Memorandum of Legal Points and Authorities

within this Motion is Requested to address with purpose ~~my~~ argument Point, Case and Provide a clear understanding of the situation and Grave Injustices to a State of Montana Militia member of the State of Nevada the Montana Freeman, Requesting a Grand Jury Indictment to be Filed against the State of Nevada. This is a Peaceful and Legally Supported argument and Plaintiff Is acting on the best Interest of the People and Community her arguments and Authority to Make this Challenge and Redress of Government in her own Case she is able to clearly establish a Massive Treasure Trove of deep rooted Corruption, Laws being Ignored and Manipulated. Your Honor the Constitution Law and the Courts Are on my Side, because I Simply am Right and in my Work I have held my oath while incarcerated and was bound by oath as a Militia Member I Could not disclose my involvement and stature in the Militia until recently and that to would have impacted the Case. All I ask is that this Honorable Court and Judge will See My Truth and Good works that have been done by me in the name of Justice and Community work to Further the Development of a Functioning and Working Society. What the State of Nevada Charged me with is exactly what I work to prevent and, always have with the exception of this Case which is why this Court shall and should be the Court that is Presented with these Facts. I never want Justice Denied especially to victims of Sex crimes and Thus Far Justice is being Denied to victims in Nevada.

Memorandum of Legal Points and Authority

1 (a) Ground ONE: Defendant provides a brief argument to the
2 Challenge of a Second Amendment violation and Authority
3 of a State Militia Defendant. Submits her argument in
4 Support of this as Exhibit 1 Defendant Further moves

5 Supporting FACTS (Tell your story briefly without citing cases or law): This Honorable Court

19 State of Nevada.

20 4. Defendant arguments are valid legally supported
21 and has unarguable challengeable Claims. And acts
22 in good Faith her arguments are Made and based
23 upon Fact, Knowledge, and belief and She as a Militia
24 member of the State of Montana asserts She acts in
25 the best interest of the people and Communities and that
26 Plaintiff actions As well as its Representatives of
27 the State of Nevada do not and Furthermore that the
28 Case she will bring forth in her challenge and Government

Memorandum of Points and Authorities

1 (b) Ground TWO: Redress Leads directly to The AG's and
2 DA's Offices. This gives Defendants a Chance to
3 Confront her abusers and allows the Plaintiff(s) a
4 Opportunity to Represent there state, and defend themselves
5 Supporting FACTS (Tell your story briefly without citing cases or law.): 5, Defendant argues
6 that Prior to Filing a Militia Challenge She has in
7 Fact exhausted all available Remedies and has in
8 Fact Given Every Venue and Office Court Law Enforcement
9 Every Chance to Stop and Prevent Me From Repeated
10 Sexual assaults by housing Defendant in Male Prisons
11 with Convicted Male Sex offenders and Forbade her
12 to Report it or Complain with Fierce Retaliation and
13 Further Punishment and Torture threw Brutal Rape,
14 The vast violations and Injustices Crimes Committed
15 and Law violated in Defendants extensive legal
16 Cases and Investigations Into the Corruption in
17 Nevada Primarily in the Prison System but its state
18 wide its Deeply Rooted Corruption. Gives Plaintiff(s)
19 no right to Torment nor harass there victims
20 Defendant and a Sentence of Torture by Rape is
21 Excessive Punishment and the Punishment imposed
22 threw my JOC says nothing about being Raped as a
23 Form of Punishment. Rape and and Sex crimes have
24 no place in Society, and Plaintiff(s) have clearly been
25 in Crimes and Party or Privy to the wrong's violations
26 of law and Failed to Perform there sworn Duties and
27 oath threw hate and Bias and a Manipulation of Law
28 and Policy to Fit there own needs and desires over

Memorandum of Legal Points and Authorities

1 ~~(c) Ground THREE~~ The People Can not go without retire and
2 an avenue to take legal Recourse to Challenge and
3 Confront these Crimes and injustices head on hear
4 and now its very clear that its needed Defendant

5 ~~Supporting FACTS (Tell your story briefly without citing cases or law.)~~ has attached Further
6 Documentation in Support of her argument as Exhibit
7 B Exhaustion of Relief that includes all available
8 or obtainable Relief have in Fact been exhausted. She
9 has in Fact gone above and beyond.

10 6.) Defendant asserts she is Female with a Birth Defect
11 and Hormone deficiency that she knows exactly who and
12 what she is. Plaintiffs use Male Pronouns misgendering
13 Defendant. Defendants argue procedural Bars do not apply
14 in this Case For obvious Reasons and Defendant Can Provide
15 Many Reasons why if the Court Requires.

