2. Person brought up the account of Personal Redaction who is a very slow payer. So far he had only partial paid 3 payments about HKD28,000 so far to-date and the remaining total is HKD4,746,204. Pers wants Credit Department to check on the financial background of this patron and agreed this account to be assigned to Debt Collection pending Persona's conversation with Personal on this matter. Person will speak to Person and will advice on the update. Still waiting for update from Person.

3. Perso mentioned that Personal Redaction had been making partial payments of HKD500,000 every month after the Max Gain Junket had paid the outstanding in full. So far he had partial paid HD14.5million already to-date and Perso will continue to contact Personal for the monthly payment on his own personal line. Perso said Max Gain Junket still had not paid the outstanding marker for July 10. Perso mentioned that he had spoken to Personal Redaction and the account would be paid by coming Monday. Max Gain Junket settled the July 10 settlement on 10 August 10. Personal Redaction paid a partial payment on 16 Aug 10. Remaining balance is HKD33,728,000.

4. Perso reported the accounts of Malaysia and Singapore patrons still had been outstanding for quite time with minimal payments coming in. Person had requested from Perso a full list of APA Office outstanding accounts so that he will bring up the matter to Personal to assist in speaking to Persona Pers about these accounts. Pers agrees with the suggestion. Person will send the full outstanding accounts list to APA office and will also copy Persona on this matter. Full list of APA accounts sent to Person and Person and copied Person Not much payment received from Malaysia accounts

5. Person brought up the account of Chairman Personal Redaction whose account would be auto settled today and the outstanding amount would be sent to Personal to collect from patron. Account settled on 5 Aug 10 and the amount owing is HKD38,640,484. Personal Redaction and Personal had been informed. Per Pers patron had a verbal agreement with Personal to pay the payment 90 days after settlement and will collect the check on 18 Oct 10.

6. Person recommended the Credit Policy would need to be revised to include in the new Management member Personal reporting next week. Personal also brought up the issue of extending Credit Line days which is happening frequently without proper justification and the authorized authority approval on this matter and this should be spelt out clearly in the Credit Policy. Pers agrees with this recommendation and had instructed Pers to review the Credit Policy and make the necessary changes. New Credit Policy had been amended and changes made effective 25 Aug 10.

7. Perso brought up to the Credit Committee the status of 5 patrons who had been obtained judgment by the Macau courts the decision whether to enforce judgment in Malaysia & Singapore. The patrons would be as follows:
   a. Personal Redaction (Singapore) – HKD7,513,520
   b. Personal Redaction (Malaysia) – HKD4,852,099

c. Personal Redaction (Malaysia) – HKD1,946,952
d. Personal Redaction (Malaysia) – HKD479,147
e. Personal Redaction (Malaysia) – HKD458,637

Persona enquired whether VML could use the legal representation in MBS to go after the patrons. Pers mentioned that should these are enforced, the external counsel's legal service would be used as they are associated with some of the legal firms in Malaysia and Singapore. Pers also mentioned that it would not worth the while to go after the smaller accounts as the legal fees would cost more than half the amount outstanding. Pers decided that the 2 accounts with big amounts would be pursued further by Legal Department while the 3 smaller accounts would not be pursued further. Per Person Legal Department would commence further action against Personal Redaction and also Personal soon while the 3 remaining cases would be withdrawn.

8. Pers mentioned that Legal Department had received 2 cases whether these should be filed with the Macau Courts. 1st case would Personal Redaction owing HKD679,570 from China and also the 2nd case of Personal HKD1,784,700 is from Taiwan. Perso said the 1st case patron had an apartment in Villa Da Mer in Macau and 2nd case is for his check bounced at the Taiwan bank. Pers decided the case could be filed with the Macau court for the patron who had the apartment in Macau, while for the 2nd case, as this account would be difficult to obtain judgment could be sent to the Debt Collection Agency to follow up. Perso sent all the necessary documents and attachment to Legal Department for them to follow up on the Personal 's case for further action and for Personal Perso would be assigned to the Debt Collection Agency soon.

9. Personal brought up the issue of extending Credit Line days which is happening frequently without proper justification and the authorized approval on this matter and this should be spelt out correctly in the Credit Policy. Perso enquires what would be the ways to police these types of transaction. Persona said this should be done before Credit is granted and IM should know their patron. Per agrees that IM should know the patron(s) before recommending this patron for Credit.

10. Personal also brought up the issue of a patron having 2 different IDs in the system. The patron is using Personal for his Premium Player program and he used Person for his Junket program using China passport and Macau ID respectively. Person suggested IT Dept should be the Department to merge these 2 accounts. The Credit Committee decides that the Macau ID / Hong Kong ID would be used for these types of patrons.

