERED that the TGIG Plaintiffs' Motion be, and hereby is, denied, in part, and granted, in part, and that Deep Roots be awarded costs of \$33,125.29 against the TGIG Plaintiffs, and each of them;

IT IS FURTHER ORDERED that the Joinder Plaintiffs' Joinders be, and hereby are, denied and that Deep Roots is awarded costs against each Joinder Plaintiff from the date of Deep Roots' filing of any answer to such Joinder Plaintiff's complaint;

//

//

//

//

1 IT IS FURTHER ORDERED that Deep Roots is entitled to an award of any allowable  
2 interest on the amount of costs, which interest shall accrue until costs are paid in full.  
3

4 IT IS SO ORDERED.

Dated this 15th day of February, 2023

**ORDER DENYING IN PART AND GRANTING IN PART THE TGIG PLAINTIFFS'  
MOTION TO RETAX AND SETTLE COSTS, AND AWARDING COSTS TO DEEP  
ROOTS HARVEST, INC.**

1. On August 8, 2022, Deep Roots Harvest, Inc. ("Deep Roots") filed its Verified Memorandum of Costs with supporting documentation (Doc ID# 2868).

2. The Motion to Retax and Settle Costs (re: Memorandum of Costs of Deep Roots filed on August 8, 2022) of Plaintiffs TGIG, LLC, Nevada Holistic Medicine, LLC, GBS Nevada Partners, Fidelis Holdings, LLC, Gravitas Nevada, Nevada Pure, LLC, Medifarm, LLC, and Medifarm IV, LLC (the "TGIG Plaintiffs"), was filed August 11, 2022 (Doc ID# 2918) (the "Motion").

1           3.       Several Plaintiffs filed joinders to the TGIG Plaintiffs’ Motion (collectively the  
2 “Joinders”), as follows:

3           Plaintiff’s Green Leaf Farms Holdings LLC, Green Therapeutics LLC, NevCann LLC  
4 and Red Earth LLC’s Joinder to Motions to Retax and Settle Costs, filed August 11, 2022 (Doc  
5 ID# 2927);

6           Plaintiff Rural Remedies LLC’s Joinder to Motions to Retax and Settle Costs, filed  
7 August 12, 2022 (Doc ID# 2929);

8           Plaintiffs THC Nevada, LLC and Herbal Choice, Inc.’s Joinder to Motion to Relax and  
9 Settle Costs, filed August 12, 2022 (Doc ID# 2932);

10           Plaintiffs Clark Natural Medicinal Solutions LLC, Nye Natural Medicinal Solutions  
11 LLC, Clark NMSD LLC And Inyo Fine Cannabis Dispensary L.L.C.’s Omnibus Joinder and  
12 Supplement to Motions to Retax, filed August 12, 2022 (Doc ID# 2934). Each of the joining  
13 Plaintiffs are collectively the “Joinder Plaintiffs.”

14           4.       Costs must be allowed of course to the prevailing party against any adverse party  
15 against whom judgment is rendered. NRS 18.020. The term “prevailing party” is broadly  
16 construed, and encompasses any party to the ligation who achieves its intended benefit. Valley  
17 Elec. Ass’n v. Overfield, 121 Nev. 7, 10, 106 P.3d 1198, 1200 (2005); see also Las Vegas  
18 Metro. Police Dept. v. Blackjack Bonding, Inc., 131 Nev. 80, 343 P.3d 608 (2015).

19           5.       Under NRS 18.110(1), “[t]he party in whose favor judgment is rendered, and  
20 who claims costs, must file with the clerk, and serve a copy upon the adverse party, within 5  
21 days after the entry of judgment...a memorandum of the items of the costs in the action or  
22 proceeding, which memorandum must be verified by the oath of the party, or the party’s  
23 attorney or agent, or by the clerk of the party’s attorney, stating that to the best of his or her  
24  
25  
26  
27  
28

1 knowledge and belief the items are correct, and that the costs have been necessarily incurred in  
2 the action or proceeding.”

3           6.       The allowable costs are set forth in NRS 18.005 to include:

4                   1. Clerks’ fees.

