Case:86578-Transcripts

District Court Transcript Video Service informed me that the transcript I ordered has been done and forwarded to Supreme Court. They also sent me a copy. I was very naive, thinking they were simply sent Supreme Court a copy of court trial video. When I got the thick copy 8-23-2022 and 11-15-2022 trials transcripts I was shocked, that they were sheer fabrication fake transcripts. When I calmed down, I realized that the ugly of 8-23-2022 and 11-15-2022 trial videos will never be allowed to show to Supreme Court, the video might be deleted already. These Transcripts were transcribed by third party, can't be proved beyond the reasonable doubt. Therefore, I request the transcripts should not be qualified as evidence for this court case.

Although the transcripts kept over and over again mentioning 7-8-2021 court order and five pending issues, but failed to mention the main propose to this order was on page 4 ordered both party file a brief by 7-30-2021 to address their arguments on the five pending issues. My "Defendant's Brief" was filed 7-30-2021 by my former attorney Miss Veiga, these two briefs should be the final key stone to solve the five pending issues. Unfortunately, during the 8-23-2022 trail it seems to me Judge Henderson has never read "Defendant's Brief", or intentionally ignored the fact and evidence, that leaded to 4-14-2023 Order. Your Honor, when you review this court case, please read both **briefs!** (I could send Supreme Court two copies).

When I filed **Motion for Stay** with Supreme Court, I was advised to file with district court first. 6-16-2023 I filed **Motion for Stay** with district court, the hearing was scheduled 7-25-2023 at 9:00 a.m., 7-25-2023 9:30 a.m. clerk of the court came out and told the parties that the hearing was vacated due to this case was appealing in Supreme Court, and advice parties not to file any more court

papers until hear the ruling from Supreme Court. 7-28-2023 Ruorong Yu filed three subpoenas two of them not even the pending dispute accounts. Brian Yu has no choice but to file MTQ. The hearing was scheduled 9-25-2023 at 10:00 a.m., 8-18-2023 court minutes said 9-25-2023 hearing was vacated.

Appellant likes to know his 5-31-2023 filed **Motion for Stay** with Supreme Court will be accepted again or not? Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Yu", with a stylized flourish at the end.

CASE NO: D-13-478791-D

HEARING DATE: 09-25-2023

ORAL ARGUMENT REQUESTED

YES

DEFENDANT'S MOTION TO QUASH SUBPOENAS

COMES NOW, Defendant, BRIAN YU, (hereinafter referred to as "Brian" or "Defendant") submits his Motion to Quash Plaintiff's 7-28-2023 FILED three subpoenas regarding financial accounts a). Synchrony Bank account, b). Dreyfus Premier Third Century Funds, c). TD Ameritrade Cleaning Inc. When 7-25-2023 hearing was vacated, the clerk of the court advised parties do not file any more court papers while this court case is appealing in Supreme Court of Nevada. Since Plaintiff ignore court's advice, Defendant has to respond accordingly.

FACT AND ARGUMENTS

A). Mass undisputable evidence proved beyond reasonable that the money in Synchrony Bank account is Defendant's half of GE money. Plaintiff has no right to subpoena Defendant's solely owned account opened after 7-25-2014, also this issue is being appeal in Supreme Court

B). Defendant simply didn't own any Dreyfus Premier Third Century Funds account. Plaintiff has the history fabricate fake claims, this is another example.

C). Defendant's MassMutual 457 (b) retirement account after Plaintiff requested extension after extension delayed one whole year, finally the QDRO was lawfully executed by the order of City of Las Vegas HR, the account was legally separated right before City changed retirement fund management company from MassMutual to Nationwide. When IRA account money move that subject to RMD and pay tax. Plaintiff delayed the execution of the QDRO one full year, therefore when Defendant's separated account transfer from MassMutual to Nationwide subject to 2019 and 2020 two years \$52k RMD and paid \$9k tax. January 2021 when Defendant transfer this IRA account from Nationwide to TD Ameritrade subject to another RMD and paid tax. Plaintiff has no right to subpoena this Defendant solely owned IRA account.

CONCLUSIONS

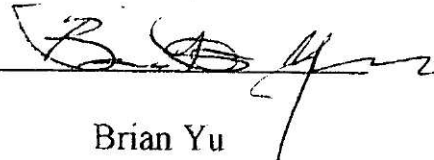

1), Synchrony Bank account was appealing at Supreme Court. 2). Dreyfus account do not exist. 3). TD Ameritrade IRA account was opened after 7-25-2014.

Therefore, court should issue court order quash these three subpoenas.