11. Perso reported that the Debt Collection Agency TCMS had collected HKD293K from the defaulted Credit patrons assigned to them for the month of July 10 and so far the total amount collected to-date is HKD7.3million or 14.3% of the total amount HKD50.8million assigned to them.

12. Perso mentioned the next Credit Committee meeting would be held early September 10.

Being no other matters discussed, the meeting adjourned at 18.50 hours.

3.2 There were no other matters arising.

4. DECLARATION OF INTERESTS

4.1 **IT WAS NOTED THAT** under Article 102 of the Current MM&AA, each of the Directors having either previously declared their interests in accordance with the Current MM&AA, shall be entitled to vote and be counted in the quorum and the Meeting.

5. **PURPOSE OF THE MEETING**

5.1 The Chairman summarized the Agenda for the meeting.

6. **2009 YEAR-END REVIEW**

6.1 **IT WAS NOTED THAT** the 2009 year-end review had been discussed in the Audit Committee meeting. No questions were raised by Members.

7. **COMMITTEE TO APPROVE 13.09 ANNOUNCEMENT ASSOCIATED WITH LVSC ANNOUNCEMENTS**

7.1 **IT WAS NOTED THAT** the Company is required to release an announcement to the Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") upon announcement by LVS of its financial results (earnings call and associated 8K) and again upon LVS filing its 10-Q or 10-K reports. The requirement to make an announcement to the Stock Exchange arises because the information released by LVS constitutes potentially price sensitive information in relation to the Company's shares and an announcement pursuant to Listing Rule 13.09 is accordingly required.

7.2 **IT WAS RESOLVED** that, where appropriate, the Company should provide a quarterly trading update to the Stock Exchange, to be released at the same time as it announces the announcement by LVS of LVS's quarterly (or annual) results.

7.3 **IT WAS RESOLVED** that a standing committee of the board called the 'LVS Announcements Committee', with the authority and terms of reference set out in the document presented to the meeting, be and is hereby appointed comprising the Chief Executive Officer, the Chairman of the Audit Committee and any one additional director elected from time to time by the Chief Executive Officer.

7.4 **IT WAS NOTED THAT** the Chief Executive Officer elected Mr. Turnbull and Mr. Turnbull confirmed that he would agree to act as the third committee member on the LVS Announcements Committee.

8. **AUDIT COMMITTEE REPORT**

8.1 Mr. Bruce summarized the discussions of the Audit Committee.

9. **GOLDMAN SACHS EQUITY MARKET UPDATE**

9.1 Messrs Greenberg and Smith from Goldman Sachs presented the Goldman Sachs Equity Market update included in the board materials and highlighted the following additional points:

- Equity markets will likely rally after CNY despite continuing economic difficulties and concerns in other parts of the world.
- Sands China Ltd's ("**SCL**") stock is the best performing stock in the sector. Investors appear to prefer SCL and have a more sophisticated understanding of the business model.
- Wynn is 5% down on its listing price and there seems to be a move to SCL as a result of the mass market verses VIP business model. Research analysts and traders are noting this.
- The market appears to be valuing LVS at close to zero on a look-through basis.
- There does not appear to be any notable shift in shareholding from LVS to SCL.
- Concerns raised include the effect of competition from new properties such as Oceanus and Encore on SCL's business, there is still no critical mass in Cotai and necessary infrastructure is unlikely to be ready for some years, a rise in interest rates could potentially hurt SCL, it is possible that the opening of Parcels 5 and 6 will cannibalize Venetian business.

9.2 Mr. Jacobs advised that it is possible to buy VIP business in Macau buy increasing commission rates paid to junket operators and as a result we may see some impact on our business when new competing facilities open. However, he is confident that business will return despite this due to the Company's unique product offering. Mr. Jacobs advised that the Company generally does not compete by increasing commission rates paid to junket operators; however it does have the means to do so should it be required.

10. **SITES 5&6 INTEGRATED RESORT**

10.1 Mr. Pryor presented his update to the board, included in the board materials.

10.2 **IT WAS NOTED THAT** the construction budget presented at the meeting differed from that in the IPO Prospectus by US$100m. This is because of the actual construction numbers now coming in as the project begins to get back underway.

10.3 Mr. Jacobs confirmed that the Company was carefully evaluating what will be built out and opened in the various phases of construction.

10.4 **IT WAS NOTED THAT** there continue to be risks associated with the development of Parcels 5 and 6. These risks include the Company's ability to obtain a labour quota sufficient for the development of the project.

