1 1% of the quantities. Thus, the true values should fall in
2 the confidence interval between X_{01} and X_{99} on 98% of
3 the problems.

4 Several investigators²¹ have obtained probability distributions
5 for many quantities from a large number of judges. These
6 distributions indicated large and systematic departures from
7 proper calibration. In most studies, the actual values of the
8 assessed quantities are either smaller than X_{01} or greater than
9 X_{99} for about 30% of the problems. That is, the subjects
10 state overly narrow confidence intervals which reflect more
11 certainty than is justified by their knowledge about the
12 assessed quantities. This bias is common to naive and
13 to sophisticated subjects, and it is not eliminated by
14 introducing proper scoring rules, which provide incentives
15 for external calibration. This effect is attributable,
16 in part at least to anchoring.

17 To select X_{90} for the value of the Dow Jones
18 average, for example, it is natural to begin by thinking
19 about one's best estimate of the Dow Jones and to adjust
20 this value upward. If this adjustment—like most others—
21 is insufficient, then X_{90} will not be sufficiently extreme. A
22 similar anchoring effect will occur in the selection of X_{10} , which
23 is presumably obtained by adjusting one's best estimate
24 downward. Consequently, the confidence interval between X_{10}
25 and X_{90} will be too narrow, and the assessed probability
26 distribution will be too tight. In support of this interpretation it can
27 be shown that subjective probabilities are systematically altered by a procedure in
28 which one's best estimate does not serve as an anchor.

Subjective probability distributions for a given quantity (the Dow Jones average) can be obtained in two different ways: (i) by asking the subject to select values of the Dow Jones that correspond to specified percentiles of his probability distribution and (ii) by asking the subject to assess the probabilities that the true value of the Dow Jones will exceed some specified values. The two procedures are formally equivalent and should yield identical distributions. However, they suggest different modes of adjustment from different anchors. In procedure (i), the natural starting point is one's best estimate of the quantity. In procedure (ii), on the other hand, the subject may be anchored on the value stated in the question. Alternatively, he may be anchored on even odds, or a 50-50 chance, which is a natural starting point in the estimation of likelihood. In either case, procedure (ii) should yield less extreme odds than procedure (i).

To contrast the two procedures, a set of 24 quantities (such as the air distance from New Delhi to Peking) was presented to a group of subjects who assessed either X_{10} or X_{90} for each problem. Another group of subjects received the median judgement of the first group for each of the 24 quantities. They were asked to assess the odds that each of the given values exceeded the true value of the relevant quantity. In the absence of any bias, the second group should retrieve the odds specified to the first group, that is 9:1. However, if even odds or the stated value serve as anchors, the odds of the second group should be less extreme, that is, closer to 1:1. Indeed, the median odds stated by this group, across all problems, were 3:1.

1 When the judgements of the two groups were tested for external
2 calibration, it was found that subjects in the first group were
3 too extreme, in accord with earlier studies. The events that
4 they defined as having a probability of .10 actually obtained in
5 24% of the cases. In contrast, subjects in the second
6 group were too conservative. Events to which they assigned
7 an average probability of .34 actually obtained in 26% of
8 the cases. These results illustrate the manner in which the
9 degree of calibration depends on the procedure of elicitation.

11 DISCUSSION

13 This article has been concerned with cognitive biases that
14 stem from the reliance on judgemental heuristics. These biases
15 are not attributable to motivational effects such as wishful thinking
16 or the distortion of judgements by payoffs and penalties. Indeed,
17 several of the severe errors of judgement reported earlier
18 occurred despite the fact that subjects were encouraged to
19 be accurate and were rewarded for the correct answers.²²

20 The reliance on heuristics and the prevalence of biases
21 are not restricted to laymen. Experienced researchers are also
22 prone to the same biases when they think intuitively.

23 For example, the tendency to predict the outcome that best
24 represents the data, with insufficient regard for prior
25 probability, has been observed in the intuitive judgements of
26 individuals who have had extensive training in statistics.²³

27 Although the statistically sophisticated avoid elementary
28 errors, such as the gambler's fallacy, their intuitive judgements

MATTHEW TRAVIS HOUSTON
No 1210652 @ HDSP
PO Box 650
Indian Springs, NV 89070

are liable to similar fallacies in more intricate and less transparent problems.

It is not surprising that useful heuristics such as representativeness and availability are retained, even though they occasionally lead to errors in prediction or estimation. What is perhaps ~~unintentionally~~ surprising is the failure of people to infer from lifelong experience such fundamental statistical rules as regression toward the mean, or the effect of sample size on sampling variability. Although everyone is exposed, in the normal course of life, to numerous examples from which these rules could have been induced, very few people discover the principles of sampling and regression on their own. Statistical principles are not learned from everyday experience because the relevant instances are not coded appropriately. For example, people do not discover that successive lines in a text differ more in average word length than do successive pages, because they simply do not attend to the average word length of individual lines or pages. Thus, people do not learn the relation between sample size and sampling variability, although the data for ~~learning~~ such learning are abundant.

The lack of an appropriate code also explains why people usually do not detect the biases in their judgements of probability. A person could conceivably learn whether his judgements are externally calibrated by keeping a tally of the proportion of events that actually occur among those to which he assigns the same probability. However, it is not natural to group events by their judged probability. In the absence of such grouping it is impossible for an individual to

MATTHEW TRAVIS HOUSTON
No 1210652 @ HDSP
Po Box 650
Indian Springs, NV 89070

1 discover, for example, that only 50% of the predictions to
2 which he has assigned a probability of .9 or higher actually
3 came true.

4 The empirical analysis of cognitive biases has implications
5 for the theoretical and applied role of judged probabilities. Modern
6 decision theory²⁴ regards subjective probability as the quantified
7 opinion of an idealized person. Specifically, the subjective
8 probability of a given event is defined by the set of bets
9 about this event that such a person is willing to accept. An
10 internally consistent, or coherent, subjective probability measure
11 can be derived for an individual if his choices among bets satisfy
12 certain principles, that is, the axioms of the theory. The
13 derived probability is subjective in the sense that different
14 individuals are allowed to have different probabilities for the
15 same event. The major contribution of this approach is that
16 it provides a rigorous subjective interpretation of probability
17 that is applicable to unique events and is embedded in a
18 general theory of rational decision.

19 It should perhaps be noted that, while subjective
20 probabilities can sometimes be inferred from preferences among
21 bets, they are normally not formed in this fashion. A person
22 bets on team A rather than team B because he believes that
23 team A is more likely to win; he does not infer this
24 belief from his betting preferences. Thus, in reality,
25 subjective probabilities determine preferences among bets and are not
26 derived from them, as in the axiomatic theory of rational
27 decision.²⁵

28 The inherently subjective nature of probability has led many students

MATTHEW TRAVIS HOUSTON
No 1210652 @ HDSP
Po Box 650
Indian Springs, NV 89070

1 to the belief that coherence, or internal consistency, is the
2 only valid criterion by which judged probabilities should be
3 evaluated. From the standpoint of the formal theory of
4 subjective probability, any set of internally consistent
5 probability judgements is as good as any other. This criterion
6 is not entirely satisfactory, because an internally consistent set
7 of subjective probabilities can be incompatible with other beliefs
8 held by the individual. Consider a person whose subjective
9 probabilities for all possible outcomes of a coin-tossing game
10 reflect the gambler's fallacy. That is, his estimate of the
11 probability of tails on a particular toss increases with the
12 number of consecutive heads that preceded that toss. The
13 judgements of such a person could be internally consistent and
14 therefore acceptable as adequate subjective probabilities according
15 to the criterion of the formal theory. These probabilities,
16 however, are incompatible with the generally held belief that a
17 coin has no memory and is therefore incapable of generating
18 sequential dependencies. For judged probabilities to be considered
19 adequate, or rational, internal consistency is not enough. The
20 judgements must be compatible with the entire web of beliefs held
21 by the individual. Unfortunately, there can be no simple formal
22 procedure for assessing the compatibility of a set of probability
23 judgements with the judge's total system of beliefs. The rational
24 judge will nevertheless strive for compatibility, even though
25 internal consistency is more easily achieved and assessed. In
26 particular, he will attempt to make his probability judgements
27 compatible with his knowledge about the subject matter, the laws
28 of probability, and his own judgemental heuristics and biases.

SUMMARY

This article described three heuristics that are employed in making judgements under uncertainty: (i) representativeness, which is usually employed when people are asked to judge the probability that an object or event A belongs to class or process B; (ii) availability of instances or scenarios, which is often employed when people are asked to assess the frequency of a class or the plausibility of a particular development; and (iii) adjustment from an anchor, which is usually employed in numerical prediction when a relevant value is available. These heuristics are highly economical and usually effective, but they lead to systematic and predictable errors. A better understanding of these heuristics and of the biases to which they lead could improve judgements and decisions in situations of uncertainty.

WHEREFORE, the Plaintiff-in-error-petitioner-appellant prays that a competent reader of this document (preferably the judge who is to NOT be biased) has had some time to let this all sink in while these pleadings seem to be lost within the bureaucratic ineptitude and temerity of Clark County and the careless State of Nevada. In observing the next few pages, further proof substantiating grounds from page No. 1 will illustrate just how dereliction of duty added insult to injury.

The question to justice is why would David Kelly,

mix up their false allegations to the court while
misinterpreting the Nevada Revised Statutes to ruin
the life of the totally permanently disabled advocate

believe that the rich MUST get richer while the poor

MY TRUE A.K.A., WHICH THE READER OF THIS DOCUMENT
CAN OBSERVE IN THE 9th CIRCUIT OF THE DISTRICT OF NEVADA...
We are sending you this letter in both a standard print version and a large
print version. You will receive them in separate envelopes.

Good news! We are writing to tell you about a program that helps people
receiving disability benefits to go to work. It also may help people who are
already working to earn more money.

Ticket to Work and Self-Sufficiency is the name of the program. It was
established by Congress and is run by Social Security. It may help you get a
job if you want one or help you get a better job. Enclosed with this letter is
your Ticket to Work. The Ticket to Work is a very important paper that you
should keep in a safe place.

And don't worry. The Ticket to Work and Self-Sufficiency Program is
voluntary. You do not have to take part in this program to keep receiving
your disability benefits. But, if you want to work, we have many special rules
to help you. These special rules may help you keep some of your cash benefits
and will let you keep your Medicaid or Medicare coverage while you work.

How The Program Works

You can take the enclosed Ticket to Work to any of the Employment
Networks we have approved to help you or to a State vocational
rehabilitation (VR) agency. When you and an Employment Network or State
VR agency agree to work together, they will help you with services and
supports to get and keep a job.

It won't cost you anything. Social Security will pay any Employment
Network or State VR agency that helps you go to work.

And this is very important. If you are working with an Employment Network
or State VR agency and you meet certain other requirements, **we will not
begin a medical review to decide if you are still disabled.** For more
information, please read the enclosed pamphlet.

anybody else because

1 ☒ I AM NEEDED AS A WITNESS.

2 My petition raises substantial issues of fact concerning events in which I
3 participated and about which only I can testify. *See U.S. v. Hayman*, 342 U.S.
4 205 (1952) (District Court erred when it made findings of fact concerning
5 Hayman's knowledge and consent to his counsel's representation of a witness
6 against Hayman without notice to Hayman or Hayman's presence at the
7 evidentiary hearing).

8 ☒ THE HEARING WILL BE AN EVIDENTIARY HEARING.

9 My petition raises material issues of fact that can be determined only in my
10 presence. *See Walker v. Johnston*, 312 U.S. 275 (1941) (government's contention
11 that allegations are improbable and unbelievable cannot serve to deny the
12 petitioner an opportunity to support them by evidence). The Nevada
13 Supreme Court has held that the presence of the petitioner for habeas corpus
14 relief is required at any evidentiary hearing conducted on the merits of the
15 claim asserted in the petition. *See Gebers v. Nevada*, 118 Nev. 500 (2002).

16 4. The prohibition against ex parte communication requires that I be present
17 at any hearing at which the state is present and at which issues concerning the claims
18 raised in my petition are addressed. U.S. Const. amends. V, VI.

19 5. If a person incarcerated in a state prison is required or is requested to
20 appear as a witness in any action, the Department of Corrections must be notified in
21 writing not less than 7 business days before the date scheduled for his appearance in
22 Court if the inmate is incarcerated in a prison located not more than 40 miles from
23 Las Vegas. NRS 50.215(4). If a person is incarcerated in a prison located 41 miles or
24 more from Las Vegas, the Department of Corrections must be notified in writing not
25 less than 14 business days before the date scheduled for the person's appearance in
26 Court.

27 6. High Desert State Prison is located approximately
28 30-45 miles from Las Vegas, Nevada.

29 CAUSE OF DEATH = CAUSE OF ACTION
P. 4

1 7. If there is insufficient time to provide the required notice to the Department
2 of Corrections for me to be transported to the hearing, I respectfully request that this
3 Honorable Court order the Warden to make me available on the date of the
4 scheduled appearance, by telephone, or video conference, pursuant to NRS
5 209.274(2)(a), so that I may provide relevant testimony and/or be present for the
6 evidentiary hearing.

7 8. The rules of the institution prohibit me from placing telephone calls from
8 the institution, except for collect calls, unless special arrangements are made with
9 prison staff. Nev. Admin. Code DOC 718.01. However, arrangements for my
10 telephone appearance can be made by contacting the following staff member at my
11 institution: Calvin Johnson, Warden
12 whose telephone number is (702) 879-6789.

EMERGENCY MOTION FOR AN ORDER TO SUPPRESS

INCURRED EMOTIONAL DISTRESS

COMES NOW, Plaintiff-in-Error Matthew Travis Houston,
herein above respectfully moves this Honorable Court
for an ORDER to strike from the record the
fictitious documents that were served 10/28/2021 in open
court. Due to the illegally issued order of no contact
between Plaintiff-in-Error and the Defendants, this renewed
notice of demand of not less than \$666 billion⁰⁰ (thats SIX-HUNDRED
AND SIXTY-SIX BILLION DOLLARS) was not able to be served in
person. Even our late Ray Charles could have easily seen where the elements of
coersion against the Plaintiff-in-Error was put on record in
complaint 21CR 019840 making Plaintiff-in-Error
further victim of identity theft. The question for
justice is: "Why is this criminal complaint number the
same number as the Plaintiff-in-Error's year of birth?"

IN FORMA PAUPERIS:

1 Regardless of the conspiracy between Plaintiff-in-Error's identity
2 taken by LVMPD, and its psychic theory from the most
3 humble medium and its Foundation's founding member, and
4 contributing member of the Foundation for LVMPD, not
5 at anyone time did the Plaintiff-in-Error commit any
6 sort of acts of stalking or aggravated stalking or harassment of
7 the applicant or members of their family or their workplaces.

8 Stranger things have happened than an insurance
9 company blatantly lying to the courts. In fact, there
10 are numerous instances recorded in the history of law and
11 the resolution of disputes during which the insurer refused
12 to pay out on a claim and took extreme actions in avoiding
13 their responsibilities to a claimant. This element of intentional
14 gross negligence is further reinforced by the fact that pursuant
15 to the theory of evolution (science) and religious people's "beliefs",
16 females of the human species and human race, quite unfortunately
17 and all too often abuse their own children, causing disgusting
18 crimes in our society like human trafficking and the illegal drug
19 trade which in turn contributes to diseases such as alcoholism and abortion.

20 The crime of perjury is not to be ignored. It is for this
21 reason that Rosemary McMorris-Alexander and her clan of
22 thieves (the defendants) are to be held accountable for lying
23 to law enforcement, other injured workers at this court. In
24 addition, the prosecution played a major part in the role
25 of conspirator against the Plaintiff-in-Error all the while
26 hiding under the illusion of immunity. In a generation
27 where people are wearing masks in public, how can any
28 American court continue to ignore this wrongful conviction?

