Clerk of Supreme Court

Appellant, OSCAR HERNANDEZ, respectfully moves this Court, pursuant to NRAP 31(b) for an extension of 30 days in which to file his opening brief and appendix.

Appellant's opening brief and appendix are currently due on March 25, 2024. This is Appellant's first motion for extension of time. No request for additional time has been denied or denied in part. If the Court grants this request for an extension of 30 days, Appellant's opening brief and appendix will be due Wednesday, April 24, 2024.

Good cause exists to grant the requested extension for the following:

1. Counsel for Appellant is a sole practitioner. In addition to counsel for Appellant having an already full schedule of hearings, arbitration, mediations, depositions, and the like, in late 2023 counsel was diagnosed with a significant medical issue and has medical appointments scheduled during March.
2. The additional 30 days will allow for the completion of Appellant's opening brief and appendix.

3. Therefore, Appellant respectfully requests a 30-day extension of time, until April 24, 2024, within which to file his opening brief and appendix. This motion is submitted in good faith and for good cause shown in accordance with NRAP 31(b).
