c/o Honorable Chief Judge Stiglich

Honorable Chief Judge Stiglich,

Transcripts-2

Your Honor, I am not going to argue with district court about the transcript. They knew what they were doing. Verbatim Transcription's Sharolyn Bomholdt has no sense transcribed a fake transcript, but she did, I didn't remember during the 11-15-2022 two hours trial I said a word, I was totally being ignored. Transcript Video Service has no responsibility for the fake transcript. Attached with this letter please see the copy of email records of district court Transcript Video Service Sherry Justice with Brian Yu shown, I didn't lie to you. Transcript Video Service promised transfer the transcript to Supreme Court. When I didn't go to their office to pick up 250 pages hard copy of fake transcript and signed off the receipt, they might change their mind. On another hand, You Honor done need to spend your valuable time to read that fake Transcripts. The "Appellant's Informal Brief" I just filed; page 7 third paragraph has short description about these three trials.

Sincerely,

Brian Yu

Hi Sherry,

Thank you for the email, this week I am busy, I will stop by your office to pick up the transcript next week. I have few questions want to ask you.

- 1). Is the transcript your email me that is my copy. You already transferred the original to Supreme Court?
- 2). Your receipt have typos Supreme Court case no. 10378 should be 70348.

3). Sharolyn Bornholdt was not your office employee?

THE PERSON WHO SIGNED THE TRANSCRIPT.

4). Where is your office located? Can I direct go to your office to pick up the transcript and thank you for your help in person? or I need to go front desk to get a number and wait couple of hours then ask the lady behind the window to get the transcript for me?