The following is my explanation as to why the judicial officer named in this complaint has violated the Nevada Code of Judicial Conduct or suffers from a disability.

I am [select one]: ☒ one of the litigants ☐ a witness or interested party ☐ a member of the general public who witnessed or viewed this conduct (but not otherwise involved).

The judge did the following things that I believe constitute misconduct (please be as specific as possible about the event or action and attach additional pages, if required) (NV Bar #12480)

On October 5th, 2021 the prosecution coerced Tierra Danielle Jones with accomplices not limited to Rosemary Mc-Morris-Alexander, Jonathan Shackley, Dianne Ferrante, Redenta Blacic, Benard Little, LVMPD Robert Jones, Jason Lewis, Dan Schwartz, LVMPD F. Edge, David Kelly, Montero, Anthony M. Goldstein, Karen Schwartz, Lina Sakalauskas, Jeremy Wood, Stephanie Diez, Michael P. Villani, Gene Porter, Ryan Korbaw, Scott Poisson, Jack Bernstein, Erica Tosh, and Christopher Burk to have me be wrongfully convicted a 2nd time

I feel that what the judicial officer should have done is the following (for misconduct complaints only):

Tierra Danielle Jones didn't even show up for court after October 5th, 2021 and allowed an un-named "Substitute" judge to see the Blue Jeans video court hearings that I couldn't even participate in to represent myself properly (I'm deaf and almost blind). Instead of allowing me to withdraw my unsigned and VOIDED and most illegal "GPA" that I had never even seen until post-conviction NDOC, she shouldn't have remanded me, because the motion filed October 5th was ILLEGAL. I have [select one]: ☒ appealed the judge's decision ☐ not appealed the decision ☐ have not decided yet ☐ not applicable

25 Petitioner, Matthew Travis Houston, proceeding pro se, requests

RECEIVED

JUN - 6 2022

CLERK OF THE COURT

1 In support of this Motion, I allege the following:

2 1. I am an inmate incarcerated at High Desert State Prison.
3 My mandatory release date is 9-29-2025.

4
5 2. The Department of Corrections is required to transport offenders to and
6
7 from Court if an inmate is required or requests to appear before a Court in this state.

8
9 NRS 209.274 Transportation of Offender to Appear Before Court states:

10 "1. Except as otherwise provided in this section, when an offender is
11 required or requested to appear before a Court in this state, the
12 Department shall transport the offender to and from Court on the day
13 scheduled for his appearance.

14 2. If notice is not provided within the time set forth in NRS 50.215, the
15 Department shall transport the offender to Court on the date scheduled
16 for his appearance if it is possible to transport the offender in the usual
17 manner for the transportation of offenders by the Department. If it is
18 not possible for the Department to transport the offender in the usual
19 manner:

20 (a) The Department shall make the offender available on the date scheduled
21 for his appearance to provide testimony by telephone or by video conference,
22 if so requested by the Court.

23 (b) The Department shall provide for special transportation of the offender to
24 and from the Court, if the Court so orders. If the Court orders special
25 transportation, it shall order the county in which the Court is located to
26 reimburse the Department for any cost incurred for the special transportation.

27 (c) The Court may order the county sheriff to transport the offender to and
28 from the Court at the expense of the county."

29 3. My presence is required at the hearing because:

1 ☒ I AM NEEDED AS A WITNESS.

2 My petition raises substantial issues of fact concerning events in which I
3 participated and about which only I can testify. *See U.S. v. Hayman*, 342 U.S.
4 205 (1952) (District Court erred when it made findings of fact concerning
5 Hayman's knowledge and consent to his counsel's representation of a witness
6 against Hayman without notice to Hayman or Hayman's presence at the
7 evidentiary hearing).

8 ☒ THE HEARING WILL BE AN EVIDENTIARY HEARING.

9 My petition raises material issues of fact that can be determined only in my
10 presence. *See Walker v. Johnston*, 312 U.S. 275 (1941) (government's contention
11 that allegations are improbable and unbelievable cannot serve to deny the
12 petitioner an opportunity to support them by evidence). The Nevada
13 Supreme Court has held that the presence of the petitioner for habeas corpus
14 relief is required at any evidentiary hearing conducted on the merits of the
15 claim asserted in the petition. *See Gebers v. Nevada*, 118 Nev. 500 (2002).

16 4. The prohibition against ex parte communication requires that I be present
17 at any hearing at which the state is present and at which issues concerning the claims
18 raised in my petition are addressed. U.S. Const. amends. V, VI.

19 5. If a person incarcerated in a state prison is required or is requested to
20 appear as a witness in any action, the Department of Corrections must be notified in
21 writing not less than 7 business days before the date scheduled for his appearance in
22 Court if the inmate is incarcerated in a prison located not more than 40 miles from
23 Las Vegas. NRS 50.215(4). If a person is incarcerated in a prison located 41 miles or
24 more from Las Vegas, the Department of Corrections must be notified in writing not
25 less than 14 business days before the date scheduled for the person's appearance in
26 Court.

27 6. High Desert State Prison is located approximately
28 39 miles from Las Vegas, Nevada.

1 7. If there is insufficient time to provide the required notice to the Department
2 of Corrections for me to be transported to the hearing, I respectfully request that this
3 Honorable Court order the Warden to make me available on the date of the
4 scheduled appearance, by telephone, or video conference, pursuant to NRS
5 209.274(2)(a), so that I may provide relevant testimony and/or be present for the
6 evidentiary hearing.

7 8. The rules of the institution prohibit me from placing telephone calls from
8 the institution, except for collect calls, unless special arrangements are made with
9 prison staff. Nev. Admin. Code DOC 718.01. However, arrangements for my
10 telephone appearance can be made by contacting the following staff member at my
11 institution: Calvin Johnson, Warden
12 whose telephone number is (702) 879-6789

YOU WILL NOW TAKE

that the "Defendant" has ^{politely and} repeatedly requested "DE NOVO"
since his false arrest @ DR appointment July 14th, 2021.

Now SEE
1 Taleen's concept of "(1) POINTS AND AUTHORITIES ^{it, which} are NOT to be
2 defined by fictitious STATEMENT OF THE CASE(s)" or procedural
3 errors. On September 6, 2017, MATTHEW TRAVIS HOUSTON (hereinafter "Defendant")
4 was ^{illegally} charged by way of Information with Driving and/or Being In Actual Physical Control of
5 a Motor Vehicle While Under the Influence of an Intoxicating Liquor or Alcohol (Category B
6 Felony - NRS 484C.110, 484C.400), ^{because he should have been charged w/}
7 ^{simple misdemeanor / FIRST-TIME DUI, however he was NOT driving}
8 On September 14, 2017, pursuant to Guilty Plea Agreement, Defendant pled guilty to
9 Driving Under the Influence (Category B Felony - NRS 484C.110, 484C.400, 484C.105) and
10 entered the Felony DUI Court Program. On October 31, 2018, Defendant was ^{wrongfully} terminated from
11 the DUI Court, ^{because of a bedbug infestation at Las Vegas Recovery Center.}

12 On January 10, 2019, Defendant was adjudged guilty of Driving and/or Being In Actual
13 Physical Control of a Motor Vehicle While Under the Influence of an Intoxicating Liquor or
14 Alcohol (Category B Felony - NRS 484C.110, 484C.400) and sentenced to twelve (12) to
15 forty-eight (48) months in the Nevada Department of Corrections. The Court further ordered.
16 pursuant to NRS 484C.340 and NRS 484C.460, prior to reinstatement of Defendant's driving
17 privileges, an interlock device shall be installed and inspected on his vehicle at Defendant's
18 expense for a period of twenty-four (24) months after release from imprisonment.

19 The Judgment of Conviction was filed on January 15, 2019, ^{3 years later.}

20 Defendant filed a Notice of Appeal on August 12, 2019. On September 10, 2019, the
21 Nevada Supreme Court dismissed Defendant's Appeal and Remittitur issued on November
22 26, 2019, ^{for} and ^{for} 7 years "they" have been denying his polite request
23 ^{for transcripts.} On August 12, 2019, Defendant filed a Petition for Writ of Habeas Corpus. The State
24 filed its Response on September 13, 2019. On November 26, 2019, the Court denied
25 Defendant's Petition for Writ of Habeas Corpus. The Court entered its Findings of Fact,
26 Conclusions of Law and Order on January 2, 2020, ^{after again denying his transcripts.}

27 On August 21, 2019, Defendant filed a Motion to Grant a Compassionate Release and
28 Motion for Modification of Sentence. The State filed its Response on September 13, 2019, On
29 without the production of his DISCOVERY, PLEADINGS, PROPERTY
30 or any of his transcripts while paying Taleen A. Pandakht
to publish lies on behalf of ^{2/3} the DEEP HATE OF NEVADA.

1 September 17, 2019, the Court denied Defendant's motions. The Court entered its Order on
2 September 30, 2019, because they're OBVIOUSLY being bribed by
3 SEDGWICK, ET AL.
4 On September 12, 2019, Defendant filed a Motion for Modification of Sentence. The
5 State filed its Response on September 26, 2019. On November 26, 2019, the Court denied
6 Defendant's motion. The Court entered its Order on December 23, 2019.

7 On February 20, 2020, Defendant filed a Motion for Order of Estoppel in Support of
8 Preservation of Evidence along with Motion for Order for Judge to Recuse from Case. On
9 March 17, 2020 and April 21, 2020, the State filed its Responses. On May 14, 2020, the
10 Motion for Order of Estoppel in Support of Preservation of Evidence was vacated. On May
11 26, 2020, the Court denied the Motion for Order for Judge to Recuse from Case. COVER-UP
12 "vaccinated"
13 "COVID-19"

14 On June 3, 2020, Defendant filed a Motion to Amend Conviction. The State filed an
15 Opposition on June 26, 2020. On June 30, 2020, the Court denied the motion and the Order
16 was filed on July 16, 2020, while violating every "PANDEMIC PROTOCOL".

17 On April 18, 2022, Defendant filed a Motion for Production of Complete Transcript.
18 On May 10, 2022, the Court denied the motion, after Taken R. Pandukht's attempt
19 to "rig" the system even further...
20 On May 4, 2022, Defendant filed a Motion for Order to Suppress and Notice of Demand
21 as Result of Incurred Emotional Distress. On May 19, 2022, Defendant filed a Motion for
22 Emergency Interpleadings Not Limited to Letter of Motion to Stay the Remittitur in A758861.
23 Pending Application to the Supreme Court of the United States for a Writ of Certiorari. The
24 State's Opposition now follows.

25 **OBJECTION!!** Does this officer have a name? **STATEMENT OF FACTS**
26 **OBJECTION!!** How can a truck be driving?

27 On September 20, 2016, an officer observed a truck driving at a speed of 52 mph as
28 verified by radar in a 30-mph zone. A records check revealed the vehicle's registration was
29 expired. Contact was made with the driver, who identified himself as Defendant Matthew
30 Travis Houston, and he had a strong odor of an alcohol on his person. He had bloodshot eyes,
31 charged with an infraction?
32 slurred speech and was slow in his movements. Mr. Houston stated he drank two beers an hour
33 ago and refused to complete field sobriety test stating, "I know I am drunk." He refused to
34 give consent for a sample of blood or breath. A warrant was obtained for a blood sample and
35 because he had not been in operation of ANY sort
36 of motor vehicle or "driving truck" in which a truck
37 had been "a truck driving". $\frac{3}{4}$

1 Defendant's blood contained a concentration of ethanol of 0.187 g/100ml +/- 0.007 g/100ml
2 of blood, and of course the Defendant was not charged with
3 a "speeding ticket" because he was in fact NOT
4 ARGUMENT "a truck driving"

5 Defendant has filed two (2) non-cognizable motions that do not pertain to the Judgment
6 of Conviction in this criminal case. The case number here is the criminal case number, but
7 Defendant is instead requesting civil remedies and damages. Such claims do not concern the
8 validity of the sentence or conviction itself, and thus must be dealt with separately from the
9 criminal case. Defendant cites to A-17-758861-C, which is a dismissed civil case before Judge
10 David Jones where the Nevada Supreme Court dismissed his appeal on March 30, 2022.
11 Remittitur already issued on April 25, 2022. Therefore, it appears that Defendant filed his
12 motions in the (wrong court) and this Court does not have jurisdiction. ^{OBJECTION: SLANDER, (NOW SEE) MORE LIES, DECEIT AND UNACCOUNTABILITY.}

13 Furthermore, Defendant has not offered any valid legal authority or cogent argument
14 supporting his purported claims. Defendant's claims are not sufficiently pled pursuant to
15 Hargrove v. State, 100 Nev. 498, 502, 686 P.2d 222, 225 (1984), and Maresca v. State, 103
16 Nev. 669, 673, 748 P.2d 3, 6 (1987). Indeed, a party seeking review bears the responsibility
17 "to cogently argue, and present relevant authority" to support his assertions. Edwards v.
18 Emperor's Garden Restaurant, 122 Nev. 317, 330 n.38, 130 P.3d 1280, 1288 n.38 (2006);
19 Dept. of Motor Vehicles and Public Safety v. Rowland, 107 Nev. 475, 479, 814 P.2d 80, 83
20 (1991) (defendant's failure to present legal authority resulted in no reason for the district court
21 to consider defendant's claim); Maresca v. State, 103 Nev. 669, 673, 748 P.2d 3, 6 (1987) (an
22 arguing party must support his arguments with relevant authority and cogent argument; "issues
23 not so presented need not be addressed"); Randall v. Salvation Army, 100 Nev. 466, 470-71,
24 686 P.2d 241, 244 (1984) (court may decline consideration of issues lacking citation to
25 relevant legal authority); Holland Livestock v. B & C Enterprises, 92 Nev. 473, 533 P.2d 950
26 (1976) (issues lacking citation to relevant legal authority do not warrant review on the merits).
27 Claims for relief devoid of ^{here we go with more of Taleen's lies} specific factual allegations are "bare" and "naked," and are
28 insufficient to warrant relief, as are those claims belied and repelled by the record. Hargrove
29 v. State, 100 Nev. 498, 502, 686 P.2d 222, 225 (1984). "[Petitioner] must allege specific facts

30 One specific fact is that Matthew Travis Houston was
31 NOT "a truck driving". A second specific fact is that
Defendant was in fact the passenger ^{4/5} of "a truck driving".
(5)

supporting the claims in the petition[.]...Failure to allege specific facts rather than just conclusions may cause [the] petition to be dismissed." NRS 34.735(6) (emphasis added).

Defendant's motions are basically incomprehensible and do not permit the State to intelligently respond. None of the claims Defendant raises are cogent or relevant to the Judgment of Conviction in this criminal case, and therefore, should be denied, because the state refuses to provide CONCLUSION Matthew Travis Houston with any of his transcripts.

For the foregoing reasons, Defendant's Motion for Order to Suppress and Notice of Demand as Result of Incurred Emotional Distress, and Defendant's Motion for Emergency Interpleadings Not Limited to Letter of Motion to Stay the Remittitur in A758861, Pending Application to the Supreme Court of the United States for a Writ of Certiorari must be denied.

PETITION FOR JUDICIAL REVIEW OF ^{December 6th, 2021}

This Court filed a STATEMENT OF FACTS; it was received February 17th, 2022:

It is to be known to the Court that the only reason (Houston ~~disagreed~~) for original plea negotiations after false imprisonment on July 14th, 2021 (before his appointment on July 15th, 2021 at Nevada Retina Specialists w/ Dr. Tyson Ward) was that so he could be released to search for and hopefully retrieve his trained seeing-eye dogs. Counsel failed to inform Houston of a City Jail detainer hold, then informed Houston before he had agreed to negotiations that there was NOT a city jail hold when in fact there was. Double jeopardy ref.