10.5 **IT WAS FURTHER NOTED THAT** the Company's 2009 labour quota of 2000 workers had been successfully renewed but that an additional quota of 9800 workers is required to complete this project. Mr. Pryor advised that the construction ramp up is very steep. It was noted that Mr. Jacobs was due to meet with Secretary Tam to discuss Parcels 5 and 6 and specifically how we proceed with obtaining the necessary labour quota. Mr. Jacobs advised that politically it seems that labour from Hong Kong is preferred to that from the PRC. Mr. Pryor advised there is no real cost impact as PRC labour is cheaper but less efficient.

10.6 Mr. Jacobs advised that the PRC Government has announced that US$15B will be spent in Heng Qin Island. Management intends to walk through the development plan on Thursday.

10.7 Mr. Siegel asked about customers' ability to differentiate between Shangri-la and Traders hotel lobbies and whether there would be any check-in confusion. Mr. Jacobs advised that customers will be dropped off by buses at the correct entrance depending on the hotel booking. Mr. Pryor advised that there are 5 drop-offs and entrances and these would be well signposted.

10.8 **IT WAS NOTED THAT** the Company was concluding negotiations and processing recommendations for 32 works packages (contracts), which is approximately 24% of total number of packages expected to be entered into. The combined value of these contracts is US$431m verses a budget for this packages of US$406m. Mr. Pryor advised that the Company has a claims bucket with additional capacity and including this bucket, the Company has exceeded the budget by 1%. It was noted that these packages had little room for negotiation and therefore the Company had little leverage. It is expected that the Company will have additional leverage when negotiating the next batch of packages and the Company is confident that it can buy remaining packages within budget.

10.9 **IT WAS NOTED THAT** the FF&E costs are not included in the construction budget.

10.10 **IT WAS NOTED THAT** the Company has US$2.25B available for the development of Parcels 5 and 6 - US$1.75B from project financing and an additional US$500 of IPO proceeds. The budget for Parcels 5 and 6 is US$2.23B and management will do its utmost to ensure that this budget is not exceeded. Any design changes at this stage will either have to be excluded or included with a corresponding cost saving in another area. The Board acknowledged that this was a valid management approach and admired managements dedication and determination to maintain this position.

11. **FINANCING SITES 5&6 – OVERVIEW OF THE CREDIT FACILITY**

11.1 **IT WAS NOTED THAT** the Board had received a copy of the Term Sheet.

11.2 Mr. Greenberg from Goldman Sachs briefed the board on the Parcels 5&6 Term Sheet and outlined the key terms of the draft Credit Agreement to be entered into between Venetian Orient Limited (a wholly owned subsidiary of the Company) as the Borrower, the lenders listed therein as Lenders, Goldman Sachs Lending Partners LLC, BNP Paribas, Hong Kong branch, Citigroup Global Markets Asia Limited, Citicorp Financial Services Limited, Citibank, N.A., Hong Kong Branch, UBS AG, Hong Kong Branch, and Barclays Capital (the investment banking division of Barclays Bank PLC), as Global Coordinators, Co-Syndication Agents and Bookrunners, Bank of China Limited, Macau Branch and Industrial and Commercial Bank of China (Macau) limited, as Global Coordinators and Bookrunners, Banco Nacional Ultramarino, S.A., DBS Bank Ltd. and Oversea-Chinese Banking Corporation Limited, as Mandated Lead Arrangers and Bookrunners, and The Bank of Nova Scotia, as Administrative Agent (the "**Loan**").

11.3 **IT WAS NOTED THAT** the Company would be required to provide an unconditional, unsecured guaranty to Venetian Orient Limited ("**VOL**"), guaranteeing any and all of VOL's obligations under the Loan, including punctual payment of all amounts borrowed there under (the "**Guarantee**").

11.4 **IT WAS NOTED THAT** that the Company would be required to ensure, at all times, that equity injections or subordinated shareholder loans representing at least 50% of total project costs that have been funded through such date shall have been injected into or provided to VOL (or be funded through cash flow generated by VOL's operations).

11.5 **IT WAS NOTED THAT** the P5&6 Credit Agreement was in draft form and subject to further negotiation and discussion with lenders and legal counsels involved.

11.6 **IT WAS NOTED THAT** the Company's controlling shareholder, LVSC, would review its corporate governance guidelines to determine whether it also needs to pass a resolution in respect of executing the Loan.

11.7 **IT WAS RESOLVED** that, provided the commercial and contractual terms remain materially in the form presented and outlined in the Meeting, and are considered customary for transactions of this nature and size, Venetian Orient Limited be and is hereby authorized to enter into the Loan.