16 7.) Defendant Submits Exhibit C here affidavits
17 and Sworn Declaration in Support of her arguments
18 and to Establish a Documented History of a long standing
19 Sentence and Punishment of Rape against the Defendant
20 and the efforts she has in Fact made to try and
21 not only Take action to protect her own Dignity and
22 Honor and Vanity from being violated but others as well
23 Work she actively Pursued to Protect the People and
24 victims From these abusers and to Provide Help
25 to victims to help them become Survivors. Its going
26 to be shown that Defendant has in Fact Endured a Tremendous
27 amount of abuse and torment and Was and will continue
28 to be victimized by Plaintiff in this Case.

Memorandum of Legal Points and Authorities

(4) Ground FOUR: 8.) Defendant is being held under a illegal sentence now that she's been Forced knowingly to Endure Repeated Sexual victimization Plaintiffs have and Continue till now to address and Fix the problem. Intervine and

Supporting FACTS (Tell your story briefly without citing cases or law.): Provide victim services, But they didn't because They Wanted and Intended on and were dead set on having and or allowing the violations to continue. Defendant Filed a lawsuit and settled that lawsuit while she was being housed in out of state Confinement, when she Returned to Nevada she again Made it very clear that she was in Fact a woman and needed to be housed safely and appropriately at the women's Prison FMCWCC with the Rest of the women but she was denied these safeguards and protection. Women and Men are housed Separately to protect them from violence at the hands of Men, Defendants assert Plaintiff should have a understanding of Right and wrong and the law? Therefore it is clear that then housing Defendant in a male prison Guarantees Sexual abuse and violence against her by male prisoners and a sentence of a Endless Cycle of abuse and violence. Your Honor I would also like to present her argument Further in Case *Trost v. Childers et al.* 3:22-CV-00383-MMD-CLB Specifically Documents motions Filed as Reconsideration of Valid Legitimate and Legally supported motions, EFC [34][35][37] and two, Response to Defendants Answer to Plaintiffs Second Amended Complaint.

9.) Defendant Argues if Plaintiffs Cant protect her then

Memorandum of Legal Points and Authorities

How Can they protect others in the Community, They choose not to and I denied me to be able to defend herself therefore with all available means of Protection Denied to Defendant she has a Right Duty and obligation to call on her state Militia. To defend and protect one of there own From Nevada Prison and Government officials violations and abuse, Defendant Requests that she be released and allowed to Return Home to Continue her oath and Commitment to Community Work.

10.) Defendant Needs This Honorable Court to see her Truth and Sincerity of her Situation and need For her work and Service In the Community and to the People she has a unique Perspective and understanding of Law, Arguments are valid legitimate and she Prays have Compelled this Court to agree that she has in Fact Paid a Debt to Nevada. She However will continue to pay her Debt threw her work For the Rest of her life to advocate and Fight For Justice For Survivors and help victims become Survivors. I'll never Deny Justice to a victim of a crime. The Same Cannot be Said For Plaintiffs.

Thank you to the Court.

Preserving the Principles

A* "... I am Committed against every thing which, in my Judgment, May weaken, endanger, or destroy [the Constitution]... and especially against all extension of Executive power; and I am committed against any attempt to rule the Free people of this Country by the Power and the Patronage of the Government itself...."

- Daniel Webster

- Daniel Webster

C* "In questions of power, then, let no more be heard of Confidence in man, but bind him down From mischief by the chains of the Constitution."

- Thomas Jefferson

D* "I First saw the Constitution of the United States in a Foreign Country.... I read it with great satisfaction, as the result of good heads prompted by good hearts, as an experiment better adapted to the genius, character, situation, and relations of this nation and Country than any which had ever been Proposed.... - Benjamin Franklin

B*. "our Constitution was made only For a moral and religious People. It is wholly inadequate to the government of any other."
- John Adams

C*. "The sum of all is, if we would most truly enjoy the gift of Heaven, let us become a virtuous people; then shall we both deserve and enjoy it while, on the other hand, if we are universally vicious and debauched in our manners, though the Form of our Constitution carries the Face of the most exalted Freedom, we shall in reality be the most abject slaves."
- Samuel Adams

D*. "Of all the dispositions and habits which lead to political

Prosperity, religion and morality are indispensable supports. In vain would that man claim the tribute of patriotism who should labor to subvert these great pillars of human happiness, these firmest props of the duties of men and citizens... let it simply be asked, where is the security for property, for reputation, for life, if the sense of religious obligation desert the oaths which are the instruments of investigation in Courts of Justice?"

