EXHIBIT "B"
NEVADA RULES OF CIVIL PROCEDURE

Rule 45

(c) *Protection of persons subject to subpoena.*

(1) A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

(2) (A) A person commanded to produce and permit inspection and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

(B) Subject to paragraph (d)(2) of this rule, a person commanded to produce and permit inspection and copying may, within 14 days after service of the subpoena or before the time specified for compliance if such time is less than 14 days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

(3) (A) On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it

(i) fails to allow reasonable time for compliance; -

(ii) requires a person who is not a party or an officer of a party to travel to a place more than 100 miles from the place where that person resides, is employed or regularly transacts business in person, except that such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held, or

(iii) requires disclosure of privileged or other protected matter and no exception or waiver applies, or

(iv) subjects a person to undue burden.

(B) If a subpoena

(i) requires disclosure of a trade secret or other confidential research, development, or commercial information, or

(ii) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party,

the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

(d) *Duties in responding to subpoena.*

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

Shawn, attached please find subscription documents and a draft OPAG. I did not have Ben's last name nor the address of the office for GVC. Please review. I had to do a lot of work to make this OPAG work. In the future I would like to show you my OPAGS, but I crammed the square peg into this one. I added an entire set of tax provisions and indemnification provisions to protect you.

Do you want to consider adding a provision for binding arbitration of any disputes among Members? That would keep any dispute private and out of the court system. Take a look, call me over the weekend so we can finalize this.

ARTICLE XI
INDEMNIFICATION AND INSURANCE

Section 1. Indemnification: Proceeding Other than by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the Company, by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder, director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and that, with respect to any criminal action or proceeding, he or she had reasonable cause to believe that his or her conduct was unlawful.

Section 2. Indemnification: Proceeding by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder, director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by him or her in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the Company or for amounts paid in settlement to the Company, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all

the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Section 3. Mandatory Indemnification. To the extent that a Manager, Member, officer, employee or agent of the Company has been successful on the merits or otherwise in defense of any action, suit or proceeding described in Article XI, Sections 1 and 2, or in defense of any claim, issue or matter therein, he or she must be indemnified by the Company against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense.

Section 4. Authorization of Indemnification. Any indemnification under Article XI, Sections 1 and 2, unless ordered by a court or advanced pursuant to Section 14.5, may be made by the Company only as authorized in the specific case upon a determination that indemnification of the Manager, Member, officer, employee or agent is proper in the circumstances. The determination must be made by a majority of the Members if the person seeking indemnity is not a majority owner of the Member Interests or by independent legal counsel selected by the Manager in a written opinion.

Section 5. Mandatory Advancement of Expenses. The expenses of Managers, Members and officers incurred in defending a civil or criminal action, suit or proceeding must be paid by the Company as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the Manager, Member or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he or she is not entitled to be indemnified by the Company. The provisions of this Section 5 do not affect any rights to advancement of expenses to which personnel of the Company other than Managers, Members or officers may be entitled under any contract or otherwise.

Section 6. Effect and Continuation. The indemnification and advancement of expenses authorized in or ordered by a court pursuant to Article XI, Sections 1 – 5, inclusive:

**TAX PROVISIONS
EXHIBIT A**

1.1 Capital Accounts.

- 1.1.2 A single Capital Account shall be maintained for each Member (regardless of the class of Interests owned by such Member and regardless of the time or manner in which such Interests were acquired) in accordance with the capital accounting rules of Section 704(b) of the Code, and the regulations thereunder (including without limitation Section 1.704-1(b)(2)(iv) of the Income Tax Regulations). In general, under such rules, a Member's Capital Account shall be:
- (A) increased by (i) the amount of money contributed by the Member to the Company (including the amount of any Company liabilities that are assumed by such Member other than in connection with distribution of Company property), (ii) the fair market value of property contributed by the Member to the Company (net of liabilities secured by such contributed property that under Section 752 of the Code the Company is considered to assume or take subject to), and (iii) allocations to the Member of Company income and gain (or item thereof), including income and gain exempt from tax; and
 - (B) decreased by (i) the amount of money distributed to the Member by the Company (including the amount of such Member's individual liabilities that are assumed by the Company other than in connection with contribution of property to the Company), (ii) the fair market value of property distributed to the Member by the Company (net of liabilities secured by such distributed property that under Section 752 of the Code such Member is considered to assume or take subject to), (iii) allocations to the Member of expenditures of the Company not deductible in computing its taxable income and not properly chargeable to capital account, and (iv) allocations to the Member of Company loss and deduction (or item thereof).
- 1.1.3 Where Section 704(c) of the Code applies to Company property or where Company property is revalued pursuant to paragraph (b)(2)(iv)(t) of Section 1.704-1 of the Income Tax Regulations, each Member's Capital Account shall be adjusted in accordance with paragraph (b)(2)(iv)(g) of Section 1.704-1 of the Income Tax Regulations as to allocations to the Members of depreciation, depletion, amortization and gain or loss, as computed for book purposes with respect to such property.
- 1.1.4 When Company property is distributed in kind (whether in connection with liquidation and dissolution or otherwise), the Capital Accounts of the Members shall first be adjusted to reflect the manner in which the unrealized income, gain, loss and deduction inherent in such property (that has not been reflected in the Capital Account previously) would be allocated among the Members if there were a taxable disposition of such property for the fair market value of such property (taking into account Section 7701 {g) of the Code) on the date of distribution.

- 1.1.5 The Members shall direct the Company's accountants to make all necessary adjustments in each Member's Capital Account as required by the capital accounting rules of Section 704(b) of the Code and the regulations thereunder.

ARTICLE 2

ALLOCATION OF PROFITS AND LOSSES; TAX AND ACCOUNTING MATTERS

Section 2.1 **Allocations.** Each Member's distributive share of income, gain, loss, deduction or credit (or items thereof) of the Company as shown on the annual federal income tax return prepared by the Company's accountants or as finally determined by the United States Internal Revenue Service or the courts, and as modified by the capital accounting rules of Section 704(b) of the Code and the Income Tax Regulations thereunder, as implemented by Section 8.5 hereof, as applicable, shall be determined as follows:

- 2.1.1 **Allocations.** Except as otherwise provided in this Section 1.1:
- (A) items of income, gain, loss, deduction or credit (or items thereof) shall be allocated among the members in proportion to their Percentage Interests as set forth in *Exhibit "B"*, subject to the Preferred Allocation schedule contained in *Exhibit "B"*, except that items of loss or deduction allocated to any Member pursuant to this Section 2.1 with respect to any taxable year shall not exceed the maximum amount of such items that can be so allocated without causing such Member to have a deficit balance in his or its Capital Account at the end of such year, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations. Any such items of loss or deduction in excess of the limitation set forth in the preceding sentence shall be allocated as follows and in the following order of priority:
- (1) first, to those Members who would not be subject to such limitation, in proportion to their Percentage Interests, subject to the Preferred Allocation schedule contained in *Exhibit "B"*; and
 - (2) second, any remaining amount to the Members in the manner required by the Code and Income Tax Regulations.

Subject to the provisions of subsections 2.1.2 – 2.1.11, inclusive, of this Agreement, the items specified in this Section 1.1 shall be allocated to the Members as necessary to eliminate any deficit Capital Account balances and thereafter to bring the relationship among the Members' positive Capital Account balances in accord with their pro rata interests.

- 2.1.2 **Allocations With Respect to Property** Solely for tax purposes, in determining each Member's allocable share of the taxable income or loss of the Company, depreciation, depletion, amortization and gain or loss with respect to any contributed property, or with respect to revalued property where the Company's property is

revalued pursuant to paragraph (b)(2)(iv)(f) of Section 1.704-1 of the Income Tax Regulations, shall be allocated to the Members in the manner (as to revaluations, in the same manner as) provided in Section 704(c) of the Code. The allocation shall take into account, to the full extent required or permitted by the Code, the difference between the adjusted basis of the property to the Member contributing it (or, with respect to property which has been revalued, the adjusted basis of the property to the Company) and the fair market value of the property determined by the Members at the time of its contribution or revaluation, as the case may be.

