14:41:11	1	Page 1286 said the difference? You were talking about this
14:41:13	2	number?
14:41:13	3	A. I was talking about this number
14:41:15	4	Q. Okay.
14:41:26	5	A under COP.
14:41:30	6	Q. At that meeting never mind.
14:41:34	7	Let's take a look at Exhibit 180. Now, we looked
14:41:56	8	at the difference between this 180 and Exhibit 14. In
14:42:01	9	the bottom part of this the bottom part of
14:42:08	10	Mr. Gerrard pointed out at the bottom part of this. All
14:42:13	11	the parts under the double underscored figure of
14:42:15	12	\$95,272.65 have been redacted. Do you see that there's
14:42:27	13	some handwriting here that points to Shawn? There's an
14:42:31	14	arrow going back and forth with the date of April 19,
14:42:34	15	2013?
14:42:34	16	A. Yeah.
14:42:36	17	Q. Do you know whose handwriting that is?
14:42:39	18	A. It is the handwriting of Alex.
14:42:46	19	Q. Does that indicate that you received this
14:42:49	20	document on April 19, 2013? Let me rephrase that.
14:42:53	21	Did you receive this document before April 19,
14:42:58	22	2013?
14:42:58	23	A. I don't think so.
14:43:00	24	Q. If you had received the document before April 19,
14:43:03	25	2013, do you think that date would have been on there?

14:43:07	1	Page 1287 A. I don't think it would have.
14:43:09	2	MR. GERRARD: Hold on. I'm going to object.
14:43:12	3	Calls for speculation. There's no foundation that he
14:43:15	4	would have any personal knowledge of who wrote that
14:43:17	5	number.
14:43:18	6	ARBITRATOR WALL: That's the state of the
14:43:19	7	evidence, but I'm going to overrule the objection.
14:43:22	8	MR. LEWIN: I thought he just said that it was
14:43:25	9	Alex.
14:43:27	10	MR. GERRARD: He said he thought that that's
14:43:30	11	whose handwriting it was, but he didn't say what that
14:43:30	12	number means or
14:43:30	13	BY MR. LEWIN:
14:43:33	14	Q. It's not your handwriting. Right?
14:43:35	15	A. No.
14:43:35	16	Q. When you received this document, this date was on
14:43:39	17	it?
14:43:39	18	A. Yes.
14:43:39	19	Q. Do you have any reason to believe that you
14:43:41	20	received this document in 2012 when the sale was
14:43:45	21	completed?
14:43:46	22	A. I have reason to believe that I received this
14:43:51	23	document at the meeting because the penmanship of Henry
14:43:57	24	at the bottom says Alex.
14:43:59	25	Q. Okay. Looking at Exhibit 206, these are
	i	

14:44:48	1	documents that were produced on your behalf in this
14:44:55	2	case. My question is: Is the fact that you produced
14:44:58	3	these documents, do you know when you received them?
14:45:00	4	A. No, I don't know.
14:45:01	5	Q. Okay. Mr. Gerrard asked you a bunch of questions
14:45:47	6	about "Do you have any evidence? Do you have any
14:45:50	7	evidence?" In those instances where you said no, did
14:45:54	8	you believe that your testimony constituted evidence?
14:46:00	9	A. Are you talking about the credit card?
14:46:02	10	Q. No. I'm talking about he asked you other
14:46:06	11	questions. I'm going to get into the credit card. He
14:46:08	12	asked you questions, "Do you have any evidence," for
14:46:13	13	example, and you said no. Did you believe that did
14:46:15	14	you understand that
14:46:16	15	MR. GERRARD: Objection. Leading.
14:46:19	16	ARBITRATOR WALL: I haven't heard the question
14:46:21	17	yet.
14:46:21	18	BY MR. LEWIN:
14:46:22	19	Q. When you were answering Mr. Gerrard's questions
14:46:25	20	about "Do you have any evidence" or "Have you produced
14:46:28	21	any evidence," did you believe that your testimony
14:46:30	22	constituted evidence?
14:46:32	23	MR. GERRARD: Objection. Leading.
14:46:35	24	A. I
14:46:35	25	MR. GERRARD: He's not asking what did you mean
	I	

14:46:38	1	Page 1289 when you made that statement. He's telling him what
14:46:38	2	he he's
14:46:42	3	ARBITRATOR WALL: It's a legal argument. Okay?
14:46:46	4	I guess what I'm saying is whether he's aware that his
14:46:51	5	testimony might be considered evidence isn't really
14:46:54	6	important for me to hear from him. His opinion on that
14:46:58	7	is not really terribly relevant to me. We know that
14:47:02	8	testimony can be evidence and that a lot of the
14:47:04	9	questions were "Do you have any Emails or documents?"
14:47:07	10	Things like that. "Have you ever seen any exhibits?"
14:47:10	11	Things like that. So I get that his testimony could be
14:47:13	12	evidence, but it isn't necessary for me to know that he
14:47:15	13	knows that.
14:47:16	14	MR. LEWIN: Fair enough.
14:47:16	15	BY MR. LEWIN:
14:47:19	16	Q. Mr. Gerrard asked you questions about if the
14:47:23	17	property was listed for 6 million dollars. Remember
14:47:27	18	those discussions?
14:47:29	19	A. Yes.
14:47:29	20	MR. GERRARD: I actually said in excess of 6
14:47:32	21	million.
14:47:32	22	ARBITRATOR WALL: 6.3. Was that the number?
14:47:32	23	BY MR. LEWIN:
14:47:36	24	Q. He talked about the property. Whatever that
14:47:38	25	listing agreement was in excess of 6 million dollars,

14:47:43	1	Page 1290 did that include Greenway?
14:47:45	2	A. No.
14:47:45	3	Q. He asked you questions about whether you had any
14:48:03	4	evidence regarding the credit card. Take a look at
14:48:22	5	Exhibit 40. I'm sorry. I'm sorry. It's not
14:48:46	6	Exhibit 40. I apologize. It's exhibit I don't have
14:48:49	7	my it's Exhibit 40 in the first arbitration exhibits.
14:49:01	8	ARBITRATOR WALL: Is that 198?
14:49:06	9	MR. GARFINKEL: What is it?
14:49:09	10	MR. GERRARD: Yeah. That's 198.
14:49:14	11	A. 198?
14:49:14	12	BY MR. LEWIN:
14:49:17	13	Q. Yes.
14:49:18	14	MR. GARFINKEL: I'll get it. Do you have it?
14:49:37	15	THE WITNESS: No.
14:49:40	16	ARBITRATOR WALL: It's only a couple of pages
14:49:42	17	away from 199.
14:49:44	18	MR. GARFINKEL: You mean what
14:49:46	19	ARBITRATOR WALL: What he's going to be looking
14:49:48	20	at.
14:49:49	21	MR. GERRARD: I didn't ask any questions about
14:49:53	22	ARBITRATOR WALL: You asked about the credit
14:49:55	23	card.
14:49:55	24	MR. GERRARD: I asked if it had been used to pay
14:50:01	25	the deposit.
	ı	I

		Dago 1901
14:50:04	1	Page 1291 ARBITRATOR WALL: Correct.
14:50:04	2	MR. GERRARD: To pay the deposit or any portion
14:50:05	3	of the purchase price for his property.
14:50:09	4	ARBITRATOR WALL: Correct.
14:50:11	5	MR. GERRARD: Good.
14:50:12	6	MR. GARFINKEL: Where is it?
14:50:15	7	ARBITRATOR WALL: Do you see where it says
14:50:17	8	Exhibit 40 at the bottom, about five or six pages
14:50:20	9	away
14:50:20	10	MR. GARFINKEL: Yep.
14:50:20	11	BY MR. LEWIN:
14:50:24	12	Q. Your credit card wasn't charged. Right?
14:50:27	13	A. They were blocked.
14:50:31	14	Q. All right.
14:50:33	15	A. I couldn't use them.
14:50:36	16	Q. Mr. Gerrard asked you questions about opening an
14:50:57	17	escrow?
14:50:57	18	A. Yes.
14:50:58	19	Q. Had you opened an escrow since the first
14:51:00	20	arbitration? I mean, first arbitration award.
14:51:05	21	A. Physically open
14:51:10	22	Q. Yeah.
14:51:11	23	A. No.
14:51:11	24	Q. Why not?
14:51:12	25	A. Well, I wrote a letter to Mr. Bidsal that I'm

Litigation Services | 800-330-1112 www.litigationservices.com

14:51:17	1	Page 1292 ready to open escrow and to consummate the deal that is
14:51:23	2	in place, and he wrote me back that we are not in
14:51:26	3	agreement and we can't open
14:51:29	4	Q. I'm talking about the first arbitration. After
14:51:32	5	the judgment was entered in this case. That's what I'm
14:51:36	6	talking about.
14:51:36	7	A. After, if I open?
14:51:39	8	Q. Yes.
14:51:40	9	A. I didn't even I don't think so because nothing
14:51:46	10	had changed. Everything was the same and he was
14:51:55	11	continuing
14:51:56	12	Q. When you say you were still ready, what do you
14:52:00	13	mean?
14:52:00	14	A. I had the funds ready. I was able to close and I
14:52:06	15	intended I wanted to. I was willing to close the
14:52:12	16	deal.
14:52:12	17	MR. LEWIN: I have nothing further.
14:52:14	18	ARBITRATOR WALL: Anything else?
14:52:17	19	MR. GERRARD: Yeah. One question. Maybe two.
14:52:19	20	ARBITRATOR WALL: Okay.
14:52:19	21	FURTHER EXAMINATION
14:52:19	22	BY MR. GERRARD:
14:52:20	23	Q. So you were looking at this Exhibit 40 which was
14:52:23	24	a part of Exhibit 198. That document does not show that
14:52:27	25	your credit card was used for any deposit or to pay any
	1	

		D 1002
14:52:34	1	portion of the purchase price for this property, does
14:52:36	2	it?
14:52:36	3	A. It shows.
14:52:39	4	Q. Again, sir, that document does not show that your
14:52:43	5	credit card was used to pay any deposit or pay any
14:52:50	6	portion of the purchase price for this property, does
14:52:54	7	it?
14:52:54	8	MR. LEWIN: Objection. Asked and answered,
14:52:58	9	vague.
14:52:59	10	ARBITRATOR WALL: It's not vague. I'll allow it.
14:53:02	11	You may answer. Does that document show that
14:53:07	12	your credit card was used for the deposit to purchase
14:53:10	13	the note in May of 2011?
14:53:13	14	THE WITNESS: It doesn't say.
14:53:15	15	ARBITRATOR WALL: All right.
14:53:16	16	MR. GERRARD: Nothing further.
14:53:18	17	ARBITRATOR WALL: All right. So what's left?
14:53:25	18	MR. GERRARD: The only other thing
14:53:29	19	ARBITRATOR WALL: Hold on.
14:53:31	20	MR. GERRARD: I thought you were asking me. I'm
14:53:33	21	sorry.
14:53:33	22	ARBITRATOR WALL: And I was and I stopped. I
14:53:36	23	apologize.
14:53:38	24	So your case in chief still has potentially
14:53:42	25	Mr. Main's deposition?
	I	

14:53:43	1	Page 1294 MR. GERRARD: That's it. That's correct.
14:53:46	2	ARBITRATOR WALL: Have you had a chance to review
14:53:48	3	those?
14:53:49	4	MR. LEWIN: I have, and I sent counsel an Email
14:53:52	5	this morning telling him which ones I was going to
14:53:56	6	object to and identifying the parts that were put in.
14:54:04	7	ARBITRATOR WALL: Okay. So we had designations
14:54:06	8	and cross-designations and objections.
14:54:11	9	MR. LEWIN: Mr. Gerrard was correct that the vast
14:54:14	10	majority of his questions took place during mine
14:54:18	11	during my examination. I had some issues with the ones
14:54:26	12	that he did because I never had a chance to follow up
14:54:27	13	with those as he would have had a chance to follow up
14:54:29	14	with mine. I think that's only two or three sections he
14:54:34	15	wanted to read. I had objections within those sections
14:54:36	16	as well.
14:54:38	17	ARBITRATOR WALL: Okay. Can those objections be
14:54:41	18	resolved by meet and confer or do I need to rule on
14:54:44	19	this?
14:54:44	20	MR. GERRARD: We haven't seen any authority of
14:54:46	21	any kind that would say that this deposition transcript
14:54:49	22	and our cross-examination questions can't be utilized.
14:54:52	23	It was Mr. Lewin's responsibility to make sure that when
14:54:55	24	he Noticed his deposition that he Noticed it for
14:54:59	25	sufficient time for everyone to be able to ask their
	ı	l e la companya de l

		Page 1295
14:55:03	1	questions.
14:55:03	2	What ended up happening was Mr. Lewin did not
14:55:06	3	coordinate with Mr. Main and ask him how much time he
14:55:10	4	would have available and what was going to happen on
14:55:12	5	that day. He started the deposition, and then
14:55:16	6	two-thirds of the way through the deposition we find out
14:55:18	7	that Mr. Main
14:55:21	8	ARBITRATOR WALL: About halfway.
14:55:23	9	MR. GERRARD: had a prior commitment, and so
14:55:27	10	then Mr. Lewin asked questions for, you know I'm
14:55:30	11	going to call it nine-tenths of the deposition. I got
14:55:37	12	like 20 minutes. He had like three hours to ask
14:55:41	13	questions. So there's no rule. There's no legal
14:55:45	14	authority that says that just because he didn't finish
14:55:48	15	asking his questions that the questions that were asked
14:55:51	16	can't be used in a deposition, in a trial, or an
14:55:55	17	arbitration. There's just no authority for that, and I
14:55:58	18	further point out if Mr. Lewin wanted to follow up and
14:56:02	19	complete that deposition, then he needed to do something
14:56:05	20	about it. He needed to, you know, contact Mr. Main's
14:56:09	21	counsel, and if Mr. Main's counsel didn't agree, then he
14:56:13	22	needed to get with Your Honor to compel the remainder of
14:56:18	23	that deposition to be completed. But he didn't do
14:56:20	24	anything.
14:56:20	25	ARBITRATOR WALL: He did file a motion.

		Page 1296
14:56:24	1	MR. GERRARD: He did what?
14:56:25	2	ARBITRATOR WALL: He filed a Motion to Compel to
14:56:29	3	require Mr. Main to sit for a second deposition.
14:56:32	4	MR. GERRARD: Right. Which went nowhere.
14:56:36	5	ARBITRATOR WALL: Well, yeah.
14:56:37	6	MR. GERRARD: So that's the point is that, you
14:56:37	7	know, there's no legal basis for them to argue that our
14:56:41	8	cross-examination questions can't be used. His
14:56:44	9	questions can be used but that mine can't. That's the
14:56:48	10	purpose of cross-examination is for me to be able to ask
14:56:51	11	my own questions in that deposition. And if somebody
14:56:54	12	Notices a deposition, the other party you know, we
14:56:55	13	don't both Notice the deposition. I have the
14:56:58	14	opportunity to ask my questions as well. I had very
14:57:01	15	little opportunity, but my questions are just as germane
14:57:05	16	to this action as his are, and there's no basis under
14:57:08	17	the law to exclude it.
14:57:10	18	ARBITRATOR WALL: Do you object to any of his
14:57:12	19	designations?
14:57:14	20	MR. GERRARD: No.
14:57:16	21	MR. GARFINKEL: Your Honor, I just want to say,
14:57:19	22	Mr. Gerrard made a number of representations to you that
14:57:22	23	simply are not true. We did file a motion, Your Honor.
14:57:25	24	I worked with his counsel, Mr. Flam, his general counsel
14:57:31	25	for the company, quite extensively to try and schedule
	I	

		2 1007
14:57:35	1	Page 1297 Mr. Main's deposition. I spoke to him multiple times,
14:57:39	2	and then we finally asked Mr. Main provided a
14:57:41	3	schedule of all the dates that he wasn't available. And
14:57:44	4	so once we looked at those, we were then able to come up
14:57:47	5	with dates that he was available.
14:57:50	6	ARBITRATOR WALL: For his original deposition or
14:57:52	7	for the follow-up?
14:57:53	8	MR. GARFINKEL: For the original deposition and
14:57:55	9	then the one that was actually taken.
14:57:57	10	ARBITRATOR WALL: No, no, no. I meant for the
14:57:59	11	one that was actually taken or to try to reschedule the
14:58:02	12	new one?
14:58:03	13	MR. GARFINKEL: No. Okay. So the one that was
14:58:04	14	taken, the date it was taken was based on his
14:58:09	15	availability. And I Noticed it up about a month in
14:58:12	16	advance because I wanted to schedule it. And when I
14:58:15	17	looked at the dates, I also took into consideration
14:58:20	18	dates that I knew that Mr. Gerrard and Mr. Shapiro were
14:58:24	19	also available. That's why I scheduled it for that
14:58:25	20	date, because I also knew their schedule. So I went
14:58:29	21	ahead and Noticed it up. I gave it to Mr. Flam. And
14:58:33	22	frankly, it was kind of shocking that Mr. Main, all of a
14:58:37	23	sudden, after a month of notice, said "I have
14:58:42	24	another engagement." And during the deposition we
14:58:45	25	thought that he agreed that he would come back. I then

		Page 1298
14:58:48	1	worked with his lawyer
14:58:50	2	ARBITRATOR WALL: It was a little ambiguous at
14:58:53	3	the end of his
14:58:53	4	MR. GARFINKEL: I worked with his lawyer quite
14:58:56	5	extensively to get another date. It's a matter of
14:59:00	6	Mr. Main and in-house. Now they said they're not going
14:59:03	7	to do it. They offered for questions.
14:59:06	8	ARBITRATOR WALL: Correct.
14:59:07	9	MR. GARFINKEL: We filed a motion, and so we did
14:59:10	10	pursue it. And Your Honor basically said "I can't force
14:59:13	11	him to appear for a deposition." Based on the prior
14:59:19	12	motion under the FAA, we would have to schedule we
14:59:19	13	talked about the possibility if they weren't going to
14:59:23	14	voluntarily appear, that you would order them to appear
14:59:24	15	at the arbitration hearing. I mean, we're looking at a
14:59:28	16	remedy for that.
14:59:31	17	Your Honor, if there's anything I'm missing
14:59:33	18	misstating, I stand corrected.
14:59:35	19	ARBITRATOR WALL: The order I'm sorry.
14:59:38	20	MR. GARFINKEL: If there's anything I misstated,
14:59:40	21	I stand corrected.
14:59:42	22	ARBITRATOR WALL: You're correct with regard to
14:59:44	23	the order for him to have a second deposition. I was
14:59:50	24	aware of the offer from Mr. Main's counsel to allow him
14:59:55	25	to submit to written questions under Rule 31, I think.

