9 The Nevada Supreme Court Access to Justice Commission ("Commission")
10 hereby petitions this court to amend SCR 217(2) regarding creation and
11 maintenance of interest-bearing trust accounts interest minimum standards.

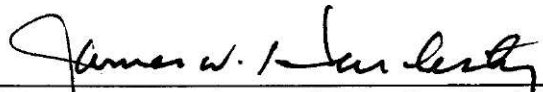

12 Since 2008, Nevada's legal aid organizations have benefited from stable
13 interest on lawyer trust account (IOLTA) rates, which have traditionally been set
14 at 0.70 percent. Nevada has received strong support from its banking community,
15 with more than 30 financial institutions participating in the IOLTA program.
16 Annually, more than \$500,000,000 is maintained on deposit in Nevada banks.
17 Substantially, all interest generated from these accounts is distributed to statewide
18 legal service organizations by the designated tax-exempt bar foundation as
19 outlined in SCR 216 through annual grants. In 2019, \$3.4 million in IOLTA grant
20 dollars were awarded.

21 The Commission seeks to amend the interest minimum standards by setting the
22 current rate as its minimum or "floor" and to provide flexibility to raise the rate
23 consistent with the changing financial market, based in part, on the Federal Funds
24 Target Rate. The proposed amendments would also allow for tiered rates for
25 various account sizes.

1 The proposed rule, as amended, is attached hereto in its entirety as Exhibit A.