5                   2. Reporters’ fees for depositions, including a reporter’s fee for one copy of each  
6 deposition.  
7

8                   3. Jurors’ fees and expenses, together with reasonable compensation of an  
9 officer appointed to act in accordance with NRS 16.120.  
10

11                   4. Fees for witnesses at trial, pretrial hearings and deposing witnesses, unless the  
12 court finds that the witness was called at the instance of the prevailing party without reason or  
13 necessity.

14                   5. Reasonable fees of not more than five expert witnesses in an amount of not  
15 more than \$1,500 for each witness, unless the court allows a larger fee after determining that the  
16 circumstances surrounding the expert’s testimony were of such necessity as to require the larger  
17 fee.  
18

19                   6. Reasonable fees of necessary interpreters.

20                   7. The fee of any sheriff or licensed process server for the delivery or service of  
21 any summons or subpoena used in the action, unless the court determines that the service was  
22 not necessary.  
23

24                   8. Compensation for the official reporter or reporter pro tempore.

25                   9. Reasonable costs for any bond or undertaking required as part of the action.

26                   10. Fees of a court bailiff or deputy marshal who was required to work overtime.

27                   11. Reasonable costs for telecopies.  
28

1           12. Reasonable costs for photocopies.

2           13. Reasonable costs for long distance telephone calls.

3           14. Reasonable costs for postage.

4           15. Reasonable costs for travel and lodging incurred taking depositions and  
5 conducting discovery.

6           16. Fees charged pursuant to NRS 19.0335.

7           17. Any other reasonable and necessary expense incurred in connection with the  
8 action, including reasonable and necessary expenses for computerized services for legal  
9 research.  
10

11  
12           7.       “Within 3 days after service of a copy of the memorandum, the adverse party  
13 may move the court, upon 2 days’ notice, to retax and settle the costs, notice of which motion  
14 shall be filed and served on the prevailing party claiming costs. Upon the hearing of the motion  
15 the court or judge shall settle the costs.” NRS 18.110(4).  
16

17           8.       Deep Roots timely filed its verified Memorandum of Costs with supporting  
18 documentation. As set forth in the Memorandum of Costs, Deep Roots claimed that it incurred  
19 and sought recovery of taxable costs in the amount of \$44,250.67.  
20

21           9.       Deep Roots is a prevailing party as against the TGIG Plaintiffs and the Joinder  
22 Plaintiffs. Deep Roots prevailed on all claims and defenses to retain its licenses, which the  
23 Plaintiffs variously sought to revoke or impair through their requested forms of relief and  
24 arguments. Deep Roots’ license was not lost or impaired by the litigation. Deep Roots prevailed  
25 on all issues against all Plaintiffs and this makes Deep Roots a prevailing party. See Golightly  
26 & Vannah, PLLC v. TJ Allen, LLC, 132 Nev. 416, 422, 373 P.3d 103, 107 (2016).  
27  
28

1           10.     The Court finds that the way in which Deep Roots was named as a defendant in  
2 this action, and the manner in which the various Plaintiffs' cases were consolidated and tried, do  
3 not preclude Deep Roots from being considered a prevailing party against any Plaintiff.  
4

5           11.     This was a special proceeding in which declaratory relief was sought in addition  
6 to other claims, and the value of the property, i.e., the licenses at stake and Plaintiffs' alleged  
7 damages and purported loss of market share exceeded \$2,500. See NRS 18.020.  
8

9           12.     Deep Roots' costs fall within NRS 18.005's allowable categories and are  
10 properly awardable under NRS 18.020.  
11

12           13.     The TGIG Plaintiffs challenged Deep Roots' Memorandum of Costs only on the  
13 basis that Deep Roots was not a prevailing party and that costs should not be awarded for  
14 petitions for judicial review. See Motion, and Joinders. As set forth above, Deep Roots is a  
15 prevailing party. Further, its Memorandum of Costs does not seek costs solely relating to  
16 judicial review proceedings.  
17

18           14.     The TGIG Plaintiffs did not challenge Deep Roots' Memorandum of Costs on  
19 the basis that any costs were unreasonable, unnecessary, incorrect, not actually incurred, or  
20 otherwise unsupported. The Motion and Joinders did not set forth arguments or points and  
21 authorities challenging Deep Roots' Memorandum of Costs and did not claim or set forth any  
22 itemization that any cost categories, either specifically or generally, were unreasonable,  
23 unnecessary, or should not be awarded. As such, as to the nature, amount, and reasonableness  
24 of the costs Deep Roots seeks, the TGIG Plaintiffs did not oppose such costs and waived any  
25 right to challenge or contest the individual amount of costs set forth in Deep Roots'  
26 Memorandum of Costs. In addition, the Court finds that the costs set forth in Deep Roots'  
27  
28

Memorandum of Costs were and are reasonable, necessary, justifiable, actually incurred, and are supported by a declaration of counsel and documentation.

