- Counsel pointed out at time of trial Ms. Navarro was with Special Public Defender Office and is now working at District Attorney's Office. Counsel then argued for ineffectiveness of counsel due to failure to follow rules of professional conduct and should have obtain written waiver from Deft. Court advised it would agree however, case is not currently active. Counsel believes conflict still remains even though she changed office at conclusion of trial, they are unaware of her position within District Attorney's Office and if she were to be called to testify, Ms. Navarro could not testify for both sides. Lastly, counsel requested disqualification of District Attorney and have Attorney General handle this case. Stated objected and referenced Judge Bell being with District Attorney's Office prior to be seated on bench and Chinese Walled himself. Arguments by counsel. **- EVIDENTIARY HEARING...PETITION FOR WRIT OF HABEAS CORPUS**

Court stated it understands the issues raised and had received records of the proceedings and deposition of Mr. Bloom. Further, Court advised it has found the minutes from the trial; however, cannot find a transcript of the proceedings and advised this Court would have to take this matter under advisement. Mr. Schwartzter stated he would submit a copy of the transcript for the Court's perusal. Mr. Colucci inquired as to the Reply to Petition. Court noted it had received it.

Colloquy regarding issues with the self-defense theory. Mr. Colucci argued as to the Strickland standards. Mr. Colucci stated Mr. Bloom had acknowledged he had all of the discovery. Mr. Colucci argued as to Defendant's rights under the 6th and 14th amendments. Further arguments as to the quality and credibility of witnesses and the self-defense theory. Mr. Colucci stated the deficiencies of that theory in this case. Mr. Colucci stated the self-defense theory was ludicrous in this case, in light of the forensic evidence. Mr. Bloom was the only one to think self-defense was a good defense; however, he was not prepared to provide support of that theory of defense. Argument regarding opening statement by Mr. Bloom, wherein he stated Lieutenant Franks and other witnesses would testify and

they did not. Mr. Bloom did not talk to Lieutenant Franks and did not know what he was going to say on the stand. Mr. Bloom advised Judge Mosley he had a meeting with Lieutenant Franks about testifying; however, Mr. Franks said he never met with Mr. Bloom. Further arguments regarding Doctor Eisele, whom Mr. Colucci stated did not help the defense case; instead, Doctor Eisele hurt them, the expert was impeached by his own words.

Mr. Colucci further argued regarding Dr. Sessions's hand-written notes regarding the rhinoplasty and perforated septum. Mr. Colucci stated Mr. Bloom should have impeached Dr. Sessions and should have put that in the closing arguments. The State raised the credibility issue as they stated Dr. Sessions testified there was no hole in the victim's nose but the notes say there was. Mr. Colucci argued Mr. Bloom should have reviewed the medical records and contacted Doctor Sessions; Mr. Bloom put Deft. on the stand to be evasive, as Deft. maintained and still does, that Deft. could not remember what happened that night. Further, prejudice should be presumed.

Mr. Schwartzer argued Mr. Bloom believed his client, that this conversation took place with Doctor Sessions. Arguments regarding Strickland. Mr. Schwartzer argued Mr. Bloom was a very experienced attorney and defense expert, who would have testified, had not tried a murder during that time and admits this is a hard case to prove and further, believed that the self-defense theory was the best defense available. An argument as to battered spouse syndrome was not being feasible. Mr. Schwartzer stated the expert said the psych-evaluation done on the Deft. was negative. Arguments as to Doctor Eisele changing his initial position. Further arguments by Mr. Schwartzer regarding Judge Mosley's admonishment of Deft. Further, there is no prejudice as other witnesses testified as to what Lieutenant Franks would have said.

Court inquired as to the verdict forms. Mr. Schwartzer advised the options were first, second, manslaughter and not guilty.

Court stated it would go back through the arguments and read portions of the transcript and trial. COURT ORDERED, this matter, UNDER ADVISEMENT.

VS

Alfred P. Centofanti III,

Defendant.

CASE NO.: C172534

DEPARTMENT 6

**ORDER DENYING PETITION FOR WRIT OF  
HABEAS CORPUS**

Before the Court is Defendant's Petition for Writ of Habeas Corpus, which was fully briefed by the parties. This is Defendant's first post-conviction petition. After arguments by counsel on December 2, 2009 and subsequent discovery proceedings, the Court held an evidentiary hearing on July 30, 2010, and heard closing arguments by the parties on September 24, 2010. In addition to the parties' briefs and the evidence and argument presented at these hearings, the Court has reviewed the extensive appendix and exhibits submitted by Defendant, as well as legal authorities pertinent to the decision herein. All claims other than ineffective assistance of counsel were previously dismissed by the Court. Defendant seeks to establish that his trial counsel, Allen Bloom, was ineffective, and that a new trial is mandated as a result. Under the Strickland test, Defendant must establish (1) that counsel's performance was deficient, and (2) that the deficient performance prejudiced the defense. Strickland v. Washington, 466 U.S. 668, 104 S.Ct. 2052 (1984). The Court can consider these two elements in any order and need not consider both prongs if there is an insufficient showing on either one. In order to establish prejudice, Defendant "must show a

1 reasonable probability that, but for counsel's errors, the result of the trial would have been  
2 different." Kirksey v. State, 112 Nev. 980, 988, 923 P.2d 1102, 1107 (1997).

3 The Court hereby denies the petition because the Court does not find a reasonable  
4 probability that, but for counsel's alleged errors, the result of the trial would have been  
5 different. In this regard, on Defendant's direct appeal, the Nevada Supreme Court noted  
6 several times the strength of the State's case against Defendant. Order of Affirmance, filed  
7 December 27, 2006, at 4 ("in light of the strength of State's case against Centofanti, we  
8 consider any error harmless"), 5 ("the evidence against Centofanti was voluminous"), 8  
9 ("Here we conclude that any exposure Juror Wheeler had to extrinsic information through  
10 the purported firearm experiment was minimal in the context of the trial as a whole,  
11 considering the overwhelming evidence supporting Centofanti's conviction"), and 10 n.25  
12 ("We conclude that because of the evidence against Centofanti, his contention that  
13 cumulative error requires a new trial is without merit."). This Court agrees that the record  
14 reveals overwhelming evidence supporting Defendant's conviction. Thus, while Defendant  
15 has raised some issues regarding counsel's performance that give the Court pause, prejudice  
16 has not been established.

17 The Court will specifically address some of the more significant issues raised by the  
18 Defendant. First, Defendant asserts that counsel's performance was deficient in relying on a  
19 self-defense theory at the trial. While the Court agrees that it was very difficult to try to  
20 establish self-defense under the applicable legal standard in this case, counsel also argued  
21 that Defendant did not have the requisite state of mind for first degree murder and argued for  
22 second degree murder or manslaughter as well. Additionally, it is suggested a diminished  
23  
24  
25  
26  
27  
28

1 capacity defense should have been pursued. However, trial counsel testified that a  
2 psychological evaluation had been obtained pre-trial but was not helpful, and it was a  
3 reasonable strategy not to present it, particularly since it would have likely opened up the  
4 Defendant to examination by the State through its psychologist. Moreover, as a practical  
5 matter, this type of defense would have also required Defendant to testify as he did in this  
6 trial. Most importantly, there is no showing of what evidence would have been relied on for  
7 this proposed defense that would have a probability of a different outcome. Similarly, with  
8 respect to allegations that counsel did not adequately investigate the case or gather records to  
9 support Defendant's testimony, there is no showing of what any such investigation would  
10 have revealed that would have been helpful.

