RE: Supplement to ADKT 0549

Dear Chief Justice Gibbons:

On behalf of the State Bar of Nevada Board of Governors (BOG) and the Nevada Board of Continuing Legal Education (NVCLE), please find additional information to supplement ADKT 0549.

It is the intent of the BOG and the NVCLE to allow those attorneys affected by the proposed Amendment to SCR 214(1)(d) to apply all available excess credits for programs attended within a two year period prior to the effective date of the Amendment.

The NVCLE Board has reviewed its records and reports that between 280 and 357 of the attorneys who have attained 70 years of age have CLE credits from programs taken within the past two years which may be affirmed and applied. The precise number of attorneys for whom carry-forward credits will be applied will be known after the NVCLE goes through the manual process of applying the credits to the transcripts and affirmations of the affected attorneys. Should the Court submit an Order amending SCR 214(1)(d) as proposed, such Order from the Court would be sufficient authority to take the contemplated action as Rule 210(2)(b) already provides for the application of carry-forward credits.

We thank the Court for its consideration of this important matter. Please do not hesitate to contact me with any questions.

Respectfully,

Kimberly Farmer
