*ORDER DIRECTING ANSWER*

This emergency pro se petition for a writ of mandamus seeks to compel the Nevada Department of Public Safety, Division of Parole and Probation's compliance with NRS 213.1543. That statute requires the Division to recommend early discharge from parole under certain conditions. According to petitioner, he met the requirements of NRS 213.1543 in summer 2022, but the Division has failed since that time to make the required recommendation or to otherwise respond to his letter inquiry dated July 5, 2022.

Having reviewed the petition and supporting documents, we conclude that an answer may assist this court in resolving the petition. Therefore, respondent Division shall have 14 days from the date of this order within which to file and serve an answer, including authorities, against issuance of the requested writ. NRAP 21(b)(1). No extensions of

time will be granted absent compelling circumstances identified in a written motion.

It is so ORDERED.