11  
12 The Court is concerned about the self-defense canvass at the hearing on March 12,  
13 2004, where Defendant was required to acknowledge on the record in front of the State that  
14 he was the shooter in order to allow the presentation of self-defense at trial. However,  
15 counsel had previously objected to this process when it was raised the first time by the State,  
16 and noted an objection on the record at this hearing, after there had apparently been an off-  
17 the-record discussion about this matter in chambers. Accordingly, counsel was not  
18 ineffective in this regard but instead his objections were overruled. It should be noted that  
19 this matter was not raised on appeal, a matter that is not raised in the instant petition.  
20

21  
22 Next, Defendant complains about the fact counsel stated in the trial that he was going  
23 to call Lieutenant Steve Franks as an expert regarding officer-involved shootings to help  
24 explain Defendant's shooting in this case, but then did not have him testify. Counsel told the  
25 Court in the jury's presence that Franks had been subpoenaed, but his wife had become very  
26  
27  
28

1 ill with cancer and, particularly since some of this area had been covered with other  
2 witnesses, he would not be trying to enforce the subpoena and would thus not be presenting  
3 Franks as a witness. Counsel had discussed Franks' anticipated testimony in his opening  
4 statement, and this discussion regarding the reasons for not calling him took place in front of  
5 the jury on April 14, 2004 before Defendant rested. While testimony at this Court's  
6 evidentiary hearing indicated counsel had never spoken to Franks and never served a  
7 subpoena on him, counsel's investigator had had general conversations with Franks relating  
8 to the case. The Court is concerned about the misleading statements made to the Court and  
9 the jury, but there is no showing of prejudice from failing to have him testify or from  
10 mentioning his anticipated testimony in the opening.  
11

12  
13 Finally, an issue is raised regarding the fact Defendant testified at trial that he had  
14 been told by the victim's plastic surgeon, Dr. Sessions, that the victim had a hole in her nose  
15 septum from drug use. At a pretrial hearing, the State objected to this anticipated testimony  
16 because there had been no medical records showing this nose condition. At the hearing,  
17 counsel represented that he had received Dr. Sessions' records, and that the records did show  
18 a perforated septum. Based on this representation as an officer of the Court, the Court said  
19 he would allow the Defendant's testimony in this regard since there was a basis for the  
20 allegation. Transcript of Hearing of March 12, 2004, at 19. After Defendant testified to this  
21 matter at trial, and was vigorously cross-examined about it, the State brought Dr. Sessions to  
22 testify in rebuttal. He testified that there was no hole in the victim's nose and that he had  
23 never told Defendant any such thing. No records were used by Defendant's counsel to cross-  
24 examine Dr. Sessions nor were they ever put in evidence. Indeed, the records are still not  
25  
26  
27  
28

1 before this Court, and they apparently were not in trial counsel's file that was turned over to  
2 his current counsel. Additionally, trial counsel apparently never tried to speak to Dr.  
3 Sessions regarding these matters in advance of trial. This issue was argued by the State in  
4 closing as showing a lack of credibility on the part of the Defendant. However, Defendant  
5 still insists that the conversation with Dr. Sessions did take place, but asserts counsel should  
6 have prepared him for Dr. Sessions' contrary belief. Again, these misleading statements by  
7 counsel regarding corroboration in the medical records are of great concern to the Court.  
8 However, the statements by counsel regarding having the records were not made before the  
9 jury, and Defendant's credibility was weak even absent this particular dispute. Given the  
10 overwhelming evidence in this case, this Court does not find a probability that the result  
11 would have been different if not for this issue.  
12  
13  
14

15 The Court has reviewed all other arguments presented by Defendant and similarly  
16 finds that the required prejudice has not been demonstrated. Accordingly, the Defendant's  
17 Petition for Writ of Habeas Corpus is denied, and his conviction stands.

3       The Court hereby denies the petition because the Court does not find a reasonable

- COURT ORDERED, deft's presence WAIVED for today. Court advised the transcript was filed January 25 according to Mr. Laurent. Mr. Albrechts advised he received a file from Mr. Christiansen but he did not receive the transcript and the time for the Writ was extended to March 7, but he did not find out until after. Mr. Albrechts advised he requested an extension from Mr. Laurent who refused and he received the transcript a few days after that, however, there were 10-12 pages missing and some pages copied in such a way that he cannot read them. Mr. Albrechts advised there are issues he wants to raise and requested two weeks. State advised they have always had a copy of the transcript since January 25; one extension was granted and deft. Centofanti keeps changing counsel. State argued there is no reason to extend time. - Mr. Albregts requested the trial judge hear the Writ and advised Ms. Goettsch had to leave as she is picking a jury in another case, however, she will return if the Court wants to hear the Writ today. Colloquy. COURT ORDERED, continuance DENIED and the Court will hear argument as soon as Ms. Goettsch is available.

LATER: Matter recalled. Becky Goettsch, DDA, present for the State. Court advised he has discussed this case with Judge Mark Gibbons and has reviewed the case also. Ms. Goettsch advised, if Deft. Centofanti wants evidence of the Battery Domestic Violence in December in the record, they need to put on witnesses and advised her witnesses say something different than Deft. says. Mr. Albregts

advised, if other officers had been called at the Grand Jury hearing, they would have testified to other things that happened that night and that alcohol was found in the victim's vehicle as well as statements regarding other domestic violence incidents. The officer that testified was allowed to testify to inflammatory statements made by the victim at the prior incident. Ms. Goettsch advised the outcome of that incident was that MRS. Centofanti was arrested; the officer also testified that her statements could not be corroborated but they could corroborate that she was hitting Mr. Centofanti and she was arrested. Further arguments by counsel. Court stated his findings and advised there was ample evidence to support the decision and it was NOT an unfair hearing. COURT ORDERED, petition DENIED.

- TRIAL SETTING...STATUS CHECK: EVIDENTIARY HEARING RE STATE'S MOTION TO REVOKE BAIL

Mr. Albregts requested matter be sealed and advised the divorce decree was sealed by Family Court and he filed his response under seal. Mr. Laurent advised the divorce was sealed the day after the homicide and he does not understand why the defense is concerned about the information. COURT ORDERED, the divorce decree, the motion to revoke bail and Mr. Albregts' response are SEALED; the remainder of the proceedings are not. Court advised he is only sealing the divorce decree because of the Family Court decision and Mr. Laurent may refer to whatever he needs to. Mr. Laurent argued the attorney/client privilege is waived on several issues and would make Mr. Albregts a witness in

these proceedings and others because Deft. authorized him to file these pleadings. Mr. Albregts advised the State has complained all along that he is Deft's third attorney. Arguments by counsel regarding attorney/client privilege. Mr. Laurent argued Deft. Centofanti is a considerable flight risk and he is concerned about the fraud that Deft. has perpetrated on the Court so far. Further arguments. Conference at the bench. Court advised he is inclined to continue this matter to Monday. Mr. Laurent objected and argued the State holds Deft. has perpetrated a fraud on the Court at least twice while out on bail. The day after the murder, Deft. moved ex parte to seal the divorce decree; the house in California is only half his and he posted it as bail and told the bondsman it was his. Deft. then began sales proceedings in April of this year as a joint tenant and signed an affidavit as a widower; Deft. never disclosed information about his ex-wife. Deft. attempted to keep the money immediately after the sale of the property and did not disclose it to the estate and State believes Deft. had the decree sealed so it would not show up on the title search. COURT ORDERED, matter CONTINUED to Monday at 11:00 a.m.; HOUSE ARREST WILL CONTINUE. Mr. Laurent requested the Special Public Defender be present if Mr. Albregts is relieved as counsel. Court advised his office will contact the Special PD to be here. Deft. advised he has been served a subpoena for Family Court for Monday morning and he is trying to get it quashed. Court advised he expects Deft. to be HERE on Monday morning and will advise Family Court.