- George Washington Farewell Address

Ex. "All tyranny needs to gain a foothold is for people of good conscience to remain silent." - Thomas Jefferson

Educating the People

A* "A well-instructed people alone can be permanently a Free People." - James Madison

B* "A primary object... should be the education of our youth in the science of government. In a republic, what species of knowledge can be equally important? And what duty more pressing... than communicating it to those who are to be the future guardians of the liberties of the country?" - George Washington

C* "I know of no safe depository of the ultimate powers of [a] society but the people themselves; and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them, but to

- Thomas Jefferson

D*. "Say... whether peace is best preserved by giving energy to the government, or information to the people. This last is the most certain and the most legitimate engine of government, Educate and inform the whole mass of the people, Enable them to see that it is their interest to preserve peace and order, and they will preserve them. And it requires no very high degree of education to convince them of this. They are the only sure reliance for the preservation of our liberty."

- Thomas Jefferson

E*. "The good sense of the people will always be found to be the best army. They may be led astray for a moment, but will soon correct themselves."

- Thomas Jefferson

Mission Statement

Searches and Seizures shall not be violated, And no Warrant shall issue, But upon Probable Cause, Supported by oath or Affirmation, And Particularly Describing the Place to be Searched, and the Persons or things to be Seized,

A,* Its Importance as a protection against Tyrannical government is self-evident,

B,* The origins of the Fourth Amendment are Found in some of the Grievances the American Colonies had against their British rulers. It was not uncommon for Judges to issue orders (called "writs of assistance") permitting general searches for evidence of Tax evasion, as well as for evidence of Treason. The Militia hereby Evokes the Fourth Amendment for a writ of Assistance permitting a Peaceful Search of all Government Officials whom the Militia deems necessary to continue to further prove evidence of Treason, Corruption, War Crimes, etc. That Government officials are clearly and Blatently in violation of showing "Probable Cause." Warrantless searches and seizures have been sustained in a variety of circumstances where probable cause exists, including:

1. Where an emergency makes it difficult to secure a warrant and the crime is significant, not minor,

Mission Statement

- D.* Therefore, The Militia being Reasonable acting in Good Faith on behalf of the People Request Joint Authority and be issued a Warrant having a Clear Showing of Probable Cause For the Reasonable Search and Seizure of all Government Entities within the United States. As well as Classified Black sites The Militia is the Proper Authority to execute these Search Warrants to Address the Peoples Grievances and Redress and Try To Salvage and Clean up your Governments Messes.
- E.* The Militia Argues Here and now that, the Militia Is in Fact the Highest Authority with the exception of the People whom the Militia Represents throughout all of the United States Sworn Under Oath to Serve the people in Good Faith. Facts are Facts the Militias argument is Completely Supported by the United States Constitution and by the People.
- F.* Consequences of an Illegal Search and Seizure
"the imperative of Judicial integrity." Courts should not become accomplices in any willful disobedience of a Constitutional Command.
- G.* A exclusionary rule serves three purposes to deter unreasonable searches and seizures by removing any police incentive to engage in this illegality, and to

Mission Statement

assure that government will not profit from its unlawful behavior.

Our Mission is to Restore Trust and Integrity to Government Through Transparency.

* People are more likely to trust their government if they have assurance that government will abide by the Rules.

* A well Regulated Militia, Educated and under Lifetime Oath and Declaration to Serve the best Interests of the people, educated in the need to respect civil liberties, may be the best ~~and~~ guarantee that the Fourth Amendment will be honored.

5.) The Fifth Amendment

No Person shall be held to answer for a Capital, or otherwise Infamous Crime, Unless on Presentment or Indictment of a Grand Jury, except in Cases Arising in the Land or Naval Forces, or in the Militia, when in actual Service in time of War or public Danger, nor shall Any Person be Subject for the same offense to be twice put in Jeopardy of Life or Limb, Nor shall be Compelled in Any Criminal Case to be a Witness Against himself, Nor be Deprived of Life, Liberty or Property, without Due Process of Law, Nor shall Private Property be taken for Public Use without

Mission Statement

Just Compensation,
A* Grand Jury Indictments

Two Reasons lie behind it. First, the Crown was concerned that powerful people in the Community might be lawbreakers and that the Culprits might be too influential to be charged with crime. To meet that concern the Crown sought the assistance of knowledgeable people in the Community who would be courageous enough to make the charge. Second, to guard against the risk that persons be improperly charged with a crime, laws required that the charge be reviewed first by a group of knowledgeable people in the Community.

