IN THE SECOND JUDICIAL DISTRICT COURT OF THE STATE OF NEVADA  
IN AND FOR THE COUNTY OF WASHOE

RODERICK STEPHEN SKINNER, Case No.: CR14-0644  
Petitioner, Dept. No.: 8

v.

WARDEN OLSEN, NNCC,  
NEVADA ATTN Y GENERAL, ET AL.,  
Respondents.

**ORDER DENYING PETITIONER'S PETITION FOR WRIT OF FACTUAL  
INNOCENCE PURSUANT TO NRS 34.960(2)**

Before the Court is Respondents' *Response to Court's Order: 1) Holding  
Petition in Abeyance; 2) Directing State to Respond; and 3) Striking Request for  
Submission* filed January 2, 2024. This *Response* was filed in reply to the Court's  
*Order* entered November 21, 2023. Petitioner Roderick Stephen Skinner thereafter  
filed a *Response to State's Filing as Ordered by This Court* on January 31, 2024. The  
matter was then taken under submission by the Court.

1 Pursuant to NRS 34.960(4), the Court will conduct a preliminary analysis of  
2 Petitioner's *Petition for Writ of Factual Innocence* filed November 3, 2022, in line  
3 with the requirements set forth under NRS 34.960(2), to better assist the State in a  
4 potential substantive *Response*.<sup>1</sup>

### 5 **PROCEDURAL HISTORY**

6 Petitioner Roderick Stephen Skinner ("Petitioner") is currently serving a  
7 term of life imprisonment with the possibility of parole after five (5) years in the  
8 Nevada Department of Corrections.<sup>2</sup> Petitioner appealed this conviction on October  
9 7, 2014, alleging the District Court abused its discretion by sentencing him to  
10 prison rather than placing him on probation. The Nevada Court of Appeals rejected  
11 this argument and affirmed the judgment of conviction.<sup>3</sup>

12 Petitioner filed his first *Writ of Habeas Corpus (Post Conviction)* on July 13,  
13 2016, perfecting it with a verified petition on October 7, 2016. The State filed a  
14 Court-ordered answer on November 22, 2016. Petitioner was appointed counsel on  
15 February 6, 2017, and filed a *Supplemental Petition for Writ of Habeas Corpus (Post*  
16 *Conviction)* on January 12, 2018. The State answered this *Petition* on February 26,  
17 2018.

18 On September 26, 2019, the Court held an evidentiary hearing on these two  
19 *Petitions* and entered an *Order Denying Petition for Writ of Habeas Corpus* on  
20 October 9, 2019. Petitioner again appealed, and the Nevada Court of Appeals  
21 affirmed this Court's decision on February 11, 2021.<sup>4</sup> Petitioner sought review of  
22

---

24 <sup>1</sup> The Court acknowledges the State's *Response* filed January 2, 2024, and  
25 appreciates the helpful nudge in alerting the Court to its oversight regarding the  
26 review of *Petitions for Factual Innocence* under NRS 34.960 and NRS 34.970 when  
27 issuing its original *Order*.

28 <sup>2</sup> Petitioner pled guilty and was convicted of one felony count of Promotion of a  
Sexual Performance of a Minor, Age 14 or Older, on May 27, 2014.

<sup>3</sup> See *Skinner v. State*, Docket No. 66666-COA.

<sup>4</sup> See *Skinner v. Baca*, Docket No. 79981-COA.

1 this decision with the Nevada Supreme Court, which ultimately denied the petition  
2 for review on June 30, 2021.<sup>5</sup>

3 Petitioner filed his second *Writ for Habeas Corpus (Post-Conviction)* on March  
4 29, 2022, which was stricken and properly re-filed on April 4, 2022. Months later,  
5 Petitioner filed a third *Writ for Habeas Corpus (Post-Conviction)* on November 15,  
6 2022. The State moved to dismiss these two filings, which the Court did on June 9,  
7 2023.<sup>6</sup>

8 Separately, on November 3, 2022, Petitioner filed a *Petition for Writ of*  
9 *Factual Innocence*, followed by a *Motion for Judicial Action on Petition* filed July 20,  
10 2023. On September 25, 2023, Petitioner prematurely submitted this matter for  
11 review, however, the Court entered an *Order 1) Holding Petition in Abeyance; 2)*  
12 *Directing State to Respond; and 3) Striking Request for Submission* on November  
13 21, 2023. The State submitted its *Response* to this Court's *Order* on January 2,  
14 2024.