- TRIAL SETTING...STATUS CHECK: EVIDENTIARY HEARING RE: STATE'S MOTION TO REVOKE BAIL

Court stated it did some research and concurs with the point of having another attorney present. As such, the Court has requested Mr. Kohn be present today. Mr. Albregts stated that if he cannot continue on as counsel, he doesn't feel he can argue the bond issue. Mr. Albregts argued the State is trying to get over the first hurdle of the attorney-client privilege, and the Defendant has never waived that privilege. Mr. Albregts stated that under the affidavits nothing has been disclosed that would bring up the issue of the attorney-client privilege. Upon Court's inquiry regarding striking the

affidavit, Mr. Albregts stated he doesn't think it is necessary. Mr. Albregts argued the 6th Amendment.

Arguments regarding the sealing of the divorce proceedings after the murder. Mr. Albregts stated that was done by the Defendant's divorce attorneys without them discussing it with the Defendant. Mr. Laurent argued regarding the fraudulent transfer of the property which was held in joint tenancy in common. Mr. Laurent argued the sale of the property in San Diego can be used in either/or the State's case in chief or in the penalty phase. Further colloquy regarding Mr. Albregts knowledge of the transfer of the property into the Defendant's name prior to him doing it and whether that knowledge would necessitate Mr. Albregts' testimony at trial.

COURT ORDERED, Phil Kohn is APPOINTED as co-counsel. Motion to disqualify Mr. Albregts is DISMISSED without prejudice. The hearing on the bond issue will go forward. Court stated the Defense is now aware of some of what Mr. Laurent will be arguing before the Jury, and as such, may make a motion in limine. Court stated that by the appointment of co-counsel, it gives the Defendant of the right of affective assistance of counsel should Mr. Albregts have to disqualify from the case should he have to become a witness. Mr. Laurent argued that once counsel has notice that s/he may be called as a witness, that person would have to withdraw. Mr. Laurent moved to strike the affidavit and exhibits. COURT ORDERED, Motion DENIED, however, the State may object to anything that is hearsay. Court stated it needs to know the net proceeds on the sale of the San Diego property, what the Defendant did with the money from the sale of the property above and beyond the \$40,000 posted for bail. State requested that the source of any other collateral posted with the bail bondsman be disclosed.

COURT ORDERED, matter CONTINUED.

- TRIAL SETTING...STATUS CHECK: EVIDENTIARY HEARING RE: STATE'S MOTION TO REVOKE BAIL

Court inquired as to the location of the property in San Diego. Mr. Albregts advised the Court that \$40,000 of the sale proceeds of that property went to the bond company as collateral, and the Defendant paid a 3% transaction fee. Mr. Albregts further stated he has a check drawn from the Defendant's family for payment of his services. Testimony and exhibits per worksheets. Mr. Laurent argued the bond should be revoked. Argument by Mr. Albregts. Court stated the divorce decree specifically states that the San Diego property would be held in joint tenancy in common, and the affidavit of the surviving tenant by the Defendant was improper, and thinks the Defendant knew

better than that. COURT FINDS Mr. Shaner's actions to marshal the funds from the sale of the property were proper. COURT ORDERED, 1/2 of the gross proceeds (which equals \$20,567.47) and 1/2 of the checks that Mr. Albregts is holding shall be delivered to Mr. Shaner forthwith, who will deposit those funds into his trust account pending further order from District Court to transfer to the Special Administrator. Mr. Albregts to further provide copies of the checks he is holding to Mr. Shaner. All monies shall be delivered within ONE WEEK. If there is non-compliance, this Court will revoke the Defendant's bail. The Court will allow the State to re-address the amount of the bail next date. MATTER CONTINUED.

Mr. Albregts stated it is not confirmed that Mr. Kohn will be co-counsel, and he is looking into other co-counsel.

Court advised he did receive a letter from Mr. Albregts regarding substitute collateral on the bond. Mr. Albregts stated he believes Deft. has complied and notice was sent to everyone and he has not heard from anybody. State advised she believes everything went through the way the Court ordered. Mr. Albregts advised the only other issue he would like the Court to correct is the minutes show there was a check drawn from the family to pay his fees. Court stated about \$1,300.00. Mr. Albregts advised that was for photographs. State advised no decision has been made whether they can have an increased bail; Deft. has paid the money back that he took fraudulently, which is a crime, and she believes the State is entitled to increase bail. Court stated he does not know if the State is going to elect to file a motion as he had indicated the State could. Deft. has complied with house arrest and

- COURT ORDERED, Deft's presence WAIVED. Court advised this is the State's request to move up the hearing, however, he is not going to rule on the motion today. Court advised he is disturbed that there is an out-of-state attorney who wants to come in, but says he is too busy to do it until December; Court appointed Philip Kohn, SPD, to assist in case there was a conflict and inquired why Mr. Kohn cannot do it. Mr. Albregts advised there were apparently representations to the Court that he approved moving this up to today and he did not; Mr. Bloom is out of the country until next week and the Court is not available next week. Mr. Albregts advised he wants to have a hearing on this issue. Court advised the State can go ahead and subpoena the case and have it ready to go. State advised he does not know why Mr. Albregts needs to have another attorney as they have already

indicated they do not intend to call Mr. Albregts; if he intends to call himself, he cannot be a witness and an advocate. Mr. Albregts advised he received the transcripts regarding the San Diego property and the State clearly indicated he was a potential witness. Mr. Albregts advised he has addressed this as diligently as he can while still trying to prepare for trial. Mr. Albregts advised the 14th is a good day for Mr. Bloom considering another matter he is involved in that week. State inquired if Mr. Albregts intends to call himself as a witness and advised he would have to give the State notice 5 days before trial anyway. Mr. Albregts advised he has not had an opportunity to sit down with Mr. Bloom and discuss it. Deft. Centofanti appeared at this time and Court advised him of the proceedings. Court advised, as of now, his decision is to go forward with the trial on October 1 and ORDERED, matter OFF CALENDAR and the motion will be heard on the date originally set, September 14th.

