- MOTION TO SEVER DEFTS...STATUS CHECK: DEATH PENALTY COMMITTEE

Also present: Co-Deft Martell Moten, represented by Joel Mann, Esq.

As to the Motion to Sever Defts, Ms. Pieper advised she never received a copy. Mr. Otto stated it was faxed to the D.A.'s office but not directly to the Gang Unit. Ms. Pieper advised Mr. Mann has filed a Motion to Sever which is on calendar for January 22nd. COURT ORDERED, both Defts' Motions to Sever will be heard on January 22, 2014.

Mr. Mann advised his client previously invoked, but because of evidentiary issues Deft Moten has decided to waive his speedy trial rights. Mr. Otto stated his client, Deft Washington, continues to invoke. Ms. Pieper advised at this time the State is not seeking the death penalty for both Defts; additional forensic investigation remains; she has also not called the lab and believes DNA results will not be done by February 3rd even if all her DNA people were noticed. Upon Court's inquiry,

Deft Moten confirmed he is willing to WAIVE his speedy trial rights. Court, addressing Deft Washington, stated trial is currently set on February 3rd but that there is some work to be done and Deft has had the chance to discuss available options. Deft Washington stated he wished to proceed. Ms. Pieper noted it is her understanding the decision to go forward is something Deft Washington has and could be against his attorney's advice; if Deft is convicted of first degree murder, one of the things State will present is that Deft was aware of outstanding discovery and yet it was his decision to go forward; additionally, ineffective assistance of counsel will be an issue. Court so noted. Upon Mr. Mann's inquiry, Court stated counsel does not need to file a motion. Mr. Otto noted for the record it was his client's decision to keep the current trial date.

Ms. Pieper further advised she has extended an offer of second degree murder with use of a deadly weapon which has two potential sentences: first, a 10 to 25, or second, 10 to life. She has agreed to remove the life tail, thus it will only be 10 to 25 with the consecutive deadly weapon enhancement which is 1 to 20 years; it is her understanding that not only is Deft Washington going forward with the current trial date, he is also rejecting the State's offer. Deft Washington concurred. Mr. Mann advised he and his client will discuss the latter's options, and requested Deft remain one more week at CCDC. There being no objection by the State, COURT SO ORDERED. Counsel to prepare the order. Ms. Pieper and Mr. Mann advised they will do a stipulation and order to continue the trial date for Deft Moten.

- Ms. Schifalacqua advised she handed Mr. Otto additional forensic discovery this morning. Upon Court's inquiry, Ms. Pieper advised trial is anticipated to last a week and a half including the penalty phase if Deft is convicted of first degree murder. Mr. Otto advised, because the State provided him with discovery only this morning indicating toolmark evidence related to ballistics, shell casings, and guns involved in this case, it may assist the record to allow him to have time to review that issue; with that said, he has conferred with the Deft, and the latter does not wish to waive his speedy trial rights; additionally, he did not have an expert retained for this matter because there was no indication by the State they would have this evidence before trial.

Ms. Schifalacqua stated if Mr. Otto wishes to retain an expert his remedy is a continuance; however, it has always been the State's position that they have properly noticed all of their experts; Mr. Otto is well aware the DNA, latent prints are being worked on, and she finally received the firearms analysis this morning. COURT ORDERED, Deft's request to hire an expert is GRANTED. Counsel to prepare

the order which should include the expert's name. Expert expenses GRANTED in the amount of \$3,500.00. If the expert testifies amount will be increased. COURT ORDERED, trial VACATED from February 3rd and RESET on February 11, 2014. Discussion regarding estimated length of trial taking into account the toolmark expert. Ms. Pieper advised State will have 30 to 40 witnesses. Ms. Schifalacqua noted trial can be reset on the 11th with the caveat that the State may make representations at that point that some of their witnesses cannot appear. CONFERENCE AT THE BENCH held at Mr. Otto's request. COURT ORDERED, Calendar Call CONTINUED to February 5, 2014.