### 15 LEGAL AUTHORITY

16 Petitions for factual innocence are governed by NRS 34.960 and NRS 34.970.<sup>7</sup>  
17 Prior to ordering a response to a *Petition for Factual Innocence*, NRS 34.960  
18 requires district courts to determine whether the Petition meets “minimum  
19 threshold requirements, and to issue an order specifying which allegations in the  
20 Petition might establish bona fide factual innocence.”

21 Specifically, the court is guided in its review of the Petition by NRS 34.960(4),  
22 which in relevant part states:

23 *4. The court shall review the petition and determine whether the petition*  
24 *satisfies the requirements of subsection 2. If the court determines that the*  
25 *petition:*

---

26 <sup>5</sup> See *Skinner v. Baca*, Docket No. 79981.

27 <sup>6</sup> Petitioner's appeal regarding the dismissal of these two Writs is currently pending  
28 before the Nevada Supreme Court. See *Skinner v. State*, Docket Nos. 86846 and  
86893.

<sup>7</sup> These statutes were passed as Assembly Bill 356 (AB356) during the Nevada  
Legislature's 2019 session.

1           (a) Does not meet the requirements of subsection 2, the court shall  
2           dismiss the petition without prejudice, state the basis for the dismissal  
3           and send notice of the dismissal to the petitioner and the prosecuting  
4           agency.

5           (b) Meets the requirements of subsection 2, the court shall determine  
6           whether the petition satisfies the requirements of subsection 3. If the  
7           court determines that the petition does not meet the requirements of  
8           subsection 3, the court may:

9                   (1) Dismiss the petition without prejudice, state the basis for the  
10                  dismissal and send notice of the dismissal to the petitioner and  
11                  the prosecuting agency; or

12                  (2) Waive the requirements of subsection 3 if the court finds the  
13                  petition should proceed to a hearing and that there is other  
14                  evidence that could have been discovered through the exercise of  
15                  reasonable diligence by the petitioner or the petitioner's counsel  
16                  at trial, and the other evidence:

17                           (I) Was not discovered by the petitioner or the petitioner's  
18                           counsel;

19                           (II) Is material upon the issue of factual innocence.

20           Under NRS 35.970, if the court chooses not to dismiss a petition after  
21           reviewing and analyzing it under NRS 34.960, the court shall order the prosecuting  
22           agency to file a response. In its order, the court must:

23                   (a) Specify which claims identified in the petition warrant a response  
24                   from the prosecuting agency; and

25                   (b) Specify which newly discovered evidence identified in the petition, if  
26                   credible, might establish a bona fide issue of factual innocence.

27           If the court determines that a petition meets the requirements of NRS  
28           34.960(2) and (3), NRS 34.970(1) guides in the next steps of ordering the named  
          prosecuting agency to file a response to the petition. The State argues this

analytical breakdown of the *Petition for Factual Innocence* is mandated under these statutes, and the Court agrees.<sup>8</sup>

### **DISCUSSION**

The Court will now conduct a preliminary analysis of Petitioner's *Petition for Factual Innocence*.

Before reaching this analysis under NRS 34.960(4), the statute first contemplates reviewing the *Petition* to determine whether it satisfies the requirements set forth in NRS 34.960(2). The *Petition* must contain an assertion of factual innocence under oath by the petitioner, and must assert with supporting affidavits or other credible documents that:

- (a) *Newly discovered evidence exists that is specifically identified and, if credible, establishes a bona fide issue of factual innocence;*
- (b) *The newly discovered evidence identified by the petitioner:*
  - (1) *Establishes innocence and is material to the case and the determination of factual innocence;*
  - (2) *Is not merely cumulative of evidence that was known, is not reliant solely upon recantation of testimony by a witness against the petitioner and is not merely impeachment evidence; and*
  - (3) *Is distinguishable from any claims made in any previous petitions;*
- (c) *If some or all of the newly discovered evidence alleged in the petition is a biological specimen, that a genetic marker analysis was performed pursuant to NRS 176.0918, 176.09183 and 176.09187 and the results were favorable to the petitioner; and*
- (d) *When viewed with all other evidence in the case, regardless of whether such evidence was admitted during trial, the newly*

<sup>8</sup> See NRS 0.023(d); see also *Barral v. State*, 131 Nev. 520, 523, 353 P.3d 1197, 1198 (2015); *Nev. Pub. Emps. Ret. Bd. v. Smith*, 129 Nev. 618, 627, 310 P.3d 560, 566 (2013).

