Re: Case number 39864
District Court case number C175914
State of Nevada
vs.
Ashley William Bennett

To whom it may concern:

In the above entitled matter I am unable to transcribe the request sentencing date of June 18, 2002 due to technical difficulties. The Lanier tape recording machine utilized for court recordings has two taping tracks, one of the tracks (track 2) malfunctioned, resulting in no recording being done on tape 02-115A, which was the tape used for this hearing. The machine was replaced subsequent to this event.

Sincerely,

Cat. Nelson
Court Recorder for the Honorable Michael L. Douglas