		7 1000
15:00:01	1	Page 1299 And in that order, although it may have been in a
15:00:07	2	footnote, the rule requires leave of Court for that, and
15:00:12	3	I short circuited that requirement, I think, in the
15:00:15	4	order and said "Consider this leave granted and go ahead
15:00:21	5	and go forth with written questions to Mr. Main if
15:00:25	6	that's your desire." I remember that.
15:00:33	7	So to go back to what Mr. Gerrard said about
15:00:38	8	authority that the questions he asked of Mr. Main can't
15:00:44	9	be used because there was no redirect, I'm not aware of
15:00:53	10	authority, but I can't tell you I've ever looked. Is
15:01:00	11	there any?
15:01:01	12	MR. LEWIN: I don't know. It's an incomplete
15:01:04	13	deposition. The bottom line is that with respect to the
15:01:06	14	areas that he's identified, I really only have I told
15:01:12	15	him which ones I'm going to object to, and my objections
15:01:15	16	are in addition to the fact that I didn't have a chance
15:01:18	17	to cross-examine him on it.
15:01:21	18	Just by way of a side note, I think and I
15:01:25	19	think the evidence will show when we get to the closing
15:01:28	20	argument that the reason why Mr. Main aborted the
15:01:30	21	deposition is because Mr. Bidsal didn't like the way he
15:01:35	22	was answering questions. But that's neither here nor
15:01:39	23	there.
15:01:40	24	ARBITRATOR WALL: How is the evidence in closing
15:01:42	25	argument going to show that?
	i	

15:01:43	1	Page 1300 MR. LEWIN: I think when we summarize what's
15:01:46	2	happened with Mr. Main and how he's dealt with my client
15:01:50	3	as opposed to
15:01:51	4	ARBITRATOR WALL: Is this something that's in the
15:01:53	5	deposition?
15:01:54	6	MR. LEWIN: No. Well, it will be a summary of
15:01:54	7	what I think. I assume he was biased. I think he was
15:01:55	8	biased. I believe that we should be able to show that.
15:02:00	9	I believe that's what you'll see.
15:02:02	10	ARBITRATOR WALL: You just sort of casually
15:02:06	11	dropped an allegation that counsel for claimant
15:02:09	12	conferred with the witness and encouraged him not to
15:02:12	13	appear for a second deposition, and I want to know
15:02:15	14	before we complete the record on this I haven't read
15:02:22	15	his deposition, so I don't know if there's testimony in
15:02:24	16	his deposition that supports anything like that
15:02:28	17	contention or what other evidence you have, because you
15:02:31	18	just sort of dropped it in there and said the evidence
15:02:34	19	at closing argument will show support for your
15:02:39	20	suggestion that either Mr. Bidsal or his counsel
15:02:43	21	encouraged Mr. Main not to reappear.
15:02:46	22	MR. LEWIN: I didn't no. That's not what I
15:02:50	23	intended to say. I said I think that Mr. Bidsal doesn't
15:02:54	24	like his testimony. Obviously I'm not privy to the
15:02:59	25	conversations with them, but I do think the evidence
	ı	

15:03:02	1	Page 1301 will show that Mr. Main was biased. And the fact that
15:03:04	2	all of a sudden I think there's an inference that can
15:03:08	3	be drawn out of all of a sudden, after he gives certain
15:03:09	4	testimony, which I think is important, he decides "I
15:03:11	5	can't go forward" and later "I'm not going to reappear,"
15:03:15	6	and then later asks for only things to be done by
15:03:19	7	interrogatory.
15:03:19	8	Look, the issue really is about whether the
15:03:22	9	transcript can be used. As I said, I have there's
15:03:28	10	really only I indicated some objections that I have
15:03:33	11	to his testimony. Let's proceed with his testimony.
15:03:37	12	We'll make the objections as we go along.
15:03:42	13	ARBITRATOR WALL: Just read it and make them
15:03:44	14	contemporaneously.
15:03:47	15	MR. GERRARD: That's fine with me.
15:03:47	16	ARBITRATOR WALL: How much are we talking about?
15:03:47	17	MR. GERRARD: I told you originally that I
15:03:48	18	thought it would probably take us about 45 minutes to
15:03:51	19	read it in. He's given some additional stuff that he's
15:03:58	20	read. I think it could be done in an hour.
15:04:02	21	ARBITRATOR WALL: Do we still have Mr. Bidsal to
15:04:04	22	testify?
15:04:04	23	MR. GERRARD: No.
15:04:04	24	ARBITRATOR WALL: Was that suggested yesterday or
15:04:06	25	did I imagine it?
	i	

1	Page 1302 MR. SHAPIRO: We said we reserve the right to do
2	a rebuttal.
3	ARBITRATOR WALL: After Mr. LeGrand?
4	MR. GERRARD: But we're not planning a rebuttal
5	case.
6	MR. SHAPIRO: I guess, yes, after Mr. LeGrand,
7	yeah, we would, but at this point we don't think we need
8	any rebuttal at all.
9	MR. GERRARD: I still want to respond to what
10	Mr. Lewin said because that's on the record and I take
11	great exception to it.
12	We had no communications of any kind with
13	Mr. Main or his attorney asking them not to cooperate
14	with answering questions. And to suggest that he's
15	biased I think is the most ridiculous thing I've heard
16	during this arbitration. He gave his testimony about
17	what it is that he did and what happened and his
18	interpretation of the agreement that he had to make in
19	order to do the things that he has to do as an
20	accountant. To suggest that he's biased, I mean, you
21	can make whatever arguments you want to make during the
22	case, but to suggest that we were somehow involved in
23	trying to elicit testimony from him that would be in
24	favor of Mr. Bidsal is ridiculous, and there's not one
25	shred of evidence to support it. None.
	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24

15:05:18	1	Page 1303 In fact, I had communications with his attorney
15:05:20	2	and asked if they would like to meet with us before the
15:05:23	3	deposition to prepare for the deposition and he
15:05:25	4	specifically said no; that Mr. Main did not want to meet
15:05:29	5	to discuss anything because he didn't want to be on
15:05:32	б	anybody's side in this case. He wanted to just say what
15:05:35	7	it was that had been done. And you also heard testimony
15:05:37	8	from your own expert witness and from our expert
15:05:40	9	witness, both who said Mr. Main has a very good
15:05:43	10	reputation in this town as a certified public
15:05:46	11	accountant. And I taking exception to what you said,
15:05:49	12	and there's no support for that. There's no evidence of
15:05:52	13	any kind.
15:05:54	14	I'm prepared to proceed and read in, and if
15:05:57	15	there's objections, he can raise them at the time, but I
15:05:59	16	reiterate there's no authority that says that supposedly
15:06:01	17	his questions can be read in during his 88 percent of
15:06:05	18	the time spent in the deposition where he was asking
15:06:08	19	questions and my 12 percent of the time wouldn't be
15:06:11	20	allowed.
15:06:12	21	ARBITRATOR WALL: Is that the only basis for the
15:06:15	22	objections?
15:06:16	23	MR. LEWIN: No, no. I want to make it clear.
15:06:18	24	I'm not suggesting that I was privy to any conversations
15:06:22	25	between Mr. Gerrard or Mr. Shapiro or Mr. Bidsal with
	I	

15:06:29	1	Page 1304 Mr. Main. I believe there's an inference that will be
15:06:33	2	drawn regarding his bias, whether that is a result of a
15:06:36	3	communication with anybody or his lawyer.
15:06:39	4	ARBITRATOR WALL: That's different from you
15:06:43	5	couched it in terms of the reason he didn't reappear for
15:06:47	6	deposition.
15:06:47	7	MR. LEWIN: I couched it the reason I think he
15:06:50	8	aborted the deposition. If I was unclear about that, I
15:06:55	9	think those were my exact words. That's the reason he
15:06:59	10	aborted the deposition.
15:07:03	11	But the bottom line is, I'm withdrawing the
15:07:06	12	objection about using the cross-examination.
15:07:06	13	ARBITRATOR WALL: Okay.
15:07:06	14	MR. LEWIN: Because that's as I realized this
15:07:08	15	morning when I was going through it, since he's reading
15:07:09	16	a lot of my stuff, it wouldn't seem to be fair. But I
15:07:13	17	do have an issue that if we want to take the time to
15:07:17	18	read this or just go through them.
15:07:21	19	ARBITRATOR WALL: We've got the time now. I'd
15:07:23	20	rather just do it now.
15:07:25	21	MR. GERRARD: That's our preference, Your Honor.
15:07:32	22	MR. LEWIN: I have Main's deposition here. We
15:07:52	23	have the original.
15:07:52	24	ARBITRATOR WALL: Instead of opening the original
15:07:56	25	and publishing it, does anybody have an objection to

		Page 1305
15:07:59	1	just using the copy?
15:08:04	2	MR. LEWIN: I need a couple minutes. I'm looking
15:08:04	3	for my the other document where I refer to my parts
15:08:07	4	and his parts. Can I just get a copy of that?
15:08:11	5	ARBITRATOR WALL: I'll just give it to you.
15:08:11	6	MR. GERRARD: I'll give you a copy of what you
15:08:14	7	sent to me earlier.
15:08:16	8	ARBITRATOR WALL: Okay. So these are the
15:08:21	9	portions.
15:08:23	10	MR. GERRARD: Those are the portions of the
15:08:23	11	transcript that we're going to read in. He has some
15:08:24	12	others that I just gave him back. I printed out his
15:08:26	13	Email to me and gave it to him.
15:08:29	14	MR. LEWIN: The back part is the part that I
15:08:31	15	object to.
15:08:33	16	ARBITRATOR WALL: Okay. I'm going to need a
15:08:43	17	all right. Go ahead.
15:08:43	18	MR. LEWIN: What I need is did you have
15:08:44	19	MR. GERRARD: I'm going to ask the questions and
15:08:47	20	have Mr. Shapiro give the answers, Your Honor, to read
15:08:47	21	it.
15:08:51	22	Do you want to come down here closer, Jim?
15:08:57	23	MR. SHAPIRO: Yeah. Want to trade seats?
15:09:00	24	MR. GERRARD: So she can hear you okay.
15:09:02	25	Do you still have a copy of the excerpts I'm

15:09:06	1	Page 1306 going through? Do you want another copy?
15:09:07	2	MR. LEWIN: No.
15:09:09	3	MR. GERRARD: Do you want one too?
15:09:13	4	MR. LEWIN: Can we open up this original
15:09:15	5	transcript, Your Honor?
15:09:17	6	ARBITRATOR WALL: Sure.
15:09:19	7	MR. LEWIN: If you want to read along.
15:09:21	8	MR. GARFINKEL: What do you want me to do? The
15:09:24	9	original?
15:09:25	10	ARBITRATOR WALL: Wait until they're ready.
15:09:32	11	MR. SHAPIRO: What page you starting on?
15:09:39	12	MR. GERRARD: 8.
15:09:40	13	ARBITRATOR WALL: Are we going to go
15:09:43	14	chronologically?
15:09:50	15	MR. GERRARD: I'm just going to go through mine
15:09:50	16	and then he can do his essentially cross-examination
15:09:50	17	with his excerpts.
15:09:50	18	MR. LEWIN: Whatever you want.
15:09:52	19	MR. GERRARD: We're going to go right through the
15:09:53	20	transcript from beginning to end, in this order.
15:09:56	21	ARBITRATOR WALL: Okay. Okay.
15:10:01	22	MR. GERRARD: Ready, Judge? Page 8, Line 20 to
15:10:06	23	Page 9, Line 19.
15:10:08	24	"And in connection with your work as a CPA, when
15:10:12	25	was the first time that you began doing any work for
	I	

15:10:15	1	Page 1307 Shawn Bidsal" I'm on the wrong page Page 8, Line
15:10:15	2	20.
15:10:22	3	"What is the highest level of education that you
15:10:22	4	have?"
15:10:27	5	MR. SHAPIRO: "College degree and some graduate
15:10:29	6	classes."
15:10:30	7	MR. GERRARD: "And where did you go to college?
15:10:32	8	MR. SHAPIRO: "UNLV."
15:10:33	9	MR. GERRARD: "And you're a certified public
15:10:33	10	accountant?"
15:10:33	11	MR. SHAPIRO: "That is correct."
15:10:33	12	MR. GERRARD: "And when did you when did you
15:10:33	13	first become a certified public accountant?"
15:10:39	14	MR. SHAPIRO: "1981."
15:10:40	15	MR. GERRARD: "And can you tell me where you
15:10:42	16	first where you first worked as a CPA as outlined in
15:10:45	17	your work history until now?"
15:10:45	18	MR. SHAPIRO: "I was first hired by a firm
15:10:49	19	Kafoury Armstrong & Turner. It was a statewide Nevada
15:10:52	20	firm. I worked in the Las Vegas office from 1979 to
15:10:56	21	1983. And then I took a job for a short period of time
15:11:00	22	in Salt Lake City with a real estate company, very
15:11:03	23	short. And then I returned to Las Vegas to join a firm,
15:11:06	24	Hilburn, Pitchford & Company, which subsequently became
15:11:12	25	Hilburn Main & Company, which subsequently became Main
	I	

15:11:17	1	Page 1308 Gorman & Company, which subsequently became Main
15:11:23	2	Amundson & Company. And we joined CliftonLarsenAllen
15:11:27	3	January 1st of 2017."
15:11:30	4	MR. GERRARD: Page 13, Line 20.
15:11:37	5	"Okay. Before you joined Clifton, did any of
15:11:39	6	your prior firms do any work for Green Valley Commerce,
15:11:43	7	LLC?"
15:11:44	8	MR. SHAPIRO: "Yes."
15:11:46	9	MR. GERRARD: "Okay. And what firms did work
15:11:47	10	that you were associated with I'm just going to call
15:11:51	11	it Green Valley, LLC, as Green Valley. Which one of
15:11:56	12	your firms had done work for Green Valley?"
15:11:57	13	MR. SHAPIRO: "It would have also been it
15:11:59	14	would have been Amundson, which was the predecessor to
15:12:02	15	us joining Clifton."
15:12:09	16	MR. GERRARD: Page 18, Line 3.
15:12:17	17	"In connection with Green Valley, was Shawn
15:12:20	18	Bidsal designated as an active or passive member?"
15:12:25	19	And Mr. Doerr said, "This is Blake Doerr talking
15:12:29	20	for Jim Main."
15:12:32	21	MR. LEWIN: Excuse me, Your Honor. I'm sorry to
15:12:33	22	interrupt. If there's colloquy or things that are not
15:12:36	23	pertinent, can we skip over those and just go to the
15:12:39	24	answer?
15:12:41	25	ARBITRATOR WALL: I'm not following along. I've
	ı	

15:12:43	1	Page 1309 just been taking notes. What are we talking about?
15:12:47	2	MR. GERRARD: Mr. Doerr was the counsel that
15:12:49	3	actually represented Mr. Main and his company. He was
15:12:55	4	raising some questions which in this context I don't
15:12:58	5	mind skipping over.
15:12:58	6	ARBITRATOR WALL: All right.
15:13:00	7	MR. GERRARD: That's fine.
15:13:03	8	MR. SHAPIRO: So Line 23. So the answer is,
15:13:07	9	"Yeah. I think what you're asking is, did you know,
15:13:11	10	what happens is there's activities get designated
15:13:15	11	into passive and active for purposes of tax
15:13:18	12	classification. What you're asking is something that is
15:13:21	13	generally determined at the participant in a partnership
15:13:26	14	level or a company level. And for that reason, that
15:13:29	15	question really is specific to to to Bidsal, not
15:13:34	16	really Green Valley. I mean, the treatment, the tax
15:13:37	17	treatment of a passive versus active is done on an
15:13:40	18	individual level, not at a company level."
15:13:43	19	MR. GERRARD: "Okay. Does that show up on the
15:13:45	20	K-1 that is issued with respect to Green Valley?"
15:13:49	21	MR. SHAPIRO: "I believe so."
15:13:51	22	MR. GERRARD: "Okay. All right. Did you
15:13:52	23	prepare did you prepare the tax returns for Green
15:13:55	24	Valley when I'm saying, like you as part of Clifton
15:13:57	25	as your prior firm?"
		I

15:13:59	1	Page 1310 MR. SHAPIRO: "We did."
15:14:00	2	MR. GERRARD: "And, you know, can you tell me for
15:14:00	3	what years?"
15:14:02	4	MR. SHAPIRO: "I think since the entity was
15:14:04	5	formed until till current we have."
15:14:05	6	MR. GERRARD: "So that would be approximately
15:14:08	7	2011 until through today. Is that correct?"
15:14:11	8	MR. SHAPIRO: "I believe so."
15:14:13	9	MR. GERRARD: Page 22, Line 4.
15:14:18	10	"From time to time did you ever communicate with
15:14:21	11	Ben Golshani, who's the principal of CLA Properties?"
15:14:24	12	MR. SHAPIRO: "Not necessarily directly. We had
15:14:26	13	some communication over the years. I believe Danielle
15:14:31	14	had talked to Ben about some tax returns and issues
15:14:34	15	during the years."
15:14:36	16	MR. GERRARD: Page 26, Line 4.
15:14:38	17	"Mr. Main, did you receive any instructions from
15:14:41	18	Shawn Bidsal with respect to communicating with Ben
15:14:44	19	Golshani regarding Green Valley accounting matters?"
15:14:48	20	MR. SHAPIRO: "No, I did not. If you mean was I
15:14:52	21	told not to communicate with Ben, the answer is no."
15:14:55	22	MR. GERRARD: Page 35.
15:15:01	23	MR. LEWIN: I have an objection to this section.
15:15:04	24	MR. GERRARD: Judge, can I go off the record for
15:15:06	25	one second?
	I	

		1011
15:15:30	1	Page 1311 (Discussion off the record.)
15:15:32	2	MR. GERRARD: We're on Page 35, Line 7,
15:15:41	3	through 36, 17, and as far as I know, Mr. Lewin did not
15:15:46	4	make any objections during the deposition so I'm not
15:15:49	5	sure we haven't asked any question yet, so
15:15:53	6	ARBITRATOR WALL: No, no, no. I mean, but the
15:15:54	7	question is Mr. Lewin is in the deposition.
15:15:57	8	MR. LEWIN: Yeah. My objection is that the
15:15:59	9	answer is speculative. It's not responsive to the
15:16:02	10	question. The question is the question says did he
15:16:06	11	request to see the operative
15:16:07	12	MR. GERRARD: Can we read the question so we can
15:16:09	13	deal with it?
15:16:10	14	MR. LEWIN: I'm sorry. That's no. It's the
15:16:14	15	answer that's the problem.
15:16:16	16	ARBITRATOR WALL: I understand. But I have to
15:16:18	17	read it to know. So the question is: "When you began
15:16:22	18	doing work for Green Valley, did you request to see the
15:16:25	19	operating agreement?" You're not saying that's
15:16:28	20	speculative?
15:16:30	21	MR. LEWIN: No, that's my question. It's a great
15:16:34	22	question.
15:16:34	23	ARBITRATOR WALL: Super. I'm going to allow that
15:16:36	24	question.
15:16:37	25	MR. GERRARD: Answer.
	ı	

15:16:38	1	Page 1312 MR. SHAPIRO: "I'm pretty sure it would have
15:16:40	2	been I don't have it up right now. I'm actually
15:16:44	3	pulling up Exhibit 1. I'm pretty sure it would have
15:16:45	4	been sent over and, in fact, put in the file for
15:16:47	5	Danielle, you know, to prepare the tax return or refer
15:16:50	6	to."
15:16:52	7	ARBITRATOR WALL: Okay. So did you have an
15:16:53	8	objection to that question and that answer?
15:16:56	9	MR. LEWIN: The answer is that you know, I'll
15:17:00	10	withdraw the objection to that question and answer.
15:17:03	11	MR. GERRARD: I would point out that if you don't
15:17:07	12	raise an objection during the deposition, it's waived
15:17:11	13	under the Rules.
15:17:11	14	MR. LEWIN: Hold on a second. The issue here
15:17:13	15	with some of these things we're going to be covering is
15:17:16	16	not an objection to my question. It's an objection to a
15:17:18	17	nonresponsive answer.
15:17:20	18	ARBITRATOR WALL: But it's withdrawn as to this
15:17:23	19	one.
15:17:23	20	MR. GERRARD: Line 16.
15:17:24	21	"It would have been your custom and practice when
15:17:26	22	you're doing accounting work, preparing tax returns for
15:17:30	23	an LLC, which is a limited liability company, to request
15:17:34	24	the operating agreement. Is that true?"
15:17:39	25	MR. SHAPIRO: "Yes."

		D . 1212
15:17:39	1	Page 1313 MR. GERRARD: "And is it is part of that also
15:17:41	2	because as part of your accounting work, you are you
15:17:44	3	prepared K-1s for the owners of the LLC?"
15:17:48	4	MR. SHAPIRO: "(Inaudible.) Oh, there is it is.
15:17:49	5	Never mind. Never mind. Sorry about that. Go ahead,
15:17:53	6	Rod."
15:17:54	7	MR. GERRARD: "Can you read the last question
15:17:56	8	back, please."
15:17:56	9	And then the witness answered on Line 7.
15:18:00	10	MR. SHAPIRO: "I think the question was do we
15:18:01	11	normally get an operating agreement as part or our tax
15:18:05	12	preparation for an LLC tax return, and the answer is
15:18:07	13	yes, we generally do. It's an exception if we don't."
15:18:11	14	MR. GERRARD: "And in connection with Green
15:18:12	15	Valley, did you rely on the operating agreement in order
15:18:15	16	to determine how to allocate profits, losses, gains from
15:18:19	17	sales and capital transactions?"
15:18:23	18	MR. SHAPIRO: "Yes, we would have."
15:18:24	19	MR. LEWIN: That question is move to strike
15:18:27	20	the answer as nonresponsive. The question is "did he
15:18:31	21	rely." He didn't ask in the global "yes, we would
15:18:36	22	have."
15:18:36	23	ARBITRATOR WALL: Overruled.
15:18:38	24	MR. GERRARD: Page 67, Line 1.
15:18:48	25	"So if Mr. Bidsal's original cap percentage of
	l	

		D 1214
15:18:53	1	Page 1314 the total capital was 30 percent, under what can you
15:18:57	2	describe the circumstances of how it would be reduced to
15:19:01	3	26.925479 percent?"
15:19:05	4	MR. SHAPIRO: "We don't we're just here as
15:19:07	5	accountants, tax accountants to prepare the tax return.
15:19:12	6	So what our duty or our function is, is to use the
15:19:15	7	numbers, prepare the tax return, you know, do an
15:19:15	8	accounting allocation of the income, and then we record
15:19:20	9	the distributions, the actual distributions. So and
15:19:22	10	then once end up with this ending capital. So what can
15:19:28	11	happen in a partnership such as this is, is that if you
15:19:32	12	make a hundred dollars on the books and you distribute a
15:19:37	13	hundred dollars on the books, everything stays the same.
15:19:40	14	But if there's any variation between what the accounting
15:19:44	15	income is and the cash distribution for that year, it's
15:19:47	16	going to throw it off. I mean, when I say "throw it
15:19:51	17	off," meaning that it just will alter the effects of the
15:19:54	18	capital. Out of the, you know, hundreds of tax returns
15:19:59	19	that we do, they start out, you know, being 1 percent
15:20:01	20	[sic], and then inevitably they they skew get
15:20:07	21	skewed a little bit from that just because there's a
15:20:10	22	difference in between cash available for distributions
15:20:13	23	and the accounting income."
15:20:15	24	MR. GERRARD: "Okay. So assuming assuming
15:20:16	25	that Mr. Bidsal's share of strike that. Assuming

15:20:19	1	Page 1315 that capital that Mr. Bidsal's original capital
15:20:23	2	contribution was 30 percent of the overall capital, and
15:20:26	3	assuming that that all capital transactions are
15:20:31	4	distributions were to be made in accordance with the
15:20:33	5	capital percentages in other words, 70 percent to CLA
15:20:38	6	and 30 percent to Mr. Bidsal, does this number on this
15:20:45	7	K-1 which shows that Mr. Bidsal's capital has been
15:20:51	8	reduced shares of capital has been reduced from
15:20:52	9	30 percent to 26.925479 percent, looks like that he has
15:20:57	10	received greater distributions of capital than
15:21:02	11	30 percent?"
15:21:02	12	And I objected. I said I'll have to object to
15:21:07	13	the question on multiple grounds. I'm going to withdraw
15:21:07	14	that objection at this point.
15:21:09	15	Then Mr. Lewin said, "You can answer my question,
15:21:12	16	sir."
15:21:14	17	MR. SHAPIRO: "That question was long and I I
15:21:17	18	agree that it it's very confusing. And I'll go back
15:21:22	19	and restate that what we did was we allocated the profit
15:21:26	20	on the tax return based upon the percentages of 50/50,
15:21:31	21	and then we recorded the distributions. And because
15:21:35	22	there are variations in between the accounting income
15:21:39	23	and the cash to be distributed, it does throw off the
15:21:41	24	percentages inevitably because there's just
15:21:44	25	differences."