15. Notwithstanding the above and foregoing, as to the issue of the date from which a prevailing party may recover costs, the Court finds and determines that costs should be awarded only from the date of the filing of the answer by the party seeking costs.

16. Deep Roots Answered Plaintiffs' Second Amended Complaint and became a party for the purposes of recovering costs on February 12, 2020.

17. Deep Roots' Memorandum of Costs evidences that a total of \$11,125.38 in costs sought to be recovered by Deep Roots were incurred prior to February 12, 2020 and should be disallowed.

18. Thus, Deep Roots request for costs in the amount of \$44,250.67 must be reduced by the amount of \$11,125.38 which are costs incurred prior to February 12, 2020.

Based on the above findings,

IT IS HEREBY ORDERED that the TGIG Plaintiffs' Motion be, and hereby is, denied, in part, and granted, in part, and that Deep Roots be awarded costs of \$33,125.29 against the TGIG Plaintiffs, and each of them;

IT IS FURTHER ORDERED that the Joinder Plaintiffs' Joinders be, and hereby are, denied and that Deep Roots is awarded costs against each Joinder Plaintiff from the date of Deep Roots' filing of any answer to such Joinder Plaintiff's complaint;

//

//

//

//

1 IT IS FURTHER ORDERED that Deep Roots is entitled to an award of any allowable  
2 interest on the amount of costs, which interest shall accrue until costs are paid in full.  
3

4 IT IS SO ORDERED.

Dated this 15th day of February, 2023

**ORDER DENYING IN PART MOTIONS  
TO RETAX AND SETTLE THE ESSENCE  
ENTITIES' COSTS AND THE JOINDERS  
AND SUPPLEMENTS THERETO**

Hearing Date: September 16, 2022  
Hearing Time: 9:00 a.m.

On September 16, 2022, the Court held a hearing on motions to retax and settle the costs of Integral Associates LLC d/b/a Essence Cannabis Dispensaries, Essence Tropicana, LLC, and Essence Henderson, LLC (collectively the "Essence Entities"). Having reviewed and considered the papers and pleadings on file herein including all joinders and supplements thereto, heard the arguments of counsel with appearances noted on the record, heard the arguments of counsel on October 21, 2022, November 16, 2022, and December 19, 2022 and good cause appearing, the Court hereby finds and rules as follows:

1. On August 5, 2022, the Essence Entities filed their verified Memorandum of Costs and Appendix to their Memorandum of Costs with supporting documentation.

2. The various Plaintiffs filed motions to retax and settle costs with a number of joinders and/or supplements thereto. Among them are:

- a. Plaintiffs TGIG, LLC, Nevada Holistic Medicine, LLC, GBS Nevada Partners, Fidelis Holdings, LLC, Gravitas Nevada, Nevada Pure, LLC, Medifarm, LLC, Medifarm IV, LLC (hereinafter "TGIG" or "TGIG Plaintiffs") filed their Motion to Retax and Settle Costs on August 8, 2022.
- b. Plaintiffs MM Development Company, Inc. ("MM"), LiveFree Wellness, LLC ("LivFree"), Qualcan, LLC ("Qualcan"), and Natural Medicine, LLC filed their Motion to Retax and Settle Costs on August 8, 2022 (referring to themselves as "the Settling Plaintiff").
- c. Plaintiffs THC Nevada, LLC ("THC") and Herbal Choice, Inc. ("Herbal Choice") filed their Joinder to the TGIG Plaintiffs' and Settling Plaintiffs' Motion to Retax and Settle Costs on August 8, 2022. It added no new substantive arguments.
- d. Plaintiffs Clark Natural Medicine Solutions, LLC, Nye Natural Medicinal Solutions, LLC, Clark NMSD, LLC, and INYO Fine Cannabis Dispensary LLC filed their Joinder and Supplement on August 9, 2022. It added a "Supplemental Argument to Motions to Retax" section with new substantive arguments.
- e. Plaintiffs Green Leaf Farms Holdings, LLC, Green Therapeutics, LLC, NevCann LLC, and Read Earth LLC (collectively "Green Leaf Plaintiffs") filed their Joinder on August 9, 2022. It added no new substantive arguments.
- f. High Sierra Holistics, LLC ("High Sierra Holistics") filed separate Joinders and Supplements to the Settling Plaintiffs' Motion to Retax and Settle Costs and TGIG Plaintiffs' Motion to Retax and Settle Costs on August 9, 2022. The Supplemental portion to the Settling Plaintiffs' Motion added new arguments.
- g. Rural Remedies, LLC ("Rural Remedies, LLC") filed separate Joinders to the TGIG Plaintiffs' Motion to Retax and Settle Costs and the Settling Plaintiffs'

