MOTION TO ACCEPT LATE FILING

It's no secret, that when I get something, I send it to the prison, and Stevens responds, there is no law against this, by the time I sent it to Stevens, and he replied, it's a little late, I hope the court accepts, the reply to opposition to motion for comp hrs, and considers, the claims of fraud as presented by appellant that has factual support, with the file on file with this court by order of transmission

CONCLUSION

That the court accept the reply as timely, and remand for a comp hrs