*B. Grand juries have power to order people to appear and testify, and authority to require searches and further investigations

*C. It should stand clear to everyone that there have been egregious violations of all five of the Amendments of our Constitution thus far by Government abuse of power. That crimes including Torture have in fact been committed in total faith by the Government currently controlled by powerful people in our Government too influential to be charged with a crime and the laws having been taken from the people, the Community. Due to their voice being spoken through Grievances to Senate and Assembly who themselves are in fact part of the problem and not being courageous enough to make the charge. Otherwise

Request for Information

Dear Ms. Meadows:

The Office for Civil Rights (OCR), Office of Justice Programs, U.S. Department of Justice (DOJ), has received the complaint of discrimination you initially filed with the DOJ's, Disability Rights Section on September 22, 2021, against the Nevada Department of Corrections (DOC). In your complaint you allege that the DOC has discriminated against you based on sex, specifically gender identity as you identify as transgender. In your complaint you allege that while housed at the North Nevada Correctional Center you were raped. You further assert that for your safety you were then transferred to the Lovelock Correctional Center but, then sexually assaulted by a mental health staff counselor. You also allege that the DOC has not complied with PREA guidelines when assessing and making your housing assignments and thus, has failed to ensure your safety. Further, you allege that the DOC has not properly responded to your PREA-related complaints and that the DOC is retaliating against you for filing said complaints. Since filing your initial complaint with the DOJ, we understand that your housing assignment has changed, and you are now housed at the High Desert State Prison.

The OCR is responsible for enforcing laws relating to discrimination on the basis of race, color, national origin, religion, sex, disability, or age by recipients of Federal financial assistance. The OCR's jurisdiction is limited to the civil rights laws it enforces, including Section 504 of the Rehabilitation Act of 1973 (Section 504), Title II of the Americans with Disabilities Act of 1990 (ADA), and the DOJ regulations implementing these laws.

Subject: concerning Ms. Daisy Lynn Meadows

Hey Deb,

I hope that you are well.

I am writing in regards to Ms. Daisy Lynn Meadows, whose legal name is Roy Trost (#1027585). Daisy contacted us at JDI recently requesting assistance, explaining that she has been held in protective custody for well over a month after reporting sexual abuse (she believes this has been done in retaliation for her seeking help). She told us that she does not understand why she could not remain in general population, as she was no longer at risk from the perpetrator, who was in a different unit. She believes that the safest living arrangement for her is to be in general population at her current facility. In keeping with 115.68, a survivor's time in involuntary protective custody should not typically exceed 30 days, and should last only until an alternative means of keeping them safe and separating them from the abuser can be determined; and per 115.43(e), a transgender person's view of what housing arrangement is safe for them must be taken into serious account. Additionally, Daisy reports that she has experienced a longstanding pattern of sexual abuse and retaliation while in DOC custody. With these considerations in mind, we would encourage you to ensure that Daisy is returned to general population at her facility immediately.

Thank you,

Cynthia.

Subject: Re: concerning Ms. Daisy Lynn Meadows

Good afternoon,

After receiving the allegation, which initially included more than one aggressor with no identification of who they were, inmate Trost was placed in involuntary protective segregation due to a threat of imminent safety and security. We are in unprecedented times which resulted in a surge of COVID-19 throughout the agency over the last two months. This included the assigned criminal investigator being placed on quarantine status and the facility was addressing housing issues stemming from the outbreak at the facility. So based on these exigent circumstances, inmate Trost was held in this status. Recently with the wave of COVID-19 reducing at the facility, inmate Trost will be moved to another facility for her safety. This move will place I/m Trost back into a general population housing and a case by case review will be completed, all other placement options will be considered. This will be the best possible option for the safety and security of inmate Trost.

Thank you

AFFIDAVIT OF Mrs Daisy Lynne Meadows

COUNTY OF CLARK)

TO WHOM IT MAY CONCERN:

I, Daisy Lynne Meadows, the undersigned, do hereby swear that all the following statements and description of events, are true and correct, of my own knowledge, information, and belief, and to those I believe to be true and correct. Signed under penalty of perjury pursuant to NRS 208.165.

(1) THAT My Name is Daisy Lynne Meadows aka Harley Quinn #1027585 I am an inmate housed at High Desert State Prison, P. Box 650 Indian Springs, NV 89076 I have been incarcerated since May 23rd 2008 under Nevada sentencing laws

2.) While incarcerated I Endured a Tremendous amount of violence and Sexual victimization between 2011 and 2017 approx 54 Sexual Assaults.