15:21:47	1	Page 1316 MR. GERRARD: Now let's flip to Page 70, Line 16.
15:21:49	2	"When in connection with your work to do the
15:21:51	3	tax returns for Green Valley, would it have been your
15:21:55	4	custom and practice to read the operating agreement to
15:21:58	5	see how the tax allocations and distributions were
15:22:01	6	provided for?"
15:22:02	7	MR. SHAPIRO: "Didn't I answer that already?
15:22:02	8	(Inaudible.)"
15:22:05	9	MR. GERRARD: "My question was, did you
15:22:08	10	receive my question was, did would it have been
15:22:11	11	your custom and practice to read the operating agreement
15:22:14	12	in its entirety?"
15:22:17	13	MR. SHAPIRO: "What our customary practice is, is
15:22:18	14	to gain an understanding what the allocations by
15:22:21	15	percentage are. But as far as reading and understanding
15:22:24	16	the entire operating agreement, which is legal, we more
15:22:31	17	skew in and really pay attention to what is the
15:22:33	18	percentage allocation that we're supposed to deal with.
15:22:37	19	But yes, you are correct. We do read and get an
15:22:40	20	understanding."
15:22:40	21	MR. GERRARD: "Did you did you recall
15:22:42	22	reviewing this operating agreement of Green Valley in or
15:22:46	23	about the time you received it so that you could
15:22:48	24	properly do your accounting work for Green Valley?"
15:22:51	25	MR. SHAPIRO: "At some point in time in the
	I	

15:22:53	1	Page 1317 preparation of the multiple years of Green Valley
15:22:56	2	Commerce's tax return, I I probably would have come
15:22:57	3	across the operating agreement. But generally our
15:23:00	4	accountants review it, they discuss it with the client,
15:23:03	5	and then we proceed on that basis. So I can't tell you
15:23:07	6	for sure at what point in time if I went over the
15:23:09	7	agreement page by page"
15:23:12	8	ARBITRATOR WALL: Wait, wait. You only
15:23:13	9	designated through Line 24.
15:23:18	10	MR. GERRARD: I did but
15:23:21	11	MR. SHAPIRO: So I start back at Line 25?
15:23:21	12	ARBITRATOR WALL: Yeah.
15:23:23	13	MR. SHAPIRO: "So I can't tell you for sure at
15:23:24	14	what point in time if I went over this agreement page by
15:23:27	15	page or if I just looked at what the allocation
15:23:30	16	percentages were meant to be."
15:23:35	17	MR. GERRARD: Page 74, Line 16.
15:23:37	18	"Were you given any instructions as to how to
15:23:39	19	report the income taxes of Green Valley by Mr. Bidsal?"
15:23:43	20	MR. SHAPIRO: "Well, we yes. I mean, probably
15:23:46	21	we had a discussion, or at least I did with Danielle,
15:23:49	22	that income was to be reported 50/50."
15:23:54	23	MR. GERRARD: "Okay. Going on in 5.2 it says,
15:23:56	24	However however, that books and records with respect
15:23:59	25	to the company's capital accounts and allocations of
		I e e e e e e e e e e e e e e e e e e e

15:24:03	1	income, gain, loss, deduction or credit (or item
15:24:07	2	thereof) shall be taxed under U.S. federal income tax
15:24:12	3	accounts principles as applied to partnerships.
15:24:16	4	Was that how the allocations were supposed to be
15:24:19	5	made?"
15:24:20	6	MR. SHAPIRO: "Well, I mean, just to clarify,
15:24:22	7	both parties, both partners had capital accounts that
15:24:26	8	were accounted for. And we accounted for the allocation
15:24:31	9	of income, you know, underneath the guidelines for
15:24:32	10	federal income tax accounting."
15:24:33	11	MR. GERRARD: "And in terms of determining what
15:24:35	12	is let's go to go to the last page of the
15:24:37	13	operating agreement, which is it's on Page 28. It's
15:24:42	14	Exhibit B. Do you see the reference to capital
15:24:44	15	transactions?"
15:24:45	16	MR. SHAPIRO: "Yes."
15:24:46	17	MR. GERRARD: "In terms of under the under
15:24:48	18	the on a tax basis, what what in terms of
15:24:53	19	strike that.
15:24:53	20	"In connection with allocating income from
15:24:56	21	capital transactions as opposed to ordinary income, what
15:25:00	22	determination did you make in deciding what income was
15:25:03	23	from a capital transaction and what income was ordinary
15:25:08	24	income? I'm talking about for Green Valley."
15:25:11	25	MR. SHAPIRO: "Well, what we did was this
	I	

		Page 1319
15:25:12	1	refers to this says cash distributions. What we did
15:25:17	2	is when we allocated gain from a sale, which would be a
15:25:20	3	capital transaction, we allocated it on a percentage
15:25:26	4	interest for tax purposes. What was done from a cash
15:25:29	5	distribution purpose was not. We had nothing to do with
15:25:32	6	that because we didn't write the checks."
15:25:35	7	MR. GERRARD: Let's go to Page 79, Line 12.
15:25:42	8	"Okay. In terms of in terms of looking at
15:25:44	9	the Exhibit B so let me strike that.
15:25:47	10	"Looking at Exhibit B, the the the cash
15:25:51	11	distribution of profits, it says by the way, did you
15:25:54	12	look at this Exhibit B in the context of making
15:25:58	13	adjusting increase for the purposes of tax reporting for
15:26:03	14	Green Valley?"
15:26:04	15	MR. SHAPIRO: "We would have used this we
15:26:06	16	should have used this as it relates to the allocations
15:26:06	17	that were made on the tax returns, if that's what you
15:26:09	18	mean."
15:26:10	19	MR. GERRARD: Page 83, Line 16.
15:26:15	20	"Okay. What I'm asking let me ask the
15:26:17	21	question a little bit differently, Mr. Main. In looking
15:26:20	22	at in looking at the documents that were provided,
15:26:22	23	the financial records provided to you by Mr. Bidsal or
15:26:26	24	his staff in connection with Green Valley, in order for
15:26:29	25	you to make adjusting entries in order for to the tax
	I	

15:26:35	1	Page 1320 returns and issue proper K-1s, did you consider the
15:26:38	2	allocation and distribution schedule contained in
15:26:42	3	Exhibit B of the operating agreement?"
15:26:45	4	MR. SHAPIRO: "What we did okay. It's easier
15:26:47	5	to go back and and just tell you what we did.
15:26:50	6	"What we did is when there was" I'm going to
15:26:53	7	start over.
15:26:54	8	"What we did is"
15:26:58	9	MR. GERRARD: Start over.
15:26:59	10	MR. SHAPIRO: Starting over again.
15:27:01	11	"What we did is when there was a from not from
15:27:04	12	a distribution standpoint because we had nothing to do
15:27:08	13	with the distribution. Okay? But from the allocation
15:27:14	14	of the accounting effects of a sale of a capital
15:27:16	15	transaction, we allocated the gain from the sale of a
15:27:20	16	transaction on the basis of 50/50. The distributions
15:27:24	17	had nothing to do with so the distributions were done
15:27:27	18	by by Bidsal. But when we were accounting for the
15:27:32	19	transaction, the capital transaction, we allocated the
15:27:34	20	gain from the capital transactions 50/50, okay, from the
15:27:39	21	accounting standpoint. Cash is something different."
15:27:42	22	MR. GERRARD: "In terms of when you're talking
15:27:44	23	about gain gain from a capital transaction, you're
15:27:46	24	talking about gain on sale of property; right?"
15:27:49	25	MR. SHAPIRO: "Correct."

15:27:49	1	Page 1321 MR. GERRARD: "Okay. So what you're saying is
15:27:51	2	that you took the you allocated the basis on based
15:27:55	3	on the pro rata capital accounts, and that would be
15:27:58	4	70/30, and you allocated the profit based on 50/50?"
15:28:03	5	MR. SHAPIRO: "Well, there is no I mean,
15:28:05	6	the if we if we bought a building for a million
15:28:09	7	dollars and we sold it for a million-five, okay, we
15:28:14	8	allocated that 500,000 of gain on a 50/50 basis. There
15:28:20	9	really isn't an allocation of the capital because that's
15:28:23	10	part of the original basis of the property. So that
15:28:25	11	becomes a distribution issue. When I looked at this, it
15:28:28	12	was more this is related to a distribution of cash as
15:28:31	13	opposed to an allocation of income from a sale."
15:28:35	14	MR. GERRARD: "And the income from the sale, what
15:28:36	15	provision of the operating agreement did you use, if
15:28:39	16	any, in order to allocate the gain 50/50 pertaining to
15:28:44	17	Bidsal? What provision of the operating agreement did
15:28:47	18	you use, if any, to allocate the gain on the sale of the
15:28:50	19	property 50/50 for tax purposes?"
15:28:52	20	MR. SHAPIRO: "I mean, I think this is confusing
15:28:54	21	because this is I mean, customarily we [sic] would
15:28:58	22	happen"
15:28:58	23	ARBITRATOR WALL: "What would happen."
15:29:00	24	MR. SHAPIRO: "what would happen if you look
15:29:01	25	at the final step, this almost assumes that we're

		Dama 1200 l
15:29:01	1	Page 1322 selling all the properties or we buy one property and
15:29:07	2	we're selling it all.
15:29:08	3	"The final step is how I interpreted this. And
15:29:12	4	again, I mean, you know, I'm not we did the tax
15:29:14	5	returns. I'm not making a statement as an expert here.
15:29:18	6	But when you go to after the third step, [sic] you
15:29:22	7	deal with capital, when you go to that, the remaining
15:29:27	8	profits, excess cash from the sale, would be 50/50. So
15:29:32	9	if if we we bought a property for a million, we
15:29:36	10	sold it for a million-five, the million is capital; the
15:29:41	11	500 is profit. So we when we sell something,
15:29:45	12	economically we looked at it like that building sale
15:29:48	13	the profit from that building sale because we had
15:29:53	14	multiple buildings, the profits from that building sale
15:29:56	15	needed to be allocated 50/50 because it really was the
15:30:01	16	profit from that sale, the excess profit over the
15:30:03	17	original purchase. So that's just why we did that. I'm
15:30:08	18	not you know, I'm not I'm just explaining why we
15:30:13	19	did it in that fashion."
15:30:15	20	MR. GERRARD: "I'm not asking in doing it that
15:30:18	21	way, did you rely on any portion of the operating
15:30:18	22	agreement?"
15:30:21	23	MR. SHAPIRO: Yes excuse me.
15:30:24	24	"You can look right there at the final step.
15:30:27	25	That's where it is. The net profits or excess cash from

15:30:29	1	Page 1323 a sale is 50/50. That's just what I was just getting
15:30:35	2	to. That's why we did it that way. Okay? I'm just
15:30:36	3	explaining why we did it this way."
15:30:38	4	MR. GERRARD: And this testimony, Your Honor, was
15:30:40	5	all about Exhibit B to the operating agreement.
15:30:44	6	ARBITRATOR WALL: Right. I understand.
15:30:45	7	MR. GERRARD: I knew that, but I just wanted to
15:30:48	8	make sure the record was clear.
15:30:50	9	So now we're going to Page 90, Line 13.
15:30:54	10	"Okay. So it says here at the end there's a
15:30:56	11	predicate paragraph, the last sentence, which says The
15:30:59	12	Step-Down Allocation is:
15:31:01	13	"When you were when you were preparing the tax
15:31:04	14	returns for Green Valley with respect to allocating
15:31:07	15	capital gains, what did you understand the word
15:31:11	16	'step-down allocation' to mean?"
15:31:14	17	MR. SHAPIRO: "Rod, I'm going to tell you what I
15:31:16	18	did which I've already said once. Okay?"
15:31:18	19	MR. GERRARD: "I remember what you said. I
15:31:19	20	remember that. Go ahead."
15:31:20	21	MR. SHAPIRO: "We looked at this and interpreted
15:31:22	22	that a gain from the sale of a property should be
15:31:24	23	allocated 50/50. And that's that's what we did.
15:31:27	24	That's how we interpreted this for the allocation for
15:31:31	25	gain purposes not for distribution purposes. It's just
	I	

		Page 1324
15:31:36	1	that at the end of the day, we looked at this like the
15:31:40	2	gains of the property's ordinary plus capital
15:31:43	3	transactions were meant to be 50/50 allocations because,
15:31:48	4	economically, that's what was supposed to happen. So
15:31:52	5	that was what we interpreted and what our thought
15:31:54	6	process was when we were doing the tax returns."
15:31:58	7	MR. LEWIN: Excuse me. I'm going to object.
15:32:00	8	That answer was nonresponsive and should be stricken.
15:32:03	9	The question was, "Do you understand what a step-down
15:32:06	10	allocation" and then he goes on to give some more
15:32:08	11	voluntary information that wasn't answered by the
15:32:11	12	question.
15:32:12	13	ARBITRATOR WALL: Well, yeah, but then he says
15:32:13	14	he's going to tell you what he did on Page 90, Lines 20
15:32:19	15	and 21, and you tell him on Line 23 go ahead.
15:32:19	16	MR. LEWIN: Okay. Fair enough.
15:32:19	17	ARBITRATOR WALL: All right.
15:32:23	18	MR. GERRARD: "Did you ever tell Mr. Bidsal
15:32:25	19	that?"
15:32:26	20	MR. SHAPIRO: "I don't remember specifically
15:32:27	21	telling him that, but that's how we did the tax returns
15:32:30	22	for a number of years."
15:32:32	23	MR. GERRARD: Page 93, Line 5.
15:32:36	24	"Let me ask you the question was, did Mr
15:32:38	25	do you remember having a conversation with Mr. Bidsal
	I	

		Page 1325
15:32:43	1	about how how the gains from a sale of Green Valley's
15:32:45	2	properties, capital gains, should be distributed, 50/50
15:32:48	3	or 70/30 or any other way?"
15:32:50	4	MR. SHAPIRO: "I never did. I just Emailed the
15:32:52	5	distribution."
15:32:53	6	MR. LEWIN: I have an objection to the second
15:33:00	7	sentence. I think it's misinterpreted. I think the
15:33:02	8	reporter got it wrong and it's not responsive.
15:33:02	9	ARBITRATOR WALL: What do you think was wrong?
15:33:03	10	MR. LEWIN: It doesn't make any sense. I just
15:33:04	11	Emailed the distribution. It doesn't make any sense.
15:33:08	12	ARBITRATOR WALL: "I just Emailed the
15:33:10	13	distribution."
15:33:12	14	MR. LEWIN: Right. It said the question was,
15:33:13	15	Did you have any conversation with Mr. Bidsal? He said
15:33:15	16	he never did. That's responsive.
15:33:15	17	ARBITRATOR WALL: Okay.
15:33:18	18	MR. LEWIN: The second part said I just Emailed
15:33:20	19	the distribution. I don't even know what he's talking
15:33:21	20	about. I believe the reporter probably got that wrong.
15:33:24	21	Doesn't make any sense, and it's not responsive.
15:33:27	22	MR. GERRARD: Obviously, I disagree. It is
15:33:29	23	responsive. He's saying exactly what he did.
15:33:31	24	ARBITRATOR WALL: I'll overrule the objection.
15:33:34	25	MR. GERRARD: Page 96, Line 20.

15:33:37	1	Page 1326 "In connection with the preparation of the Green
15:33:39	2	Valley tax returns, did you treat depreciation as
15:33:43	3	ordinary item or a capital item or any of them?"
15:33:49	4	By Mr. Lewin, "Do you have the question in mind?
15:33:53	5	Do you have the last question?"
15:33:57	6	MR. SHAPIRO: "Well, I think your question was,
15:33:58	7	is depreciation an ordinary income item or a capital
15:34:01	8	item, and depreciation is a reduction of ordinary
15:34:03	9	income, rental income, so it actually is an ordinary
15:34:06	10	deduction. And then when you sell the property, it
15:34:10	11	actually gets recognized as part of the gain, the
15:34:15	12	recapture of it."
15:34:16	13	MR. GERRARD: Page 98, Line 4.
15:34:21	14	"Okay. And can you tell from looking at this tax
15:34:24	15	return whether it is whether the financial
15:34:27	16	transactions of Green Valley are being reported on cash
15:34:30	17	or accrual basis?"
15:34:32	18	MR. SHAPIRO: "They're on a cash basis."
15:34:35	19	MR. GERRARD: Page 99, Line 21.
15:34:37	20	"And in terms of in terms of allocating
15:34:40	21	profits and losses that the depreciation that was
15:34:44	22	either reported for 2016 is a deduction against
15:34:48	23	ordinary income; right?"
15:34:49	24	MR. SHAPIRO: "Yes."
15:34:52	25	MR. GERRARD: Page 101, Line 23.

		1007
15:35:00	1	Page 1327 "Did Mr. Bidsal ask you whether the" hold on.
15:35:08	2	Make sure I'm in the right place \$72,278 of
15:35:12	3	depreciation for 2016 could be distributed as ordinary
15:35:16	4	income to the members?"
15:35:18	5	MR. SHAPIRO: "No, I didn't have a discussion
15:35:20	6	with Shawn Bidsal specifically on that. It's just
15:35:23	7	depreciation being a deduction against rental income,
15:35:26	8	and rental income being ordinary income, it gets
15:35:28	9	allocated on the basis of the percentage interest, so
15:35:31	10	it's 50/50. So it's just that's customarily what is
15:35:36	11	done."
15:35:38	12	MR. LEWIN: Excuse me. I object to the last
15:35:43	13	sentence. It's nonresponsive. It's also an opinion.
15:35:47	14	He wasn't designated as an expert. Mr. Gerrard
15:35:52	15	mentioned several times throughout the deposition that
15:35:56	16	he shouldn't he wasn't designated as an expert.
15:36:02	17	Expert opinion should not be applicable to him. He's
15:36:05	18	testifying as to what is customary.
15:36:07	19	MR. GERRARD: He's not testifying as an expert.
15:36:09	20	He's testifying about why he did what he did.
15:36:10	21	ARBITRATOR WALL: I'm going to overrule the
15:36:11	22	objection. I'm not taking it as an expert opinion.
15:36:18	23	MR. GERRARD: Line 8.
15:36:19	24	"And did you are you saying you had a
15:36:20	25	discussion with Mr. Bidsal about that or you didn't? I
	I	

		Dama 1200 l
15:36:20	1	Page 1328 don't understand."
15:36:25	2	MR. SHAPIRO: "No, I don't think I would have had
15:36:26	3	a discussion with Bidsal about that because it's just
15:36:28	4	customary to treat it as a rental expense and allocate
15:36:33	5	it according to the according to the percentages."
15:36:35	6	MR. GERRARD: Page 111.
15:36:37	7	ARBITRATOR WALL: Hold on. Let's go back. To me
15:36:39	8	that underscores the previous objection when he's
15:36:43	9	talking about it's customary is that the reason he
15:36:46	10	didn't tell Mr. Bidsal is because it's customary for him
15:36:48	11	to do that. So I think that's additional basis to
15:36:52	12	overrule the objection.
15:36:55	13	MR. GERRARD: Page 111, Line 23.
15:36:58	14	MR. LEWIN: Slow down just a second until I get
15:37:00	15	there.
15:37:00	16	ARBITRATOR WALL: What was it?
15:37:01	17	MR. GERRARD: Page 111, Line 23. This is
15:37:06	18	starting my examination. Everybody there?
15:37:12	19	MR. LEWIN: Yep.
15:37:14	20	MR. GERRARD: "Page 12 has a heading without a
15:37:15	21	number. It says 'Distribution of Profits.' Do you see
15:37:18	22	that?"
15:37:19	23	MR. SHAPIRO: "Yes, I do."
15:37:20	24	MR. GERRARD: "And right underneath that is a
15:37:21	25	paragraph that says, 'The profits of the Limited
	ı	

15:37:23	1	Page 1329 Liability Company shall be distributed to the Members,
15:37:26	2	from time to time, as permitted under law and as
15:37:29	3	determined by the Manager, provided however, that all
15:37:31	4	distributions shall be in accordance with Exhibit B.'
15:37:36	5	"Do you see that?"
15:37:37	6	MR. SHAPIRO: "I do."
15:37:37	7	MR. GERRARD: "Okay. And I just want you to
15:37:39	8	remember that provision where it talks about
15:37:42	9	distributions will be done in accordance with Exhibit B.
15:37:45	10	And now let's turn, if you would, to Exhibit A well,
15:37:48	11	actually, let's turn to Page 17 first, Page 17."
15:37:52	12	MR. SHAPIRO: "Okay."
15:37:52	13	MR. GERRARD: "And on Page 17, do you see there's
15:37:54	14	like a Number 1 at the top of the page?"
15:37:57	15	MR. SHAPIRO: "Yes."
15:37:57	16	MR. GERRARD: "And the heading says 'Tax
15:37:59	17	Provisions'? And then it says, 'The provisions of
15:38:01	18	Exhibit A attached hereto are incorporated by reference
15:38:06	19	as if fully rewritten herein.'
15:38:06	20	"Do you see that?"
15:38:09	21	MR. SHAPIRO: "I do."
15:38:09	22	MR. GERRARD: "Okay. So basically this is
15:38:10	23	telling us that Exhibit A is going to be the tax
15:38:11	24	provisions of this operating agreement. So let's look
15:38:14	25	at Exhibit A. That starts at Page 22."
	I	

		Dags 1220
15:38:17	1	Page 1330 MR. SHAPIRO: "Okay."
15:38:18	2	MR. GERRARD: "And Mr. Lewin asked you about
15:38:20	3	Section 4.1.1 that talks about setting up capital
15:38:25	4	accounts. Do you see where that starts?"
15:38:27	5	MR. SHAPIRO: "Yes."
15:38:27	6	MR. GERRARD: "And my understanding from reading
15:38:28	7	this, it just says that each member will have a capital
15:38:31	8	account. It will be set up in accordance with Section
15:38:36	9	704(b) of the Code. And then says under 4.1.1.1 that
15:38:40	10	that capital account will be increased by certain
15:38:43	11	things; correct?"
15:38:44	12	MR. SHAPIRO: "Yes."
15:38:46	13	MR. GERRARD: "Which would include money
15:38:48	14	contributed by that member to the company; right?"
15:38:52	15	MR. SHAPIRO: "Correct."
15:38:52	16	MR. LEWIN: I withdraw the objection.
15:38:53	17	ARBITRATOR WALL: All right.
15:38:56	18	MR. GERRARD: "And then it talks about in Number
15:38:57	19	2, the fair market value of the property contributed by
15:38:57	20	each member; right?
15:38:57	21	MR. SHAPIRO: "Correct."
15:38:58	22	MR. GERRARD: "And then Number 3, allocation to
15:39:00	23	the members of income and gain; correct?"
15:39:02	24	MR. SHAPIRO: "Correct."
15:39:03	25	MR. GERRARD: "And then in the next section,