As Houston was never served with any summons, the traumatic events of July 14th, 2021 were and is a cruel and unusual punishment being inflicted upon Houston, what with him being denied his medical disability rating with Dr. Swagler, the impoundment of his seeing eye dog and this tragedy (forcing him to relocate from his home state of Iowa) is further cause of unnecessary hardships and eviction from his out-of-house legal advocacy (Address 435 S. Linn Street, #927, Iowa City, Iowa 52240). The overreaching tactics used by both Sedgwick and the prosecution forced Houston into an unmanageable state of duress, homelessness and imprisonment due to R. McMorris' willful omissions and when ignoring claim adjuster Dianne Ferrante's falsehoods and other crimes both civil and criminal.

1 Dianne Ferrante has caused not only further
2 injury upon Houston but has further injured other workers
3 and totally permanently disabled citizens due
4 to her mishandlements, irresponsibility, willful neglect,
5 and other schemes not limited to the illegal
6 extortion of Houston's disability claims which are
7 substantially proven by the "events" of October 1st, 2021.

8 Sedgwick and its counsel Dan Schwartz are an abatable
9 nuisance and must be held accountable for the
10 damages inflicted upon Houston and the people of
11 the State of Nevada. In regards to "events",
12 Houston has and continues to suffer from BATTERED

13 PERSONS SYNDROME as result of surviving numerous traumas
14 (other than ONE OCTOBER and his 2016 work
15 accident at Mandalay Bay Resort) including: 1. fire

16 • death of uncle Randall Schoenherr - 2019
17 while illegally incarcerated in NDOC for a dismissed case.

18 • suicide of uncle Rollie Schoenherr - 2017.

19 • divorce from abusive spouse in 2014 after learning
20 that his son was NOT his and victim of domestic violence.

21 • suicide of brother Mitchell Ryan Houston - 2014.

22 • witnessed domestic violence between his parents

24 AFFIDAVIT: DREAM JOURNAL IN RE JANUARY 26-27, 2022:

(page #4 of DIRECT APPEAL)

TO C-21-357927-1

AMENDED PETITION FOR JUDICIAL REVIEW

in re July 14th, 2021 - current date of illegal and extensive incarceration at time of this writing being on or about Thursday, January 27th, 2022, after waking up from CPTSD nightmare:

The primary factor showing the judicial biases against petitioner is the fact that Tierra James never responded to petitioner's first PETITION FOR WRIT OF HABEAS prepared while illegally incarcerated at J.L.V.C.C. during his wrongful conviction of DUT case No. C-17-323614-2, date and depth unknown due to petitioner's current false imprisonment in fish tank. This DEFAULT STATUS of the state of Nevada is further reinforced by the fact that the petitioner's drafts for a 2nd PETITION FOR A WRIT OF HABEAS CORPUS, along with the rest of petitioner's correspondence are being withheld by the Clark County Public Defender's office for no reason other than the intentional disregard for injured worker's rights. This bias is proven by numerous case history, one of which being where an industrial work accident causing workers fatality was determined by the courts to compensate only \$10,000 to the surviving family to assist in paying funeral expenses. The tragic death was of an employee of Rhino Staging and happened at MGM Grand Arena, and the case is being served a related subpoena in A-17-758861-1 Dept. 29 (and multiple complaints).

As the malicious prosecution of the state has attempted to make an example out of an honest and law abiding man, the petitioner will now illustrate to this court some accurate and truthful examples that explain how recurring nightmares effect Dave Grohl, as most surely, the family of the Rhino Staging employee is still haunted by the loss of their son.

EXHIBIT - November 25th 2021

1 At just about every Foo Fighters concert, the band
2 plays Zoli "Walk," which has some of the
3 most audacious lyrics Grohl - or anyone, really -
4 ever wrote. "Every night when he sings the line
5 "I never want to die," says Smear, "I look at
6 him every time and think of Kurt. Every
7 single time. Because Kurt was "I hate
8 myself and I want to die." And that's the
9 opposite-ness of them. And I do so love
10 being with life-lovers."

11 As it happens, Smear is correct about the
12 inspiration behind that song. "It kind of comes
13 from the day after Kurt died," Grohl says,
14 his voice a little softer than usual. "Waking
15 up that morning and realizing 'Oh, shit, he's not
16 here anymore. I am. Like, I get to wake up
17 and he doesn't. I'm making a cup of coffee.
18 And he can't. I'm gonna turn on the radio.
19 And he won't. That was a big revelation to me."

20 "I think also in life, you get trapped
21 in crisis, where you imagine there's no way out.
22 When really, if you dare to consider that 'crisis
23 a blip on the radar, it's easier to push
24 through. And yea, I was just like, 'I
25 don't want anyone to have that feeling that
26 I had that morning.'"

2 "I'm serious," Grohl says. "I don't

4 but I don't want to. That's gonna be such

5 a drag." He's silent for a rare moment, and

6 smiles, baring those battered teeth. "I'll

1 POINTS AND AUTHORITIES are not limited to the reasons listed below:

2 The day that Houston was transferred to Las Vegas
3 City Jail to face double-jeopardy charges in Las
4 Vegas Municipal Court # C1248384A and ~~#~~ C1237802A
5 shows this court the failure of counsel in communicating
6 and informing Defendant as to ALL of the terms
7 and conditions per original negotiations having
8 made VOID any and all sorts of verbal and/
9 or written agreements made between the corrupted
10 prosecution and Defendant. This further shows
11 that Defendant would not have entered any sort of
12 guilty plea to # C-21-357927-1 and would
13 have insisted upon going to trial. See
14 State v. Huebler 128 Nev. 192, 275 P. 3d
15 91, 128 Nev. Adv. Rep. 19, 2012 Nev. LEXIS 53
16 (Nev. 2012), cert denied, 568 U.S. 1147, 133 S.
17 Ct. 988, 184 L. Ed. 2d 767, 2013 U.S. LEXIS
18 1009 (U.S. 2013).

19 NRS 34.726 validates Defendant's claim of
20 ineffective assistance of counsel in that it meets
21 procedural requirements having been raised in a
22 timely petition when Defendant had requested to
23 withdraw his plea during a video court appearance
24 prior to December in which the "substitute" judge
25 had appointed Anthony M. Goldstein to represent
26 Houston in determining the prospective motion's validity.
27 Defendant was prejudiced by Bernard Little's failure
28 in applying Houston to Mental Health Court and the
29 delay to Drug Court; interview post-conviction on December 10th.

1 Defendant has been overwhelmingly prejudiced in this
2 case, especially with the initial statement made by the
3 prosecution labelling Houston as "a danger to society"
4 and when female judge Tierra Jones, after Ben Little neglectfully
5 failed to rebut the false pretences made by R.
6 McMorris, made personal comments further insulting the
7 character of the Defendant after he invoked his
8 5th Amendment rights, especially in considering the
9 fact that prior to the Defendant being in state
10 custody, he had never seen R. McMorris, in a
11 person, up close or from afar - nor had he communicated
12 with her over any sort of telephone, e-mail, listening
13 device, social media or otherwise.

14 Petitioner/defendant was denied his constitutional right to defend
15 himself without counsel when the substitute judge appointed Anthony
16 M. Goldstein. See *Hollis v. State*, 95 Nev. 664, 601 P.2d 62, 1979 Nev. LEXIS
17 637 (Nev. 1979). "unreliable" is self-explanatory, see *Buffalo v. State*, 111
18 Nev. 1139, 901 P.2d 647, 111 Nev. Adv. Rep. 127, 1995 Nev. LEXIS 125
19 (Nev. 1995). Tierra Jones and every other individual refusing to
20 take accountability for the current injustices against Petitioner
21 is guilty of violating NRS § 484.219, [renumbered to NRS 484E.010]
22 and should be charged with leaving the scene of a single accident
23 because deliberate indifference is wrong, just as R. McMorris' lies
24 she told on record were. See *Firestone v. State*, 120 Nev. 13, 83
25 P.3d 279, 120 Nev. Adv. Rep. 3, 2004 Nev. LEXIS 3 (Nev. 2004).
26 Furthermore, the credit for presentence incarceration of the
27 Petitioner is inaccurate. See *Griffin v. State* 122 Nev. 737, 137
28 P.3d 1165, 122 Nev. Adv. Rep. 63, 2006 Nev. LEXIS 70 (Nev. 2006).

1 THE FOURTH (4th) AMENDMENT OF THE CONSTITUTION (U.S.)

2 FRUIT OF THE POISONOUS TREE

3 "The 4th Amdt requires that a search and
4 seizure be pursuant to a warrant supported by
5 probable cause. Exceptions to the warrant
6 requirement under Terry include "traffic stops",
7 of which must meet Terry requirements. The 4th Amdt
8 places strict limitations on the state in its exercise
9 of power and authority." - The Crossing, by Michael Connelly.
10 Framing an injured worker for the second
11 time and interfering with official acts of the pleadings of
12 case #A-17-75 of 261-C; making false claims of
13 supposed "lifetime re-opening rights" to a
14 claim that was catastrophic in nature and
15 never was to have been closed is NOT a
16 valid exercise of constitutional authority in Nevada
17 or anywhere else in U.S.A., especially Colorado,
18 Iowa and California. Mr. Houston committed none
19 of these 'ABBRIATED STATING' offences as
20 shown on record by the alleged victim, R.
21 McMorris whom Houston has never even seen -
22 until brought to unfair hearings, has no clue as to
23 where her or her family resides, and it's perfectly
24 legal and the correct way that Houston reported
25 the SEDGWICK scams of D. Ferrante and J. Shockey
26 to LUMPED HOUSE ARRESTS; as it is Houston who is the
27 victim of their negligent scam of extortion. The state
28 government trampled on Houston's rights to be
29 protected from unlawful search and seizure, his
30 rights as an American citizen and desecrated the
31 American's With Disabilities Act, of 1993. Page #9

1 See 249 So. 2d 908, 918: This miscarriage of justice
2 is a justiciable controversy in that the dispute involves
3 legal relations of parties who have real adverse interests, and
4 upon whom judgement may effectively operate through a
5 decree of conclusive character. [which was defamed by the lies of NV Ombudsman]

6 See 155 S.E. 2d 618, 621: This dispute is NOT in any way
7 hypothetical, contingent or abstract other than the FACT
8 that insurance claim adjusters might be being paid kickbacks and/
9^{or} contingency fees to see that Houston is denied his lawful
10 indemnity which is what has happened on more than
11 one occasion since his incurring of numerous⁽²⁷⁾ catastrophic
12 injuries and multiple wrongful convictions. This court was not
13 justiciable in accepting Houston's original plea nor was it fair or
14 feasible for prosecution to conjure up the ^{information /} indictment on
15 a permanently totally disabled worker as result of the false
16 pretenses made against Houston and other injustices he has imperiously
17 suffered. The fact that this court stood with a lying worker's
18 compensation adjuster's boss is pervasive, and the continuously noticable
19 errors made by this court are extremely prejudicial to the
20 appellant, harmful in the upmost ways to him and his family^{and} his friends
21 and warrant an immediate review by the Supreme Court of
22 the State of Nevada. See 178 P. 2d 341.

23 To explain the conflict between attorney, appellant and this
24 court in both civil and criminal case(s), the Clark County
25 Public Defender's office contributed to Houston's indigent status,
26 while the history of the Las Vegas judicial system being overwhelmingly
27 biased against injured workers and their claims shows how courts
28 value the big insurance companies over the health, rights and freedoms
29 of We The People... page
#10 See Clark v. State, 108 Nev. 324 (1992)

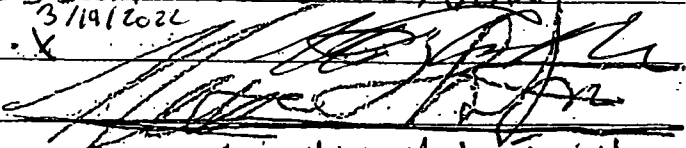

1 Petitioner-appellant was unable to telephone Anthony M.
2 Goldstein due to indigence and CCDC not allowing collect calls, nor
3 was he provided any sort of phone number to his court
4 appointed attorney's office and not visited enough by the
5 Clark County Public Defenders office. See *Young v.*
6 *State*, 120 Nev. 963 (2004)

7 To reference for further use page 2 lines 10-14, appellant
8 was subjected to double jeopardy which began before he was
9 arrested since the warrant was illegal due to the facts
10 that appellant was never served with any sort of summons
11 to the charges made against him, nor was he informed that
12 any sort of crime might have taken place, especially because
13 he did NOT reside within the jurisdiction of the State of
14 Nevada. See *State v. Blackwell*, 65 Nev. 405, 19B P.2d 280, 1948 Nev.
15 LEXIS 65 (Nev. 1948) cert. denied, 336 U.S. 939, 69 S.Ct. 742, 93
16 L. Ed. 1097, 1949 U.S. LEXIS 2642 (U.S. 1949).

17 This false imprisonment amounts to kidnapping by the fact that
18 Appellant and his trained service animals were removed from 3041
19 Saint Rose Pkwy, Henderson, NV to another place. See 174 N.E. 162, 163
20 This unlawful removal was of a substantial distance and substantial
21 time period in an isolated place for the purpose of Sedgwick obtaining
22 an award, facilitating numerous felonies not only by both harming
23 and terrorizing the Appellant. The interruptions of Appellant's
24 worker's compensation, social security and personal injury
25 litigations and advocacy is interfering with government
26 function. See Model Penal Code §212.1. The abduction being
27 purportrated by employees of Sedgwick and in coercion with law
28 enforcement has transformed the Appellant's indemnity into nothing
29 more than a Page # 11 criminal ransom demand.

1 Petitioner/Appellant did not feel comfortable with court appointed
2 counsel filing his MOTION TO WITHDRAW PLEA while in custody because
3 at a prior hearing, the previous case involved a defendant who committed
4 identity theft. What with appellant being a victim of ID theft, his duress increased.
5 This case illustrates how the State of Nevada cares not for its
6 citizens, visitors nor injured workers and shows little if no regard
7 for the health and mental/emotional security of the honest, the
8 permanently totally disabled, their work places, survivors, friends
9 and family let alone their pets and/or trained service animals. It
10 is nothing more than a ploy and a shallow attempt to recruit more
11 of the poor and unlucky into the forced slave labor camps of
12 the Nevada Division of Forestry; so that corporate welfare may
13 take advantage of the working-class while profiting off of
14 the weak and underprivileged, caring not of freedom nor for
15 the imprisoned. The malicious prosecution employed expidative
16 tactics in obtaining their wrongful convictions to obstruct not
17 only the Petitioner's entire life but they have delayed the
18 orderly process of the criminal justice system in siding with
19 an insurance scam over the true victim, that being this
20 principal and Plaintiff In Error, Matthew Travis Houston.

NOTE: If the court determines that your case may be appropriate for having pro bono counsel assigned, an appropriate order will be entered. Assignment of pro bono counsel is not automatic.

Statement of Facts. Explain the facts of your case. (Your answer must be provided in the space allowed.)

Today is April 5th, 2022. Pursuant to the "INSTRUCTIONS / NOTICE REGARDING DEADLINES" that was received after March 22nd, 2022 the appellant has 14 days from March 22nd, 2022 to submit a transcript request form requesting the transcripts of all district court proceedings that are necessary for the court's

review on appeal. The court includes the Appellant, which has properly submitted his transcript request form with the assistance of the mailbox rule. 14 days from March 22nd, 2022 would in fact be today, April 5th, 2022 to which an additional 7 days would meet the requirement that the appellant must file the docketing statement that was provided by the clerk. The transcript request forms for appeals 84417 and 84418 were mailed from MDSP on March 29th, 2022 and the docketing statements are in preparation. This informal brief is to be filed no later than 120 days from March 22nd, 2022 which would be before July 20th, 2022.