3.) In June 2017 I was Transferred to Idaho state Prison In Idaho as well Despite protests that I was in fact a Female Rape and Trauma victim having Severe PTSD and a need or urgency to be housed safely and appropriately at Penatelli Womens Correctional Center and even after receiving Clinical treatment and a Medical Change to Female although I assert that I've always been Female I underwent a various amount of Medical Treatment and Psychiatric treatment. In Idaho I endured again a Tremendous amount of Sexual victimization between June 2017 then

1 Nov 2019. When I was as a Female Sent Back to Nevada
2 Custody.

3 4.) Nov 2019 Back in Nevada Custody Prison officials aware
4 of my status as a Female Rape and Trauma victim and
5 strong protest and argument to be housed at FPDWCC I was
6 Denied these Requests or Measures to Protect me.

7 5.) I have in fact Endure Extreme Hardship and Severe
8 Harsh Punishment while in Nevada Male Prisons and out
9 of state in Idaho. I've established a clear case in Multiple lawsuits
10 attached that Prison officials Knew, and were aware not only that
11 I would be sexually abused but there would be no end to it and
12 that it would get worse Inmates being allowed to repeatedly abuse
13 me openly without Punishment. Even having Prison officials tell
14 me That I deserved to be Raped and Knowingly Intentionally
15 Putting me into positions to be abused.

16 6.) The eighth Amendment Says Punishment should be proportionate
17 to the offense, and that Punishments that are "degrading", or
18 are "Wantonly imposed" are Forbidden. Wantonly imposing
19 a Female inmate into Male Prison is degrading and as is the
20 same said for sexual abuse Excessive Cruel and Unusual Punishments
21 not Proportionate to the offense. Clearly violating My 8th Amendment.

22 FURTHER, AFFIANT SAYETH NAUGHT.

15 Appointment of Attorney and an Opposition to Defendant's Motion to Withdraw Plea. On
16 May 23, 2023, the court denied Defendant's Motion for Appointment of Attorney and Motion
17 to Withdraw Plea. On May 31, 2023, the Court filed a Finding of Facts, Conclusion of Law
18 and Order for Defendant's Motion for Appointment of Attorney and Motion to Withdraw Plea.

19 On June 28, 2023, Defendant filed a Petition for Writ of Habeas Corpus ("Petition").

23 On July 6, 2023, Defendant filed an unopposed Motion to Change Gender Sex/Marker
24 in Judgement of Conviction. On July 27, 2023, this Court granted the Motion. An Amended
25 Judgment of Conviction, reflecting Defendant's new name, was filed on August 9, 2023.

26 On September 27, 2023, Defendant filed the instant Motion to Compel Court to Deliver
27 Justice in Favor of Defendant. The State responds as follows.

28 //

1 **ARGUMENT**

2 **DEFENDANT REQUESTS RELIEF THAT IS BEYOND THIS COURT'S**
3 **JURISDICTION**

4 Defendant alleges that she is being subject to heinous abuse in prison, and that she has
5 been misgendered and housed in the incorrect facility. These complaints concern her
6 conditions of confinement, rather than the validity of her conviction or sentence. See Bowen
7 v. Warden of Nevada State Prison, 100 Nev. 489, 490, 686 P.2d 250, 250 (1984) (finding that
8 a claim of punitive segregation concerned the conditions of confinement and not the validity
9 of that confinement). Consequently, this Court lacks the authority to address these allegations,
10 and the District Attorney's Office is not the correct agency to respond to or address these
11 allegations.

12 This Court does not have the authority to consider allegations regarding conditions of
13 confinement that are unrelated to a defendant's sentence. A court is limited in the actions it
14 may take in a criminal case in which the defendant is currently serving a sentence. A motion
15 to modify a sentence or to correct an illegal sentence may be considered by a sentencing court,
16 but may only be granted in a narrow range of circumstances. See Edwards v. State, 112 Nev.
17 704, 707, 918 P.2d 321, 324 (1996). A court may consider a post-conviction habeas relief, but
18 habeas claims are limited to challenges as to the conviction or sentence, not conditions of
19 confinement. See NRS 34.724(1); Bowen v. Warden of Nevada State Prison, 100 Nev. 489,
20 490, 686 P.2d 250, 250 (1984) ("a petition for writ of habeas corpus may challenge the validity
21 of current confinement, but not the conditions thereof."). There is nothing in Nevada case law
22 or statute which grants a court with jurisdiction over a criminal matter authority to issue orders
23 related solely to the defendant's confinement conditions and not to that defendant's conviction
24 or sentence.

25 Furthermore, any allegation concerning conditions in the Nevada Department of
26 Corrections, whatever legal form it takes, must be responded to by the Attorney General, as
27 the legal representative of the Nevada Department of Corrections. See NRS 228.110. Such
28 claims do not concern the validity of the sentence or conviction itself, and thus must be dealt

1 with separately from the criminal case. The District Attorney's Office cannot respond to these
2 allegations, as they concern an entity it does not represent.