- 2.1.3 Minimum Gain Chargeback. Notwithstanding anything to the contrary in this Section 2.1, if there is a net decrease in Company Minimum Gain or Company Nonrecourse Debt Minimum Gain (as such terms are defined in Sections 1.704-2(b) and 1.704-2(i)(2) of the Income Tax Regulations, but substituting the term "Company" for the term "Partnership" as the context requires) during a Company taxable year, then each Member shall be allocated items of Company income and gain for such year (and, if necessary, for subsequent years) in the manner provided in Section 1.704-2 of the Income Tax Regulations. This provision is intended to be a "minimum gain chargeback" within the meaning of Sections 1.704-2(f) and 1.704-2(i)(4) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.
- 2.1.4 Qualified Income Offset. Subject to the provisions of subsection 2.1.3, but otherwise notwithstanding anything to the contrary in this Section 2.1, if any Member's Capital Account has a deficit balance in excess of such Member's obligation to restore his or its Capital Account balance, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations, then sufficient amounts of income and gain (consisting of a pro rata portion of each item of Company income, including gross income, and gain for such year) shall be allocated to such Member in an amount and manner sufficient to eliminate such deficit as quickly as possible. This provision is intended to be a "qualified income offset" within the meaning of Section 1.704-1(b)(2)(ii)(d) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.
- 2.1.5 Depreciation Recapture. Subject to the provisions of Section 704(c) of the Code and subsections 2.1.2 – 2.1.4, inclusive, of this Agreement, gain recognized (or deemed recognized under the provisions hereof) upon the sale or other disposition of Company property, which is subject to depreciation recapture, shall be allocated to the Member who was entitled to deduct such depreciation.
- 2.1.6 Loans If and to the extent any Member is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, any corresponding resulting deduction of the Company shall be allocated to the Member who is charged with the income. Subject to the provisions of Section 704(c) of the Code and subsections 2.1.2 – 2.1.4, inclusive, of this Agreement, if and to the extent the Company is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar

provision now or hereafter in effect, such income shall be allocated to the Member who is entitled to any corresponding resulting deduction.

- 2.1.7 Tax Credits Tax credits shall generally be allocated according to Section 1.704-1(b)(4)(ii) of the Income Tax Regulations or as otherwise provided by law. Investment tax credits with respect to any property shall be allocated to the Members pro rata in accordance with the manner in which Company profits are allocated to the Members under subsection 2.1.1 hereof, as of the time such property is placed in service. Recapture of any investment tax credit required by Section 47 of the Code shall be allocated to the Members in the same proportion in which such investment tax credit was allocated.
- 2.1.8 Change of Pro Rata Interests. Except as provided in subsections 2.1.6 and 2.1.7 hereof or as otherwise required by law, if the proportionate interests of the Members of the Company are changed during any taxable year, all items to be allocated to the Members for such entire taxable year shall be prorated on the basis of the portion of such taxable year which precedes each such change and the portion of such taxable year on and after each such change according to the number of days in each such portion, and the items so allocated for each such portion shall be allocated to the Members in the manner in which such items are allocated as provided in section 2.1.1 during each such portion of the taxable year in question.
- 2.1.9 Effect of Special Allocations on Subsequent Allocations. Any special allocation of income or gain pursuant to subsections 2.1.3 or 2.1.4 hereof shall be taken into account in computing subsequent allocations of income and gain pursuant to this Section 9.1 so that the net amount of all such allocations to each Member shall, to the extent possible, be equal to the net amount that would have been allocated to each such Member pursuant to the provisions of this Section 2.1 if such special allocations of income or gain under subsection 2.1.3 or 2.1.4 hereof had not occurred.
- 2.1.10 Nonrecourse and Recourse Debt. Items of deduction and loss attributable to Member nonrecourse debt within the meaning of Section 1.7042(b)(4) of the Income Tax Regulations shall be allocated to the Members bearing the economic risk of loss with respect to such debt in accordance with Section 1.704-2(i)(I) of the Income Tax Regulations. Items of deduction and loss attributable to recourse liabilities of the Company, within the meaning of Section 1.752-2 of the Income Tax Regulations, shall be allocated among the Members in accordance with the ratio in which the Members share the economic risk of loss for such liabilities.
- 2.1.11 State and Local Items. Items of income, gain, loss, deduction, credit and tax preference for state and local income tax purposes shall be allocated to and among the Members in a manner consistent with the allocation of such items for federal income tax purposes in accordance with the foregoing provisions of this Section 2.1.

Section 2.2 Accounting Matters. The Managers or, if there be no Managers then in office, the Members shall cause to be maintained complete books and records accurately

reflecting the accounts, business and transactions of the Company on a calendar-year basis and using such cash, accrual, or hybrid method of accounting as in the judgment of the Manager, Management Committee or the Members, as the case may be, is most appropriate; provided, however, that books and records with respect to the Company's Capital Accounts and allocations of income, gain, loss, deduction or credit (or item thereof) shall be kept under U.S. federal income tax accounting principles as applied to partnerships.

Section 2.3 Tax Status and Returns.

- 2.3.1 Any provision hereof to the contrary notwithstanding, solely for United States federal income tax purposes, each of the Members hereby recognizes that the Company may be subject to the provisions of Subchapter K of Chapter 1 of Subtitle A of the Code; provided, however, the filing of U.S. Partnership Returns of Income shall not be construed to extend the purposes of the Company or expand the obligations or liabilities of the Members.
- 2.3.2 The Manager(s) shall prepare or cause to be prepared all tax returns and statements, if any, that must be filed on behalf of the Company with any taxing authority, and shall make timely filing thereof. Within one-hundred twenty (120) days after the end of each calendar year, the Manager(s) shall prepare or cause to be prepared and delivered to each Member a report setting forth in reasonable detail the information with respect to the Company during such calendar year reasonably required to enable each Member to prepare his or its federal, state and local income tax returns in accordance with applicable law then prevailing.
- 2.3.3 Unless otherwise provided by the Code or the Income Tax Regulations thereunder, the current Manager(s), or if no Manager(s) shall have been elected, the Member holding the largest Percentage Interest, or if the Percentage Interests be equal, any Member shall be deemed to be the "Tax Matters Member." Shawn, I never got Ben's last name for the draft OPAG or any comments from you.

Am I to draft a similar document for Country Club?

Jeff is getting a UCC lien search done by Fatco so I have all the data to properly file the necessary forms. None of the documents we have contain the file number and other critical information.

Shawn, attached please find a redline and a clean version of the revised OPAG.

I did not change the 1 vote per \$1000 because the whole purpose of setting votes at 90% was to make sure your vote was needed for any vote to pass. If you really want 50/50 voting rights we will have to figure out what to base it on. Again, this would be better handled with a two class OPAG wherein you have a class with certain rights and Ben is a class with different rights.

I could not remember whether you wanted binding arbitration, mandatory mediation or both. Let me know and I can easily add whichever or both that you want.

I made some minor edits and found that my cut and paste had accidentally cut out part of the Indemnity section, which I restored in this draft.

I emailed the Estoppel form to Chris Childs, since he will be reviewing for his tenant clients anyway. We might as well get his comments sooner than later.

Busy day! I hope you had much success on your objectives today. I am glad to move this from my desk to yours.

I never got Ben's last name from you, so it is still a blank.

Shawn and Ben, I am attaching the revised OPAG. I added ROFR language defining a process for ROFR and changed Ben to CLA Properties as Member, changed the Managers to the two of you.

However, I am unclear as to the discussion at the end of the meeting about buy sell. I added a provision to compel arbitration in the event that the two of you reach deadlock on a significant issue. But you may say no, if we deadlock then either one can force the other to buy at fair market value. I will draft whatever you want, but forced buy-sell because of deadlock could prove damaging to the party that has to buy? And what happens if neither party has the cash to buy the other's position. That is why added a provision for arbitration of disputes to resolve deadlock. Much less expensive, but arbitration could leave one or both of you unhappy.

As to the buy sell, do you want the death or disability of either of you to trigger a forced buy/sell? I

DL00 137

think that is what you decided, but then we started talking about deadlock.

**ARTICLE XI
INDEMNIFICATION AND INSURANCE**

Section 1. Indemnification: Proceeding Other than by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the Company, by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder, director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and that, with respect to any criminal action or proceeding, he or she had reasonable cause to believe that his or her conduct was unlawful.

Section 2. Indemnification: Proceeding by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder, director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by him or her in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the Company or for amounts paid in

settlement to the Company, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Section 3. Mandatory Indemnification. To the extent that a Manager, Member, officer, employee or agent of the Company has been successful on the merits or otherwise in defense of any action, suit or proceeding described in Article XI, Sections 1 and 2, or in defense of any claim, issue or matter therein, he or she must be indemnified by the Company against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense.

Section 4. Authorization of Indemnification. Any indemnification under Article XI, Sections 1 and 2, unless ordered by a court or advanced pursuant to Section 5, may be made by the Company only as authorized in the specific case upon a determination that indemnification of the Manager, Member, officer, employee or agent is proper in the circumstances. The determination must be made by a majority of the Members if the person seeking indemnity is not a majority owner of the Member Interests or by independent legal counsel selected by the Manager in a written opinion.

Section 5. Mandatory Advancement of Expenses. The expenses of Managers, Members and officers incurred in defending a civil or criminal action, suit or proceeding must be paid by the Company as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the Manager, Member or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he or she is not entitled to be indemnified by the Company. The provisions of this Section 5 do not affect any rights to advancement of expenses to which personnel of the Company other than Managers, Members or officers may be entitled under any contract or otherwise.

Section 6. Effect and Continuation. The indemnification and advancement of expenses authorized in or ordered by a court pursuant to Article XI, Sections 1 – 5, inclusive:

(A) Does not exclude any other rights to which a person seeking indemnification or advancement of expenses may be entitled under the Articles of Organization or any limited liability company agreement, vote of Members or disinterested Managers, if any, or otherwise, for either an action in his or her official capacity or an action in another capacity while holding his or her office, except that indemnification, unless ordered by a court pursuant to Article XI, Section 2 or for the advancement of expenses made pursuant to Section Article XI, may not be made to or on behalf of any Member, Manager or officer if a final adjudication establishes that his or her acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and was material to the cause of action.

