Re: ADKT 567

To the Justices of the Supreme Court:

On behalf of the Nevada Judges of Limited Jurisdiction, we would first like to thank you for considering some of the concerns outlined in our written comments dated September 16, 2020. We are in receipt of the "Circulation of Proposed Temporary Residential Summary Eviction Mediation Rules and Order Inviting additional Comment," and have a few minor requests to assist each of our courts with implementing the Proposed Temporary Residential Summary Eviction Mediation Rules, specifically regarding Rule 3(b) and (d).

NJLJ requests the Access to Justice Commission or similar body to promptly provide NJLJ with:

- A list of the "government-sponsored rental assistance programs" throughout the state referred to in Rule 3(b), as this information is unknown to our judges.
- A list of all civil legal aid programs, court self-help centers, or similar programs throughout the state, as referred to in Rule 3(d), and our judges can list the programs that are in their jurisdiction.

This information is needed for implementation of Rule 3. Thank you.

Sincerely,

Diana L. Sullivan
