4 The State of Nevada,

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY *E. Richards*
DEPUTY CLERK

6 Second Supplement to Motion for OSC; Motion for Stay,
7 and Other Relief Due to Covid-19

8
9 Comes Now, Alfred P. Centofanti, III, in Pro Per, and hereby files his 2nd
10 Supplement to the July 2, 2020 (mailing date) Motion for an OSC, the Motion
11 for stay and other relief, the August 10, 2020 (mail date) supplement as
12 follows:

13 On August 10, 2020 Centofanti requested he be allowed to attend
14 the law library. In response to "what can be done to resolve this
15 issue?" Centofanti was told:

16 "Find a cure for covid 19."

17 A copy of this exchange is attached as Exhibit "A."

18 On August 18, 2020 the brain trust at HDSP decided to start a
19 schedule that provided 28 inmates would be allowed out of their
20 cells at one hour intervals in which to 'share' five (5) telephones,
21 eight (8) showers, one (1) kiosk, one (1) microwave, etc. But still no
22 law library (workers only) and 100+ at PI, 30+ in kitchen, etc.

23 This doomed to fail scenario lasted less than 1 week. Fights over the
24 phone in multiple units, including an alleged stabbing in unit 7c/d

25 in unit 7 A/B) has at least unit 7 on lock down
26 SEP 10 2020 (again), yet now PI workers go to work and still no
27 law library access for unit 7.

28 As to the response to the August 10, 2020 request, it is the

1 Flippant, smug, brazen, unaccountable cowardice of bureaucratic
2 arrogance that demands action by this Court. Would this Court
3 accept "Find a Cure for Covid 19" as a response?

4 Furthermore, Centofanti is being held hostage by both mismanagement
5 and a situation not of his making. HDSP is supposed to be a medium
6 custody yard not a 'supermax'. Despite a warden and (4) associate
7 wardens, and multiple LT's, SGT's and admin. assistants, they can't figure
8 out how to run either the prison or law library without the benefit of a
9 Court order, so let's give them one. Please. Along with a stay:

10 This Court is therefore, again, requested to order Centofanti be
11 allowed to attend the HDSP Law Library to conduct necessary
12 research, drafting, copying and processing for litigation before
13 this Court and not require Centofanti to find a cure for Covid-19.

14 A reasonable accommodation would be to allow Centofanti to attend
15 with GP level one workers with whom he is already housed with.

16 Respectfully submitted this 26th day of August, 2020

6.) REQUEST: (PRINT BELOW) I have submitted multiple written requests to attend the law library since June 12, 2020 and have been denied each time. I have (3) active cases, 2 criminal appeals (state/federal) and 1 state civil case and provided case names, case numbers, deadlines. I've also pleaded it on July 15th and filed multiple pleadings in the state criminal and civil cases seeking extensions, as well as court action on the deadlines. What can be done to resolve this issue? Since June 12th inmate workers and appointments allowed to attend so stating 'covid' seems disingenuous and misleading at best. Can I please be scheduled for an appointment ASAP? Thank you.