(MM and LivFree) Motion to Retax and Settle Costs on August 9, 2022. They added no new substantive arguments.

h. Natural Medicine, LLC ("Natural Medicine") filed its Joinder to the TGIG Plaintiffs' Motion to Retax and Settle Costs on August 10, 2022. It added new substantive arguments.

i. Nevada Wellness Center, LLC ("NWC") filed its Joinder and Supplement on August 10, 2022. It was seven pages long and added new substantive arguments. It was also accompanied by 47 pages of exhibits.

j. TGIG Plaintiffs filed their Joinder to the Settling Plaintiffs' Motion to Retax and Settle Costs on August 10, 2022. It added no new substantive arguments.

k. ETW Management Group, LLC, Global Harmony LLC, Just Quality, LLC, Libra Wellness Center, LLC, Rombough Real Estate Inc, and Zion Gardens LLC ("ETW Plaintiffs") filed their Joinder to the Settling Plaintiffs' Motion to Retax and Settle Costs on August 15, 2022. It added no new substantive arguments.

3. "Costs must be allowed of course to the prevailing party against any adverse party against whom judgment is rendered. NRS 18.020. The term "prevailing party" is broadly construed, and encompasses any party to the litigation who achieves its intended benefit. *Valley Elec. Ass'n v. Overfield*, 121 Nev. 7, 10, 106 P.3d 1198, 1200 (2005); *see also Las Vegas Metro. Police Dept. v. Blackjack Bonding, Inc.*, 131 Nev. 80, 343 P.3d 608 (2015).

4. An Order Granting Plaintiffs Leave to File Amended Complaints was entered on December 31, 2019.

5. The Court concludes that the Essence Entities became a "party" for the purposes of prevailing party costs when the Essence Entities answered each of the respective Plaintiff's amended complaints.

6. The Court concludes that High Sierra Holistics, LLC did not file an amended Complaint against the Essence Entities and therefore never became a “party” against High Sierra Holistics, LLC for purposes of prevailing party costs.

7. Under NRS 18.110(1), “[t]he party in whose favor judgment is rendered, and who claims costs, must file with the clerk, and serve a copy upon the adverse party, within 5 days after the entry of judgment...a memorandum of the items of the costs in the action or proceeding, which memorandum must be verified by the oath of the party, or the party’s attorney or agent, or by the clerk of the party’s attorney, stating that to the best of his or her knowledge and belief the items are correct, and that the costs have been necessarily incurred in the action or proceeding.”

8. The allowable costs are set forth in NRS 18.005 to include:

1. Clerks’ fees.
2. Reporters’ fees for depositions, including a reporter’s fee for one copy of each deposition.
3. Jurors’ fees and expenses, together with reasonable compensation of an officer appointed to act in accordance with [NRS 16.120](#).
4. Fees for witnesses at trial, pretrial hearings and deposing witnesses, unless the court finds that the witness was called at the instance of the prevailing party without reason or necessity.
5. Reasonable fees of not more than five expert witnesses in an amount of not more than \$1,500 for each witness, unless the court allows a larger fee after determining that the circumstances surrounding the expert’s testimony were of such necessity as to require the larger fee.
6. Reasonable fees of necessary interpreters.
7. The fee of any sheriff or licensed process server for the delivery or service of any summons or subpoena used in the action, unless the court determines that the service was not necessary.
8. Compensation for the official reporter or reporter pro tempore.
9. Reasonable costs for any bond or undertaking required as part of the action.
10. Fees of a court bailiff or deputy marshal who was required to work overtime.
11. Reasonable costs for telecopies.
12. Reasonable costs for photocopies.
13. Reasonable costs for long distance telephone calls.
14. Reasonable costs for postage.
15. Reasonable costs for travel and lodging incurred taking depositions and conducting discovery.
16. Fees charged pursuant to [NRS 19.0335](#).