(B) Continues for a person who has ceased to be a Member, Manager, officer, employee or agent and inures to the benefit of his or her heirs, executors and administrators.

(C) **Notice of Indemnification and Advancement.** Any indemnification of, or advancement of expenses to, a Manager, Member, officer, employee or agent of the Company in accordance with

this Article XI, if arising out of a proceeding by or on behalf of the Company, shall be reported in writing to the Members with or before the notice of the next Members' meeting.

(D) Repeal or Modification. Any repeal or modification of this Article XI by the Members of the Company shall not adversely affect any right of a Manager, Member, officer, employee or agent of the Company existing hereunder at the time of such repeal or modification.

Section 7. No Disposition in Violation of Law. Without limiting the representations set forth above, and without limiting Article 12 of this Agreement, such Member will not make any disposition of all or any part of the Interests which will result in the violation by such Member or

**ARTICLE XI
INDEMNIFICATION AND INSURANCE**

Section 1. Indemnification: Proceeding Other than by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the Company, by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder, director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and that, with respect to any criminal action or proceeding, he or she had reasonable cause to believe that his or her conduct was unlawful.

Section 2. Indemnification: Proceeding by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder, director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by him or her in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the Company or for amounts paid in

settlement to the Company, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Section 3. Mandatory Indemnification. To the extent that a Manager, Member, officer, employee or agent of the Company has been successful on the merits or otherwise in defense of any action, suit or proceeding described in Article XI, Sections 1 and 2, or in defense of any claim, issue or matter therein, he or she must be indemnified by the Company against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense.

Section 4. Authorization of Indemnification. Any indemnification under Article XI, Sections 1 and 2, unless ordered by a court or advanced pursuant to Section 5, may be made by the Company only as authorized in the specific case upon a determination that indemnification of the Manager, Member, officer, employee or agent is proper in the circumstances. The determination must be made by a majority of the Members if the person seeking indemnity is not a majority owner of the Member Interests or by independent legal counsel selected by the Manager in a written opinion.

Section 5. Mandatory Advancement of Expenses. The expenses of Managers, Members and officers incurred in defending a civil or criminal action, suit or proceeding must be paid by the Company as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the Manager, Member or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he or she is not entitled to be indemnified by the Company. The provisions of this Section 5 do not affect any rights to advancement of expenses to which personnel of the Company other than Managers, Members or officers may be entitled under any contract or otherwise.

Section 6. Effect and Continuation. The indemnification and advancement of expenses authorized in or ordered by a court pursuant to Article XI, Sections 1 – 5, inclusive:

(A) Does not exclude any other rights to which a person seeking indemnification or advancement of expenses may be entitled under the Articles of Organization or any limited liability company agreement, vote of Members or disinterested Managers, if any, or otherwise, for either an action in his or her official capacity or an action in another capacity while holding his or her office, except that indemnification, unless ordered by a court pursuant to Article XI, Section 2 or for the advancement of expenses made pursuant to Section Article XI, may not be made to or on behalf of any Member, Manager or officer if a final adjudication establishes that his or her acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and was material to the cause of action.

(B) Continues for a person who has ceased to be a Member, Manager, officer, employee or agent and inures to the benefit of his or her heirs, executors and administrators.

(C) Notice of Indemnification and Advancement. Any indemnification of, or advancement of expenses to, a Manager, Member, officer, employee or agent of the Company in accordance with

this Article XI, if arising out of a proceeding by or on behalf of the Company, shall be reported in writing to the Members with or before the notice of the next Members' meeting.

(D) Repeal or Modification. Any repeal or modification of this Article XI by the Members of the Company shall not adversely affect any right of a Manager, Member, officer, employee or agent of the Company existing hereunder at the time of such repeal or modification.

Section 4. Economic Risk. Such Member is financially able to bear the economic risk of his or its investment in the Company, including the total loss thereof.

Section 5. No Registration of Units. Such Member acknowledges that the Interests have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), or qualified under any state securities law or under the laws of any other jurisdiction, in reliance, in part, on such Member's representations, warranties and agreements herein.

Section 6. No Obligation to Register. Such Member represents, warrants and agrees that the Company and the Managers are under no obligation to register or qualify the Interests under the Securities Act or under any state securities law or under the laws of any other jurisdiction, or to assist such Member in complying with any exemption from registration and qualification.

Section 7. No Disposition in Violation of Law. Without limiting the representations set forth above, and without limiting Article 12 of this Agreement, such Member will not make any disposition of all or any part of the Interests which will result in the violation by such Member or

by the Company of the Securities Act or any other applicable securities laws. Without limiting the foregoing, each Member agrees not to make any disposition of all or any part of the Interests unless and until: (A) there is then in effect a registration statement under the Securities Act covering such proposed disposition and such disposition is made in accordance with such registration statement and any applicable requirements of state securities laws; or (B) such Member has notified the Company of the proposed disposition and has furnished the Company with a detailed statement of the circumstances surrounding the proposed disposition, and if reasonably requested by the Managers, such Member has furnished the Company with a written opinion of legal counsel, reasonably satisfactory to the Company, that such disposition will not require registration of any securities under the Securities Act or the consent of or a permit from appropriate authorities under any applicable state securities law or under the laws of any other jurisdiction.

Section 8. Financial Estimate and Projections. That it understands that all projections and financial or other materials which it may have been furnished are not based on historical operating results, because no reliable results exist, and are based only upon estimates and assumptions which are subject to future conditions and events which are unpredictable and which may not be relied upon in making an investment decision.

Each Member's distributive share of income, gain, loss, deduction or credit (or items thereof) of the Company as shown on the annual federal income tax return prepared by the Company's accountants or as finally determined by the United States Internal Revenue Service or the courts, and as modified by the capital accounting rules of Section 704(b) of the Code and the Income Tax Regulations thereunder, as implemented by Section 8.5 hereof, as applicable, shall be determined as follows:

- 5.2.1 Allocations. Except as otherwise provided in this Section 1.1:

- 5.2.1.1 items of income, gain, loss, deduction or credit (or items thereof) shall be allocated among the members in proportion to their Percentage Interests as set forth in *Exhibit "B"*, subject to the Preferred Allocation schedule contained in *Exhibit "B"*, except that items of loss or deduction allocated to any Member pursuant to this Section 2.1 with respect to any taxable year shall not exceed the maximum amount of such items that can be so allocated without causing such Member to have a deficit balance in his or its Capital Account at the end of such year, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations. Any such items of loss or deduction in excess of the limitation set forth in the preceding sentence shall be allocated as follows and in the following order of priority:

- 5.2.1.1.2 second, any remaining amount to the Members in the manner required by the Code and Income Tax Regulations.

Members as necessary to eliminate any deficit Capital Account balances and thereafter to bring the relationship among the Members' positive Capital Account balances in accord with their pro rata interests.

- 5.2.2 Allocations With Respect to Property Solely for tax purposes, in determining each Member's allocable share of the taxable income or loss of the Company, depreciation, depletion, amortization and gain or loss with respect to any contributed property, or with respect to revalued property where the Company's property is revalued pursuant to paragraph (b)(2)(iv)(f) of Section 1.704-1 of the Income Tax Regulations, shall be allocated to the Members in the manner (as to revaluations, in the same manner as) provided in Section 704(c) of the Code. The allocation shall take into account, to the full extent required or permitted by the Code, the difference between the adjusted basis of the property to the Member contributing it (or, with respect to property which has been revalued, the adjusted basis of the property to the Company) and the fair market value of the property determined by the Members at the time of its contribution or revaluation, as the case may be.
- 5.2.3 Minimum Gain Chargeback. Notwithstanding anything to the contrary in this Section 2.1, if there is a net decrease in Company Minimum Gain or Company Nonrecourse Debt Minimum Gain (as such terms are defined in Sections 1.704-2(b) and 1.704-2(i)(2) of the Income Tax Regulations, but substituting the term "Company" for the term "Partnership" as the context requires) during a Company taxable year, then each Member shall be allocated items of Company income and gain for such year (and, if necessary, for subsequent years) in the manner provided in Section 1.704-2 of the Income Tax Regulations. This provision is intended to be a "minimum gain chargeback" within the meaning of Sections 1.704-2(f) and 1.704-2(i)(4) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.
- 5.2.4 Qualified Income Offset. Subject to the provisions of subsection 2.1.3, but otherwise notwithstanding anything to the contrary in this Section 2.1, if any Member's Capital Account has a deficit balance in excess of such Member's obligation to restore his or its Capital Account balance, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations, then sufficient amounts of income and gain (consisting of a pro rata portion of each item of Company income, including gross income, and gain for such year) shall be allocated to such Member in an amount and manner sufficient to eliminate such deficit as quickly as possible. This provision is intended to be a "qualified income offset" within the meaning of Section 1.704-1(b)(2)(ii)(d) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.
- 5.2.5 Depreciation Recapture. Subject to the provisions of Section 704(c) of the Code and subsections 2.1.2 – 2.1.4, inclusive, of this Agreement, gain recognized (or deemed recognized under the provisions hereof) upon the sale

or other disposition of Company property, which is subject to depreciation recapture, shall be allocated to the Member who was entitled to deduct such depreciation.

