JOURNAL ENTRIES

- Defendant's Joinder to Co-Defendant Clemon Hudson's Motion to Sever ... Pre Trial Conference

Co-Defendant, Clemon Hudson present. Craig Mueller, Esq. present on behalf of Co-Defendant.

Arguments by counsel. Co-Defendant cites the Chartier case and circumstances in their pleadings. Arguments by counsel regarding the allegations and Defense's position that each Defendant will have to defend two theories of liability. State's opposition that the record can be sanitized for the sake of each Defendant as to statements made by parties in contravention to a fair trial. Colloquy regarding alleged facts and circumstances. COURT does Find this case to be distinguishable from the Chartier case. Court has considered whether or not there is a substantial risk the Jury will use factually incriminating confession(s) of a non-testifying Defendant as evidence of guilt of his co-defendant; and, fundamental unfairness at trial. FURTHER, Court notes State's offer of cooperation, and DENIES Motion and Joinder to Sever WITHOUT PREJUDICE; State will offer both counsel the opportunity to see the redacted version the State intends to use at trial. IF after review, Defense

determines their client cannot be adequately defended at trial, then Defense may renew its motion. State to prepare an order consistent with the Court's ruling that both Defendants will have the opportunity to renew their motions. Court directed State to provide its redacted version to Defense counsel NO LATER THAN 10/17/17 for review; and Defense to respond to State's redactions NO LATER THAN 10/20/17. THIS COURT gives parties permission to contact the Senior Judge Department for further consideration on these matters, if needed. Colloquy regarding discovery requests. Mr. Pesci advised he just picked up this matter for trial and has instructed his staff to provide requested discovery to both Defendants' counsel. Mr. Pesci clarified that the disk received has been copied and will be provided to opposing counsel. COURT ORDERED, oral request to compel discovery is GRANTED. Mr. Pesci acknowledged they State will comply. Court placed the burden on both counsel to ensure that discovery production is satisfactorily complied with.

Upon Court's inquiry, State advised the case has been subpoenaed and anticipates ready. Defense advised, they will have a better idea once redactions have been received, but otherwise anticipate ready. COURT ORDERED, proposed Jury Instruction be prepared and provided by calendar call date. Defense Proposed Jury Instructions to be submitted directly to chambers.