15:39:06	1	Page 1331 4.1.2, it says that capital account's going to be
15:39:09	2	decreased by, Number 1, money distributed to each
15:39:12	3	member; correct?"
15:39:13	4	MR. SHAPIRO: "Yes."
15:39:13	5	MR. GERRARD: "And then skip to the end, Number
15:39:15	6	4, allocations to that member a loss and deduction. Do
15:39:19	7	you see that?"
15:39:20	8	MR. SHAPIRO: "Yes."
15:39:20	9	MR. GERRARD: "Nothing about what I just read is
15:39:22	10	inconsistent with the way you handled the accounting of
15:39:25	11	the capital accounts, is it?"
15:39:28	12	MR. LEWIN: Objection. That calls that calls
15:39:29	13	for an inadmissible opinion.
15:39:31	14	MR. GERRARD: Well, we didn't ask him for an
15:39:33	15	opinion. We asked if it was if the way he handled
15:39:36	16	the accounting was consistent with these provisions.
15:39:41	17	MR. LEWIN: I also object that it lacks
15:39:44	18	foundation. There's no foundation that he was aware of
15:39:47	19	how the accounting of the capital accounts what the
15:39:52	20	basis was for any opinions he had to gave.
15:39:57	21	ARBITRATOR WALL: I'll overrule the objection and
15:39:57	22	allow the testimony.
15:39:59	23	MR. SHAPIRO: "I believe we prepared the tax
15:40:01	24	returns on a basis consistent with with this
15:40:04	25	section."
	ı	

		Page 1332
15:40:05	1	ARBITRATOR WALL: Wait. There was a question on
15:40:06	2	Line 5 we didn't get to yet.
15:40:09	3	MR. SHAPIRO: Okay.
15:40:14	4	MR. GERRARD: I lost my place.
15:40:17	5	ARBITRATOR WALL: Page 115.
15:40:20	6	MR. GERRARD: Line 5.
15:40:21	7	"To your knowledge, did you act consistently with
15:40:24	8	this manner of increasing and decreasing capital
15:40:28	9	accounts?"
15:40:28	10	MR. LEWIN: I had another objection to the form
15:40:30	11	of the question.
15:40:31	12	ARBITRATOR WALL: What was it?
15:40:32	13	MR. LEWIN: Acting consistent with, I'm not sure
15:40:36	14	what that means. It's not showing what he's acting
15:40:40	15	what is he doing and acting consistently with. Is he
15:40:44	16	walking around? Is he getting the tax returns to his
15:40:47	17	people? This doesn't pin down anything.
15:40:50	18	ARBITRATOR WALL: I'll overrule the objection.
15:40:52	19	MR. SHAPIRO: "I believe we returned the tax
15:40:55	20	returns on a basis consist with with this section."
15:40:59	21	MR. GERRARD: "Okay. And then look at the next
15:41:01	22	page, please. And specifically Section 5.1."
15:41:04	23	MR. SHAPIRO: "Okay."
15:41:04	24	MR. GERRARD: "You see where it talks about
15:41:07	25	allocations, 5.1? Says, 'Allocation of Profits and

15:41:10	1	Page 1333 losses' and for 'Tax and Accounting Matters'; correct?"
15:41:12	2	MR. SHAPIRO: "Yes."
15:41:13	3	MR. GERRARD: "So let's look at it starts out
15:41:15	4	by saying, 'Each Member's distributive share of income,
15:41:19	5	gain, loss, deduction or credit,' and then you just go
15:41:22	6	to the end of that paragraph, says 'shall be determined
15:41:26	7	as follows.' And go to 5.1.1.1 and it says, 'Except as
15:41:34	8	otherwise provided Section 1.1 items of income,
15:41:38	9	gain, loss, deduction or credit (or items thereof) shall
15:41:42	10	be allocated among the members in proportion to their
15:41:47	11	Percentage Interests' capital P percentage, capital I
15:41:52	12	interest 'as set forth in the Exhibit 'B,' subject to
15:41:52	13	the Preferred Allocation schedule contained in Exhibit
15:41:52	14	'B.'
15:41:52	15	"Do you see that?"
15:41:56	16	MR. SHAPIRO: "Yes."
15:41:57	17	MR. GERRARD: "So the terms 'income, gain, loss,
15:42:00	18	deduction or credit,' that covers everything doesn't,
15:42:02	19	it?"
15:42:03	20	MR. SHAPIRO: "I believe so."
15:42:04	21	MR. LEWIN: I withdraw the objection.
15:42:05	22	MR. GERRARD: "Everything that can be allocated
15:42:09	23	on the tax return would be covered by those four terms;
15:42:09	24	correct?"
15:42:10	25	MR. SHAPIRO: "I believe so."
	1	

15:42:11	1	Page 1334 MR. GERRARD: "That would include depreciation,
15:42:14	2	wouldn't it?"
15:42:15	3	MR. SHAPIRO: "Yes, yes."
15:42:16	4	MR. GERRARD: "So let's look at Exhibit B, which
15:42:19	5	is where it tells us to look. And keep your I know
15:42:19	6	it's hard because we're looking on a computer screen,
15:42:23	7	but remember the section we just read said it will be
15:42:26	8	allocated in proportion to their Percentage Interest as
15:42:30	9	set forth in Exhibit B. So let's look at Exhibit B,
15:42:34	10	which is on Page 28. Let me know when you have that
15:42:37	11	up."
15:42:38	12	MR. SHAPIRO: "I got it."
15:42:40	13	MR. GERRARD: "Okay. And so here on Exhibit B,
15:42:42	14	there is a heading right at the top on the left-hand
15:42:43	15	side of the page that uses that same defined term
15:42:45	16	Percentage Interest, 'Member's Percentage Interest';
15:42:49	17	correct?"
15:42:50	18	MR. SHAPIRO: "Yes."
15:42:50	19	MR. GERRARD: "And according to this, the
15:42:52	20	member's percentage interest is 50 percent Shawn Bidsal,
15:42:57	21	50 percent CLA Properties; correct?"
15:42:59	22	MR. SHAPIRO: "Correct."
15:43:00	23	MR. GERRARD: "And then to the right of that,
15:43:02	24	there's capital contributions that are listed; correct?"
15:43:05	25	MR. SHAPIRO: "Yes."

15:43:05	1	Page 1335 MR. GERRARD: "Okay. So now let's keep this page
15:43:05	2	open let's remember this page. We'll come back to it
15:43:07	3	in a few minutes. Let's open up to the actual tax
15:43:10	4	returns that you actually prepared, and I'm going to see
15:43:14	5	if I can figure out how I'm supposed to share these
15:43:19	6	things. Can you see I don't know if this is shared,
15:43:22	7	or if you click in the documents on that shared file, do
15:43:25	8	you see the ones under my name?"
15:43:27	9	So then there's we can skip the
15:43:30	10	MR. LEWIN: Agreed. Skip colloquy.
15:43:34	11	MR. GERRARD: Okay. So we'll go down to Line 25.
15:43:35	12	MR. SHAPIRO: "No, no. I see it. I see a tax
15:43:37	13	return."
15:43:38	14	MR. GERRARD: "Let's if you can click on one
15:43:39	15	that says '2011.GVC.Tax Return.'"
15:43:44	16	MR. SHAPIRO: "Yeah."
15:43:44	17	MR. GERRARD: "Do you have that up?"
15:43:47	18	"Mr. Doerr: Getting there."
15:43:50	19	The Witness
15:43:51	20	MR. SHAPIRO: "I do."
15:43:52	21	MR. GERRARD: "You already answered a question
15:43:52	22	about how the tax return was prepared. You said it was
15:43:53	23	prepared on a cash basis; correct?"
15:43:55	24	MR. SHAPIRO: "Yes, sir."
15:43:57	25	MR. GERRARD: "Okay. So looking at this

15:44:01	2	because I've got the document up here to make it a
15:44:04	3	little bigger. I'd like you to look at this tax
15:44:07	4	return"
15:44:10	5	ARBITRATOR WALL: Wait, wait. The
15:44:10	6	designation stops at Line 17 on Page 119.
15:44:16	7	MR. GERRARD: Yeah. That's fine. We can stop
15:44:18	8	there. I think I just missed the end of the question.
15:44:21	9	We were doing this quickly.
15:44:21	10	ARBITRATOR WALL: All right.
15:44:23	11	MR. GERRARD: That's fine. Now let's go to
15:44:24	12	Page 123, Line 20.
15:44:28	13	"And underneath that, it says, 'It is the express
15:44:35	14	intent of the parties that "Cash Distributions of
15:44:39	15	Profits" refers to distributions generated from
15:44:42	16	operations resulting in ordinary income in contrast to
15:44:44	17	Cash Distributions arising from capital transactions or
15:44:48	18	non-recurring events such as a sale of all or a
15:44:53	19	substantial portion of the Company's assets or cash out
15:44:57	20	financing.'
15:44:57	21	"Do you see that?"
15:44:58	22	MR. SHAPIRO: "I do."
15:44:58	23	MR. GERRARD: "So as I read this, it appears from
15:44:59	24	that provision that other than a sale of substantially
15:45:02	25	all of the company's assets or a refinance, everything

		D 100F
15:45:04	1	Page 1337 else is supposed to be distributed 50/50."
15:45:07	2	Mr. Lewin: Objection.
15:45:09	3	MR. LEWIN: My objection is that he's asking for
15:45:12	4	inadmissible opinion. He's not asking what he did.
15:45:17	5	He's asking for his opinion of your decision. He's not
15:45:22	6	qualified as an expert to give that opinion.
15:45:26	7	MR. GERRARD: Well, and I actually asked him what
15:45:27	8	he did. If you look at the next question, that's
15:45:30	9	exactly what I'm asking him.
15:45:32	10	ARBITRATOR WALL: Okay. So there's an objection
15:45:33	11	to that question, but before the answer there's another
15:45:37	12	question, so I'm going to bypass the objection.
15:45:39	13	MR. GERRARD: "Do you believe that the tax
15:45:39	14	returns were prepared consistent with"
15:45:43	15	MR. SHAPIRO: Where are you at? I'm sorry.
15:45:44	16	ARBITRATOR WALL: Line 12. I think the next one
15:45:47	17	probably was supposed to be Mr. Lewin rather than
15:45:51	18	Mr. Gerrard on Page 14. I mean, on Line 13.
15:45:51	19	MR. GERRARD: Let's just go to Line 18.
15:45:52	20	"Okay. Do you believe that the tax returns were
15:45:55	21	prepared consistent with that interpretation?"
15:45:57	22	MR. LEWIN: I had an objection because he's
15:45:59	23	talking about again he's referring to Mr. Gerrard's
15:46:03	24	interpretation of the agreement and that and he's
15:46:06	25	asking him for an inadmissible opinion and expert
	i	

		Page 1338
15:46:09	1	opinion.
15:46:09	2	MR. GERRARD: I'm actually asking him how the tax
15:46:12	3	returns were prepared. Was it consistent with that
15:46:15	4	interpretation of the agreement.
15:46:18	5	ARBITRATOR WALL: We already established that he
15:46:19	6	had to interpret certain provisions of the operating
15:46:23	7	agreement to prepare the taxes and that it was customary
15:46:26	8	for him to do that, to review the operating agreement,
15:46:26	9	so I'm going to overrule the objection. I don't think
15:46:29	10	it calls for expert opinion.
15:46:31	11	MR. SHAPIRO: "Yes, I do. I mean, inasmuch as we
15:46:34	12	allocated the profits 50/50, I believe we are correct."
15:46:37	13	MR. GERRARD: That was the end of ours, Your
15:46:39	14	Honor.
15:46:42	15	MR. LEWIN: I was actually hoping it would go
15:46:42	16	longer.
15:46:47	17	Your Honor, are we going to break for lunch.
15:46:51	18	ARBITRATOR WALL: Lunch? It's 3:45.
15:46:51	19	MR. LEWIN: (Indiscernible.)

16:00:20	18	with?"
16:00:28	19	MR. GARFINKEL: Page 11, Line 20.
16:00:29	20	MR. LEWIN: The next one we go to is Page 10,
16:00:32	21	Line 21.
16:00:35	22	ARBITRATOR WALL: Well, can you read the last
16:00:37	23	question?
16:00:39	24	MR. LEWIN: "So can you read the last question,
16:00:41	25	please?"
	1	

16:00:46	1	Page 1340 MR. GARFINKEL: Now go to the witness.
16:00:47	2	"I don't have the specifics in front of me, but
16:00:49	3	it's probably been about ten years."
16:00:53	4	MR. LEWIN: Page 12, Line 24 through Page 13,
16:00:58	5	Line 4.
16:00:59	6	ARBITRATOR WALL: Wait, wait. You have two
16:01:13	7	that are identical, by the way. But it's not to Page
16:01:15	8	13. It's Page 10/21 to 11/4.
16:01:15	9	MR. LEWIN: Right. He read that.
16:01:23	10	MR. GERRARD: They just skipped all the middle
16:01:25	11	part that was the colloquy back and forth.
16:01:27	12	ARBITRATOR WALL: I got you.
16:01:27	13	MR. GARFINKEL: Do you want me to repeat that,
16:01:29	14	Your Honor?
16:01:29	15	ARBITRATOR WALL: No. 12/24.
16:01:36	16	MR. LEWIN: "So in the context of the work that
16:01:39	17	you've done for Mr. Bidsal or any of his companies since
16:01:42	18	you first got involved with him, is it correct that you
16:01:46	19	would be the person in charge of those accounts?"
16:01:59	20	MR. GARFINKEL: "That's correct."
16:02:01	21	MR. LEWIN: Page 19, Line 14 through 25.
16:02:11	22	"QUESTION: Okay. All right. And did you
16:02:14	23	prepare did you prepare the tax returns for Green
16:02:18	24	Valley when I'm saying, like you as part of Clifton
16:02:21	25	or your prior firm."
	ı	

		- 1011
16:02:23	1	Page 1341 MR. GARFINKEL: "We did."
16:02:25	2	MR. LEWIN: "QUESTION: And, you know, can you
16:02:27	3	tell me for what years?"
16:02:30	4	MR. GARFINKEL: "I think since the entity was
16:02:32	5	formed until till current we have."
16:02:34	6	MR. LEWIN: "So that would be approximately 2011
16:02:37	7	until through today; is that correct."
16:02:38	8	MR. GARFINKEL: "I believe so."
16:02:40	9	MR. LEWIN: Page 20, Lines 8 through 11.
16:02:45	10	"Okay. So did you or your firm do any work for
16:02:48	11	Green Valley other than the preparation of tax returns?"
16:02:50	12	MR. GARFINKEL: "I don't believe so."
16:02:52	13	MR. LEWIN: Page 21, Line 3 through 16.
16:02:57	14	"So is it correct, then, that you would
16:02:59	15	receive you would receive a bundle of information
16:03:02	16	from Green Valley and then prepare the tax returns based
16:03:06	17	on that?"
16:03:07	18	MR. GARFINKEL: "That is correct."
16:03:08	19	MR. LEWIN: "All right. Are you able to describe
16:03:10	20	the division of work between yourself and Danielle Pina
16:03:14	21	with respect to Green Valley accounting work?"
16:03:17	22	MR. GARFINKEL: "Yes. Typically what would
16:03:19	23	happen is Danielle would be in touch with the accountant
16:03:22	24	for Green Valley and she would receive the information,
16:03:25	25	the ledgers, anything that was needed, and then she
	1	

		Page 1342
16:03:28	1	would prepare the tax return, give it to me for review.
16:03:32	2	And those were the roles."
16:03:36	3	MR. LEWIN: I had on this Your Honor, I had
16:03:39	4	Page 22, Line 11 through 19 because Mr. Gerrard had only
16:03:44	5	referenced a part what I think was a part of the
16:03:47	6	answer he read the whole answer, but there was a
16:03:53	7	follow-up question. Do you want me to read the whole
16:03:56	8	section?
16:03:56	9	ARBITRATOR WALL: No. Just the portion.
16:03:57	10	MR. LEWIN: Page 22, Line 15 through 19.
16:04:04	11	"Okay. So you're not you're not saying that
16:04:06	12	took place. You just don't remember one way or another.
16:04:10	13	Is that fair to say?"
16:04:12	14	MR. GARFINKEL: "That's fair."
16:04:16	15	MR. LEWIN: Sorry. Stepped on your lines, Louis.
16:04:22	16	Page 30, Line 21 through Page 31, Line 17.
16:04:32	17	MR. GARFINKEL: Please repeat that. 30/21?
16:04:44	18	MR. LEWIN: 30/21.
16:04:44	19	"Okay. Have you spoken to Mr. Bidsal about this
16:04:47	20	deposition?"
16:04:47	21	MR. GARFINKEL: "He called me on the phone.
16:04:49	22	We're dealing with a few other matters for him and just
16:04:53	23	not in depth. Just like get ready for the deposition."
16:04:57	24	MR. LEWIN: "Did you have in the context in a
16:04:59	25	discussion with Mr. Bidsal about this deposition, how
	1	

1	Page 1343 long would you say your conversation with him was? You
2	know what, we're having a hard time hearing. I'm having
3	hard time hearing you. Before it was actually better
4	before."
5	MR. GARFINKEL: "Fifteen, 20 minutes."
6	MR. LEWIN: "Okay. And and what" what
7	was let me start over.
8	"And and what was discussed in that 15 or
9	20 minutes about the deposition?"
10	MR. GARFINKEL: "We spoke about the expert
11	reports, and I basically just said I their expert
12	reports, I'm instructed not to review these. So that
13	was pretty much the gist of the conversation, that I
14	was"
15	MR. LEWIN: "Go ahead. Continue."
16	MR. GARFINKEL: "No. That's where we cut it off.
17	That's where I cut it off."
18	MR. LEWIN: Page 64, Line 12 through 24. No,
19	actually I'll start at 15. 15 through 24. No, no.
20	We'll start at 12.
21	"Can we take a five-minute break? We have been
22	going for a while."
23	A brief recess was taken.
24	"In an off-the-record discussion Mr. Main has
25	advised that he can only go until 1:15 today. He has
	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24

16:06:14	1	Page 1344 indicated we'll proceed until that time, and that if the
16:06:19	2	deposition is not concluded, which I don't think it will
16:06:21	3	be, it will have to be adjourned and continued to
16:06:27	4	another day that we'll try to set.
16:06:30	5	"Have I correctly stated what you told us,
16:06:33	6	Mr. Main?"
16:06:34	7	MR. GARFINKEL: "Yes."
16:06:39	8	MR. LEWIN: Page 73, Line 21 through Page 74,
16:06:50	9	Line 5.
16:06:57	10	"With respect my question is that was it your
16:07:04	11	understanding in connection with the work you were going
16:07:06	12	to do for Green Valley, that the allocations into
16:07:11	13	capital accounts were to be made on a tax basis?"
16:07:19	14	MR. GARFINKEL: I'm sorry. I apologize.
16:07:22	15	ARBITRATOR WALL: 74, Line 1 through 5.
16:07:26	16	MR. GARFINKEL: Apologize.
16:07:28	17	"If what you said I didn't completely hear
16:07:30	18	that, but if what you said, Rod, was that it was my
16:07:33	19	understanding the allocations to the capital accounts
16:07:36	20	would be made on a tax basis, the answer is yes."
16:07:40	21	MR. LEWIN: "Okay. Let's take a look at
16:07:44	22	Section 5."
16:07:51	23	MR. GERRARD: Is this new? You haven't
16:07:54	24	designated this.
16:07:54	25	MR. LEWIN: I beg your pardon.