- 5.2.6 Loans If and to the extent any Member is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, any corresponding resulting deduction of the Company shall be allocated to the Member who is charged with the income. Subject to the provisions of Section 704(c) of the Code and subsections 2.1.2–2.1.4, inclusive, of this Agreement, if and to the extent the Company is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, such income shall be allocated to the Member who is entitled to any corresponding resulting deduction.
- 5.2.7 Tax Credits Tax credits shall generally be allocated according to Section 1.704-1(b)(4)(ii) of the Income Tax Regulations or as otherwise provided by law. Investment tax credits with respect to any property shall be allocated to the Members pro rata in accordance with the manner in which Company profits are allocated to the Members under subsection 2.1.1 hereof, as of the time such property is placed in service. Recapture of any investment tax credit required by Section 47 of the Code shall be allocated to the Members in the same proportion in which such investment tax credit was allocated.
- 5.2.8 Change of Pro Rata Interests. Except as provided in subsections 2.1.6 and 2.1.7 hereof or as otherwise required by law, if the proportionate interests of the Members of the Company are changed during any taxable year, all items to be allocated to the Members for such entire taxable year shall be prorated on the basis of the portion of such taxable year which precedes each such change and the portion of such taxable year on and after each such change according to the number of days in each such portion, and the items so allocated for each such portion shall be allocated to the Members in the manner in which such items are allocated as provided in section 2.1.1 during each such portion of the taxable year in question.
- 5.2.9 Effect of Special Allocations on Subsequent Allocations. Any special allocation of income or gain pursuant to subsections 2.1.3 or 2.1.4 hereof shall be taken into account in computing subsequent allocations of income and gain pursuant to this Section 9.1 so that the net amount of all such allocations to each Member shall, to the extent possible, be equal to the net amount that would have been allocated to each such Member pursuant to the provisions of this Section 2.1 if such special allocations of income or gain under subsection 2.1.3 or 2.1.4 hereof had not occurred.
- 5.2.10 Nonrecourse and Recourse Debt. Items of deduction and loss attributable to Member nonrecourse debt within the meaning of Section 1.7042(b)(4) of the

Income Tax Regulations shall be allocated to the Members bearing the economic risk of loss with respect to such debt in accordance with Section 1704-2(i)(I) of the Income Tax Regulations. Items of deduction and loss attributable to recourse liabilities of the Company, within the meaning of Section 1.752-2 of the Income Tax Regulations, shall be allocated among the Members in accordance with the ratio in which the Members share the economic risk of loss for such liabilities.

- 5.2.11 State and Local Items. Items of income, gain, loss, deduction, credit and tax preference for state and local income tax purposes shall be allocated to and among the Members in a manner consistent with the allocation of such items for federal income tax purposes in accordance with the foregoing provisions of this Section 2.1.

- 5.4.2 The Manger(s) shall prepare or cause to be prepared all tax returns and statements, if any, that must be filed on behalf of the Company with any taxing authority, and shall make timely filing thereof. Ben and Shawn, attached please find revised OPAG based on my conversation with Ben this morning. I modified the books and records provision, modified the ROFR to be for sales to third parties and added a "Dutch Auction" provision. The Dutch Auction only works if there are two members. If you bring in more Members it will be most complex. D

Section 3. Right of First Refusal for Sales of Interests by Members to Non-Members

Notwithstanding Article 5, Section 2 of this Agreement and the Act, in the event that any Member (sometimes referred hereinafter as an "Offering Member") wishes to sell, exchange, transfer, assign, make a gift of, pledge, encumber, hypothecate or alienate (hereinafter collectively referred to as a "transfer") any or all of his or its Interest in the Company to a person not a Member, such Offering Member shall first offer to sell such Interest to the non selling Members pro rata according to their Interests at the price, upon the terms and conditions and in the manner herein provided.

- 4.2 Upon receipt of the Notice, each of the other Members shall have the first right and option to agree to purchase all (subject to Article 5 hereof) of the Offering Member's Interest transferred or proposed to be transferred, at the price determined by the Notice, exercisable for a period of fifteen (15) days from the date of receipt of the Notice.
- 4.3 Failure by all or any of the other Members to respond to the Notice within the thirty (30) day period shall be deemed to constitute a notification to the Offering Member of the decision of the non-responding Members not to exercise the first right and option to purchase the Offering Member's Interest under this Section. Upon the decision and notice by the other Members to purchase all the Offering Member's Interest, the parties to such purchase shall close such purchase within thirty (30) days thereafter.
- 4.4 If any Member does not purchase his or its pro rata share of the Offering Member's Interest, the other Members may purchase the non-purchasing Members' portion of the Offering Member's Interest on a pro rata basis within ten (10) days from the date such non-purchasing Members fail to exercise their right of first refusal hereunder. If the Members do not purchase all of the Offering Member's Interest, the Company may purchase the remainder of the Offering Member's Interest within thirty (30) days thereafter.
- 4.4.1 Unless all of the Offering Member's Interest referred to in the Notice is purchased in accordance with this Section 4, none of such Interest may be purchased, any payment submitted by the other Members shall be returned to them, and written Notice shall be given to the Offering Member (or his or its successor) and the transferee of the Offering Member, that the options hereunder have not been exercised with respect to all of the Offering Member's Interest. If options to purchase all of such Offering Member's Interest are effectively exercised hereunder, the Company shall notify the Offering Member (or his or its successor) and the transferee of the Offering Member, of the fact. Immediately upon receipt of notice that all the Offering Member's Interest is to be purchased, the Offering Member (or his or its successor) or the transferee of the Offering Member, shall deliver to the purchasing Member a proper assignment in blank for such Offering Member's Interest with signatures properly guaranteed and with such other documents as may be required by the secretary of the Company to provide reasonable assurance that each necessary endorsement is genuine and effective, in exchange for payment as provided for in Section 4.6 by the purchasing Member representing the total purchase price. Any Interest acquired by the purchasing Member pursuant to this Section 4 shall be subject to the provisions and restrictions of this Agreement.
- 4.5 Subject always to Article 5, Sections 2, 4.6 and 4.2, if the options specified herein are not exercised with respect to all of the Offering Member's Interest referred to in the Notice, then, within thirty (30) days after written notice is given by the Company that the options have not been exercised, the Offering Member may transfer all or any part of such Interest referred to in the Notice to any person or persons named as transferees, in the manner described; provided, however, that the Offering Member shall not transfer

such Interest on terms more favorable to the purchaser than those specified in said Notice; and provided further, that any Interest disposed of and sold to such transferees shall remain subject to the provisions and restrictions of this Agreement. If the Offering Member does not make such transfer in accordance with the Notice within such 30 days, he or it shall be required again to comply with the provisions of Article 5, Section 4 before he or it may transfer any Interest in the Company.

4.6 Payment of Purchase Price.

In the event that a Member is willing to sell his or its Member's Interest in the Company to the other Members, then the procedures and terms of Section 7.1 shall apply.

Section 7.1 Purchase or Sell Procedure.

Any Member ("Offering Member") may give notice to the remaining Member(s) that he or it is ready, willing and able to sell his or its Member Interests for fair market value based upon the net fair market value of the Company's assets divided by the offering Member's proportionate interest in profits and losses of the Company. The Offering Member shall obtain an appraisal in writing from a qualified real estate appraiser and provide a copy of such appraisal to the other Member(s) attached to a notice setting forth the proposed offer to sell. The other Member(s) shall have ten (10) business days within which to respond in writing to the Offering Member by either (i) accepting the Offering Member's offer to sell; or, (ii) rejecting the offer to sell and counteroffering to sell his or its Member Interest to the Offering Member based upon the same appraisal and fair market value formula as set forth above. The specific intent of this provision is that the Offering Member shall be obligated to either sell his or its Member Interests to the remaining Member(s) or purchase the Member Interest of the remaining Member(s) based upon the fair market value of the Company's assets.

7.1.1 Failure by all or any of the other Members to respond to the Offering Member's notice within the ten (10) day period shall be deemed to constitute a notification to the Offering Member of the decision of the non-responding

Members to exercise the right to sell in lieu of purchase and therefore constitutes an acceptance of the offer to purchase the Offering Member's Interest pursuant to Section 7.1. Upon the decision and notice by the other Members to purchase all the Offering Member's Interest, the parties to such purchase shall close such purchase within thirty (30) days thereafter.

Section 1. Indemnification: Proceeding Other than by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the Company, by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder, director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and that, with respect to any criminal action or proceeding, he or she had reasonable cause to believe that his or her conduct was unlawful.