The hasty "ORDER DISMISSING APPEAL" filed March 30th, 2022 by Silver, Cadish and Pickering is without merit, especially because the Appellant has been provided NO documents by either the DISTRICT COURT or the SUPREME COURT OF NEVADA, as result of false arrest on 7/14/2021.

First and foremost is the Las Vegas Municipal relocation of their own constructions, followed up with the mailbox rule, which is of significance to ALL litigants, appellants, petitioners, appellants, pro se litigants, litigants with representation, litigants who have been appointed counsel, litigants relying upon standby-counsel, etc.

Update as of April 15th, 2022 to which the transcript request form of ~~XXXXX~~ appeal # 84477 has been sent to Eighth Judicial District Court as result of Scott Poisson, Brian P. Clark, Dan Schwartz and the rest of these clowns ruining my life for almost 6 years now. This is absolutely pathetic how the defendants have coerced the Eighth Judicial District Court into having my person falsely imprisoned and made a convicted felon in the MOST wrongful ways for the 2nd time. The question for justice is how did these defendants coerce R. McMorris into lying under oath in ways besides paying bribes?

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

There isn't any sort of belief that the district court is wrong... it's truth. If that's not the truth then why am I sitting in the state prison for the second time? It's not a "belief" that David M. Jones is a bully. He bullied me over a telephone hearing, and that must be why he's trying to keep all of this covered up. His sister or girlfriend, Tierra Danielle Jones is a bully behind the bench too.

I'm not sure if they're related, but perhaps it's coincidental? Here is my

"MOTION TO DETERMINE IF DAVID M. JONES AND TIERRA DANIELLE JONES ARE RELATED TO PREVENT ANY FURTHER PREJUDICE AND BIAS OF PLAINTIFF IN ERROR - PETITIONER - APPELLANT AND THE PLAINTIFF-IN-ERROR AS RESULT OF SECOND WRONGFUL CONVICTION"

This court gets paid to review cases, and from my observation, the Supreme Court of Nevada hasn't reversed anything other than their own biases and how to further reinforce those biases to further degrade indigent pro se appellants. It's not my fault that I'm being denied access to the Law Library. April 15th, 2022: So why is the Supreme Court of Nevada refusing my transcripts? It's not that difficult to provide the Appellant with what is rightfully his, or is it because Brian P. Clark has conned the courts of Nevada? In my life, I survived being shot during the most horrible event in American history, October 1st, 2017 and Brian P. Clark

still continues to evade justice. The Appellant once again, for the last approximately One Thousand, Nine-hundred and twenty days is still permanently totally disabled and suffering a manifest injustice as result of the defaults of not only Mandalay Bay Resort and Casino, et al Encore Events Services, FREEMAN and the IATSE Local No. 720 to the Appellant, and for some reason this court system and the State of Nevada continues to batter me. What for? Oh, look at this... (Now See Page #8)

April 18th, 2022: You will now take notice that Scott Poisson has failed to respond the notice of demand of \$3,000,000.00 to which a copy of that notice was included in these notices of appeals, pleadings and petitions to the Supreme Court of Nevada. The original was certified by the District Court in Las Vegas and forwarded to his office in a "MOTION FOR AN ORDER TO APPEAR" in February of 2022. This NOTICE OF DEFAULT is reinforced by the office of Brian P. Clark and it's withholding of the Appellant's bloodied Ropeworks harness that has been there since after September 30th, 2016. In effect, this makes the firm of Bernstein & Poisson over 5 years and 6 months in default status. Ryan Kenbow is in default \$6 million.

ONE

What's up with that conspiracy?

Does this ^{Bth Judicial} Court care about anything?

→ Brian P. Clork, you sir and the State Bar of Nevada are in default to me about \$666 billion. Y'all will be held accountable for your fraudulent negligence one of these years, but the pain is too much for me to continue writing the truth. Unlike the rest of y'all crooks. And for the love of sweet baby Jesus, quit with the withholding of my documents! You already have illegally destroyed my law office from 4355 Linn St #927 in Iowa City, Iowa 52245. Cease and desist this conspiracy between you and Dan Schwartz ASAP!

Statement of Facts. Explain the facts of your case. (Your answer must be provided in the space allowed.)

Hello again on this most unholy Easter of 2022 to which I am still being deprived of my service dogs Johnny Cash and George Lucas... This petition should be granted because C323614 was dismissed in State of Iowa and that was the first wrongful conviction and extensive incarceration that the State of Nevada has intentionally neglected compensating me for their damages inflicted me in their miscarriages of justice. See #79408.

This petition should be granted as the questions being presented are of first impression ^{and} of general statewide significance because of many more reasons than one. Does the Supreme Court of Nevada think that's okay to wrongfully convict a disabled veteran of the United States Navy, steal his service animals and kidnap him from the State of Iowa and enslave him into their debtor's prisons? According to Tierra Danielle Jones, et al this is all just fine. But it's not. The fact that three separate cases have resulted from ^{the} tragic events ~~of~~ ~~September~~ ~~20th~~ ~~2016~~ ~~September~~ ~~30th~~ ~~2016~~ ~~and~~ ~~October~~ ~~1st~~ ~~2017~~ are plenty of grounds to warrant a thorough and complete review by this court of ALL of the above mentioned cases. On this state can just continue in deliberate indifference by being bigoted and racist against me, as it always has. Is the judicial ineptitude ever going to cease and desist? This court and its bafonerous allies are in default to me by not less than \$666 billion. That's six-hundred and sixty-six billion dollars and zero cents. Because this kangaroo court obviously has no sense? Anyways, all three of these cases involve fundamental issues of state wide importance because everybody liked the Petitioner-appellant's service K9, Mr. Johnny Cash. The Eighth Judicial District Court of Clark County and their public pretenders office could have cared less about my lost dogs or the plea agreement that I never gave my express consent to, especially because I never even seen it or signed the document or made any agreements.

Even more elaborated, I never made ANY sort of retainer agreements between Bernstein and Poisson. The deposition involving Gene Porter was a hundred percent VOID under duress because there was a C/O in the room that day, ^{and since then} ~~and~~ I've not one time made any sort of communications with Scott Poisson or Ryan Kerbow. Upon this 18th day of April, 2022, Ryan Kerbow is hereby served this NOTICE OF DEMAND of not less than \$6,000,000.00 to compensate the Appellant for his endurance of inflicted damages not limited to suffering not only ONE, but TWO wrongful convictions as the result of Bernstein and Poisson's legal malpractices and gross negligence to Appellant. And again for the record I've never encountered Scott Poisson.

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

On April 11th, 2022 the Supreme Court of Nevada's Handestly, Stiglich, Herndon, Brown, Syuang and H.O.S.P. C/O Brown ^{et al} (all) committed acts of treason, intentional gross negligence, verbal assault, elder abuse, withholding evidence, conspiracy, coercion and many other crimes not limited to disability discrimination #1: By neglecting to provide a copy of NRAP 40(c) or any other valid justification of their negligent ~~neglect~~ and over-reaching tactics of torturous encouragement of death squad retaliation. #2: By encouraging institutional and systematic racism. #3: By encouraging the Petitioner-appellant to ~~engage~~ ~~engage~~ engage in non-rehabilitative activities and other forms of negative thinking. #4: Bad attitudes and verbal abuse is demonstrated by C/O BROWN.

Their encouragement to become involved with organized crime encouraged the Petitioner-appellant to order hits to be put out on Michael P. Villani, Alexis Plunkett, Tierra Danielle Jones and other bad actors not limited to anyone and everyone who lies under oath and gives false police reports like Rosemary McMorris-Alexander did. The Petitioner-appellant obviously did NOT as he is a law abiding citizen, but the question for our lady justice is,

"when will these bad actors not limited to Hardesty, Stiglich, Herndon, the Brown family and Syuang get a grip on reality and quit worshipping the idols of dereliction?"

I saw it all, in my recipe for cole slaw cookbook that I am publishing on you and the meat of the kangaroo court that tastes like KFC when the books are cooked and fried for our new lady justice of the Supreme Court of the United States of America, because the Supreme Court of Nevada will ALWAYS be the negligent State of Nevada. Especially because Rosemary McMorris-Alexander, et al are the biggest liars I've ever seen in a court room. Oh, that's right, the only time I've ever communicated with Rosemary Mc-Morris-Alexander, or whatever her name was was NEVER!

Now this Supreme Court of Nevada should really see why she made up all these lies in court. Page B-7 is omitted in honor of Service K9 JIMMY CASH. Page B-8 is omitted in honor of Service K9 Lt George Lucas. And I don't need to sign my name from page 8 because

EMERGENCY MOT. IN RE DECISION OF NO. 84281 FILED 4/5/22.**

INSTRUCTIONS: If you are an appellant proceeding pro se (without an attorney) in the Nevada Supreme Court, you must file either (1) a brief that complies with Nevada Rule of Appellate Procedure (NRAP) 28(a), or (2) a completed copy of this informal brief form, see NRAP 28(k), with the Nevada Supreme Court on or before the due date, see NRAP 31. In civil appeals, if you do not file one of these documents by the due date, the Nevada Supreme Court may dismiss your appeal. In postconviction criminal appeals, if you do not file one of these documents by the due date, the Nevada Supreme Court or Nevada Court of Appeals may decide your appeal on the record without briefing.

HOW TO FILL OUT THIS FORM: This form must be typed, unless you are incarcerated, in which case it must be clearly handwritten. You do not need to refer to legal authority or the district court record. If you are completing your brief on this form, write only in the space allowed on the form. **Additional pages and attachments are not allowed.** If typing an informal brief, you may either use the lined paper contained in this form or an equivalent number of pages of your own paper. Your brief will be stricken if you fail to follow the directions in this form and the Nevada Rules of Appellate Procedure.

WHERE TO FILE THE BRIEF: You may submit your brief for filing in person or by mail.

To file your brief in person: Briefs may be submitted for filing Monday through Friday, 8:00 a.m. to 4:00 p.m.

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
DEPUTY CLERK

To file your brief by mail: Mail the brief to the Clerk of the Supreme Court of Nevada, 201 South Carson Street, Carson City, Nevada 89701. **Your brief must be postmarked on or before the due date.**

You must file the original brief and 1 copy with the clerk of the Nevada Supreme Court. If you want the clerk to return a file-stamped copy of your brief, you must file the original form and 2 copies and include a self-addressed, stamped envelope. Documents cannot be faxed or emailed to the Supreme Court Clerk's Office.

Copies of the brief must be mailed or delivered to the other parties to this appeal or to the parties' attorneys, if they have attorneys. You must also include a proper certificate of service or complete the certificate that is attached to the informal brief form.

CAUTION: Pro se parties are prohibited from representing other parties. A pro se party may not complete a brief on behalf of other parties. Pro se parties may collaborate on their briefs, however, provided that if one brief is submitted on behalf of multiple pro se parties, each party must sign and date the brief to confirm that he or she has participated in the preparation of the brief and, by his or her signature, joins in the arguments and representations contained therein.

YOU WILL NOW TAKE NOTICE that this is not to be a "MIXED PETITION" as this counterclaim is result of interpleadings and his person in fact being the true victim of crime. By "his" we are referring to the Appellant whom is a survivor of the terrible ONE OCTOBER. He is also indigent and completely unable to serve any sort of "copies" of his pleadings due not only to the fact that they can look up all of this online, but by the fact that Radenta Elacic and Rosemary McMorris-Alexander are involved in an insurance scam to have the Appellant continuously wrongfully convicted, falsely imprisoned, illegally incarcerated and possibly murdered by prison gangs or worse.

Judgment or Order You Are Appealing. List the judgment or order that you are appealing from and the date that the judgment or order was filed in the district court.

Filed Date	Name of Judgment or Order

A-17-758861-C	HOUSTON V. MANDALAY BAY, et al	CLARK COUNTY

Pro Bono Counsel. Would you be interested in having pro bono counsel assigned to represent you in this appeal?

☒ Yes ☐ No

NOTE: If the court determines that your case may be appropriate for having pro bono counsel assigned, an appropriate order will be entered. Assignment of pro bono counsel is not automatic.

Statement of Facts. Explain the facts of your case. (Your answer must be provided in the space allowed.)

Originalist jurisprudence should not be sterile or purely mechanical. It's understanding would be more rich, and it's rules more durable, if it was informed by any sort of experience. In the case of A-17-758861-C both the EIGHTH JUDICIAL DISTRICT COURT and the SUPREME COURT OF NEVADA have contributed to damaging the Appellant by repeatedly violating NRS 11.207 by ignoring many other laws not limited to the quite significant

~~the~~ valid tolling of the statute of limitations.
Keep in mind that ^{#1} an action against an attorney to recover damages for malpractice, whether based on a breach of contract or duty, must be commenced within 4 years after the plaintiff sustains damage or within 2 years after the plaintiff discovers or through the use of reasonable diligence should have discovered the material facts which constitute the cause of action, whichever occurs earlier. ^{#2} The time limitation is tolled for any period during which the attorney conceals any act, error or omission upon which the action is founded and which is known or the use of reasonable diligence should have been known to the attorney. In this case, to which the attorneys for the respondents and the interpleaded defendants have ruined the life of the Appellant again, by acting in coercion with Sedgwick, Dianne Ferrante, Jonathan Shockley, Rosemary McMorris - Alexander and no less than 40 other accomplices to wrongfully convict the Appellant ^{causing} ~~that~~ a 2nd false imprisonment. The initial intentional gross negligence and deliberate indifference of interpleaded defendants / respondents resulted in case C-17-323614-1 against the Appellant, and now this C-21-357927-1.

Pursuant to NAAP, in C-21-357927-1, the Appellant filed his DIRECT APPEAL from fish tank with little to no resources just after Dec. 20th, 2021 as both

^{#12025}
Benard Little and Anthony M. Goldstein were to have been withdrawn as attorney of record. The Appellant also filed a pro se "EMERGENCY MOTION REQUESTING HEARING, DE NOVO, AND RELEASE TO INTENSIVE SUPERVISION" which was stamped "RECEIVED DEC 27, 2021 CLERK OF COURT" but mistakenly forwarded to the office of Anthony M. Goldstein when it should have sufficed as a "NOTICE OF APPEAL". The Appellant did not ~~not~~ intend to have appointed counsel from the onset of this case, to which there was no valid warrant as it was unsigned, there was no probable cause for the false arrest of the Appellant, and this case in its entirety is based on the false police reports and lies of Rosemary McMorris - Alexander and Radenta Blacic.

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

The question presented is one of first impression and of general statewide significance because pursuant to the law of the land, wrongful convictions and false imprisonment are in fact illegal. As is the malicious prosecution of Rosemary McMorris - Alexander, et al. The question presented to the Eighth Judicial District Court ("is Houston guilty?") which is in fact no was not even allowed to be presented to the courts because of the coercion between way too many bad actors not limited to Brian P. Clark, Scott Poisson, Tierra Danielle Jones, David M. Jones, Laura A Goodman *013390, Jack Bernstein, Scott Poisson *10188, Radenta Blacic, Christopher Burk, Jessica Flores,

Dianne Ferrante, Jonathon Shockley, L.V.M.P.D, Las Vegas City Jail, HDSP, TLVCC, SDCC, Erica Tosch, Jason Burnus, the Attorney General Aaron Ford, Sheriff Joe Lombardo, MGM, Mandalay Bay Resort and Casino Convention Center, UMC, Encore Event Services, PSAV, FREEMAN, IATSE #720, the Nevada Gaming Commission, Division of Industrial Relations, Clark County District Attorneys Steven Wolfson^{#001565}, et al. GGRM is Lisa Anderson, Ellie Roohani, Michael P. Villani, Mary K. Holthus, Melissa De La Garza, Andrew Flahive, Alex Bassett, Gene Porter, Kristina A. Rhoades^{#12480}, Anthony M. Goldstein, Dan Schwartz, Karen Schwartz (GENEX), Cassandra Diez, Jeremy Wood, Lina Sukabauskas, Roddy Scott, Lukas McCourt, Nicole Garcia, Tyler Ure, David Kelly^{#7413}, F. Edge^{#8645}, Montero^{#C6056}. Again, this first impression was made by the clerk of court of the Regional Injustice Center when they certified the Appellant's request for de novo on December 27th, 2021, which was well before the 30 day time limit from December 8th, 2021 for the Appellant to file a pro se "notice of appeal". It is in no way the fault of the Appellant that the courts are backed up, it was in no way the fault of the Appellant that riots in the prison system and at CDC caused the Appellant's mental state to make him suffer into incompetency and it was no way the fault of the Appellant that his "request for a de novo hearing" was not interpreted properly to the court as a "notice of appeal". Furthermore, it is in no way the fault of the appellant that Rosemary McMorris-Alexander is a liar.