16:07:55	1	Page 1345 ARBITRATOR WALL: So now it's 75, Line 21.
16:08:00	2	MR. LEWIN: Through 76, Line 9.
16:08:04	3	"In connection with allocating income from
16:08:07	4	capital transactions as opposed to ordinary income, what
16:08:08	5	determination did you make in deciding what income was
16:08:12	6	from a capital transaction and what income was ordinary
16:08:16	7	income? I'm talking about for Green Valley."
16:08:18	8	MR. GARFINKEL: "Well, what we did was this
16:08:20	9	refers to this says cash distributions. What we did
16:08:23	10	is when we allocated gain from a sale, which would be a
16:08:26	11	capital transaction, we allocated it on percentage
16:08:30	12	interest for tax purposes. What was done from a cash
16:08:34	13	distribution purposes was not we had nothing to do
16:08:37	14	with that because we didn't write the checks."
16:08:44	15	MR. LEWIN: Next one is Page 79, Line 15 through
16:08:50	16	Page 81, Line 17.
16:09:04	17	"Looking at Exhibit B, the the the cash
16:09:08	18	distribution of profits, it says by the way, did you
16:09:11	19	look at this Exhibit B in the context of making
16:09:14	20	adjusting increase for the purposes of tax reporting for
16:09:17	21	Green Valley?"
16:09:18	22	MR. GARFINKEL: "We would have used this. We
16:09:20	23	should have used this as it relates to the allocations
16:09:23	24	that were made on the tax returns, if that's what you
16:09:25	25	mean."
	ı	

		Page 1346
16:09:25	1	MR. LEWIN: "Okay. So if you go down in terms of
16:09:29	2	the and here it has a Preferred Allocation and
16:09:30	3	Distribution Schedule. And the first says upon it
16:09:33	4	talks about cash distributions from capital
16:09:37	5	transactions. Do you see that?"
16:09:39	6	MR. GARFINKEL: "Yep."
16:09:40	7	MR. LEWIN: "And a capital transaction would
16:09:41	8	include a refinancing event or a sale of a of a
16:09:44	9	company asset; correct?"
16:09:45	10	MR. GARFINKEL: "Correct."
16:09:46	11	MR. LEWIN: "And the sale of one of Green
16:09:49	12	Valley's properties would be the sale of a company
16:09:52	13	asset. Would that be true in terms of your making
16:09:55	14	allocations?"
16:09:57	15	MR. GARFINKEL: "Yes."
16:09:59	16	MR. LEWIN: "Okay. So the distribution to the
16:10:01	17	second allocation, sometimes called a waterfall" let
16:10:03	18	me restart that.
16:10:05	19	"Okay. So then the distribution is the second
16:10:07	20	allocation, sometimes called a waterfall; isn't that
16:10:10	21	correct?"
16:10:11	22	MR. GARFINKEL: "Yes."
16:10:12	23	MR. LEWIN: "Okay. But the first the cash
16:10:14	24	generated from a sale of company asset, including Green
16:10:14	25	Valley's properties, were first to pay current expenses
	l	

		David 1247
16:10:18	1	Page 1347 and liabilities; right?"
16:10:19	2	MR. GARFINKEL: "Correct."
16:10:21	3	MR. LEWIN: "Then pay outstanding loans; right?"
16:10:24	4	MR. GARFINKEL: "Correct."
16:10:26	5	MR. LEWIN: "And then to pay to pay each
16:10:29	6	member pro rata an amount into their capital accounts;
16:10:34	7	right?"
16:10:34	8	MR. GARFINKEL: "Correct."
16:10:35	9	MR. LEWIN: "Unless those capital accounts are at
16:10:38	10	a zero; right?"
16:10:39	11	MR. GARFINKEL: "I see that."
16:10:40	12	MR. LEWIN: "I didn't get an answer. Is that
16:10:42	13	correct?"
16:10:42	14	MR. GARFINKEL: "I see that, yes."
16:10:44	15	MR. LEWIN: "Okay. And as you're sitting here,
16:10:44	16	do you recall that that originally the capital
16:10:46	17	accounts for Green Valley when it first started were
16:10:47	18	70 percent were 70 percent of the total capital in
16:10:53	19	Mr in CLA and 30 percent with Mr. Bidsal; is that
16:10:56	20	correct?"
16:10:56	21	MR. GARFINKEL: "Yes."
16:10:58	22	MR. LEWIN: Then Page 83, Lines 15 through 87,
16:11:10	23	Line 17.
16:11:14	24	"Okay. What I'm asking let me ask the
16:11:17	25	question a little bit differently, Mr. Main. In looking

16:11:21	1	Page 1348 at the documents that were provided, the financial
16:11:22	2	records provided to you by Mr. Bidsal or his staff in
16:11:26	3	connection with Green Valley, in order for you to make
16:11:29	4	adjusting entries in order for to the tax returns and
16:11:32	5	issue proper K-1s, did you consider the allocation and
16:11:36	6	distribution schedule contained in Exhibit B of the
16:11:39	7	operating agreement?"
16:11:40	8	MR. GARFINKEL: "What we did okay. It's
16:11:42	9	easier to go back and just tell you what we did."
16:11:46	10	MR. GERRARD: Judge, we're rereading testimony
16:11:48	11	that's already in the record.
16:12:00	12	ARBITRATOR WALL: We did this. We did all the
16:12:02	13	way to 86/25.
16:12:06	14	MR. LEWIN: Okay. Let me read from 87
16:12:11	15	"QUESTION: I see. So so so we're
16:12:13	16	talking when you said the final step, you're talking
16:12:16	17	about Exhibit B, the subparagraph under the column
16:12:20	18	Preferred Allocation and Distribution Schedule, it has
16:12:22	19	First Step, Second Step, Third Step, and then Final
16:12:25	20	Step. What you just referred to was that portion of
16:12:30	21	this the final step; is that correct?"
16:12:36	22	MR. GARFINKEL: "That is correct."
16:12:36	23	MR. LEWIN: "Okay. And in terms of did you
16:12:37	24	ever did you ever tell Mr. Bidsal that the
16:12:39	25	distributions from the of the profits from the sale

16:12:41	1	Page 1349 of the properties should be distributed 50/50?"
16:12:44	2	MR. GARFINKEL: "I don't remember ever having a
16:12:46	3	discussion with Mr. Bidsal on what should what the
16:12:49	4	distribution should be. That's that's that was
16:12:52	5	his that was his responsibility."
16:13:00	6	MR. LEWIN: Then Page 88, Lines 3 through 11.
16:13:07	7	"Did Mr. Golshani ever call you and ask you about
16:13:09	8	how the profits the capital gains from the sale of
16:13:13	9	Green Valley's properties should be distributed?"
16:13:14	10	MR. GARFINKEL: "I do not remember a conversation
16:13:15	11	like that. But you're also talking about, again,
16:13:19	12	distributions versus allocations, so there's two
16:13:22	13	different things. But I don't remember talking to Ben
16:13:24	14	about that."
16:13:32	15	MR. LEWIN: Then we go to 88, 20 through 89,
16:13:38	16	Line 13.
16:13:39	17	"Did you ever have a conversation with Mr. Bidsal
16:13:41	18	where you discussed with him whether or not the gain
16:13:44	19	from the sale of Green Valley's property should be
16:13:47	20	allocated for tax purposes in accordance with the third
16:13:53	21	step here on Exhibit B which says pro rata based on
16:13:54	22	capital contributions?"
16:13:56	23	MR. GARFINKEL: "I don't remember a conversation
16:13:57	24	with Bidsal about that."
16:13:59	25	MR. LEWIN: "Do you ever remember having a
	1	

16:14:01	1	Page 1350 conversation with Mr. Bidsal where he told you that Ben
16:14:03	2	Golshani was claiming that the profits from the sale of
16:14:04	3	Green Valley's properties should be distributed
16:14:07	4	70 percent to him and 30 percent to Mr. Bidsal until
16:14:10	5	their capital accounts were fully paid off?"
16:14:15	6	MR. GARFINKEL: "I don't remember a conversation
16:14:16	7	like that."
16:14:23	8	MR. LEWIN: Next is Page 90, Line 16 through 91
16:14:32	9	Line 10.
16:14:36	10	"When you were when you were preparing the tax
16:14:41	11	returns for Green Valley with respect to allocating
16:14:45	12	capital gains what did you understand the word
16:14:45	13	'Step-Down Allocation' to mean?"
16:14:48	14	MR. GARFINKEL: "Rod, I'm going to tell you what
16:14:49	15	I did which I've already said once. Okay?"
16:14:53	16	ARBITRATOR WALL: This has already been read in.
16:14:55	17	MR. GERRARD: We did this too.
16:15:00	18	MR. LEWIN: This is in the record already. All
16:15:02	19	right. 94 Line 6 through 12.
16:15:11	20	MR. GARFINKEL: Hold on one second. Let me just
16:15:14	21	get there. Got it.
16:15:22	22	MR. LEWIN: "I guess my question was, did he
16:15:25	23	based on his review of the operating agreement, did he
16:15:29	24	have an understanding of how distributions of capital
16:15:32	25	gain money was to be distributed regardless of how it

		- 1051
16:15:35	1	Page 1351 was allocated? And that's just a yes or a no."
16:15:38	2	MR. GARFINKEL: "No."
16:15:41	3	MR. LEWIN: Then we go to 94, Line 18 through 95,
16:15:46	4	Line 18.
16:15:47	5	"Are you aware of any of any income that was
16:15:50	6	received by Green Valley other than ordinary income as
16:15:54	7	defined by the tax by tax by the tax code?"
16:16:00	8	MR. GERRARD: And then I said, "Yeah. Once again
16:16:02	9	Rod, you're asking him to give you a legal opinion about
16:16:02	10	what the characterization is of the income made by this
16:16:07	11	company, not how it was reported, not how it's on the
16:16:10	12	tax return, and he doesn't have to answer those
16:16:12	13	questions. He's not here as an expert."
16:16:16	14	But I said I don't have any objections.
16:16:19	15	ARBITRATOR WALL: All right. Skip down to
16:16:20	16	No. 10.
16:16:23	17	MR. LEWIN: "Okay. Okay. All right. So let
16:16:24	18	me can you answer my question, sir?"
16:16:26	19	MR. GARFINKEL: "I think I already answered it,
16:16:28	20	honestly, because I think I was asked what types of
16:16:31	21	income there were and how I allocated it, which there
16:16:35	22	was interest, there was rental income, and there was
16:16:37	23	capital gains. And I answered that we allocated it
16:16:40	24	50/50 on the tax return without regard to any
16:16:43	25	distributions."

16:16:46	1	Page 1352 MR. LEWIN: 96, Line 20 through 97, Line 18.
16:17:00	2	"In connection with the preparation of the Green
16:17:02	3	Valley tax returns, did you treat depreciation"
16:17:07	4	Is this already in?
16:17:14	5	ARBITRATOR WALL: It is. 96/20 to 97/10 is in.
16:17:15	6	You asked for all the way for 97/18.
16:17:20	7	MR. LEWIN: I'll continue on from Line 13.
16:17:23	8	MR. GARFINKEL: I'm sorry. Say that again, Rod.
16:17:25	9	MR. LEWIN: I'm just continuing on from 97/13
16:17:29	10	through 18.
16:17:30	11	"Did Mr. Bidsal ever ask you for any advice
16:17:34	12	regarding the distribution of cash based on
16:17:37	13	depreciation?"
16:17:40	14	"ANSWER: No."
16:17:42	15	ARBITRATOR WALL: Wait.
16:17:42	16	MR. GARFINKEL: I thought you said 11, Rod.
16:17:45	17	Let's start at 11. Am I right?
16:17:45	18	MR. LEWIN: No. Let's start at 13. I'm sorry.
16:17:48	19	Let me start over. I'll just ask the question. I've
16:17:51	20	always been an understudy.
16:17:53	21	"Did Mr. Bidsal ever ask you any advice regarding
16:17:56	22	the distribution of cash based on depreciation?"
16:17:59	23	MR. GARFINKEL: "No."
16:18:00	24	MR. LEWIN: "With respect to Green Valley?"
16:18:03	25	MR. GARFINKEL: "No."

16:18:08	1	Page 1353 MR. GERRARD: I think that's it.
16:18:11	2	ARBITRATOR WALL: No, no. Those are objections.
16:18:22	3	Oh, there's one more at the top. I'm sorry.
16:18:24	4	MR. GARFINKEL: Am I incorrect?
16:18:28	5	ARBITRATOR WALL: No.
16:18:33	6	MR. LEWIN: I don't understand that. No. I
16:18:41	7	withdraw that.
16:18:42	8	ARBITRATOR WALL: All right. We'll cross that
16:18:44	9	one out.
16:18:47	10	He's a far better Jim Main. I'm just telling you
16:18:57	11	right now.
16:18:58	12	You're a far better Jim Main. I'm not convinced
16:19:04	13	which is the better Mr. Lewin.
16:19:10	14	(Discussion off the record.)
16:19:19	15	ARBITRATOR WALL: Does everybody have calendars
16:19:24	16	available? Before we get to the calendars, I think
16:19:38	17	go ahead.
16:19:38	18	MR. LEWIN: I'd like to discuss the issue with
16:19:41	19	Mr. LeGrand. Earlier I think it may have been an
16:19:46	20	off-the-record discussion. I think we talked about
16:19:49	21	briefing the issue, and Mr. Gerrard said he doesn't want
16:19:55	22	to brief it because he doesn't know if Mr. LeGrand is
16:19:59	23	going to testify.
16:20:00	24	ARBITRATOR WALL: There's no sense in briefing
16:20:01	25	the attorney/client privilege issues and waivers and
		I

1	Page 1354 things if Mr. LeGrand isn't going to testify.
	MR. LEWIN: Well, respectfully, I disagree with
3	that.
4	ARBITRATOR WALL: Why?
5	MR. LEWIN: No. 1, Mr. LeGrand one of the
6	issues with respect to Mr. LeGrand testifying is whether
7	there will be a ruling on the issue of whether or not
8	attorney/client privilege has been waived, No. 1.
9	No. 2, forgetting for the moment about the threat
10	about filing a Bar complaint
11	MR. GARFINKEL: Rod, could you speak up?
12	MR. LEWIN: Forgetting about the threat of the
13	Bar complaint, I'm not going to discuss that now. The
14	issue is we want a ruling on the waiver of the
15	attorney/client privilege and the ruling on the
16	objection that was made by Mr. Gerrard. That may, in
17	fact, have some impact on Mr. LeGrand's decision because
18	he'll have a judicial ruling to decide whether or not he
19	would testify or not. I understand his position. I
20	haven't talked to him, but I understand if I was placed
21	in the same position, what I would be thinking.
22	But I think it's important to have a ruling on
23	the waiver because I believe contrary to what Mr.
24	Gerrard has said, that there's been an absolute waiver
25	with respect to most, if not all, and I think it's all
	5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24

		Page 1355
16:21:30	1	of his right to testify. So I think we should brief it.
16:21:36	2	We should be entitled to a ruling. He's here by
16:21:40	3	Subpoena. Once we have a ruling, if there's a ruling by
16:21:44	4	you that the privilege has been waived, that may have
16:21:48	5	some impact on whether or not he'll show up and whether
16:21:51	6	or not we can compel him to show up. Just to finalize
16:22:05	7	that. I know you're at a disadvantage. You don't know
16:22:10	8	what he testified about. And what documents. We need
16:22:14	9	to get this information in front of you with the law.
16:22:16	10	ARBITRATOR WALL: Understood.
16:22:23	11	MR. GERRARD: Let me know if you want a response
16:22:24	12	because I have one.
16:22:27	13	ARBITRATOR WALL: I'm trying to piece it together
16:22:29	14	because I'm not sure that I think that a ruling from me
16:22:37	15	hypothetically saying the privilege has been waived
16:22:48	16	would necessarily give him comfort if the case goes
16:22:56	17	beyond me. "Him" being Mr. LeGrand. I'm trying to walk
16:23:00	18	through that.
16:23:01	19	MR. LEWIN: If I can comment on that. Your
16:23:04	20	ruling would be binding on Mr. Bidsal. I think there's
16:23:09	21	a lot of moving parts that have to be pieced together,
16:23:13	22	but your ruling would be binding on Mr. Bidsal, and I
16:23:18	23	think Mr. LeGrand is entitled to we're entitled to
16:23:22	24	it. He's an important witness, but I think he's also
16:23:26	25	entitled to it.

		Page 1356
16:23:27	1	MR. GARFINKEL: Yesterday on the record
16:23:31	2	Mr. LeGrand was concerned about Mr. Gerrard's
16:23:35	3	allegations and the potential for a Bar complaint. I
16:23:40	4	think I mean, I would not want to leave the record at
16:23:43	5	that. All we have is "Mr. LeGrand, there may be a Bar
16:23:48	6	complaint" without any ruling of whether or not the
16:23:50	7	privilege has been waived. I took it as a threat to
16:23:54	8	Mr. LeGrand, so, Your Honor, I think there should be
16:23:57	9	more here than that.
16:23:59	10	ARBITRATOR WALL: Just for the record, I didn't.
16:24:01	11	I took it as what was necessary for him to be aware of
16:24:04	12	before he testified. Any lawyer who testifies in a case
16:24:08	13	involving their client has to know whether the privilege
16:24:12	14	has been waived, because it's obvious to all of us that
16:24:19	15	if we testify to privileged information and the
16:24:26	16	privilege hasn't been waived, that the possibility of a
16:24:30	17	Bar complaint is the remedy.
16:24:32	18	MR. GARFINKEL: Sure, Your Honor. Of course.
16:24:34	19	But the concern was Mr. LeGrand previously testified at
16:24:38	20	a deposition about this about the operating agreement
16:24:42	21	and also at the prior arbitration. For all of this to
16:24:45	22	come out all of a sudden now, I frankly was surprised
16:24:51	23	because this has been going on for years and no one's
16:24:55	24	ever raised it.
16:24:56	25	ARBITRATOR WALL: As I said yesterday, in my mind
	I	

		Page 1357
16:24:58	1	before he testified because we actually briefed this
16:25:07	2	issue with the potential of Mr. Lewin being a witness in
16:25:10	3	the motions in limine. To me, the very, very first
16:25:12	4	inquiry that had to be made before Mr. LeGrand did
16:25:18	5	anything was whether the privilege had been waived. So
16:25:22	6	to me it was the necessary precursor to him testifying.
16:25:28	7	MR. LEWIN: Yes, Your Honor, but honestly, I
16:25:30	8	don't want to get into the contents with Mr. Gerrard on
16:25:34	9	this, but that issue should have been brought up way
16:25:38	10	before we spent the time coming here and preparing for
16:25:42	11	this arbitration at great expense, and not in front of
16:25:45	12	the witness, because I can tell you the language that
16:25:51	13	Mr. Gerrard used was "If you testify, there's going to
16:25:54	14	be a Bar complaint," which, by the way, there may never
16:25:58	15	be a Bar complaint because of the issue of waiver and
16:26:01	16	privilege. He should not have brought that up in front
16:26:05	17	of the witness. It's witness intimidation.
16:26:08	18	ARBITRATOR WALL: The witness is a lawyer. The
16:26:10	19	witness is aware of privilege issues. It's different.
16:26:13	20	I don't know what the expense difference is. I mean,
16:26:16	21	you would have had to have the same expense to present
16:26:19	22	the testimony we already presented.
16:26:21	23	MR. LEWIN: No. I don't know Mr. LeGrand
16:26:25	24	realized that was an issue. I'm not speaking for him.
16:26:29	25	Remember he testified twice and there's no assertion of
	1	

16:26:32	1	Page 1358 the attorney/client privilege. If I'm a lawyer, I
16:26:37	2	wouldn't think there's an issue. As to the expense, I
16:26:41	3	think when we ultimately get to the bottom of this,
16:26:41	4	we're going to be back here again.
16:26:43	5	ARBITRATOR WALL: I think we can do it by Zoom,
16:26:46	6	but all right.
16:26:46	7	MR. GERRARD: Obviously they're not happy with
16:26:49	8	the ruling that Your Honor made yesterday.
16:26:54	9	ARBITRATOR WALL: Which ruling?
16:26:55	10	MR. GERRARD: The ruling we were not going to
16:26:57	11	force Mr. LeGrand to testify.
16:27:00	12	ARBITRATOR WALL: Oh.
16:27:00	13	MR. GERRARD: Mr. LeGrand said he wasn't
16:27:03	14	comfortable testifying, and what I told him was what
16:27:06	15	rules or what I wanted to cover with him in voir
16:27:09	16	dire, which is what I said at the beginning, were the
16:27:12	17	Rules of Professional Conduct that go well beyond
16:27:15	18	whether there's attorney/client privilege. This is not
16:27:19	19	just a privilege issue. It's not limited to privilege.
16:27:22	20	Let's take it one step at a time. First of all,
16:27:25	21	Mr. LeGrand has never testified about the communications
16:27:28	22	that he had with Mr. Bidsal.
16:27:30	23	ARBITRATOR WALL: With respect let me
16:27:32	24	interrupt you. Really all I want to reach right now is
16:27:35	25	whether we're going to brief it on the front end or the
	i	

		Page 1359
16:27:40	1	back end.
16:27:41	2	MR. GERRARD: There was a very long dialogue on
16:27:43	3	the other side. I'm trying to make a record because I
16:27:46	4	don't agree with any of it. The point is I don't think
16:27:49	5	we should have to brief this issue until Mr. LeGrand
16:27:54	6	decides whether he's going to testify. Your Honor
16:27:57	7	doesn't have jurisdiction to decide whether there's
16:28:01	8	conflict of interest or not. Your Honor may be able to
16:28:04	9	decide if there's been a waiver of a privilege
16:28:07	10	ARBITRATOR WALL: That, I have.
16:28:08	11	MR. GERRARD: He has an irreconcilable conflict
16:28:12	12	of interest. It was demonstrated by the way he acted
16:28:16	13	leading up to this testimony and his communications with
16:28:19	14	the other side and his taking on Mr. Golshani as a
16:28:23	15	client without the permission of his other client, which
16:28:27	16	is the company.
16:28:30	17	ARBITRATOR WALL: I'm not even aware of that.
16:28:33	18	MR. GERRARD: Mr. Shapiro told you about that.
16:28:36	19	Mr. LeGrand wrote an adversarial letter on behalf of
16:28:42	20	Mr. Golshani to Mr. Shapiro about what the offers and
16:28:48	21	acceptances meant and so on and so forth. So the point
16:28:51	22	is there are conflict issues that cannot be resolved by
16:28:56	23	this arbitrator. That's why I brought it up at the
16:29:00	24	beginning. That's why I let him know exactly what our
16:29:04	25	concerns are. It's not just limited to whether there's
	I	

		1260
16:29:08	1	Page 1360 been a waiver of a conflict.
16:29:10	2	ARBITRATOR WALL: Privilege.
16:29:11	3	MR. GERRARD: I'm sorry. Privilege. Which
16:29:15	4	there's never been. We never waived the communications
16:29:19	5	that he had with the attorney for the company. Those
16:29:23	6	can be disclosed to Mr. Golshani as another
16:29:26	7	representative of the company, but they cannot be
16:29:29	8	disclosed to a third party like Your Honor. That's the
16:29:32	9	whole point. That's what the privilege is there for, so
16:29:35	10	they can have communications that are not something they
16:29:39	11	have to be concerned about being disclosed to a third
16:29:42	12	party.
16:29:42	13	There's never been a disclosure, and unless
16:29:45	14	Mr. LeGrand says that he plans to testify you know, I
16:29:50	15	would never touch with a ten foot pole a dispute between
16:29:55	16	two owners of a company if I was the company's attorney.
16:29:59	17	I would say "That's between you and your lawyers. I'm
16:30:04	18	Switzerland." And any lawyer with half a brain would do
16:30:07	19	that because there's a potential that you're going to
16:30:11	20	have a Bar complaint if you take a side.
16:30:13	21	He has clearly taken a side, and Rule 1.7 does
16:30:17	22	not permit him to do, and I wanted him to be aware of
16:30:20	23	that. I'm not going to mince words. I made clear what
16:30:26	24	our position is so he could make an informed decision
16:30:30	25	what he was going to do. He has not told us anyone
	I	