Section 2. Indemnification: Proceeding by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder, director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by him or her in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the Company or for amounts paid in settlement to the Company, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Section 3. Mandatory Indemnification. To the extent that a Manager, Member, officer, employee or agent of the Company has been successful on the merits or otherwise in defense of any action, suit or proceeding described in Article XI, Sections 1 and 2, or in defense of any claim, issue or matter therein, he or she must be indemnified by the Company against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense.

Section 4. Authorization of Indemnification. Any indemnification under Article XI, Sections 1 and 2, unless ordered by a court or advanced pursuant to Section 5, may be made by the Company only as authorized in the specific case upon a determination that indemnification of the Manager, Member, officer, employee or agent is proper in the circumstances. The determination must be made by a majority of the Members if the person seeking indemnity is not a majority owner of the Member Interests or by independent legal counsel selected by the Manager in a written opinion.

Section 5. Mandatory Advancement of Expenses. The expenses of Managers, Members and officers incurred in defending a civil or criminal action, suit or proceeding must be paid by the Company as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the Manager, Member or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he or she is not entitled to be indemnified by the Company. The provisions of this Section 5 do not affect any rights to advancement of expenses to which personnel of the Company other than Managers, Members or officers may be entitled under any contract or otherwise.

In general, under such rules, a Member's Capital Account shall be:
- 7.1.2.1 increased by (i) the amount of money contributed by the Member to the Company (including the amount of any Company liabilities that are assumed by such Member other than in connection with distribution of Company property); (ii) the fair market value of property contributed by the Member to the Company (net of liabilities secured by such contributed property that under Section 752 of the Code the Company is considered to assume or take subject to), and (iii) allocations to the Member of Company income and gain (or item thereof), including income and gain exempt from tax; and
- 7.1.2.2 decreased by (i) the amount of money distributed to the Member by the Company (including the amount of such Member's individual liabilities that are assumed by the Company other than in connection with contribution of property to the Company), (ii) the fair market value of property distributed to the Member by the Company (net of liabilities secured by such distributed property that under Section 752 of the Code such Member is considered to assume or take subject to), (iii) allocations to the Member of expenditures of the Company not deductible in computing its taxable income and not properly chargeable to capital account, and (iv) allocations to the Member of Company loss and deduction (or item thereof).
- 7.1.3 Where Section 704(c) of the Code applies to Company property or where Company property is revalued pursuant to paragraph (b)(2)(iv)(t) of Section 1.704-1 of the Income Tax Regulations, each Member's Capital Account shall be adjusted in accordance with paragraph (b)(2)(iv)(g) of Section 1.704-1 of the Income Tax Regulations as to allocations to the Members of depreciation, depletion, amortization and gain or loss, as computed for book purposes with respect to such property.
- 7.1.4 When Company property is distributed in kind (whether in connection with liquidation and dissolution or otherwise), the Capital Accounts of the Members shall first be adjusted to reflect the manner in which the unrealized income, gain, loss and deduction inherent in such property (that has not been

reflected in the Capital Account previously) would be allocated among the Members if there were a taxable disposition of such property for the fair market value of such property (taking into account Section 7701 (g) of the Code) on the date of distribution.

- 7.1.5 The Members shall direct the Company's accountants to make all necessary adjustments in each Member's Capital Account as required by the capital accounting rules of Section 704(b) of the Code and the regulations thereunder.

8

ALLOCATION OF PROFITS AND LOSSES; TAX AND ACCOUNTING MATTERS

- 8.1 **Allocations.** Each Member's distributive share of income, gain, loss, deduction or credit (or items thereof) of the Company as shown on the annual federal income tax return prepared by the Company's accountants or as finally determined by the United States Internal Revenue Service or the courts, and as modified by the capital accounting rules of Section 704(b) of the Code and the Income Tax Regulations thereunder, as implemented by Section 8.5 hereof, as applicable, shall be determined as follows:

- 8.1.2 **Allocations.** Except as otherwise provided in this Section 1.1:

- 8.1.2.1 items of income, gain, loss, deduction or credit (or items thereof) shall be allocated among the members in proportion to their Percentage Interests as set forth in *Exhibit "B"*, subject to the Preferred Allocation schedule contained in *Exhibit "B"*, except that items of loss or deduction allocated to any Member pursuant to this Section 2.1 with respect to any taxable year shall not exceed the maximum amount of such items that can be so allocated without causing such Member to have a deficit balance in his or its Capital Account at the end of such year, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations. Any such items of loss or deduction in excess of the limitation set forth in the preceding sentence shall be allocated as follows and in the following order of priority:

- 8.1.2.1.1 first, to those Members who would not be subject to such limitation, in proportion to their Percentage Interests, subject to the Preferred Allocation schedule contained in *Exhibit "B"*; and

- 8.1.2.1.2 second, any remaining amount to the Members in the manner required by the Code and Income Tax Regulations.

Subject to the provisions of subsections 2.1.2 – 2.1.11, inclusive, of this Agreement, the items specified in this Section 1.1 shall be allocated to the

Members as necessary to eliminate any deficit Capital Account balances and thereafter to bring the relationship among the Members' positive Capital Account balances in accord with their pro rata interests.

- 8.1.3 Allocations With Respect to Property Solely for tax purposes, in determining each Member's allocable share of the taxable income or loss of the Company, depreciation, depletion, amortization and gain or loss with respect to any contributed property, or with respect to revalued property where the Company's property is revalued pursuant to paragraph (b)(2)(iv)(f) of Section 1.704-1 of the Income Tax Regulations, shall be allocated to the Members in the manner (as to revaluations, in the same manner as) provided in Section 704(c) of the Code. The allocation shall take into account, to the full extent required or permitted by the Code, the difference between the adjusted basis of the property to the Member contributing it (or, with respect to property which has been revalued, the adjusted basis of the property to the Company) and the fair market value of the property determined by the Members at the time of its contribution or revaluation, as the case may be.
- 8.1.4 Minimum Gain Chargeback. Notwithstanding anything to the contrary in this Section 2.1, if there is a net decrease in Company Minimum Gain or Company Nonrecourse Debt Minimum Gain (as such terms are defined in Sections 1.704-2(b) and 1.704-2(i)(2) of the Income Tax Regulations, but substituting the term "Company" for the term "Partnership" as the context requires) during a Company taxable year, then each Member shall be allocated items of Company income and gain for such year (and, if necessary, for subsequent years) in the manner provided in Section 1.704-2 of the Income Tax Regulations. This provision is intended to be a "minimum gain chargeback" within the meaning of Sections 1.704-2(f) and 1.704-2(i)(4) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.
- 8.1.5 Qualified Income Offset. Subject to the provisions of subsection 2.1.3, but otherwise notwithstanding anything to the contrary in this Section 2.1, if any Member's Capital Account has a deficit balance in excess of such Member's obligation to restore his or its Capital Account balance, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations, then sufficient amounts of income and gain (consisting of a pro rata portion of each item of Company income, including gross income, and gain for such year) shall be allocated to such Member in an amount and manner sufficient to eliminate such deficit as quickly as possible. This provision is intended to be a "qualified income offset" within the meaning of Section 1.704-1(b)(2)(ii)(d) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.
- 8.1.6 Depreciation Recapture. Subject to the provisions of Section 704(c) of the Code and subsections 2.1.2 – 2.1.4, inclusive, of this Agreement, gain recognized (or deemed recognized under the provisions hereof) upon the sale

or other disposition of Company property, which is subject to depreciation recapture, shall be allocated to the Member who was entitled to deduct such depreciation.

- 8.1.7 Loans If and to the extent any Member is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, any corresponding resulting deduction of the Company shall be allocated to the Member who is charged with the income. Subject to the provisions of Section 704(c) of the Code and subsections 2.1.2 – 2.1.4, inclusive, of this Agreement, if and to the extent the Company is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, such income shall be allocated to the Member who is entitled to any corresponding resulting deduction.
- 8.1.8 Tax Credits Tax credits shall generally be allocated according to Section 1.704-1(b)(4)(ii) of the Income Tax Regulations or as otherwise provided by law. Investment tax credits with respect to any property shall be allocated to the Members pro rata in accordance with the manner in which Company profits are allocated to the Members under subsection 2.1.1 hereof, as of the time such property is placed in service. Recapture of any investment tax credit required by Section 47 of the Code shall be allocated to the Members in the same proportion in which such investment tax credit was allocated.
- 8.1.9 Change of Pro Rata Interests. Except as provided in subsections 2.1.6 and 2.1.7 hereof or as otherwise required by law, if the proportionate interests of the Members of the Company are changed during any taxable year, all items to be allocated to the Members for such entire taxable year shall be prorated on the basis of the portion of such taxable year which precedes each such change and the portion of such taxable year on and after each such change according to the number of days in each such portion, and the items so allocated for each such portion shall be allocated to the Members in the manner in which such items are allocated as provided in section 2.1.1 during each such portion of the taxable year in question.
- 8.1.10 Effect of Special Allocations on Subsequent Allocations. Any special allocation of income or gain pursuant to subsections 2.1.3 or 2.1.4 hereof shall be taken into account in computing subsequent allocations of income and gain pursuant to this Section 9.1 so that the net amount of all such allocations to each Member shall, to the extent possible, be equal to the net amount that would have been allocated to each such Member pursuant to the provisions of this Section 2.1 if such special allocations of income or gain under subsection 2.1.3 or 2.1.4 hereof had not occurred.
- 8.1.11 Nonrecourse and Recourse Debt. Items of deduction and loss attributable to Member nonrecourse debt within the meaning of Section 1.7042(b)(4) of the

Income Tax Regulations shall be allocated to the Members bearing the economic risk of loss with respect to such debt in accordance with Section 1704-2(i)(l) of the Income Tax Regulations. Items of deduction and loss attributable to recourse liabilities of the Company, within the meaning of Section 1.752-2 of the Income Tax Regulations, shall be allocated among the Members in accordance with the ratio in which the Members share the economic risk of loss for such liabilities.