- Allen Bloom, ESQ, from California present also. Upon Court's inquiry, Mr. Albregts advised he has the verified application and the check that has to go through the State Bar and he expects it to be approved; after Court today, he will hand-deliver it to the State Bar and have it expedited. Mr. Albregts requested the Court allow Mr. Bloom to appear today pro hac vice to argue the motion. Mr. Laurent submitted it to the Court's discretion. COURT ORDERED, Mr. Bloom will be allowed to argue today. Mr. Bloom advised he is currently in trial in California and expects to finish by Thursday of next week; he could do this trial on October 1 but does not think it can be competently

prepared by then. Mr. Bloom advised, if the sale of property in San Diego comes up, the defense will ask the Court to review it in limine as to its admissibility; it is entirely possible the transaction will not come up in the State's case-in-chief, but may be raised on rebuttal if Deft. Centofanti testifies. If it comes in in any form, Mr. Albregts will definitely be a witness. Mr. Bloom advised the State may raise the transaction to question Deft's credibility. Court advised he saw this possible conflict months ago and appointed Mr. Kohn to assist Mr. Albregts and the defense should not have missed a beat. Mr. Bloom advised Mr. Kohn is not prepared to assist Mr. Albregts and will address the Court on that matter; further, Deft. has the right to choose counsel. Mr. Bloom advised 60 days would be sufficient for Mr. Albregts and himself to prepare the case, however, it would be much longer if Mr. Albregts is removed from the case. Court inquired if Mr. Bloom is prepared to be in this case for the duration of the trial. Mr. Bloom advised there is no question he is and he cannot see any prejudice in this matter being continued as it would still only be 11 months from the date of the incident. Further, Deft's state of mind is a crucial issue and is not anywhere near ready for trial as there is considerable evidence of the decedent's violent history which must be developed and goes back to Deft's state of mind. Mr. Bloom advised he believes the December 1 date to be a very firm date. Upon Court's inquiry, Mr. Kohn advised it was clear to him Deft. wanted to hire private counsel and had the means to do so; his role was never well-defined and he never saw himself taking over a role in this case. Mr. Laurent advised the defense puts the State in a box with their representations of unpreparedness and stated he does not know why these things have not been done. When the State suggested Mr. Albregts might be a witness, the defense categorically denied it, now they are saying he will be a witness. Mr. Laurent advised Mr. Albregts is definitely in conflict and there is a long-standing standard of jurisprudence that an advocate cannot be a witness; the State does not want a continuance, but it appears the Court must grant a continuance to preserve the integrity of the trial as counsel have already set their record of ineffective assistance of counsel. Mr. Laurent stated he believes it is wrong to let Mr. Albregts remain as counsel if he is going to be a witness. Upon Court's inquiry, Mr. Laurent advised they do not intend to bring up the San Diego transaction in their case-in-chief, but it could come up in rebuttal or in the penalty phase; further, it was also his impression that Mr. Kohn was to have a very limited role. State anticipates being ready to go forward. Court suggested December 10 and stated he believes he will have to remove Mr. Albregts from the case. Mr. Bloom advised he would be ready to go in December, and that is very firm, but is contingent on Mr. Albregts and himself working together. Court advised the issue of Mr. Albregts being a witness must be resolved prior to trial. Mr. Bloom stated he believes that will be a fairly small point and the State's representation that Mr. Albregts would only testify on rebuttal makes it an even smaller issue; further, there will be a motion in limine regarding whether the San Diego transaction will come in at all. Further arguments by counsel. COURT ORDERED, motion to associate counsel GRANTED contingent on the application being approved by the State Bar; continuance GRANTED and trial date VACATED AND RESET on November 26; matter set for hearing on counsel issues on October 1. Mr. Bloom advised, on October 1, they will need to know how crucial a witness Mr. Albregts will be and what the State intends to present and requested a briefing schedule. Colloquy. COURT ORDERED, the State's Opening Brief to be filed by September 19, 2001; Deft's Responding Brief to be filed by September 26; State's Reply Brief to be filed by September 28. Court directed all counsel to provide courtesy copies to the Court.

- STATE'S MOTION TO DISQUALIFY COUNSEL...STATE'S MOTION IN LIMINE...FURTHER PROCEEDINGS

Allen Bloom, ESQ, counsel from California, present for Deft. also. Order Admitting to Practice FILED IN OPEN COURT regarding Mr. Bloom. Court advised the defense has not responded to the motion in limine. Mr. Bloom advised he received it late Friday and does not believe he can address all those matters now. Court stated he believes the State is going to file a motion for other bad acts and he believes that motion will cross over. Mr. Laurent advised he did not want to file the motion in limine but did at the behest of the Court for the defense's benefit and he believes their excuse is weak. Court advised he will not rule on the motion in limine today, but will rule on the motion to disqualify. Mr.

Laurent advised the Court set a witness list date at 21 days before trial and Mr. Bloom wanted to consider that. Mr. Bloom requested the time be the normal time frame as he is going to need that amount of time to prepare and advised his trial in San Diego is over but the jury is deliberating and he has not had much time to devote to this case. As to the motion in limine, Mr. Bloom advised it did clarify for the defense that Mr. Albregts will be a witness in this case and he believes the Court has laid out the precedent and the State has cited numerous cases that state an attorney cannot be a witness and an advocate at the same time. Mr. Bloom advised he has made the argument that it would be a substantial hardship to the defense to disqualify Mr. Albregts and why the exception should be applied is set forth in the pleadings. Court suggested Mr. Albregts continue with trial preparation, but not be allowed to sit at counsel table during trial as the Court sees the real danger in Mr. Albregts appearing as counsel in this case, then as a witness. However, the Court does not see any danger in allowing Mr. Albregts to help prepare the case; then the Special Public Defender could sit as local counsel. Mr. Bloom advised they had not discussed that option. Off record conference between Mr. Bloom, Mr. Albregts and Mr. Richards. 10:06 a.m.--On the record, Mr. Bloom stated he believes the hybrid solution the Court suggested may be workable. Court advised what he would envision is Mr. Albregts continuing to work with Mr. Bloom, but could not sit at counsel table when the jury venire is brought in and cannot be present as counsel in any way during the trial. As to the Special Public Defender, Court advised there must be local counsel present with Mr. Bloom. Mr. Bloom stated he believes their office has that availability. Mr. Laurent advised he has no exception, however, he intends to invoke the exclusionary rule and advised the attorney/client privilege would not apply. Mr. Laurent advised he is concerned Mr. Albregts should not be in the courtroom as he is a witness. Mr. Bloom stated he believes the Court's suggestion is a wise one and advised Mr. Albregts would not be present in the courtroom as a witness. COURT ORDERED, motion to disqualify counsel is GRANTED with the exception that Mr. Albregts WILL BE ALLOWED to help Mr. Bloom in preparation of the case and Mr. Albregts WILL BE ALLOWED to testify in the guilt phase and the penalty phase, if there is one; Mr. Albregts will NOT be allowed in the courtroom and will NOT be allowed to sit at counsel table during trial. COURT FURTHER ORDERED, the Special Public Defender will continue as co-counsel for trial and that appointment is RE-AFFIRMED. Colloquy regarding scheduling issues. Mr. Bloom requested a status check date for discovery issues about 30 days before trial that will take 1-2 hours. Mr. Bloom advised he has rescheduled other hearings, however, he has a Board of Parole hearing on November 26 pursuant to a Writ of Habeas Corpus and pleadings that were filed; the hearing was ordered by the Court and is in San Diego County. Mr. Bloom requested the trial start on the 27th or 28th. Colloquy. COURT ORDERED, trial date VACATED AND RESET to November 27 @ 1:30 p.m.; November 21 Calendar Call date STANDS. Colloquy regarding jury selection and the selection of alternates. Court advised he allows the jury to ask questions and provided the case citation to Mr. Bloom. Colloquy regarding guidelines as to witness disclosure. Mr. Laurent requested expedited disclosure. Mr. Bloom requested the statutory guidelines stand. Mr. Laurent advised the State's concern is character evidence. Further colloquy. Court advised he will not rule on that today. COURT ORDERED, matter set for further proceedings on October 29 and the motion in limine is CONTINUED to that same date.

