

IN THE SUPREME COURT OF THE STATE OF NEVADA

RICHARD ABDIEL SILVA,  
Appellant,  
vs.  
THE STATE OF NEVADA,  
Respondent.

No. 87094

**FILED**

NOV 20 2023

ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY *[Signature]*  
DEPUTY CLERK

*ORDER*

Appellant has filed a pro se "judicial notice" which this court construes as a motion for a copy of the record on appeal and for an extension of time to file the opening brief. See NRAP 27(a)(1) (explaining that an application for an order or other relief should generally be made by motion). Appellant is not required to cite to the record when filing the opening brief. See NRAP 28(e)(3) (providing that pro se parties are not required to cite the record in their briefs). Accordingly, appellant's request for a copy of the record is denied. Appellant may, however, seek a copy of the record from the district court.

Appellant's request for an extension is granted to the following extent: Appellant shall have an additional 45 days to file and serve the opening brief or informal brief. Thus, appellant shall have until January 29, 2024, to file and serve his opening brief or informal brief. No further extensions of time shall be permitted absent demonstration of extraordinary circumstances and extreme need. NRAP 31(b)(3)(B).

It is so ORDERED.

*Shiglin*, C.J.