1           17. Any other reasonable and necessary expense incurred in connection with  
2           the action, including reasonable and necessary expenses for computerized services  
3           for legal research.

4           9. “Within 3 days after service of a copy of the memorandum, the adverse party may  
5           move the court, upon 2 days’ notice, to retax and settle the costs, notice of which motion shall be  
6           filed and served on the prevailing party claiming costs. Upon the hearing of the motion the court  
7           or judge shall settle the costs.” NRS 18.110(4).

8           10. The Essence Entities timely filed their verified Memorandum of Costs and  
9           supporting Appendix. As set forth in the Memorandum of Costs, the Essence Entities sought  
10          recovery of \$181,033.95 in costs and disbursements.

11          11. The Essence Entities are the prevailing parties as against all the Plaintiffs, except  
12          High Sierra Holistics, LLC, (settling, non-settling, or otherwise). The Essence Entities prevailed  
13          on all claims and defenses to retain their licenses, which the Plaintiffs variously sought to revoke  
14          or impair through their requested forms of relief and arguments. The Essence Entities did not lose  
15          any of their licenses and they were not affected by the Court’s injunction against the so-called  
16          Five-Percent Rule. The Essence Entities’ licenses were not lost or impaired by the litigation. The  
17          Essence Entities prevailed on all issues against the Plaintiffs that filed Amended Complaints  
18          against the Essence Entities and this makes the Essence Entities prevailing parties against those  
19          Plaintiffs. *See Golightly & Vannah, PLLC v. TJ Allen, LLC*, 132 Nev. 416, 422, 373 P.3d 103,  
20          107 (2016).

21          12. This was a special proceeding in which declaratory relief was sought and the value  
22          of the property *i.e.* the licenses at stake and the Plaintiffs’ alleged damages and market share  
23          purportedly exceeded \$2,500. *See* NRS 18.020.

24          13. The Court finds that the Essence Entities’ claimed costs of \$181,033.95 fall within  
25          NRS 18.005’s allowable categories and are reasonable, necessary, correct, and actually incurred  
26          in all possible respects. *See Cadle Co. v. Woods & Erickson, LLP*, 131 Nev. 114, 120, 345 P.3d  
27          1049, 1054 (2015); *see also Matter of DISH Network Derivative Litig.*, 133 Nev. 438, 401 P.3d  
28          1081 (2017).

1           14.     The Essence Entities' documentation and verification of counsel is sufficient to  
2 support, justify, and show that the costs were reasonable, necessary, correct, and actually incurred  
3 in this action. *See Bobby Berosini, Ltd. v. People for the Ethical Treatment of Animals*, 114 Nev.  
4 1348, 1352, 971 P.2d 383, 386 (1998).

5           15.     With the exception of the Settling Plaintiffs' Motion to Retax and Settle Costs  
6 (filed by Mr. Rulis) and the corresponding joinders, the other moving parties did not articulate  
7 under the case law any costs, either specific or general categories, of the Essence Entities' claimed  
8 costs that were unreasonable or otherwise should not be awarded. Rather, the other movants  
9 primarily rested on their arguments about prevailing party status and did not make any specific  
10 itemization or challenge to any specific categories that were provided in the memorandum of  
11 costs submitted by the Essence Entities. The Court cannot create a breakdown for the parties,  
12 and except as noted nobody established by the case law that they would have been entitled to a  
13 "carve out" or specific reduction. Thus, all other Plaintiffs have waived or forfeited any right to  
14 contest the individual or global amount of the Essence Entities' costs.

15           16.     With the exception noted below related to the Settling Plaintiffs, all discovery and  
16 costs that the Essence Entities bore related to both Phases 1 and 2 of the trial are reasonable,  
17 necessarily incurred, and recoverable because the Court, at the Plaintiffs' urging, permitted  
18 discovery to proceed simultaneously related to both Phases and did not bifurcate the proceeding.  
19 The Court allowed extensive discovery even related to the judicial review phase.

