**ORDER GRANTING IN PART AND DENYING IN PART SETTLING PLAINTIFFS'  
MOTION TO RETAX AND SETTLE ESSENCE'S COSTS**

Settling Plaintiffs MM DEVELOPMENT COMPANY, INC. D/B/A/ PLANET 13  
("MM"), LIVFREE WELLNESS, LLC D/B/A THE DISPENSARY ("LivFree"), QUALCAN  
LLC ("Qualcan"), NATURAL MEDICINE, L.L.C. ("Natural Medicine"), NEVADA  
WELLNESS CENTER, LLC ("NWC") and ETW MANAGEMENT GROUP, LLC ("ETW"),  
GLOBAL HARMONY, LLC ("Global Harmony"), JUST QUALITY, LLC ("Just Quality"),  
LIBRA CLEAR RIVER CENTER, LLC ("Libra"), ROMBOUGH REAL ESTATE, INC. dba

MOTHER HERB (“Mother Herb”), and ZION GARDENS, LLC (“Zion”) (collectively, “ETW Plaintiffs”), by and through their counsel of record, filed the Motion to Retax and Settle Costs (Doc ID# 2870), in this action on Aug. 8, 2022 (the “Motion”) regarding Defendant Integral Associates LLC d/b/a Essence Cannabis Dispensaries, Essence Tropicana, LLC, Essence Henderson, LLC (“Essence”) Memorandum of Costs filed August 5, 2022 (the “Memorandum”).

This Motion, having come before the Court on September 16, 2022, at 9:00 a.m. and again on October 21, 2022, at 8:30 a.m., with Settling Plaintiffs and Essence having appeared by and through their respective counsels of record on Settling Plaintiffs’ Motion. The Court having reviewed and considered the papers and pleadings on file herein, having heard the arguments of counsel, and for good cause appearing, hereby enters the following Findings of Fact, Conclusions of Law, and Order:<sup>1</sup>

**I.**

**FINDINGS OF FACT**

1. On December 10, 2018, Settling Plaintiffs MM and LivFree filed a Complaint, asserting causes of action for Declaratory Relief, Injunctive Relief, Violation of Procedural Due Process, Violation of Substantive Due Process, Equal Protection Violation, Petition for Judicial Review, and Petition for Writ of Mandamus.<sup>2</sup> The only named Defendant was the STATE OF NEVADA, DEPARTMENT OF TAXATION (“DOT”). Similarly, on January 15, 2019, Settling Plaintiff NWC filed a Complaint, asserting the same causes of action, and naming only DOT as a Defendant.<sup>3</sup> These actions, as originally brought by Settling Plaintiffs, sought relief from and against DOT, and alleged wrongdoing on the part of DOT, not the Essence Entities.

---

<sup>1</sup> If any findings of fact are more properly conclusions of law (or vice versa), they shall be treated as if appropriately identified and designated.

<sup>2</sup> See Complaint and Petition for Judicial Review or Writ of Mandamus, filed in Case No. A-18-785818-W on December 10, 2018.

<sup>3</sup> See Complaint, filed January 15, 2019.

2. Essence then sought to intervene prior to being named as a party by any Plaintiffs. Among other things, Essence contended that the Plaintiffs' respective requested relief would impair the Essence entities' licenses.

3. NWC, MM, and LivFree opposed Essence's requests and believed there was no need for Essence to be included as parties in the instant litigation. The requests to intervene were variously granted over NWC, MM, and LivFree's oppositions. Essence participated in the extended preliminary injunction hearing over the summer of 2019.

4. On June 14, 2019, Essence filed an Answer to MM and LivFree's First Amended Complaint and Petition for Judicial Review or Writ of Mandamus. Also on June 14, 2019, Essence filed an Answer to TGIG/Serenity Plaintiffs' Complaint and an Answer to the ETW Plaintiffs' Second Amended Complaint.

5. Subsequently, the Court informed that the Settling Plaintiffs, the non-settling Plaintiffs, and Defendants/Intervenors that at least the winning applicants should be added as parties to their respective operative complaints..<sup>4</sup>

6. On December 31, 2019, the Court entered an Order Granting Plaintiffs Leave to File Amended Complaints. Under the order, the Court directed NWC and "[a]ll present Plaintiffs" to amend their complaints "to name the purported winners in their complaint." Based on the motion practice and Court decrees, the operative complaints were amended.<sup>5</sup>

7. On January 14, 2020, Essence filed an Answer to D.H. Flamingo's First Amended Complaint.

---

<sup>4</sup> It should also be noted that if a party named as a Defendant did not want to participate, the Court allowed said Defendants to obtain a dismissal. See i.e. Transcript of Proceedings, dated December 2, 2019, at p. 31:2-32:8 and 43:18-44:5; see also Transcript of Proceedings, dated February 28, 2020, at p. 6:17-8:23; and Order Granting Motion for (1) Voluntary Dismissal of Certain Defendants/Respondents with Prejudice; and (2) Allowing Service By Electronic Means Only, dated March 11, 2020.

<sup>5</sup> Natural Medicine filed a Complaint-in-Intervention on February 7, 2020, based on the Court's order regarding potential plaintiffs.

1           8.       On January 28, 2020, Settling Plaintiffs, for the first time, filed Amended  
2 Complaints naming Essence as a party.

3           9.       On February 11, 2020, Essence filed a Motion to Dismiss or, Alternatively, Motion  
4 for Judgment on the Pleadings of All Plaintiffs' Operative Complaints. The Motion attacked all  
5 Plaintiffs' operative complaints and asserted that all Plaintiffs lacked standing to pursue this  
6 litigation. The motion was denied on March 19, 2020. However, Settling Plaintiffs never obtained  
7 a written order denying the motion even though they prevailed on it.

8           10.      Throughout the entirety of this litigation, Essence participated in discovery and  
9 was heavily involved in motion practice without any objection that it had not filed an answer. For  
10 instance, Essence served deposition notices on all of the Settling Plaintiffs' NRCP 30(b)(6)  
11 corporate representatives who appeared without objection at the Essence conducted depositions.  
12 Additionally, the Settling Plaintiffs served written discovery on Essence using devices that are  
13 reserved solely for parties. For example, NWC served interrogatories and requests for production  
14 of documents on Essence to which Essence responded. The ETW Plaintiffs also served  
15 interrogatories and requests for production on Essence. Again, Essence responded. And an  
16 Essence NRCP 30(b)(6) corporate representative appeared for deposition without a third party  
17 subpoena.

18           11.      In March 2020, Essence filed a "Motion for Summary Judgment Against All  
19 Plaintiffs," a "Motion in Limine to Preclude Plaintiffs from Admitting Evidence Contrary to Their  
20 NRCP 30(b)(6) Designee," and a "Motion for Case Terminating Sanction." The Settling Plaintiffs  
21 opposed these motions but did not dispute Essence's ability to file them as a party to the litigation.  
22 Additionally, Essence filed an "Omnibus Opposition to All Plaintiffs' Motions for Summary  
23 Judgment." Again, there was no protest that Essence could not file an opposition.

24           12.      On June 24, 2020, NWC filed a number of Three-Day Notice of Intent to Take  
25 Default against a number of entities. It did not file one against Essence.

26           13.      On July 8, 2020, Essence filed an Answer to NWC's Complaint, and to NM's  
27 Complaint-in-Intervention.  
28

1           14.     On July 8, 2020, Essence filed a Motion for Judgment as a Matter of Law for Lack  
2 of Standing by MM Development, Inc. and LivFree Wellnes LLC on Order Shortening Time.  
3 This motion was later denied.

4           15.     During the course of the litigation, Settling Plaintiffs won several motions,  
5 including summary judgment that (i) the Department acted beyond the scope of its authority by  
6 replacing the requirement for a background check on each prospective owner with the 5 percent  
7 or greater standard in NAC 453D.255(1)<sup>6</sup> and (ii) that MM and LivFree's appeals are to be heard  
8 arising from the denial of their licensure of their applications in the September 2018 retail  
9 licensure application competition.<sup>7</sup>The trial in these proceedings began on July 13, 2020. The  
10 proceedings were conducted in a series of three phases where only certain claims would be  
11 examined and determined in each phase. The First Phase addressed only the petition for judicial  
12 review (the "First Phase Claim"), the Second Phase addressed the equal protection, due process,  
13 declaratory relief, and permanent injunction claims (the "Second Phase Claims"), and the Third  
14 Phase would address writ of mandamus claims and Section 1983 claims (the "Third Phase  
15 Claim").<sup>8</sup>

16           16.     During the Second Phase of the proceedings, the Settling Plaintiffs settled with  
17 certain Defendants.<sup>9</sup> Essence was not among the Defendants that joined in any settlement. After  
18 the settlement, the Settling Plaintiffs largely stopped participating in the trial. As a result, the

22 on First Claim for Relief ("Order Granting Summary Judgment"), at 6:4-8, dated Aug. 15, 2020,  
23 on file herein.

24           <sup>7</sup> See Findings of Fact, Conclusions of Law and Order Granting in Part and Denying in Part MM  
25 Development Company, Inc. and LivFree Wellness, LLC's Motion for Summary Judgment or for  
26 Writ of Mandamus ("FFCL re Summary Judgment"), at 3:10-14, dated July 11, 2020, on file  
27 herein.

28           <sup>8</sup> See Amended Trial Protocol No. 2, dated July 2, 2020, on file herein. The Second Phase  
preceded the First Phase.

<sup>9</sup> Natural Medicine entered into a subsequent settlement agreement on August 17, 2020 which  
was approved on August 27, 2020 by the NV Tax Commission.

Settling Plaintiffs obtained no relief against Essence and did not prevail against Essence on any issue in the litigation.

17. The Second Phase concluded with a decision issued by the Court on September 3, 2020.<sup>10</sup> Therein, the Court granted Plaintiffs' cause of action seeking declaratory relief but did not remove any licenses that had been granted to Essence as part of the 2018 application process.<sup>11</sup> The Court also granted Plaintiffs' cause of action seeking a permanent injunction. The Settling Plaintiffs obtained no relief against Essence and did not prevail on any issues against Essence.

18. The Court proceeded with and completed the First Phase thereafter. The Third Trial Phase has not yet commenced.

19. On August 4, 2022, the Court entered an Order Granting Motion to Certify Trial Phases 1 and 2 As Final Under 54(b).

20. On August 5, 2022, Essence filed its Memorandum.<sup>12</sup>

21. In the Memorandum, Essence claims a total of \$181,033.95 in costs, is comprised of the following:

- \$1,686.50.00 in filing fees;
- \$125,766.15 in reporters' fees for depositions that includes both reporting and videotaping;
- \$16,190.61 in process server fees;
- \$3,315.52 in photocopies at 20 cents per page;
- \$234.36 in long distance telephone charges;
- \$550.00 in runner fees;
- \$9,656.50 in hearing and trial transcript expenses;
- \$9,230.30 in Westlaw Legal Research;

---

<sup>10</sup> See Findings of Fact, Conclusions of Law and Permanent Inj., at 6 n.8, Sept. 3, 2020 (the "Second Phase Judgment"). As noted therein, two additional Plaintiffs reached a settlement with the Department and certain Defendants prior to the issuance of the Second Phase Judgment. *Id.*

<sup>11</sup> *Id.* at 29:3.

<sup>12</sup> See First Phase Judgment and Second Phase Judgment, respectively.

- \$4,000.00 for deposition DVD synchronization;
- \$5,075.22 for a trial technician;
- \$4,887.27 for their own trial exhibits;
- \$372.00 in parking fees; and
- \$8,061.52 in “Discovery-related” expenses.<sup>13</sup>

22. Essence only requested costs beginning on August 9, 2019, after Essence was granted intervention and participated in the extended preliminary injunction hearing. Essence accrued these costs during its heavy participating in this litigation even though some of the costs were incurred prior to Essence being named a Defendant by any of the Settling Plaintiffs as ordered by the Court.

## II.

### CONCLUSIONS OF LAW

1. Under Nevada law, the prevailing party is entitled to recover its actual, reasonable, and necessary costs, which are defined by NRS 18.005(1)-(17). *See* NRS 18.110 and NRS 41.1395(2) (allowing for or requiring an award of costs); *see also* *Cadle Co. v. Woods & Erickson, LLP*, 131 Nev. 114, 345 P.3d 1049 (2015); *Bobby Berosini, Ltd. v. PETA*, 114 Nev. 1348, 971 P.2d 383 (1998).

2. NRS Chapter 18 states that costs are allowed only “to the prevailing party against any adverse party against whom judgment is rendered,” and only to “the party in whose favor judgment is rendered.” *See* NRS 18.020, NRS 18.110(1).

3. Costs must be reasonable, necessary, and actually incurred. NRS 18.005; *Bobby Berosini, Ltd. v. PETA*, 114 Nev. 1348, 1352, 971 P.2d 383, 385 (1998).

4. Even though trial courts have discretion to determine allowable costs, the Nevada Supreme Court requires that “statutes permitting the recovery of costs are to be strictly construed because they are in derogation of the common law.” *Bobby Berosini, Ltd. v. People for the Ethical*

---

<sup>13</sup> *See* Mem. of Costs of Essence, Aug. 5, 2022.

1 *Treatment of Animals*, 114 Nev. 1348, 1352, 971 P.2d 383, 385 (1998); *Gibellini v. Klindt*, 110  
2 Nev. 1201, 1205, 885 P.2d 540, 543 (1994).

3 5. The trial court’s discretion should also “be sparingly exercised when considering  
4 whether or not to allow expenses not specifically allowed by statute and precedent.” *Bergmann*  
5 *v. Boyce*, 109 Nev. 670, 679, 856 P.2d 560, 566 (1993).

6 6. Notwithstanding the court’s discretion, the party seeking costs “must provide  
7 sufficient support for the court to conclude that each taxed cost was reasonable, necessary, and  
8 actually incurred.” *Village Builders 96 L.P. v. U.S. Laboratories, Inc.*, 121 Nev. 261, 277-78,  
9 112 P.3d 1082, 1093 (2005).

10 7. If a party does not present the district court with evidence enabling the court to  
11 determine that requested costs were both reasonable and necessary, they should be rejected.  
12 *Cadle Co. v. Woods & Erickson, LLP*, 131 Nev. 114, 120, 345 P.3d 1049, 1054 (2015); *see also*  
13 *Berosini*, 114 Nev. at 1353, 971 P.2d at 386 (rejecting costs, such as photocopies because only  
14 the date and cost of each copy were provided); *Fairway Chevrolet Co. v. Kelley*, 484 P.3d 276,  
15 2021 WL 1530748, \*1 (Nev. 2021) (rejecting legal research costs because internal ledger  
16 provided did not document what research was conducted and how long it lasted, thereby making  
17 it impossible to determine whether each instance of research was reasonable and necessary).

18 8. The Court finds that Essence was a prevailing party under NRS 18.110 as it was  
19 not required to relinquish any of the licenses it obtained from the 2018 application process. The  
20 Settling Plaintiffs did not prevail on any issue as against Essence. Essence’s licenses were not lost  
21 or impaired by the litigation. *See Golightly & Vannah, PLLC v. TJ Allen, LLC*, 132 Nev. 416,  
22 422, 373 P.3d 103, 107 (2016).

