Memorandum of Points and Authorities

Comes now, Appellant, Alfred P. Centofanti, III, in proper and
Respectfully requests this Court allow Appellant leave to Amend the
concurrently filed Petition for Rehearing with additional pleadings
and exhibits pursuant to NRAP 26(C)(1)(A) providing:

For Good Cause, the Court may extend the time prescribed
by these Rules or by its order to perform any act to be
done after that time expires.

Declaration of Appellant Alfred P. Centofanti III

Alfred P. Centofanti III, hereby declares under the penalty of perjury
(NRS 208.165) the following:

1. Appellant seeks leave of this Court to supplement the Petition for
Rehearing with additional facts, witnesses, documents, references to the
record, and other evidence not presently available to him due to the
time constraints of the 160 day filing deadline and the effect the
lockdown states limiting access to essential resources to comply with
the NRAP.

2. HOSP is on both a covid-19 modified lockdown and a lockdown
initiated June 10, 2020 due to a medical staff's death in a car accident.

3. There is no direct access to the law library to do research,
obtain the NRAP, copies and case law and authorities in support
of the Petition for Rehearing. Appellant is attempting to obtain
the NRAP and other authorities through a paying system through
internal HOSP mail (m-Th only).

4. Appellant received the June 5, 2020 order on June 12, 2020,
with only 11 days remaining of the June 23, 2020 deadline.

5. Since Wednesday June 10, 2020 Appellant is not allowed out of
his cell except for showers, and, if HOSP goes back to Covid-19

lockdown, inmates will only be allowed out of the cell once a day,
but still no law library access.

6. Appellant will need additional time to review the record from
2012-2019 since the Appellate Court made the unbrieft issue
of good cause an issue which will require research and perhaps
further briefing, as well as Exhibits not currently available.

7. Appellant is not waiving or abandoning his ability to ask for
Reconsideration of the issues addressed (and not addressed) by the
panel in its June 5, 2020 order of Affirmance, or in the Petition.

8. Appellant wishes to file the Petition for Rehearing to preserve
his Rights under MRAP 40 (b) within the 18 day time limit, pending
this Court's ruling on this motion.

9. This motion is being made in Good Faith and not for the purposes
of delay or other improper reason.

10. Appellant also seeks Leave to Amend to comply with the
MRAP he does not have access to due to Covid-19 protocols.