- Allen Bloom, out-of-state counsel for Deft. Centofanti, present also.

STATE'S MOTION TO COMPEL DISCOVERY...Court stated he understands the defense has no objection. Mr. Bloom concurred. COURT ORDERED, motion GRANTED. Upon Court's inquiry, Mr. Laurent advised they want any photographs, books, papers that are not attorney/client privilege so they can inspect that prior to trial. Mr. Bloom stated his understanding is anything the defense is going to use at trial must be provided and they will do so, whatever form it is in, and advised they have continued to provide discovery and are giving it to the State as soon as it is available. Court acknowledged.

STATE'S MOTION TO REQUIRE PARTIES TO DECLARE WITNESSES...Court stated he understands the defense is still going through the process of determining witnesses. Mr. Bloom concurred and advised Mr. Albregts is continuing to help them prepare in a limited fashion and Ms. Navarro has a professional conflict wherein she will not be able to participate in trial. COURT ORDERED, motion GRANTED and the witnesses are to be disclosed by 21 days before trial, however, the defense may continue to do preparation and see what comes out of it. Mr. Laurent advised Mr. Albregts was to participate fully in the preparation, but cannot participate in trial. Court concurred. Mr. Laurent advised Mr. Bloom has indicated he does not have all of his expert witnesses, however, this trial has been continued twice and the experts should be known. Mr. Bloom advised this may be a third trial call on this case, but it is the first trial call for him. Court advised he would request Mr. Albregts continue to participate fully in trial preparation at this time. Mr. Bloom advised there is no bad faith. Court advised Mr. Bloom to continue to move preparation along.

STATE'S MOTION IN LIMINE TO DECLARE DEFT'S PARENTS ADVERSE WITNESSES...Court advised the defense believes this motion is premature. Colloquy. COURT ORDERED, motion GRANTED and Deft's parents may be asked leading questions by the State.

STATE'S MOTION TO ADMIT EVIDENCE OF OTHER BAD ACTS...Court advised this motion is regarding the December 5 incident between Deft. and his wife, the domestic violence incident, and he believes it is something the defense intends to go into anyway. Mr. Bloom concurred and advised there may be some foundational issues to be taken up by the Court and he believes there should be a Petrocelli Hearing. Court advised incident #2 is that Deft. Centofanti said he would kill his wife before he would agree to a divorce and there must be a Petrocelli Hearing on that. Court advised incident #3 is the alleged fact that Deft. went into a public relations campaign to paint the victim as a bad mother, alcoholic, etc., and a hearing is needed on that. The last issue is the allegation that when Deft. attempted to get a Temporary Protective Order, he lied about ownership of the gun and Court advised they will need a Petrocelli Hearing on that issue. Colloquy regarding Dr. Smith in New York and doctor/patient privilege. Mr. Laurent advised they have submitted discovery and inquired regarding billing; Deft. has hired private counsel and he does not believe the Court intended to circumvent that by appointing the Special Public Defender. Court advised that is correct and the defense is responsible for the cost of discovery. Mr. Laurent advised it appears the defense will be requesting a continuance and he would like to settle that now. Court advised he has set a trial date and expects to go forward with it and will only address a continuance by formal motion. Mr. Bloom requested a status conference for a week from tomorrow and a Petrocelli Hearing just prior to trial. Colloquy. COURT ORDERED, matter set for status check on November 7 and he will set the Petrocelli Hearing at that time. Colloquy regarding a Widdis motion. COURT ORDERED, Widdis motion to be filed under seal. Colloquy regarding a credit bureau report of the victim. Court advised he does not want to violate any Federal credit reporting guidelines. Ms. Navarro advised the credit bureau will provide the report with a court order and she does not believe it will violate any guidelines. Mr. Laurent advised he was out of town and cannot address this issue. COURT ORDERED, request GRANTED and, if the credit reporting agency has a problem, they can bring it to court.

STATE'S MOTION IN LIMINE...Court stated he believes he has dealt with all the issues. Mr. Laurent concurred and advised this motion was filed at the request of the defense. COURT ORDERED, OFF CALENDAR.

- Allen Bloom, out-of-state counsel for Deft. Centofanti, present also.

Court advised he received a motion to continue from the defense yesterday which he read. Affidavit of Robert Larson marked and admitted as Deft's exhibit A. Mr. Bloom advised the motion also regards Ms. Navarro's schedule. State advised the defense alleges they are interviewing 40 witnesses but there are not 40 percipient witnesses to this case; the defense has also indicated they have not been able to get Deft. to a psychologist because he cannot travel, however, they can do it here. State

advised they anticipate being ready for trial, though they do not have all of their subpoenas in yet. State advised it is their opinion Deft. has perpetrated fraud after fraud and their position is Deft. should not be out of custody. Mr. Bloom argued there would be no prejudice to the State if this trial is continued and he cannot see how Deft's custody status figures in at all and advised Deft. is under very rigorous control with house arrest. Court stated he does not believe custody status is relevant. Court inquired why the defense needs ballistics tests. Mr. Bloom advised the state has alleged Deft. shot the victim with malice and the tests would be done on stippling and what shots were fatal and which were not; there would be a focus on the question of what the scene tells as to where the 2 people were in relation to each other as self defense is an aspect of this case; there would be ballistics, pathological and criminalist testing. Colloquy regarding the work done on the case before Mr. Bloom took over. Mr. Bloom advised there is circumstantial evidence as to where the victim was before the shooting. Mr. Bloom advised a lot of the time before he came into the case was spent on bail hearings and whether Mr. Albregts would be a witness; what he asks is necessary. Colloquy regarding scheduling. Mr. Bloom advised Ms. Navarro is second chair on a Murder case starting next Tuesday. Ms. Navarro advised her trial is before Judge Vega; that Deft. is in custody and has invoked and they are definitely going to trial. Upon Court's inquiry, Ms. Navarro advised there is a substantial defense case as well. Ms. Navarro advised she has an old track case going in December, then she has a capital case in March. State advised, if this case is continued to January, they would like to start on January 2. COURT ORDERED, defense motion to continue is GRANTED; trial date VACATED AND RESET. Court advised Ms. Navarro may appear at Calendar call and Mr. Bloom's presence may be waived. Colloquy regarding a Petrocelli Hearing. State advised he intends to submit an offer of proof. Court advised he will accept it if defense counsel stipulates. COURT ORDERED, matter set for hearing. State requested the 21-day notice continue. COURT ORDERED, the 21-day witness notice is CONTINUED to 21 days before trial. Colloquy regarding witnesses. State advised they copied the tapes and the billing is \$65.00. COURT ORDERED, the court will pay the \$65.00. State provided the tapes to Mr. Bloom in open court. Mr. Bloom advised case P45451 is the probate case of Virginia Centofanti and shows assigned to this Court. Colloquy regarding probate procedure. Court advised he does not know if he has signed any orders or heard any matters in that case, however, he will recuse himself to avoid any appearance of impropriety.

