O R D E R

The parties have filed a stipulation informing this court that they have reached a settlement and will file a stipulation to dismiss this appeal within 30 days. The parties ask that this court stay the briefing schedule to preserve judicial resources.

The stipulation is not properly signed by counsel for appellants. See NEFCR 11(c). Accordingly, it is treated as a motion and granted to the following extent. The parties shall have 30 days from the date of this order to file and serve a stipulation or motion to dismiss this appeal. If no motion or stipulation to dismiss is timely filed, the answering brief must be filed within the same time period. Failure to timely comply with this order may

result in the imposition of sanctions, including the disposition of this appeal without an answering brief. NRAP 31(d).

It is so ORDERED.