3 Defendant requests other relief from this Court it cannot grant. This Court cannot order
4 a grand jury indictment to be filed against the State of Nevada. Nor can this Court remove an
5 individual prosecutor from this case and order that the criminal case be assigned to the
6 Attorney General Aaron Ford and District Attorney Steven B. Wolfson. This Court also cannot
7 order Defendant's release from prison based on an allegation concerning conditions of
8 confinement.

9 To the extent Defendant alleges her sentence is illegal, she is mistaken. It is the alleged
10 abuse she has sustained during her confinement to which she objects, not her actual sentence.
11 She has been sentenced to a prison term, one that does not exceed the statutory maximum or
12 the sentencing court's jurisdiction. See Edwards, 112 Nev. at 707, 918 P.2d at 324.
13 Accordingly, her sentence is not illegal.

14 The State in no way wishes to undermine the seriousness of Defendant's allegations. If
15 Defendant is experiencing the claimed sexual abuse, then the situation should be remedied.
16 But this Court does not have jurisdiction over these allegations simply because it has
17 jurisdiction over Defendant's conviction and sentence. Nor is the District Attorney's Office
18 the appropriate agency to respond to these allegations. Legally-recognized procedures for such
19 situations include administrative remedies, civil lawsuits, or civil rights complaints. These
20 allegations must be dealt with separately from the criminal case. Accordingly, the State
21 requests the instant Motion be denied.

1. Dear Mr. Lands,

This is my Second letter to your office a Follow up letter to what I sent last week, this letter is to advise you, The Office of the Attorney General Cannot Legally Represent the State of Nevada when the State openly violates State and Federal laws and are in open violations of Color of State law. additionally the open law violations I will clearly outline to My Constituents in Montana as well as the Senators and Gov here in Nevada. Considering the Severity of the Criminal acts Intentionally carried out against me by state actors, Defendants in this case as well as other Cases, you are Required by law oath and Duty to Protect the Integrity of the Office of the Attorney General and therefore shall turn over all State Evidence to the United States Attorney Generals Office Immediately. The State of Nevada Needs lawful and Ethical Representation and your office Cant Provide that if you Representing them and Defending the States Defendants From Criminal Prosecution or Civil Rights violations as a Result of Criminal acts to Defend the State of Nevada against Me goes against the People and Everything State officers are Deligated of Providing Servicest and Ensuring Integrity of the Office(s) of your state Government and Legislation.

2.

The Sooner you Realize and Can accept Defeat We Can Move Forward, My Patient is wearing thin, Every day that Passes I am Further violated as a Victim and now Survivor of Extensive abuse at the hands of your clients Including Torture by Rape and its True, and you know it its that obvious and Blatent I have Treasure trove upon Treasure Trove of Proof of Evidence Secured, and if you dont Play Ball youll likely See it at your own Criminal Trial Even a Middomer Conviction disqualifies this state and Defaults on technicalities the Freemasons and Montana Freeman Judge Roy Ludwig and Sheriff Rich Schmitt and Sheriff Pete Christensen in Montana taught me law the spirit of Freedom Protecting Liberty, I can just about quote the Constitution (s) Ya Ive Seen the others.

Being who I really am I cannot Turn a blind Eye to the Corruption lies and cover ups the crimes Committed by State actors against the People Ive never Seen a More Failed System of Government, you do not have a working Government you have a Complete System Failure Top to Bottom My own Trail leads directly back to your office and Former Governor Steve Sisolak Your Fighting against Letting me Fix and Repair your Broken System Restore Government and Integrity to your officers. So that you Can Take Care of the People of your state?

There is a real problem and real threats

3.

Developing in this world, your weakening your state why put your people at risk why doesnt anyone care about there Communities anymore Im disgusted in what I see I never in a Million Years would have conceived having to defend and argue for the people against this obvious of a Partied Government So Resistant to Real help.

I want you to understand one clear Fact, where Im from what I say goes and nobody questions my actions or my word if I say something its a statement of Material Fact, I shouldnt have to say more to persuade you into Treading Careful moving Forward and Stop Using Ray Trust Ive notified very few people of my Situation here in Nevada and if the wrong person sees that name and figures out what has been done to me here in Nevada by the State of Nevada it will upset a lot of people and it will become a Political nightmare and my name is Daisy Lynne Meadows I am in fact a Female Im a Montana Militia member of the Montana Freeman a lifetime appointed position I have a Horse Ranch and Hunting lodge in Central Montana, I also ran a Horse Therapeutic Kids Camp.