The decision made by the Nevada Court of Appeals on April 5th, 2022 conflicted with the United States Supreme Court because pursuant to the Constitution of the United States, citizens are to be free and clear from any sort of cruel and unusual punishment. For going on 6 years now, all the courts of Nevada have been doing to the Appellant is punishing him for being a pro se litigant. This discrimination is in fact illegal and in a few more jurisdictions than the Kangaroo court of Clark County. It is hereby again demanded by the Appellant that each and every judge on the bench now take notice of the motion filed for a 2nd time electronically by the Clerk of Court of the Regional Injustice Center on April 6th, 2022 and is to be heard by District Court again on April 27th, 2022. Again, this notice of appeal was originally filed December 27, 2021. A notice of appeal is the same thing as asking the courts for a de novo hearing, and a technicality should not be the cause of extensive incarceration, false imprisonment, wrongful conviction or otherwise. This court is NOT to overlook any miscarriage of justice and it is NOT to overlook the initiative of the injured worker, or, in this case - the permanently totally disabled worker. In this case, unfortunately to the People of the State of Nevada, and all the other cases of Matthew Travis Houston, these courts and their bad actors have intentionally, deliberately and indifferently been overlooking justice and what it means, constituting an abuse of process and creating more unnecessary hardships within decision making.

This case involves fundamental issues of statewide public importance because nobody, permanently totally disabled or not, should be arrested without a valid warrant as the result of surviving a catastrophic work accident. This is absolutely a fundamental issue of statewide public importance because how many citizens of Nevada work in the convention and entertainment industry? How many of those citizens thrive in a safe and secure work environment? How many of those citizens think it's okay for an insurance company to lie to the courts and illegally withhold the injured workers' rightfully entitled benefits? How many people in the State of Nevada think that it's okay for the courts and the State Bar of Nevada to discriminate against pro se litigants and steal their service animals?

Defendant.

NOTICE OF MOTION AND MOTION

TO: The Plaintiff, The State of Nevada, by and through the Clark County
District Attorney's Office:

PLEASE TAKE NOTICE that Defendant's Motion to Obtain a Copy of a Sealed
Record (Presentence Investigation Report - NRS 176.156) will come for hearing before
the above-entitled Court on the ____ day of _____, 20__ at the hour of ____
o'clock ____ M. in Department ____ of said Court. [Leave Blank Clerk will fill-in]

COMES NOW, Defendant Matthew Houston, in proper person, and hereby
(first and last name)
submits his Motion to Obtain a Copy of a Sealed Record (Pre-Sentence Investigation
Report) on an Order Shortening Time. Defendant asks that his presence be waived at
any hearing, if any, and that this matter be submitted on the pleadings, upon receipt of
the Opposition (if any) by Plaintiff and his Reply (if an Opposition is filed).

MEMORANDUM OF POINTS AND AUTHORITIES

I. Introduction

Defendant brings the instant Motion, in proper person, in order to obtain a copy of his presentence investigation report (PSI). This report is needed in order for the Defendant to pursue:

(Circle all that may apply)

1. The appeal of his conviction;
2. The post conviction writ process;
3. Sentence modification;
4. Challenge how the NDOC is calculating his sentence;
5. For an upcoming Parole Board Hearing; or
6. For the Pardons Board.

Defendant has been directed to obtain one from the Court having first contacted both his attorney and being told that it cannot be obtained by mail from Parole and Probation and will not be furnished by the Nevada Department of Corrections. Since the legislature has made PSI's sealed records he now seeks an order unsealing same and to direct the clerk to provide him a copy.

II. Relevant Facts, Law and Argument

As stated above, Defendant needs a copy of his Pre-Sentence Investigation Report.

Defendant has attempted to obtain the report from the prison, who directed him to his attorney; and from his attorney, who then directed him to request it from the Clerk of the Court. NRS 176.156, entitled "Disclosure of report of presentence or general investigation; persons entitled to use report; confidentiality of report," provides in pertinent part as follows:

5. Except for the disclosures required by subsections 1 to 4, inclusive, a report of a presentence investigation or general investigation and the sources of information for such a report are confidential and must not be made a part of any public record.

Defendant therefore asks that this Court direct the clerk to provide him a copy of his pre-sentence investigation report from the files in Case No. C-21-357927 as it is the only source for Defendant to obtain a copy of this document. Defendant is indigent, but if the Court feels, under the facts and circumstances, that Defendant should pay for a copy of the PSI, that the amount be charged to his NDOC inmate account and the copy of the PSI be transmitted to him.

Defendant is making this Motion and requesting it be heard on an Order Shortening Time, pursuant to Local Rule 11, and in good faith, so that his request can be expedited to ensure that he is able to comply with any deadlines applicable to the proceedings in which the PSI is required as outlined in the introduction above.

III. Conclusion

THEREFORE, based upon the foregoing, Defendant respectfully requests that this Court:

1. Unseal his Pre-Sentence Investigation Report;

2. Order that the Clerk provide him a copy of his Presentence Investigation Report once it is unsealed;
3. That this matter be allowed to proceed Ex-Parte and on an Order Shortening Time; and
4. Any further and necessary relief as deemed appropriate by this Court.

"I declare under penalty of perjury under the law of the State of Nevada (NRS 53.045) that the foregoing is true and correct."

20 MOTION AND ORDER FOR TRANSPORTATION

21 OF INMATE FOR COURT APPEARANCE

22 OR, IN THE ALTERNATIVE,

23 FOR APPEARANCE BY TELEPHONE OR VIDEO CONFERENCE

24
25 Petitioner, Matthew Travis Houston, proceeding pro se, requests
26 that this Honorable Court order transportation for his personal appearance or, in the
27 alternative, that he be made available to appear by telephone or by video conference
28 at the hearing ^(s) in the instant case that is scheduled for June 9th and 13th, 2022
29 at 9 AM.

1 In support of this Motion, I allege the following:

2 1. I am an inmate incarcerated at High Desert State Prison.

3 My mandatory release date is September 2025.

4
5 2. The Department of Corrections is required to transport offenders to and
6
7 from Court if an inmate is required or requests to appear before a Court in this state.

8
9 NRS 209.274 Transportation of Offender to Appear Before Court states:

10 "1. Except as otherwise provided in this section, when an offender is
11 required or requested to appear before a Court in this state, the
12 Department shall transport the offender to and from Court on the day
13 scheduled for his appearance.

14 2. If notice is not provided within the time set forth in NRS 50.215, the
15 Department shall transport the offender to Court on the date scheduled
16 for his appearance if it is possible to transport the offender in the usual
17 manner for the transportation of offenders by the Department. If it is
18 not possible for the Department to transport the offender in the usual
19 manner:

20 (a) The Department shall make the offender available on the date scheduled
21 for his appearance to provide testimony by telephone or by video conference,
22 if so requested by the Court.

23 (b) The Department shall provide for special transportation of the offender to
24 and from the Court, if the Court so orders. If the Court orders special
25 transportation, it shall order the county in which the Court is located to
26 reimburse the Department for any cost incurred for the special transportation.

27 (c) The Court may order the county sheriff to transport the offender to and
28 from the Court at the expense of the county."

29 3. My presence is required at the hearing because:

1 ☒ I AM NEEDED AS A WITNESS.

2 My petition raises substantial issues of fact concerning events in which I
3 participated and about which only I can testify. *See U.S. v. Hayman*, 342 U.S.
4 205 (1952) (District Court erred when it made findings of fact concerning
5 Hayman's knowledge and consent to his counsel's representation of a witness
6 against Hayman without notice to Hayman or Hayman's presence at the
7 evidentiary hearing).

8 ☒ THE HEARING WILL BE AN EVIDENTIARY HEARING.

9 My petition raises material issues of fact that can be determined only in my
10 presence. *See Walker v. Johnston*, 312 U.S. 275 (1941) (government's contention
11 that allegations are improbable and unbelievable cannot serve to deny the
12 petitioner an opportunity to support them by evidence). The Nevada
13 Supreme Court has held that the presence of the petitioner for habeas corpus
14 relief is required at any evidentiary hearing conducted on the merits of the
15 claim asserted in the petition. *See Gebbers v. Nevada*, 118 Nev. 500 (2002).

16 4. The prohibition against ex parte communication requires that I be present
17 at any hearing at which the state is present and at which issues concerning the claims
18 raised in my petition are addressed. U.S. Const. amends. V, VI.

19 5. If a person incarcerated in a state prison is required or is requested to
20 appear as a witness in any action, the Department of Corrections must be notified in
21 writing not less than 7 business days before the date scheduled for his appearance in
22 Court if the inmate is incarcerated in a prison located not more than 40 miles from
23 Las Vegas. NRS 50.215(4). If a person is incarcerated in a prison located 41 miles or
24 more from Las Vegas, the Department of Corrections must be notified in writing not
25 less than 14 business days before the date scheduled for the person's appearance in
26 Court.

27 6. High Desert State Prison is located approximately
28 39 miles from Las Vegas, Nevada.

1 7. If there is insufficient time to provide the required notice to the Department
2 of Corrections for me to be transported to the hearing, I respectfully request that this
3 Honorable Court order the Warden to make me available on the date of the
4 scheduled appearance, by telephone, or video conference, pursuant to NRS
5 209.274(2)(a), so that I may provide relevant testimony and/or be present for the
6 evidentiary hearing.

7 8. The rules of the institution prohibit me from placing telephone calls from
8 the institution, except for collect calls, unless special arrangements are made with
9 prison staff. Nev. Admin. Code DOC 718.01. However, arrangements for my
10 telephone appearance can be made by contacting the following staff member at my
11 institution: Calvin Johnson Warden
12 whose telephone number is (702) 879-6789

3 On August 3, 2021, Matthew ^{Travis} Houston (hereinafter "Petitioner") was charged by way
4 of Information with Aggravated Stalking (Category B Felony - NRS 200.575). On August 4,
5 2021, Petitioner was arraigned and ^{unknowingly and involuntarily} pled guilty to the charged crime. That same day,

6 Petitioner's ~~Guilty~~ Guilty Plea Agreement (hereinafter "GPA") was filed, which was in
fact 7 unsigned, nor did it contain any sort of "express consent" of the Petitioner.
8 On October 5, 2021, Petitioner filed a Motion to Withdraw as Attorney of Record and
9 Appoint Alternate Counsel in Order for Defendant to Withdraw His Guilty Plea. However, on
10 December 6, 2021, Petitioner confirmed upon Court's inquiry that he no longer wished to
11 withdraw his guilty plea. ^{because Benard Little told him to apply to MENTAL HEALTH court} On that same date, Petitioner was sentenced to a maximum of ninety-
12 six (96) months and a minimum of twenty-four (24) months ^{illegally} in the Nevada Department of
13 Corrections (hereinafter "NDOC") with ninety-three (93) days credit for time served.

14 On December 8, 2021, the Judgment of Conviction was filed, before his "interview"
15 to DRUG COURT on December 10, 2021.

16 On January 3, 2022, Petitioner filed a Motion to Dismiss Counsel. On January 24, 2022,
17 and his DIRECT APPEAL was mailed at the same time as a "de novo" request,
18 this Court granted the Motion to Dismiss Counsel but denied his request to recuse Judge Jones

19 and denied his request for money. The Order Granting In Part, Denying In Part Defendant's

20 Pro Per Motion to Dismiss Counsel was filed on February 1, 2022. ^{Because Petitioner's}
21 ^{was hindered by ineffective aid of counsel of Benard Little et al,} First notice of appeal

22 On February 18, 2022, Petitioner filed a Notice of Appeal. On March 29, 2022,
23 ^{Actually, it was titled "DIRECT APPEAL"} Petitioner filed another Notice of Appeal to and Response to this Court's Order Granting in

24 Part, Denying in Part Petitioner's Pro Per Motion to Dismiss Counsel from February 1, 2022.

25 On March 15, 2022, Petitioner filed an Emergency Motion to Oppose Remand and
26 (which was originally received by the Clerk of Court on October 18th, 2021.)
27 Dismiss Case in its Entirety. On March 31, 2022, Petitioner filed a Notice of Motion and

28 Motion for Transcripts at the State's Expense, ^{because Benard Little, et al failed in}
providing those to the Petitioner as well.

On April 2, 2022, Petitioner filed the instant Emergency Motion for an Order to
Suppress Hearing from December 6, 2021 (hereinafter "Motion"). The State's Opposition now

follows, as evidence of its further procedural and prosecutorial errors,
and misconduct, because Petitioner filed absolutely nothing on October 5th, 21.

27 ^{Now see STATEMENT OF FACTS} which aren't really any
28 sort of facts, because the state relied on no sort of tangible evidence
or facts. The Court relied on the following factual synopsis in sentencing Petitioner, which
was based on nothing but blatant lies and heresay. This judicial and
prosecutorial misconduct violated the rights of the Petitioner-appellant.
WHEREFORE, Petitioner prays for an order to suppress that as well.

NOW SEE FREESTANDING MOTION(S):

While thanks to the delightful Miss Taleen Pandukht for bringing up the discussion of "factual innocence" versus "actual innocence", the Plaintiff-in-Error now most humbly submits this:

"FREESTANDING MOTION FOR PRODUCTION FOR PRODUCTION OF COMPLETE AND UNALTERED RECORDS FROM LVMPD HOUSE ARREST UNIT(S) IN RE MATTHEW TRAVIS HOUSTON BEGINNING SEPTEMBER 20TH, 2016 THRU OCTOBER 17TH, 2021" and "RENEWED MOTION TO SUPPRESS 'FACTUAL SYNOPSIS' RELIED ON BY THE COURT FOR SENTENCING"

MOTION TO [REDACTED] SUPPRESS [REDACTED] Contact was then made with an officer of Iowa (there is no Police Department. He stated that Mr. Houston had been Iowa Police responsible for (21) calls for service in Iowa City and that he was Dept.), so → (RENEWED) mentally unstable.

that must be a lie too... but it was not authorized by any judge, magistrate, or other court officer. A warrant of arrest was issued for Mr. Houston; and on July 14, 2021, he was arrested, transported to the Clark County Detention Center, and booked accordingly. Then, sometime after August 4th, 21, he was transported to Las Vegas City to face double-jeopardy charges in Las Vegas Municipal Court.

Petitioner's Presentence Investigation Report (hereinafter "PSI") at 5-6, which was illegal because the Petitioner never participated in any sort of interview for an accurate PSI to be completed. ARGUMENT Illegally, Benard Little pushed

a PSI made up of ERROR and lies to the courts, which was forwarded to the offices of Pittano and Fumo, CHRP# 601 LV Blvd - 89101 - P:702-623-5155

I. PETITIONER'S MOTION IS NOT THE APPROPRIATE METHOD TO CHALLENGE HIS GUILTY PLEA AFTER SENTENCING, because the prosecution thinks that it's okay to deny Petitioner's First Amendment rights. Petitioner's claims are either substantive claims or ineffective assistance of counsel

claims that challenge the validity of his guilty plea and sentence. Motion at 1-10. However,

Petitioner's ineffective assistance of counsel claims are not appropriate for the instant Motion.