11.8 **IT WAS RESOLVED** that the Company enters into and provides the Guarantee in support of the Loan.

11.9 **IT WAS RESOLVED** that Mr. Jacobs be and is hereby authorized to finalize the Loan documents and execute all Loan documents on behalf of SCL and VOL.

11.10 **IT WAS NOTED THAT** the Chinese banks involved in the Financing have requested anonymity until the deal is signed.

11.11 **IT WAS NOTED THAT** one of the Chinese banks increased its commitment and therefore the amounts required from other banks has fallen.

11.12 **IT WAS NOTED THAT**, with regard to the syndication process, a 2-3week delay was normal and Goldman Sachs expected syndication commitments to be confirmed by the beginning of March.

11.13 **IT WAS NOTED THAT** the amortization schedule had been agreed by the Company's Finance department and Goldman Sachs and was accepted based on market conditions.

11.14 **IT WAS NOTED THAT** refinancing of Parcels 5 and 6 might be required in 2013.

11.15 **IT WAS NOTED THAT** the hotel brands are amenable to sign amendments to the hotel management agreements recognizing the new time lines. Shangri-la has asked to introduce a clause that permits it to review and approve the design.

Meeting break for lunch at 12.16pm. Meeting resumed at 12.55pm.

12. **2010 OPERATING BUDGET**

12.1 Mr. Toh briefed the board on 2010 Operating Budget including the company's plan to restructure International Marketing and Mass Marketing to grow Non-Rolling operations, which are higher margin and less volatile. Mr. Toh outlined an 18 month plan to drive the corporate meeting, incentive and convention and exhibition business. He also outlined a plan to improve the retail, Plaza, and entertainment segments of the Company's business. The Parcel 5&6 restart budget was also presented, along with a plan to monetize non-core-assets.

12.2 **IT WAS NOTED THAT** the CAPEX budget would be discussed at the next board meeting.

12.3 **IT WAS RESOLVED** that the annual budget for 2010 presented to the board at the Meeting be and is hereby approved.

13. **FOUR SEASONS APART-HOTEL COOPERATIVE SALES**

13.1 Mr. Weaver presented an update on the Four Seasons apart-hotel tower, included in the Board materials.

13.2 Mr. Turnbull asked why it was not possible to sell strata title residential units on Cotai and Mr. Weaver explained that the land on Cotai was granted to Casino operators. Residential development companies were prevented from buying as they were told they would not be permitted to develop residential units on these sites. Granting the Company rights to sell title to residential units would anger residential developers and cause political problems.

13.3 **IT WAS NOTED THAT** the proposed ownership structure for the sale of an interest in the Four Seasons Apartments is similar to a New York Co-operative and requires that the Four Seasons Apartments, which are currently owned by Venetian Cotai Limited ("**VCL**"), be transferred to Cotai Strip Lot 2 Apartment Hotel (Macau) Limited ("**HoldCo**"). VCL will then sell preference shares in HoldCo to purchasers who will at the same time enter into a Grant of Right of Use with HoldCo, similar to a long-term lease, for the exclusive right to occupy a designated Apartment. VCL will retain control of HoldCo and the majority of shares.

13.4 **IT WAS RESOLVED** that, subject to fulfilling all legal and contractual obligations, the Four Seasons Apartments be transferred from VCL to HoldCo.

13.5 **IT WAS NOTED THAT** although the Macao Government has privately expressed satisfaction with the cooperative arrangement, it has not been tested in Macao and can be challenged.

13.6 **IT WAS NOTED THAT** buyers do not appear to be deterred by the cooperative arrangement. In fact, prior to the suspension of sales, Mr. Weaver advised that the Company had willing Korean and Japanese buyers with full knowledge of the cooperative structure.

13.7 The board discussed the sales program and in particular; the appointment of brokers, marketing budget and pricing strategy for the sale of an interest in Four Seasons Apartments. As VCL will be selling shares, brokers with securities dealers licenses will be appointed as required in the target markets of PRC, HK, Japan, Korea, SE Asia, Taiwan and India.

13.8 **IT WAS NOTED THAT** that the total cost to build the apart-hotel tower was approximately US$425M, with approximately US$300M in hard-costs. If the Company is able to sell the units at US$1500 per square foot, that would equate to a profit of approximately US$700M. Prior to the suspension, the Company had signed expressions

of interest at US$1,700 per square foot. This is down from the original asking price of US$2,500 per square foot but Mr. Weaver is confident that this price may still be achievable for the limited, ultra-exclusive units.