Arguments by counsel regarding serving Ms. Cisneros and having her present for today's hearing. Mr. Laurent requested a material witness warrant be issued for Ms. Cisneros. COURT ORDERED, Mr. Laurent's request DENIED; subpoena will continue and Mr. Brandon is to contact Ms. Cisneros to have her present at the Calendar Call. RECALLED: Mr. Brandon stated he is waiting for a call back from Ms. Cisneros' office. Following a conference in chambers, COURT ORDERED, State's Motion in Limine to Conduct an Evidentiary Hearing to Establish to What Extent Ms. Cisneros has an Obligation of Attorney Client Privilege RESET to January 8, 2002.

Arguments by counsel regarding the shell casings that were found in Defendant's house after incident. Mr. Bloom advised those were turned over to the police. Further arguments by counsel regarding the lack of reports by parties experts. COURT ORDERED, parties are to provide summaries that will comply with the statute by 4:00 pm on December 26, 2002.

State's Motion to Admit Evidence of Other Bad Acts: Ms. Goettsch advised she will not proceed with the third bad act; it may be brought in rebuttle but will not be in her case in chief. Arguments by counsel regarding the December 5, 2000 incident and misrepresentations by the Deft. regarding the ownership of the gun when filing the TPO. EXCLUSIONARY RULE INVOKED. Testimony and exhibits presented. (See worksheets.) Regarding the December 5, 2000 incident, Court stated that there is some confusion with the testimony of the victim's son regarding certain statements by the Defendant and under NRS 51.085, 51.095, or 51.105 they could possibly come in but there needs to be some testimony from the officer; regarding the TPO, COURT FINDS that the State has presented its case. Arguments by counsel regarding the competence of the victim's son. COURT FINDS the victim's son to be competent to testify about the gun subject to cross examination and impeachment. COURT ORDERED, Evidentiary Hearing CONTINUED for the testimony of the officer. Mr. Bloom requested the other officer, Officer Lawrence be present as well. COURT FURTHER ORDERED, Mr. Bloom to subpoena Officer Lawrence and the State is to subpoena the other officer. Mr. Bloom requested to withdraw his "no objection" to State's exhibit #2. Colloquy between Court and counsel regarding exhibit #2. Court stated it will order the original file from Family Court and counsel may review it at the next hearing.

Ms. Navarro requested an order for the actual lab packet and to retest the samples. Mr. Laurent stated he would like the same thing from Defendant's experts. Mr. Bloom requested that if experts did not prepare a report, he will tell the State the items they relied upon and will get any notes they have with regards to it. COURT ORDERED, Defendant's allowed to do testing by an independant lab and counsel to provide the underlying data, work product, and notes the experts relied upon.

Mr. Laurent requested Defendant be made available for a phsychological evaluation. Mr. Bloom argued the State is required to show that they have the right to have an evaluation of the Defendant done. COURT ORDERED, State to let Court and counsel know what they are going to do from a phsychological stand point and if State is going to do what is permitted under the law.

Mr. Bloom inquired if the search warrant of the Defendant's house is filed with the Court. Ms. Goettsch advised it was a telephonic search warrant and the certification is not with the Clerk's office.

Mr. Bloom argued the tape recording must be present. Upon Court's inquiry, Ms. Goettsch stated the judge signed the certification. COURT ORDERED, matter CONTINUED for the State to locate the original certification signed by the judge.

COURT FURTHER ORDERED, all matters set on today's calendar CONTINUED.

- Allen Bloom, out-of-state counsel for Deft. Centofanti, present also.

The following motions were FILED IN OPEN COURT: State's Opposition to Deft's Motion to Dismiss...State's Supplemental Notice of Expert Witnesses...Deft's Reply to Prosecution's Oral Request to 1) Require the Deft. to be Examined by a Prosecution Psychiatric Expert if He Wishes to Present Psychological Evidence in His Defense and 2) Require Deft. to Provide Experts' Notes and Reports...Deft's Supplemental Notice of Expert Witnesses/Statement of Subject Matter. Court advised the State has indicated they served Deft's parents with subpoenas to appear for trial and the Court

understands, through a conference at the bench, that the State will not contact them directly, but will contact Mr. Bloom and he will have them present in Court when it is time for them to testify. Court advised the State has requested to pre-trial these witnesses, however, it is not required for them to speak with the State and the witnesses may speak with Mr. Bloom and decide what they want to do. Court stated he has advised the parties they need to decide if there will be penalty phase by the jury if there is a conviction of First Degree Murder; if the penalty phase is waived, it must be in writing and signed by both sides. Colloquy regarding the remaining issues. EVIDENTIARY HEARING: STATE'S MOTION TO ADMIT EVIDENCE OF OTHER BAD ACTS...As to the Temporary Protective Order (TPO) issue, Ms. Goettsch advised, when she received the TPO copy, the gun registration records were attached; if they were not, they were not, but if it comes up later that they were attached, she would reserve the right to move them in at a later time. Court acknowledged and ORDERED, the last two pages of exhibit #1, the gun registrations, are REDACTED from that exhibit. Testimony and exhibits presented. (See worksheets.) Arguments by Ms. Goettsch and Mr. Bloom regarding the statements, oral and written, made by Virginia Centofanti at the time of the December 5 domestic violence incident. Court stated, when Ms. Centofanti was interviewed, she said things that were bad for her and ORDERED, the conversation she had with the officers is ADMISSIBLE under NRS 51.075 and 51.095, excited utterance; it also may be admissible under present sense impression, but the Court will allow it under the prior two statutes. COURT ORDERED, what Deft. said to the officers WILL ALSO BE ALLOWED under NRS 51.075. Ms. Goettsch advised the testimony is Deft. was cool, calm and collected, so it was not excited utterance. Court advised it will be allowed under 51.075 as Deft. can be cross-examined. COURT FURTHER ORDERED, he WILL NOT ADMIT the conversations of the next day or Sgt. Winslow's conclusions. COURT ORDERED, State's motion to admit evidence of other bad acts is GRANTED as what happened that evening will come in. Mr. Bloom inquired as to the observations by Quito. COURT ORDERED, Quito WILL BE ALLOWED to testify and Mr. Bloom can bring out any prior inconsistencies in cross-examination. STATE'S MOTION IN LIMINE TO PROHIBIT THE INTRODUCTION OF CHARACTER EVIDENCE OF THE VICTIM OR ANY STATE'S WITNESS ABSENT A PETROCELLI HEARING... Mr. Bloom stated he does not believe he has to offer it as the State has no right to reduce their burden regarding presentation of information. Court referred Mr. Bloom to the Coleman case and stated he believes counsel may be splitting hairs as the Court believes the main evidence Mr. Bloom is concerned with is the picture frame and that is coming in; further, Mr. Bloom can offer the evidence that the victim knew Karate. Mr. Bloom advised he has not formed a full response to that at this time. Mr. Laurent advised admission of other crimes, wrongs or acts is not admissible as character evidence and if it is intended to be offered for the purposes stated under statute, a Petrocelli Hearing must be had. Mr. Bloom advised this does not go to the victim's character, it would go to Deft's state of mind. Colloquy. COURT ORDERED a brief recess at this time. Back on the record, Mr. Bloom objected to any ruling or requirement that the defense reveal any information regarding the defense under these circumstances and stated he does not believe the statute cited was meant for discovery purposes. Mr. Bloom discussed the Coleman case and cited the Petty case and argued that conviction was reversed and the Court advised the prior bad acts of the victim can be presented without that person testifying. Court advised he did the re-trial of Petty and the opinion evidence was allowed as to whether the victim was violent. Mr. Bloom argued the Nevada Supreme Court did not make a ruling that it was only as to opinion evidence and argued, whether opinion or acts which support the