Ineffective assistance of counsel claims must be raised in a Petition for Writ of Habeas Corpus.

See, NRS 34.724(2)(b); Harris v. State, 130 Nev. 435, 448, 329 P.3d 619, 628-29 (2014).

Additionally, Petitioner's substantive claims must be raised on direct appeal. NRS

(As they were well before 2/18/2022, SEE DIRECT APPEAL) Filed that day

34.724(2)(a); NRS 34.810(1)(a); Evans v. State, 117 Nev. 609, 646-47, 29 P.3d 498, 523 (2001); Franklin v. State, 110 Nev. 750, 752, 877 P.2d 1058, 1059 (1994), disapproved on other grounds, Thomas v. State, 115 Nev. 148, 979 P.2d 222 (1999).

Furthermore, Petitioner still has time to file a timely Petition for Writ of Habeas Corpus. Petitioner's Judgment of Conviction was filed on December 8, 2021. Thus, he has until December 8, 2022, to timely file a Petition within the one-year deadline. Since Petitioner can still timely file a Petition, this Court should deny Petitioner's Motion and require him to comply with the statutory rules. Requiring Petitioner to comply with the rules does not prejudice him in any way.

So making a wrongfully convicted prisoner do more time isn't prejudice? See Taleen's error on Page 2, lines # 7 and #8.
II. THIS COURT SHOULD DECLINE TO TREAT THE MOTION AS A PETITION Is Taleen's errors on record not a form of prejudice against the Petitioner?

As stated above, many of Petitioner's claims are appropriate for a Petition for Writ of Habeas Corpus. However, this Court should ~~not~~ treat the instant Motion as a Petition for Writ of Habeas Corpus because it ~~is not~~ a work in progress to meet the requirements of NRS 34.735, which states:

4. You must name as respondent the person by whom you are confined or restrained. If you are in a specific institution of the Department of Corrections, name the warden or head of the institution. If you are not in a specific institution of the Department but within its custody, name the Director of the Department of Corrections. See ~~Calvin Johnson, et al.~~

5. You must include all grounds or claims for relief you may have regarding your conviction or sentence. Failure to raise all grounds in this petition may preclude you from filing future petitions challenging your conviction and sentence.

6. You must allege specific facts supporting the claims in the petition you file seeking relief from any conviction or sentence. Failure to allege specific facts rather than just conclusions may cause your petition to be dismissed. If your petition contains a claim of ineffective assistance of counsel, that claim will operate to waive the attorney-client privilege for the proceeding in which you claim your counsel was ineffective.

Petitioner's Motion does ~~not~~ comply with ~~the~~ the above requirements outlined in NRS 34.735. Petitioner failed to name the person by whom he is confined, the Clark County Hold on Taleen, just so we know how much you care about not making errors on record, Petitioner 4 is not at CCDC is he? He is in fact @ H.D.S.P. since December 20th, 2021. Now in Behavior Mod. Unit 3D.

1 Detention Center, as Respondent. Petitioner only named the State of Nevada as the
2 Respondent, and thus fails to meet the requirement set out in NRS 34.735(4). Motion at 1.
(Now see page 16 for an updated list of defendants aka
"respondents")

3 Additionally, Petitioner failed to meet the requirement set out in NRS 34.735(5). Petitioner
4 filed another Emergency Motion to Withdraw Plea on April 13, 2022. In that Motion, he
5 outlined a new set of claims. Therefore, he clearly did not include all grounds or claims for
6 relief he had regarding his conviction or sentence and thus failed to meet the requirement of
7 NRS 34.735(5). Lastly, Petitioner fails to meet the requirement of NRS 34.725(6). Petitioner
8 fails to allege any specific facts that support the claims in his Motion. Petitioner only makes
9 conclusory claims that are not supported by any specific facts or evidence. Therefore, this
10 Court should decline to treat Petitioner's Motion as a Petition because it fails to comply with
11 multiple requirements of NRS 34.735. Or does it? Let's ask Tierra Danielle

12 Jones about Petitioner's habeas filed as result of CASE #C-17-323614-1.

13 **III. EVEN IF THIS COURT TREATS PETITIONER'S MOTION AS A PETITION,
14 IT SHOULD STILL BE DENIED TO FURTHER VIOLATE HIS
15 FIRST AMENDMENT RIGHTS. RIGHT?**

16 **A. Petitioner's References to Legal Terms are Misused and Unsubstantiated**

17 Petitioner rattles off numerous legal terms but fails to substantiate them in any fashion.
18 because the prosecution neglected reading response filed 3/29/22
19 See generally Motion. He does not tie them to any facts or evidence. As such, Petitioner's
20 various claims involving unsubstantiated legal terms are only suitable for summary denial
21 under Hargrove. Hargrove v. State, 100 Nev. 498, 502, 686 P.2d 222, 225 (1984).

22 First, Petitioner claims the District Court should take accountability for "every single
23 wrongful conviction it has caused and malicious prosecution, judicial malpractice,
24 prosecutorial misconduct, and further miscarriages of justice." Motion at 1. He further claims
25 the allegations against him were invalid "due to the extreme conflict of interest between each
26 and every individual involved." Motion at 10. However, Petitioner does not state how the
27 District Court should take "accountability" and does not give a single example of any
28 miscarriage of justice, malpractice, or misconduct. Further, he does not identify or explain any
29 of the alleged conflict of interests between any of the people involved in this case. Thus,
30 Petitioner's claims should be summarily denied under Hargrove. The courts could take
accountability by actually reading the complete 12 (twelve)
pages of DIRECT APPEAL filed 2/18/2022 and all 56 (fifty-six)
pages of REPOSE filed 3/29/22.5

1 Next, Petitioner claims he has established a "prima facie need" for this Motion based
2 on newly discovered evidence. Motion at 1. However, again, he fails to identify what evidence
3 he is referring to and how that evidence supports the claims in his Motion. Therefore, this
4 claim should also be denied because it is bare and naked. See letter from
5 Anthony M. Goldstein, it was included in original motion, and
6 Next, Petitioner claims his guilty plea was invalid because his mental issues caused an
7 it is attached again on page #13 of original motion pages 1-15.
8 "extreme" state of paranoia and feared he would suffer physical harm if he did not accept the
9 guilty plea. Motion at 5. Petitioner again fails to substantiate his claim with any evidence.
10 See page #THREE of request for hearing de novo
11 There is no evidence of any mental health issues in his Presentence Investigation Report, and
12 received 12/27/21
13 there is no evidence mental health was discussed in plea negotiations. Simply put, there is no
14 evidence Petitioner suffers from any mental health issues outside of his own self-serving
15 ineffective aid of counsel
16 statements. Thus, Petitioner's bare and naked claim should be summarily denied. If that's
17 so, then why is the Petitioner housed in BEHAVIOR MODIFICATION UNIT?
18 (3-D-42) Next, Petitioner claims his counsel's failure to present expert testimony caused a
19 miscarriage of justice and amounted to egregious professional misconduct. Motion at 9.
20 Petitioner states he did not receive competent representation because he was appointed counsel
21 because the false arrest made him indigent
22 because he is indigent, and hired counsel is "better" because their time is paid for. Motion at
23 Especially because he had intended to return Pitarro and Fumo.
24 10. He also claims his counsel violated his duty of loyalty to Petitioner. Id. Petitioner fails to
25 Benard Little and Jeremy Wood violated NRS 180.060, especially 3(a)(b)
26 support his claims with any specific facts. He does not state how his counsel violated his duty
27 and especially especially (1) and (4). He/they neglected providing testimony of
28 of loyalty, what expert testimony they should have presented, or how his representation was
29 Dr. O'Keefe, U.M.C., University of Iowa or any of Petitioner's doctors.
30 incompetent. Therefore, this claim should also be summarily denied, because of Taleen's
31 failure and/or prosecutorial misconduct in neglecting to read prior motions,
32 See 3- Lastly, Petitioner claims his guilty plea was invalid because his plea was coerced
33 29-2022
34 "under a kind of psychosis that would lead him to agree to anything while under the stress
35 caused by a state of reverential fear." Motion at 10. He also claims law enforcement coerced
36 witnesses with "over-reaching tactics." Id. Again, Petitioner fails to identify any specific facts
37 evidence that Petitioner is still moving this court to have suppressed
38 or substantiate his claims with any evidence, other than general claims of misconduct. Thus,
39 because all of it is hearsay and was obtained illegally due to factors
40 all of Petitioner's claims should be summarily denied under Hargrove. not limited to

46 POISONOUS The court shall dismiss a petition if the court determines that: TREE.

1 (a) The petitioner's conviction was upon a plea of guilty or guilty

5 (b) The petitioner's conviction was the result of a trial and the
6 grounds for the petition could have been:

7 (2) Raised in a direct appeal or a prior petition for a writ of habeas

9 The Nevada Supreme Court has held that "challenges to the validity of a guilty plea
10 and claims of ineffective assistance of trial and appellate counsel must first be pursued in post-

13 Franklin v. State, 110 Nev. 750, 752, 877 P.2d 1058, 1059 (1994) (emphasis added)
14 (disapproved on other grounds by Thomas v. State, 115 Nev. 148, 979 P.2d 222 (1999)). "A
15 court must dismiss a habeas petition if it presents claims that either were or could have been
16 presented in an earlier proceeding, unless the court finds both cause for failing to present the
17 claims earlier or for raising them again and actual prejudice to the petitioner." Evans v. State,
18 117 Nev. 609, 646-47, 29 P.3d 498, 523 (2001). Which is exactly why the

19 Petitioner filed his own "DIRECT APPEAL" which was
20 Under NRS 34.810: filed by the clerk on 2/18/2022.

21 1. The court shall dismiss a petition if the court determines that:

22 (a) The petitioner's conviction was upon a plea of guilty or guilty but
23 mentally ill and the petition is not based upon an allegation that the
24 plea was involuntarily or unknowingly entered or that the plea was
25 entered without effective assistance of counsel.

26 ...

27 unless the court finds both cause for the failure to present the
28 grounds and actual prejudice to the petitioner.

29 (emphasis added). Further, substantive claims are beyond the scope of habeas and waived.
30 NRS 34.724(2)(a); Evans v. State, 117 Nev. 609, 646-47, 29 P.3d 498, 523 (2001); Franklin

32 Thomas v. State, 115 Nev. 148, 979 P.2d 222 (1999). The Petitioner didn't "claim"
33 anything. The truth is the truth.

34 Here, Petitioner claims there was judicial misconduct, witness misconduct,
35 prosecutorial misconduct, and misconduct by law enforcement. Motion at 1, 9-10. These
36 It's just too bad that too many bad actors FAIL to recognize fact.
37 Too bad for them at least. 7

1 claims can only be raised on direct appeal, and are thereby, waived. Franklin, 110 Nev. at 752,
2 877 P.2d at 1059. Regardless, Petitioner cannot show good cause or prejudice to overcome
3 such procedural bars for the following reasons. (Because Taleen failed to
4 read Petitioners "DIRECT APPEAL" on 2-18-22 and RESPONSE on 3-29-22)
A showing of good cause and prejudice may overcome procedural bars. "To establish
5 good cause, appellants *must* show that an impediment external to the defense prevented their
6 compliance with the applicable procedural rule. A qualifying impediment might be shown
7 where the factual or legal basis for a claim was not reasonably available at the time of default."
8 Clem v. State, 119 Nev. 615, 621, 81 P.3d 521, 525 (2003) (emphasis added). The Court
9 continued, "appellants cannot attempt to manufacture good cause[.]" Id. at 621, 81 P.3d at
10 526. Examples of good cause include interference by State officials and the previous
11 unavailability of a legal or factual basis. See State v. Huebler, 128 Nev. Adv. Op. 19, 275 P.3d
12 91, 95 (2012). Some of this interference included Petitioner being
13 heard by a "substitute judge" who has yet to be named by the court.
14 Petitioner does not even attempt to demonstrate good cause because all of the facts and
15 law were available for an appeal and there was no impediment external to Petitioner. Because
16 Petitioner makes no showing of good cause, his failure to do so should be treated as an
17 admission that he cannot. District Court Rules (DCR) Rule 13(2); Eighth Judicial District
18 Court Rules (EDCR) Rule 3.20(b); Polk v. State, 126 Nev. 180, 233 P.3d 357, 360-61 (2010).

19 Neither can Petitioner show that he suffered any prejudice. In order to establish
20 prejudice, the defendant must show "'not merely that the errors of [the proceedings] created
21 possibility of prejudice, but that they worked to his actual and substantial disadvantage, in
22 affecting the state proceedings with error of constitutional dimensions.'" Hogan v. Warden,
23 109 Nev. 952, 960, 860 P.2d 710, 716 (1993) (quoting United States v. Frady, 456 U.S. 152,
24 170, 102 S. Ct. 1584, 1596 (1982)). To find good cause there must be a "substantial reason;
25 one that affords a legal excuse." Hathaway v. State, 119 Nev. 248, 252, 71 P.3d 503, 506
26 (2003) (quoting Colley v. State, 105 Nev. 235, 236, 773 P.2d 1229, 1230 (1989)). Clearly, any
27 delay in the filing of the petition must not be the fault of the petitioner. NRS 34.726(1)(a).

28 In this case, Petitioner alleges misconduct by almost every person involved in his case,
29 except for himself. Petitioner's claims are unsubstantiated and meritless. First, as stated above,

30 Hold on. Petitioner is NOT GUILTY, so why would he allege
31 "misconduct" against himself, and 8 subject himself to self-
32 incrimination? Encouraging the accused to do so is prosecutorial

1 Petitioner fails to identify any specific instances of misconduct by any of the parties he
2 (because Taleen obviously did not read the 56 page
mentions. He only rests on incantations of legal terms that are naked assertions suitable only

incantations of legal terms is an insufficient basis upon which to find prejudice substantial
5 enough to ignore Petitioner's procedural default. Moreover, Petitioner does ~~claim~~ claim
6 that he suffered ~~any~~ prejudice as a result of the alleged misconduct. Therefore, Petitioner
7 can ~~not~~ demonstrate good cause to overcome the procedural bars, ^{and} that he suffered ~~any~~

8 prejudice. As such, these ~~claims~~ claims should be ~~read~~ read or re-read by
9 Taleen Pandukht and the judge.

10 C. Petitioner's Guilty Plea was Freely and Voluntarily Entered, NOT!
Now its "complaining" that LVMPS stole ~~his~~ his dogs?

11 Petitioner complains that his guilty plea was involuntary because he was in a severe
12 state of paranoia due to being separated from his service dog, and that he was in fear of
13 physical harm if he did not accept the offer. Motion at 5. He further claims that he is a survivor
14 of 37 years of abuse by "evil forces" and was subject to the police state brutality of law
15 Petitioner being framed as an AGGRAVATED STALKER any sort
16 enforcement. Motion at 10. As stated above, these claims are bare and naked and should be
17 of offer? The Petitioner had to lie under oath just so he
18 summarily dismissed under Hargrove, 100 Nev. at 502, 686 P.2d at 225. Furthermore, they
19 could try to find his dogs, and instead of CCDC releasing him,

shows this court how Benard Little admitted on record his OWN
ineffectiveness by lying about "goal setting" on page #2 (DECLARATION)
in his MOTION TO WITHDRAW AS ATTORNEY OF RECORD FILED 10/5/21
why don't we ask Benard Little about these bare and naked claims?

19 VOLUNTARINESS OF PLEA

20 I have discussed the elements of all of the original charge(s)
21 against me with my attorney and I understand the nature of the
22 charge(s) against me.

23 I understand that the State would have to prove each element of
24 the charge(s) against me at trial.

25 I have discussed with my attorney any possible defenses, defense
26 strategies and circumstances which might be in my favor.