13.9 **IT WAS NOTED THAT** Bank of China International ("**BOCI**") has offered to act as the Company's Securities Dealer in Hong Kong for a commission rate of 3% for purchasers introduced by them and 1.5% for purchasers introduced by VCL to BOCI . The board discussed the Sales Budget of 4% of Gross Sales Price ("**GSP**") and the pricing strategy of launching at an average price of USD1,500 psf.

13.10 **IT WAS RESOLVED** that; VCL be and is hereby authorised to enter into an agreement with BOCI and other appropriately licensed Securities Dealers, a budget of 4% of GSP for the marketing of Four Seasons Apartments be and is hereby approved, and the pricing strategy of an average of USD1,500 per square foot be and is hereby approved.

13.11 **IT WAS NOTED THAT**, in order to satisfy the apart-hotel licensing requirements, some units would need to be placed into a rental pool.

13.12 **IT WAS NOTED THAT** the monthly cost of owning an apart-hotel unit is likely to be US$0.61 per square foot or approximately US$1200 for a 2000 square foot unit. The monthly fees are to be reviewed annually at the Company's discresion.

13.13 **IT WAS NOTED THAT** it is now imperative that the management agreements with the Four Seasons for the apart-hotel be finalized. Mr. Jacobs confirmed that he would be meeting with Mr. Izzy Sharp to resolve this issue directly.

13.14 **IT WAS RESOLVED** that, subject to any approval or disclosure obligations under the rules of the Stock Exchange and in accordance with the legal structure presented in the Meeting, VCL be and is hereby authorized to begin selling preference shares in HoldCo to the general public and entering into Grants of Rights of Use with such buyers.

14. ESOP, 2009 BONUS, AND 2010 BONUS PLAN

14.1 Mr. Shawn Li, representative from Towers Watson, presented the ESOP implementation plan, included in the Board Materials.

14.2 **IT WAS NOTED THAT** option-based remuneration is prevalent in Hong Kong and China based companies and that the trend to do so is growing

14.3 **IT WAS NOTED THAT** 60% of Hong Kong listed companies provide option schemes that vest over 3 years. It was further noted however that gaming and property management companies seem to favour longer vesting schedules of 4-5 years. Mr. Schwartz expressed his preference for a scheme that vests over 4 years.

14.4 **IT WAS NOTED THAT** the Employee Stock Option Plan approved by the shareholders prior to the listing enables the Company to provide share options to employees making US$150K or more per year. The board discussed the salary level at which option plans in this region are generally available and it was noted that schemes often begin at lower salary levels compared to the United States as a result of lower salaries for senior executives.

14.5 **IT WAS NOTED THAT** the Remuneration Committee would consider the Towers Watson report, market practices in Hong Kong, and the ESOP plan in place for LVS employees in the United States in order to determine a share option grant for Company Employees.

14.6 **IT WAS NOTED THAT** Members had been presented with the 2009 Bonus Recommendations, reflecting management's desire to reward Company team members' performance during a year in which every corporate performance measurement was met or exceeded. Members also discussed the tight labour market and the need to retain team members.

14.7 **IT WAS RESOLVED** that the 2009 Bonus Recommendation presented to Members be and is hereby approved.

14.8 Mr. Jacobs thanked the Board for their support on behalf of the employees of SCL.

14.9 **IT WAS NOTED THAT** Members had been presented with the 2010 Bonus and Incentive Plan, which sets out to align performance to business objectives, ties remuneration to results achieved, sets expectations and reduces ambiguity, and ends the practice of transaction bonuses for work performed in the course of duty.

14.10 **IT WAS NOTED THAT** Mr. Jacobs and Mr. Toh would be presenting and discussing the Company's 2010 Bonus and Incentive Plan with LVSC

14.11 **IT WAS RESOLVED** that the 2010 Bonus and Incentive Plan be and is hereby approved.

There being no other business to discuss, the Chairman declared the Meeting closed at 2:34pm.

13.5 **IT WAS NOTED THAT** although the Macao Government has privately expressed satisfaction with the cooperative arrangement, it has not been tested in Macao and can be challenged.

13.6 **IT WAS NOTED THAT** buyers do not appear to be deterred by the cooperative arrangement. In fact, prior to the suspension of sales, Mr. Weaver advised that the Company had willing Korean and Japanese buyers with full knowledge of the cooperative structure.

13.7 The board discussed the sales program and in particular; the appointment of brokers, marketing budget and pricing strategy for the sale of an interest in Four Seasons Apartments. As VCL will be selling shares, brokers with securities dealers licenses will be appointed as required in the target markets of PRC, HK, Japan, Korea, SE Asia, Taiwan and India.

