ORDER DENYING PETITION

This is a pro se original petition for a writ of mandamus that would direct the district court district court to rule on pending filings.

Mandamus relief is an extraordinary remedy, and petitioners bear the burden to show that such relief is warranted. *See Pan v. Eighth Judicial Dist. Court*, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004). In the instant matter, petitioner has not demonstrated that extraordinary relief is warranted, as the petition is not supported by any relevant documentation and lacks critical information about petitioner's pending district court filings that underlie this petition. NRAP 21(a)(4) (stating that it is the petitioner's obligation to provide an appendix that includes all records that may be essential to understand the matters set forth in the petition).

Without this crucial information, we cannot evaluate the petition. Accordingly, we

ORDER the petition DENIED.
