APPELLANT'S SUPPLEMENTAL
OPENING BRIEF AUTHORIZED BY
ORDER 22-01848

An Appeal from the Eighth Judicial District Court

The Honorable Susan Johnson, Presiding

Comes now, Appellant Nona Tobin, In Proper Person, to respectfully submit this authorized (22-01848) supplement to the appellant's opening brief filed by Appellant Nona Tobin's prior counsel on 9/30/21 (21-28152). In Proper Person

I, Nona Tobin, declare and state, under penalty of perjury of the laws of the State of Nevada, as follows:

Judgment and Orders I Am Appealing.

10/8/20 (21, AA4423- AA4433)	ORDER GRANTING MOTION FOR ATTORNEY'S FEES AND COSTS FILED BY JOEL A. STOKES, JOEL A. STOKES AND SANDRA STOKES, AS TRUSTEES OF THE JIMI JACK IRREVOCABLE TRUST, AND JIMI JACK IRREVOCABLE TRUST, PURSUANT TO EDCR 7.60(b)(1) AND/OR (3)

Notice of Appeal.

Notice of appeal documents were filed three times such that three appeal cases were created (82094, 82234, and this appeal 82294) from the A-19-799890-C district court case. This burden was required as the sanction orders were erroneously filed (10/8/20 and 11/17/20) before the 12/3/20 judgment order to dismiss all my claims with prejudice:

 - f. 8/6/21 3rd appellant's attorney's motion to extend 21-19239

16. 1/19/22 order denied my pro se motions to set aside 79295 order of affirmance and to suspend briefing pending A-21-828840-C appeal, and granted me leave to file either a supplemental 10-page brief conforming to NRAP 28 & 32 or file a Pro Se Informal brief by 2/2/22 (22-01848).

None of the above claims were heard, and there never was an evidentiary hearing in the A-15-720032-C case. Only the Hansen Trust quiet title claim against the HOA was allowed to go to the 6/5/19 trial, but the HOA was dismissed from the trial and all documentary evidence was excluded from the trial by bench order at the 6/3/19 calendar call as a sanction for alleged attorney misconduct over which I had no control.

- C. The sale is void as it was not authorized by valid HOA Board votes.
- D. The sale is void as the owner was denied contractually guaranteed due process.
- E. The sale was unfair and commercially unreasonable as the sale was not properly noticed and bidding by bona fide purchasers was suppressed.
- F. Quiet title should be granted to Tobin as her deed is superior to all others.
- G. Quiet title should be granted to Tobin against NSM whose claims are provably false.
- H. Plaintiff is entitled to quiet title vs. BANA & NSM as they obstructed four FMV sales, but would not foreclose or take the liability and duties of owning the title.
- I. Plaintiff is entitled to quiet title against all defendants who claim an interest in recorded security instruments as they are false and/or were unauthorized.

6/3/20 I filed the First Amended Complaint through my attorney, John W. Thomson:
NONA TOBIN, an Individual Plaintiff, vs. BRIAN CHIESI, an individual; DEBORA CHIESI, an individual; QUICKEN LOANS INC.; JOEL A. STOKES, an individual; JOEL A. STOKES and SANDRA STOKES as Trustees of JIMI JACK IRREVOCABLE TRUST; JIMI JACK IRREVOCABLE TRUST; NATIONSTAR MORTGAGE LLC; RED ROCK FINANCIAL SERVICES; DOES I through X inclusive; and ROE CORPORATIONS I through V, inclusive Defendants.

The 1st amendment 6/3/20 changed defendants to be only those who had a current adverse claim or who had fraudulently conveyed the property to circumvent adjudication. On the advice of counsel, I withdrew abuse of process claim, and he abbreviated the claims to be:

- QUIET TITLE AGAINST ALL DEFENDANTS

1 cross-claims and petition for sanctions against Nationstar into
2 the 9/10/21 order.

3 My counter-claims, cross-claims and petitions for
4 sanctions have been partially resolved by orders entered
5 on 9/10/21 and 11/22/21. Red Rock is preparing an order
6 denying my motion for an evidentiary hearing to set aside all
orders in this case (NRCP 60(b)(3) and NRCP (60(d)(3) and
denying Red Rock's and NSM's motion for a vexatious
litigant order by 2/3/22. I have until 2/13/22 to comment.