Im trying to reason with you and your state before you force me into Issuing a Militia Challenge on behalf of the People of the State of Nevada

4.

I took an oath to Protect and Defend Montana its borders, its People, but Nevada Cant be allowed to go unchecked For the wrong things they've inflicted against there own people For Personal Greed Money Power and Possession.

I assure you I need no help I need not call on anyone I have People here in your own state that Can and are willing to help. Regardless of what your office is in Fact Guilty of or Involved with, I'm willing to Forgive, if you are, however we May Never Forget and Can Never allow it to happen again IF you'll work with me, and I hope Gov Lombardo to Fix and Repair the Damage done and Really help the People of your state Stop Saying what your doing and just do it do your Jobs and Follow Your oaths You all should know Right From Wrong, this is your state out and only Chance it will get and its only because of my Personal Duty Responsibility and oath I've now taken For the People of Nevada a Personal Debt I owe to my victims, a Debt that Can Never be Paid in Full but I'll Spend the Rest of my life Dedicated to Paying that Debt and Trying to Serve and Deliver Justice to Survivors, The Sexual assault Survivor Bill of Rights Just Passed here in Nevada I havent seen the language of it yet, but its a start.

Every day that goes by is more people getting hurt more people in need, Please let me out

5.

Asap So I can get to work, you cant expect any more of a break you literally tortured me by Rape because I deserved it, Personally I may not disagree with you But its illegal as hell. Dont worry you want to Secure and Fix your Criminal Justice System and especially your prisons well that's where I excell Im hard on crime and know how a Real Working System work. And Both Sides Trust believe and have Faith in me, Honestly besides my Detriment, throw it, it Can help alot of People alot of work needs to be done and Your state needs Gov. Lombardo For at least one more election I admire and Respect what Ive Seen I support his efforts, hes Fighting against a stacked Deck trying to help the People of the state, and the state is Fighting against him and holding him up. I dont give credit to many People but you have to give credit when credit is due. Ive always known I would be going up against a stacked Deck so I made Sure to hold my Cards close and I held the wild Cards, I knew how to play my hand well and this is where I lay my hand down Declaring a Sweeper spewing Five aces Taking Both high and low, Check and Mate Game over. Now let us work together to Help the People in Both our states and Lead the Path in showing Direction and True leadership to the other states. This is me at my worst beaten down and broken imagine me at my best. Ive

6.

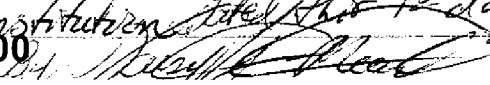

never Even been allowed to be me or do my Greatest I wont abuse my Power Possition or Authority Just because Other do desent make it Right For me to do it, nor anyone else. But Ive also Literally been Forced my whole Life to live as and be something Im not. The Militia made me one way and although I always knew I was a little girl they wouldnt have understood but I believed in them there ways teachings and Love of Country Community the People and God, I Just Followed Gods Path and Trusted in Gods Plan. I lost Sight along the way and Deviated Some, But My Relationship with God has always been very Personal and I Found my way Back to Shepard my Flock and lead them to the Land of Salvation throu him. Regardless of anyones beliefs Good is Good and the Light and Truth will eventually shine through and be seen. God loves Everyone he hates the Sin But her Forgiving he Forgave me and shewed me the way, Only God Can Judge me now and he has Favorably. Our Founding Fathers the Freemasons the Freeman and God all Follow in the Same Path and give Similar Teachings and Direction in Educating and Leading the People throu there needs desires in there Pursuit of Life, Liberty, and happiness. and also Ensuring that the Power of the Government is Contrated Solely by the People the Constitution its only Keeper the People. The People Deserve the Truth and you now have a way to

7.

Inform the People of the Truth and Begin Repairing the Damage done, the Blame game and Finger pointing does nobody any good dont Throw Rocks when you live in a Glass house. I own my mistakes I dont believe in immunity, Nobody is above the law and those who hold Public State or Federal Offices should be above that and Hold themselves to a higher Standard. Take Care of yourself your Family, your Community and then if you can do that worry about other Communities dont take a job you cant do.

I speak Freely because I speak from a Free spirit and heart reborn and resuscitated I speak the Truth and my own words I dont care who I offend People will be offended you Cant Make Everyone happy but Ive got a pretty good clear understanding of the Peoples needs and the threats and Dangers they Face and you need not look further than a mirror. I believe in the People, I knew that with Direction Guidance and once Educated on the Foundation of our Country and Spirit of Freedom on which it was built they will Rise to the occasion and Direct my Charge to Help lead this Country Forward towards a United Effort as a Collective to Reform Restructure a new Government under the Constitution Controlled Solely by the People.