20           17.     The Court has considered all the arguments and contentions of all movants and even  
21 those positions contained in joinders or supplements filed after the statutory deadline to file a  
22 motion to retax. The Court finds that a joinder can be taken into consideration under EDCR 2.20(d)  
23 even if it is beyond the NRS 18.110(4) deadline. Even so, if the parties did not timely file a joinder  
24 under the local Eighth Judicial District Court Rules, then they are not entitled to any part or benefit  
25 of the joinder rule.

26           18.     The Essence Entities are entitled to all their costs against the non-settling Plaintiffs  
27 because the non-settling Plaintiffs have not recovered anything against the Essence Entities and  
28 there is no basis to reduce the costs based on the settlement of other parties.

IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED:

2. Jim,

We can't agree to these edits. This order only addresses the initial ruling on Essence, not the subsequent hearings involving the unique circumstances of the other defendants. Additionally, the Court never ruled that Essence was not an adverse party to High Sierra Holistics. The opposite is true. See the attached order.

Accordingly, we will be submitting our competing order today.

Mark,

I circulated the proposed orders to all parties two weeks ago but heard no responses. See attached.

That said, we do not believe your proposed edits are supported by the record, the briefing, or the parties' arguments at the hearing. We intend to submit the attached as a competing order and will note that you may submit your own.

Thanks,

CAUTION: This message is from an EXTERNAL SENDER.

I have not seen any markup from other parties and reserve the right to edit/change the attached. That said, I have marked the version from Jordan to show suggested revisions that I can live with. As you will see, I disagree with a couple

of provisions included by Jordan as I don't think they are supported by the record. I am a reasonable person and am open to some dialogue if you think I am wrong.

As an example of a disagreement with Jordan, I do not believe the Court authorized discovery in Phase 1 and think the Court was quite clear that the only admissible evidence in Phase 1 was the certified administrative record and refused to permit me to introduce any evidence adduced during discovery for Phase 2.

Further, I think the other plaintiffs who apparently were not copied on the proposed Order should weigh in. I don't speak for them.

Best Regards,

**Subject:** In Re DOT - Order Denying Motions to Retax Essence Entities' Costs

**[External Message]**

---

Mark and Nate & Co.,

I've attached a draft order denying the motions to retax the Essence Entities' costs. I'm also e-serving a copy to all parties to allow them to chime in, if they want.

I know there are additional wrinkles for Nate's settling plaintiff group with the supplemental briefing, but this draft mirrors the September 16, 2022 transcript and briefs pretty closely.

Please let me know if you have any edits or comments. Ideally, I'd like to submit this to the Court before Monday's status check.

Call/email me with any questions or issues.

ETW Management Group, LLC, Global Harmony LLC, Just Quality, LLC, Libra Wellness Center, LLC, Rombough Real Estate Inc, and Zion Gardens LLC ("ETW Plaintiffs") filed their Joinder to the Settling Plaintiffs' Motion to Retax and Settle Costs on August 15, 2022. It added no new substantive arguments.

3. "Costs must be allowed of course to the prevailing party against any adverse party against whom judgment is rendered. NRS 18.020. The term "prevailing party" is broadly construed, and encompasses any party to the ligation who achieves its intended benefit. *Valley Elec. Ass'n v. Overfield*, 121 Nev. 7, 10, 106 P.3d 1198, 1200 (2005); *see also Las Vegas Metro. Police Dept. v. Blackjack Bonding, Inc.*, 131 Nev. 80, 343 P.3d 608 (2015).

4. An Order Granting Plaintiffs Leave to File Amended Complaints was entered on December 31, 2019.

5. The Court concludes that the Essence Entities became a "party" for the purposes of prevailing party costs when the Essence Entities answered each of the respective Plaintiff's amended complaints.

6. The Court concludes that High Sierra Holistics, LLC did not file an amended Complaint against the Essence Entities and therefore never became a “party” against High Sierra Holistics, LLC for purposes of prevailing party costs.

