CLERK OF SUPREME COURT
BY  DEPUTY CLERK

I am no longer a court recorder for Judge Michael L. Douglas. A court recorder is a county employee, not an independent contractor as court reporters are, and as such the court retains the record (audio tapes and log notes). However, in light of continuing employment with the county, specifically Judge Douglas' law clerk, I continue to get requests for transcripts and orders from the Supreme Court. I am not responsible for the court's record and/or transcripts. I no longer have control over the audio tapes and/or log notes. I will attempt to convey what information I have with respect to a particular case, if I have the knowledge but within a short period of time I will be leaving this position and inquiries should be directed to Janice Liston in department 1.

In respect to this particular case the transcripts were completed by the transcribers, county employees, and disbursed to the attorneys. Attached is a copy of the index page of blackstone that indicates the transcripts were filed January 15, 2003.

Thank you.
