ORDER

This case is currently scheduled for oral argument on October 9, 2013, at 10:00 a.m.

Although counsel should be prepared to address any of the issues raised in this appeal, counsel should be prepared specifically to address: (1) whether there is specific language in NRS 50.125 that indicates a legislative intent to relax NRS 49.020's privilege provisions and (2) whether in Nevada, the adverse party may inspect a privileged document used by a witness to refresh recollection while testifying.

It is so ORDERED.