23 9. The Court also finds that—as argued by the Settling Plaintiffs—Essence failed to  
24 provide the necessary supporting documentation to substantiate whether certain costs were  
25 reasonably or necessarily incurred. *See Cadle*, 131 Nev. at 120, 345 P.3d at 1054; *Berosini*, 114  
26 Nev. at 1353, 971 P.2d at 386; and *Vill. Builders 96, L.P. v. U.S. Labs., Inc.*, 121 Nev. 261, 276,  
27 112 P.3d 1082, 1092 (2005). The categories and amount of costs for which Essence did not  
28 provide the necessary supporting documentation to substantiate are included below:

- Video sync DVD copies: \$4,000.00
  - These are neither reasonable nor necessary for the case and are not an allowable under NRS 18.005(5), which permits “a reporter’s fee for one copy of each deposition.” The Court is not finding that syncing is not helpful. While the Court appreciates it is wonderful trial technology that gets utilized, but the Court finds it is not necessary.
- Photocopy costs: \$3,315.52
  - Nothing more than date and costs of bulk copies was provided. The Court needs more information per photocopy. *See Berosini*, 114 Nev. at 1353, 971 P.2d at 386.
- AT&T/long distance calls: \$234.36
  - Essence’s insufficient documentation does not show what calls were for or why they were reasonable or necessary. In today’s day and age, the Court cannot find it would be reasonable or necessary to incur long distance charges when people do have cell phones. If you choose to use some other function when you can use a cell phone, then it is not necessary. *See Cadle*, 131 Nev. at 120, 345 P.3d at 1054; *Berosini*, 114 Nev. at 1353, 971 P.2d at 386; and *Vill. Builders 96, L.P. v. U.S. Labs., Inc.*, 121 Nev. 261, 276, 112 P.3d 1082, 1092 (2005).
- Legal Research: \$9,230.30
  - The Court cannot determine from Essence’s ledger that was provided the details of what research was conducted, how it related to the litigation, or how long it lasted. *See Cadle*, 131 Nev. at 120, 345 P.3d at 1054; *Berosini*, 114 Nev. at 1353, 971 P.2d at 386; and *Fairway Chevrolet Co. v. Kelley*, 484 P.3d 276, 2021 WL 1530748, \*1 (Nev. 2021).

10. The Court also finds that Essence is not entitled to \$436.00 of e-filing charges for costs incurred after the entry of the Settlement Parties’ settlement on the record, on July 29, 2020.

11. As to the remainder of the costs included in Essence’s Memorandum of Costs, totaling \$163,817.77, the Court finds that Essence is entitled to those costs which were reasonably, necessarily, and actually incurred.

...

...

...

**III.**  
**ORDER**

THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED that the Court GRANTS IN PART and DENIES IN PART Settling Plaintiffs' Motion to Retax and Settle Costs as described above and, for the reasons stated above, retaxes \$17,216.18 of Essence's costs and awards Essence costs totaling \$163,817.77 pursuant to NRS 18.110.

Court noted it was included in the list. Counsel further advised a stipulation will be submitted to the Court moving the Motion for Preliminary Injunction in A-19-786962-B two weeks from May 6. Mr. Savarese noted they have not yet agreed. Court advised it will be out of the jurisdiction on May 20 so it can hear the motion on May 13, June 3, or May 24. Per parties' agreement, a stipulation will be submitted moving the motion for preliminary injunction to May 24. <b>COURT ORDERED, motions to intervene in the instant case are GRANTED. 4-22-19 9:00 AM STATUS CHECK;</b></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

A-18-785818-W - MM Development Company, Inc. vs. State of Nevada, Department of Taxation (Department IX case): Attorney William Kemp and Attorney Nathanael Rulis for the Plaintiffs A-18-786357-W - Compassionate Team of Las Vegas LLC vs. Nevada Department of Taxation (Department XIV case): Attorney Daniel Simon for the Plaintiff A-19-787035-C - D H Flamingo Inc vs. State Ex Rel Department of Taxation (Department VI case); Attorney Kelly Stout for the Plaintiffs A-19-787540-W - Nevada Wellness Center, LLC vs. State of Nevada, Department of Taxation (Department XVIII case); Attorney Theodore Parker for the Plaintiff A-19-787726-C - High Sierra Holistics vs. State of Nevada Department of Taxation (Department XIV case) Attorney James Puzey for the Plaintiff <b>COURT</b> advised today is a scheduling conference; these matters have been put on calendar because this Court has the lowest business court case (A-19-786962-B Serenity Wellness), the one with the motion for preliminary injunction. Mr. Kemp advised there are also cases in Washoe County and Lyon County; MM Development is the lowest case of all the cases locally; it is assigned to Department IX and has been administered by senior judges, although he understands Judge Silva will be the new judge in Department IX; he had informed Mr. Werbicky that they would not be opposed to coordination in general; however, the problem is that some cases are not in business court and they have a lot of missing parties; he will be filing an answer in a different case, and the proposition there is that even after a motion for coordination is granted a peremptory challenge may be filed; every time you coordinate you get a new bump which violates 48.1; the only way around that is to have a stipulation between all parties to go to one judge and keep that judge. Court stated its</p> |

**CASE SUMMARY****CASE NO. A-19-787004-B**

goal is to get the preliminary injunction hearing in the instant case finished and since this Court's ruling may affect all the people here today the Court is inviting everyone to participate; the Court is not consolidating the cases for the exact reason that counsel is identifying which could result in multiple things down the road. Mr. Kemp advised he supports the motion for preliminary injunction and can participate and submit briefing through Mr. Gentile; he points that out because they are already in the discovery process and have taken 6 depositions. At Ms. Stout's request for clarification, Court stated that at this point it is only planning to coordinate for purposes of the preliminary injunction hearing because of the primarily constitutional and business issue that is woven throughout all the cases. Mr. Bult advised he is probably in the same spot as Mr. Kemp and will help Mr. Gentile. Court noted if everyone is going to be relying on Mr. Gentile then that means all will be asking questions at the preliminary injunction hearing, which will triple the time if there are going to be witnesses. Mr. Bult further advised his only concern right now is a briefing schedule. Mr. Parker advised they were before the Discovery Commissioner a week and a half ago, and Nevada Wellness received a report and recommendation in their favor allowing them certain discovery; so, they may submit briefing which includes that additional discovery. Mr. Bhurud stated he would prefer to respond to one opposition although he would rather not have 7 different rulings either. As to whether parties will have witnesses at the hearing, Court stated it will be up to counsel. Mr. Bhurud added he would prefer that one or two attorneys on the Plaintiffs' side take the lead. Mr. Koch advised they had stipulated to May 2nd for the opposition; he is not sure if with regards to the hearing fact witnesses would help, because the motion for preliminary injunction as written is really legal argument regarding statutes. Court noted its only concern is that it was unclear when it read the briefing in Serenity Wellness - because it stopped reading before granting a motion to exceed page limit - if there is an argument that it is unconstitutional as applied, if that is the case, they probably need witnesses. Upon Mr. Puzey's inquiry, Court stated it does not intend to have the cases in Washoe and Lyon counties come here unless those judges want it to; if those judges and parties want to participate this Court will be happy to have them participate on May 24th; the cases here have the approval of the Chief Judge for coordination given the status of some of the departments they are assigned to. Mr. Bhurud advised the State will stipulate to bring those cases here. Mr. Puzey replied they are not yet prepared to enter into that stipulation today. Court stated it will let counsel discuss that amongst themselves. Mr. Kemp further advised there are two applications pending in Reno for new licenses which are currently not on the Washoe County agenda but could be put on the agenda on 5 days' notice; there is some concern that they could be heard as early as next week, which would be before the preliminary injunction hearing; if noticed, they will ask Mr. Gentile to take appropriate action to prevent those applications from becoming somehow moot. Court stated counsel can do whatever they want; the Court will sign an OST. Ms. Stout requested further clarification; her clients have sought slightly different relief and she wants to clarify whether the action that would be taken with respect to the motion for preliminary injunction here would not prevent other parties from seeking a preliminary injunction in other cases. Court stated yes if seeking on a different basis, but if the same basis as the instant case then it would be done here. Colloquy between Court and counsel regarding briefing. Per parties' STIPULATION, COURT ORDERED: Other Plaintiffs to make a decision by May 6, 2019 on whether they are formally joining the motion for preliminary injunction in A-19-786962-B (Serenity Wellness) and adding to some of the facts and raising new issues; Opposition DUE by May 9, 2019; Reply brief DUE by May 22, 2019 at noon. Ms. Stout advised that to the extent this proceeding would prevent her clients from raising a preliminary injunction seeking similar relief later on they would have to OBJECT under EDCR 2.50 and 1.61. COURT SO NOTED. Mr. Bhurud inquired as to whether the Court would prefer to have a motion for preliminary injunction by D H Flamingo filed here. COURT NOTED, if something happens and counsel thinks it needs to be done differently; no one has filed a formal motion to coordinate or consolidate. The Court has invited participation in the preliminary injunction hearing of all interested parties in order to avoid potentially conflicting rulings. COURT FURTHER NOTED that on May 6th, the date for the other Plaintiffs' elections, if there are any other issues that are unanticipated or beyond the pale the Court can discuss those with the parties on a conference call; if there are any discovery disputes that relate to the preliminary injunction hearing the Court can also do this on a conference call. After the May 24th hearing matter will be set for Rule 16 conference. 5-24-19 9:00 AM PRELIMINARY INJUNCTION HEARING IN A-19-786962-B IN DEPARTMENT XI;

However, the Court will **GRANT** the motion to the extent it seeks coordination of all the issues related to the preliminary injunction hearing scheduled next Friday (May 24, 2019). Court noting the Governor signed SB32 last Friday inquired whether it will impact any of the issues or exchange of information that needs to happen before the preliminary injunction hearing next Friday. Mr. Kemp advised the Department of Taxation filed a supplemental group of materials on their website on Friday that raises even more questions; he thinks it will help the process and speed up the preliminary injunction hearing but does not solve the issue. **PROPOSED MOTION FOR ORDER COMPELLING PRODUCTION OF PRESERVED ELECTRONICALLY STORED INFORMATION** in A-19-787004-B ETW Management: Per parties' agreement, Motion SET for Thursday, May 16, 2019 at 9 am. Order Shortening Time signed in open court and returned to counsel for filing. **PLAINTIFFS' MOTION TO CONSOLIDATE ON ORDER SHORTENING TIME**: Mr. Gentile argued in support of consolidating A-19-786962-B Serenity Wellness Center vs. State of Nevada Department of Taxation with A-19-794473-C Serenity Wellness Center, LLC vs. The City of Las Vegas, noting they had to file a lawsuit against the City quickly; it makes sense to consolidate these cases as they are identical. Mr. Byrnes advised the City has not received anything in this case but received a copy of the complaint this morning; however, the City also filed this morning a Notice of Removal to Federal Court. **COURT NOTED** it cannot act today if a notice of removal has been filed. **DISCUSSION REGARDING PRELIMINARY INJUNCTION HEARING ON MAY 24, 2019**: Court stated it does not care as to what the parties decide on a consolidated date for the oppositions as the Court will read all the briefing; Plaintiffs' reply brief DUE May 22nd. Mr. Shevorski advised that with respect to the motion filed by MM Development their oppositions are due on the 20th. Colloquy regarding suspended rules and counting days. Court noted 14 days from May 6th, the date of service of the motion. Mr. Shevorski advised it is his preference not to have any witnesses on May 24. Mr. Gentile advised that he would like to call witnesses; there has been a good deal of coordination of the attorneys sitting at his table, and he has 3 experts; he also anticipates the hearing will not be completed in one day; 2 of his experts are flying in. Mr. Kemp estimated 2.5 to 3 days for the hearing, depending on how much argument there will be, and advised he is calling one limited witness. Mr. Bult advised he may have one limited witness as well. Mr. Parker advised he is in trial the week of May 27 in federal court in Reno; however, he does have 1 witness in the instant case and anticipated the hearing taking 3 days. **COURT TRAILED** the matter for the parties to confer on a number of days. Matter **RECALLED**. **APPLICATION FOR TEMPORARY RESTRAINING ORDER** (A-19-786962-B - Serenity Wellness Center's application against Defendant-Intervenor CPCM Holdings, LLC d/b/a Thrive Cannabis Marketplace) : Following arguments by Mr. Gentile and Mr. Gutierrez, **COURT ORDERED**, after evaluating the balance of hardships and likelihood of success on the merits, the Court **GRANTS** the TRO in limited respect **PREVENTING** Thrive from beginning operations at the 3500 Sahara location until after the preliminary injunction hearing which the Court **SETS** as the same time as the Motion for Preliminary Injunction on May 24, 2019. **BOND SET** at \$150,000, amount of a half month's rent. Following further discussion on the estimated length and scope of the hearing(s), **COURT NOTED** it will **SET ASIDE** May 24th to the 31st. **COURT FURTHER DIRECTED** anyone to obtain Mr. Parker's confirmation via email to all parties, since he will be in trial, that he will be fine with everyone else proceeding after his one witness. 5-16-19 9:00 AM **MOTION FOR ORDER COMPELLING PRODUCTION OF PRESERVED ELECTRONICALLY STORED INFORMATION ON ORDER SHORTENING TIME** 5-24-19

APPEARANCES CONTINUED: Attorney William Kemp and Attorney Nathanael Rulis for the Plaintiffs in A-18-785818-W - MM Development Company, Inc. vs. State of Nevada, Department of Taxation (Department VIII case); Attorney Michael Cristalli and Attorney Dominic Gentile for the Plaintiffs in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case); Attorney Rusty Graf, Attorney Brigid Higgins, and Attorney Tisha Black for Clear River, LLC, Intervenor Defendant, in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case); Attorney Alina Shell for Intervenor Defendant GreenMart of Nevada NLV LLC in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case). Matter heard with A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case). Court inquired of Mr. Kemp whether a search protocol was developed when the mirror order was signed in his case. Mr. Kemp advised no, it was just a blanket download; they did not download the State's servers that the applications were on, but the State did preserve those; the key thing here is the 15 laptops used by the graders. Mr. Kemp further advised there was a control copy, the State's copy, and what is supposed to be his copy; no searches have been done by him.