- 8.1.12 State and Local Items. Items of income, gain, loss, deduction, credit and tax preference for state and local income tax purposes shall be allocated to and among the Members in a manner consistent with the allocation of such items for federal income tax purposes in accordance with the foregoing provisions of this Section 2.1.

- 8.2 Accounting Matters. The Managers or, if there be no Managers then in office, the Members shall cause to be maintained complete books and records accurately reflecting the accounts, business and transactions of the Company on a calendar-year basis and using such cash, accrual, or hybrid method of accounting as in the judgment of the Manager, Management Committee or the Members, as the case may be, is most appropriate; provided, however, that books and records with respect to the Company's Capital Accounts and allocations of income, gain, loss, deduction or credit (or item thereof) shall be kept under U.S. federal income tax accounting principles as applied to partnerships.

8.3 Tax Status, Returns and Books.

- 8.3.2 Any provision hereof to the contrary notwithstanding, solely for United States federal income tax purposes, each of the Members hereby recognizes that the Company may be subject to the provisions of Subchapter K of Chapter 1 of Subtitle A of the Code; provided, however, the filing of U.S. Partnership Returns of Income shall not be construed to extend the purposes of the Company or expand the obligations or liabilities of the Members.
- 8.3.3 The Manager(s) shall prepare or cause to be prepared all tax returns and statements, if any, that must be filed on behalf of the Company with any taxing authority, and shall make timely filing thereof. Within one-hundred twenty (120) days after the end of each calendar year, the Manager(s) shall prepare or cause to be prepared and delivered to each Member a report setting forth in reasonable detail the information with respect to the Company during such calendar year reasonably required to enable each Member to prepare his or its federal, state and local income tax returns in accordance with applicable law then prevailing.

Section 1. Indemnification: Proceeding Other than by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the Company, by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder, director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and that, with respect to any criminal action or proceeding, he or she had reasonable cause to believe that his or her conduct was unlawful.

Section 2. Indemnification: Proceeding by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder,

director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by him or her in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the Company or for amounts paid in settlement to the Company, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Section 3. Mandatory Indemnification. To the extent that a Manager, Member, officer, employee or agent of the Company has been successful on the merits or otherwise in defense of any action, suit or proceeding described in Article XI, Sections 1 and 2, or in defense of any claim, issue or matter therein, he or she must be indemnified by the Company against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense.

Section 4. Authorization of Indemnification. Any indemnification under Article XI, Sections 1 and 2, unless ordered by a court or advanced pursuant to Section 5, may be made by the Company only as authorized in the specific case upon a determination that indemnification of the Manager, Member, officer, employee or agent is proper in the circumstances. The determination must be made by a majority of the Members if the person seeking indemnity is not a majority owner of the Member Interests or by independent legal counsel selected by the Manager in a written opinion.

Section 5. Mandatory Advancement of Expenses. The expenses of Managers, Members and officers incurred in defending a civil or criminal action, suit or proceeding must be paid by the Company as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the Manager, Member or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he or she is not entitled to be indemnified by the Company. The provisions of this Section 5 do not affect any rights to advancement of expenses to which personnel of the Company other than Managers, Members or officers may be entitled under any contract or otherwise.

Section 6. Effect and Continuation. The indemnification and advancement of expenses authorized in or ordered by a court pursuant to Article XI, Sections 1 – 5, inclusive:

(A) Does not exclude any other rights to which a person seeking indemnification or advancement of expenses may be entitled under the Articles of Organization or any limited liability company agreement, vote of Members or disinterested Managers, if any, or otherwise, for either an action in his or her official capacity or an action in another capacity while holding his or her office, except that indemnification, unless ordered by a court pursuant to Article XI, Section 2 or for the advancement of expenses made pursuant to Section Article XI, may not be made to or on behalf of any Member, Manager or officer if a final adjudication establishes that his or her acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and was material to the cause of action.

(B) Continues for a person who has ceased to be a Member, Manager, officer, employee or agent and inures to the benefit of his or her heirs, executors and administrators.

(C) Notice of Indemnification and Advancement. Any indemnification of, or advancement of expenses to, a Manager, Member, officer, employee or agent of the Company in accordance with this Article XI, if arising out of a proceeding by or on behalf of the Company, shall be reported in writing to the Members with or before the notice of the next Members' meeting.

(D) Repeal or Modification. Any repeal or modification of this Article XI by the Members of the Company shall not adversely affect any right of a Manager, Member, officer, employee or agent of the Company existing hereunder at the time of such repeal or modification.

4.6.1 A single Capital Account shall be maintained for each Member (regardless of the class of Interests owned by such Member and regardless of the time or manner in which such Interests were acquired) in accordance with the capital accounting rules of Section 704(b) of the Code, and the regulations thereunder (including without limitation Section 1.704-1(b)(2)(iv) of the Income Tax Regulations). In general, under such rules, a Member's Capital Account shall be:

4.6.1.1 increased by (i) the amount of money contributed by the Member to the Company (including the amount of any Company liabilities that are assumed by such Member other than in connection with distribution of Company property), (ii) the fair market value of property contributed by the Member to the Company (net of liabilities secured by such contributed property that under Section 752 of the Code the Company is considered to assume or take subject to), and (iii) allocations to the Member of Company income and gain (or item thereof), including income and gain exempt from tax; and

4.6.1.2 decreased by (i) the amount of money distributed to the Member by the Company (including the amount of such Member's individual liabilities that are assumed by the Company other than in connection with contribution of property to the Company), (ii) the fair market value of property distributed to the Member by the Company (net of liabilities secured by such distributed property that under Section 752 of the Code such Member is considered to assume or take subject to), (iii) allocations to the Member of expenditures of the Company not deductible in computing its taxable income and not properly chargeable to capital account, and (iv) allocations to the Member of Company loss and deduction (or item thereof).

4.6.2 Where Section 704(c) of the Code applies to Company property or where Company property is revalued pursuant to paragraph (b)(2)(iv)(t) of Section 1.704-1 of the Income Tax Regulations, each Member's Capital Account shall be adjusted in accordance with paragraph (b)(2)(iv)(g) of Section 1.704-1 of the Income Tax Regulations as to allocations to the Members of depreciation, depletion, amortization and gain or loss, as computed for book purposes with respect to such property.

4.6.3 When Company property is distributed in kind (whether in connection with liquidation and dissolution or otherwise), the Capital Accounts of the Members shall first be adjusted to reflect the manner in which the unrealized income, gain, loss and deduction inherent in such property (that has not been

reflected in the Capital Account previously) would be allocated among the Members if there were a taxable disposition of such property for the fair market value of such property (taking into account Section 7701(g) of the Code) on the date of distribution.

- 4.6.4 The Members shall direct the Company's accountants to make all necessary adjustments in each Member's Capital Account as required by the capital accounting rules of Section 704(b) of the Code and the regulations thereunder.

ALLOCATION OF PROFITS AND LOSSES; TAX AND ACCOUNTING MATTERS

- 5.2 Allocations. Each Member's distributive share of income, gain, loss, deduction or credit (or items thereof) of the Company as shown on the annual federal income tax return prepared by the Company's accountants or as finally determined by the United States Internal Revenue Service or the courts, and as modified by the capital accounting rules of Section 704(b) of the Code and the Income Tax Regulations thereunder, as implemented by Section 8.5 hereof, shall be determined as follows:

- 5.2.1 Allocations. Except as otherwise provided in this Section 1.1:

- 5.2.1.1 items of income, gain, loss, deduction or credit (or items thereof) shall be allocated among the members in proportion to their Percentage Interests as set forth in *Exhibit "B"*, subject to the Preferred Allocation schedule contained in *Exhibit "B"*, except that items of loss or deduction allocated to any Member pursuant to this Section 2.1 with respect to any taxable year shall not exceed the maximum amount of such items that can be so allocated without causing such Member to have a deficit balance in his or its Capital Account at the end of such year, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations. Any such items of loss or deduction in excess of the limitation set forth in the preceding sentence shall be allocated as follows and in the following order of priority:

- 5.2.1.1.1 first, to those Members who would not be subject to such limitation, in proportion to their Percentage Interests, subject to the Preferred Allocation schedule contained in *Exhibit "B"*; and

- 5.2.1.1.2 second, any remaining amount to the Members in the manner required by the Code and Income Tax Regulations.