16:30:33	1	Page 1361 in this room that he's planning to testify. If he
16:30:36	2	doesn't tell us that he wants to testify, there's no
16:30:39	3	reason in the world why we should spend the time and
16:30:44	4	money to brief a moot issue.
16:30:45	5	ARBITRATOR WALL: On the issue that Mr. Gerrard
16:30:47	6	raised, I can hypothetically say, "You know what? For
16:30:52	7	these reasons I think the attorney/client privilege has
16:30:56	8	been waived." That goes to the admissibility of his
16:31:01	9	testimony. Okay? Issues of conflict of interest or
16:31:09	10	violations of the model rules of professional conduct
16:31:13	11	don't affect admissibility, but they still have a
16:31:20	12	potential effect on Mr. LeGrand as a lawyer. So even if
16:31:29	13	I rule that the privilege is waived, thereby opening the
16:31:34	14	gate to admissibility, it doesn't absolve any issue of a
16:31:43	15	violation of the Rules of Professional Conduct opening
16:31:47	16	Mr. LeGrand up to a Bar complaint or otherwise. And so
16:31:52	17	that's the issue that's been raised, and I don't I
16:31:57	18	won't address
16:31:57	19	MR. GARFINKEL: Fair enough.
16:31:59	20	ARBITRATOR WALL: the issues of whether the
16:32:01	21	Rules of Professional Conduct because as Mr. Gerrard
16:32:05	22	has stated, it's not within my authority.
16:32:06	23	MR. GARFINKEL: Fair enough.
16:32:07	24	MR. LEWIN: We don't agree with Mr. Gerrard's
16:32:12	25	presentation. He says things as though they're just
		I

16:32:17	1	Page 1362 correct and somehow there's a conflict, and I don't
16:32:20	2	necessarily agree with that, but I think we need the
16:32:23	3	opportunity to brief these issues, the privilege and his
16:32:27	4	claim there's some kind of conflict. It depends on the
16:32:31	5	testimony he's given.
16:32:33	6	ARBITRATOR WALL: All we're really talking about
16:32:35	7	now is the order in which certain things occur. We can
16:32:39	8	save a lot of time, effort, and expense if he were made
16:32:48	9	aware that I see two concrete issues. One is privilege,
16:32:58	10	which I can rule on. And the second is conflict of
16:33:03	11	interest under the model rules, which I cannot and
16:33:06	12	won't. And he's already heard from a representative of
16:33:09	13	a manager 50 percent manager of an LLC for which he
16:33:19	14	was the lawyer that they believe there's a conflict of
16:33:29	15	interest and will follow through with potential
16:33:33	16	remedies.
16:33:33	17	So what I'm saying is even if I resolved the
16:33:43	18	waiver issue, the privilege issue in a way that would
16:33:47	19	allow him to testify, then for him to say, "Look,
16:33:51	20	there's conflict of interest issues here that I don't
16:33:55	21	want to jeopardize so I'm not testifying" would mean we
16:33:59	22	wasted all the time and effort with the privilege.
16:34:02	23	MR. LEWIN: I don't agree with that. I just
16:34:04	24	don't. Lawyers in disputes in shareholder disputes
16:34:09	25	and other matters are frequently called to testify in
	I	

		- 1060
16:34:14	1	Page 1363 matters about that. I haven't researched this matter
16:34:19	2	entirely and I think we're entitled to present our
16:34:22	3	position to you and brief it because he is look, they
16:34:29	4	want to stop him from testifying in even percipient
16:34:34	5	matters. It's not a matter of him giving an opinion who
16:34:38	6	is right; who is wrong. It is a matter of him
16:34:41	7	testifying about things he saw, heard, did, for example.
16:34:47	8	ARBITRATOR WALL: You might be right, and I'm
16:34:49	9	sorry to interrupt, but I'm trying to focus on what I
16:34:53	10	need, and that is, for instance, if there was no issue
16:35:03	11	of the waiver of attorney/client privilege, no. But he
16:35:10	12	came to this hearing via Zoom and said, "Look, I think I
16:35:15	13	have a conflict of interest. I think that I'm
16:35:19	14	uncomfortable testifying, and I'm not going to testify."
16:35:23	15	I would respect that and I would unless you showed me
16:35:26	16	some authority saying that despite that position, I had
16:35:34	17	the ability, much less the wherewithal, to compel him to
16:35:40	18	testify, I would likely grant his request not to.
16:35:47	19	MR. LEWIN: All we're asking to do is to research
16:35:51	20	and brief the issue.
16:35:53	21	ARBITRATOR WALL: Both issues.
16:35:55	22	MR. LEWIN: And address them and see how that
16:35:57	23	plays out. I believe the conflict of interest issue is
16:36:00	24	a bogus one, personally. I know the letter Mr. Shapiro
16:36:06	25	says is an adversarial letter. If you have two members
	ı	

16:36:13	1	Page 1364 of a partnership, entity, that go to the company lawyer
16:36:17	2	and say "What do you think this is about"
16:36:20	3	ARBITRATOR WALL: But I'm not going to resolve
16:36:23	4	it.
16:36:23	5	MR. LEWIN: I understand. I believe it's
16:36:27	6	important for us to be able to brief it and get some
16:36:28	7	decisions from you on some items. The waiver issue may
16:36:33	8	provide the waiver issue itself may provide us the
16:36:39	9	ability to present evidence without him testifying,
16:36:44	10	because under the JAMS rules you have some flexibility
16:36:48	11	as to what prior recorded testimony you may be able to
16:36:51	12	receive.
16:36:51	13	I want to brief those things. Remember, he's
16:36:55	14	given two days of testimony. He gave a day in his
16:36:59	15	deposition not a whole day, but in Arbitration No. 1.
16:37:02	16	So there's issues whether you can receive that testimony
16:37:07	17	or any of the documents that were delivered without
16:37:09	18	objection. There's a num whether you can receive
16:37:15	19	those. There's a whole bunch of issues that may be
16:37:19	20	pertinent, regardless of whether or not he refuses to
16:37:22	21	testify. We want the chance I think we're entitled
16:37:25	22	the chance of briefing this issue.
16:37:28	23	ARBITRATOR WALL: I'm going to let you brief the
16:37:29	24	issue. It's just whether we find out something else
16:37:32	25	first.
	I	

		Da 13(F)
16:37:33	1	Page 1365 MR. GERRARD: Again, if he's not going to
16:37:35	2	testify, it's a waste of time. And so I think we need
16:37:37	3	to contact him, perhaps in a joint call, and just ask
16:37:45	4	him "Are you planning to testify or not?" Because if
16:37:48	5	he's not planning to testify, it's a moot point because
16:37:51	6	it doesn't matter what you know, listen, they're
16:37:55	7	talking about all these other things that are not part
16:37:58	8	of this record. They're talking about things that are
16:38:01	9	not disclosed on any of these exhibits, that are not
16:38:05	10	you know, what they're basically saying is "We want to
16:38:08	11	be able to reopen this up and find another way to get in
16:38:12	12	evidence what we didn't get in through Mr. LeGrand."
16:38:15	13	That's what they're saying. That's their responsibility
16:38:18	14	to have done long before this arbitration took place.
16:38:22	15	The only thing that Mr. LeGrand could testify
16:38:25	16	about that would in any way involve what we're here for
16:38:31	17	is if he was to say that he had conversations with Mr.
16:38:35	18	Bidsal about what the language of the operating
16:38:38	19	agreement, the provisions of Exhibit B, and the buy/sell
16:38:42	20	language, what those things meant. That's the only way
16:38:49	21	that it could have anything whatsoever to do with what
16:38:53	22	we're here for.
16:38:55	23	If they're just talking about the Emails that
16:38:59	24	show what versions of the agreement went back and forth
16:39:02	25	between the parties, they're all in the record. They've

		Dags 1266
16:39:06	1	Page 1366 been admitted. It's only the communications that are
16:39:08	2	privileged and a privilege that he doesn't have
16:39:08	3	Mr. Golshani does not have the right to waive that is at
16:39:12	4	issue.
16:39:13	5	So again, we're wasting all kinds of time when we
16:39:17	6	could be wrapping this up, and they don't want to wrap
16:39:20	7	it up. They don't like what happened yesterday. But
16:39:23	8	again, why are we spending time if Mr. LeGrand is not
16:39:29	9	going to testify? If we contact him and he says, "Yes,
16:39:35	10	I'm going to testify," well that's a different issue.
16:39:38	11	If he says "I'm not going to testify," then we're
16:39:41	12	wasting our time.
16:39:41	13	ARBITRATOR WALL: Well, what he said yesterday
16:39:42	14	was he wanted to speak with independent counsel and
16:39:45	15	potentially Bar counsel.
16:39:47	16	MR. GERRARD: Correct.
16:39:48	17	MR. LEWIN: And the fact that Mr. Gerrard keeps
16:39:54	18	saying the same thing doesn't make it right. Neither
16:39:58	19	does it make it right if I say the same thing. He
16:40:01	20	doesn't know what questions I might ask of Mr. LeGrand
16:40:05	21	or not, so the issue really is that this should happen
16:40:10	22	beforehand. There's no reason to put it out afterwards
16:40:14	23	because if I'm in Mr. LeGrand's position with counsel,
16:40:20	24	he may find that there's an issue of waiver that's been
16:40:24	25	resolved. His lawyer may say it's okay within certain
	l	

16:40:29	1	Page 1367 limitations. We don't know what's going to happen.
16:40:33	2	Mr. LeGrand has been on our witness list from the very
16:40:37	3	beginning.
16:40:38	4	MR. GARFINKEL: Theirs too. They identified him
16:40:40	5	right at the beginning of the case, so I don't get that.
16:40:44	6	ARBITRATOR WALL: All right.
16:40:45	7	MR. LEWIN: Look. I'm not anxious to spend
16:40:49	8	Mr. Golshani's money on things that aren't necessary,
16:40:51	9	but this is really important.
16:40:53	10	ARBITRATOR WALL: Based on the little Mr. LeGrand
16:40:58	11	said yesterday, I believe the issue of privilege, as
16:41:01	12	well as the issue of any conflict of interest, are
16:41:07	13	issues that affect his ability to testify. I don't want
16:41:11	14	to sit around and wait for him to speak with independent
16:41:15	15	counsel, much less Bar counsel, who isn't going to have
16:41:18	16	any background in this case and understand what's going
16:41:21	17	on. So I'm going to allow we're going to be briefing
16:41:27	18	two issues. Okay?
16:41:28	19	Issue No. 1 I will broadly refer to as
16:41:32	20	attorney/client privilege. Whether there has been a
16:41:37	21	waiver, who has the ability to waive the privilege, and
16:41:53	22	if there's any waiver in part as it relates to certain
16:41:58	23	issues and not others. Okay? That's all under No. 1.
16:42:03	24	No. 2 and this is only if you want to brief
16:42:24	25	it whether I have the authority to compel Mr. LeGrand

16:42:32	1	Page 1368 to testify if he has reservations about violating either
16:42:41	2	privilege or the Rules of Professional Conduct.
16:42:49	3	Those are the two issues.
16:42:53	4	MR. LEWIN: Can I suggest a third issue?
16:42:56	5	ARBITRATOR WALL: What?
16:42:58	6	MR. LEWIN: You talked about waiver of conflict.
16:43:02	7	ARBITRATOR WALL: Waiver of privilege.
16:43:04	8	MR. LEWIN: I think we should brief whether
16:43:07	9	there's been a waiver of conflict.
16:43:11	10	ARBITRATOR WALL: That's his decision.
16:43:14	11	MR. LEWIN: No. A waiver by these parties of the
16:43:19	12	conflict. I think they have the ability of waiving a
16:43:24	13	conflict, No. 1; and No. 2, who on behalf of Green
16:43:29	14	Valley has the authority to waive that.
16:43:34	15	ARBITRATOR WALL: That's fine. We can address
16:43:36	16	that issue too.
16:43:38	17	MR. GERRARD: That's a waste of time. The
16:43:40	18	waiver, by law, has to be in writing. Have you shown us
16:43:44	19	any written waiver of any conflict? Because I've never
16:43:47	20	seen one and one doesn't exist.
16:43:47	21	ARBITRATOR WALL: That part will be pretty easy
16:43:50	22	to brief.
16:43:52	23	MR. LEWIN: May I suggest we defer setting the
16:43:55	24	next session? Set a briefing schedule, but
16:44:01	25	ARBITRATOR WALL: That's what I was going to do.
	i	I

16:44:39	1	Page 1369 Set a briefing schedule. Okay. All right. Is two
16:45:23	2	weeks enough time?
16:45:25	3	MR. LEWIN: Yes, Your Honor.
16:45:26	4	MR. GARFINKEL: Can I say one thing, Your Honor?
16:45:30	5	I talked about this yesterday but I don't think you were
16:45:33	6	here. I'm going to be changing firms the beginning of
16:45:37	7	next week, and I'm just going to need a little time to
16:45:41	8	kind of get organized. It's going to be very
16:45:46	9	challenging because I've got to move out of the old firm
16:45:49	10	and then moving to Reisman & Sorokac
16:45:49	11	ARBITRATOR WALL: Into what?
16:46:00	12	MR. GARFINKEL: Reisman & Sorokac. And I have to
16:46:01	13	admit it's a little daunting with this arbitration and
16:46:06	14	everything going on. I'm asking if I can be
16:46:08	15	accommodated to some degree. I'll be involved in the
16:46:12	16	Nevada stuff.
16:46:13	17	ARBITRATOR WALL: How about May 14th, in two and
16:46:18	18	a half weeks?
16:46:21	19	MR. LEWIN: Can we have a responding brief, Your
16:46:27	20	Honor?
16:46:27	21	MR. GERRARD: How
16:46:28	22	ARBITRATOR WALL: One thing at a time. Does that
16:46:32	23	work? May 14th?
16:46:34	24	MR. LEWIN: He needs more time.
16:46:37	25	MR. GARFINKEL: I'm not trying to be difficult.
	I	

16:46:39	1	Page 1370 I'm trying to be practical about this. Normally I
16:46:44	2	wouldn't do it, but I've been with the same partner for
16:46:49	3	23 years. It's a major change.
16:46:52	4	MR. LEWIN: May 21st. That's like three and a
16:46:59	5	half weeks.
16:46:59	6	MR. GARFINKEL: I'll have to get it done.
16:47:03	7	ARBITRATOR WALL: How long do you need after
16:47:04	8	that?
16:47:04	9	MR. GERRARD: So what are we contemporaneous
16:47:06	10	briefs, no replies, no oppositions?
16:47:09	11	ARBITRATOR WALL: I don't want to do
16:47:10	12	contemporaneous. I don't want to do replies. I want to
16:47:16	13	do one each and then we'll have argument.
16:47:20	14	MR. GERRARD: You want him to do one and we'll
16:47:22	15	respond to that?
16:47:24	16	MR. LEWIN: Your Honor, can I be heard on that?
16:47:27	17	ARBITRATOR WALL: In a moment. So from what
16:47:32	18	did I say?
16:47:32	19	MR. GERRARD: You said May 21st.
16:47:33	20	ARBITRATOR WALL: May 21st. Two weeks would be
16:47:35	21	June 4th. Three weeks would be June 11th.
16:47:38	22	MR. SHAPIRO: I'm going to be out of town from
16:47:40	23	the 27th to the 3rd, but if Doug's in town, I don't want
16:47:52	24	to delay this.
16:47:53	25	MR. GERRARD: I don't want to either. I think
	I	

16:47:56	1	Page 1371 the front end is going to be hard. I'm leaving May 28th
16:47:59	2	for a week. See, Mr. Shapiro and I, we're both going to
16:48:06	3	be in Hawaii at the same time and place.
16:48:11	4	MR. SHAPIRO: Your Honor, if we can move the
16:48:14	5	deadline to the 18th and then set ours to the 26th.
16:48:21	6	MR. GARFINKEL: May 18th? I don't want to do
16:48:23	7	that. I want to do May 21st.
16:48:26	8	MR. GERRARD: Then that pushes us out until the
16:48:28	9	second week of June.
16:48:29	10	MR. GARFINKEL: So be it.
16:48:31	11	MR. GERRARD: Listen, I'm not trying to create
16:48:34	12	problems for you, but
16:48:35	13	MR. GARFINKEL: Well, you are.
16:48:36	14	MR. GERRARD: This has dragged on for a long
16:48:39	15	time. We had a month between when the original
16:48:42	16	testimony was given and this, and there is an advantage
16:48:46	17	to having things done and making a decision when we're
16:48:49	18	close to when the events have happened.
16:48:52	19	We'll do whatever you would like us to do, Judge
16:48:56	20	Wall.
16:48:57	21	ARBITRATOR WALL: I'm going to push it out.
16:49:02	22	MR. GERRARD: Okay.
16:49:02	23	ARBITRATOR WALL: June 11th.
16:49:05	24	MR. LEWIN: And there's no reply, Your Honor?
16:49:08	25	ARBITRATOR WALL: No reply.
	1	

16:49:09	1	Page 1372 MR. LEWIN: So it's been our experience in
16:49:11	2	dealing with briefs in both of these arbitrations that
16:49:19	3	sometimes the reply is necessary because of the way
16:49:25	4	the characterization of certain things.
16:49:27	5	ARBITRATOR WALL: I mean, I understand what
16:49:29	6	replies are for, but I don't need it.
16:49:33	7	MR. LEWIN: I was trying to be nice about what I
16:49:36	8	think about their briefs.
16:49:37	9	ARBITRATOR WALL: Okay. I can tell you that I
16:49:41	10	share that opinion, having seen a lot of them in this
16:49:44	11	proceeding.
16:49:47	12	Now here's the thing: So I want to do a hearing
16:49:58	13	with argument. I don't care if it's telephonic or by
16:50:04	14	Zoom. Whatever you prefer.
16:50:05	15	MR. GERRARD: For closing?
16:50:07	16	ARBITRATOR WALL: No. To argue these issues.
16:50:10	17	All right. Do you want it telephonically? Do you want
16:50:15	18	it by Zoom? Keep in mind that if you want it
16:50:18	19	reported
16:50:21	20	MR. LEWIN: I think by Zoom would be better.
16:50:23	21	MR. GERRARD: Either way is fine.
16:50:26	22	ARBITRATOR WALL: All right. Here's the problem:
16:50:28	23	I have either full-day mediations or full-day
16:50:33	24	arbitrations from June 14th to June 23rd every day but
16:50:38	25	Saturday and Sunday.