DEFENDANT/INTERVENOR, CLEAR RIVER, LLC'S, ORDER SHORTENING TIME ON MOTION FOR PROTECTIVE ORDER AND TO QUASH SUBPOENA and JOINDERS thereto in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case): Arguments by Mr. Graf, Mr. Koch, Mr. Kemp, Mr. Gentile, and Mr. Shevorski. Upon Court's inquiry, Mr. Shevorski advised they have not yet done the searches subject to 16.1 in the MM case as the information is subject to security protocols; however, it has been preserved; they have produced their 16.1 and have not heard objections from the other side that their 16.1 was inadequate. Mr. Pope advised that when Judge Bailus was leaving, he said that all he was doing was preserving the information and the parties could fight about it later as to what could be released or not, what was confidential or not; the order even says the Plaintiffs were not to get the information until there was a process; MM wanted copying and then wanted forensic imaging, which requires special software and a lot of time to convert the information into something people are able to look at; money and time are involved; they did not have a vendor; the Department of Taxation I.T. staff thought they had to copy the drives, but when it came to forensic imaging, they had to find someone and the only vendor they could find who could do it was the Washoe County Sheriff's Department through the State's investigative department; he does not know what program but he is working on finding out what platform; their forensic specialist is "Kristy Funsaco" (phonetic), who is an investigator in their office, a State employee, and an expert in this area. Mr. Shevorski concurred searches have not been done but they have made their 16.1 disclosures to Mr. Kemp. Court noting the issue of privilege inquired if the State is in a position to do the redactions to the applications so only limited information is provided. Mr. Pope responded they are not as it would take a couple of employees one year to do that; procedurally they could give back the applicants their apps and have them redact the apps themselves. Mr. Graf replied it appears there has to be a methodology on what information gets disseminated and a methodology of contacting 400 or so applicants. Mr. Graf further argued as to how the State does their evaluations. COURT ORDERED, with respect to the motion for protective order, for those entities that are parties, the State will RELEASE the applications to those participating in this case. Those entities may provide appropriate redactions with a privilege log; however, the sections on diversity and financial will not be redacted; those two categories will be produced in unredacted form. There will also be an attorney's eyes only (AEO) protective order that also allows the Plaintiffs' statistician expert only to review that information. The production, with redactions, will be DONE by Tuesday (May 21, 2019). Thus, the State will do it expeditiously. After looking at that, if the Plaintiffs have any supplement they are to file that by Thursday morning (May 23, 2019). MOTION FOR ORDER COMPELLING PRODUCTION OF PRESERVED ELECTRONICALLY STORED INFORMATION ON ORDER SHORTENING TIME in A-19-787004-B - ETW Management Group LLC vs. Nevada Dept of Taxation (Department XI case): Statement by Mr. Kemp as to what had happened in the hearing before Judge Bailus which lasted 7 hours, noting that he offered to pay for the State's independent computer consultant. Colloquy regarding possible vendors. Further argument by Mr. Kemp as

to 16.1 disclosures being filed but that the hard drives and cellphones have not been provided. Mr. Kemp asked for the 15 hard drives and 3 state cellphones, stating he could take it from there and make them AEO. Mr. Rulis advised HOLO could be a vendor. COURT ORDERED, the images originally designated as the Plaintiffs' copy will be DELIVERED to HOLO and it will be at Plaintiffs' expense, not at State expense; platform will be provided by HOLO. Custodian list as well as search terms will be PROVIDED to all parties and to HOLO by 10 am tomorrow, May 17; If anyone has an objection to a custodian or search term, it needs to be made by 2 pm tomorrow by email with a copy to the Law Clerk so the Court can conduct a conference call; If there are unobjected to custodians and search terms HOLO will begin the search process; If there is an issue related to a privilege that a party thinks they need to review, the party has 24 hours from the identification of the document by HOLO or when HOLO makes it available on the platform to either make a claim of privilege and review the document, order redactions, agree with redactions, or whatever. Any document to which there is no claim of privilege made will be released so it can be obtained in time for the hearing; Upon Mr. Koch's inquiry, Court concurred anything not part of M1 through 4 is not privileged, so the Court is ordering that as well as the diversity and financial sections. All witnesses for the May 24th hearing must be identified by Thursday, May 23rd, at 3 pm; counsel need not say when the witnesses will be called and can work together on a schedule. Court further directed counsel to contact HOLO that they have a big job coming. 5-24-19 9:00 AM PRELIMINARY INJUNCTION HEARING IN A-19-786962-B IN DEPARTMENT XI...JOINDER TO MOTION FOR PRELIMINARY INJUNCTION AND MOTION FOR PRELIMINARY INJUNCTION OR FOR WRIT OF MANDAMUS 6-7-19 CHAMBERS GREENMART OF NEVADA NLV LLC'S MOTION TO INTERVENE;

*APPEARANCES CONTINUED: Attorney Dominic Gentile and Attorney John Hunt for the Plaintiffs in A-19-786962-B - Serenity Wellness Center LLC vs. State of Nevada Department of Taxation; Attorney Rusty Graf and Attorney Brigid Higgins for Clear River LLC; Attorney Jared Kahn for Helping Hands Wellness Center. Court acknowledged objections and joint proposal and noted that it wants this matter done by the December final inspection deadline; however, the parties' proposed schedule is through January. Mr. Shevorski advised he lost two of his people; one went to Washington and one got a promotion, so he is literally the only one left; from the State's perspective, he cannot get this done by the deadline. Mr. Bult stated that in terms of the ETW Plaintiffs they would like to get this done but they understand the State's position. Mr. Koch requested that the date not be a hard deadline because of the trial being after that. COURT ORDERED, matter CONTINUED for the State to provide an answer; Department of Taxation to make the determination whether or not there are extenuating circumstances; if there are the Court will be willing to move the date beyond the December deadline, but if not unfortunately the Court will have to make Mr. Shevoski's life difficult. Mr. Gentile advised they have mediation next Monday (September 16, 2019) at 9 am. 9-13-19 10:00 AM MANDATORY RULE 16 CONFERENCE;*

Attorney Theodore Parker for the Plaintiff in A-19-787540-W - Nevada Wellness Center, LLC vs. State of Nevada, Department of Taxation (Department XVIII case). Court noted Mr. Kemp posted in A785818 and that there may be an impact but the Court does not know what that would be; the Court will not make a decision because of the pending request to extend; the Court will not address the matter until a written motion is filed by the Defendants. Mr. Bult advised he believes the Plaintiffs' Joint motion is moot as of the filing of Friday. Mr. Gentile added their position is that it is moot but the Court may disagree. Court noted it does not have anything before it to tell whether it would agree with that or not as no one has briefed the issue. Mr. Koch stated it sounds like the Plaintiffs are withdrawing the motion. Court noted if someone files a motion the Court will deal with it. 2-20-20 9:15 AM PRE TRIAL CONFERENCE 3-10-20 9:00 AM CALENDAR CALL 3-16-20 1:30 PM BENCH TRIAL;*

Argument by Mr. Bult for cases to be consolidated and assigned to Department 11 noting 25 of 30 Plaintiff's have brought this motion before this Court with the desire to have Judge Gonzalez continue to hear cases that she is already presided over for 5-6 months. Argument in support by Mr. Gentile for Serenity's case to remain in front of Judge Gonzalez. Argument by Mr. Kennedy for the consolidation to be denied noting the DH Flamingo case is different than all of the other cases here in that a motion to consolidate was filed in A787035 and denied by Judge Gonzalez, this case cannot be heard in business court, and parties are only seeking to be sent back to the tax commission for a hearing. Extensive argument by Mr. Bice in support of consolidation and in opposition of these matters being sent to Department 11 on behalf of Essence. Argument by Mr. Prince noting this Court was aware of proceedings in front of Judge Gonzalez and had regular conversations with Judge Gonzalez. Court clarified conversations with Judge Gonzalez and Judge Atkin for the record. Further argument by Mr. Prince in opposition requesting this motion be denied and allowing Judge Atkin to proceed. Argument in opposition by Mr. Koch noting there is no basis for these cases to be sent to Judge Gonzalez other than the preliminary injunction. Argument in opposition by Mr. Miller noting his client has the resources to run a dispensary however they do not have the resources to be placed into a complex litigation case and requested their case not be consolidated. Further argument by Mr. Kennedy and Mr. Bult. Court noted, it understands the concerns that have been raised in that this is a rather unique situation and the Court does feel that some of these issues arise from having a department that did not have a*

regularly assigned Judge; However from a court management perspective, having a Judge who has spent a significant amount of time on the case it makes more sense for the case to remain with that Judge. **COURT FINDS**, consolidation is appropriate and while it understands the concerns regarding forum shopping the concern of this Court is of a court administration issue and having had a Judge who has spent the amount of time that Judge Gonzalez has spent on the case it makes more sense for the case to remain with her. Additionally, the Court believes the reason Judge Gonzalez coordinated the cases is because she did not have the ability to consolidate them because of the rule. **COURT ORDERED**, motion to consolidate in Department 11 **GRANTED**. Mr. Bult to prepare the order. **CLERK'S NOTE**: Subsequent to the hearing Court clarified the following cases shall be consolidated: A-18-785818, A-18-786357, A-19-786962, A-19-787004, A-19-787035, A-19-787540, A-19-787726, and A-19-801416. ke 10/31/19;

There is another avenue for the relief; the appeal for the injunction is already pending before the Nevada Supreme Court. Court inquired as whether counsel have heard any word on the request for expedited handling. Mr. Koch advised they made that request one month ago and have not heard back. Ms. Shell advised the court did issue an order to show cause which they need to address, and that is due before Christmas. COURT DIRECTED Mr. Shevorski to prepare a procedural order for today.;</i><br>Matter Continued;<br>Denied; |

Mr. Puzey appeared by telephone. Court noted, as a background, that as Mr. Shevorski previously represented to everyone that the State would essentially give a tolling period for everyone through June, a trial was set in April to make sure there would be a decision by that date. If anyone has any concerns about the deadline they are to inform the Court. PLAINTIFFS' MOTION FOR LEAVE TO FILE SECOND AMENDED COMPLAINT: Following arguments by Mr. Gentile and Mr. Bice, COURT ORDERED, motion GRANTED. The Plaintiffs are PERMITTED to file the document attached to the Reply. However, this does not preclude anyone from filing motions related to that. Court asked Mr. Dickey about the status of service on the Defendants in his case, which has the most Defendants. Mr. Dickey advised he believes service has been effectuated on all of them but they are still awaiting responses from many. PLAINTIFFS' MOTION TO EXTEND INITIAL EXPERT WITNESS DEADLINE ON ORDER SHORTENING TIME...JOINDER TO SERENITY PLAINTIFFS' MOTION TO EXTEND INITIAL EXPERT INITIAL EXPERT WITNESS DEADLINE ON ORDER SHORTENING TIME (FIRST REQUEST): Arguments by Mr. Gentile, Mr. Bice. DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION FOR SUMMARY JUDGMENT INTERVENOR DEFENDANT GREENMART OF NEVADA NLV LLC'S JOINDER TO DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION FOR SUMMARY JUDGMENT: Mr. Parker advised that he had filed a motion for summary judgment. Court noted this was a motion filed on November 5th. Mr. Parker continued, Mr. Bice filed an objection, and Mr. Shell filed a joinder to the opposition; their thought was to add the purported winners to their Complaint, so perhaps instead of that motion going forward, they will file a motion to amend. There being no objection, COURT ORDERED, Mr. Parker's request to amend is GRANTED, as well Mr. Bult's, Mr. Kemp's, Mr. Christiansen's, Mr. Miller's, and Mr. Puzey's requests to AMEND. Everyone present who is a Plaintiff, their request to amend is GRANTED. COURT ORDERED, Rule 16 conference SET for December 2, 2019. Court directed Mr. Dickey to communicate this to all who contacted his office. COURT ORDERED, Mr. Koch's motion for protective order on OST set for December 2, 2019. QUALCAN, PLAINTIFF'S MOTION FOR WRIT OF MANDAMUS, TEMPORARY RESTRAINING ORDER, AND PRELIMINARY INJUNCTION: Mr. Shevorski advised that Mr. Christiansen has a petition for mandamus that is fully briefed. Mr. Christiansen advised that perhaps he would skip a step and also be allowed to amend. COURT GRANTED the request. NEVADA WELLNESS CENTER'S MOTION FOR HEARING ON OBJECTION TO DISCOVERY COMMISSIONER'S REPORT &amp; RECOMMENDATIONS: Per counsel's request, COURT ORDERED, hearing SET for December 2, 2019. HANDS WELLNESS CENTER, INC.'S MOTION AND JOINDER TO LONE MOUNTAIN PARTNERS, LLC'S MOTION TO DISMISS FIRST AMENDED COMPLAINT, AND JOINDER TO CLEAR RIVER LLC'S MOTION TO DISMISS FIRST AMENDED COMPLAINT...  
 ...COMMERCE PARK MEDICAL L.L.C. AND CHEYENNE MEDICAL CENTER, INC'S MOTION AND JOINDER TO GREENMART NEVADA NLV'S MOTION TO DISMISS FIRST AMENDED COMPLAINT...  
 ...LONE MOUNTAIN PARTNERS, LLC S JOINDER TO GREENMART OF NEVADA NLV LLC S MOTION TO DISMISS FIRST AMENDED COMPLAINT...  
 ...CLEAR RIVER LLC'S MOTION TO DISMISS FIRST AMENDED COMPLAINT APPEARANCES CONTINUED: Attorney Jennifer Braster for Circle S Farms LLC; Attorney Christopher Rose for Wellness Connection of Nevada LLC; Attorney John Savage, counsel for the Receiver Dotan Melech in CWNevada. Mr. Puzey appeared by telephone. Court addressing Mr. Rulis advised that the Court will not sign stipulations that were signed by only two parties, that is, the stipulation between MM and the State extending a STAY of the Order Granting Plaintiffs' Motion to Preserve and/or Immediately Turn Over Relevant Electronically Stored Information from Department of Taxation's Employee's Cell Phone on Order Shortening Time and Granting Department of Taxation's Oral Motion for Stay of Preservation Order. Mr. Parker asked to review the document, noted his concern, and then withdrew his concern. There being no objection by all other parties, Court signed the stipulation and order in open court and returned it to Mr. Rulis for filing. Following arguments by Mr. Graf, Ms. Shell, Mr. Hone, and Mr. Dickey, COURT ORDERED, with the exception of the issue related to the rejection of the appeal with the Tax Commission, all issues were covered in the order entered on November 7, 2019, so the issue is DENIED on the same basis. Mr. Hunt inquired about the notice of appointment of receiver. COURT ORDERED this case is not being stayed. Mr. Prince advised they started Mr. Tenorio's deposition on December 5th and it went well over 5 hours; 3 counsel asked questions; they have unilaterally noticed the deposition for Friday, December 20th; he filed a motion for protective order to move the deposition because he has pre-scheduled mediation and Mr. Gutierrez is in trial; in addition, they have a duration issue -- the 7 hours was waived, but they already went 5 hours and only 3 people asked questions. Court stated Mr. Tenorio's counsel is not here today and advised that it has every morning this week free. Court directed counsel to reach out to Mr. Tenorio's counsel. Mr. Rulis advised Mr. Tenorio's counsel offered the 17th, 19th, and 20th, but he will contact counsel just the same. Court stated that when the OST gets here it will be set for Wednesday and advanced to Tuesday. Ms. Shell further expressed her concern about having 3 to 4 protective orders to date in this case and that she thinks they need to talk about a more global, rather than piecemeal, protective order. Mr. Fetaz advised he circulated a draft on Friday and has the OST. COURT signed the OST in open court, setting the motion for Wednesday, December 19, and returned the OST for filing. The OST will be discussed tomorrow, December 17. Finally, Mr. Parker advised they are only adding to their complaint the conditionally approved applicants as opposed to everyone named in the D H Flamingo case. COURT NOTED that is the Court's interpretation of what the requirement is. 12-17-19 9:00 AM HEARING ON MOTION(S) ON OST SET FOR December 18, 2019 12-20-19 CHAMBERS GREEN LIFE PRODUCTIONS, LLC'S MOTION TO REALIGN AS PLAINTIFFS/PETITIONERS [E-FILED INTO SUB CASE A-19-787035-C] 1-13-20 9:00 AM LONE MOUNTAIN PARTNERS LLC'S JOINDER TO THE ESSENCE ENTITIES' OPPOSITION TO MM DEVELOPMENT COMPANY INC'S AND LIVFREE WELLNESS LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS; AND COUNTERMOTION FOR SUMMARY JUDGMENT...

