**APPELLANT'S MOTION FOR EXTENSION OF TIME**

**TO FILE REQUEST FOR TRANSCRIPTS**

Petitioner Dale Edward Flanagan respectfully moves this Court for an extension of time in which to file his Request for Transcripts in this matter. The Request for Transcripts is currently due on October 3, 2002. Petitioner respectfully requests an extension to and including November 4, 2002.

Petitioner requests this extension because his counsel has, as yet, been unable to review the entire record in the District Court file in order to determine which transcripts are needed for this appeal. At various times, different portions of the District Court file have been

1 lost in the District Court Clerk's office. Currently, one section of the file is missing, and counsel  
2 has been unable to determine the contents of that missing portion.

3 In order to insure that his request for transcripts is complete, counsel must review  
4 the entire file, since the 36 claims for relief in the Petition for Writ of Habeas Corpus are  
5 comprehensive of the entire history of this case.

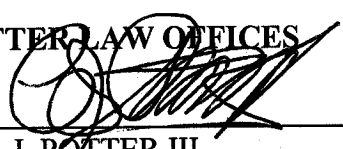

6 Petitioner sought and received an order from the District Court allowing the  
7 copying of the District Court file, but that copying has not yet been completed. The information  
8 currently available does not allow Petitioner to determine the dates of each hearing held in this  
9 case, the judge who presided, or the identity of the court reporters who transcribed those  
10 hearings. Until the entire file can be reviewed, Petitioner cannot file an accurate and complete  
11 Request for Transcripts.

12 Petitioner hopes to be able to locate and review the entire District Court file  
13 within the next month, and therefore respectfully requests an extension of 30 days in which to  
14 file his Request for Transcripts.

15 DATED this 2 day of October, 2002.