13.8 **IT WAS NOTED THAT** that the total cost to build the apart-hotel tower was approximately US$425M, with approximately US$300M in hard-costs. If the Company is able to sell the units at US$1500 per square foot, that would equate to a profit of approximately US$700M. Prior to the suspension, the Company had signed expressions of interest at US$1,700 per square foot. This is down from the original asking price of US$2,500 per square foot but Mr. Weaver is confident that this price may still be achievable for the limited, ultra-exclusive units.

13.9 **IT WAS NOTED THAT** Bank of China International ("**BOCI**") has offered to act as the Company's Securities Dealer in Hong Kong for a commission rate of 3% for purchasers introduced by them and 1.5% for purchasers introduced by VCL to BOCI . The board discussed the Sales Budget of 4% of Gross Sales Price ("**GSP**") and the pricing strategy of launching at an average price of USD1,500 psf.

13.10 **IT WAS RESOLVED** that; VCL be and is hereby authorised to enter into an agreement with BOCI and other appropriately licensed Securities Dealers, a budget of 4% of GSP for the marketing of Four Seasons Apartments be and is hereby approved, and the pricing strategy of an average of USD1,500 per square foot be and is hereby approved.

13.11 Privileged

13.12 **IT WAS NOTED THAT** the monthly cost of owning an apart-hotel unit is likely to be US$0.61 per square foot or approximately US$1200 for a 2000 square foot unit. The monthly fees are to be reviewed annually at the Company's discresion.

13.13 **IT WAS NOTED THAT** it is now imperative that the management agreements with the Four Seasons for the apart-hotel be finalized. Mr. Jacobs confirmed that he would be meeting with Mr. Izzy Sharp to resolve this issue directly.

13.14 **IT WAS RESOLVED** that, subject to any approval or disclosure obligations under the rules of the Stock Exchange and in accordance with the legal structure presented in the Meeting, VCL be and is hereby authorized to begin selling preference shares in HoldCo to the general public and entering into Grants of Rights of Use with such buyers.

14. ESOP, 2009 BONUS, AND 2010 BONUS PLAN

14.1 Mr. Shawn Li, representative from Towers Watson, presented the ESOP implementation plan, included in the Board Materials.

14.2 **IT WAS NOTED THAT** option-based remuneration is prevalent in Hong Kong and China based companies and that the trend to do so is growing

14.3 **IT WAS NOTED THAT** 60% of Hong Kong listed companies provide option schemes that vest over 3 years. It was further noted however that gaming and property management companies seem to favour longer vesting schedules of 4-5 years. Mr. Schwartz expressed his preference for a scheme that vests over 4 years.

14.4 **IT WAS NOTED THAT** the Employee Stock Option Plan approved by the shareholders prior to the listing enables the Company to provide share options to employees making US$150K or more per year. The board discussed the salary level at which option plans in this region are generally available and it was noted that schemes often begin at lower salary levels compared to the United States as a result of lower salaries for senior executives.

14.5 **IT WAS NOTED THAT** the Remuneration Committee would consider the Towers Watson report, market practices in Hong Kong, and the ESOP plan in place for LVS employees in the United States in order to determine a share option grant for Company Employees.

14.6 **IT WAS NOTED THAT** Members had been presented with the 2009 Bonus Recommendations, reflecting management's desire to reward Company team members' performance during a year in which every corporate performance measurement was met or exceeded. Members also discussed the tight labour market and the need to retain team members.

14.7 **IT WAS RESOLVED** that the 2009 Bonus Recommendation presented to Members be and is hereby approved.

14.8 Mr. Jacobs thanked the Board for their support on behalf of the employees of SCL.

14.9 **IT WAS NOTED THAT** Members had been presented with the 2010 Bonus and Incentive Plan, which sets out to align performance to business objectives, ties remuneration to results achieved, sets expectations and reduces ambiguity, and ends the practice of transaction bonuses for work performed in the course of duty.

14.10 **IT WAS NOTED THAT** Mr. Jacobs and Mr. Toh would be presenting and discussing the Company's 2010 Bonus and Incentive Plan with LVSC

14.11 **IT WAS RESOLVED** that the 2010 Bonus and Incentive Plan be and is hereby approved.

There being no other business to discuss, the Chairman declared the Meeting closed at 2:34pm.

Hi All,

to summarize as discussed on phone earlier, the Bank Presentation Oct 13 will be at the "Naples Function Room", ground floor in the convention center, which can host the up to 80 people per latest estimates.

for clarification:
- if attendees need a hotel room, which information do you require from them? I think for the Pre-IPO process this July it was sufficient to provide you with (i) Attendee Name and (ii) Company Name to book a room (i.e. no passport number / no credit card number, which are more time-consuming to get from people)? would it be possible to give people VIP check in at the VIP Lounge at the Venetian Main Entrance again?