*HEARING ON MOTION(S) ON OST SET FOR December 18, 2019...MOTION FOR ENTRY OF CONFIDENTIALITY AGREEMENT AND PROTECTIVE ORDER ON ORDER SHORTENING TIME [ADVANCED] APPEARANCES CONTINUED: Attorney Christopher Rose for Wellness Connection of Nevada LLC and Attorney Robert Warns for Rino Tenorio. Mr. Ayers, Mr. Kahn, and Mr. Koch appeared by telephone. MOTION FOR ENTRY OF CONFIDENTIALITY AGREEMENT AND PROTECTIVE ORDER ON ORDER SHORTENING TIME: There being no objection, COURT ORDERED, Motion for Entry of Confidentiality Agreement and Protective Order ADVANCED from December 18, 2019. Ms. Shell stated her concern regarding the definition of confidential information, as she felt it was too specific; for instance, she believes that home addresses are not technically confidential information and that they are actually public record. COURT NOTED that in its reading of the definition of confidential information in paragraph 6, it does not appear to include information which would typically not be included under trade secret issues, so while they may be covered under highly confidential information there may be a level of documents that would fall within arguably trade secret, customer records, that would also fall within that category, that the Court would typically see in a business court case. Mr. Fetaz stated they can adjust paragraph 6 accordingly. Mr. Smith noted his concern regarding paragraph 14 which references Manpower; he simply wants to make sure that this does not waive objections related to that inquiry. Court concurred, further noting that this protective order is for the entire case. COURT ORDERED, with the adjustment to definition of confidential information the stipulated protective order is APPROVED. RINO TENORIO'S DEPOSITION: Mr. Prince advised it is scheduled to resume on Friday December 20th; Mr. Tenorio is a lightning rod and a critical witness; however, neither himself nor Mr. Gutierrez is available to attend. Mr. Prince detailed their schedule and noted his concern regarding the duration of the deposition and that Mr. Tenorio turned over documents to his personal counsel, Mr. Sgro; once they receive those documents they want to have a meaningful discussion with Mr. Tenorio; it is his request that the Court grant protection and move the date of the deposition, probably after the first of the year, and extend the duration to up to 4 hours as they have only done 5 and a half hours and only 3 attorneys have asked questions; they would like the documents before resuming the deposition. Mr. Warns responded that he did not get a 2.34 on this issue and did not get served with a copy of the motion until yesterday; Mr. Tenorio would like his deposition to conclude as soon as possible; he would oppose extending beyond the 7-hour cap, certainly not another day; with regards to the documents, he has requested a copy of documents filed by counsel but he was informed last week that they would not be provided absent a subpoena.*

Court noted there was a motion for protective order delivered. Mr. Warns advised he was copied on a letter that Mr. Rulis sent to Mr. Scrow's office on Tuesday indicating they would need to produce the documents to his office. Further, it was suggested that if they did not produce the documents then the Court would require their presence to explain. Moreover, he received an e-mail the next day noting that a thumb drive was being prepared. Yesterday he received a thumb drive with documents; however, he would time to review for privilege and relevance. Upon Court's inquiry, Mr. Warns requested three weeks. COURT advised Mr.

# CASE SUMMARY

CASE NO. A-19-787004-B

Prince the deposition would not resume until the documents were produced, possibly by January 8th. Mr. Prince indicated that was fine. Court further noted counsel would work out a time for the deponent to appear and complete the deposition. Mr. Prince stated new documents may be presented that they had not seen before and that may result in additional questioning. Court directed counsel to discuss a date and the duration. Mr. Fetaz stated there was an issue regarding whether the State reviewed the applications submitted for completeness. They were attempting to address that issue through discovery. Furthermore, certain intervenor defendants' applications were produced as part of the hearing. The focus of the hearing was limited to adversity and ownership issue. The completeness issue expands beyond that. Court noted it would be better to work out the issue as to what was still believed to be confidential. Court further noted if the matter could not be resolved that it would be addressed by motion practice.;

GREEN LIFE PRODUCTIONS, LLC'S MOTION TO REALIGN AS PLAINTIFFS/PETITIONERS [E-FILED INTO SUB CASE A-19-787035-C]: There being no objection, COURT ORDERED, motion GRANTED. Counsel is FURTHER DIRECTED to file a complaint in intervention in the D H Flamingo case. Mr. Holmes requested one week to do so. COURT SO ORDERED. Court FURTHER NOTED that anyone who wishes to realign must do so within 2 weeks. Mr. Prince to prepare the order and run it by counsel prior to submission. Court CLARIFIED that the 2 weeks is from the notice of entry of the order for the complaint in intervention or a realignment, if anyone chooses to do one. DEFENDANT RURAL REMEDIES, LLC'S MOTION FOR PRE-TRIAL CONFERENCE AND ORDER SHORTENING TIME: Mr. Gamble argued in support of the instant motion. Court noted it needs a trial protocol. Argument by Mr. Prince. Argument by Mr. Rose stating that the Plaintiffs have not named all of the applicants and that he simply wants to make sure there is no one hanging out there. Mr. Dickey advised they have heard from Defendants who did not want to participate, have aggregated their information, and will be filing a motion to dismiss them voluntarily. Mr. Price suggested that counsel file a status report. Mr. Parker advised he is also concerned about the 10-deposition limit; he and Mr. Prince agreed 7 hours is not enough and they would request more than 10 depositions; if necessary, they can cross the bridge when they get there in terms of the amount of time; he believes they have identified 18 total, 18 on top of the 8 or 9, depositions, for their side. There being no objection to Plaintiffs' request and to the order being reciprocal, the COURT GRANTS NOT TO EXCEED 30 DEPOSITIONS PER SIDE, including those already noticed and taken, not including experts. If the parties are able to agree to time limitations for each deponent after speaking to each other the Court will be happy to speak with the parties about it. Mr. Parker further advised they will also be filing a motion to compel regarding the impasse on the issue of the phones of the graders. COURT DIRECTED counsel to file that motion on OST. Per counsel's request and there being no objection, COURT FURTHER ORDERED, the MM Development group of the motion for summary judgment, related opposition / counter motion, and any related motions to seal/redact is MOVED to Monday, February 24 at 9 am. COURT FURTHER ORDERED, a DRAFT TRIAL PROTOCOL be submitted by Friday, January 10 at NOON so it can be discussed on Monday, January 13. The draft trial protocol will include issues to be tried, the order in which they will be tried, allocation of time for the issues, and to see whether the case needs to be moved to the May stack, issues regarding exhibits, whether to admit all to apply to all segments, whether witness testimony will be duplicated or whether witnesses will be recalled. For that reason, the motion to dismiss it DENIED at this time, but it may be subject to additional motion practice as the parties are near the time of trial. NEVADA WELLNESS CENTER, LLC'S MOTION TO COMPEL ON AN ORDER SHORTENING TIME: Following arguments by Mr. Parker and Mr. Shevorski, COURT ORDERED, the State is ORDERED to obtain the information from the cellphones to extract the data, make a determination with the agents whether there is any personal or private information that needs to be protected; after that determination is made, have a review done on any relevant information and communications with other employees of the Department of Taxation be produced, sort of what was done with the actual employees. COURT addressing the State NOTED it needs a written order to be entered before a stay. Regarding Mr. Parker's request that the Court review the privilege log which is part of his motion to compel, Mr. Shevorski advised it has something to do with communications that are pre-regulation that the State submits are protected. Court noted it does not have a privilege log. Mr. Parker advised they will submit the log, and Mr. Shevorski added that they will also make a supplemental production and referred the Court to a footnote in the State's brief. Court noted it has not seen the State's brief then. Mr. Shevorski advised it was filed on Friday, to which Mr. Parker responded he saw it on Saturday, and Mr. Shevorski apologized to the Court and rested on the briefing. COURT ORDERED, motion to compel CONTINUED to January 17, 2020 in chambers. Court noted it depends on the trial with Mr. Gutierrez, but they will do their best. Mr. Tenorio advised he is here regarding the rescheduling of the deposition of Mr. Tenorio and the amount of time for that. Mr. Rulis advised they are waiting on a production; Mr. Warns sent

him a production on Wednesday night, and they had some issues getting it from the Dropbox, so they are getting it by flash drive from him today, and then they will turn around and produce to everybody. APPEARANCES CONTINUED: Attorney Christopher Rose for Wellness Connection of Nevada LLC. Mr. Williamson and Ms. Lovelock, and Mr. Parker partially, appeared by telephone. DEFENDANT-INTERVENOR NEVADA ORGANIC REMEDIES, LLC'S MOTION ON ORDER SHORTENING TIME FOR ORDER SETTING SETTLEMENT CONFERENCE... ...DEPARTMENT OF TAXATION'S JOINDER TO NEVADA ORGANIC REMEDIES, LLC'S MOTION ON ORDER SHORTENING TIME FOR ORDER SETTING SETTLEMENT CONFERENCE... ...GREENMART OF NEVADA NLV LLC'S JOINDER TO NEVADA ORGANIC REMEDIES LLC'S MOTION ON ORDER SHORTENING TIME FOR ORDER SETTING SETTLEMENT CONFERENCE: Mr. Koch argued in support of the motion. Court inquired as to how the State would be able to participate, as a practical matter. Mr. Shevorski stated the State will have its decision makers there. Mr. Kemp advised there is no way they can get a global settlement; there are 120 people minus those who dropped out to sign an agreement; everyone is empowered, and every claimant can come in and hold up the whole thing; the Plaintiffs vehemently oppose as this is not a realistic endeavor. Reply by Mr. Koch and joinder by Mr. Hunt to Mr. Kemp's argument. Mr. Kahn argued this would be in an organized fashion for the settlement to be presented and for everyone to weigh in on the resolution, and this would be a confined venue and forum. COURT ORDERED, while it appreciates the State's willingness to participate, the Court will NOT ORDER a settlement conference given the objections that have been made. MOTION FOR PROTECTIVE ORDER REGARDING NRCP 30(B)(6) DEPOSITION NOTICES OF ESSENCE ON AN ORDER SHORTENING TIME... ...THRIVE'S JOINDER TO ESSENCE ENTITIES' MOTION FOR PROTECTIVE ORDER AND OBJECTIONS TO SUBPOENAS DUCES TECUM... ...PLAINTIFFS MOTION FOR PROTECTIVE ORDER AND OBJECTIONS TO SUBPOENAS DUCES TECUM... ...OBJECTIONS TO THE SUBPOENA DUCES TECUM TO THE CUSTODIAN OF RECORDS OF CONNOR & CONNOR, PLLC AND MOTION FOR PROTECTIVE ORDER REGARDING SCOPE OF DISCOVERY... ...ESSENCE ENTITIES' JOINDER TO DEFENDANT-INTERVENOR/COUNTERCLAIMANT NEVADA ORGANIC REMEDIES, LLC'S OBJECTIONS TO THE SUBPOENA DUCES TECUM TO THE CUSTODIAN OF RECORDS OF CONNOR & CONNOR, PLLC AND MOTION FOR PROTECTIVE ORDER REGARDING SCOPE OF INQUIRY DISCOVERY... ...SERENITY PLAINTIFFS' JOINDER TO D.H. PLAINTIFFS' AND NEVADA WELLNESS CENTER, LLC'S OPPOSITIONS TO NEVADA ORGANIC REMEDIES, LLC'S MOTION FOR PROTECTIVE ORDER REGARDING SCOPE OF DISCOVERY AND THE ESSENCE ENTITIES' MOTION FOR PROTECTIVE ORDER: Following arguments by Mr. Bice, Mr. Koch, Mr. Dickey, and Mr. Hunt, COURT ORDERED, the statute protects the Department of Taxation and the State of Nevada from disclosing information, but it does not make the information privileged when it is in the possession of another party; the confidentiality provisions are adequately protected by the parties' protective orders that have been entered into; however, some requests are overbroad and are therefore not relevant for purposes of discovery in this limited proceeding. The Court is GRANTING the protective order on the issues related to the membership purchase agreements, employee hiring and employee resignations, profitability, and value issues and also GRANTING it on the support for public filings; so, counsel can ask questions about public filings that have been made, but the supportive and back-up information for those are protected; counsel can also ask questions about inspections of Nevada operations, compliance issues with Nevada operations, and incident reports submitted to the Dept of Taxation for NV operations; counsel can ask questions about changing locations but not about business strategies for changing locations or market shares. In addition, any communications or offers of employment of current or former D.O.T. employees are fair game; change in ownership forms are limited to change in ownership forms and any information submitted to the Department of Taxation as opposed to the underlying back-up information. APPLICATION FOR WRIT OF MANDAMUS TO COMPEL STATE OF NEVADA, DEPARTMENT OF TAXATION TO MOVE HELPING HANDS WELLNESS CENTER, INC., INTO TIER 2 OF SUCCESSFUL CONDITIONAL LICENSE APPLICANTS: Arguments by Mr. Kahn, Mr. Shevorski, Mr. Rulis, and Mr. Kahn. COURT ORDERED, documents provided by Mr. Kahn MARKED collectively as Court's Exhibit 1 for today. (See worksheet.) COURT ORDERED, motion DENIED because this is a discretionary act by the State. DH FLAMINGO'S MOTION TO REDACT PORTIONS OF ITS OPPOSITION TO NEVADA ORGANIC REMEDIES' MOTION FOR PROTECTIVE ORDER REGARDING SCOPE OF DISCOVERY AND ESSENCE'S MOTION FOR PROTECTIVE ORDER AND TO SEAL EXHIBITS 4 AND 5 TO THE SAME: COURT ORDERED, motion GRANTED because it includes commercially

Telephonic Conference re: Issue at the 30(b)(6) Deposition of the Department of Taxation Matter Heard;

Journal Entry Details:

APPEARANCES CONTINUED: Counsel (inaudible) for Wellness Connection of Nevada LLC and Thrive, respectively. Mr. Smith advised one of the Essence entities' applications was marked as an exhibit. Court reporter read the question into the record. Mr. Smith argued his objection relates to the Court's prior ruling and that it is inappropriate for the Plaintiffs to swipe certain applications under the deponent's noses and opine on the accuracy; in addition, it is beyond the scope of the 30(b)(6). Mr. Dzarnoski read the question regarding the scoring process, address of proposed marijuana establishment, topic no. 13, and that counsel has suggested a protective order that covers this. Court noted Ms. Danette Kluever was a grader. COURT noted the 30(b)(6) deponent is not the grader but a representative of the D.O.T., asked Mr. Smith why he thinks the protective order applies, and ORDERED, OBJECTION OVERRULED; this is not similar to the analysis of whether the grader would change the grade; this is the D.O.T. making the independent determination as to whether this is the address the applicant will do business at. Mr. Smith advised a question about complying with statutory requirements is coming. Court noted that question is okay. 2-7-20 9:00 AM MOTION TO WITHDRAW AS COUNSEL OF RECORD ON AN ORDER SHORTENING TIME...STATUS CHECK: RINO TENORIO'S DEPOSITION 2-28-20 CHAMBERS DH FLAMINGO PARTIES' MOTION TO REDACT PORTIONS OF ITS OPPOSITION TO ESSENCE'S MOTION FOR PROTECTIVE ORDER REGARDING NRCP 30(B)(6) DEPOSITION NOTICES OF ESSENCE ON AN ORDER SHORTENING TIME AND TO SEAL EXHIBITS 3, 4, AND 5 TO THE SAME 2-28-20 9:00 AM NEVADA WELLNESS CENTER, LLC'S JOINDER TO PLAINTIFF/PETITIONERS/COUNTER-DEFENDANT D.H. Telephonic Conference re: Issue at the 30(b)(6) Deposition of the Department of Taxation regarding Membership Interest Purchase Agreement

Matter Heard;

Journal Entry Details:

Counsel advised the same parties at this morning's conference call are present. Mr. Smith advised that the way he read the transcript for the January 27 argument on the protective order was that the Court said the issues related to the membership interest purchase agreement are covered by the protective order; he lodged an objection to a question regarding Green Thumb Industries' membership interest purchase agreement that was subject to the Essence Entities' protective order. Court reporter stated, the question was, "Do you know the first time the Department of Taxation was aware of the existence of Exhibit 84?" and the objection thereto. COURT ORDERED, the State's awareness of the Membership Interest Purchase Agreement is fair game, but as the Court has previously indicated counsel is not going to make any inquiry as to the terms of the membership interest purchase agreement or any other details that might be related to one of your competitors' operations. Mr. Dzarnoski noted that his recollection of the transcript is that the Court said something publicly available was fair game, and the version he has of the Membership Interest Purchase Agreement that he pulled off the Canadian Stock Exchange is a filing made by Green Thumb Industries on or about November 12, 2018; he was simply asking questions related to the provisions that were not redacted and were made part of the public record with the Canadian Stock Exchange, and he was told he could not do that. Upon Court's inquiry, Mr. Smith replied that he does not have first hand knowledge of whether or not this was true. Court noted it did say they could ask about items that were public records. Mr. Smith further argued his motion for protective order. COURT understood and NOTED that its ruling was based on competitive advantage issues and what the nature of the deal was; if the nature of the deal was disclosed in public filings, that is a different issue. Mr. Smith stated he is not looking at a Bates stamped copy. Mr. Dzarnoski explained the version he has. Colloquy regarding the document. COURT ORDERED, if Mr. Dzarnoski is going to use it he needs to have a full copy available so that the witness and opposing counsel can have an opportunity to review it if they have concerns, but if it is something within public records, whether published on the stock exchange or some other public filing, it is fair game; the Court's ruling was based on commercial and competitive advantage issues. 2-7-20 9:00 AM MOTION TO WITHDRAW AS COUNSEL OF RECORD ON AN ORDER SHORTENING TIME...STATUS CHECK: RINO TENORIO'S DEPOSITION 2-28-20 CHAMBERS DH FLAMINGO PARTIES' MOTION TO REDACT PORTIONS OF ITS OPPOSITION TO ESSENCE'S MOTION FOR PROTECTIVE ORDER REGARDING NRCP 30 (B)(6) DEPOSITION NOTICES OF ESSENCE ON AN ORDER SHORTENING TIME AND TO SEAL EXHIBITS 3, 4, AND 5 TO THE SAME 2-28-20 9:00 AM NEVADA WELLNESS

*APPEARANCES CONTINUED: Attorney Christopher Rose for Wellness Connection of Nevada, LLC; non-party Rino Tenorio represented by Attorney Glenn Machado. Ms. Ashcraft, Ms. Braster, and Mr. Davis appeared by telephone. STATUS CHECK: RINO TENORIO'S DEPOSITION: Mr. Rulis advised he and Mr. Warns have been emailing back and forth on a new date and an ESI protocol for documents on Mr. Tenorio's phone; the issue is that they already have depositions set on the proposed date. Court noted Mr. Tenorio sent an email to the Law Clerk. Mr. Machado explained Mr. Tenorio just has some concerns about the ESI protocol, and that they are trying to resolve internal issues between his firm and Mr. Tenorio; if they cannot resolve those issues they will withdraw, but they may be able to reach a resolution; Mr. Warns has been communicating about the ESI protocol; he also believes Mr. Tenorio should not bear the burden of the costs since he is a witness; Mr. Tenorio has already testified for 5 hours; to the extent that the parties go beyond the 7 hours, he proposes no more than 2 hours and would ask that questions be streamlined. Upon Court's inquiry, Mr. Tenorio confirmed he is a current employee of the State of Nevada but he is on administrative leave.*

**CASE SUMMARY****CASE No. A-19-787004-B**

COURT NOTED it needs Mr. Prince's physical presence, because without Mr. Prince the Court cannot negotiate the time, although the Court appreciates the issue being raised; Mr. Prince said he needed more time, but the Court is not sure how long; to the extent there are costs, there are ways for the parties to share them, and counsel for Mr. Tenorio are welcome to negotiate with them. DEPOSITIONS: Mr. Parker advised they did not complete the 30(b)(6) of the State and that they only got about 35 minutes at the very end. Mr. Rulis added it was Mr. Dzarnoski and Ms. Stout asking questions. Mr. Parker continued, there were several of them who did not finish or start; some intervenors want to ask questions as well; they had a meeting yesterday, and they believe they can finish in 3 and a half hours of additional time for all of them. Mr. Wight advised Nevada Organic Remedies needs less than one hour. Mr. Bice advised the Essence parties will have some questions but will limit it to 30 minutes. Mr. Rose stated same. Upon Court's inquiry, all on the Defense and Intervenor's side confirmed 3 hours will do it. Mr. Bice further argued as to the inefficiency of asking the same questions asked by prior counsel and that the parties need to come up with a solution; regarding the availability of witnesses, there are other depositions; they should have 2 if not 3 tracks; the Plaintiffs will be getting depo notices today. Mr. Shevorski advised this 30(b)(6) was on a whole lot of topics; the State is here to do justice and will be there. Court encouraged all of the parties not to re-tread common ground and to not ask questions that are cumulative. MOTION TO WITHDRAW AS COUNSEL OF RECORD ON AN ORDER SHORTENING TIME: Mr. Fetaz advised they would like to withdraw due to lack of communication and outstanding balance issues. COURT ORDERED, motion to withdraw GRANTED. Counsel to include in the proposed order the language in EDCR 7.42 which states that a business cannot represent itself as well as contact information. Mr. Shevorski requested a date by which those parties decide to proceed in the action or be represented by counsel. COURT DENIED the request. MOTION TO AMEND ORDER PURSUANT TO NRCP 60(A); EX PARTE MOTION FOR ORDER SHORTENING TIME...MM DEVELOPMENT COMPANY, INC.'S AND LIVFREE WELLNESS, LLC'S JOINDER TO MOTION TO AMEND ORDER: Mr. Fetaz argued in support of the motion. Court noted it did not coordinate the cases but invited everyone involved to come; then, the Chief Judge consolidated all of the cases at a later time; this Court does not think that was retroactive; the Nevada Supreme Court may think so, in which case this Court's order will apply to all, but this Court was very careful to decide only those matters assigned to it, and then the Court provided its order to the other judges for informational purposes; at the time of the hearing, the only cases assigned to this Court were Serenity and ETW; as the parties know the Court denied the consolidation and granted the request for people to voluntarily participate. Mr. Fetaz requested an amended findings of fact and conclusions of law entered in the ETW case if the order was applicable only to Serenity for purposes of an appeal and cross appeal. COURT stated it will change the caption of the order to include ETW. Ms. Shell noted there is an order with findings of fact and conclusions of law attached to it filed in the ETW case. Mr. Bice argued that if the request being made is that the Court enter a new preliminary injunction in the now consolidated action, not all parties participated in the preliminary injunction hearing prior to the consolidation; he does not think the Court has jurisdiction to enter the preliminary injunction based on an evidentiary development prior to consolidation. Court stated it will be happy to do amended findings of fact and conclusions of law that simply adds the ETW caption and case number. Mr. Parker, noting that they filed an amended complaint and that DH Flamingo filed a motion to dismiss Defendants who did not respond to them, requested he file a motion on OST to dismiss them. *Telephonic Conference re: Damon Hernandez's Deposition*

Matter Heard;

Journal Entry Details:

APPEARANCES CONTINUED: Counsel (inaudible) for Thrive. Mr. Parker advised that present with them is the witness, Damon Hernandez, with counsel. Mr. Parker advised that he began his questioning related to Mr. Hernandez's phone and the extraction report and the denial of the objection by Mr. Shevorski to the discovery commissioner's report and recommendation; during that questioning he informed Mr. Hernandez and his counsel that the extraction report had not been produced, and he was told it was provided, but for whatever reason it is not in the depository; he asked Mr. Hernandez what phone he produced, and Mr. Hernandez said it was the one he retained in 2019; the phone in 2018 was the subject of the preservation order and the information they would have wanted; the phone was given back and they do not have an extraction report; for that reason, he would ask the Court for the ability to file a motion on order shortening time given that they only have 30 days left of discovery after the 13th. COURT DIRECTED counsel to file a motion and the Court will sign an OST. 2-28-20 CHAMBERS DH FLAMINGO PARTIES' MOTION TO REDACT PORTIONS OF ITS OPPOSITION TO ESSENCE'S MOTION FOR PROTECTIVE ORDER REGARDING NRCP 30 (B)(6) DEPOSITION NOTICES OF ESSENCE ON AN ORDER SHORTENING TIME AND TO SEAL EXHIBITS 3, 4, AND 5 TO THE SAME 2-28-20 9:00 AM NEVADA WELLNESS CENTER, LLC'S JOINDER TO PLAINTIFF/PETITIONERS/COUNTER-DEFENDANT D.H. *APPEARANCES CONTINUED: Attorney Taylor Simpson, Bar No. 13956, for Serenity Wellness. Ms. Lovelock, Mr. Graf, Ms. Higgins, Mr. Gamble, Mr. Williamson, and Mr. Christiansen appeared by telephone. COURT ORDERED, OST related to Greenmart witnesses SET for March 13, 2020 at 9 am. Court addressing Ms. Shell NOTED that if the Court orders those witnesses compelled she needs to have them on short notice. Proposed OST signed in open court and returned to Mr. Rulis for filing. With regards to the motion to dismiss Serenity, Mr. Wight advised they filed an opposition; however, there was discussion today in Mr. Koch's office and counsel. Mr. Wight stated they will agree with dismissal as long as the order contains a dismissal with prejudice and that the Defendants have not waived any right to pursue fees and costs if successful at trial. Mr. Simpson advised he was not prepared for this discussion and that he did receive a text along those lines. COURT ORDERED, motion OFF CALENDAR and the Court will await the parties' stipulation, noting the agreement reached on the terms of dismissal. With regards to the trial protocol, COURT DIRECTED the Clerk to email the trial protocol and electronic exhibit list template to the parties. Court and counsel discussed details of the trial protocol. COURT DIRECTED Mr. Smith to serve this on everyone signed up for e-service, and if anyone has comments the Court would love to have them Monday afternoon or Tuesday morning; to the extent that the parties cannot reach an agreement, the Court will resolve those for them. Court noted 1983 claims will be part of a subsequent protocol. With regards to yesterday's 30(b)(6) deposition, Mr. Bice explained that the witness had no facts and had never looked at documents other than the Court's findings; counsel cannot instruct a witness not to answer unless there is a privilege issue. Mr. Dzarnoski provided the Court with the 30(b)(6) notice and the exhibits that were entered at the deposition, noting that topics 5, 6, 7, and 8 were what they discussed. COURT ORDERED, notice MARKED as Court's Exhibit 1 for today. (See worksheet.) Mr. Dzarnoski further explained these are contention interrogatories. Mr. Dzarnoski further requested additional time, or until Monday, to prepare a new 30(b)(6) witness instead of Mr. Thompson; they did suspend the deposition last night, reserving time for the Defendants. COURT DIRECTED counsel to consult with their people and have an actual detailed plan as to the nature of the individual that they want to supplement the designation with and the additional work that needs to be done. COURT RECESSED to give the parties and court staff a break. Mr. Parker leaves. Proceeding resumed. Mr. Dzarnoski advised he has a plan: they would like the deposition that was suspended yesterday on Medifarm on topics 5, 6, 7, 8, and 19 to be resumed sometime next week, and they will have a 30(b)(6) witness, who will likely not be Mr.*

Journal Entry Details:

*Court addressed the other day when Mr. Parker called from a deposition and had issues concerning a cell phone extraction report and whether it was accurate. Mr. Parker stated it came up in Ms. Cronkhite's and Mr. Hernandez's deposition. Mr. Bice stated Mr. Hernandez was the one she was called on. Mr. Parker stated in terms of Hernandez they have the extraction report; however, believe things are missing. They see information between Mr. Pupo referring to Mr. Hernandez, but do not see the corresponding text, noting he got rid of his phone and that was the issue. Court advised it wanted to understand the background as to the cell phones before it heard the Motion to Stay. Mr. Shevorski stated they believe a Motion for Stay was appropriate in light of the pending writ which they were filing today. Short recess for Mr. Shevorski to review the opposition. Mr. Shevorski argued in support of Motion and Mr. Parker in opposition. Following arguments by counsel, COURT stated its findings and ORDERED, Motion for Stay DENIED. As to Motion for Voluntary Dismissal. Mr. Gentile introduced Sterling Kerr; Mr. Kerr indicated he was substituting in. Court advised Mr. Gentile to make sure counsel substituting in are aware of the requirements to sign up for e-service and all of the dates that exist in this case. Upon Court's inquiry, Mr. Kerr requested a continuance of the motion, noting he would like to file a reply brief because there were joinders. Mr. Koch stated they have a 30(b)(6) deposition scheduled for next week and would ask that it not have any impact on the pending discovery. Colloquy. There being no opposition, COURT ORDERED, motion CONTINUED to 3/6/20; Reply briefs DUE March 3, 2020. Colloquy regarding housekeeping matters. At the request of Mr. Kemp and there being no opposition, COURT ORDERED, MM's Motion for Summary Judgment and Countermotions RESET to March 20, 2020. Mr. Schwarz stated four of the Plaintiffs jointly disclosed four expert witnesses and they have been trying to schedule their depositions, however, most of them are not available until after close of discovery. COURT ADVISED, the dates can be extended concerning the four named experts. Mr. Schwarz stated the earliest available date for the fourth expert witnesses was March 30. Mr. Schwarz proposed extending the Motion in Limine deadline to April 1 with the opposition due April 8 and argument on April 10, 2020. There being no opposition, COURT ORDERED, motions RESET. Colloquy regarding stipulation to increase the number of depositions. Mr. Parker stated it was 30 and 30. Court stated Mr. Prince was supposed to prepare the order. If Mr. Bice needs relief from the order he can enter into a stipulation. Matter concluded. ;*

03/02/2020 Telephonic Conference (10:19 AM) (Judicial Officer: Gonzalez, Elizabeth)  
Telephonic Conference: Issue at the Deposition of Daniel Stewart, 30(b)(6) Designee of Fidelis Holdings

Matter Heard;

Journal Entry Details:

Mr. Hawkins present with Mr. Parker. Mr. Dzarnoski advised Mr. Bice is asking Mr. Stewart for opinions as counsel independent of his position as a 30(b)(6) representative, more like personal opinion, or expert testimony or a percipient witness. Court reporter read the last question, i.e. what the word prospective meant to the witness. Court asked counsel to elaborate. Mr. Dzarnoski explained the context was that Mr. Bice was asking about an interpretation of NRS 453D.200(6); a question was asked as to what Mr. Stewart believed "prospective owner" covered when he was involved in submitting applications. Upon Court's inquiry regarding the scope of the 30(b)(6) designation, Mr. Dzarnoski replied it does not involve his applications. Mr. Bice disagreed with counsel's characterization; Mr. Stewart is a board member; he is the designee, so he has personal knowledge in addition to being a corporate representative; the fact that they have personal percipient knowledge and are also a 30(b)(6) designee does not place their personal knowledge off limits; Mr. Stewart has already testified that he participated in the applications and reviewed them, and he asked Mr. Stewart about what he understood as to who the owners were and how they had to be submitted, because in the deposition topics, changes in ownership between the submittal of the application and the award of the application are being talked about; Mr. Stewart is the 30(b)(6) the other side identified. Upon Court's inquiry, Mr. Bice stated the designations says, "any changes in your ownership between the submission of your application on December 6, 2018 including the date of each change, how the ownership changed, and any communications to the D.O.T. regarding that change." Mr. Dzarnoski advised that the topic is asking for somebody to testify as to changes of ownership from the date the application that was filed until the license grant on December 6, but Mr. Bice's questions relate to the application prior to submission and what is in the initial application as opposed to any changes in the ownership; Mr. Bice is asking the witness as a lawyer his interpretation of "prospective owner" within the context of the applications themselves. COURT ORDERED, to be able to answer the question one also has to have an understanding of what was in the application and talk about any changes that were made; the Court will allow the witness to answer this particular question; however, counsel is reminded to ask only questions as to a 30(b)(6) and they must fall only within the designated topics. Mr. Dzarnoski requested clarification from the Court, stating that it is not fair game to ask questions related to personal knowledge that is not covered by the 30(b)(6). COURT NOTED that Mr. Stewart was not noticed as an individual but was noticed as a 30(b)(6); however, to the extent that his personal knowledge impacts his position as a 30(b)(6) and he

has relevant information to the topics that are within the scope of the 30(b)(6), he should answer those questions; however, counsel will not go on a goose chase for things that are not part of the 30(b)(6) notice. Mr. Bice noted for the record that Mr. Dzarnoski took the exact opposite position on his company's 30(b)(6) which he finds highly ironic. 3-6-20 9:00 AM MOTION TO VOLUNTARILY DISMISS AND/OR DROP SERENITY WELLNESS CENTER, LLC AS PLAINTIFF ON ORDER SHORTENING TIME 3-16-20 9:00 AM STATUS CHECK: TRIAL READINESS 3-20-20 9:00 AM MM DEVELOPMENT COMPANY, INC.'S AND LIVFREE WELLNESS, LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS... ...THE ESSENCE ENTITIES' OPPOSITION TO MM DEVELOPMENT COMPANY INC'S AND LIVFREE WELLNESS LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS; AND COUNTERMOTION FOR SUMMARY JUDGMENT... ...DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS AND COUNTERMOTION FOR SUMMARY JUDGMENT... ...LONE MOUNTAIN PARTNERS, LLC'S JOINDER TO THE DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS AND COUNTERMOTION FOR SUMMARY JUDGMENT... ...LONE MOUNTAIN PARTNERS LLC'S JOINDER TO THE ESSENCE ENTITIES' OPPOSITION TO MM DEVELOPMENT COMPANY INC'S AND LIVFREE WELLNESS LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS; AND COUNTERMOTION FOR SUMMARY JUDGMENT... ...LONE MOUNTAIN PARTNERS, LLC'S OPPOSITION TO PLAINTIFFS' MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS AND COUNTERMOTION FOR SUMMARY JUDGMENT... ...DEFENDANT INTERVENOR HELPING HANDS WELLNESS CENTER, INC.'S JOINDER TO NEVADA ORGANIC REMEDIES' OPPOSITION TO MOTION FOR SUMMARY JUDGMENT, JOINDER TO LONE MOUNTAIN PARTNERS, LLC'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION FOR SUMMARY JUDGMENT, JOINDER TO GREENMART OF NEVADA NLV, LLC'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT, JOINDER TO THE ESSENCE ENTITIES' OPPOSITION TO MOTION FOR SUMMARY JUDGMENT, JOINDER TO STATE OF NEVADA OPPOSITION TO MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION FOR SUMMARY JUDGMENT... ...MM DEVELOPMENT COMPANY, INC.'S MOTION TO STRIKE AND/OR DISMISS D.H. *Telephonic Conference re: Issue at the 30(b)(6) Deposition of Medifarm and Medifarm IV*  
Matter Heard; witness required to respond

Journal Entry Details:

*APPEARANCES CONTINUED: Attorney for Wellness Connection. Counsel advised they are at the deposition of Jeremy Thompson, 30(b)(6) designee for Medifarm and Medifarm IV. Arguments by counsel regarding the scope of the designation, Mr. Dzarnoski's instruction not to answer, and that Mr. Thompson has been an attorney at Clark Hill. COURT ORDERED, its decision is not supposed to replace the deponent's position and the findings of fact and conclusions of law are not a factual basis for a 30(b)(6) witness for actual factual knowledge. Court suggested that this matter be discussed tomorrow, and ORDERED, the Court is NOT SUSPENDING the deposition but that the parties can do what they can do; the witness is REQUIRED to respond; anything told to the client will be subject to examination / discussion under Brightsource. Court further acknowledged receipt of the proposed trial protocol by Mr. Smith.;*

**Telephonic Conference** (11:55 AM) (Judicial Officer: Gonzalez, Elizabeth)

Matter Heard;

Journal Entry Details:

*Mr. Hunt advised 19 topics are identified in the 30(b)(6); Mr. Smith said that the question he presented fell under category 13, which asks about any changes in ownership between submission of the application and December 6, 2018; the pending question was what the ownership interest was at the inception. Court Reporter read the question into the record at counsel's request. Court noted this was the same question the Court previously ruled on. Mr. Smith advised the question simply was, "For what purpose was the entity formed?" and he got an instruction not to answer. Mr. Hunt responded that he did not instruct his client not to answer; what he said was that Mr. Smith identified that the question related to topic 13, but it does not have anything to do with it. COURT ORDERED, if counsel is not instructing the witness not to answer, then the witness will answer the question and the parties will move on. Mr. Smith stated that the problem he has is a long, speaking objection and that Mr. Hunt is telling him to go topic by topic and announce each topic before he moves on instead of asking questions; Mr. Hunt dictating the method of his examination will simply not fly. COURT ORDERED, counsel can ask the questions in any order he wants; however, since this is a 30 (b)(6) witness, it has to fall arguably within the scope of the categories; the Court will give counsel some leeway but counsel needs to focus on the scope of the 30(b)(6) designation.;*

| 04/01/2020 |  <b>Telephonic Conference</b> (2:00 PM) (Judicial Officer: Gonzalez, Elizabeth)<br><i>Telephonic Conference at Request of the Court to Discuss the Governor's Directive Matter Heard;</i><br>Journal Entry Details:<br><i>Court noted this started with Mr. Gentile's request to "Dan" (Judicial Executive Assistant) to move some deadlines; Mr. Hunt then sent the Governor's Directive 009 which the Court was unaware of until the Court read it; the Court's original indication was that if the parties all stipulated, the Court would be happy to move the deadlines; after reading the Governor's Directive, the Court believes the opposite is true, and the Court should not proceed on anything unless all of the parties stipulate that the Court proceed on something. Mr. Kemp advised that he stipulates to Mr. Gentile's request. Colloquy regarding pending motions, proposed extension, and the Governor's directives. Upon counsel's inquiry, Court noted it does not think it can reset a trial after reading the Governor's order and in the absence of a stipulation. COURT DIRECTED the parties to plan to have a status conference only this Friday and provide an update to the Court with additional information that they obtain; if everyone decides to reset other motions, the Court can discuss scheduling those; the Court can also discuss resetting the evidentiary hearing or trial if they are in a position to do so. Mr. Parker inquired whether everyone is agreeing on the phone or if something in writing needs to be done. COURT NOTED that there is a record and that the Court does not think a status conference would violate the Governor's order. Mr. Parker stipulated to having a conference this Friday and inquired whether a meet-and-confer among the parties would be helpful. Court directed Mr. Fetaz to contact the Judicial Executive Assistant. COURT ORDERED, extension GRANTED; oppositions DUE on April 17, 2020 and replies DUE on May 1, 2020. Further colloquy regarding the Governor's directives and amended notices of deposition. Court suggested it would be helpful for the parties to have a meet-and-confer prior to the status conference and directed the parties to notify the Court if they need more time than Friday. Journal Entry Details:

Mr. Parker advised that his client Frank Hawkins was also present. All parties participated by telephone. **PROPOSED ORDERS SHORTENING TIME:** There being no objection, **COURT ORDERED**, the orders shortening time on Mr. Graf's motion for reconsideration, Mr. Parker's motion to compel, and Ms. Welch's objection and motion to quash subpoena served on ATT are **APPROVED** and **SET** for Friday, April 10, 2020. **MOTION TO MODIFY PRELIMINARY INJUNCTION:** Upon Court's inquiry, Mr. Gentile confirmed they filed a notice of withdrawal of this motion. **COURT ORDERED**, motion **WITHDRAWN**. Upon the inquiry of Mr. Rose, **COURT** confirmed that any joinders are also taken off calendar. **MM DEVELOPMENT COMPANY, INC.'S AND LIVFREE WELLNESS, LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS... ..THE ESSENCE ENTITIES' OPPOSITION TO MM DEVELOPMENT COMPANY INC'S AND LIVFREE WELLNESS LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS; AND COUNTERMOTION FOR SUMMARY JUDGMENT... ..DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS AND COUNTERMOTION FOR SUMMARY JUDGMENT... ..LONE MOUNTAIN PARTNERS, LLC'S OPPOSITION TO PLAINTIFFS MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS AND COUNTERMOTION FOR SUMMARY JUDGMENT:** Pursuant to parties' agreement, **COURT ORDERED**, motion and oppositions thereto **CONTINUED** to May 8, 2020. **MM DEVELOPMENT COMPANY, INC.'S MOTION TO STRIKE AND/OR DISMISS D.H. FLAMINGO, INC.'S COUNTERCLAIM:** Following arguments by Mr. Rulis and Mr. Kennedy, **COURT ORDERED**, motion **DENIED**. While the Court believes there are two avenues this claim could have been brought a counter claim to a counter claim is appropriate, and, given the standards for pleading, it is appropriately pled at this time. **QUALCAN, LLC'S PETITION FOR WRIT OF MANDAMUS:** Following arguments by Mr. Christiansen, Ms. Levin, Mr. Koch, and Mr. Parker, **COURT ORDERED**, the petition is premature, and the issue is not yet ripe; it will be addressed at the time of trial and may be argued in the second phase. **Petition DENIED WITHOUT PREJUDICE. STATUS CHECK: RESET TRIAL DATE:** **COURT ORDERED**, matters set on April 20, April 17, with the exception of the motions to compel and the motion to associate on April 17, as well as the matters on April 27 are all **RESET** on May 8, 2020. Court inquired as to how long the parties will need to complete discovery after the public health emergency. Mr. Kemp advised that he thinks it will take at least two weeks, and Mr. Bice agreed. Mr. Gentile advised he has no problem with the 2-week period but that perhaps this is something they need to talk about. Court noted the Governor has said that everyone should stay home until April 30; if the depositions do not go forward because of that and social distancing the Court will not force people to appear for their deposition. Mr. Gentile agreed with the 2-week timeframe and moving his side's depositions. Mr. Parker noted there may be more than 10 depositions; unless the parties agree to double track again he does not think they can complete those within 10 business days. Mr. Kemp concurred there are more than 10 depositions, but given the time limits he thinks they can be done within 10 business days. Colloquy regarding remaining depositions and noticing them. Mr. Schwarz noted that deponents may be in other states that may have travel restrictions. Upon Mr. Rose's inquiry, Court noted it will not order any depositions; the Court will grant a protective order if someone asked, but if the parties come up with a system the Court will allow them to do so. Mr. Gentile stated he will postpone Conner's and Pupo's. Upon Mr. Rose's inquiry, Mr. Rulis stated MM will move next week's depositions as well. Mr. Dzarnoski advised that Conner's and Pupo's deposition may impact the motion for summary judgment. Court noted the deadline has not changed; if they impact the motion for summary judgment counsel to include it in the language of their opposition. Upon Mr. Schwarz's inquiry, **COURT NOTED** that with regards to the motions in limine relating to experts whose depositions have not yet been taken, the Court will work with the parties, but other motions should have already been filed. **COURT FURTHER NOTED** that it is currently not going to reset trial on the June stack as everyone waits to find out what happens. **COURT ORDERED**, April 20, 2020 trial **VACATED**. 4-10-20 **CHAMBERS PLAINTIFF NEVADA WELLNESS CENTER, LLC'S MOTION TO COMPEL GREENMART OF NEVADA NLV, LLC TO PRODUCE KENNETH LEE AND HAE LEE FOR DEPOSITION ON ORDER SHORTENING TIME 4-10-20 9:00 AM CLEAR RIVER, LLC'S MOTION TO RECONSIDER THE COURT'S ORDER GRANTING PLAINTIFF NEVADA WELLNESS CENTER, LLC'S MOTION TO COMPEL CLEAR RIVER, LLC TO PRODUCE JOHN KOCER AND NORTON ARBELAEZ FOR DEPOSITION ON ORDER SHORTENING TIME... ..PLAINTIFF NEVADA WELLNESS CENTER, LLC'S MOTION TO COMPEL CLEAR RIVER, LLC TO PRODUCE ADDITIONAL DOCUMENTS ON ORDER**

order in case A714476 of this Court's order, so if challenged, the Court can hear it immediately. Court advised there are a number of motions set on May 8, and it would like to do them in segments. It would like counsel, as a group, after the reply briefs are filed, to provide the Court with a proposed list of the schedule so the Court can determine how the parties are going to do the hearings. ;

