

IN THE SUPREME COURT OF THE STATE OF NEVADA

AMY C. LUCIANO,
Appellant,
vs.
FRANK LUCIANO,
Respondent.

No. 86782

FILED

SEP 18 2023

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY  DEPUTY CLERK

ORDER

Emily McFarling, counsel for respondent, has filed a motion for exemption from settlement program and to reinstate timelines for requesting transcripts and briefing. Because appellant is proceeding pro se, this matter was never referred to this court's settlement program. See NRAP 16(a) (requiring all parties to be represented by counsel in order to be considered for the settlement conference program). Further, the deadlines for filing documents have never been suspended. This court issued a notice regarding deadlines on July 7, 2023. Appellant filed the docketing statement and transcript request form on August 25, 2023. Appellant's opening brief or informal brief is due to be filed on or before November 6, 2023. Accordingly, respondent's motion is denied.

It is so ORDERED.