27 All of the foregoing elements, consequences, rights, and waiver of
28 rights have been thoroughly explained to me by my attorney.

I believe that pleading guilty and accepting this plea bargain is in
my best interest, and that a trial would be contrary to my best
interest.

I am signing this agreement voluntarily, after consultation with my
attorney, and I am not acting under duress or coercion or by virtue
of any promises of leniency, except for those set forth in this
agreement.

I am not now under the influence of any intoxicating liquor, a
controlled substance or other drug which would in any manner
impair my ability to comprehend or understand this agreement or
the proceedings surrounding my entry of this plea.

1 My attorney has answered all my questions regarding this guilty
2 plea agreement and its consequences to my satisfaction and I am
satisfied with the services provided by my attorney.

3 GPA at 5-6. Therefore, Petitioner's claims are belied by the GPA itself and his Motion must
4 be denied. *Please take notice that the Petitioner is half-deaf*
and suffers from roaring tinnitus and C.P.T.S.D.
5 Further, Petitioner's plea canvass demonstrates that Petitioner entered his plea
6 knowingly and voluntarily. During canvassing, the Court and Petitioner stated:
7 *Petitioner has absolutely NO recollection of any of this:*

8 THE COURT: And are you pleading guilty to the charge of
Aggravating Stalking?

9 DEFENDANT: Yes, Judge.

10 THE COURT: Before I can accept your plea of guilty, I must make
sure it is freely, voluntarily and knowingly entered.
11 Has anyone forced you to plead guilty?

12 DEFENDANT: No, Your Honor.

13 THE COURT: Has anyone threatened you or anyone closely
associated with you in order to get you to plead
14 guilty?

15 DEFENDANT: No, Your Honor

16 THE COURT: Is one of the reasons you are pleading guilty to this
charge is in truth and fact you are guilty of the
17 charge?

18 DEFENDANT: Yes, Your Honor.

19 THE COURT: Sir, I've got a copy of the Guilty Plea Agreement in
front of me. Did you authorize your attorney to sign
20 your name at page 6 of the agreement?

21 DEFENDANT: Yes, Judge.

22 THE COURT: Do you understand by giving that authorization you
are bound by the terms of the agreement?

23 DEFENDANT: Yes, Your Honor.

24 THE COURT: Also, by giving that authorization it is the same as if
you had signed the agreement yourself?

25 DEFENDANT: Yes, Your Honor.

26 THE COURT: And, sir, did you read the agreement or was it read
to you?

27 DEFENDANT: Read to me.

28 THE COURT: And did you understand everything that was read to
you?

DEFENDANT: Yes.

1 THE COURT: Based upon all of the facts and circumstances of

4 DEFENDANT: Yes.

5 THE COURT: Are you entering your plea freely, voluntarily, and

13 The Sixth Amendment to the United States Constitution provides that, "[i]n all criminal

16 the right to the effective assistance of counsel." Strickland v. Washington, 466 U.S. 668, 686,

25 been different. 466 U.S. at 687-88, 694, 104 S. Ct. at 2065, 2068; Warden, Nevada State
26 Prison v. Lyons, 100 Nev. 430, 432, 683 P.2d 504, 505 (1984) (adopting the Strickland two-
27 part test). "[T]here is no reason for a court deciding an ineffective assistance claim to approach
28 the inquiry in the same order or even to address both components of the inquiry if the defendant
29 makes an insufficient showing on one." Strickland, 466 U.S. at 697, 104 S. Ct. at 2069.

30 Again, this is why Taleen Pandukht should have read ALL
of the attached but previously filed pleadings, responses and
motions. But here they are 12 again, for the court too.

1 The court begins with the presumption of effectiveness and then must determine
2 whether the defendant has demonstrated by a preponderance of the evidence that counsel was
3 ineffective. Means v. State, 120 Nev. 1001, 1011, 103 P.3d 25, 32 (2004). "Effective counsel
4 does not mean errorless counsel, but rather counsel whose assistance is '[w]ithin the range of
5 competence demanded of attorneys in criminal cases.'" Jackson v. Warden, 91 Nev. 430, 432,
6 537 P.2d 473, 474 (1975). See attached "RESPONSE" filed 3/29/
2022.

7 Counsel cannot be ineffective for failing to make futile objections or arguments. See
8 Ennis v. State, 122 Nev. 694, 706, 137 P.3d 1095, 1103 (2006). Trial counsel has the
9 "immediate and ultimate responsibility of deciding if and when to object, which witnesses, if
10 any, to call, and what defenses to develop." Rhyne v. State, 118 Nev. 1, 8, 38 P.3d 163, 167
11 (2002). Again, please see attachments including 3/29/
2022.

12 Based on the above law, the role of a court in considering allegations of ineffective
13 assistance of counsel is "not to pass upon the merits of the action not taken but to determine
14 whether, under the particular facts and circumstances of the case, trial counsel failed to render
15 reasonably effective assistance." Donovan v. State, 94 Nev. 671, 675, 584 P.2d 708, 711
16 (1978). This analysis does not mean that the court should "second guess reasoned choices
17 between trial tactics nor does it mean that defense counsel, to protect himself against
18 allegations of inadequacy, must make every conceivable motion no matter how remote the
19 possibilities are of success." Id. To be effective, the constitution "does not require that counsel
20 do what is impossible or unethical. If there is no bona fide defense to the charge, counsel
21 cannot create one and may disserve the interests of his client by attempting a useless charade."
22 United States v. Cronin, 466 U.S. 648, 657 n.19, 104 S. Ct. 2039, 2046 n.19 (1984).

23 "There are countless ways to provide effective assistance in any given case. Even the
24 best criminal defense attorneys would not defend a particular client in the same way."
25 Strickland, 466 U.S. at 689, 104 S. Ct. at 689. "Strategic choices made by counsel after
26 thoroughly investigating the plausible options are almost unchallengeable." Dawson v. State,
27 108 Nev. 112, 117, 825 P.2d 593, 596 (1992); see also Ford v. State, 105 Nev. 850, 853, 784
28 P.2d 951, 953 (1989). In essence, the court must "judge the reasonableness of counsel's

1 challenged conduct on the facts of the particular case, viewed as of the time of counsel's
2 conduct." Strickland, 466 U.S. at 690, 104 S. Ct. at 2066. *See 3/29/2022.*

3 The decision not to call witnesses is within the discretion of trial counsel and will not
4 be questioned unless it was a plainly unreasonable decision. *See Rhyne v. State*, 118 Nev. 1,
5 38 P.3d 163 (2002); Dawson v. State, 108 Nev. 112, 825 P.2d 593 (1992). Strickland does
6 not enact Newton's third law for the presentation of evidence, requiring for every prosecution
7 expert an equal and opposite expert from the defense. In many instances cross-examination
8 will be sufficient to expose defects in an expert's presentation. When defense counsel does not
9 have a solid case, the best strategy can be to say that there is too much doubt about the State's
10 theory for a jury to convict. Harrington v. Richter, 131 S.Ct. 770, 791, 578 F.3d. 944 (2011).
11 "Strategic choices made by counsel after thoroughly investigating the plausible options are
12 almost unchallengeable." Dawson v. State, 108 Nev. 112, 117, 825 P.2d 593, 596 (1992).

13 Even if a defendant can demonstrate that his counsel's representation fell below an
14 objective standard of reasonableness, he must still demonstrate prejudice and show a
15 reasonable probability that, but for counsel's errors, the result of the trial would have been
16 different. McNelson v. State, 115 Nev. 396, 403, 990 P.2d 1263, 1268 (1999) (citing
17 Strickland, 466 U.S. at 687, 104 S. Ct. at 2064). "A reasonable probability is a probability
18 sufficient to undermine confidence in the outcome." *Id.* (citing Strickland, 466 U.S. at 687-89,
19 694, 104 S. Ct. at 2064-65, 2068). *Please take notice of ALL the*
20 *attachments.*

21 The Nevada Supreme Court has held "that a habeas corpus petitioner must prove the
22 disputed factual allegations underlying his ineffective assistance claim by a preponderance of
23 the evidence." Means v. State, 120 Nev. 1001, 1012, 103 P.3d 25, 33 (2004). Furthermore,
24 claims of ineffective assistance of counsel asserted in a petition for post-conviction relief must
25 be supported with specific factual allegations, which if true, would entitle the petitioner to
26 relief. Hargrove v. State, 100 Nev. 498, 502, 686 P.2d 222, 225 (1984). "Bare" and "naked"
27 allegations are not sufficient, nor are those belied and repelled by the record. *Id.* NRS
28 34.735(6) states in relevant part, "[Petitioner] *must* allege specific facts supporting the claims

3 Here, Petitioner alleges that his counsel was ineffective because he is indigent and was

18 any obligation to present expert testimony. *Petitioner did NOT make any* See Woods v. State, 114 Nev. 468, 477, 958 P.2d

20 MOTION AND ORDER FOR TRANSPORTATION

21 OF INMATE FOR COURT APPEARANCE

22 OR, IN THE ALTERNATIVE,

23 FOR APPEARANCE BY TELEPHONE OR VIDEO CONFERENCE

24
25 Petitioner, 1210652, proceeding pro se, requests

26 that this Honorable Court order transportation for his personal appearance or, in the

27 alternative, that he be made available to appear by telephone or by video conference

28 at the hearing in the instant case that is scheduled for July 16th, 2022

29 at 9AM.

CLERK OF THE COURT

RECEIVED
JUN 27 2022

1 In support of this Motion, I allege the following:

2 1. I am an inmate incarcerated at SMU + HDSP + BMU

3 My mandatory release date is September 29th, 2025.
4 NOW REFORMED + REPROGRAMMED: HDSP + BMU + SMU

5 2. The Department of Corrections is required to transport offenders to and

6
7 from Court if an inmate is required or requests to appear before a Court in this state.

8
9 NRS 209.274 Transportation of Offender to Appear Before Court states:

10 "1. Except as otherwise provided in this section, when an offender is
11 required or requested to appear before a Court in this state, the
12 Department shall transport the offender to and from Court on the day
13 scheduled for his appearance.

14 2. If notice is not provided within the time set forth in NRS 50.215, the
15 Department shall transport the offender to Court on the date scheduled
16 for his appearance if it is possible to transport the offender in the usual
17 manner for the transportation of offenders by the Department. If it is
18 not possible for the Department to transport the offender in the usual
19 manner:

20 (a) The Department shall make the offender available on the date scheduled
21 for his appearance to provide testimony by telephone or by video conference,
22 if so requested by the Court.

23 (b) The Department shall provide for special transportation of the offender to
24 and from the Court, if the Court so orders. If the Court orders special
25 transportation, it shall order the county in which the Court is located to
26 reimburse the Department for any cost incurred for the special transportation.

27 (c) The Court may order the county sheriff to transport the offender to and
28 from the Court at the expense of the county."

29 3. My presence is required at the hearing because:

1 ~~X~~ ☐ I AM NEEDED AS A WITNESS.

2 My petition raises substantial issues of fact concerning events in which I
3 participated and about which only I can testify. *See U.S. v. Hayman*, 342 U.S.
4 205 (1952) (District Court erred when it made findings of fact concerning
5 Hayman's knowledge and consent to his counsel's representation of a witness
6 against Hayman without notice to Hayman or Hayman's presence at the
7 evidentiary hearing).

8 ~~X~~ ☒ THE HEARING WILL BE AN EVIDENTIARY HEARING.

9 My petition raises material issues of fact that can be determined only in my
10 presence. *See Walker v. Johnston*, 312 U.S. 275 (1941) (government's contention
11 that allegations are improbable and unbelievable cannot serve to deny the
12 petitioner an opportunity to support them by evidence). The Nevada
13 Supreme Court has held that the presence of the petitioner for habeas corpus
14 relief is required at any evidentiary hearing conducted on the merits of the
15 claim asserted in the petition. *See Gebers v. Nevada*, 118 Nev. 500 (2002).

16 4. The prohibition against ex parte communication requires that I be present
17 at any hearing at which the state is present and at which issues concerning the claims
18 raised in my petition are addressed. U.S. Const. amends. V, VI.

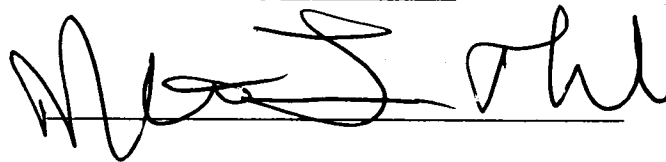

19 5. If a person incarcerated in a state prison is required or is requested to
20 appear as a witness in any action, the Department of Corrections must be notified in
21 writing not less than 7 business days before the date scheduled for his appearance in
22 Court if the inmate is incarcerated in a prison located not more than 40 miles from
23 Las Vegas. NRS 50.215(4). If a person is incarcerated in a prison located 41 miles or
24 more from Las Vegas, the Department of Corrections must be notified in writing not
25 less than 14 business days before the date scheduled for the person's appearance in
26 Court.

27 6. S.M.U. HDSP-BMU-SMU is located approximately
28 39 miles from Las Vegas, Nevada.

1 7. If there is insufficient time to provide the required notice to the Department
2 of Corrections for me to be transported to the hearing, I respectfully request that this
3 Honorable Court order the Warden to make me available on the date of the
4 scheduled appearance, by telephone, or video conference, pursuant to NRS
5 209.274(2)(a), so that I may provide relevant testimony and/or be present for the
6 evidentiary hearing.

7 8. The rules of the institution prohibit me from placing telephone calls from
8 the institution, except for collect calls, unless special arrangements are made with
9 prison staff. Nev. Admin. Code DOC 718.01. However, arrangements for my
10 telephone appearance can be made by contacting the following staff member at my
11 institution: Warden Calvin Johnson + James Scallywag
12 whose telephone number is 702-879-6789.

ORDER DISMISSING APPEALS

These are pro se appeals. Eighth Judicial District Court, Clark County; David M. Jones, Judge: Eighth Judicial District Court, Clark County; Elham Roohani, Judge.

Appellant has filed what appear to be two identical notices of appeal, one bearing a criminal district court case number, and one bearing a civil district court case number. The notices state that appellant appeals from an "Order Granting in Part, Denying in Part, Defendant's Pro Per Motion to Dismiss Counsel from 2/1/2022." To the extent appellant appeals from the February 1, 2022, "Order Granting In Part, Denying In Part Defendant's Pro Per Motion to Dismiss Counsel" entered in criminal district court case number C-21-357927-1, no statute or court rule allows an appeal from a postconviction order granting a motion to dismiss counsel, denying a motion to recuse the judge, and denying a request for money. *See Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990) (explaining that this

court has jurisdiction only when a statute or court rule provides for an appeal). To the extent appellant appeals from the "Order Denying Motion to Amend Complaint and Motion to Dismiss Counsel and Appoint Stand-By Counsel," entered on February 28, 2022, in civil district court case number A-17-758861-C, no statute or court rule allows an appeal from such an order. *See Brown v. MHC Stagecoach, LLC*, 129 Nev. 343, 345, 301 P.3d 850, 851 (2013) (this court "may only consider appeals authorized by statute or court rule"). Accordingly, this court lacks jurisdiction and

RE: Matthew Travis Houston

Dear Mr. Houston:

The above-entitled petition for writ of certiorari was postmarked May 5, 2022 and received May 16, 2022. The papers are returned for the following reason(s):

No motion for leave to proceed in forma pauperis, signed by the petitioner or by counsel, is attached. Rules 33.2 and 39. The motion must be signed.

No notarized affidavit or declaration of indigency is attached. Rule 39. You may use the enclosed form.

The petition fails to comply with the content requirements of Rule 14. A guide for in forma pauperis petitioners and a copy of the Rules of this Court are enclosed. The guide includes a form petition that may be used.

The appendix to the petition does not contain the following documents required by Rule 14.1(i):

The lower court opinion(s) must be appended.