SCR 42(13)(a). ETW MANAGEMENT GROUP LLC'S MOTION TO COMPEL...PLAINTIFF'S MOTION TO COMPEL PRIVILEGE LOGS: Following arguments by Mr. Bult, Mr. Bice, Mr. Wight, Mr. Graf, Mr. Gutierrez, Ms. Shell, and Mr. Parker, COURT ORDERED, the meet-and-confer process was adequate. As a result, the Court will proceed with the motion; the text messages do not rise to the level of common interest protection, because they were not in anticipation of legal action or other legal proceedings; they were in the context of the application process, which is not a litigation proceeding; with respect to Greenmart, the identification of the consultant needs TO BE PROVIDED within five (5) days; because of the mixed roles of the attorneys in giving legal and business advice, those attorneys who assisted in the process needs to have those communications reviewed in camera; the parties may SUPPLEMENT their privilege logs related to attorney-client privilege within five (5) days; after the five-day period, ETW will review any supplemental privilege logs and make a determination as to whether they still have challenges; after that time, which is in about 10</i> |

days, ETW will PROVIDE the Court with a status report identifying those particular documents that remain at issue for which an in camera review is requested; if an in camera review is requested, the party who is seeking protection will need to SUBMIT the privilege log in Excel or Word on a thumb drive, the players list, and the redacted and unredacted versions of the documents for which they are seeking protection; those will be SUBMITTED BY MAIL; the Court and the Judicial Executive Assistant will arrange a way for the Court to review them after they are disinfected, and the thumb drives will be MARKED as Exhibits, SEALED, and placed in the Vault after the Court issues its ruling. Upon Mr. Parker's inquiry, COURT FURTHER ORDERED, it is NOT ORDERING production of the agreements; however, the Court is making a determination that because of the murky nature of the line between business and legal advice, there is no reason that the Court should award fees to any of the parties in this issue. COURT ORDERED, matter SET for status check on a status report by ETW on May 1, 2020 in chambers. After the Court receives that status report, the Court will issue a separate minute order identifying the particular documents that need to be provided for in camera review by each of the parties. COURT, addressing Mr. Bice, REITERATED that the text messages need to be produced and that production in a week would be lovely. COURT FURTHER DIRECTED the parties to come up with a plan on how the motions set on May 8, 2020 will be divided prior to that time; otherwise, 3 days will be needed for these motions. At the request of Mr. Rulis, per discussion and agreement with Ms. Stout, COURT ORDERED, DH Flamingo's motion for summary judgment on MM Development counterclaims CONTINUED from May 8 to May 22, 2020. 5-1-20 CHAMBERS STATUS CHECK: ETW'S STATUS REPORT ON IDENTIFICATION OF PARTICULAR DOCUMENTS FOR REVIEW;

together, including the voluminous exhibits. COURT, noting several requests for 56(d) relief, ORDERED, given the suspension of the depositions as a result of the public health emergency, and given the record before the Court, it is not necessary to continue for the completion of the depositions as the Court has been provided with the expert reports by the Plaintiffs. The testimony at the preliminary injunction is testimony under oath and for purposes of summary judgment is considered the same as a deposition. The findings of fact, however, are preliminary and are not entitled to the same consideration. The Court GRANTS IN PART Nevada Wellness' Motion for Summary Judgment with respect to the first claim for relief; the term "prospective owner" is not ambiguous; the term clearly means those owners at the time of the application who were seeking an award of a license; the Department of Taxation's decision to not require disclosure on the application and to not conduct background checks of persons owning less than 5% prior to the award of a conditional license is an impermissible deviation from the mandatory language of Ballot Question 2, which mandated a background check of each prospective owner, officer, and board member of a marijuana establishment license applicant; the citation to that is NRS 453d.200(6); the Department of Taxation acted beyond its scope of authority when it arbitrarily and capriciously replaced the mandatory requirement of Ballot Question 2 for the background check of each prospective owner, officer, and board member with the 5% or greater standard in NAC 453.255(1); this decision by the Department of Taxation was not one they were permitted to make as it resulted in a modification of Ballot Question 2, in violation of Article 19, section 2, subsection 3, of the Nevada Constitution. COURT ORDERED, with respect to the remaining issues, the applicants were entitled to a fair process, but there remain genuine issues of material facts as to the Plaintiffs' claims, the causation, and the damages. For that reason, the remaining motions are DENIED WITHOUT PREJUDICE to be renewed at the conclusion of Plaintiffs' case at trial. Court further advised the parties that the courtroom has been marked with 25 blue post-it notes that comply with social distancing. COURT DIRECTED the parties to think, as a group, how they will present their case if only 25 participants plus court staff and witnesses are allowed in the courtroom; the Court will hear input from the parties at next Friday's hearing, which will use the same call-in information. Upon Mr. Graf's inquiry, Court reiterated that the term "prospective owner" is not ambiguous; it clearly means those owners at the time of the application who were seeking an award of a license and that the Court had read paragraphs 82 and 85 from the original findings of fact and conclusions of law;

Matter Heard;

Journal Entry Details:

*Mr. Rulis and Mr. Smith present in the courtroom on another case. Court asked to speak with Mr. Rulis and Mr. Smith. Court advised that given a rumor about the bankruptcy filing the Court had the Law Clerk reach out to Mr. Koch to get the documents, but the Court and law clerk have been unable to do so. Because the Court is unfamiliar with the Canadian system of orders, the Court would like counsel to engineer a conference call at 1 pm today as to whether or not the hearing should proceed tomorrow. Mr. Rulis advised he does have a call with Mr. Koch at 10 am today and he has all the bankruptcy documents, which he downloaded last night. COURT ORDERED, counsel to set up the conference call for 1 pm today. 5-21-20 1:00 PM TELEPHONIC CONFERENCE AT REQUEST OF COURT RE: BANKRUPTCY FILING;*

*Telephonic Conference at Request of Court re: Bankruptcy Filing*

Matter Heard;

Journal Entry Details:

*Mr. Smith and Mr. Rulis present in the courtroom. Mr. Frank Hawkins, Mr. Parker's client, advised he was also on the conference call along with his partners. Court thanked Mr. Koch for a copy of the order from the Canadian court and inquired how paragraph 44 impacts the proceedings here. Mr. Gamble advised he saw a filing from Nevada Organic Remedies that came after they were provided with the Canadian bankruptcy petition indicating that the entities in this action were not part of the bankruptcy filing in Canada; he has not been able to locate any petition where the debtor in Canada sought recognition of the bankruptcy filing here in the United States, which would be a predicate. Court stated it understood. Mr. Koch advised there is a parent company but it is not a direct owner of his client; his position is that Nevada operations will continue; there is no request that this matter be stayed or modified in any way. Court inquired whether anyone disagreed with Mr. Koch's position. Mr. Rulis stated he agreed there is no stay and agreed with what Mr. Gamble said about there being no filing under Chapter 15 of the bankruptcy code. COURT ORDERED, given the position of Nevada Organic Remedies and the simple request made in paragraph 44 that has not been filed in the United States Bankruptcy Court, the Court will PROCEED with the hearing scheduled tomorrow. Court further advised that it can only accommodate 20 people in addition to court staff in the courtroom, so, it will keep the parties on the telephone tomorrow. Court further explained how this conference call originated, upon the inquiry of Ms. Shell.;*

APPEARANCES CONTINUED: Paul Connott, Esq., present on behalf of Brett J. Scolari, Attorneys for Tryke Companies In compliance with Administrative Order 20-1, the above parties participated by BlueJeans video conferencing, CourtCall conferencing and/or telephonic conference call. D.H. FLAMINGO INC. AND SURTERRA HOLDINGS, INC.'S MOTION FOR SUMMARY JUDGMENT AGAINST MM DEVELOPMENT COMPANY, INC. Arguments by Mr. Kennedy regarding the unfounded claims regarding statements by Mr. Spirtos, which intentionally interfered with and created an economic disadvantage for MM Development and third parties. Further arguments by Mr. Kennedy regarding the lack of merit of such claims, evidence of damages and causation. Argument by Mr. Kemp regarding the evidence provided and the damages caused to MM Development. Further arguments by Mr. Kemp regarding the viability of its claims against DH Flamingo. Upon Court's inquiry, Mr. Kemp advised in addition to the chart of stock prices, other evidence of damages suffered by MM Development included the testimony of his undeposed clients. Following arguments of counsel, Court ORDERED, Motion DENIED as there is limited evidence related to the damages; however, the stock price information provided in the Opposition is sufficient to defeat summary judgment. MM DEVELOPMENT COMPANY, INC.'S AND LIVFREE WELLNESS, LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS . . . Further arguments by Mr. Kemp regarding the appeal filed to correct the errors and the independent and unilateral decision made by Mr. Jorge Pupo, instead of by hearing before the Tax Commission. Mr. Shevorski advised the Department of Taxation withdraw its countermotion and argued regarding the merits of and in opposition to the Motion. Further, arguments by Mr. Shevorski regarding question of facts related to the financial strength and unconditional strength of the applicant. Upon Court's inquiry, Mr. Shevorski advised he believed Mr. Pupo was correct as there is no appeal to the Tax Commission. Arguments by Mr. Bice, Ms. Shell and Mr. Koch in support of its various countermotions and Mr. Hone submitted on the pleadings. Following arguments by counsel, Court STATED, the appeal at the interlocutory order granting injunctive relief does not relieve the Court of jurisdiction in this matter and ORDERED, Motion GRANTED IN PART, solely as to the appeal of the scoring errors that were made to Mr. Pupo. For that issue, the relief granted by the Court is a REMAND to the Tax Commission and/or the Cannabis Compliance

Board, whichever has authority or believes it has authority over the appeal made by MM Development and LivFree Wellness. Colloquy regarding scheduling and the changes thereto, Order Shortening Time regarding Bond and impact regarding certain matters related thereto, facilities to accommodation the parties during trial and various matters. DEFENDANT PURE TONICS' MOTION FOR SUMMARY JUDGMENT . . . PURE TONIC CONCENTRATES LLC'S MOTION FOR SUMMARY JUDGMENT ON ALL PLAINTIFFS' OPERATIVE COMPLAINTS Upon Court's inquiry, Mr. Hsu addressed the issue related to service. Mr. Hsu advised Pure Tonics Motion was e-filed and e-served to all the parties; no other service was made as it was believed to be unwarranted. Further, Mr. Hsu advised the opposition filed by the TGIG Plaintiffs and joinders by other parties indicated receipt of service of Pure Tonics Motion. Mr. Hsu argued Pure Tonics was an outlier party since the licenses granted were in the outlier counties of Storey and Humboldt. No other Plaintiff applied for a license in Storey County and only Rural Remedies applied in Humboldt County. Further, Mr. Hsu argued none of the Plaintiffs would receive a direct benefit if the Court set aside Pure Tonics licenses nor would there be a direct detriment if the Court allowed Pure Tonics licenses to remain in place. Mr. Gamble stood by his declaration of no service of Pure Tonics Motion; Mr. Parker and Mr. Fetaz joined in Mr. Gamble's declaration of no service and arguments by Mr. Gamble and Mr. Parker in opposition to the merits of the Motion. Mr. Gentile argued regarding the impact on the market share by a rural county and Mr. Fetaz submitted on the pleadings. Further arguments by Mr. Hsu in support of service to all the parties of the Motion, on the merits of the Motion and the oppositions thereto. Following arguments of counsel, Court ORDERED, Motion GRANTED IN PART as to Storey County only since there were no other applicants in Storey County; while there is a potential issue regarding market share related to rural counties, since there were no other applications in those counties the argument fails. Mr. Shu to prepare and submit the order. MOTION FOR ORDER EXTENDING TIME TO FILE NRS 233B.133 OPENING BRIEF ON ORDER SHORTENING TIME . . . HIGH SIERRA HOLISTICS, LLC'S JOINDER TO VARIOUS MOTIONS FOR SUMMARY JUDGMENT . . . TGIG PLAINTIFFS' JOINDERS TO VARIOUS OPPOSITIONS Argument by Mr. Bult that good cause existed to grant ETW Plaintiffs' Motion, it was appropriate pursuant to NRS 233B.133 since the State did not file the record, and discovery had not concluded, including certain key depositions. Further, Mr. Bult argued the court suspended all dates of the trial protocol, except for the motions on the briefings as a result of the current CORVID-19 pandemic. Mr. Shervorski submitted on the State's Petition and made no further representations. Upon Court's inquiry, Mr. Shervorski advised the State did not file the record to generate the scheduling order since it was believed pursuant to the Order, the records were confidential. Following arguments of counsel, Court ORDERED, State to FILE the record and/or a motion to seal, if appropriate, within three weeks. COURT FURTHER ORDERED, status check SET regarding filing of the record and/or motion to seal. *Telephonic Conference at Request of Court*

Matter Heard;

Journal Entry Details:

*APPEARANCES CONTINUED: Attorney Paul Conant. Court thanked the parties for submitting their status reports and inquired about the filing of the record by the D.O.T. Mr. Shevorski advised that he hopes to have it on file by Friday; if not on Friday, the week after, on Monday. Court further inquired about the nature of the State's agreement with Mr. Bult that caused the motion to be taken off calendar. Mr. Shevorski stated the nature of the agreement is this: since the Court granted the Plaintiffs more time and since it is 40 days from the filing of the record, there is no reason for the motion on judgment on the pleadings based on the Court's prior order. Court advised there are 20 chairs in the courtroom which can be used by people other than court staff; this case has more than 20 people, not including party representatives; in order to try the case, the Court has to have another facility; there is a suggestion to use the jury assembly room across the bridge, which is available, except that on June 30th there will not be another facility this case can use in the building in the short term; rather than forcing the parties to start on June 15, the Court will give the parties a chance to convince the Court of other options given the limited realities of facilities that are available. Mr. Bice stated that his side believes the case should proceed; they do not want to delay this matter any longer than necessary; if the Court wants him to submit evidence on this point he can do so; even though his client has not been enjoined by the preliminary injunction, the Plaintiffs have been going around to local jurisdictions and telling them they should not approve any of the licenses because of this existing litigation; they are caught in a catch 22 and it is prejudicial to them for this matter to continue to drag on. Statement by the Court regarding objections. Mr. Bice inquired about a phone line in the jury room. COURT noted that it works but there is a problem with background noise, people talking over each other, etc. Mr. Parker advised that they scheduled depositions that go through July 7 or 9 as of this morning and they have depositions almost everyday starting next week; he does not see how starting on June 15 would work, as they also will be utilizing deposition transcripts. Court further noted it will not deny counsel the right to consult with their clients, but there are only 20 chairs in the courtroom. Court notes the other option is for the parties to rent a facility in another place. Mr. Parker advised they can look at a private space but it will be 3 times the size of the Court's courtroom to observe social distancing, but then they will have to go back to timing. Mr. Rulis inquired about the availability of the jury assembly room. Court stated the jury commissioner is going to start calling jurors for criminal trials; the Court will leave things to the parties, will await additional suggestions, and will give the parties one week to give the Court a plan. Upon Mr. Koch's inquiry regarding which claims to try, COURT NOTED that as long as it is not the claims involving the 1983 allegations, the Court will be happy to do anything in whatever order the parties can manage it. Mr. Bice advised the Plaintiffs are scheduling depositions into July; there is no reason for this to extend into July. COURT NOTED it will need a separate noticed motion from counsel and will sign an OST. Mr. Parker responded to Mr. Bice's argument regarding depositions. COURT directed counsel to file a motion. Court further directed the parties to think about the order they want to proceed; the 1983 items just need to be last. Mr. Hsu advised that in looking at A.O. 20-17 he would ask for him and his client to listen in by telephone. Court confirmed that is an option; the problem is if counsel wants to ask the witness questions it will be very difficult, especially if the witness is on video; that is the risk counsel takes if he appears by remote means.;*

DEFENDANT/RESPONDENTS' TWELVE TWELVE, LLC'S MOTION TO BE DISMISSED AS A PARTY AND WITHDRAW ITS NOTICE OF INTENT TO PARTICIPATE AND EX PARTE APPLICATION FOR ORDER SHORTENING TIME: Hearing no opposition, COURT ORDERED, motion GRANTED. ~ Upon Court's inquiry of Mr. Bice regarding the motion he mentioned at last week's conference call that he would submit on OST, Mr. Bice stated that he will submit an OST if not today, then tomorrow. ~ Court advised that the Chief Judge suggests the Fifth Street School location for the trial in this matter, because the Court is told that if they do not take advantage of the space, they will lose the ability to use it starting on July 24. Mr. Parker advised that he inquired about the Fifth Street School with the City, and the person in charge of booking said there is no time they can give that would span the length of time for this trial; he also checked with the City Council Chambers and the Clark County Commissioner Chambers, and so he is working with them on dates; he will report back to the Court and anyone else. Mr. Kemp advised that they also contacted the Smith Center, but no one could be found, as well as the Mob Museum about the old courthouse, but the quote per day is ridiculous. Mr. Bice advised they will have a proposal regarding LVCVA and hope to report to the Court this week. Following argument by Mr. Dzarnoski, COURT NOTED it is not having witnesses in the judicial review portion; that is not in the trial protocol. Mr. Dzarnoski continued to argue that in cases regarding alleged irregularity the Court may receive evidence; there is a vast amount of case law where they need to prove the irregularity of the process used; they should be allowed to clarify the record with additional evidence. COURT stated counsel MAY FILE a motion to modify the trial protocol to modify the procedure set forth in Phase I. Upon inquiry by Mr. Gamble, COURT CONFIRMED trial is not going forward on June 15. BAILEY KENNEDY'S MOTION TO WITHDRAW AS COUNSEL FOR D.H. FLAMINGO, INC. AND SURTERRA HOLDINGS, INC ON ORDER SHORTENING TIME: Upon Court's inquiry, Mr. Kennedy confirmed he has heard from the client as far as having to do with payment but not an opposition. # CASE SUMMARY

