(Name of public officer for whom recall is sought)

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

Signatures of registered voters seeking the recall of Judge Catherine Ramsey

(Name of public officer for whom recall is sought)

[INSERT 200 WORDS OR LESS SETTING FORTH THE REASON(S) WHY RECALL IS DEMANDED]

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

[INSERT 200 WORDS OR LESS SETTING FORTH THE REASON(S) WHY RECALL IS DEMANDED]

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

Judge Catherine Ramsey

(Name of public officer for whom recall is sought)

[INSERT 200 WORDS OR LESS SETTING FORTH THE REASON(S) WHY RECALL IS DEMANDED]

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

Judge Catherine Ramsey

[INSERT 200 WORDS OR LESS SETTING FORTH THE REASON(S) WHY RECALL IS DEMANDED]

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

[INSERT 200 WORDS OR LESS SETTING FORTH THE REASON(S) WHY RECALL IS DEMANDED]

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

[INSERT 200 WORDS OR LESS SETTING FORTH THE REASON(S) WHY RECALL IS DEMANDED]

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

[INSERT 200 WORDS OR LESS SETTING FORTH THE REASON(S) WHY RECALL IS DEMANDED]

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

[INSERT 200 WORDS OR LESS SETTING FORTH THE REASON(S) WHY RECALL IS DEMANDED]

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.

[INSERT 200 WORDS OR LESS SETTING FORTH THE REASON(S) WHY RECALL IS DEMANDED]

North Las Vegas Municipal Court Judge Catherine Ramsey deserves to be recalled from her office, because she has abused the public's trust and tarnished the integrity of the judicial system. Her conduct has been harmful to city staff, attorneys and member of the public and has cost taxpayers an excessive amount of money. As a result, the Las Vegas Review Journal has called for her recall twice in the last year. Four complaints have be filed against her for workplace misconduct that have cost taxpayers more than \$120,000 since she has been in office. She improperly converted \$12,000 in North Las Vegas City funds for a personal lawsuit. She failed to show up for work 68 times out of 196 work days costing North Las Vegas taxpayers \$94,000. There is a pending ethics complaint that asserts that she has mistreated staff, attorneys and people who have entered her courtroom. Finally, she regularly reduced the charges in criminal cases costing taxpayers thousands of dollars. We urge her recall from office.