The next move is yours the last move is mine.

With Honor and Respect of your office I Swear on My oath That My words are Spoken Truth and in Favor of the People under the Constitution. ~~15th day of Feb 2023~~

2 Defendant alleges that she is being subject to heinous abuse in prison, and that she has
3 been misgendered and housed in the incorrect facility. These complaints concern her
4 conditions of confinement, rather than the validity of her conviction or sentence. See Bowen
5 v. Warden of Nevada State Prison, 100 Nev. 489, 490, 686 P.2d 250, 250 (1984) (finding that
6 a claim of punitive segregation concerned the conditions of confinement and not the validity
7 of that confinement). Consequently, this Court lacks the authority to address these allegations,
8 and the District Attorney's Office is not the correct agency to respond to or address these
9 allegations.

10 This Court does not have the authority to consider allegations regarding conditions of
11 confinement that are unrelated to a defendant's sentence. A court is limited in the actions it
12 may take in a criminal case in which the defendant is currently serving a sentence. A motion
13 to modify a sentence or to correct an illegal sentence may be considered by a sentencing court,
14 but may only be granted in a narrow range of circumstances. See Edwards v. State, 112 Nev.
15 704, 707, 918 P.2d 321, 324 (1996). A court may consider a post-conviction habeas relief,
16 but habeas claims are limited to challenges as to the conviction or sentence, not conditions of
17 confinement. See NRS 34.724(1); Bowen v. Warden of Nevada State Prison, 100 Nev. 489,
18 490, 686 P.2d 250, 250 (1984) ("a petition for writ of habeas corpus may challenge the
19 validity of current confinement, but not the conditions thereof."). There is nothing in Nevada
20 case law or statute which grants a court with jurisdiction over a criminal matter authority to
21 issue orders related solely to the defendant's confinement conditions and not to that
22 defendant's conviction or sentence.

23 Defendant requests other relief from this Court it cannot grant. This Court cannot order
24 a grand jury indictment to be filed against the State of Nevada. Nor can this Court remove an
25 individual prosecutor from this case and order that the criminal case be assigned to the
26 Attorney General Aaron Ford and District Attorney Steven B. Wolfson. This Court also
27 cannot order Defendant's release from prison based on an allegation concerning conditions
28 of confinement.

1 To the extent Defendant alleges her sentence is illegal, she is mistaken. It is the alleged
2 abuse she has sustained during her confinement to which she objects, not her actual sentence.
3 She has been sentenced to a prison term, one that does not exceed the statutory maximum or
4 the sentencing court's jurisdiction. See Edwards, 112 Nev. at 707, 918 P.2d at 324.
5 Accordingly, her sentence is not illegal.

6
7 IT IS HEREBY ORDERED that the Defendant's Motion to Compel Court to Deliver
8 Justice in Favor of Defendant, shall be, and it is Denied.

10 State filed its response on January 11, 2010. The Court denied Defendant's Petition for Writ

25 Judgment of Conviction, reflecting Defendant's new name, was filed on August 9, 2023.

26 On September 27, 2023, Defendant filed Motion to Compel Court to Deliver Justice in
27 Favor of Defendant. On October 3, 2023, the State filed its Response. On October 19, 2023,
28 this Court denied the Motion.

1 On October 11, 2023, Defendant filed the instant Motion to Submit Evidence. The State
2 responds as follows.

3 **ARGUMENT**

4 **DEFENDANT FAILS TO REQUEST RELIEF FROM THIS COURT**

5 It is unclear to the State what exact form of relief Defendant is requesting from this
6 Court. Defendant does not appear to articulate any claim that relates to her criminal conviction,
7 which is the only matter pertaining to Defendant over which this Court has jurisdiction. Much
8 of the instant pleading consists of Defendant discussing her membership in a Montana militia,
9 which has no relevance to the criminal case. Defendant has also attached a letter that appears
10 to be addressed to a Deputy Attorney General in the Nevada Attorney General's Office; it
11 contains vague allegations and seems to threaten the recipient with criminal prosecution. Once
12 again, any complaints Defendant articulates appear to be related to Defendant's confinement
13 in the Nevada Department of Corrections, and thus cannot be addressed in Defendant's
14 criminal case. As Defendant has presented this Court with no specific claim that falls within
15 its jurisdiction, the Motion should be denied.

16 **CONCLUSION**

17 Based on the foregoing, the State respectfully requests that Defendant's Motion to
18 Submit Evidence in Support of My Objection to Further My Case and Proof be DENIED.

19 DATED this 24th day of October, 2023.

20 Respectfully submitted,