7. Under NRS 18.110(1), “[t]he party in whose favor judgment is rendered, and who claims costs, must file with the clerk, and serve a copy upon the adverse party, within 5 days after the entry of judgment...a memorandum of the items of the costs in the action or proceeding, which memorandum must be verified by the oath of the party, or the party’s attorney or agent, or by the clerk of the party’s attorney, stating that to the best of his or her knowledge and belief the items are correct, and that the costs have been necessarily incurred in the action or proceeding.”

8. The allowable costs are set forth in NRS 18.005 to include:

1. Clerks’ fees.
2. Reporters’ fees for depositions, including a reporter’s fee for one copy of each deposition.
3. Jurors’ fees and expenses, together with reasonable compensation of an officer appointed to act in accordance with NRS 16.120.
4. Fees for witnesses at trial, pretrial hearings and deposing witnesses, unless the court finds that the witness was called at the instance of the prevailing party without reason or necessity.
5. Reasonable fees of not more than five expert witnesses in an amount of not more than \$1,500 for each witness, unless the court allows a larger fee after determining that the circumstances surrounding the expert’s testimony were of such necessity as to require the larger fee.
6. Reasonable fees of necessary interpreters.
7. The fee of any sheriff or licensed process server for the delivery or service of any summons or subpoena used in the action, unless the court determines that the service was not necessary.
8. Compensation for the official reporter or reporter pro tempore.
9. Reasonable costs for any bond or undertaking required as part of the action.
10. Fees of a court bailiff or deputy marshal who was required to work overtime.
11. Reasonable costs for telecopies.
12. Reasonable costs for photocopies.
13. Reasonable costs for long distance telephone calls.
14. Reasonable costs for postage.
15. Reasonable costs for travel and lodging incurred taking depositions and conducting discovery.
16. Fees charged pursuant to NRS 19.0335.

1           17. Any other reasonable and necessary expense incurred in connection with  
2           the action, including reasonable and necessary expenses for computerized services  
3           for legal research.

4           9.       “Within 3 days after service of a copy of the memorandum, the adverse party may  
5           move the court, upon 2 days’ notice, to retax and settle the costs, notice of which motion shall be  
6           filed and served on the prevailing party claiming costs. Upon the hearing of the motion the court  
7           or judge shall settle the costs.” NRS 18.110(4).

8           10.     The Essence Entities timely filed their verified Memorandum of Costs and  
9           supporting Appendix. As set forth in the Memorandum of Costs, the Essence Entities sought  
10          recovery of \$181,033.95 in costs and disbursements.

11          11.     The Essence Entities are the prevailing parties as against all the Plaintiffs, except  
12          High Sierra Holistics, LLC, (settling, non-settling, or otherwise). The Essence Entities prevailed  
13          on all claims and defenses to retain their licenses, which the Plaintiffs variously sought to revoke  
14          or impair through their requested forms of relief and arguments. The Essence Entities did not lose  
15          any of their licenses and they were not affected by the Court’s injunction against the so-called  
16          Five-Percent Rule. The Essence Entities’ licenses were not lost or impaired by the litigation. The  
17          Essence Entities prevailed on all issues against the Plaintiffs that filed Amended Complaints  
18          against the Essence Entities and this makes the Essence Entities prevailing parties against those  
19          Plaintiffs. *See Golightly & Vannah, PLLC v. TJ Allen, LLC*, 132 Nev. 416, 422, 373 P.3d 103,  
20          107 (2016).

21          12.     This was a special proceeding in which declaratory relief was sought and the value  
22          of the property *i.e.* the licenses at stake and the Plaintiffs’ alleged damages and market share  
23          purportedly exceeded \$2,500. *See* NRS 18.020.

24          13.     The Court finds that the Essence Entities’ claimed costs of \$181,033.95 fall within  
25          NRS 18.005’s allowable categories and are reasonable, necessary, correct, and actually incurred  
26          in all possible respects. *See Cadle Co. v. Woods & Erickson, LLP*, 131 Nev. 114, 120, 345 P.3d  
27          1049, 1054 (2015); *see also Matter of DISH Network Derivative Litig.*, 133 Nev. 438, 401 P.3d  
28          1081 (2017).

1           14.     The Essence Entities' documentation and verification of counsel is sufficient to  
2 support, justify, and show that the costs were reasonable, necessary, correct, and actually incurred  
3 in this action. *See Bobby Berosini, Ltd. v. People for the Ethical Treatment of Animals*, 114 Nev.  
4 1348, 1352, 971 P.2d 383, 386 (1998).