Subject to the provisions of subsections 2.1.2 – 2.1.11, inclusive, of this Agreement, the items specified in this Section 1.1 shall be allocated to the

Members as necessary to eliminate any deficit Capital Account balances and thereafter to bring the relationship among the Members' positive Capital Account balances in accord with their pro rata interests.

- 5.2.2 Allocations With Respect to Property Solely for tax purposes, in determining each Member's allocable share of the taxable income or loss of the Company, depreciation, depletion, amortization and gain or loss with respect to any contributed property, or with respect to revalued property where the Company's property is revalued pursuant to paragraph (b)(2)(iv)(f) of Section 1.704-1 of the Income Tax Regulations, shall be allocated to the Members in the manner (as to revaluations, in the same manner as) provided in Section 704(c) of the Code. The allocation shall take into account, to the full extent required or permitted by the Code, the difference between the adjusted basis of the property to the Member contributing it (or, with respect to property which has been revalued, the adjusted basis of the property to the Company) and the fair market value of the property determined by the Members at the time of its contribution or revaluation, as the case may be.
- 5.2.3 Minimum Gain Chargeback. Notwithstanding anything to the contrary in this Section 2.1, if there is a net decrease in Company Minimum Gain or Company Nonrecourse Debt Minimum Gain (as such terms are defined in Sections 1.704-2(b) and 1.704-2(i)(2) of the Income Tax Regulations, but substituting the term "Company" for the term "Partnership" as the context requires) during a Company taxable year, then each Member shall be allocated items of Company income and gain for such year (and, if necessary, for subsequent years) in the manner provided in Section 1.704-2 of the Income Tax Regulations. This provision is intended to be a "minimum gain chargeback" within the meaning of Sections 1.704-2(f) and 1.704-2(i)(4) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.
- 5.2.4 Qualified Income Offset. Subject to the provisions of subsection 2.1.3, but otherwise notwithstanding anything to the contrary in this Section 2.1, if any Member's Capital Account has a deficit balance in excess of such Member's obligation to restore his or its Capital Account balance, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations, then sufficient amounts of income and gain (consisting of a pro rata portion of each item of Company income, including gross income, and gain for such year) shall be allocated to such Member in an amount and manner sufficient to eliminate such deficit as quickly as possible. This provision is intended to be a "qualified income offset" within the meaning of Section 1.704-1(b)(2)(ii)(d) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.
- 5.2.5 Depreciation Recapture. Subject to the provisions of Section 704(c) of the Code and subsections 2.1.2 – 2.1.4, inclusive, of this Agreement, gain recognized (or deemed recognized under the provisions hereof) upon the sale

or other disposition of Company property, which is subject to depreciation recapture, shall be allocated to the Member who was entitled to deduct such depreciation.

- 5.2.6 Loans If and to the extent any Member is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, any corresponding resulting deduction of the Company shall be allocated to the Member who is charged with the income. Subject to the provisions of Section 704(c) of the Code and subsections 2.1.2 – 2.1.4, inclusive, of this Agreement, if and to the extent the Company is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, such income shall be allocated to the Member who is entitled to any corresponding resulting deduction.
- 5.2.7 Tax Credits Tax credits shall generally be allocated according to Section 1.704-1(b)(4)(ii) of the Income Tax Regulations or as otherwise provided by law. Investment tax credits with respect to any property shall be allocated to the Members pro rata in accordance with the manner in which Company profits are allocated to the Members under subsection 2.1.1 hereof, as of the time such property is placed in service. Recapture of any investment tax credit required by Section 47 of the Code shall be allocated to the Members in the same proportion in which such investment tax credit was allocated.
- 5.2.8 Change of Pro Rata Interests. Except as provided in subsections 2.1.6 and 2.1.7 hereof or as otherwise required by law, if the proportionate interests of the Members of the Company are changed during any taxable year, all items to be allocated to the Members for such entire taxable year shall be prorated on the basis of the portion of such taxable year which precedes each such change and the portion of such taxable year on and after each such change according to the number of days in each such portion, and the items so allocated for each such portion shall be allocated to the Members in the manner in which such items are allocated as provided in section 2.1.1 during each such portion of the taxable year in question.
- 5.2.9 Effect of Special Allocations on Subsequent Allocations. Any special allocation of income or gain pursuant to subsections 2.1.3 or 2.1.4 hereof shall be taken into account in computing subsequent allocations of income and gain pursuant to this Section 9.1 so that the net amount of all such allocations to each Member shall, to the extent possible, be equal to the net amount that would have been allocated to each such Member pursuant to the provisions of this Section 2.1 if such special allocations of income or gain under subsection 2.1.3 or 2.1.4 hereof had not occurred.
- 5.2.10 Nonrecourse and Recourse Debt. Items of deduction and loss attributable to Member nonrecourse debt within the meaning of Section 1.7042(b)(4) of the

Income Tax Regulations shall be allocated to the Members bearing the economic risk of loss with respect to such debt in accordance with Section 1704-2(i)(I) of the Income Tax Regulations. Items of deduction and loss attributable to recourse liabilities of the Company, within the meaning of Section 1.752-2 of the Income Tax Regulations, shall be allocated among the Members in accordance with the ratio in which the Members share the economic risk of loss for such liabilities.

- 5.2.11 State and Local Items. Items of income, gain, loss, deduction, credit and tax preference for state and local income tax purposes shall be allocated to and among the Members in a manner consistent with the allocation of such items for federal income tax purposes in accordance with the foregoing provisions of this Section 2.1.

- 5.3 Accounting Matters. The Managers or, if there be no Managers then in office, the Members shall cause to be maintained complete books and records accurately reflecting the accounts, business and transactions of the Company on a calendar-year basis and using such cash, accrual, or hybrid method of accounting as in the judgment of the Manager, Management Committee or the Members, as the case may be, is most appropriate; provided, however, that books and records with respect to the Company's Capital Accounts and allocations of income, gain, loss, deduction or credit (or item thereof) shall be kept under U.S. federal income tax accounting principles as applied to partnerships.

- 5.4.1 Any provision hereof to the contrary notwithstanding, solely for United States federal income tax purposes, each of the Members hereby recognizes that the Company may be subject to the provisions of Subchapter K of Chapter 1 of Subtitle A of the Code; provided, however, the filing of U.S. Partnership Returns of Income shall not be construed to extend the purposes of the Company or expand the obligations or liabilities of the Members.
- 5.4.2 The Manager(s) shall prepare or cause to be prepared all tax returns and statements, if any, that must be filed on behalf of the Company with any taxing authority, and shall make timely filing thereof. Within one-hundred twenty (120) days after the end of each calendar year, the Manager(s) shall prepare or cause to be prepared and delivered to each Member a report setting forth in reasonable detail the information with respect to the Company during such calendar year reasonably required to enable each Member to prepare his or its federal, state and local income tax returns in accordance with applicable law then prevailing.

Shawn and Ben: I made some minor edits on Schedule B and answered some of Ben's questions.

I do not know how to address the concept of the "Dutch Auction" after much thought. We discussed that you want to be able to name a price and either get bought or buy at the offer price. I can write that provision, but I am not sure it makes sense because Ben has put in more than double the capital of Shawn. So if Ben names a price to be bought out, that price has to reflect getting his capital back. But if Shawn can say, "You can buy my units at that price", Ben might be severely overpaying. Maybe we could take a few minutes to discuss how you want to resolve?

Another approach would be to have an appraiser value your respective interests and capital and establish a price for each of you. Then Ben could say to Shawn, "Buy my units for XX\$ or I can buy your units for Y\$", all based on an independent appraisal?

The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company, and that, with respect to any criminal action or proceeding, he or she had reasonable cause to believe that his or her conduct was unlawful.

Section 2. Indemnification: Proceeding by Company. The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that he or she is or was a Manager, Member, officer, employee or agent of the Company, or is or was serving at the request of the Company as a manager, member, shareholder, director, officer, partner, trustee, employee or agent of any other Person, joint venture, trust or other

enterprise against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by him or her in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Company. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the Company or for amounts paid in settlement to the Company, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Section 3. Mandatory Indemnification. To the extent that a Manager, Member, officer, employee or agent of the Company has been successful on the merits or otherwise in defense of any action, suit or proceeding described in Article XI, Sections 1 and 2, or in defense of any claim, issue or matter therein, he or she must be indemnified by the Company against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense.

Section 4. Authorization of Indemnification. Any indemnification under Article XI, Sections 1 and 2, unless ordered by a court or advanced pursuant to Section 5, may be made by the Company only as authorized in the specific case upon a determination that indemnification of the Manager, Member, officer, employee or agent is proper in the circumstances. The determination must be made by a majority of the Members if the person seeking indemnity is not a majority owner of the Member Interests or by independent legal counsel selected by the Manager in a written opinion.