CASE NO. A-19-787004-B

Counsel to prepare the order of withdrawal and include local Rule 7.42 that a corporation cannot appear in proper person as well as the client's email address and all future dates. COURT ORDERED, matter SET for a status check on resetting trial on Monday, June 2 at 9 am. ~ Court inquired of counsel for D.O.T. regarding the record. Ms. Levin explained they are in the process of filing the applications they need; some were not Bates numbered and some were missing score sheets; they have to determine who is in or who is out; some applications were produced confidentially, some with AEO, and some where not produced at all so they have to look at their internal records; due to the enormous size of these records, their proposal would be, to preserve everyone's confidentiality and designations, to put all of these applications and relevant score sheets on a sort of hard drive or jump drive and submit it to the Court subject to the protective order in place. COURT DECLINED the offer and DIRECTED counsel to FILE the record; counsel can FILE a motion to file portions under seal, but the record of the administrative agency needs to be filed, and the Court would appreciate the record being submitted immediately. Ms. Levin further argued as to the difficulty of the task. Mr. Bice and Mr. Parker argued. COURT NOTED it is the D.O.T. imposing the deadlines on everyone. Following further colloquy on the record submitted to the administrative agency, COURT ORDERED, the D.O.T. has five (5) days to comply and submit the record; counsel may designate by numbers documents previously submitted to the Court or produced; if there is a request for supplementation that will be addressed by motion practice; it does not need to be the entire record; it may be the record plus all these other documents with Bates numbers. Mr. Graf objected to the production of their application in the petition for judicial review in the other part and inquired whether a pleading would have to be submitted. Court concurred they will have to submit a pleading.;

Court thanked counsel for D.O.T. for submitting the record on review and asked whether they have the index or whether there is access to it. Mr. Shevorski advised he is not sure if it is in the system. Court inquired as to what "not disclosed" meant. Mr. Shevorski advised that it was Ms. Levin who handled that, but he thinks that might be referring to applications they would have produced to the Plaintiffs and they never produced them back as part of them wanting anyone to consider. Upon further inquiry, Mr. Shevorski confirmed AEO is attorney's eyes only. Court noted that the D.O.T. is asking the parties to look at what was previously produced to them rather than filing with the Court publicly. Mr. Shevorski concurred. COURT DIRECTED the Plaintiffs to discuss on Thursday (June 18,*

# CASE SUMMARY

CASE NO. A-19-787004-B

2020), on which day Mr. Bice's motion is set, whether there are any issues with the record submitted by the D.O.T. and to tell the Court whether there is anything new not previously exchanged by the parties or produced in discovery. Court RECESSED briefly. Following arguments by counsel regarding Qualcan's motion, COURT ORDERED, motion GRANTED IN PART; to the extent that Qualcan had previously disclosed its damages or had application fees that were incurred which the D.O.T. was on notice of, or to the extent that any party disclosed prior to the discovery cut-off which preceded Judge Bell's order, or provided information during the preliminary injunction hearing or any deposition that was a disclosure of damages bases or calculations, the Court will permit those parties to provide that; that includes Compassionate Team being able to seek application fees as mentioned when the Court ruled on the State's motion for summary judgment on May 8th; attorney's fees may be sought post-judgment if there is a valid legal basis for the attorney's fees but not as a separate element of damages because there was not a disclosure at that element of damages. Upon further inquiry by counsel, Court clarified that what it said on May 8th applied to all Plaintiffs and what the Court said on May 8th STANDS. ;

MOTION TO SET TRIAL ON ORDER SHORTENING TIME...COUNTER CLAIMANT'S MOTION TO SET TRIAL ON ORDER SHORTENING TIME...NEVADA ORGANIC REMEDIES, LLC'S JOINDER TO MOTION TO SET TRIAL ON ORDER SHORTENING TIME APPEARANCES CONTINUED: Attorney Leo Wolpert for Greenmart; Attorney Paul Conant for Tryke. All counsel appeared by telephone, except for Mr. Shevorski, Mr. Bice, and Mr. Jordan Smith, who appeared in person. Assistant Court Administrator Andres Moses also present. Court inquired of Mr. Parker, Mr. Gentile, and Mr. Bult whether they had a chance to look at the record that the State filed. Mr. Dzarnoski advised that they received the 73 parts of the administrative record and anticipate filing motions based on what they have read so far, which will include a motion for supplementation and to provide additional evidence and a motion to amend/modify the trial protocol; it will take 10 to 14 days to get those motions on file. Court asked what was missing with the record. Mr. Dzarnoski replied that he had not finished his analysis. Mr. Dzarnoski, Mr. Rulis, and Mr. Bult provided some examples of what they believed was missing. Mr. Parker advised he would also move for supplementation with recordings of the score reviews. Court encouraged counsel to contact Mr. Shevorski regarding

large swaths of information that is missing. Upon Mr. Dzarnoski's inquiry, Court stated it is not requiring a meet-and-confer, just a heads up to Mr. Shevorski. With regards to the motion to set trial, Court noted it counted about 30 remaining depositions and asked how that can be when the discovery cut-off was before Judge Bell's administrative order, noting that the Court is not including the 1983 claims. Mr. Parker advised he does not believe there are 30 left; they took 2 yesterday and took some last week; they are also working with Mr. Shevorski and Ms. Levin in perhaps reducing one or two depositions; it would be difficult to get information from one of the witnesses as the witness has tongue cancer. Court noted it combined counsel's and Mr. Bult's lists, took out the duplicates, and got to 30. Following arguments by Mr. Bice, Mr. Conant, Mr. Gamble, Mr. Bult, Mr. Shevorski, Mr. Kahn, Mr. Prince, Mr. Wight, and Mr. Parker, **COURT ORDERED**, motion to set trial **GRANTED**. The Court will meet with Mr. Moses, who will contact the Las Vegas Convention and Visitors Authority and see what time and space constraints there are, noting the need for 14 rows of tables with 2 people per table, plus space for staff and the JAVS system, and, based upon that information, the Court will provide a trial date; if the parties want more than the JAVS, clerk's exhibits, electronic exhibits, and displays for the witness and court, the parties may want to provide their own equipment.;

All parties appeared by telephone. <b>PLAINTIFF NEVADA WELLNESS CENTER, LLC'S MOTION TO ENLARGE TIME FOR SERVICE ON AN ORDER SHORTENING TIME:</b> Court noted counsel cannot be asking for extensions to serve when trial begins in 2 weeks. Following argument by Mr. Parker, <b>COURT ORDERED</b> , motion <b>DENIED</b> ; the prior extension given by the Court was the last one. <b>STATUS CHECK:</b> Mr. Gamble advised that he needs to be with his wife for a battery of procedures beginning in July and asked whether the Court would consider a motion on <b>OST</b> to perhaps sever Rural Remedies from this action. <b>COURT DIRECTED</b> Mr. Gamble to send over an <b>OST</b> and the Court will be happy to address it. Court discussed the space to be designated as a temporary courtroom facility for the trial. Counsel confirmed they received the map. Mr. Williamson inquired whether they can use the repository for pre-trial disclosures. Court noted it does not know about the repository but if the parties reach an agreement the Court will be okay with it. Mr. Williamson inquired whether the pre-trial conference will be onsite or not. Court stated counsel may appear by telephone; however, the Court does not know whether the set-up will be finished by the 10th. Mr. Parker inquired whether the Court will allow them to serve the remaining 20 parties by publication. Court stated it <b>WILL NOT</b> . Upon Mr. Parker's further inquiry, Court confirmed it will entertain a motion. Mr. Smith advised they also have a motion to extend time for service set in July and will submit an <b>OST</b> . Mr. Smith inquired whether they should serve the parties that have already asked to be dismissed. Court stated it is up to counsel. Mr. Christiansen inquired about depositions or prior preliminary injunction hearing testimony. Court <b>DIRECTED</b> counsel to designate those ahead of time; there is an objection process in the amended trial protocol, and the Court will rule on that evidence at the pre-trial conference; during the case-in-chief, that evidence will be presented either by video or by a person reading the depositions. Further colloquy regarding witnesses. Upon Mr. Prince's inquiry regarding duplicative testimony, Court stated it will not rely on its memory of what happened over a year ago; witness testimony will have to be presented anew. Court <b>FURTHER DIRECTED</b> counsel to email the Court their best estimate of the length of this trial by Monday afternoon via a status report, understanding that there may be additional cancellations of conventions that will occur given Covid-19 issues.; |

|            | <p><i>unopposed. ~ Court inquired as to who is coordinating with Holo. Mr. Rulis advised that one issue is that Holo did not know what their role would be in this trial and he wanted to talk about substituting Litigation Services for Holo; the document depository is with Litigation Services. COURT ORDERED, there being no objection, the request to change from Holo to Litigation Services is GRANTED. Mr. Smith volunteered himself and Mr. Rulis to coordinate with Litigation Services. Court directed the Clerk to reach out to I.T. regarding the latter's availability next week.;</i></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

**CASE SUMMARY****CASE No. A-19-787004-B**

NATURAL MEDICINAL SOLUTIONS LLC, NYE NATURAL MEDICINAL SOLUTIONS LLC CLARK NMSD LLC AND INYO FINE CANNABIS DISPENSARY L.L.C'S JOINDER TO NEVADA WELLNESS CENTER'S MOTION FOR CASE TERMINATING SANCTIONS APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine. All appeared by telephone, with the exception of Mr. Parker, Mr. Bult, and Mr. Kemp, who appeared in person. Following arguments by Mr. Parker and Mr. Kemp, COURT stated it is very concerned about what appears to be discovery abuses, but the Court does not want counsel to make the position given some of the issues raised today other than what is in their papers. COURT ORDERED, matter SET for evidentiary hearing on the nature of the sanctions and the prejudice; if the State has a back-up or fallback position short of striking the pleading, the Court would like Mr. Shevorski to think about it, because the Court is very concerned given the length of time in the evidentiary hearing that was held in this case and the witness testimony. COURT ORDERED, the evidentiary hearing on the motion for case terminating sanctions will be held next Monday, Tuesday, and Wednesday, and no opening statements or witnesses in Phase II of the trial will commence until the evidentiary hearing is completed. Mr. Shevorski advised the Court of Ms. Cronkhite's unavailability on Monday and Tuesday. Ms. Levin advised Mr. Gilbert will be there Monday. Mr. Graf noted for the record that Clear River filed an opposition to this motion and a joinder to the State's brief. Mr. Parker inquired about Mr. Hernandez. Ms. Levin advised that as far as she knows everyone else will be there. Mr. Bice argued that he does not want the Court accepting the representations of Mr. Parker and Mr. Kemp before his side responds; they would like to see the messages, as they have received zero messages by the Plaintiffs; furthermore, the Court denied his own motion for sanctions. Court stated this was a preservation order. Mr. Bice argued the Plaintiffs preserved nothing.;

DEVELOPMENT COMPANY, INC., AND LIVFREE WELLNESS, LLC ON AN ORDER SHORTENING TIME... ..WELLNESS CONNECTION OF NEVADA'S JOINDER TO THE ESSENCE ENTITIES' MOTION FOR JUDGMENT AS A MATTER OF LAW FOR LACK OF STANDING BY MM DEVELOPMENT COMPANY, INC. AND LIVFREE WELLNESS ON ORDER SHORTENING TIME... ..LONE MOUNTAIN PARTNERS, LLC JOINDER TO: (1) THE ESSENCE ENTITIES' MOTION TO COMPEL MM DEVELOPMENT COMPANY, INC. AND LIVFREE WELLNESS, LLC ON AN ORDER SHORTENING TIME; AND (2) THE ESSENCE ENTITIES' MOTION FOR JUDGMENT AS A MATTER OF LAW FOR LACK OF STANDING BY MM DEVELOPMENT COMPANY, INC. AND LIVFREE WELLNESS, LLC ON AN ORDER SHORTENING TIME: Following arguments by Mr. Rulis and Mr. Bice, COURT ORDERED, motion to dismiss GRANTED IN PART; to the extent math calculations or securing recalculations is being sought the motion is GRANTED; to the extent challenging the constitutionality of the process is being sought the motion is DENIED. NATURAL MEDICINE LLC'S MOTION TO ENLARGE TIME FOR SERVICE [RESET from today's chambers calendar to the 9 am session]: Following argument by Ms. Smith, COURT ORDERED, request to serve through Monday through the Secretary of State, including mailing to the last known address, is GRANTED. FINAL PRE TRIAL CONFERENCE [Continued]: Mr. Shevorski advised the State plans to file a motion on OST regarding the State's writ in this case. Mr. Prince noted it deals with whether the State has the legal right to possess the cellphones of the individual D.O.T. employees; he believes they do not, but the Court needs to determine that as a threshold issue before going to case-terminating sanctions. COURT ORDERED, pursuant to the stipulation of the parties, all JOINT EXHIBITS are ADMITTED. Mr. Smith and Mr. Rulis advised there no stipulations yet to any of the Plaintiffs' or Defendants' proposed trial exhibits. COURT NOTED media files lodged with the Clerk are part of the Plaintiffs' exhibits, which remain proposed at this time. Mr. Rulis advised they did their best to redact any personally identifying information on the exhibits. With regards to any demonstrative exhibits, Mr. Prince advised that right now they do not have some, but he may use or create some depending on the testimony and will try to show it to the other side as soon as possible for their review and for the Court's review. COURT DIRECTED counsel to submit any proposed findings of fact and conclusions of law in MS Word format. With regards to objections to deposition designations, the Court advised it cannot rule on them today as the Court cannot touch paper; however, the Court can resolve any videos in lieu of live testimony. COURT RECESSED for counsel to confer. Mr. Rulis asked that the Court address witnesses beginning of next week. Mr. Rulis further advised that Litigation Services is willing to provide a real time reporter if the parties determine that is what they want; however, he believes the Court Recorder will be the official record and a transcript will be done as a result of that. Court directed counsel to coordinate with the Court Recorder. Mr. Rulis stated they will do so as soon as the parties have an agreement. Court advised it has now read the Nevada Supreme Court's decision regarding control of independent contractors vs. employees. Mr. Parker stated they received notice of that yesterday and that what they dealt with yesterday is on all D.O.T. employees. COURT ORDERED, parties may argue what it means on Monday (July 13, 2020). Mr. Shevorski advised the State will file a motion on the meaning of legal control with respect to employees, which they think is an important legal issue and would like an opportunity to brief. COURT ORDERED, that motion will be argued on Wednesday, July 15, 2020 at 9 am. Further argument by Mr. Prince regarding the issue of control. COURT, noting there is a continuum of issues related to control, which the Court would be happy to address, ORDERED, the request for a staged hearing is REJECTED; the Court will make a ruling together. Court made its disclosure regarding Cook and Kelesis. Colloquy between Court and counsel regarding the issue. Counsel detailed their witnesses. COURT ORDERED, to the extent there are objections that are public health related, the parties need to make sure those are accomplished, and if a little more time needs to be spent on it, it can be accommodated. Further colloquy regarding witness sequencing, the use of lapel mics, and proposed findings. Mr. Kemp advised his side will file an objection to Mr. Bice attempting to hijack the evidentiary hearing. Bailiff briefed all present on security and safety. Trial CONTINUED pending other matters. 7-13-20 8:00 AM MOTION TO COMPEL MM DEVELOPMENT COMPANY, INC.