16:50:44	1	Page 1373 MR. GERRARD: So you want to do it on Saturday is
16:50:46	2	what you said?
16:50:48	3	ARBITRATOR WALL: Yeah. Saturday is fine.
16:50:59	4	MR. GERRARD: So how long do you want, Judge, to
16:51:03	5	review the briefs?
16:51:05	6	ARBITRATOR WALL: I don't need that much but
16:51:08	7	unless I do it in the evenings.
16:51:10	8	MR. GERRARD: I can do it on the 12th or the
16:51:16	9	26th.
16:51:16	10	ARBITRATOR WALL: Are those Saturdays?
16:51:16	11	MR. GERRARD: Yeah. Those are Saturdays.
16:51:16	12	ARBITRATOR WALL: I thought you were kidding.
16:51:17	13	MR. SHAPIRO: I thought that was facetious.
16:51:22	14	MR. GERRARD: If it is, that's fine, but we do
16:51:24	15	want to get it done.
16:51:27	16	MR. SHAPIRO: Well, okay. So you said through
16:51:30	17	the 23rd. So we could do potentially 24th or 25th
16:51:37	18	would be available for oral arguments?
16:51:41	19	ARBITRATOR WALL: I'd probably be flying home on
16:51:44	20	the 24th.
16:51:45	21	MR. LEWIN: Are you willing to do it on a
16:51:47	22	Saturday, Your Honor?
16:51:51	23	ARBITRATOR WALL: If I was, I would choose the
16:51:54	24	19th.
16:51:56	25	MR. LEWIN: That works for me.
	I	

		Page 1374
16:51:58	1	MR. GERRARD: I can't do the 19th.
16:52:00	2	MR. SHAPIRO: I'm out of town as well.
16:52:02	3	MR. GERRARD: But I could the 12th or the 26th.
16:52:05	4	MR. LEWIN: The 12th you would have just gotten
16:52:08	5	the papers.
16:52:08	6	MR. GERRARD: That's why I asked how much time
16:52:09	7	you would need because it's two days after.
16:52:09	8	ARBITRATOR WALL: Let's go off the record.
16:52:11	9	(Discussion off the record.)
17:00:45	10	ARBITRATOR WALL: So my recitation of the issues
17:01:18	11	for briefing are already on the record. So Respondent's
17:01:23	12	brief will be close of business 5 p.m. Pacific on
17:01:27	13	May 21st, 2021. Claimant's brief in response will be
17:01:31	14	due close of business, that's 5 p.m. Pacific, on
17:01:36	15	June 11th, 2021. We will have a Zoom hearing, argument
17:01:44	16	only and only regarding the issues surrounding these
17:01:48	17	briefs on June 25th at 1 p.m. Pacific. Everything else
17:01:54	18	schedule-wise we will take from there.
17:01:58	19	MR. SHAPIRO: No further briefs?
17:02:00	20	ARBITRATOR WALL: Just those two briefs. Just
17:02:04	21	those two briefs. Sometimes I get replies when I
17:02:09	22	haven't set out those in the briefing schedule, so I'm
17:02:12	23	making it clear I don't need a reply brief.
17:02:13	24	MR. LEWIN: I understand.
17:02:15	25	ARBITRATOR WALL: I will give people a full
	I	

17:02:17	1	Page 1375 opportunity to be heard on the 25th.
17:02:22	2	Other than Mr. LeGrand, the Respondents have
17:02:29	3	and any testimony, say, from Mr. Golshani after
17:02:35	4	Mr. LeGrand testifies, if he is allowed to testify,
17:02:40	5	Respondents have rested. Right?
17:02:43	6	MR. LEWIN: Well, the issue with Mr. Golshani
17:02:47	7	comes up and possibly Mr. Manabat in the event
17:02:55	8	ARBITRATOR WALL: Mr. Manabat, that's
17:02:59	9	MR. LEWIN: As I mentioned yesterday, if
17:03:01	10	Mr. LeGrand is not going to be permitted to testify,
17:03:06	11	depending on what happens, we may have we have
17:03:08	12	changes in strategy, so we probably would have maybe Mr.
17:03:12	13	Bidsal and Mr. LeGrand and Mr. Golshani because those
17:03:15	14	are issues I'd like to address those issues. No
17:03:20	15	reason for us to address those issues at this moment,
17:03:22	16	but we would have that would be part of our rebuttal
17:03:25	17	case. Just our case. Our rebuttal case.
17:03:28	18	MR. GERRARD: There's no rebuttal case if we
17:03:31	19	don't put a case on.
17:03:31	20	MR. LEWIN: I understand.
17:03:32	21	MR. GERRARD: And we're not putting one on.
17:03:35	22	MR. LEWIN: I'm not I'm not trying to work in
17:03:37	23	more stuff. We could have addressed this issue we
17:03:43	24	could have addressed this issue months ago, so our whole
17:03:48	25	strategy in the event that LeGrand doesn't testify has

17:03:51	1	Page 1376 to be looked at from our perspective and then we may
17:03:56	2	want to bring back Mr. Bidsal and Mr. Golshani.
17:04:00	3	ARBITRATOR WALL: If Mr. LeGrand is not allowed
17:04:02	4	to testify, you're going to bring back Mr. Bidsal?
17:04:07	5	MR. LEWIN: And possibly Mr. Golshani. Because
17:04:11	6	that has to do with what questions we covered with
17:04:14	7	Mr. Bidsal and what questions we covered with
17:04:16	8	Mr. Golshani, because we assumed that Mr. LeGrand was
17:04:21	9	going to be testifying. We had no reason not to believe
17:04:24	10	he's not going to be testifying based on what we would
17:04:27	11	talked about ad nauseam. So I think those would be the
17:04:28	12	two witnesses, I believe.
17:04:29	13	ARBITRATOR WALL: Okay. Well, here's the thing:
17:04:30	14	Mr. Golshani is here. Mr. Bidsal is here. So if
17:04:34	15	Mr. LeGrand is not allowed to testify, in order to what
17:04:37	16	I would consider reopen your case or present additional
17:04:42	17	testimony from Mr. Bidsal or Mr. Golshani, there's going
17:04:47	18	to have to be an offer of proof as to why that testimony
17:04:50	19	can't come in today.
17:04:52	20	MR. LEWIN: Because I have to change strategy.
17:04:55	21	I'm not prepared.
17:04:58	22	ARBITRATOR WALL: That was yesterday. We dealt
17:05:00	23	with Mr. LeGrand.
17:05:02	24	MR. LEWIN: Right. But we don't know whether
17:05:02	25	as I said yesterday, I don't know I had planned
	i	

1	Page 1377 certain information that I had planned on getting from
2	Mr. LeGrand. If he's not going to testify, then I have
3	to prepare to present that information by other means.
4	That would be Mr. Golshani and Mr. Bidsal. I'm not
5	prepared to do that today, and it may not be necessary
6	for me to do that.
7	ARBITRATOR WALL: So that's what I would require
8	under those circumstances.
9	MR. LEWIN: I'll show you.
10	ARBITRATOR WALL: Not today. If I determine that
11	Mr. Golshani that the privilege hasn't been waived
12	or not Mr. Golshani. I'm sorry. Mr. LeGrand. If I
13	decide that the privilege has not been waived, or if
14	Mr. LeGrand otherwise chooses not to testify, reopening
15	with more testimony from Mr. Bidsal when he's available
16	here and now and available to testify would require some
17	significant offer of proof as to why his testimony
18	couldn't be taken today or yesterday. That's what I
19	would require. Because I think that would unnecessarily
20	extend our hearing.
21	MR. LEWIN: The point being, Your Honor, because
22	it's not fair to expect me to have prepared to testify
23	with respect to what documents I may want to use with
24	Mr. LeGrand. If we're going to have issues I think
25	we're still going to have some issues Mr. LeGrand may

17:06:28	1	Page 1378 be able to testify about some things and not about
17:06:31	2	others. That's a possibility.
17:06:34	3	ARBITRATOR WALL: I'm telling you what I'm going
17:06:37	4	to require. So be prepared.
17:06:38	5	MR. LEWIN: I'll be prepared. I'll be prepared
17:06:40	6	to address the issue of prejudice as well.
17:06:42	7	MR. GERRARD: And I assume that comment applies
17:06:46	8	to both witnesses. Right?
17:06:47	9	ARBITRATOR WALL: Correct.
17:06:48	10	MR. GERRARD: Because they had all day to do it.
17:06:51	11	ARBITRATOR WALL: Anything else before we recess?
17:06:53	12	MR. LEWIN: No.
17:06:54	13	MR. GERRARD: No.
17:06:54	14	ARBITRATOR WALL: We'll go off.

1 JUNE 25, 2021 1:05 P.M. LOS ANGELES, CALIFORNIA JUDGE WALL: Appearing on behalf of the 2 3 claimant Mr. Bidsal, Mr. Bidsal is present, Mr. Doug 4 Gerrard is here on his behalf. Okay. 5 On behalf of CLA Properties, their representative, Mr. Golshani is present. Mr. Lewin, 6 7 Rodney Lewin is present. Mr. Louis Garfinkel is present. And appearing specially, I think, Judge Rob 8 9 Bare is present. Good to see you. 10 JUDGE BARE: Good to see you too, Judge. 11 JUDGE WALL: Okay. So we might want to 12 completely reiterate where we were at -- at -- at the end 13 of April. But there were a couple of issues that -- that 14 needed to be resolved that I asked for briefing on. got the respondent's brief, dated May 21st, 2021, and I 15 got the brief from the claimants on June 21th, 2021. 16 17 my knowledge, that's all the briefing. I didn't ask for 18 a reply brief, and -- and that's all the briefing that I 19 have. 2.0 So a couple of discrete issues. One is the issue of whether the attorney-client privilege has been 21 22 waived; whether the attorney-client privilege -- I guess, 23 all surrounding issue one is attorney-client privilege, whether it has been waived, whether Mr. Golshani can 24 25 waive it for communications between Mr. LeGrand, the Page 4

attorney, and Mr. Bidsal acting in his position as a manager of Green Valley Commerce.

And then secondarily the issue was with respect to any claim of a violation of the rules of professional conduct. I had said previously at our hearing that while I believed I had the authority to resolve any issue about whether there has been a waiver of attorney-client privilege, that I have no authority, frankly, to --

Somebody is getting feedback. So maybe if you are not speaking, maybe you mute your mic., if you don't mind.

With respect to a conflict of interest under the Rules of Professional Conduct, I'm not in a position to assure, for instance, Mr. LeGrand that I find no violation of the Rules of Professional Conduct, no conflict of interest. Go ahead and testify. You're -- you're free and clear of any potential ethical violation. You're not within my jurisdiction.

So that was the issue of conflict of interest, and as a part of that, whether, if Mr. LeGrand, as he stated to us in some respects during the voir dire process at the end of April, was reluctant to testify because of some potential ethical violation, whether, in fact, I could compel him to testify in the arbitration anyway.

Page 5

1 I think I intimated at the April hearing that I didn't think I could. I'm pretty sure I said that I 2 3 didn't think I would under those circumstances. 4 open that up for potential briefing, as well. 5 So I read the briefs. I don't really want a complete requrgitation of them. Since the respondents 6 filed the initial brief -- I intend to give both sides opportunities to be heard, but I will hear from you 8 9 first, anything in addition to what's in the brief. 10 Is it going to be Mr. Bare or Mr. Lewin or 11 Mr. Garfinkel? Judge Bare. Sorry. 12 JUDGE BARE: It's going to Judge Bare, Your 13 Honor. 14 JUDGE WALL: Okay. Judge Bare. Well, thanks a lot, Judge Wall. 15 JUDGE BARE: 16 You know as I look at the screen, I feel like I see two 17 Hall of Famers based upon your time in Nevada and what 18 you've got framed on the wall behind you. 19 All right. All right. JUDGE WALL: 2.0 JUDGE BARE: We've known each other for a while. You know that's my way of simply saying, good to 21 22 see you again and, of course, I hope you are doing well. 23 Thanks for the opportunity here today. 24 I did want to respectfully ask sort of a 25 housekeeping structural question, if I could, please, and Page 6

1	that is, you know, I was specially retained regarding the
2	brief and the argument, and as it turns out in this
3	instance, there is a story to be told. There is a
4	chronology of events, a lot of moving parts.
5	Perhaps respectfully you can see that in the
6	oh-oh.
7	JUDGE WALL: Are you trying to screen share?
8	JUDGE BARE: Something happened.
9	JUDGE WALL: What are you trying to do?
10	JUDGE BARE: The meeting everything went off
11	my computer for some reason.
12	JUDGE WALL: We can still see and hear you.
13	JUDGE BARE: I can't see and hear anybody for
14	some reason.
15	JUDGE WALL: Do you want to try to log out and
16	log back in?
17	JUDGE BARE: I'm sorry. That is what is going
18	on right now. I'll try that.
19	(Discussion off the record.)
20	JUDGE BARE: Getting back to the housekeeping
21	matter, Judge, I wanted to ask about, I was talking about
22	how perhaps it is reflective from the attachments to our
23	brief that there was a lot to the chronology of events
24	going back a few years having to do with what we believe
25	to create a clear, factual predicate for the waiver of
	Page 7

the attorney-client privilege.

And so the housekeeping matter I would respectfully ask you is, is there a time limit or time, sort of, schedule that you'd like me to keep, because, of course, I will be brief, I will be to the point, I will be relevant as best I possibly can, but I do know in preparing for this now that in order to fully go through various instances from the exhibits, it's going to take me a little bit of time, maybe 45 minutes or more, I would say, maybe even an hour.

And what I mean by that is consistent with what I said about don't regurgitate the brief, I was so happy to hear that because it was not my intention to do that. Of course, I know you've read the briefs and understand the law. And since there is so much volume to the exhibits, what I thought I would do, that I would hope would be helpful to you, would be a go-through and identify specifically a number of items in the exhibits and how they relate to the attorney-client waiver argument that we have.

So that's my question.

JUDGE WALL: No, whatever you need to do. You know I don't want a regurgitation of the brief, because I did read it.

Before you begin, it occurs to me, Mr. Gerrard,

Page 8

I haven't done a separate disclosure as it relates to Judge Bare in this case. I can tell you and I'll make a disclosure now on the record that obviously I know him from his time on the bench. I probably got to know him a little better after I left the bench. I tried at least one case in front of him. I can tell you that -- that those facts don't create for me any conflict that -- that I don't have the slightest doubt about being able to be impartial with Judge Bare on there, but since normally when we get a notice of appearance of new counsel, JAMS promulgates a new disclosure form, but I don't think that was done in this case.

So if you wanted the opportunity to speak to Mr. Bidsal privately, I could move you into a breakout room for that purpose before we begin the argument, but I think it is probably necessary to at least get that on the record, or whatever your pleasure.

MR GERRARD: Well, as to any potential conflict, we don't have any problem with Your Honor allowing Mr. Bare to participate. I don't have any concerns about that.

I have, however, some rather serious concerns and will object to what Mr. Bare just stated he wants to do, because the whole purpose of the brief was to provide to not only Your Honor, but also to us, what the basis

Page 9

1 was of their argument. And what Mr. Bare is saying he wants to do is not included in their brief. 2 3 JUDGE WALL: I assume some of the documents he was referring to were ones that were referenced in the 4 5 I quess I don't know that. I would expect so, but, for 6 MR GERRARD: 7 instance, if you look at the brief they say something like, Mr. LeGrand's deposition was taken on such-and-such 8 9 a date. A copy of it is attached. There was extensive 10 questioning. They don't include any references to any 11 testimony from any deposition in their brief for us to 12 respond to. They just attach a brief and say, generally, 13 this is what we think it means. 14 So if they are now saying, well, we want to revise our brief by going through for Your Honor all the 15 specific references that we think matter, well obviously 16 17 we didn't have an opportunity to respond to those, 18 because they didn't identify them in their brief. 19 That's one of the things we pointed out in our 20 brief, is that they did not reference any specific

testimony by Mr. LeGrand in any of the references in their brief.

So, obviously, for them to now be able to go back and revise their brief, and we don't have any chance to do it, because I can't obviously respond on the fly to

Page 10

21

22

23

24

1 any testimony they may decide they want to revise their brief by referencing, it is wholly inappropriate. 2 3 JUDGE WALL: Judge Bare --4 JUDGE BARE: I'm not sure --5 JUDGE WALL: -- you're the only one who knows what you're going to be referring to. 6 7 Right. I'll start with the idea JUDGE BARE: that we're not going to -- I will not refer to anything 8 9 other than what is attached to our brief by way of 10 exhibits in that DropBox. We did in the brief allude to the fact that there is a storied history that stands for 11 12 the proposition that clearly in so many instances the 13 attorney-client privilege is waived by Mr. Bidsal's 14 failure to object to Mr. LeGrand participating in various forms -- forums at various levels, and, you know, I 15 disclosed and attached to the brief all of the items 16 17 relevant to that. 18 In fact, all of the items that are attached are ones that the defense counsel actively participated in. 19 20 Mr. Shapiro was at both depositions -- or he was at the deposition and the arbitration with Judge Haberfeld. 21 22 And then all the other items were disclosed in 23 discovery in part of our 16.1 discovery items in the 24 case. So there is no revision. It's -- I just think 25 that -- again, because the chronology has gone on for so Page 11

1 long, and there are so many instances, and there are so many interesting things in here, that on behalf of my 2 3 client I feel as though you respectfully might want to focus on, and I think as a good advocate what I ought to be doing in this argument today is focus on specific parts of the exhibits to show you how the attorney-client 6 7 privilege was waived or how the issue was put into the case, the at-issue doctrine, if you will. 8 9 So there is no revision here of the brief. 10 JUDGE WALL: Okay. Well, I'm going to allow 11 you to argue. I'm going to allow for contemporaneous 12 objections to things that weren't included in the brief, 13 and, Mr. Gerrard, that you didn't have a chance to 14 respond to, and on an ad hoc basis determine whether any additional briefing is necessary based on that or whether 15 16 we can address it today or whether it ought not to be 17 used in the argument. 18 So I'm just going to take it on an ad hoc basis All right? 19 as it comes. 20 Judge Bare. JUDGE BARE: All right. Thanks a lot. All 21 22 right. Judge Wall, what I want to do is I want to go 23 through first the relevant story, based upon the factual chronology of what happened here, because, respectfully, 24 25 we feel as though the only way you can really get a feel Page 12

for the waiver of the attorney-client privilege is to really see what happened here relevant to that waiver over and over again.

And once I do that, and that's probably what will take more time than anything from my perspective, I then want to turn to telling you by way of an offer of proof to assist you what it is we want to do with Mr. LeGrand in this arbitration should you grant our request to compel him to testify, ask him to testify, or he does testify. In other words, what's the relevance now of his testimony, and I think that that ties in to the law in this situation in that if you look especially at the Wardly case, Nevada Supreme Court, 1995, you will see fairness in this context where Mr. Bidsal has put at issue the buy-sell provision and everything attached to it, including the waterfall Exhibit B. It is consistent with the law. It is all about fairness.

And so I think we should tell you what we want to do with Mr. LeGrand in fairness consistent with the law when we question him in this particular arbitration.

So I'll do that.

I know, again, that you've read the brief and you know the law, but I would like to have a few moments to highlight the law, but if you want me to forgo that, I would be happy to do that in all due respect.

Page 13

And then lastly it's my plan to comment on their brief. I can skip that if you'd like or maybe I will just skip that if I get a rebuttal opportunity after Mr. Gerrard has spoken.

But let me go ahead and please ask you to consider a number of things that happened on the timeline that I think really speak volumes as to the fact that this attorney-client privilege issue has been waived for a long time. And then I'll talk a little bit about the at-issue element, because, remember, this particular arbitration, the one, Judge Wall, you're presiding over resulted from a demand for arbitration by Mr. Bidsal.

And while I'm at that, let me just hopefully briefly say I'm going to talk about this, but it comes to mind by way of a highlight now. Please consider the context in which Mr. Golshani and really CLA Properties, I -- I might sort of treat them as one in the same.

Mr. Golshani is the 100 percent owner of CLA Properties who is the -- you know, 50/50 partner in Green Valley Commerce, as you know.

But, you know -- well, why don't I just get to the facts. If I don't, I'll take more than an hour, and nobody wants that. I just want to talk about how the at-issue doctrine becomes relevant, but I'll get to that. All right.

Page 14

1 So here is the factual predicate that I would ask you to consider to be so on-point, important, and 2 3 tells the story about what really happened here. So it all starts with Exhibit A to our brief, 4 5 which as you can see there is the Notice of Deposition of David LeGrand from February 28th of '18. You might, of 6 course, have surmised, and you probably already know, that this stems from a District Court case where 9 Mr. Bidsal sued Mr. Golshani, Bidsal vs. Golshani, 10 District Court, that case is affectionately referred to 11 as the Mission Square Case. 12 Let's take a look, please, at this Notice of Deposition of Mr. LeGrand. Keep in mind that when this 13 14 Notice of Deposition comes in to Mr. LeGrand, he's already been maybe about seven years past his involvement 15 16 in creating Green Valley Commerce for these two managers, Golshani and Bidsal. 17 18 So here is a Notice of Deposition again of that 19 lawyer who jointly represented them both along the way. Let's start with the idea of who receives the 2.0 Certificate of Service for, again, this request to depose 21 22 the attorney responsible for creating Green Valley 23 Commerce. Well, that's Mr. Shapiro, James Shapiro. You can see the Certificate of Service there. 24 25 What does the Notice of Deposition say in Page 15

February of 2018? Well, what it says on page 3, paragraph 2, and I'm sure Mr. Shapiro saw or had a duty to see, there is a paragraph right there, paragraph 2, talks about privilege, that if there is a privilege to be asserted here, now is the time to assert it.

When you get hit with this Notice of Deposition and Service, that the lawyer who helped your client, Mr. Bidsal, form the Green Valley Commerce, you know, and it is not just that. It is not just the deposition, of course, as is standard. This notice comes with the subpoena duces tecum. What does the subpoena duces tecum ask for? All documents showing preparation, drafting, and/or interpretation -- and/or interpretation of the operating agreement of Mission Square, which was substantially similar to the operating agreement of Green Valley Commerce.

So that starts the analysis.