Section 5. Mandatory Advancement of Expenses. The expenses of Managers, Members and officers incurred in defending a civil or criminal action, suit or proceeding must be paid by the Company as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the Manager, Member or officer to repay the amount if it is ultimately determined by a court of competent jurisdiction that he or she is not entitled to be indemnified by the Company. The provisions of this Section 5 do not affect any rights to advancement of expenses to which personnel of the Company other than Managers, Members or officers may be entitled under any contract or otherwise.

Section 6. Effect and Continuation. The indemnification and advancement of expenses authorized in or ordered by a court pursuant to Article XI, Sections 1 – 5, inclusive:

(A) Does not exclude any other rights to which a person seeking indemnification or advancement of expenses may be entitled under the Articles of Organization or any limited liability company agreement, vote of Members or disinterested Managers, if any, or otherwise, for either an action in his or her official capacity or an action in another capacity while holding his or her office, except that indemnification, unless ordered by a court pursuant to Article XI, Section 2 or for the advancement of expenses made pursuant to Section Article XI, may not be made to or on behalf of any Member, Manager or officer if a final adjudication establishes that his or her acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and was material to the cause of action.

(B) Continues for a person who has ceased to be a Member, Manager, officer, employee or agent and inures to the benefit of his or her heirs, executors and administrators.

(C) Notice of Indemnification and Advancement. Any indemnification of, or advancement of expenses to, a Manager, Member, officer, employee or agent of the Company in accordance with this Article XI, if arising out of a proceeding by or on behalf of the Company, shall be reported in writing to the Members with or before the notice of the next Members' meeting.

(D) Repeal or Modification. Any repeal or modification of this Article XI by the Members of the Company shall not adversely affect any right of a Manager, Member, officer, employee or agent of the Company existing hereunder at the time of such repeal or modification.

4.6.3 When Company property is distributed in kind (whether in connection with liquidation and dissolution or otherwise), the Capital Accounts of the Members shall first be adjusted to reflect the manner in which the unrealized income, gain, loss and deduction inherent in such property (that has not been

reflected in the Capital Account previously) would be allocated among the Members if there were a taxable disposition of such property for the fair market value of such property (taking into account Section 7701(g) of the Code) on the date of distribution.

- 4.6.4 The Members shall direct the Company's accountants to make all necessary adjustments in each Member's Capital Account as required by the capital accounting rules of Section 704(b) of the Code and the regulations thereunder.

ALLOCATION OF PROFITS AND LOSSES; TAX AND ACCOUNTING MATTERS

- 5.2 Allocations. Each Member's distributive share of income, gain, loss, deduction or credit (or items thereof) of the Company as shown on the annual federal income tax return prepared by the Company's accountants or as finally determined by the United States Internal Revenue Service or the courts, and as modified by the capital accounting rules of Section 704(b) of the Code and the Income Tax Regulations thereunder, as implemented by Section 8.5 hereof, as applicable, shall be determined as follows:

- 5.2.1 Allocations. Except as otherwise provided in this Section 1.1:

- 5.2.1.1 items of income, gain, loss, deduction or credit (or items thereof) shall be allocated among the members in proportion to their Percentage Interests as set forth in *Exhibit "B"*, subject to the Preferred Allocation schedule contained in *Exhibit "B"*, except that items of loss or deduction allocated to any Member pursuant to this Section 2.1 with respect to any taxable year shall not exceed the maximum amount of such items that can be so allocated without causing such Member to have a deficit balance in his or its Capital Account at the end of such year, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations. Any such items of loss or deduction in excess of the limitation set forth in the preceding sentence shall be allocated as follows and in the following order of priority:

Members as necessary to eliminate any deficit Capital Account balances and thereafter to bring the relationship among the Members' positive Capital Account balances in accord with their pro rata interests.

- 5.2.2 Allocations With Respect to Property Solely for tax purposes, in determining each Member's allocable share of the taxable income or loss of the Company, depreciation, depletion, amortization and gain or loss with respect to any contributed property, or with respect to revalued property where the Company's property is revalued pursuant to paragraph (b)(2)(iv)(f) of Section 1.704-1 of the Income Tax Regulations, shall be allocated to the Members in the manner (as to revaluations, in the same manner as) provided in Section 704(c) of the Code. The allocation shall take into account, to the full extent required or permitted by the Code, the difference between the adjusted basis of the property to the Member contributing it (or, with respect to property which has been revalued, the adjusted basis of the property to the Company) and the fair market value of the property determined by the Members at the time of its contribution or revaluation, as the case may be.
- 5.2.3 Minimum Gain Chargeback. Notwithstanding anything to the contrary in this Section 2.1, if there is a net decrease in Company Minimum Gain or Company Nonrecourse Debt Minimum Gain (as such terms are defined in Sections 1.704-2(b) and 1.704-2(i)(2) of the Income Tax Regulations, but substituting the term "Company" for the term "Partnership" as the context requires) during a Company taxable year, then each Member shall be allocated items of Company income and gain for such year (and, if necessary, for subsequent years) in the manner provided in Section 1.704-2 of the Income Tax Regulations. This provision is intended to be a "minimum gain chargeback" within the meaning of Sections 1.704-2(f) and 1.704-2(i)(4) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.
- 5.2.4 Qualified Income Offset. Subject to the provisions of subsection 2.1.3, but otherwise notwithstanding anything to the contrary in this Section 2.1, if any Member's Capital Account has a deficit balance in excess of such Member's obligation to restore his or its Capital Account balance, computed in accordance with the rules of paragraph (b)(2)(ii)(d) of Section 1.704-1 of the Income Tax Regulations, then sufficient amounts of income and gain (consisting of a pro rata portion of each item of Company income, including gross income, and gain for such year) shall be allocated to such Member in an amount and manner sufficient to eliminate such deficit as quickly as possible. This provision is intended to be a "qualified income offset" within the meaning of Section 1.704-1(b)(2)(ii)(d) of the Income Tax Regulations and shall be interpreted and implemented as therein provided.
- 5.2.5 Depreciation Recapture. Subject to the provisions of Section 704(c) of the Code and subsections 2.1.2 – 2.1.4, inclusive, of this Agreement, gain recognized (or deemed recognized under the provisions hereof) upon the sale

- 5.2.6 Loans If and to the extent any Member is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, any corresponding resulting deduction of the Company shall be allocated to the Member who is charged with the income. Subject to the provisions of Section 704(c) of the Code and subsections 2.1.2 – 2.1.4, inclusive, of this Agreement, if and to the extent the Company is deemed to recognize income as a result of any loans pursuant to the rules of Sections 1272, 1273, 1274, 7872 or 482 of the Code, or any similar provision now or hereafter in effect, such income shall be allocated to the Member who is entitled to any corresponding resulting deduction.
- 5.2.7 Tax Credits Tax credits shall generally be allocated according to Section 1.704-1(b)(4)(ii) of the Income Tax Regulations or as otherwise provided by law. Investment tax credits with respect to any property shall be allocated to the Members pro rata in accordance with the manner in which Company profits are allocated to the Members under subsection 2.1.1 hereof, as of the time such property is placed in service. Recapture of any investment tax credit required by Section 47 of the Code shall be allocated to the Members in the same proportion in which such investment tax credit was allocated.
- 5.2.8 Change of Pro Rata Interests. Except as provided in subsections 2.1.6 and 2.1.7 hereof or as otherwise required by law, if the proportionate interests of the Members of the Company are changed during any taxable year, all items to be allocated to the Members for such entire taxable year shall be prorated on the basis of the portion of such taxable year which precedes each such change and the portion of such taxable year on and after each such change according to the number of days in each such portion, and the items so allocated for each such portion shall be allocated to the Members in the manner in which such items are allocated as provided in section 2.1.1 during each such portion of the taxable year in question.
- 5.2.9 Effect of Special Allocations on Subsequent Allocations. Any special allocation of income or gain pursuant to subsections 2.1.3 or 2.1.4 hereof shall be taken into account in computing subsequent allocations of income and gain pursuant to this Section 9.1 so that the net amount of all such allocations to each Member shall, to the extent possible, be equal to the net amount that would have been allocated to each such Member pursuant to the provisions of this Section 2.1 if such special allocations of income or gain under subsection 2.1.3 or 2.1.4 hereof had not occurred.
- 5.2.10 Nonrecourse and Recourse Debt. Items of deduction and loss attributable to Member nonrecourse debt within the meaning of Section 1.7042(b)(4) of the

Income Tax Regulations shall be allocated to the Members bearing the economic risk of loss with respect to such debt in accordance with Section 1704-2(i)(1) of the Income Tax Regulations. Items of deduction and loss attributable to recourse liabilities of the Company, within the meaning of Section 1.752-2 of the Income Tax Regulations, shall be allocated among the Members in accordance with the ratio in which the Members share the economic risk of loss for such liabilities.

- 5.2.11 State and Local Items. Items of income, gain, loss, deduction, credit and tax preference for state and local income tax purposes shall be allocated to and among the Members in a manner consistent with the allocation of such items for federal income tax purposes in accordance with the foregoing provisions of this Section 2.1.