element of self-defense, it is allowed to come in. Court advised the law in Petty and Shoels speak for themselves as to what they permit and what they do not and advised statute is Mr. Bloom's problem as it tells counsel when they can offer specific acts. Court advised, if counsel has specific acts of the victim that he wants to get in under NRS 48.045, he has to tell the Court so he can rule whether they come in. Mr. Bloom argued Coleman was the Deft. claiming a third party committed the crime and advised Deft. is not claiming a third party, he is claiming the victim had conduct that justified his conduct. COURT ORDERED, State's motion to prohibit character evidence absent a Petrocelli hearing is GRANTED. Mr. Bloom advised his concerns is, if these observations came from the mind of the Deft., he does not believe there is law that states Deft. has to testify regarding those. Court advised the only way to put it at issue is for Deft. to testify, it would not be admissible at trial. Mr. Laurent stated he believes these are statements that are coming from the Deft. regarding what he believes has to come in and his concern is proving it through other people; the State wants the opportunity to have a Petrocelli Hearing to prove these things through other people. Court advised Deft. can testify to his perceptions without a Petrocelli Hearing. Mr. Bloom stated, for example, Ms. Centofanti had gang tattoos and there are pictures of them and Deft. had concerns about that history. Court advised those are the issues they need to flesh out. Mr. Laurent advised, if the defense intends to present pictures of gang tattoos, the State should have been provided with those and they have not and advised any tattoos the victim had were removed by laser; further, if anyone else is going to testify regarding those, they need a Petrocelli Hearing. COURT ORDERED, a Petrocelli Hearing will NOT be required if it is testimony from Deft.; if it is by third parties, a hearing WILL BE REQUIRED. Mr. Bloom advised his other concern is the State has indicated Deft. has set out on a campaign to paint the victim in a negative light. Court stated he does not believe that would come in in the State's case-in-chief but rather during cross-examination IF Deft. testifies. As to the jury questionnaire, Court advised he ordered the jury during the break, 50 people, and has requested they come in early to fill out questionnaires, however, if counsel cannot agree to the questionnaires, they will not be used. Court suggested the State and the defense sit down together after court today and go through this and, if they can agree, make them up and have them copied and to the Jury Commissioner by Wednesday morning. Mr. Bloom requested the Court look at it and make a ruling if counsel cannot agree. Court advised counsel to have it to him by Monday morning if they cannot agree. Court advised there will be two alternates and counsel will have eight peremptory challenges apiece and one each on the alternates. Colloquy regarding whether or not to have the alternates selected at the beginning or at the end of trial. Court advised counsel may think about it and let him know. As to the autopsy photographs, Court advised they are relevant for identification purposes, however, he will not allow them to be cumulative. Court requested the State to be selective as to what they need for identity purposes and would ask the State to pick out the pictures they intend to use and advise the defense before Wednesday morning and Mr. Bloom can make his objections. Mr. Bloom advised he is concerned about the prejudicial effect as there are not many pictures after the victim was cleaned up, most still have blood dripping. Mr. Laurent advised they would not be able to make that decision until they speak with Dr. Simms, but will let Mr. Bloom know as soon as possible. As to hearsay issues of the statements by the victim and Deft. on the December 5 incident, Court advised he wants to know what they are and will present a balanced picture to the jury. Mr. Bloom advised, technically, he wants to consider this and re-visit it before opening statements. As to whether Deft. has to submit to a psychological evaluation by the State, Mr. Laurent advised he received Deft's

response this morning when he got in and advised, over the years, the Courts have held that a psychiatric examination does not violate the 5th or 6th Amendment rights and cited case law. Court inquired if there is any authority that requires Deft. Centofanti to submit to a psychological evaluation before trial. Mr. Laurent advised there is no State case, but the 9th Circuit has held the Court can order it when the defense asserts an insanity defense or a state-of-mind defense and argued the State is entitled to that information. State advised the Deft. becomes a piece of physical evidence and is being examined and argued the defense puts this kind of evidence at issue and the attorney/client privilege does not pertain. Court stated he believes, under the Constitution, Deft. cannot be compelled to testing by the State and ORDERED, motion DENIED; if the defense puts this kind of evidence at issue, if the psychologist testifies, the State may have an expert in the courtroom to hear the testimony and rebut it. Mr. Laurent requested a stay to do an interlocutory appeal. Colloquy. COURT ORDERED, STAY DENIED and either side may file a Writ. Mr. Laurent advised the defense has declared an expert and he cannot adequately prepare his cross-examination as he does not know what testing has been done. Court advised, if that person testifies, he will give the State a break to review that information with their expert. Mr. Laurent requested the transcript from today's hearing. COURT ORDERED, the Court Reporter is to prepare today's transcript and provide it to both counsel. As to the canvass of Deft., Mr. Laurent advised he never said it was required, however, he believes it is prudent under the Beets case and advised it is a cautionary measure to make sure the record is clean. Mr. Laurent advised he wants to make sure defense counsel is authorized to argue what he does. COURT ORDERED, motion DENIED WITHOUT PREJUDICE. Court advised he will see how things develop. Court advised the defense has requested the weapon be released for testing. Mr. Laurent advised he would object due to the late date as the State needs to be provided the results. COURT ORDERED, the weapon will be RELEASED to the defense expert. Mr. Bloom advised the test is for rapidity of fire. Mr. Laurent objected as the defense expert is well-trained in operation of the weapon. COURT ORDERED, the weapon WILL BE RELEASED, however, that does not mean the test results are admissible. As to the release of juvenile records in California, Mr. Laurent objected as juvenile records are sacrosanct and are protected all the time and can only be reviewed in camera. Mr. Bloom advised that is what is being done in California and he is only asking this Court to say the theory of self-defense makes them necessary. COURT ORDERED, this Court has no objection to the Judge in California inspecting the records in camera and making a ruling under California law on whether there is anything in the record that could possibly relate to the defense theory of self-defense. DEFT'S MOTION REQUESTING ORDER TO PRODUCE CASSETTE TAPE...As to the search warrant issue, Mr. Laurent stated he believes the document was filed under a different District Court case number. Mr. Bloom stated he believes the law states the cassette tape is to be made available to the defense. COURT ORDERED, the defense objection is OVERRULED and the motion is DENIED. Court advised the search warrant is an exact transcription of the tape recording and, when the Judge signed the written search warrant, that was written certification of the transcription. Mr. Laurent advised he will make a copy of the document and provide it to the defense. As to the TPO issue, Mr. Laurent advised the State is not offering it at this time. Mr. Bloom stated he believes portions will come in on the defense side. Court advised, if either side wants to offer it with or without redactions, he will consider it at that time. DEFT'S MOTION TO EXCLUDE EVIDENCE AND DISMISS CHARGES AGAINST DEFT.... COURT ORDERED, motion CONTINUED to Wednesday at 10:00 a.m. STATE'S MOTION TO STRIKE EXPERT WITNESS LIST