7 **Statement of Facts.** I, Nona Tobin, declare and state, under penalty of perjury of the
laws of the State of Nevada, as follows:

- 8 1. I was forced to litigate because Sun City Anthem refused to provide the Alternate
9 Dispute Resolution I am guaranteed by the HOA's CC&Rs XVI and refused to
10 consider my 3/22/17 offer to settle at no cost to the HOA.(16, AA3192-AA3193;
AA3211-AA3226)
- 11 2. None of my opponents have participated in good faith, or at all, in mediation that was
12 required by NRS 38.310, or that I requested, or was available through the district court
or in the Appellate Courts settlement program.
- 13 3. I have accrued \$317,532.76 in attorneys' fees, have spent tens of thousands in other
14 costs of litigation and invested thousands of hours of my personal time unsuccessfully
15 attempting to get my claims heard and decided based on verified evidence by a fair
and neutral tribunal.
- 16 4. In all these court cases, there has never been an evidentiary hearing to support orders
17 that dismissed me and all of my claims with prejudice, primarily on the inapplicable
18 grounds of claims preclusion, damaging me because all the verified evidence support
my claims and refutes my those of opponents. (Many cites will be in reply brief).

19 I am asking this court to reverse the three orders appealed from in this 82294
20 appeal and remand the case to Judge Johnson for an evidentiary hearing to decide my
case on its merits

21 **Statement of District Court Error:**

22 10/8/20 ORDER GRANTING MOTION FOR ATTORNEY'S FEES AND COSTS,
PURSUANT TO EDCR 7.60(b)(1) AND/OR (3) (21 AA4423-4433)

23 The court erred by sanctioning me for filing a complaint that was necessary
24 only because of obstruction of justice in the first case. Joseph Hong's misconduct in
the prior proceedings was the direct and proximate cause that prevented my claims
25 from being heard in the prior case, primarily 4/23/19 ex parte meeting (79295, X.,
AA1972-1979; XIII., AA2608-2640) with judge Kishner; concealing and
26 misrepresenting Jimijack's fraudulent conveyance of its defective deed (20, AA4198-
27 AA4201), and Joel Stokes' 5/23/19 deed of trust as the Jimijack-Nationstar's
28 settlement.(XIII., 19-51483, AA2726-2750; XII., 19-51482. AA2548-2550 except)

1 11/17/20 ORDER GRANTING MOTION FOR ATTORNEY FEES AND COSTS
2 (CHIESI/QUICKEN LOANS PURSUANT TO NRS 18.010(2)(22, AA4475-4485)

3 The court erred by rewarding new defendants who damaged me by opposing
4 my case being heard on its merits when they had other legal remedies to prevent loss
5 should I prevail. My 8/7/19 complaint was necessary and warranted due to the 8/14/19
6 statute of limitations (NRS 1.090). These defendants (Joel A. Stokes (20, AA4198-
7 AA4201), Brian & Debora Chiesi (22, AA4202-AA4206) and Quicken Loans (22,
8 AA4207-AA4232)) did not record their adverse claims until 12/27/19, too late for
9 claims to have been filed against them in the prior proceedings, and even too late for
10 them to have been named in my 8/7/19 complaint. There isn't any way for me to get
11 quiet title without naming the party that currently holds the title. The court erred in
12 thinking I was acting in bad faith because I filed a complaint before the statute of
13 limitations deadline because I wasn't heard in the prior case.

14 The court erred in ordering that I pay attorney fees to an attorney who did not
15 disclose that she is also representing the Driggs Title Company that issued a title
16 policy when there were three lis pendens on record since August 2019 (21, AA4420-
17 AA4422) and did not include any of those lis pendens or Joel Stokes 5/23/19 \$355,000
18 deed of trust (in property record, concealed from court) in her request for judicial
19 notice even though it encumbered the property when Quicken Loans recorded another
20 \$353,500 deed of trust to be secured by the same property. (22, AA4207-AA4232)

21 12/3/20 ORDER GRANTING DEFENDANT RED ROCK's MOTION TO DISMISS
22 COMPLAINT AND ALL JOINDERS TO THE MOTION (22, AA4486-AA4537)

23 The order erroneously applied the doctrine of claims preclusion. Claims preclusion
24 cannot apply when there was no full and fair opportunity to litigate in the first
25 proceedings. (The other elements are not met:

- 26 • the parties are different and I have given good reasons why some of the current
27 parties were not named previously
- 28 • respondents misuse the concept of "in privity" to include what is actually "in
concerted action" or "in conspiracy"

29 The 12/3/20 order was filed without any modification despite the eight-page letter
30 of objections my attorney gave to all opposing counsels on 10/27/20 when the order
31 was circulated for review. (22, AA4528-AA4537)

32 I declare under penalty of perjury under the laws of the State of Nevada that the
33 foregoing is true and correct.

34 Dated this 2nd day of February 2022,