It is impossible to determine the timeliness of the petition without the lower court opinions.

No affidavit or declaration of service, specifying the names and addresses of those served, was received. Rule 29.5.

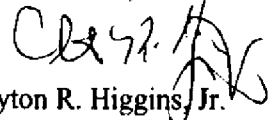

Please correct and resubmit as soon as possible. Unless the petition is submitted to this Office in corrected form within 60 days of the date of this letter, the petition will not be filed. Rule 14.5.

A copy of the corrected petition must be served on opposing counsel.

When making the required corrections to a petition, no change to the substance of the petition may be made.

Sincerely,

Scott S. Harris, Clerk

LETTER OF MOTION AND
PETITION FOR A WRIT OF ~~CERTIORARI~~ CERTIORARI
IN RE CASE NUMBER A-17-758861-C OUT OF
TO THE CLERK: CLARK COUNTY, NEVADA

Could you please help me file the attached motion?

My apologies for the informality of my
initial petition, but in addition to being indigent
and wrongfully convicted, I became permanently
totally disabled on September 30th, 2016
when I fell 40' feet and was clinically dead
for days, surviving from 3 month coma and
enough surgeries. I'm missing too many case numbers.

My name is Matthew Travis Houston and if
I had my news article(s) from Las Vegas Review
Journal they would be attached, but just google
"worker falls At Mandalay Bay Resort September
30th, 2016" and something should be on youtube,
or check my social media.

I just want my service dog Johnny Cash
back who was stolen from me before my doctor's
appointment on July 14th, 2021 by L.V.M.P.D.;
and justice obviously. For any further questions in
re \$; Please contact my power-of-attorney / caretaker,
Lucrecia Lavonna Schoenherr at (563) 321-3084 as
advocacy has one direction: forward. In our nation's
court, I do not have a case number yet, but
anything your office can ~~do~~ to assist
proceedings is appreciated.

OBJECTION? Prejudicial five side prepetitioned **ORDER DISMISSING APPEAL**

Another lame duck excuse
This is a pro se appeal. Eighth Judicial District Court, Clark County; David M. Jones, Judge.

Review of the notices of appeal and documents before this court reveals a jurisdictional defect. The notices of appeal appear to challenge (1) a motion to intervene filed in the district court on March 2, 2022, and (2) a February 28, 2022, district court order denying a motion to amend complaint and a motion to dismiss counsel and appoint standby counsel. This court "may only consider appeals authorized by statute or court rule." *Brown v. MHC Stagecoach, LLC*, 129 Nev. 343, 345, 301 P.3d 850, 851 (2013). No statute or court rule authorizes an appeal from a motion to intervene or the challenged district court order. Accordingly, this court lacks jurisdiction and *statutes and or "rules" cannot*

ORDERS this appeal DISMISSED. *authorize anything.*

INSTRUCTIONS/NOTICE REGARDING DEADLINES

TO: Matthew Travis Houston ✓
Clark McCourt, LLC \ Brian P. Clark

**PLEASE CAREFULLY REVIEW THE INFORMATION BELOW REGARDING
REQUIREMENTS FOR THIS APPEAL.**

Definitions/Terms

"NRAP" stands for Nevada Rules of Appellate Procedure, which govern procedure in the Nevada Supreme Court and Nevada Court of Appeals.

"Pro se" refers to a party acting on his or her own behalf without the assistance of an attorney.

"In forma pauperis" refers to a party who has been determined by a court to be indigent and not required to pay filing fees. Only a court can grant a party in forma pauperis status. Please see NRAP 24 for more information.

Copies of all documents sent to the court for filing must also be served on all other parties in the appeal. Such service should be made at the same time the document is sent for filing, and may be accomplished by mailing a copy of the document to the other party (if the other party has an attorney, the document should be mailed to the attorney). Please see NRAP 25(b) and NRAP 25(c). The rules do not require that copies served on other parties be file-stamped by the court.

Required Documents/Deadlines

1. Transcript Request Form

Within 14 days, appellant(s) must file in this court either (1) a transcript request form requesting transcripts of all district court proceedings that are necessary for the court's review on appeal; or (2) a certificate that no transcripts are being requested. See NRAP 9(b). The enclosed blank transcript request form may be used.

22-09023

APPELLANTS WHO HAVE NOT BEEN GRANTED IN FORMA PAUPERIS STATUS must serve a copy of the transcript request form on the court reporter/recorder who reported the proceedings and on all other parties to the appeal and must also pay an appropriate deposit to the court reporter/recorder at the time of service. NRAP 9(b)(1)(B). Upon receiving a transcript, the party who requested it must file a copy of the transcript in this court. NRAP 9(b)(1)(B).

APPELLANTS WHO ARE IN FORMA PAUPERIS should not serve a transcript request form on the court reporter/recorder, but should still file the request in this court; the court will review the request and enter an appropriate order. NRAP 9(b)(1)(C).

2. Docketing Statement

Within 21 days, all appellant(s) must file in this court a docketing statement that complies with NRAP 14. The enclosed blank docketing statement may be used.

FOR APPELLANTS WHO ARE IN FORMA PAUPERIS, the requirement that supporting documents be attached to the docketing statement may be waived.

3. Brief or Informal Brief Form

Within 120 days, appellant(s) must file in this court either (1) a brief that complies with the requirements in NRAP 28(a) and NRAP 32; or (2) the "Informal Brief Form for Pro Se Parties" provided by the supreme court clerk. NRAP 28(k) and 31(a)(1). Failure to file a brief or informal brief form by the deadline may result in dismissal of the appeal. NRAP 31(d)(1).

Appendices/record

Pro se parties are not permitted to file an appendix to their briefs unless ordered to do so by this court. NRAP 30(i). If the court's review of the complete trial court record is necessary, the court will direct the district court to transmit the record. Pro se parties are not required to cite the record in their briefs, but are encouraged to do so if possible. See NRAP 28(e)(3).

Responses to Pro Se Documents

Opposing parties are not required to respond to documents, including briefs, filed by a pro se party unless ordered to do so by this court. The court generally will not grant relief without providing an opportunity to file a response. See NRAP 46A(c).

NOTE: If the court determines that your case may be appropriate for having pro bono counsel assigned, an appropriate order will be entered. Assignment of pro bono counsel is not automatic.

Statement of Facts. Explain the facts of your case. (Your answer must be provided in the space allowed.)

Today is April 5th, 2022. Pursuant to the "INSTRUCTIONS / NOTICE REGARDING DEADLINES" that was received after March 22nd, 2022 the appellant has 14 days from March 22nd, 2022 to submit a transcript request form requesting the transcripts of all district court proceedings that are necessary for the court's

review on appeal. The court includes the Appellant, which has properly submitted his transcript request form with the assistance of the mailbox rule. 14 days from March 22nd, 2022 would in fact be today, April 5th, 2022 to which an additional 7 days would meet the requirement that the appellant must file the docketing statement that was provided by the clerk. The transcript request forms for appeals 84417 and 84418 were mailed from HDSP on March 24th, 2022 and the docketing statements are in preparation. This informal brief is to be filed no later than 120 days from March 22nd, 2022 which would be before July 20th, 2022.

The hasty "ORDER DISMISSING APPEAL" filed March 30th, 2022 by Silver, Cadish and Pickering is without merit, especially because the Appellant has been provided NO documents by either the DISTRICT COURT or the SUPREME COURT OF NEVADA, as result of false arrest on 7.14.2021.

First and foremost is the Las Vegas Municipal relocation of their own, constructions, followed up with the mailbox rule, which is of significance to ALL litigants, appellants, petitioners, appellants, pro se litigants, litigants with representation, litigants who have been appointed counsel, litigants relying upon standby-counsel, etc.

Update as of April 15th, 2022 to which the transcript request form of ~~XXXXX~~ appeal # 84477 has been sent to Eighth Judicial District Court as result of Scott Poisson, Brian P. Clark, Dan Schwartz and the rest of these clowns ruining my life for almost 6 years now. This is absolutely pathetic how the defendants have coerced the Eighth Judicial District Court into having my person falsely imprisoned and made a convicted felon in the MOST wrongful ways for the 2nd time. The question for justice is how did these defendants coerce R. McMorris into lying under oath in ways besides paying bribes?

Statement of District Court Error. Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

There isn't any sort of belief that the district court is wrong... it's truth. If that's not the truth then why am I sitting in the state prison for the second time? It's not a "belief" that David M. Jones is a bully. He bullied me over a telephone hearing, and that must be why he's trying to keep all of this covered up. His sister or girlfriend, Tierra Danielle Jones is a bully behind the bench too.

I'm not sure if they're related, but perhaps it's coincidental? Here is my

"MOTION TO DETERMINE IF DAVID M. JONES AND TIERRA DANIELLE JONES ARE RELATED TO PREVENT ANY FURTHER PREJUDICE AND BIAS OF PLAINTIFF IN ERROR - PETITIONER - APPELLANT AND THE PLAINTIFF-IN-ERROR AS RESULT OF SECOND WRONGFUL CONVICTION"

This court gets paid to review cases, and from my observation, the Supreme Court of Nevada hasn't reviewed anything other than their own biases and how to further reinforce those biases to further degrade indigent pro se appellants. It's not my fault that I'm being denied access to the law library. April 15th, 2022: So why is the Supreme Court of Nevada refusing my transcripts? It is not that difficult to provide the Appellant with what is rightfully his, or is it because Brian P. Clark has conned the courts of Nevada? In my life, I survived being shot during the most horrible event in American history, October 1st, 2017 and Brian P. Clark

still continues to evade justice. The Appellant once again, for the last approximately One Thousand, Nine-hundred and twenty days is still permanently totally disabled and suffering a manifest injustice as result of the defaults of not only Mandalay Bay Resort and Casino, et al Encore Events Services, FREEMAN and the IATSE Local No. 720 to the Appellant, and for some reason this court system and the State of Nevada continues to batter me. What for? Oh, look at this... (Now See Page #8)

April 18th, 2022: You will now take notice that Scott Poisson has failed to respond the notice of demand of \$3,000,000.00 to which a copy of that notice was included in these notices of appeals, pleadings and petitions to the Supreme Court of Nevada. The original was certified by the District Court in Las Vegas and forwarded to his office in a "MOTION FOR AN ORDER TO APPEAR" in February of 2022. This NOTICE OF DEFAULT is reinforced by the office of Brian P. Clark and it's withholding of the Appellant's bloodied Ropeworks harness that has been there since after September 30th, 2016. In effect, this makes the firm of Bernstein & Poisson over 5 years and 6 months in default status. Ryan Kerbow is in default \$6 million.

What's up with that conspiracy?
Does this ^{8th Judicial} Court care about anything?

→ Brian P. Clonk, you sir and the State Bar of Nevada are in default to me about \$666 billion. Y'all will be held accountable for your fraudulent negligence one of these years, but the pain is too much for me to continue writing the truth. Unlike the rest of y'all crooks. And for the love of sweet baby Jesus, quit with the withholding of my documents! You already have illegally destroyed my law office from 435 S. Linn St #927 in Iowa City, Iowa 52245. Cease and desist this conspiracy between you and Dan Schwartz ASAP!

Statement of Facts. Explain the facts of your case. (Your answer must be provided in the space allowed.)

Hello again on this most unholy Easter of 2022 to which I am still being deprived of my service dogs Johnny Cash and George Lucas... This petition should be granted because C323614 was dismissed in State of Iowa and that was the first wrongful conviction and extensive incarceration that the State of Nevada has intentionally neglected compensating me for their damages inflicted me in their miscarriages of justice. See #79408.

This petition should be granted as the questions being presented are of first impression ^{and} of general statewide significance because of many more reasons than one. Does the Supreme Court of Nevada think that's okay to wrongfully convict a disabled veteran of the United States Navy, steal his service animals and kidnap him from the State of Iowa and enslave him into their debtors prisons? According to Tierra Danielle Jones, et al this is all just fine. But it's not. The fact that three separate cases have resulted from ^{the} tragic events ~~of~~ ~~September~~ ~~20th~~ ~~2016~~ ~~September~~ ~~30th~~ ~~2016~~ ~~and~~ ~~October~~ ~~1st~~ ~~2017~~ are plenty of grounds to warrant a thorough and complete review by this court of ALL of the above mentioned cases. On this state can just continue in deliberate indifference by being bigoted and racist against me, as it always has. Is the judicial ineptitude ever going to cease and desist? This court and its bafonerous allies are in default to me by not less than \$666 billion. That's six-hundred and sixty-six billion dollars and zero cents. Because this kangaroo court obviously has no sense. Anyways, all three of these cases involve fundamental issues of state wide importance because everybody liked the Petitioner-appellant's service K9, Mr. Johnny Cash. The Eighth Judicial District Court of Clark County and their public pretenders office could have cared less about my lost dogs or the plea agreement that I never gave my express consent to, especially because I never even seen it or signed the document or made any agreements.

Even more elaborated, I never made ANY sort of
retainer agreements between Bernstein and Poisson?
The deposition involving Gene Porter was a hundred
percent VOID under duress because there was a
c/o in the room that ^{and since then,} ~~days~~ I've not one
time made any sort of communications with Scott
Poisson or Ryan Kerbow. Upon this 18th day of April,
2022, Ryan Kerbow is hereby served this NOTICE OF
DEMAND of not less than \$6,000,000.00 to compensate
the Appellant for his endurance of inflicted damages
not limited to suffering not only ONE, but TWO
wrongful convictions as the result of Bernstein and
Poisson's legal malpractices and gross negligence to Appellant.
And again for the record I've never encountered Scott Poisson.

Statement of District Court Error. Explain why you believe the district
court was wrong. Also state what action you want the Nevada Supreme Court
to take. (Your answer must be provided in the space allowed.)

On April 11th, 2022 the Supreme Court of Nevada's Hardesty,
Stiglich, Herndon, Brown, Syuang and H.O.S.P. C/O Brown ^{et al} (all)
committed acts of treason, intentional gross negligence, verbal
assault, elder abuse, withholding evidence, conspiracy, coercion
and many other crimes not limited to disability discrimination
#2: By neglecting to provide a copy of NRAP 40(c) or any
other valid justification of their negligent ~~neglect~~ and
over-reaching tactics of torturous encouragement of death
squad retaliation. #2. By encouraging institutional and systematic
racism. #3 By encouraging the Petitioner-appellant to ~~engage~~
engage in non-rehabilitative activities and other forms
of negative thinking. #4. Bad attitudes and verbal abuse is
demonstrated by C/O BROWN.

of the Petitioner-appellant
Their encouragement ^{and} to become involved with organized crime encouraged the Petitioner-appellant to order hits to be put out on Michael P. Villani, Alexis Plunkett, Tierra Danielle Jones and other bad actors not limited to anyone and everyone who lies under oath and gives false police reports like Rosemary McMannis-Alexander did. The Petitioner-appellant obviously did NOT as he is a law abiding citizen, ^{and} ~~but~~ the question for our lady justice is,

"when will these bad actors not limited to Hardesty, Stiglich, Herndon, the Brown family and Syuang get a grip on reality and quit worshipping the idols of dereliction?"

I saw it all, in my recipe for cole slaw cookbook that I am publishing on you and the meat of the kangaroo court that tastes like KFC when the books are cooked and fried for our new lady justice of the Supreme Court of the United States of America, because the Supreme Court of Nevada will ALWAYS be the negligent State of Nevada. Especially because Rosemary McMannis-Alexander, et al are the biggest liars I've ever seen in a court room. Oh, that's right, the only time I've ever communicated with Rosemary Mc-Mannis-Alexander, or whatever her name was was NEVER!

Now this Supreme Court of Nevada should really see why she made up all these lies in court. Page B-7 is omitted in honor of Service K9 Johnny Cash. Page B-8 is omitted in honor of Service K9 Lil' George Lucas. And I don't need to sign my name from page 8 because