1                   *discovered evidence demonstrates the factual innocence of the*  
2                   *petitioner.*

3           In review of the *Petition*, the Court finds that the filing does not contain  
4 newly discovered evidence demonstrating Petitioner's factual innocence. *See* NRS  
5 34.960(2)(d). Petitioner asserts two primary grounds for relief based upon "credible  
6 and newly discovered evidence readily identifiable" per NRS 34.930: (1) questioning  
7 the credibility of the State's expert witness, former Washoe County Sheriff Sergeant  
8 Dennis Carry; and (2) the weight of defense expert Tammy Loehrs' testimony at  
9 Petitioner's evidentiary habeas corpus hearing held on September 26, 2019.

10          Petitioner believes Sergeant Carry's extracurricular activities (separate from  
11 his testimony and actions in this matter) warrant scrutiny due to his dishonesty  
12 which may have mislead the Court. Petitioner further believes Ms. Loehrs'  
13 testimony was substantive, exculpatory in nature, and had questioned the State's  
14 case-in-chief.

15          As it relates to the first claim for relief, the Court declines to find that  
16 Sergeant Dennis Carry's separate actions, occurring outside of the instant  
17 proceedings, in any way affected Petitioner's final disposition. Simply, there is no  
18 discernable correlation between the two. Additionally, the Court believes this does  
19 not fall under "newly discovered evidence" which would ultimately demonstrate the  
20 factual innocence of Petitioner. *See* NRS 34.960(2)(a). While the prosecution relied  
21 on Sergeant Carry's disposition at the evidentiary hearings in this matter, his  
22 independent personal conduct in unrelated matters have no legal relation.

23          Further, the Court believes there is no new evidence relating to Petitioner's  
24 second claim for relief. Defense expert Tammy Loehrs had testified at Petitioner's  
25 evidentiary habeas corpus hearing in September of 2019. The Court believes no new  
26 evidence was presented during this hearing and that if anything, this evidence  
27 seems to fall in line with NRS 34.960(2)(b)(2) in that it is known evidence which is  
28 cumulative in nature and indistinguishable from previous claims. Petitioner pled  
guilty in this matter in 2014, and no new evidence has been provided which would  
require deviation from that initial guilty plea and sentence.

**CONCLUSION**

After review of the *Petition* under NRS 34.960, the Court believes no new evidence has been presented by Petitioner to demonstrate his factual innocence. As such, the *Writ for Factual Innocence* is **DENIED**, and the State is not required to respond.

**IT IS SO ORDERED.**

**DATED** this 28<sup>th</sup> day of February, 2024.

**ARRAIGNMENT**

Deputy District Attorney, Zelalem Bogale, represented the State.  
Defendant present with counsel, Christopher Frey, Esq.  
Probation Officer, Thomas Wilson, also present.  
Defendant handed a copy of the Information; indicated to the Court that name as set forth on same was his true name; waived reading and entered plea of guilty to Promotion of a Sexual Performance of Minor, Age 14 or Older as set forth therein.

**TRUE NAME: RODERICK STEPHEN SKINNER**

Counsel Frey recited negotiations to the Court. He indicated the Defendant would enter a plea guilty in this matter and upon sentencing the State would dismiss CR13-1601, the matter would be free to argue and no additional charges would be filed as a result of the incident. He further noted the Defendant understood the victims in the matter would be allowed to present a victim impact statement and also understood the matter carried a possible life sentence and a minimum of five (5) years needed to be served before a possible parole consideration. He further noted the Defendant understood this would require lifetime supervision and also that probation was possible. Counsel Bogale agreed with the representations of Counsel Frey, but noted a psychosexual risk assessment would need to be completed and possible probation would depend on the results of the assessment. Defendant sworn and fully canvassed by the Court as to his rights. State's counsel set forth the elements of the offense charged. Possible penalty for offense charged stated to Defendant. Court accepted plea after finding that the Defendant was freely, voluntarily and competently entering such plea and had been fully advised by counsel.

**COURT FURTHER ORDERED:** Matter continued for entry of judgment, consideration of probation report and imposition of sentence.  
Defendant remanded to the custody of the Sheriff.

DATY Neahusan addressed and advised the Court that he does not intend to supplement any briefing. DATY Neahusan further advised that the defense does have a proposed resolution that he needs to discuss with the State.

DDA Naughton suggested that the case continues to proceed with briefing on the Motion to Dismiss and, if there is a resolution, the parties can notify the Court. DDA Naughton requested that the Court formally lift the stay and the State will submit on the Motion to Dismiss.

**The Court** is not inclined to appoint Sean Neahusan, Esq. on the Defendants other matters.