5           15.     With the exception of the Settling Plaintiffs' Motion to Retax and Settle Costs  
6 (filed by Mr. Rulis) and the corresponding joinders, the other moving parties did not articulate  
7 under the case law any costs, either specific or general categories, of the Essence Entities' claimed  
8 costs that were unreasonable or otherwise should not be awarded. Rather, the other movants  
9 primarily rested on their arguments about prevailing party status and did not make any specific  
10 itemization or challenge to any specific categories that were provided in the memorandum of  
11 costs submitted by the Essence Entities. The Court cannot create a breakdown for the parties,  
12 and except as noted nobody established by the case law that they would have been entitled to a  
13 "carve out" or specific reduction. Thus, all other Plaintiffs have waived or forfeited any right to  
14 contest the individual or global amount of the Essence Entities' costs.

15           16.     With the exception noted below related to the Settling Plaintiffs, all discovery and  
16 costs that the Essence Entities bore related to both Phases 1 and 2 of the trial are reasonable,  
17 necessarily incurred, and recoverable because the Court, at the Plaintiffs' urging, permitted  
18 discovery to proceed simultaneously related to both Phases and did not bifurcate the proceeding.  
19 The Court allowed extensive discovery even related to the judicial review phase.

20           17.     The Court has considered all the arguments and contentions of all movants and even  
21 those positions contained in joinders or supplements filed after the statutory deadline to file a  
22 motion to retax. The Court finds that a joinder can be taken into consideration under EDCR 2.20(d)  
23 even if it is beyond the NRS 18.110(4) deadline. Even so, if the parties did not timely file a joinder  
24 under the local Eighth Judicial District Court Rules, then they are not entitled to any part or benefit  
25 of the joinder rule.

26           18.     The Essence Entities are entitled to all their costs against the non-settling Plaintiffs  
27 because the non-settling Plaintiffs have not recovered anything against the Essence Entities and  
28 there is no basis to reduce the costs based on the settlement of other parties.

1. Subject to the supplemental briefing referred to in Paragraph 17, *supra*, all Motions to Retax and Settle the Essence Entities' costs, as well as all joinders and supplements thereto, are DENIED, except as to High Sierra Holistics, LLC. As the Essence Entities never became a "party" against High Sierra Holistics, LLC., the Essence Entities are not a prevailing party and are not awarded costs against High Shane Holistics, LLC.

The Essence Entities are entitled to all allowable statutory interest on the amount of costs awarded until fully satisfied.

Jim,

We can't agree to these edits. This order only addresses the initial ruling on Essence, not the subsequent hearings involving the unique circumstances of the other defendants. Additionally, the Court never ruled that Essence was not an adverse party to High Sierra Holistics. The opposite is true. See the attached order.

Accordingly, we will be submitting our competing order today.

Mark,

I circulated the proposed orders to all parties two weeks ago but heard no responses. See attached.

That said, we do not believe your proposed edits are supported by the record, the briefing, or the parties' arguments at the hearing. We intend to submit the attached as a competing order and will note that you may submit your own.

**CAUTION:** This message is from an EXTERNAL SENDER.

I have not seen any markup from other parties and reserve the right to edit/change the attached. That said, I have marked the version from Jordan to show suggested revisions that I can live with. As you will see, I disagree with a couple

of provisions included by Jordan as I don't think they are supported by the record. I am a reasonable person and am open to some dialogue if you think I am wrong.

As an example of a disagreement with Jordan, I do not believe the Court authorized discovery in Phase 1 and think the Court was quite clear that the only admissible evidence in Phase 1 was the certified administrative record and refused to permit me to introduce any evidence adduced during discovery for Phase 2.

Further, I think the other plaintiffs who apparently were not copied on the proposed Order should weigh in. I don't speak for them.

Best Regards,

Mark and Nate & Co.,

I've attached a draft order denying the motions to retax the Essence Entities' costs. I'm also e-serving a copy to all parties to allow them to chime in, if they want.

I know there are additional wrinkles for Nate's settling plaintiff group with the supplemental briefing, but this draft mirrors the September 16, 2022 transcript and briefs pretty closely.

Please let me know if you have any edits or comments. Ideally, I'd like to submit this to the Court before Monday's status check.

Call/email me with any questions or issues.
