## IN THE SUPREME COURT OF THE STATE OF NEVADA

TRANDON TEKARIO GREEN	)	
Appellant, vs. STATE OF NEVADA,	Electronically Filed  No.: 81563  No.: 81563  Elizabeth A. Brown  MOTION FOR EXTENSION OF Supreme Co	
Respondent.	STATEMENT ) ) ) ) ) )	

Pursuant to NRAP14(d), "A motion for an extension of time within which to file the docketing statement will be granted for good cause." This case was docketed on July 31, 2020. This motion is made on August 28, 2020, more than a week tardy.

Counsel was under the mistaken belief that the trial transcripts have already been filed from the listing of documents on the Eighth Judicial District Court Portal. But the listings under the title "jury trial" were actually minutes from the days of trial instead of actual transcripts. The mistake is entirely Counsel's fault.

Counsel is also filing the motion untimely. Counsel mis-calendared the due date for the docketing statement. Again, the mistake is Counsel's. Counsel needs thirty additional days to file Requests for Transcripts of Proceedings and to review them to discern what the issues will be for the Appellant's Opening Brief. This motion was made in good faith and not for the purpose of delay.