- while we still havent received detailed hotel / no hotel confirmation from investors, will there be hotel room availability in VIMPH for in worst case maybe 40 investors on each 12 Oct night and 13 Oct night? we'll try to get you the detailed numbers over the next 24-48 hours

Person and Personal Redaction discussed that attendees will need to pay for their own hotel rooms. if attendees ask, what will be [illegible] room per attendee? is there any special discount rate available? any chance you can confirm this *today* as we'd like to include the room price in the official invite to investors we're sending later

thanks much!

Hi Perso

We just finished our meeting with Perso He showed us the Asian Development office and we would like to do the analyst presentation (Oct 12) at the site and the lenders presentation (Oct 13) if space permits. Can you help check how many seats can be set up in classroom style at max for the conference room there? I will be at Person office tomorrow and we can speak then.

Also Perso mentioned that he prefers to do lunch on Oct 12 at one of the restaurants instead. Can you help check

availability and options? He also mentioned that Portofino for dinner may not be ok since there is space constraint and would be hard to do 20-30 in one room.

Thanks.

Hi Pers

hope you and the Venetian Macau team are having a good public holiday.

We wanted to give your team a heads up that in addition to an Analyst Presentation, which I understand is being [redacted] from the GS team), we will also organize a Bank Presentation, which Personal/Personal from the LVS / Venetian team suggested to have on Tuesday October 13th.

The event would include approximately a dozen potential lenders sending up to four people each, i.e. around 30-50 attendees. Some investors would arrive on the Oct 12th evening and stay for the night, while others would arrive in the morning of Oct 13th. The day of the 13th would include a [redacted] conclude in the afternoon with site visits of the Dubai properties (three sites, tentatively 1 per [redacted]).

If we could coordinate schedules, meeting rooms, site tour guides, shuttle pickups, room reservations, etc. with your team as we did in the previous process, that'd be fantastic.

[redacted] ing of next week.

Best

Hi Fiona,

We just finished our meeting with Steve. He showed us the Asian Development office and we would like to do the analyst presentation (Oct 12) at the site and the lenders presentation (Oct 13) if space permits. Can you help check how many seats can be set up in classroom style at max for the conference room there? I will be at Steve's office tomorrow and we can speak then.

Also Steve mentioned that he prefers to do lunch on Oct 12 at one of the restaurants instead. Can you help check

availability and options? He also mentioned that Portofino for dinner may not be ok since there is space constraint and would be hard to do 20-30 in one room.

Thanks,
Melody

Dear Daniel,

Good evening!
Further to our phone conversation this afternoon regarding Lender's meeting venue at LG level (on 13th Oct), I have looked at the rooms and would show them to Mr Jacobs for his final approval/confirmation and will get back to you tomorrow morning.

Dear Melody,

Research Presentation and dining venue (on 12th Oct) has been reconfirmed at Venetian's function room at Ground Floor (Casino floor). Pls call to discuss about the detail arrangement/ requirement when you finalized the agenda tomorrow.

Thanks,
Fiona

Hi Fiona,

hope you and the Venetian Macau team are having a good public holiday.

We wanted to give your team a heads up that in addition to an Analyst Presentation, which I understand is being organized for Monday October 12th in Macau (e.g. by Melody Chan from the GS team), we will also organize a Bank Presentation, which Ben Toh / Daniel Weinrot from the LVS / Venetian team suggested to have on Tuesday October 13th.

The event would include approximately a dozen potential lenders sending up to four people each, i.e. around 30-50 attendees. Some investors would arrive on the Oct 12th evening and stay for the night, while others would arrive in the morning of Oct 13th. The day of the 13th would include a management presentation (roughly from 9am-12pm), lunch, and conclude in the afternoon with site visits of the Cotai properties (Sites 5&6, Venetian, Four Seasons, Sites 3 / 7&8).

If we could coordinate schedules, meeting rooms, site tour guides, shuttle pickups, room reservations, etc. with your team as we did in the previous process, that'd be fantastic.

Many thanks in advance and we'll be in touch after the holiday at the beginning of next week.

Best
Daniel

Please kindly note that Mr. Jacobs will be arriving LV on flight # DL104 at 10:06am on 22nd and leaving to LAX on 23rd evening on flight #DL2529 at 7:15pm. (I have booked a room at Palazzo via Travel Services Tom.)

In regards to the P5/6 Branding Meeting, Mr. Jacobs has a meeting with Mr. Daniel Lamarre (CEO of CDS) at 11:30am on 22 Feb. at LVSC office, thus, may we have the P56 Branding Meeting before/ after this CDS meeting? Or should Mr. Jacobs dial in on 18th Feb instead?

