12 Pursuant to NRAP14(d), “A motion for an extension of time within which to file the
13 docketing statement will be granted for good cause.” This case was docketed on July 31, 2020.
14 Counsel was under the mistaken belief that the trial transcripts have already been filed from the
15 listing of documents on the Eighth Judicial District Court Portal. But the listings under the title
16 “jury trial” were actually minutes from the days of trial instead of actual transcripts. The mistake
17 was entirely Counsel’s fault. A motion requesting for extension was made on August 28, 2020,
18 more than a week tardy. The Court granted the motion extending the deadline to September 21,
19 2020.

22 The trial transcripts requested haven’t been filed as of today. The Court Recorder needs
23 more time to prepare the transcripts. Counsel respectfully requests thirty additional days to file
24 Requests for Transcripts of Proceedings and to review them to discern what the issues will be for
25 the Appellant’s Opening Brief. This motion was made in good faith and not for the purpose of
26 delay.