AND PROSCRIBE DEFT. FROM CALLING THOSE EXPERTS...Mr. Bloom advised there was a requirement to provide a list of experts and subject matter. Ms. Goettsch advised what she received is the same thing she received before and advised she needs to know what the opinions are or it is impossible for her to hire an expert to rebut; she received a 6-page designation of who the experts are and very general statements of the subject matter. Ms. Goettsch advised she still does not have the reports. Mr. Bloom advised he would invite the Court to read the 2-page document he received from the State. COURT ORDERED, matter CONTINUED to Wednesday at 10:00 a.m. and the Court will look at the documents. Ms. Goettsch advised she has provided the reports. DEFT'S MOTION TO PERMIT COUNSEL TO REFER TO THIS BRIEF IN PLACE OF LENGTHY, RECORD-MAKING OBJECTIONS...Court stated his understanding is either side reserves their objections for appellate purposes and can object in two words. Mr. Bloom advised he wants to avoid having to make a record on each objection and advised this preserves the federalization of the objections. Mr. Laurent argued, if the defense can just refer to a document, the State cannot fix it at the time and argued contemporaneous objections need to be made. Mr. Bloom argued this document does not create objections, it just states that when he makes his objections under State and Federal authority and that the document is incorporated. Mr. Laurent advised he needs to have the opportunity to respond to specific objections as there are exceptions to every rule. COURT ORDERED, motion DENIED; counsel will have to state the grounds for their objections. MOTION TO REQUEST THAT COMPLAINING WITNESSES AND THE DEFT. SHOULD BE ADDRESSED BY THEIR NAMES AND NOT BY CONCLUSORY AND ARGUMENTATIVE LABELS WHICH ASSUME FACTS NOT IN EVIDENCE AND UNDERMINE THE PRESUMPTION OF INNOCENCE...Court requested counsel refer to the victim by her name or by "decedent", but not use the word "victim". MOTION TO INSURE THAT THE PROSECUTION DOES NOT TELL THE JURY IT REPRESENTS THE "PEOPLE" IN A MANNER THAT IMPLIES THAT HE/SHE REPRESENTS THE JURORS AGAINST THE DEFT... COURT ORDERED, the prosecution can tell the jury they represent the State of Nevada and that the District Attorney is a duly-elected official. MOTION TO INCLUDE THE NECESSARY LEVEL OF CERTITUDE TO THE REASONABLE DOUBT INSTRUCTION TO PREVENT UNDERMINING DEFT'S DUE PROCESS AND SIXTH AMENDMENT RIGHT TO A JURY DECISION BASED UPON SUFFICIENT EVIDENCE OF EVIDENTIARY CERTAINTY... COURT ORDERED, the reasonable doubt instruction that the defense wants is DENIED as there is a statutory definition of reasonable doubt and that is what the Court will use. Court adjourned at 12:13 p.m. BOND/H.A.

- STATUS CHECK: WITNESSES...STATE'S MOTION IN LIMINE TO PRECLUDE EVIDENCE REGARDING THE VICTIM'S ALLEGED PRIOR DRUG USE AND ALLEGED PRIOR VIOLENCE UNLESS AND UNTIL DEFENDANT TESTIFIES HE WAS AWARE OF SUCH VIOLENCE...STATE'S MOTION IN LIMINE TO ADMIT EVIDENCE REGARDING THE VICTIM'S STATE OF MIND  
Mr. Allen R. Bloom, counsel from California, present.

Mr. Peterson stated there is recent case law that says Defendant can claim there was no offer and that is why he had to go to trial. For the record, the offer is Defendant plead to First Degree Murder and stipulate to a sentence of Life with parole after 20, plus an equal and consecutive Life with parole after 20. Mr. Bloom stated they have rejected this offer and made a counter offer which the State has

refused.

Mr. Peterson requested Defendant authorize Mr. Bloom to admit that he was the shooter; that they are using a self defense theory and that is one of the elements. Following discussion with counsel, Defendant so authorized.

State requested that the father and mother of Defendant be considered as adverse witnesses and if a problem arises, will approach the Bench and review it at that time. Court so noted.

State has submitted Proposed Voir Dire questions; the Court will incorporate some of them and will also address the issue of graphic pictures to the Jury.

Mr. Bloom advised Dr. Lipson has examined Defendant, however, will not be testifying as to him, but in general. Mr. Peterson concurred and stated unless the door is opened, he will not pursue anything further.

AS TO MOTION IN LIMINE TO PRECLUDE: Mr. Peterson stated he would like to withdraw the later part of the motion. Following arguments and statements about the victim's past, Mr. Peterson requested to WITHDRAW the motion entirely as he wants to hear how Defendant will explain how he was afraid of the victim. Following further colloquy, Mr. Bloom advised he has 6 witnesses that will attest to the violence issues.

AS TO MOTION IN LIMINE TO ADMIT: Mr. Peterson advised there are several statements made by victim that are now admissible because the defendant has made the victim unavailable. Following arguments, Mr. Bloom requested a list of the statements to be used and COURT SO ORDERED.

Mr. Bloom stated Mr. Peterson spoke to the witnesses and he would like his notes or any statements made that are Brady material. Mr. Peterson stated the notes are his own personal ones when interviewing witnesses and there were no surprise statements made; if he uncovered Brady material, he would have given it to Mr. Bloom.

- Mr. Allen R. Bloom, counsel from San Diego present. 1:37 PM JURY PRESENT: Roll call taken. Testimony and exhibits presented, see worksheets. 2:49 PM OUTSIDE PRESENCE OF JURY: Mr. Bloom advised a witness, Mr. Wright observed another witness, Trisha Miller speaking to the sister of the victim and learned details of the victim's background. Ms. Miller told Mr. Wright that she was the "best friend" when in reality she did not really know that much about her past. Further Ms. Miller was seen speaking to a juror from Dept. 15 and was told to act a certain way for the Jury; then she burst into tears on the stand and he feels it was an act. He feels she could be impeached. Arguments by Mr. Peterson. Court noted that it did not feel Ms. Miller was "acting" on the stand, that after a few hours of being on the stand, she did start crying, however, regained her composure

and did not drag it out. The Court feels there is no consequence of the juror talking to Ms. Miller and she was explaining her role to Mr. Wright, that of being the friend. 3:24 PM JURY PRESENT: All present as before. Testimony continues and exhibits presented, see worksheets. 4:57 PM EVENING RECESS.

- Mr. Allen R. Bloom, counsel from California present. 1:35 PM OUTSIDE PRESENCE OF JURY. Colloquy between Court and counsel regarding photos taken at the crime scene as well as the autopsy photos. Mr. Bloom believes there is relevant evidence, but the photos are cumulative and the probative value does not outweigh the prejudice. Mr. Bloom argued that the 8 photos of the victims head could be reduced to one photo. Response by the State. Court does not feel that the photos are duplicative and ruling on admission will be reserved. Further colloquy regarding keys and who they were given to. Mr. Bloom argued that the victim's entrance into the Defendant's home was improper and the jury will need to take into consideration the victim was not invited on the day of the incident. Court noted victim was expected due to the fact that she was to pick up the infant. Court advised