BTW, may I ask your kind assistance to setup a temp office for him while he is there please?

I look forward to hearing from you!

5.3 **IT WAS NOTED THAT** the Group's provision for impairment of tenant receivables amounted to approximately US$3.9M as of March 31, 2010. The represents approximately 18.7% of the gross receivables of US$20.8M.

5.10 **IT WAS NOTED THAT** Mr. Bruce had received and reviewed the PWC Engagement Letter dated April 12, 2010 and determined that it was in a standard form although the review of accounts for the quarter ending June, 2010 had not been included. 5.11 **IT WAS RESOLVED THAT** management be and is hereby authorized to enter in to the PWC Engagement Letter dated April 12, 2010.

6. **INTERNAL AUDIT REPORT**

6.1 **IT WAS NOTED THAT** Mr. Eric Chen from the Company's Audit Services Group ("ASG") provided his audit report for the first quarter of 2010, which was included in the materials circulated to the Committee.

6.2 **IT WAS NOTED THAT** 27 shops still suffer from faulty installation of utility meters, resulting in the Company being unable to charge mall tenants accurately for their utility usage. ASG meets with the responsible teams quarterly and progress is being made. There were originally 148 shops with utility meter problems. The 27 remaining shops cannot be addressed until local licensing issues have been resolved.

6.3 **IT WAS NOTED THAT** the Company failed to charge tenants for costs associated with government submission fees related to tenant fit out plans, which is a recoverable cost in accordance with the Retailers' Handbook. The amount due is approximately MOP4.9M from retail tenants in The Grand Canal Shoppes. The amount due from tenants in the Shoppes at Four Seasons cannot be determined nor charged at this stage until the Company receives a bill from MPS.

6.4 **IT WAS NOTED THAT** historically, security deposits for retailers have not been consistently applied and often not collected prior to occupation. As at September 2009, USD $1.1 million of security deposits were outstanding from nine retailers. Some have been outstanding for more than a year.

6.5 **IT WAS NOTED THAT** some capital projects started in 2006 and 2007 were started without receiving proper approval from management or notification to the Company's Finance Department. As of November 2009, costs of 22.4 million MOP (USD $2.8 million) were treated as disposal losses. Mr. Toh advised that procedures were implemented to address this issue.

6.6 **IT WAS NOTED THAT** Cirque du Soleil ("CDS") has submitted a claim for MOP164M (US$20.5 million) for Furniture Fixtures & Equipment (FF&E) associated with the construction of the CDS theatre. CDS not submitted a detailed breakdown of this FF&E to the Fixed Asset team. The Company has settled MOP122M of the MOP164M claim. Mr. Jacobs advised that this matter would be resolved before the Company settles certain back payments due to CDS.

6.7 **IT WAS NOTED THAT** certain employees were granted access to keys in breach of the company's internal policies. ASG made various recommendations that have been adopted and the matter resolved.

7. **DRAFT CONSOLIDATED FINANCIAL STATEMENTS**

7.1 **IT WAS NOTED THAT** the Committee had received a copy of the unaudited draft consolidated financial statements of the Company and its subsidiaries presented in IFRS for the fiscal quarter ended March 31, 2010 (the "**Quarterly Financial Information**").

7.2 **IT WAS NOTED THAT** the Committee had received a copy of the 1309 Announcement containing the Quarterly Financial Information (the "**Quarterly Results Announcement**") to be published to the Stock Exchange.

7.3 Mr. Bruce asked PWC to confirm that there was nothing out of the ordinary in the Quarterly Financial Information.

7.4 **IT WAS NOTED THAT** PWC confirmed that there was nothing out of the ordinary in the Quarterly Financial Information.

7.5 **IT WAS RESOLVED THAT** the Committee will recommend to the board that Quarterly Financial Information be approved and that the Quarterly Results Announcement be submitted and uploaded to the website of the Stock Exchange on May 11, 2010 before the Stock Exchange begins trading that day.

8 **OTHER BUSINESS**

8.4 **IT WAS NOTED THAT** Chinese Government's State Administration of Foreign Exchange ("SAFE") has conducted an investigation in the Company's foreign exchange practices and informally notified us that it will likely fine the company over irregular currency conversion. Mr. Jacobs confirmed that Company representatives will be meeting SAFE to explain that we believe we complied with all legal regulations at the time. Mr. Jacobs recommended that an update be provided to the Committee at the next meeting.

8.5 **IT WAS NOTED THAT** the Committee would like Committee meetings to be scheduled for a minimum of 1 hour in the future.