- Court disclosed conference call held yesterday with defense counsel regarding trial scheduling.

Mr. Otto advised Deft no longer requests motions to suppress be filed; however, he has yet to retain a toolmark expert, needs all the underlying data, and requests a 60-day continuance although Deft continues to assert his right to a speedy trial. Upon Court's inquiry, Deft confirmed he has discussed with counsel the work that needs to be done and understands the Court may grant a brief continuance even though he asserts his speedy trial rights. Ms. Pieper advised State is ready to proceed and will have 30 to 40 witnesses; however, they will not oppose defense counsel's oral motion for a continuance. Per Mr. Otto's request, Court DIRECTED State to provide the data sooner rather than later; discovery issues, if any, can be addressed via conference call. Because of important factual information that appears to be related to Deft's ballistics report, the COURT finds good cause to GRANT continuance of trial. Trial RESET on April 7, 2014.

Mr. Otto requested matter be set for Petrocelli hearing on prior bad acts and an outside-the-presence hearing for Bruton issues before any statements of the co-conspirator are placed before the jury. Ms. Schifalacqua advised the evidence they provided is for the penalty phase, not case-in-chief, and parties might be able to resolve this issue. Upon inquiry of the Court, Mr. Otto concurred he would be okay with the State not putting on any prior bad acts other than at a potential sentencing hearing. Ms. Pieper argued State would say the Co-Def't's statement is not subject to Bruton. Ms. Schifalacqua advised they would not play his statement but call him in, which they would not do as he himself is pending murder charges; however, there are a few statements made during the course of the conspiracy which are the only ones subject to presentation to the jury without the co-Def't taking the stand. Ms. Pieper confirmed they plan to use Deft Washington's statements; the State will submit

there may be one or two statements made by co-Deft Moten which the State will allege was made during the furtherance of a conspiracy. Court advised counsel of its trial schedule and noted any pre-trial issues in the instant case need to be addressed before case is reassigned to a different trial judge. COURT ORDERED, matter set for Evidentiary Hearing on Friday, April 4, related to a portion of co-Deft Moten's statements. Case will be placed through the Presiding Criminal Judge for reassignment as it is not eligible for Overflow. State advised they will coordinate their out-of-state witnesses.

Matter RECALLED. Ms. Pieper advised they have explained to Mr. Otto the statement from the preliminary hearing they intend to use, and it is their understanding Mr. Otto has decided he will not object. Mr. Otto advised this statement is to a certain degree indicative of his client's lack of guilt, i.e. when co-Deft Moten tells his client to run from the police in the car and have a shoot-out, Deft Washington tells him no; he has no objection to the State putting this on. Upon Court's inquiry, Ms. Pieper concurred this is the only statement of co-Deft Moten they anticipate using. Court DIRECTED parties to do a written stipulation. COURT ORDERED, Evidentiary Hearing VACATED. Matter SET for Telephonic Conference on Friday, April 4. Deft does not need to be transported.

- The instant case was originally assigned to District Court Department 11 and is currently set for trial to commence April 7, 2014. Due to being engaged in another lengthy trial during the same time period, Department 11 is unable to preside over the instant trial on its scheduled date. The matter is not eligible for overflow due to its expected length.

EDCR 1.30 (15) gives the Chief Judge of the Eighth Judicial District Court the authority to reassign cases between departments as convenience or necessity requires. EDCR 1.30 (11) also states that the Chief Judge must appoint a Judge to preside over the Criminal Division of the Court. EDCR 1.31 gives the Criminal Presiding Judge the authority to reassign pending criminal cases from one department to another. As with EDCR 1.30(15), the Presiding Criminal Judge's decision on reassigning pending criminal cases should be done as convenience and necessity require.

District Court Department 1 is available to take the instant trial and maintain its current trial date setting. Therefore, based on the totality of circumstances present, this Court, as Criminal Presiding Judge, ORDERS, pursuant to EDCR 1.31, the reassignment of the instant case to Department 1 for trial. The attorneys are directed to contact Judge Cory's chambers for further instructions.