Right at that point in time had there been any desire to assert an attorney-client privilege, one could have, in my view, successfully actually been asserted by Mr. Bidsal through his counsel who receives the Certificate of Service that Mr. LeGrand, his lawyer, is being asked to be deposed and further being asked to provide documents, including interpretive documents of the Green Valley Commerce operating agreement. No

Page 16

1 objection. 2 But what really happens? Things about this. 3 This little story about what happens when LeGrand now follows through with the subpoena and the 4 5 Notice of Deposition is an interesting one that, again, I think has a lot of weight in showing there is a waiver of 6 7 attorney-client privilege. What really happens? I take this right from Mr. LeGrand's testimony 8 9 in the case, in the deposition, and then the record that 10 we have attached. 11 And there is no dispute. I'm sure there is no 12 dispute that what Mr. LeGrand would say that he did to 13 comply with, especially the subpoena is what? He says, 14 well, I took five to six hours on a Sunday to go through all my records, get on my computer and find everything, 15 16 five to six hours. 17 MR GERRARD: Your Honor, here is where we need 18 to start our objections. None of this is referenced 19 anywhere in their brief. Just because they attached the 20 deposition transcript to their brief doesn't mean they referenced any specific testimony out of that transcript 21 22 in the brief, which is what is required, and they didn't 23 do that. There is none. 24 So what they want Your Honor to do is to allow 25 them to make arguments for the first time that were never

Page 17

1 included in their brief. This is nowhere in their brief. This statement he's making reference is nowhere in the 2 3 brief. JUDGE BARE: It is in the brief. We talk about 4 5 what LeGrand did to come up with the 600 pages or more than 600 pages that ultimately came about. It is in the 6 7 deposition. Mr. Shapiro was there during the questioning. In fact, this came up both in the 8 9 deposition and the arbitration. 10 Further, Mr. -- or Judge Wall, I think you already ruled on this, and, you know, it has been ruled 11 12 upon, and I'm starting to feel, especially with the 13 facial expressions that Mr. Gerrard is making, this is 14 consistent --JUDGE WALL: Wait. Wait. I'm going to 15 16 handle that. All right? So we can just kind of dispense 17 with that stuff. Or we can do it by teleconference. All 18 right. 19 Let me ask you this. Isn't there a fundamental 20 difference between the waiver of privilege as it relates to GVC documents as opposed to the waiver of privilege 21 22 for communications between Mr. Bidsal as a manager of GVC 23 and Mr. LeGrand? I don't think -- and I say this. 24 don't think there is -- there is any dispute that the 25 documents that were produced pursuant to that subpoena

Page 18

1 duces tecum, Mission Square, or otherwise, or GVC, are no longer privileged if there ever was one. 2 3 Well, there probably was. But those were 4 produced without objection. 5 But isn't there -- and this is what I want to 6 focus on, frankly, so to the extent that I'm helping you -- helping you focus things a little bit -- isn't 7 there a fundamental difference between those two things? 8 9 JUDGE BARE: I take it that is a question for 10 me, respectfully. 11 JUDGE WALL: It is. 12 JUDGE BARE: Sorry about that. Thank you. 13 There is a fundamental difference, no doubt. 14 Documents from GVC are one thing. And -- well, the other items do include, and that's one of the things I intend 15 to cover actually, and I find very important, they do 16 17 include a lot of correspondence, email correspondence as 18 between Mr. LeGrand and Mr. Bidsal before Mr. Golshani is 19 even involved with Mr. LeGrand. In fact, I'm going to 20 show you a month, month-and-a-half of time before Mr. LeGrand even starts to deal with Mr. Bidsal -- I'm 21 22 sorry -- with Mr. Golshani. 23 JUDGE WALL: Okay. So recognizing there is a fundamental difference, I don't need to see the portion 24 25 of the deposition or refer to it that talks about his Page 19

1 production of 600-plus pages on the thumb drive or 2 whatever it was. All right. 3 JUDGE BARE: Right. I'm not trying to point 4 that out specifically line and verse. Rather what I will 5 do is point out other items, line and verse, from our disclosures. Again, only attached to the brief. 6 7 But I just want to make the argument. I mean it is an argument that has to be made. I'm here to argue 8 9 relevant items that I think would lead respectfully, 10 Judge Wall, to a conclusion from you that is supportive of our side. I think I should have the right to do that; 11 12 just like Mr. Gerrard should have the right to make his argument. I mean if he wants -- if Mr. Gerrard wants to 13 14 go first, I don't have a problem with that. 15 JUDGE WALL: No. I want you to continue your 16 argument. 17 JUDGE BARE: Okay. I'm going to continue my 18 argument. Thank you. 19 What I'm suggesting here that is important is 20 the extent to which Mr. LeGrand went to comply, especially with the subpoena, is all well known to 21 22 Mr. Shapiro. He knows about it for a number of years. 23 But look at what happened here. Five to six hours on a 24 Sunday, LeGrand spends. There is a thumb drive provided 25 to Mr. Garfinkel. Mr. Garfinkel, who, of course, is Page 20

1 counsel for Golshani, gets the thumb drive and prints items out on it. It turns out some of the things are 2 3 missing. No problem. No criticism there. But what does Mr. Garfinkel do on behalf of 4 5 Mr. Golshani to be sure all items are disclosed? He does personally meet with Mr. LeGrand, and they print items 6 out, and they compare the printout to the thumb drive. And --8 9 MR GERRARD: Again, I have to object. None of 10 this is in the brief. There is no declaration from Mr. Garfinkel or a declaration from Mr. LeGrand about 11 12 what was done. None of this testimony appears in their 13 brief. I just -- I can't overemphasize the prejudice to 14 us by allowing them to file a brief that has none --JUDGE BARE: Read the exhibits. Read the 15 16 exhibits. 17 JUDGE WALL: Judge, we have a court reporter, 18 as you know. They prefer one at a time. So I'm going to -- not just for her benefit, but for mine zealously 19 20 protect that. All right? JUDGE BARE: Fair enough. Can I say something? 21 22 JUDGE WALL: We had these discussions during 23 our arbitration hearing. Okay? About people talking 24 over one another or -- and -- and I pretty strictly 25 policed it there, and I don't want to change it now. Page 21

1	So I'm going to let Mr. Gerrard finish.
2	MR GERRARD: Sure, Judge. I mean, when a brief
3	is filed, under the Rules of Civil Procedure in Nevada,
4	and, of course, you've been following those rules for
5	purposes of the trial, and the arbitration, I should say,
6	it's required that the that the facts that you're
7	relying upon be set forth in your brief, not that you
8	make one generalized statement.
9	We think one sentence that says, "We think this
10	is what the deposition means," and then you attach the
11	transcript, and then later you come in and say, "Now I
12	want to go through and cite all the different language
13	that I think supports our argument," which obviously we
14	can't respond to, because it wasn't in the brief.
15	And so you said you were going to do it on an
16	ad hoc basis.
17	JUDGE WALL: Correct.
18	MR. GERRAD: And so I'm only interrupting as I
19	need to to say I'm objecting because what he's stating
20	right now is essentially not supported by any
21	declaration. It's not supported by any affidavit. And
22	it's not included anywhere in their brief. So
23	JUDGE WALL: So I would I would
24	JUDGE BARE: Can I respond or no?
25	JUDGE WALL: extend to to respondents the
	Page 22

1 opportunity to rebut what's in your brief using documents that they attached to their initial brief. 2 3 So some of this is maybe going a little far afield in terms of -- of a declaration from 4 5 Mr. Garfinkel, but he's here. I'm going to overrule the 6 objection at this point. But, Judge, you understand I want you to kind of stick to what we've got and kind of reach the issues 8 9 that concern me most. 10 JUDGE BARE: I respectfully want to do that, 11 and that's what I've been trying to do. I just want to 12 say since there is a record that I disagree that we didn't mention anything in our brief about this. If you 13 14 look at page 2 of our brief, the bottom of it, we say in responding to the subpoena duces tecum in the Mission 15 16 Square litigation, Mr. LeGrand spent several hours 17 searching his electronic files, had multiple 18 communications with Mr. Golshani's counsel, Luis 19 Garfinkel, and that communication with Mr. Bidsal's 20 counsel. Mr. LeGrand produced in excess of 600 pages of documentations responsive to the superintendent. And it 21 22 goes on from there, and references the second 23 supplemental 16.1 disclosure, Exhibit B to our brief. So what I'm doing to you I'm -- you know, if I 24 25 could -- I could have mentioned every word from the Page 23

1 supplemental disclosures, but I don't want to do that in a brief. 2 So it has been referenced, and the exhibit --3 Exhibit B, which is our 16.1 second supplemental 4 disclosure, is there. Mr. Shapiro participated in that. And so I don't know how it is, respectfully, I wouldn't 6 be allowed to now reference parts of that exhibit. JUDGE WALL: Well, I overruled the objection. 8 9 So --10 JUDGE BARE: Understood. I wanted to make my 11 record here on that. Thank you for that. 12 Enough said about that. 13 A lot happened to have Mr. LeGrand comply with 14 the -- especially again the subpoena. And so we got 600 pages which is, again, 15 Exhibit B to our brief, the 16.1 second supplement from 16 17 Mr. Golshani. 18 On page 5 of Exhibit B, to this motion practice, you can see we start, and I want to cover some 19 20 of the emails, because what happened was Mr. LeGrand did, consistent with what I tried to describe the extensive 21 22 effort put forth, Mr. LeGrand did give to Mr. Garfinkel, 23 again, counsel for Mr. Golshani, all while Mr. Shapiro 24 knows this is going on on behalf of Mr. Bidsal, 25 600-and-some pages, which is, again -- it surfaces now Page 24

essentially as, you know, the disclosure, 16.1 disclosure made in the underlying case.

But when you look at this, you'll see that not just Mission Square is talked about, but really Green Valley Commerce relevant to this arbitration, a number of documents, a number of emails, a number of interesting items appear in the 600 pages of disclosure.

And I want to cover some of those because in my view they tell the story of the waiver of attorney-client privilege. So I want to start on page 5. And I'll try to move as quickly as I can through this.

MR GERRARD: Judge, once again, I'm objecting.

None of these exhibits are referenced. They attach a

16.1 disclosure that is 600 pages, and they think we're

supposed to hunt through those to understand which of

those documents they're relying upon for their -- for

their argument? I mean, if there were specific emails or

specific documents in that production that they are

relying upon for their argument, why are those not

referenced in their brief anywhere?

JUDGE BARE: Well, they are attached as questions and answers, and part of the disclosure that came up in the oath in the deposition and -- in the Judge Haberfeld arbitration. And it is all consistent with the

JUDGE WALL:

Can you respond to that question?

Page 25

argument that we make. I mean, I guess we could have asked for a -- an extension of the page limit and gotten to a couple hundred pages.

MR GERRARD: Again, Judge, the only way I can respond to this is we don't do trial by ambush. We don't -- we don't play hide the ball and then suddenly at the time of the hearing for the first time provide what the basis of our argument actually is. You know, the whole point of us having briefs done and Your Honor giving us an opportunity to respond to their brief is for them to identify the specific exhibits that they are relying upon for their argument. These -- there is not one single email between Mr. LeGrand and any of the members of this LLC that is referenced in their motion. Not one.

And they haven't identified in their motion anything that they are relying upon from this 16.1 disclosure. If you read the top of page 3 of their brief, it simply says, "The documents produced by Mr. LeGrand were Bates stamped and produced in the Mission Square litigation as part of Mr. Golshani and CLA Property LLC's Second Supplemental NRC 16.1 Disclosures. Copy of that is attached. Mr. Bidsal did not object to the documents produced." That's it.

Page 26

They don't say that there is some document

1 that's within that production that they are relying upon for their argument that there is a waiver of the 2 3 attorney-client privilege. It is just -- I've never seen anything like this, let alone, you know, from experienced 4 5 counsel. I mean you cannot -- you cannot make brand new argument for the first time at the hearing. 6 know, identify the documents that you're really relying upon for the first time at the hearing. 8 9 JUDGE BARE: Can I respond to that? I mean I 10 just want to ask --11 JUDGE WALL: Judge Bare, you may respond. 12 JUDGE BARE: Well, you know, what I really want 13 to say is this really seems consistent with the fact that 14 in their brief they accuse me of misrepresentation and they further accuse me of being ignorant. It is starting 15 16 to feel that is a manner of practice, frankly, 17 Mr. Gerrard has. That is what it is starting to feel 18 like to me with these continued interruptions, and this 19 particular objection I felt was already ruled upon. 2.0 More than that, this argument is simply just It is consistent with what they had. You 21 22 identified the dates upon which the documents were 23 provided. They -- we went first. They had an 24 opportunity to respond to that. They have had plenty of 25 opportunity, and they actively participated in everything Page 27

1 that is in the exhibits.

It's their -- their disclosures that we're relying upon here, and it's a deposition and arbitration that they were at.

MR GERRARD: Your Honor, I apologize. If there is anything in our brief that made any derogatory comment of any kind, I'm not aware of it. I certainly don't practice that way, and I'm not sure what Mr. Bare is making reference to.

But that's not my intention, and I am -- I am making ad hoc objections as Your Honor stated that I was to do, because this issue has not been ruled on, because as it comes up, you asked me to bring it to your attention, and that's what I do.

JUDGE WALL: Okay. I'm going to overrule the objection.

Judge Bare, you understand what he's talking about. I asked for a specific briefing on how, if the privilege was waived, tell me how. And -- and there was some pretty general references to it along with about a thousand pages attached collectively of exhibits. And to now say, okay, on page 847 of those thousand, here is something to look at. Here is a waiver. Here is the way we think it was waived. That makes it more difficult. You understand.

Page 28

I mean, from a briefing standpoint, that makes it more difficult for the plaintiffs. So I -- you know, so I'm sensitive to what he's saying, because I asked for very specific things in the briefing and I didn't really get them. And I went through and read as much as I could of everything that you submitted in terms of the exhibits, you know. So that makes it obviously a little more difficult. So I understand his objection.

So I -- I -- you know, I mean it may be that you -- you lay out what you want to lay out, and then Mr. Gerrard can have an opportunity to -- to file a supplemental brief, because of all the potential references to things that weren't in yours. And then we reconvene. I mean, I suppose that's -- that's, you know -- drag this thing out for long enough, but -- but that's a possibility.

So I guess I will say that right now I'm considering doing that procedurally. And -- and I understand his frustration.

MR GERRARD: Judge, if that is what you are planning to do or you are really going to do that, I would prefer these things that they are making reference to be put in writing so that we don't have to order a copy of the transcript so that we can make sure that we cover the things that they're raising orally for the

Page 29

2.0

1	first time.
2	JUDGE WALL: Mr. Lewin, Mr. Garfinkel, Judge
3	Bare.
4	JUDGE BARE: Can we have a moment with our
5	client?
6	JUDGE WALL: Sure. Do you want me to move you
7	into a breakout room?
8	MR. GARFINKEL: Yes, Judge.
9	JUDGE WALL: All right.
10	(Recess was taken.)
11	JUDGE WALL: Back on the record.
12	Mr. Lewin, Mr. Garfinkel, Judge Bare. On
13	procedural issues.
14	JUDGE BARE: Respectfully, Judge Wall, it's
15	really your call. I mean, we're willing to do whatever
16	you like in this regard. Obviously, we felt that
17	especially given that defense counsel participated
18	actively in everything that is attached by way of
19	exhibits and all our arguments were made certainly in a
20	more generalized sense, but that was by way of intention.
21	This is a time for argument. We think they are clearly
22	on notice that we're talking about instances in a whole
23	chronology of events where the attorney-client privilege
24	was waived.
25	But given your feelings on this, our thought,
	Page 30

1 respectfully, would be, it's just up to you. either give the whole argument, which we'll reference a 2 3 number of things specifically only from our exhibits. 4 Again, items either from the -- the 600 5 pages -- well, I think it is all from the 600 pages pretty much, because in there are a lot of emails as 6 between Mr. LeGrand and Mr. Bidsal only prior to Mr. Golshani even being involved in this. 8 9 But in any event we would agree to either 10 giving the whole argument, and if I do that, we acknowledge and would agree to simply stop and allow 11 12 Mr. Gerrard or the other side to file a -- a brief in 13 response to the specifics that I've mentioned; or, in the alternative, we will provide a more specific brief and 14 the associated argument with how the specific items fit 15 16 within all the theories that we have layed out in our 17 moving papers. 18 I will tell you it wouldn't be that difficult 19 to do, you know, because, again, it would just be a matter of making a lengthier brief, but one that 20 references line and verse various items from all these 21 22 pages of things that happened, you know, over the years. 23 JUDGE WALL: Okay. So I would prefer not to 24 have arguments by each side weeks apart. It is just 25 harder for me to compartmentalize, and I'm sure you, of Page 31

1 all people, can understand that. MR GERRARD: Can I make a comment, Judge, 2 3 before you make a decision? 4 JUDGE WALL: Sure. 5 MR GERRARD: Thanks. Obviously, we have a big problem with this. 6 When we were at the end of the arbitration, and we were 7 down to this final witness, and they asked for an 8 9 opportunity to brief this issue before Your Honor decided 10 anything. And Your Honor gave them not just couple of weeks, but because Mr. Garfinkel was moving, you gave 11 12 them a long period of time, more than -- I think it was 13 in excess of three or four weeks for them to put together 14 their briefs, and you were very specific about what you wanted them to show to you. 15 If there has been a waiver of this 16 17 attorney-client privilege, show me where it's happened. 18 Tell me what the waiver is. Tell me why there was a 19 waiver. Brief the issue. And also to deal with the 2.0 conflict issue that we had raised. And the brief that we got back at the end of 21 22 that time period has none of the information in it that 23 you requested in terms of anything specific showing a 24 breach of the attorney-client privilege, no reference to 25 any deposition testimony, no reference to any arbitration Page 32

testimony, no reference to any specific emails that they want to claim. None of that is there. And then we responded to what they had provided.

And in addition to that, we did specifically make reference to the testimony from the transcript that we thought showed that there was no waiver of any attorney-client privilege, that it still exists, and we thoroughly briefed the issue and the conflict issue which they didn't even address in their brief.

I frankly don't think it is fair for them to get a second bite at the apple. I think that they should be forced to make their argument based upon what they actually presented in their brief, not rebriefing the issue and, you know, now coming up with a new argument that they didn't come up with before, or identify new exhibits that they had time to identify before, but chose not to. And giving an opportunity to address issues they never even addressed in their original brief.

So I just don't think what has been done is what Your Honor asked to be done.

And we have, you know, spent the time and the money to allow them to brief it and for us to brief it, and the longer that this thing gets delayed from when the arbitration was, the more difficult it is for everybody to remember what happened hat the arbitration. And I

Page 33

2.0

1 just think, you know -- maybe you have got an eidetic memory I don't have, but I really, Judge, think this is 2 3 prejudicial, and it is not a level playing field. 4 shouldn't be getting a second bite of the apple. 5 You told them what you wanted them to do. And they presented what they thought they wanted to present, 6 and they shouldn't be able to enlarge that now in the hearing or enlarge it by filing another brief. 8 9 JUDGE WALL: Okay. The objection is noted. 10 I'm going to allow a supplemental brief with some 11 restrictions. Okay? 12 We're not going to reach legal issues that we 13 didn't reach in the first brief. We're not going to add 14 additional exhibits that were not referenced or attached to the initial brief. Okay? 15 16 We're going to -- I mean the -- the briefs 17 spoke -- the brief that you filed spoke in some 18 generalities, and all of the exhibits were attached. You 19 know, if we just -- if there was no argument, I would 20 have to go through again all those -- those hundreds of pages and try to kind of glean how the generalities 21 22 squared with what you attached, because ultimately all I 23 care about is getting the right answer. 24 So this is a supplemental brief. I don't need 25 you to repeat what's in the former brief. Okay? Page 34

1 How long do you need to prepare that? JUDGE BARE: Well, I don't know the answer to 2 3 that, because it's -- that brief is a collaborative 4 effort with a lawyer in Louis' firm, a guy named Glenn Machado who appears in the case, as well. And he's not I don't know the answer. 6 Louis, do you have a thought? MR. GARFINKEL: Let me ask you something, Judge 8 9 Wall. All we're talking about is -- from what I 10 understand, it -- let me -- from what I understand is 11 that you -- you had certain examples that you wanted to 12 reference, all right, from the exhibits, and you want to 13 basically, rather than -- rather than just relay them 14 right now, what you're going to do is basically reference them in another document. So I don't really think it 15 16 should be that difficult. Am I right? I mean, all we're 17 really looking at is just annotating our original brief 18 with specific references that are part -- that are 19 already in the exhibits. Am I correct? That's what 20 we're talking about. So I mean I don't -- I don't -- I don't envision that as being very difficult. 21 22 I mean how long -- Rob, how long do you think 23 that would take? A week and a half maybe? I mean just to get organized? And Rob, you have the stuff. 24 25 JUDGE WALL: You have the holiday in between.

Page 35

1	So I was thinking July 9th.
2	MR. LEWIN: That's fine, Your Honor. July 9.
3	As long as that works with Judge Bare.
4	JUDGE BARE: That's fine with me, but one thing
5	about me I always tell people the way it is, and I always
6	will, and I work with Glenn. He is just not on the call.
7	I don't know what his schedule is.
8	MR. GARFINKEL: Rob, we'll work through that.
9	Okay? We'll work through that. All right?
10	JUDGE BARE: No problem. I was being
11	respectful to him. He's not on the call right now. We
12	can agree to July 9th.
13	JUDGE WALL: All right.
14	Mr. Gerrard, two weeks would be July 23rd.
15	MR GERRARD: Which I think is fine, Your Honor.
16	JUDGE WALL: All right.
17	So let's reschedule our Zoom. How is
18	August 5th? That will give me time to read everything
19	over again.
20	JUDGE BARE: That is fine with me.
21	MR GERRARD: Your Honor, I do have a trial
22	that's scheduled for that time, but it is on a stack in
23	front of Judge Gonzalez, and I don't know right now, so
24	if you want me let's say yes, but if it turns out that
25	the calendar causes a problem, can we please be flexible
	Page 36

1	enough to move that?
2	JUDGE WALL: Yes.
3	MR. GARFINKEL: That works for me, Your Honor.
4	JUDGE WALL: Mr. Lewin, is that okay?
5	MR. LEWIN: That's fine.
6	JUDGE WALL: It will be by Zoom. Let's say
7	August 5th. Is this time okay or do you want the
8	morning?
9	MR. GARFINKEL: This time is fine, Your Honor.
10	MR. LEWIN: This time is good.
11	JUDGE WALL: All right. 1:00 p.m. Pacific.
12	All right.
13	MR. LEWIN: Your Honor, while we have you here,
14	can I ask you for a housekeeping matter, I've been
15	thinking about our closing arguments. I know you said
16	you wanted briefs. Is that still your view? You don't
17	want it briefed. You would rather have oral argument.
18	JUDGE WALL: Of the two, I would rather have
19	oral argument, because I like to jump in and ask
20	questions and be a little bit of a pest, but it helps me
21	to focus on the issues that are important to me.
22	MR. LEWIN: All right. So what I've been
23	thinking about, I don't know how you intend to have that
24	structured. We have a claim and a counterclaim. Is it
25	your intention I'm trying to figure out in terms of
	Page 37

1 framing -- sort of writing up my argument mostly, but is it your intention to have the -- well, claimant, the 2 3 claimant respond to rebuttal and vice versa, or is it --I just don't know how you are going to handle that. 4 5 would be helpful in terms of finishing my preparation. I mean, I can tell you what 6 JUDGE WALL: 7 generally happens. What generally happens, if you haven't gleaned it by now, is, for instance, claimant 8 9 would argue, and I would probably ask some questions. 10 Respondent would argue. I would probably reach six more 11 issues. I would give claimant's counsel a chance to respond, not only in terms of a reply, but also in terms 12 13 of all the issues I brought up during respondents' 14 argument that weren't covered before. 15 And then I will allow respondent's counsel 16 probably to chime in on new issues I raised with the other side that hadn't been -- I mean it is far more 17 18 interactive than it is a formality of, you know, jury 19 trial. Let's put it that way. MR. LEWIN: Okay. 2.0 21 JUDGE WALL: So my guess is that at some point 22 you're going to have to just trash your notes and answer 23 my questions. But it could -- it could devolve into 24 something much more sophisticated. Who knows. 25 MR. LEWIN: You mean, I should throw away the Page 38

     speech I already wrote?
 2
                JUDGE WALL: No. You can go ahead and have it.
     I may stop you and say, "Wait a minute. How about this?"
 3
 4
                MR. LEWIN: Sure. I got it.
 5
                JUDGE WALL: Anything else we need to cover
 6
     today? Off the record.
