RE: Dale Edward Flanagan
C069269

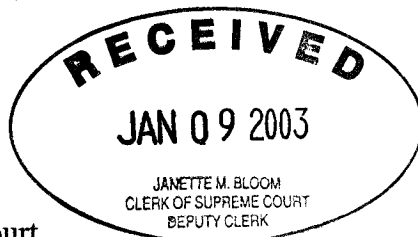

Cal J. Potter, Esq.

(702) 385-1954

Dear Mr. Potter:

I am in receipt of your Request for Transcript of Proceedings filed in the Supreme Court and referencing Defendant Flanagan, the Appellant in this matter. The transcript of 1/24/94 cannot be provided.

Pursuant to N.R.S. 656.335, I am required to retain notes for eight (8) years if they concern any matter subject to judicial review. Because the 1994 transcript exceeds the eight-year requirement and because space is at a premium, the tapes and notes for 1994 have been discarded.

I am sorry that I can't help, but perhaps the court minutes, on Blackstone, will be of some assistance. I am including a copy of the minutes with this letter. Also, Mr. Schieck was directed to prepare an order with specific findings and that may be of some assistance.

cc: Supreme Court

Sincerely,

A handwritten signature in cursive script, appearing to read "Sharleen Nicholson".
